October 7, 2025

TO: Honorable Members of the New Jersey State Legislature
FROM: Robert A. Briant, Jr., Chairperson, New Jersey Infrastructure Bank
SUBJECT: State Fiscal Year 2026 **Second** Amended Interim Transportation Financing Program
Project Priority List (PPL) for Short-Term Funding

Overview – The New Jersey Infrastructure Bank (the “I-Bank”) is pleased to present to the New Jersey State Legislature, the amended Project Priority List (“PPL”) for the Transportation Infrastructure Financing Program (“Transportation Bank”). The I-Bank’s Enabling Act, N.J.S.A. 58:11 B-1 et seq. (the “Act”) authorizes the I-Bank to amend the PPL four times during the State fiscal year (“SFY”).

This second amended PPL, set forth in **Appendix A**, is a compilation of all eligible projects seeking financing and consists of **34 Transportation Bank projects** (“Projects”) at a **total estimated cost of \$239.7 million** including two (2) new projects which have applied for financing since the submission of the first amended PPL in July 2025.

Background – The I-Bank partners with the New Jersey Department of Transportation (“NJDOT”) to jointly manage the Transportation Bank, which provides low-cost financing for eligible local transportation infrastructure projects to New Jersey counties and municipalities.

Short-Term Loan Priority List –The I-Bank issues short-term loans to facilitate the engineering, design and construction processes. The Act requires that any project receiving short-term financing be included on the interim financing PPL submitted to the Legislature and be sponsored by an eligible borrower.

The appendices present the list of projects in both alphabetical and prioritization rank order pursuant to the Transportation Bank’s project prioritization methodology as established by the NJDOT Commissioner. The detailed ranking methodology for Transportation projects was set forth in the Transportation Bank’s SFY2026 January Report submitted by the NJDOT. It is available at:
