September 1, 1978

Dear New Jersey Citizen:

The New Jersey Department of Environmental Protection (DEP) through a special DEP-Citizen Task Force has developed a proposed Public Participation Policy to encourage greater public involvement in environmental decision-making.

The policy, when adopted, will make it easier for citizens to participate actively and constructively in DEP's management and protection of the State's environment and natural resources.

I invite you to comment on this proposed policy, and to attend one of the four informal public information meetings to be held on the following dates:

- OCTOBER 3 -- 8 p.m., Cherry Hill Public Library
Meeting Room, 1100 Kings Highway North,
Cherry Hill
- OCTOBER 5 -- 10 a.m., Rutgers University, Labor
Education Center (Herrmann Hall),
Ryderson Lane (off Route 1), New Brunswick
- OCTOBER 10 -- 8 p.m., Stockton State College,
Building B, Room 116, Pomona
- OCTOBER 12 -- 8 p.m., Bloomfield College, Westminster
Hall, Room 103, Corner of Franklin and
Fremont Streets, Bloomfield

The emphasis at these meetings will be on informal discussion. We will share ideas on the policy itself and on ways the public can become involved in decision-making at DEP.

Since the emphasis is on discussion, would you submit any formal written comments directly to me by mail? All comments, both oral and written, will be given full consideration by the DEP Public Participation Task Force.

The proposed policy and information are available from the DEP Office of Public Participation, Box 1390, Trenton, N.J. 08625, or call (609) 292-2885.

I hope you will join with me and members of the Task Force at one of the meetings.

Sincerely,

Betty Wilson
Deputy Commissioner

Over-the-Counter Permits

Stream Encroachment (609)-292-2402

DEP now has a one-day processing service for certain minor stream encroachment permits. This "over-the-counter" service is limited to minor projects which do not adversely change the water carrying capacity of the floodway, do not increase erosion or sedimentation in the stream, and do not require substantial channel modification or relocation. For further information contact the Bureau of Flood Plain Management, P.O. Box CN029, Trenton, NJ 08625.

Riparian (609)-292-2613

DEP has a one-day processing service for minor Riparian projects. This over-the-counter service applies to waterfront construction activity in man-made lagoons and minor maintenance and/or repair or replacement of lawful existing structures. For further information contact Riparian Lands Management, P.O. Box 1889, Trenton, NJ 08625.
