SUBCHAPTER 2. GOALS FOR CHILDREN
REMAINING IN FOSTER CARE IN EXCESS
OF 24 MONTHS10:131-2.1 State child welfare services permanency
planning

The Adoption Assistance and Child Welfare Act of 1980 (P.L. 96-272) mandates that specific goals be established by State law before October 1st for each fiscal year as to the maximum number of Title IV-E eligible children who will remain in foster care for more than 24 months. This requirement is consistent with the intent of the legislation to improve services provided to children and their families, therefore reducing the number of children removed from their families and increasing the number of children returned to their families from out-of-home placement. This requirement is also consistent with the goal of the Division of Youth and Family Services, under N.J.S.A. 30:4C-1 et seq., to provide all children with permanency planning, therefore minimizing the number of children in temporary out-of-home placement.

10:131-2.2 State child welfare services goals

New Jersey has established that no more than 2,150 Title IV-E eligible children will remain in foster care for more than 24 months during Federal fiscal year 1983 and thereafter. The Division of Youth and Family Services will make every effort within available resources to ensure that services are provided to maintain children in their own homes and to reunify children in out-of-home placement with their families as quickly as possible.
