TO: Honorable Members of the New Jersey State Legislature

FROM: Roger Ellis, Vice-Chairperson, New Jersey Infrastructure Bank

SUBJECT: State Fiscal Year ("FY") 2021 Third Amended Interim Transportation Financing Program Project Priority List ("FY2021 3rd Amended PPL")

The New Jersey Infrastructure Bank (the "I-Bank") and the New Jersey Department of Transportation are pleased to present the FY2021 3rd Amended PPL to the New Jersey State Legislature pursuant to the New Jersey Infrastructure Trust Act N.J.S.A. 58:11 B-1 et seq. ("the Act"). The Transportation Bank is obligated, pursuant to the Act, to publish the Transportation Infrastructure Bank Priority System and Transportation Infrastructure Project Priority List for the ensuing fiscal year. The Act authorizes the I-Bank to amend the Priority List four times during the State fiscal year. The PPL for SFY2021 was originally submitted to the Legislature in January 2020. This submission serves as the second such amendment.

The Act established the New Jersey Transportation Infrastructure Bank (the "Transportation Bank") to make low interest loans for local transportation infrastructure projects with a mission of reducing the cost of financing for New Jersey counties and municipalities' critical transportation projects.

The FY2021 3rd Amended PPL, set forth in Appendix A, consists of 26 projects with an estimated value of \$137.2 million. This project list identifies all Transportation Bank loan applicants for which an application for an eligible project was submitted on or before December 31, 2020. Of these projects, 20 have been allocated funds totaling \$89.1 million in prior quarters up through December 31, 2020 and are currently undergoing engineering design or construction activities.

For the 3rd quarter of FY2021, there are no new funding allocations, however one project that was previously allocated in the 1st quarter of SFY2021 received an increase of \$2.6 million in its allocation, for a new estimated value of \$8 million.

Thank you for your continued support of our Programs.
