1626 "K" Street, N.W.
Washington, D. C.

Dear Mr. Kohl:

In accordance with discussion at the meeting between State representatives and your staff in Washington on September 9th, our application dated July 20th for a Federal grant to carry out a mass transportation demonstration project on the Erie Lackawanna Railroad has been revised. Copies of the amended application are enclosed.

We hope that the application is now in satisfactory form and that approval may be forthcoming in time to begin many of the proposed tests with the timetable change on October 31st.
