## **NEWS RELEASE**

### **Whitman on Dunbar Confirmation**

Today's confirmation of Carson Dunbar to be the Superintendent of the New Jersey State Police marks a new beginning for the agency and the residents of this state. With the new superintendent in place, we can move forward to implement the reforms recommended by the Attorney General's task force.

Carson Dunbar represents what we should expect of all our law enforcement officers. He is a hard working, fair and dedicated officer of the law and his desire to provide equal and fair justice will serve him well as he accepts this challenge.

I look forward to working with Mr. Dunbar to ensure that all our residents feel safe and have confidence in the hard working men and women of the State Police who every day place themselves on the line to protect others.
