1. Each member's final assessment shall be reduced by any interim assessment paid by the member or credited to the member by the Board.

2. Each member's final assessment shall be reduced by any deferred assessments paid by assessed carriers in proportion to the original additional assessment made to cover the deferred amount.

3. Members shall be assessed for a proportionate share of the final administrative expenses on the basis of health benefits plan earned premiums for that year. The administrative expense assessment for each member shall be equal to the total of all administrative expenses for the calendar year multiplied by the ratio of that member's earned premium for health benefits plans to the earned premium for health benefits plans of all members for the calendar year.

(b) The Board may make an interim assessment of members for reasonable and necessary organizational expenses and to cover anticipated interim operating expenses. At the discretion of the Board, interim assessments may be made on a monthly basis or such other periodic basis as necessary to ensure the availability of funds to meet operating expenses.

(c) Assessment amounts are due and payable upon receipt by a member of the invoice for the assessment. Payment shall be by bank draft made payable to the Treasurer—State of New Jersey, SEH Program, c/o The New Jersey Department of Insurance, 20 W. State Street, CN–325, Trenton, NJ 08625.

1. Members shall be subject to payment of an interest penalty on any assessment, or portion of an assessment, not paid within 45 days of the date of the invoice for the assessment, unless the member has been granted a deferral by the Commissioner of the amount not timely paid.

i. The interest rate shall be 1.5 percent of the assessment amount not timely paid per month, accruing from the date of the invoice for the assessment.

ii. Payment of an assessment, or portion of an assessment, for which an interest penalty amount has accrued, shall include the interest penalty amount accrued as of the invoice date; otherwise, payment shall not be considered to be in full.

2. Carriers that dispute whether they are subject to an assessment, or dispute the amount of assessment for which they have been determined liable by the Board, shall be assessed for and make payment of the full amount of the assessment invoice, including any interest penalty accruing thereon, until such time as the dispute has been resolved in favor of that carrier, or, if a contested case, the Board has rendered a final determination in favor of that carrier in accordance with the Administrative Procedure Act, N.J.S.A. 52:14B–1 et seq.

3. A member may request that the Commissioner grant a deferral of its obligation to pay an assessment in accordance with N.J.A.C. 11:21–15.

i. If a member files a proper request for deferral within 15 days of the date of the invoice, that member may make payment of the amount of the assessment invoice to be held in an interest bearing escrow account in accordance with the procedures set forth herein, pending final disposition by the Commissioner of the deferral request.

ii. If the member withholds payment, as permitted herein and the Commissioner denies the request for deferral, the member shall be subject to payment of the interest penalty set forth herein, accruing from the date of the invoice for the assessment.

4. Amounts deferred by the Commissioner or subject to dispute, which dispute is resolved in favor of the carrier, shall be redistributed among all other members proportionately.

(d) The Administrator shall coordinate with the Department and other appropriate parties, including State agencies, regarding fiscal administrative matters, and develop appropriate procedures for such matters, and disburse funds for administrative expenses upon the directive of the Board.

1. Amounts of assessment in dispute or subject to deferral request, including any interest penalty paid by a carrier pursuant thereto, shall not be disbursed by the Administrator until such time as the dispute has been settled against the disputing carrier, or the deferral denied, except that any portion of an assessment not in dispute or subject to the deferral request, or portions no longer disputed or subject to a deferral request, may be disbursed immediately according to Board directive.

2. Amounts of assessment disputed or subject to deferral wherein the dispute is settled in favor of the disputing carrier, or a deferral is granted, shall be returned to the appropriate carrier within 15 days of the date that the Administrator receives notice of the determination by the Board or the Commissioner, as applicable, along with the proportionate amount of interest penalty, if any, paid by the carrier for late payment of the amount.

(e) A member requesting a deferral from the Commissioner of an assessment amount shall concurrently provide notice of such request in duplicate to the Administrator in order to preserve its right to the moneys owed and paid pursuant to the invoice for assessment.

(f) If a member determined liable for an assessment fails to pay the full amount of the assessment and applicable interest, if any, within 60 days of the date of the invoice, and has neither submitted notice that it is seeking a deferral from the Commissioner, nor requested a hearing, the Board may provide to the Commissioner a notice of the member's failure to make payment along with a recommendation to revoke the member's authority to write any health benefits plans or other health coverage in this State or to take such other action against the carrier as may be authorized by law. A copy of this notice shall be sent to the member by registered mail at the same time that the notice is sent to the Commissioner. In accordance with the Act, failure to pay assessments shall be grounds for removal of a member's authority to write health coverage of any kind in this State.

11:21–2.9 Assessment for reimbursable losses

(a) The Board shall determine the total reimbursable losses, which shall be the net loss of the Program, if any, for the calendar year based upon the information submitted by reinsuring carriers annually on or before August 15 to the Board beginning in 1995. Such a determination shall be made by the Board on or about October 1 annually.

(b) The total reimbursable losses for the year shall be the aggregate of the reimbursable losses for all reinsuring carriers reporting reimbursable losses.

(c) Reinsuring carriers shall be liable for a portion of the reimbursable losses. A reinsuring carrier's assessment amount shall equal reimbursable losses but shall not exceed four percent of the earned premiums for small employer health benefits plans for any reinsuring carrier.

1. Each reinsuring carrier's assessment amount shall be determined by multiplying the total assessment amount by the ratio of the reinsuring carrier's earned premiums for that calendar year for small employer health benefits plans to the total earned premiums for that calendar year for all reinsuring carriers for small employer health benefits plans.

2. The Board shall provide notice to reinsuring carriers in writing on or about October 1 of the total reimbursable losses for the year and whether the reinsuring carrier may be liable for a portion of the total reimbursable losses.

3. The Board shall notify each reinsuring carrier of the assessment and reimbursement for reimbursable losses by invoice stating the dollar amount then due by November 1. As a result of the assessment, any monies determined to be owed to or by the Board shall be calculated without provision for interest.

4. Assessment amounts for reinsuring carriers granted a deferral by the Commissioner, or subject to dispute by a carrier wherein the dispute is settled in favor of the disputing carrier, shall be apportioned to other reinsuring carriers based on their respective share of earned premiums for small employer health benefits plans.

5. A reinsuring carrier's assessments in amounts exceeding four percent of earned premiums shall be apportioned to all small employer carriers based upon their respective share of small employer health benefits plan earned premiums until such other members reach one percent of small employer health benefits plan earned premiums or the total reimbursable losses are fully assessed, whichever occurs first.

6. If a member that is not a reinsuring carrier demonstrates that it would have qualified for reimbursable losses if it had elected to be a reinsuring carrier, such carrier shall be eligible for a reduction in its assessment. Said reduction shall be equal to 1.00 minus the carrier's ratio of its earned premium for small employer health plans to the total earned premium for small employer health plans divided by the ratio of the carrier's reimbursable loss calculated above to the total of all calculated reimbursable losses. In no event shall this calculation cause the assessment to be increased.

7. Reductions in assessments made according to (c)6 above shall be apportioned to other members until such other members are assessed one percent of small employer health benefits plan earned premiums.

(d) Assessment amounts are due and payable upon receipt of an invoice by a member for the assessment. Payment shall be by bank draft made payable to the Treasurer—State of New Jersey, SEH Program, c/o the New Jersey Department of Insurance, 20 W. State Street, CN–325, Trenton, NJ 08625.

1. Members shall be subject to payment of an interest penalty on any assessment, or portion of an assessment, not paid within 30 days of the date of the invoice for the assessment, unless the member has been granted a deferral by the Commissioner of the amount not timely paid.

i. The interest rate shall be 1.5 percent per month of the assessment amount or any portion thereof not timely paid, accruing from the date of the invoice for the assessment.

ii. Payment of an assessment, or portion of an assessment for which an interest penalty has accrued, shall include the interest penalty amount accrued as of the date of payment; otherwise, payment shall not be considered to be in full.

iii. If a member makes an error relating to or involving an assessment or any other error resulting in non-payment or underpayment of funds, the member shall make immediate payment of additional amounts due. Errors that are reported and paid in full to the

Board by a member within 60 days of their occurrence shall not be subject to the interest penalty set forth above.

2. Carriers that dispute whether they are subject to an assessment, or dispute the amount of assessment for which they have been determined liable by the Board shall be assessed for and make payment of the full amount of the assessment invoice when due, including any interest penalty accruing thereon, until such time as the dispute has been resolved in favor of that carrier, or, if a contested case, the Board has rendered a final determination in favor of that carrier in accordance with the Administrative Procedure Act, N.J.S.A. 52:14B–1 et seq.

(e) A member may request that the Commissioner grant a deferral of its obligation to pay an assessment in accordance with N.J.A.C. 11:21–15.

1. If a member files a proper request for deferral within 15 days of the date of the invoice, that member may make payment of the amount of the assessment invoice to be held in an interest bearing escrow account in accordance with the procedures set forth herein, pending final disposition by the Commissioner of the deferral request.

2. If the member withholds payment, as permitted herein, and the Commissioner denies the request for deferral, the member shall be subject to payment of the interest penalty set forth herein, accruing from the date of the invoice for the assessment.

(f) The Board shall approve the disbursement of any payments to those members determined by the Board as having reimbursable losses. Disbursement shall be in proportion to the member's share of the total reimbursable losses, until all such available funds have been paid out, or a member's reimbursable losses have been reimbursed, whichever comes first.

1. Amounts of assessment in dispute or subject to a deferral request shall not be disbursed to members having reimbursable losses until such time as the dispute has been settled or concluded with the disputing carrier, or the deferral denied, except that any portion of an assessment not in dispute or subject to the deferral request, or portions no longer disputed or subject to a deferral request, may be disbursed to members having reimbursable losses along with any applicable interest penalty amounts paid or interest earned while held in escrow by the Board.

2. Amounts of assessment disputed or subject to deferral wherein the dispute is resolved in favor of the disputing carrier, or a deferral is granted, shall be returned to the appropriate carriers within 15 days of the date that the Administrator receives notice of the determination by the Board or the Commissioner, as applicable, along with the proportionate amount of interest penalty, if any, paid by the carrier or late payment of the amount, and the proportionate amount of the interest earned on that amount while the amount was held in escrow by the Board.

(g) Assessment amounts shall be redistributed to the appropriate reinsuring carriers for their losses on or about December 1 of each calendar year.

(h) A member requesting a deferral from the Commissioner of an assessment amount shall concurrently provide notice of such request in duplicate to the Administrator in order to preserve its right to the moneys owed and paid pursuant to the invoice for assessment.

(i) If a member determined liable for an assessment fails to pay the full amount of the assessment and applicable interest, if any, within 60 days of the date of the invoice, and has neither submitted notice that it is seeking a deferral from the Commissioner, nor requested a hearing, the Board may provide to the Commissioner a notice of the member's failure to make payment along with a recommendation to revoke the member's authority to write any health benefits plans or other health coverage in this State or to take such other action against the carrier as may be authorized by law. A copy of this notice shall be sent to the member by registered mail at the same time that the notice is sent to the Commissioner. In accordance with the Act, failure to pay assessments shall be grounds for removal of a member's authority to write health coverage of any kind in this State.

(j) A reinsuring carrier may apply to the Board for reimbursement from the program if such reinsuring carrier demonstrates to the Board that it has satisfied the efficiency and risk management standards promulgated by the Board, as set forth herein, and demonstrates it has incurred an average cost of insuring individuals covered by small employer health benefits plans that exceeds the Statewide average payment per insured by 20 percent. A reinsuring carrier satisfactorily demonstrating it has met these threshold standards may seek reimbursement from the Program for the lesser of its actual losses or 80 percent of the excess of its incurred claims over 120 percent of the Statewide average payment per insured, as defined herein, multiplied by the number of insured months for the reinsuring carrier.

(k) Before a member may receive reimbursement from the Program, the member must demonstrate to the Board's satisfaction, subject to its review and audit by the Board, that it has conducted its business operations with respect to administering its small employer health benefits plans in accordance with generally accepted industry practice and has made good faith efforts to apply sound risk management principles in an efficient manner.

1. Such risk management and efficiency standards shall include, but are not limited to, claim processing and payment practices showing the member has:

i. Paid or declined for payment 85 percent of all claims within 10 working days from the date the completed submission was received;

ii. Reviewed a statistically valid sample of claims on a regular basis for accuracy and proper use of the reimbursement methodology, with dollar accuracy, without allowance for offsets of over/under payments, being at least 99.0 percent; and

iii. Responded to all inquiries from insureds or covered individuals within 30 business days.

2. A member shall apply its case management and claims handling techniques and other methods of operation in the same manner with respect to all its business.

(*l*) Statewide average payment per insured means the ratio of the claims incurred in the calendar year for all members to the total number of insured months for that calendar year for all members calculated separately for each small employer health benefits plan.

1. A carrier's average payment per insured means the ratio of the claims incurred in the calendar year to the total number of insured months for that calendar year calculated separately for each small employer health benefits plan.

2. The extent to which that carrier's average payment per insured for the small employer health benefits plan exceeds the Statewide average payment per insured for the small employer health benefits plan shall equal the difference between the carrier's average payment per insured and the Statewide average payment per insured for a given small employer health benefits plan.

3. The calculations shall be performed after the close of the calendar year at a time which the Board establishes that most claims incurred will have emerged.

(m) In order to ensure small employer carriers are assuming their share of high risk employer groups in proportion to their share of the small employer health benefits plan business, the Board shall charge the appropriate Committee(s) with conducting a survey of the market beginning sometime after the first full calendar year of operation under the Program to measure and define the proportion of high risk small employer groups within the small employer group health market and to determine the distribution of such groups among the members in the market. Based on this survey, the Board shall request that the appropriate Committee(s) assess the reasons for any member's disproportionately low share of such high risk groups.

1. Based on the findings, the Board shall consider appropriate steps to ensure each member's share of the high risk market is proportionate to its total small employer health benefits plan business and shall, based upon the survey data, direct the Finance Committee to develop suitable mechanisms for adjusting the assessment formula to require a proportionately higher assessment for members not assuming their reasonable share of the high risk market. The Board shall further determine the best means of regularly ensuring the proportionate distribution of high risk groups among members for subsequent years of the Program's operation.

2. The Board shall set forth within this Plan the standards and procedures used to adjust the assessment formula and/or means to ensure the proportionate distribution of high-risk groups in subsequent years.

11:21–2.10 Reporting requirements

Carriers shall submit statements, assessments and other reports as may be required by the Board pursuant to the Act.

11:21–2.11 Financial administration

(a) The Board shall maintain the books and records of the Program so that financial statements can be prepared to satisfy the Act. Further, these books shall satisfy any additional requirements of the Board and outside auditors.

1. The receipt and disbursement of cash by the Program shall be recorded as it occurs.

2. Non-cash transactions shall be recorded when assets or liabilities should be realized by the Program in accordance with generally accepted accounting principles.

3. Assets and liabilities of the Program, other than cash, shall be accounted for and described in itemized records.

4. The net balance due to or from the Program shall be calculated for each carrier and confirmed as deemed appropriate by the Board or when requested by the respective carrier. These balances should be supported by a record of each individual carrier's financial transactions with the Program. These records include:

i. Net losses of the Program calculated in accordance with this Plan;

ii. Any adjustments to assessments as explained in this Plan;

iii. Adjustments to the amount due to/from the Program based upon corrections to carrier submissions;

iv. Interest charges due from a carrier for late payment of amounts due to the Program; and

v. Other records required by the Board.

5. The Board shall maintain a general ledger which balances are used to produce the Program's financial statements in accordance with generally accepted accounting principles. The balances in the general ledger shall agree with the corresponding balances in subsidiary ledgers or journals.

6. Assessments shall be paid when billed. If the assessment is not received by the Board within 45 days of the invoice date, the carrier shall pay interest on the assessment from the invoice date at the rate of 1.5

percent per month except if the carrier is granted a deferral.

(b) All funds of the Program shall be deposited in, and all disbursements made from, the General Treasury in accordance with procedures established and approved by the Department of Treasury, Office of Management and Budget, and all financial records shall be kept in a form acceptable to the Office of Management and Budget.

1. Funds of the Program shall be deposited into a dedicated account within the General Fund.

2. Moneys shall be credited from the General Fund, with the approval of the Director of the Division of Budget and Accounting, to the Program's bank accounts upon request by the Board through the Department, which request shall include a justification for the request, with supporting documentation.

3. The Administrator shall make such requests for funds as directed by the Board and shall deposit all moneys received from the Treasury in a Board bank account.

(c) Bank checking accounts shall be established separately in the name of the Program and shall be approved by the Board.

1. The Board shall authorize individuals to sign checks on behalf of the Board.

2. All cash and other assets shall be invested in accordance with the investment policy developed and approved by the Board as permitted by applicable law. All investment income earned shall be credited to the Program and shall be applied to reduce future assessments of members for the Program losses and administrative expenses.

11:21–2.12 Records

(a) The Board shall provide for the maintenance and retention of its official records in accordance with the Destruction of Public Records law (N.J.S.A. 47:3–15–32) and all other applicable laws.

(b) The Board's records shall include the following:

1. Minutes of all Board meetings;

2. Written reports and recommendations of committees to the Board;

(d) For the purpose of disseminating information about the Program, the Board shall maintain a mailing list of carriers and other interested parties.

1. The mailing list of member carriers initially shall be based upon the member carriers' addresses filed with the Department pursuant to N.J.A.C. 11:1–25. The Board may proceed to develop its own list of member carriers.

i. Upon any change in name or mailing address, a member carrier shall notify the Board in writing no later than 10 days from the date the new name or address becomes effective.

ii. Unless the Board is notified otherwise as provided above, the name and address of a member carrier shall be deemed correct and communications mailed to the name and address on file shall be deemed received by the member carrier.

2. Persons other than member carriers who wish to receive communications from the Board, including proposed rules, actions and public notices, may request to be placed on the Board's mailing list as an interested party. Until the Board receives written notice of a change in name or address from an interested party, communications mailed to the name and address on file shall be deemed to be properly received. (a) The necessity for and the frequency of audits of carriers shall be determined by the Board. The reasonable cost of the audit of a carrier shall be borne by that carrier. The Board shall have the right to conduct appropriate additional audits of carriers.

1. All information disclosed in the course of the audit of a carrier shall be kept privileged and protected by the carrier, the auditing firm, and the Program, to the extent permitted by law.

2. Any information disclosed in the course of the audit may be used by the Board or Department to effectuate the provisions of this Act.

3. The calculation and collection by the Program of any assessments of carriers for net losses.

11:21–2.14 Penalties/adjustments and dispute resolution

(a) Numerous factual determinations and tasks shall be performed by carriers relative to their participation in the Program. It is expected that all carriers will exercise good faith and due diligence in all aspects of their relationship with the Program. Errors may occur, however, and it is appropriate that the sanctions applicable to such errors be detailed.

1. Carrier errors related to assessments shall require the immediate payment of additional amounts due plus interest, calculated from the date such sum should have been paid, except as provided herein.

2. All other additional sums due to the Program as a result of errors made by carriers shall be paid immediately, with interest.

3. If the Board determines that the nature or extent of errors made by a particular carrier evidences gross negligence or intentional misconduct, the Board may, after notice, recommend to the Commissioner, Attorney General, and other appropriate officials, penalties and sanctions as may be appropriate in accordance with the Act.

4. All interest payments required under this Plan shall be calculated at 1.5 percent per month, from the date the incorrect payment occurred or a payment should have been made, through the date the correct payment is made. Errors reported by carriers within 60 days of their occurrence shall not be subject to interest.

(d) Concurrent with its challenge to the assessment, a carrier shall advise the Board in detail of the reasons why the assessment is inaccurate or not appropriate and shall submit all documentation that supports or tends to support the carrier's position. The carrier shall also advise at this time whether a hearing is requested.

(e) If a hearing is requested, within 30 days of its receipt thereof, the Board shall determine whether the matter constitutes a contested case. If the matter is determined to be a contested case, the Board shall determine whether to hear the matter or refer it to the Office of Administrative Law for a hearing pursuant to the Administrative Procedure Act, N.J.S.A. 52:14B–1 et seq., and the Uniform Administrative Procedure Rules, N.J.A.C. 1:1. If the matter does not constitute a contested case, the Board shall review the challenge itself or delegate this review to an appropriate Committee to make a recommendation to the Board.

11:21–2.15 Indemnification

(a) The Board shall not be liable for any obligation of the Program. No Director, officer, or employee of the Board or the Department or Department of Health shall be individually liable and no cause of action of any nature may arise against them, for any action taken or omission made by them unless their conduct was outside the scope of their employment or constituted a crime, actual fraud, actual malice or willful misconduct.

(b) The Program shall adopt additional procedures for indemnifying the Directors and any officers or employees, as the Board deems appropriate, which procedures shall be so forth in this Plan.

11:21–2.16 Amendment and termination

(a) This Plan may be amended by a majority vote of the entire Board, subject to approval of the Commissioner as provided hereinafter. A vote on an amendment may be taken at any meeting called, in whole or in part, for the purpose of considering a proposed amendment. Written notice of any meeting at which an amendment to the Plan is to be considered shall be sent to each Director by mail or facsimile transmission at least 10 days (exclusive of the meeting day) prior to the date of the meeting. At any meeting for the consideration of an amendment to the Plan, for which proper notice has been given pursuant to this section, the Board may vote on any amendment proposed by a Director prior to, or during the meeting. Any amendment adopted by the Board shall be submitted to the Commissioner for approval. Any such amendment submitted to the Commissioner shall be deemed approved no later than 90 days after receipt by the Commissioner unless expressly disapproved in writing by the Commissioner before expiration of the approval period. Amendments to the Plan must be adopted pursuant to P.L. 1993, c.162.

(b) The Program shall continue in existence subject to termination in accordance with the laws of this State or the United States of America. In case of enactment of a law or laws which, in the determination of the Board and the Commissioner, shall result in the termination of the Program, the Program shall terminate and conclude its affairs. Any funds or assets held by the Program following the payment of all claims and expenses of the Program shall be distributed to the members at that time in accordance with the then-existing assessment formula.

Small employer carriers that are HMOs shall, as a condition of transacting business in this State, actively offer to small employers every standard health benefits plan it writes, including all riders it writes, except as such riders may be restricted to specific standard health benefits plans.

4. A small employer carrier shall consider the number of all eligible employees of all affiliated companies of a small employer in determining whether an employer is a small employer.

5. At the time of application, the determination of whether an employer is a small employer shall be based

upon the small employer's completed New Jersey Small Employer Certification form.

2. Every small employer member of an association, trust or multiple employer arrangement shall be offered coverage under every health benefits plan issued to the association.

3. Works 25 or more hours per week for the employer;

(d) Employees who enroll within 30 days of first becoming eligible for coverage shall be accepted for coverage by the small employer carrier without any restrictions or limitations on coverage related to their risk characteristics or that of their dependents, except that a small employer carrier may exclude coverage for preexisting conditions consistent with the provisions of N.J.A.C. 11:21–7.8.

(e) A small employer carrier may elect to provide coverage to a small employer's part-time employees (that is, working fewer than 25 hours per week), if the small employer covered part-time employees under a health benefits plan issued prior to January 1, 1994, when the carrier renews or reinstates the plan in accordance with N.J.A.C. 11:21–3A.3 or 11:21–3A.4 and/or when the carrier converts the small employer to a standard health benefits plan, provided that:

1. The small employer carrier shall offer to cover all part-time employees of all such small employers so renewing or reinstating such health benefits plans and/or converting to standard health benefits plans, and, in the latter case, shall do so without regard to the standard health benefits plan to which a small employer converts.

2. Such covered employees shall not be considered in determining whether an employer is a small employer, nor for determining whether the small employer meets the requisite participation requirements.

(g) A small employer carrier may elect to provide coverage to retired employees and/or part-time employees of an employer that becomes a small employer subsequent to January 1, 1994, if the employer covered retired and/or part-time employees under a group health plan issued prior to January 1, 1994, under a health benefits plan renewed or reinstated by the carrier in accordance with N.J.A.C. 11:21–3A.3 or 3A.4, or a standard health benefits plan issued to the small employer by the carrier, subject to the requirements of (e)1 and 2 and (f)1 and 2 above.

(b) A small employer carrier may act as administrator for a self-funded plan for a group of small employers and shall not be considered to be acting in circumvention of N.J.S.A. 17B:27A–17 et seq., if the group of small employers meets the requirements of 29 U.S.C. 1002(40)(B), establishing the criteria of what constitutes a control group single employer for the purposes of the federal Employee Retirement Income Security Act.

(a) A small employer who purchases a standard health benefits plan or rider pursuant to the Act shall not be permitted to purchase a standard health benefits plan or rider with a greater actuarial value until the first anniversary date of the small employer's existing standard health benefits plan.

(b) When a small employer replaces a standard health benefits plan or rider with a standard health benefits plan or rider of greater actuarial value, the small employer shall not be permitted to change the standard health benefits plan or rider to one of less actuarial value until the anniversary date of the small employer's standard health benefits plan.

(c) A small employer who has purchased a standard health benefits plan or rider pursuant to the Act may purchase a standard health benefits plan or rider of lesser actuarial value prior to the anniversary date of the existing standard health benefits plan or rider, provided that the existing standard health benefits plan or rider was purchased at least 12 months prior to the latest anniversary date of the standard health benefits plan or rider.

(d) In the event that the previous standard health benefits plan of a small employer group was cancelled for nonpayment of premiums or fraud, a small employer carrier may:

The period of continuous coverage shall not include any waiting period for the effective date of the new coverage applied under the terms of the health benefits plan.

ii. If the date, or deemed date, of election is on or after July 1 of that year, the statutory election shall be deemed to begin on January 1 of the immediately succeeding calendar year.

3. The Commissioner finds that fulfillment of the obligation(s) from which relief is sought would place the member in a hazardous financial condition, as determined pursuant to N.J.A.C. 11:2–27.

(c) Any waiver or deferral from a particular obligation granted by the Commissioner pursuant to this subchapter shall be for a specified period as set forth in the notice granting the request, but shall not exceed 12 months from the date of the notice. Such a request shall also include a detailed explanation of all actions the applicant has taken and intends to take to cure the financial impairment. Failure to file a properly completed request for relief within the time prescribed shall result in the expiration of the waiver or deferral at the expiration of the period set forth in the original notification granting the request. Nothing herein shall be construed as limiting or prohibiting any member from applying for relief at any time in accordance with this subchapter.

(d) If the Commissioner grants a request for a deferral of payment of an assessment, the terms of the deferral shall include the requirement that the member shall pay to the Board an additional amount representing the loss to the Board of the time value of the assessment for the period of the deferral.

1. In calculating the additional amount to be paid, the member shall use the annual interest rate on one-year U.S. Treasury bills as of the date the assessment was due and payable.

2. In calculating the additional amount to be paid, the period of deferral shall begin on the date that payment of the assessment was due and payable and end on the date of the amount deferred is paid to the Board.

3. The payment of the additional amount set forth in (d) above shall be in lieu of payment by the member of any interest or penalty on the amount deferred, which otherwise may be required under any other rule.

4. The requirement to pay an additional amount as provided in (d) above shall not apply when the reason for granting the deferral is that the member is in rehabilitation or conservation.

11:21–15.7 Hearings

(a) If the Commissioner denies a member's request for relief made pursuant to this subchapter, or if the member objects to the terms of the relief granted, the member may request a hearing on the Commissioner's determination within seven days from the date of receipt of such determination as follows:

1. A request for a hearing shall be in writing and shall include:

2. The Commissioner may, after receipt of a properly completed request for a hearing, provide for an informal conference between the member and such personnel of the Department as the Commissioner may direct, to determine whether there are material issues of fact in dispute.

3. The Commissioner shall, within 30 days of a properly completed request for a hearing, determine whether the matter constitutes a contested case, pursuant to the Administrative Procedure Act, N.J.S.A. 52:14B–1 et seq.

i. If the Commissioner finds that the matter constitutes a contested case, the Commissioner shall transmit the matter to the Office of Administrative Law for a hearing consistent with the Uniform Administrative Procedure Rules, N.J.A.C. 1:1.

ii. In a matter which has been determined to be a contested case, if the Commissioner finds that there are no good-faith disputed issues of material facts and the matter may be decided on the documents filed, the Commissioner may notify the applicant in writing as to the final disposition of the matter.

11:21–15.8 Notice of the SEH Program

Members requesting relief pursuant to this subchapter shall concurrently provide notice of all such requests to the SEH Program through the Interim Administrator or Administrator, as appropriate. iii. The number of the member's current individual and group members, listed by provider and classified by the provider's specialty, which shall be updated annually each year the member asserts a waiver pursuant to N.J.S.A. 17B:27A–26a.

(b) The member shall concurrently file the information required pursuant to (a) above with the SEH Program.

11:21–15.10 Other actions by the Commissioner

Nothing in this subchapter shall be construed as limiting the Commissioner's authority to take such action with respect to insurers, health service corporations, medical service corporations, hospital service corporations or health maintenance organizations as may be authorized by law, including, but not limited to, placing an insurer, health service corporation, medical service corporation, hospital service corporation or health maintenance organization in rehabilitation, liquidation or conservation pursuant to N.J.S.A. 17B:32–31 et seq.

Note: There is no time limit with respect to a contest in connection with fraudulent statements.

AMENDMENT

This Policy may be amended, at any time, without the consent of the Covered Persons or of anyone else with a beneficial interest in it. This can be done through written request made by the Policyholder and agreed to by [Carrier]. [Carrier] may also make amendments to this Policy, as provided in b. and c. below. AFFILIATED COMPANIES

[Carrier's] written approval will include the starting date of the company's coverage under this Policy. But each eligible Employee of that company must still meet all the terms and conditions of this Policy before becoming covered.

An Employee of the Policyholder and one or more Affiliated Companies will be considered an Employee of only one of those Employers for the purpose of this Policy. That Employee's service with multiple Employers will be treated as service with that one.

The Policyholder must notify [Carrier] in writing when a company stops being an Affiliated Company. As of this date, this Policy will be considered to end for Employees of that Employer. This applies to all of those Employees except those who, on the next day, are employed by the Policyholder or another Affiliated Company as eligible Employees.

PREMIUM AMOUNTS

The premium due on each premium due date is the sum of the premium charges for the coverage then provided. Those charges are determined from the premium rates then in effect and the Employees [and Dependents] then covered.

Premium payments may be determined in another way. But it must produce about the same amounts and be agreed to by the Policyholder and [Carrier].

The following will apply if one or more premiums paid include premium charges for an Employee [and/or Dependent] whose coverage has ended before the due date of that premium. [Carrier] will not have to refund more than [the amount of a. minus b.:

PAYMENT OF PREMIUMS—GRACE PERIOD

Premiums are to be paid by the Policyholder to [Carrier]. Each may be paid at a [Carrier's] office [or to one of its authorized agents.] One is due on each premium due date stated on the first page of this Policy. The Policyholder may pay each premium other than the first within 31 days of the premium due date without being charged interest. Those days are known as the grace period. The Policyholder is liable to pay premiums to [Carrier] for the time this Policy is in force. Premiums unpaid after the end of the grace period are subject to a late payment interest charge determined as a percentage of the amount unpaid. That percentage will be determined by [Carrier] from time to time, but will not be more than the maximum allowed by law.

PREMIUM RATE CHANGES

The premium rates in effect on the Effective Date are shown in this Policy's Schedule. [Carrier] has the right to change premium rates as of any of these dates:

a. Any premium due date.
b. Any date that an Employer becomes, or ceases to be, an Affiliated Company.
c. Any date that the extent or nature of the risk under this Policy is changed:
   - by amendment or this Policy; or
   - by reason of any provision of law or any government program or regulation; or
   - if this Policy supplements or coordinates with benefits provided by another insurer, non-profit hospital or medical service plan, or health maintenance organization, on any date [Carrier's] obligation under this Policy is changed because of a change in such other benefits.
d. At the discovery of a clerical error or misstatement as described below.

[Carrier] will give the Policyholder 30 days advance written notice when a change in the premium rates is made.

PARTICIPATION REQUIREMENTS

If this Policy provides coverage on a Non-contributory basis (the Policyholder pays the entire premium), [75%] of the Employees eligible for insurance must be enrolled for coverage. [If Dependent coverage is provided on a Non-contributory basis, [75%] of the Employees eligible for Dependent coverage must enroll their eligible Dependents.] (If an eligible Employee is not covered by this Policy because:

a. the Employee is covered as a Dependent under a spouse's coverage; or
b. the Employee is covered under any Health Benefits Plan offered by the Policyholder,

[Carrier] will count this person as being covered by this Policy for the purposes of satisfying participation requirements.)

If this Policy provides coverage on a Contributory basis (the Employee pays part of the premium), [75%] of the Employees eligible for insurance must be enrolled for coverage. [If Dependent coverage is provided on a Contributory basis, [75%] of the Employees eligible for Dependent coverage must enroll their eligible Dependents.] (If an eligible Employee is not covered by this Policy because:

a. the Employee is covered as a Dependent under a spouse's coverage; or
b. the Employee is covered under any Health Benefits Plan offered by the Policyholder,

[Carrier] will count this person as being covered by this Policy for the purposes of satisfying participation requirements.)

CLERICAL ERROR–MISSTATEMENTS

Neither clerical error by the Policyholder, nor the [Carrier] in keeping any records pertaining to coverage under this Policy, nor delays in making entries thereon, will not invalidate coverage which would otherwise be in force, or continue coverage which would otherwise be validly terminated. However, upon discovery of such error or delay, an equitable adjustment of premiums will be made.

Premium adjustments involving return of unearned premium to the Policyholder will be limited to the period of 12 months preceding the date of [Carrier's] receipt of satisfactory evidence that such adjustments should be made.

If the age of an Employee, or any other relevant facts, are found to have been misstated, and the premiums are thereby affected, an equitable adjustment of premiums will be made. If such misstatement involves whether or not the person's coverage would have been accepted by [Carrier], subject to this Policy's **Incontestability** section, the true facts will be used in determining whether coverage is in force under the terms of this Policy.

TERMINATION OF THE POLICY–RENEWAL PRIVILEGE

[Carrier] has the right to cancel this Policy on any premium due date subject to 30 days advance written notice to the Policyholder for the following reasons:

a. During or at End of Grace Period–Failure to Pay Premiums: If any premium is not paid by the end of its grace period, this Policy will automatically end

when that period ends. But the Policyholder may write to [Carrier], in advance, to ask that this Policy be ended at the end of the period for which premiums have been paid or at any time during the grace period. Then this Policy will end on the date requested. The Policyholder is liable to pay premiums to [Carrier] for the time this Policy is in force.

b. subject to the statutory notification requirements, [Carrier] ceases to do business in the small group market;

c. with respect to Contributory Policies, less than [75%] of the Employer's eligible Employees are covered by this Policy. (If an eligible Employee is not covered by this Policy because:
   1. the Employee is covered as a Dependent under a spouse's coverage; or
   2. the Employee is covered under any Health Benefits Plan offered by the Policyholder,

[Carrier] will count that Employee as being covered by this Policy for purposes of satisfying participation requirements); or

d. with respect to Non-contributory Policies, less than [75%] of the Employer's eligible Employees are covered by this Policy. (If an eligible Employee is not covered by this Policy because:
   1. the Employee is covered as a Dependent under a spouse's coverage; or
   2. the Employee is covered under any Health Benefits Plan offered by the Policyholder,

[Carrier] will count that Employee as being covered by this Policy for purposes of satisfying participation requirements.)

Immediate cancellation will occur if the Policyholder commits fraudulent acts or makes misrepresentations with respect to coverage of eligible Employees [or Dependents] or status as a Small Employer.

This Policy is issued for a term of one (1) year from the Effective Date shown on the first page of this Policy. All Policy Years and Policy Months will be calculated from the Effective Date. All periods of insurance hereunder will begin and end at 12:01 a.m. eastern Standard Time at the Policyholder's place of business.

The Policyholder may renew this Policy for a further term of one (1) year, on the first and each subsequent Policy Anniversary. All renewals are subject to the payment of premiums then due, computed as provided in this Policy's **Premium Amounts** section.

However, [Carrier] has the right to non-renew this Policy on any Policy Anniversary if the Policyholder is no longer a Small Employer in accordance with the laws in the State of New Jersey.

The Employer must certify to [Carrier] the Employer's status as a Small Employer every year. Certification must be given to [Carrier] within 10 days of the date [Carrier] requests it. If Employer fails to do this, [Carrier] retains the right to take the action described above as of the Employer's Policy Anniversary.

[DIVIDENDS

[Carrier] will determine the share, if any, of its divisible surplus allocable to this Policy as of each Policy Anniversary, if this Policy stays in force by the payment of all premiums to that date. The share will be credited to this Policy as a dividend as of that date.

Each dividend will be paid to the Policyholder in cash unless the Policyholder asks that it be applied toward the premium then due or future premiums due.

[Carrier's] sole liability as to any dividend is as set forth above.

If the aggregate dividends under this Policy and any other policy(ies) of the Policyholder exceed the aggregate payments towards their cost made from the Employer's own funds, the Policyholder will see that an amount equal to the excess is applied for the benefit of Covered Persons.]

EMPLOYEE'S CERTIFICATE

[Carrier] will give the Policyholder an individual certificate of coverage to give each covered Employee. It will describe the Employee's coverage under this Policy. It will include:

(1) to whom [Carrier] pays benefits,
(2) any protection and rights when the coverage ends and
(3) claim rights and requirements.

In the event this Policy is amended, and such amendment affects the material contained in the certificate of coverage, a rider or revised certificate reflecting such amendment will be issued to the Policyholder for delivery to affected Employees.

OFFSET

[Carrier] reserves the right, before paying benefits to a Covered Person, to use the amount of payment due to offset a claims payment previously made in error.

CONTINUING RIGHTS

[Carrier's] failure to apply terms or conditions does not mean that [Carrier] waives or gives up any future rights under this Policy.

ASSIGNMENT BY POLICYHOLDER

Assignment or transfer of the interest of the Policyholder under this Policy will not bind [Carrier] without [Carrier's] written consent thereto.

[Carrier] will also not cover any technology or any hospitalization primarily to receive such technology if such technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of a particular condition.

Governmental approval of technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of a particular condition, as explained below.

[Carrier] will apply the following five criteria in determining whether services or supplies are Experimental or Investigational:

a. Any medical device, drug, or biological product must have received final approval to market by the FDA for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug or biological product for another diagnosis or condition will require that one or more of the following established reference compendia:
   1. The American Medical Association Drug Evaluations;
   2. The American Hospital Formulary Service Drug Information; or
   3. The United States Pharmacopeia Drug Information

recognize the usage as appropriate medical treatment. As an alternative to such recognition in one or more of the compendia, the usage of the drug will be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests will not be considered Experimental or Investigational.

In any event, any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered Experimental or Investigational.

b. Conclusive evidence from the published peer-reviewed medical literature must exist that the technology has a definite positive effect on health outcomes; such evidence must include well-designed investigations that have been reproduced by non affiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;

c. Demonstrated evidence as reflected in the published peer reviewed medical literature must exist that over time the technology leads to improvement in health outcomes, i.e., the beneficial effects outweigh any harmful effects;

d. Proof as reflected in the published peer-reviewed medical literature must exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and

e. Proof as reflected in the published peer-reviewed medical literature must exist that improvements in health outcomes; as defined in item c. above, is possible in standard conditions of medical practice, outside clinical investigatory settings.

EMPLOYEE COVERAGE

Eligible Employees

Subject to the **Conditions of Eligibility** set forth below, and to all of the other conditions of this Policy, all of the Policyholder's Employees who are in an eligible class will be eligible if the Employees are Actively at Work Full–Time Employees.

For purposes of this Policy, [Carrier] will treat partners, proprietors and independent contractors like Employees if they meet this Policy's **Conditions of Eligibility.**

Conditions of Eligibility

Full–Time Requirement

[Carrier] will not insure an Employee unless the Employee is an Actively at Work Full–Time Employee.

Enrollment Requirement

[Carrier] will not insure the Employee until the Employee enrolls and agrees to make the required payments, if any. If the Employee does this within [30] days of the Employee's Eligibility Date, coverage is scheduled to start on the Employee's Eligibility Date.

If the Employee enrolls and agrees to make the required payments, if any:

a. more than [30] days after the Employee's Eligibility Date; or
b. after the Employee previously had coverage which ended because the Employee failed to make a required payment,

[Carrier] will consider the Employee to be a Late Enrollee. Late Enrollees are subject to this Policy's Pre–Existing Conditions limitation.

However, if an Employee initially waived coverage under this Policy, and the Employee stated at that time that such waiver was because he or she was covered under another group plan, and Employee now elects to enroll under this Policy, [Carrier] will not consider the Employee to be a Late Enrollee, provided the coverage under the other plan ends due to one of the following events:

a. termination of employment;
b. divorce;
c. death of the Employee's spouse; or
d. termination of the other plan's coverage.

But, the Employee must enroll under this Policy within 90 days of the date that any of the events described above occur. Coverage will take effect as of the date he or she becomes eligible.

[The Waiting Period

This Policy has the following waiting periods:

Employees in an eligible class on the Effective Date, who have completed at least [6] months of continuous Full–Time service with the Employer by that date, are eligible for insurance under this Policy from the Effective Date.

Employees in an eligible class on the Effective Date, who have not completed at least [6] months of continuous Full–Time service with the Employer by that date, are eligible for insurance under this Policy from the day after Employees complete [6] months of continuous Full–Time service.

Employees who enter an eligible class after the Effective Date are eligible for insurance under this Policy from the day after Employees complete [6] months of continuous Full–Time service with the Employer.]

Multiple Employment

If an Employee works for both the Policyholder and a covered Affiliated Company, or for more than one covered Affiliated Company, [Carrier] will treat the Employee as if only one firm Employs the Employee. And such an Employee will not have multiple coverage under this Policy. But, if this Policy uses the amount of an Employee's earnings to set the rates, determine class, figure benefit amounts, or for any other reason, such Employee's earnings will be figured as the sum of his or her earnings from all covered Employers.

When Employee Coverage Starts

An Employee must be Actively at Work, and working his or her regular number of hours, on the date his or her coverage is scheduled to start. And he or she must have met all the conditions of eligibility which apply to him or her. If an Employee is not Actively at Work on the scheduled Effective Date, [Carrier] will postpone the start of his or her coverage until he or she returns to Active Work.

Sometimes, a scheduled Effective Date is not a regularly scheduled work day. But an Employee's coverage will start on that date if he or she was Actively at Work, and working his or her regular number of hours, on his or her last regularly scheduled work day.

The Employee must elect to enroll and agree to make the required payments, if any, within [30] days of the Employee's Eligibility Date. If he or she does this within [30] days of the Employee's Eligibility Date, his or her coverage is scheduled to start on the Employee's Eligibility Date. Such Employee's Eligibility Date is the scheduled Effective Date of an Employee's coverage.

When Employee Coverage Ends

An Employee's insurance under this Policy will end on the first of the following dates:

a. [the date] an Employee ceases to be an Actively at Work Full–Time Employee for any reason. Such reasons include disability, death, retirement, lay-off, leave of absence, and the end of employment.
b. [the date] an Employee stops being an eligible Employee under this Policy.

c. the date this Policy ends, or is discontinued for a class of Employees to which the Employee belongs.
d. the last day of the period for which required payments are made for the Employee.

Also, an Employee may have the right to continue certain group benefits for a limited time after his or her coverage would otherwise end. This Policy's benefits provisions explain these situations. Read this Policy's provisions carefully.

[DEPENDENT COVERAGE

Eligible Dependents for Dependent Health Benefits

An Employee's eligible Dependents are the Employee's:

a. legal spouse;
b. unmarried Dependent children who are under age 19; and
c. unmarried Dependent children, from age 19 until their 23rd birthday, who are enrolled as full-time students at accredited schools. Full–time students will be as defined by the accredited school.

A Dependent is not a person who is:

a. on active duty in any armed forces of any country; or
b. insured for coverage under this Policy as an Employee.

Under certain circumstances, an incapacitated child is also a Dependent. See the **Incapacitated Children** section of this Policy.

An Employee's "unmarried Dependent child" includes:

a. his or her legally adopted children,
b. his or her step-children if such step-children depend on the Employee for most of their support and maintenance, and
c. children under a court appointed guardianship.

[Carrier] treats a child as legally adopted from the time the child is placed in the home for purpose of adoption. [Carrier] treats such a child this way whether or not a final adoption order is ever issued.

Incapacitated Children

An Employee may have an unmarried child with a mental or physical incapacity, or developmental disability, who is incapable of earning a living. Subject to all of the terms of this section and this Policy, such a child may stay eligible for Dependent health benefits past this Policy's age limit.

The child will stay eligible as long as the child stays unmarried and incapable of earning a living, if:

a. the child's condition started before he or she reached this Policy's age limit;
b. the child became insured by this Policy or any other policy before the child reached the age limit, and stayed continuously insured after reaching such limit; and
c. the child depends on the Employee for most of his or her support and maintenance.

But, for the child to stay eligible, the Employee must send [Carrier] written proof that the child is incapacitated and depends on the Employee for most of his or her support and maintenance. The Employee has 31 days from the date the child reaches the age limit to do this. [Carrier] can ask for periodic proof that the child's condition continues. But, after two years, [Carrier] cannot ask for this more than once a year.

The child's coverage ends when the Employee's does.

Enrollment Requirement

An Employee must enroll his or her eligible Dependents in order for them to be covered under this Policy. [Carrier] considers an eligible Dependent to be a Late Enrollee, if the Employee:

a. enrolls a Dependent and agrees to make the required payments more than [30] days after the Dependent's Eligibility Date;
b. in the case of a Newly Acquired Dependent, other than the first newborn child, has other eligible Dependents who the Employee has not elected to enroll; or
c. in the case of a Newly Acquired Dependent, has other eligible Dependents whose coverage previously ended because the Employee failed to make the required contributions, or otherwise chose to end such coverage.

Late Enrollees are subject to this Policy's Pre–Existing Conditions limitations section, if any applies.

If the Employee's dependent coverage ends for any reason, including failure to make the required payments, his or her Dependents will be considered Late Enrollees when their coverage begins again.

However, if the Employee previously waived coverage for the Employee's spouse or eligible Dependent children under this Policy and stated at that time that such waiver was because they were covered under another group plan, and the Employee now elects to enroll them in this Policy, the Dependent will not be considered a Late Enrollee, provided the Dependent's coverage under the other plan ends due to one of the following events:

a. termination of employment;
b. divorce;
c. death of the Employee's spouse; or
d. termination of the other plan's coverage.

But, the Employee's spouse or eligible Dependent children must be enrolled by the Employee within 90 days of the date that any of the events described above occur. Coverage will take effect as of the date one of the above events occurs.

And, [Carrier] will not consider an Employee's spouse or eligible Dependent children for which the Employee initially waived coverage under this Policy, to be a Late Enrollee, if:

a. the Employee is under legal obligation to provide coverage due to a court order; and
b. the Employee's spouse or eligible Dependent children are enrolled by the Employee within 30 days of the issuance of the court order.

Coverage will take effect as of the date required pursuant to a court order.

When Dependent Coverage Starts

In order for an Employee's dependent coverage to begin the Employee must already be insured for Employee coverage or enroll for Employee and Dependent Coverage at the same time. Subject to the exception stated below and to all of the terms of this Policy, the date an Employee's dependent coverage starts depends on when the Employee elects to enroll the Employee's Initial Dependents and agrees to make any required payments.

If the Employee does this within [30] days of the Dependent's Eligibility Date, the Dependent's Coverage is scheduled to start on the later of:

a. the Dependent's Eligibility Date, or
b. the date the Employee becomes insured for Employee coverage.

If the Employee does this more than [30] days after the Dependent's Eligibility Date, [Carrier] will consider the Dependent a Late Enrollee. Coverage is scheduled to start on the later of:

a. the date the Employee signs the enrollment form; or
b. the date the Employee becomes insured for Employee coverage.

Once an Employee has dependent coverage for Initial Dependents, the Employee must notify [Carrier] of a Newly Acquired Dependent within [30] days after the Dependent's Eligibility Date. If the Employee does not, the Newly Acquired Dependent is a Late Enrollee.

A Newly Acquired Dependent other than a newborn child will be covered from the later of:

a. the date the Employee notifies [Carrier] and agrees to make any additional payments, or
b. the Dependent's Eligibility Date for the Newly Acquired Dependent.

Exception: If a Dependent, other than a newborn child, is confined to a Hospital or other health care Facility; or is home confined on the date the Employee's Dependent health benefits would otherwise start, [Carrier] will postpone the Effective Date of such benefits until the later of: the day after the Dependent's discharge from such Facility or until home confinement ends.

Newborn Children

[Carrier] will cover an Employee's newborn child for 31 days from the date of birth. Health benefits may be continued beyond such 31 day period as stated below:

a. If the Employee is already covered for Dependent child coverage on the date the child is born, coverage automatically continues beyond the initial 31 days, provided the premium required for Dependent child coverage continues to be paid.
b. If the Employee is not covered for Dependent child coverage on the date the child is born, the Employee must:
   - make written request to enroll the newborn child; and
   - pay the premium required for Dependent child coverage within 31 days after the date of birth.

If the request is not made and the premium is not paid within such 31 day period, the newborn child will be a Late Enrollee.

When Dependent Coverage Ends:

A Dependent's insurance under this Policy will end on the first of the following dates:

a. [the date] Employee coverage ends;
b. the date the Employee stops being a member of a class of Employees eligible for such coverage;
c. the date this Policy ends;
d. the date Dependent coverage is terminated from this Policy for all Employees or for an Employee's class.
e. the date an Employee fails to pay any required part of the cost of Dependent coverage. It ends on the last day of the period for which the Employee made the required payments, unless coverage ends earlier for other reasons.
f. at 12:01 a.m. on the date the Dependent stops being an eligible Dependent.

Read this Policy carefully if Dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And divorced spouses have conversion rights.]

PREFERRED PROVIDER ORGANIZATION PROVISIONS

The Employer, XYZ Health Care Network, and the [Carrier]

This Policy encourages a Covered Person to use services provided by members of [XYZ Health Care Network a Preferred Provider Organization (PPO).] A PPO is a network of health care providers located in the Covered Person's geographical area. In addition to an identification card, the Covered Person will periodically be given up-to-date lists of [XYZ Health Care Network] preferred providers.

Use of the network is strictly voluntary, but [Carrier] generally pays a higher level of benefits for most covered services and supplies furnished to a Covered Person by [XYZ Health Care Network]. Conversely, [Carrier] generally pays a lower level of benefits when covered services and supplies are not furnished by [XYZ Health Care Network] (even if an [XYZ Health Care Network] Practitioner orders the services and supplies). Of course, a Covered Person is always free to be treated by any Practitioner or Facility. And, he or she is free to change Practitioners or Facilities at any time.

A Covered Person may use any [XYZ Health Care Network] Provider. He or she just presents his or her [XYZ Health Care Network] identification card to the [XYZ Health Care Network] Practitioner or Facility furnishing covered services or supplies. Most [XYZ Health Care Network] Practitioners and Facilities will prepare any necessary claim forms for him or her, and submit the forms to [Carrier]. The Covered Person will receive an explanation of any insurance payments made by this Policy. And if there is any balance due, the [XYZ Health Care Network] Practitioner or Facility will bill him or her directly.

This Policy also has utilization review features. See the **Utilization Review Features** section for details.

What [Carrier] pays is subject to all the terms of this Policy. The Employee should read his or her certificate carefully and keep it available when consulting a Practitioner.

See the Schedule for specific benefit levels, payment rates and payment limits.

If an Employee has any questions after reading his or her Certificate, he or she should call [Carrier] [Group Claim Office at the number shown on his or her identification card].

[**Note:** Used only if coverage is offered as a PPO.]

POINT OF SERVICE PROVISIONS

Definitions

a. ***Primary Care Practitioner*** (PCP) means the Practitioner the Covered Person selects to supervise and coordinate his or her health care in the [XYZ] Provider Organization. [Carrier] will supply a list of PCPs who are members of the [XYZ] Provider Organization to the Covered Person.

b. ***Provider Organization*** (PO) means a network of health care Providers located in a Covered Person's Service Area.

c. ***Network Benefits*** means the benefits shown in the Schedule which are provided if the Primary Care Practitioner provides care, treatment, services, and supplies to the Covered Person or if the Primary Care Practitioner refers the Covered Person to another Provider for such care, treatment, services, and supplies.

d. ***Out-Network Benefits*** mean the benefits shown in the Schedule which are provided if the Primary Care Practitioner does not authorize the care, treatment, services, and supplies.

e. ***Service Area*** means the geographical area which is served by the Practitioners in the [XYZ] Provider Organization.

Provider Organization (PO)

The Provider Organization for this Policy is the [XYZ] Provider Organization. This Policy requires that the Covered Person use the services of a PCP, or be referred for services by a PCP, in order to receive Network Benefits.

The Primary Care Practitioner (PCP)

The PCP will supervise and coordinate the Covered Person's health care in the [XYZ] PO. The PCP must authorize all services and supplies. In addition, he or she will refer the Covered Person to the appropriate Practitioner and Facility when Medically Necessary and Appropriate. The Covered Person must obtain an authorized referral from his or her PCP before he or she visits another Practitioner or Facility. Except in case of a Medical Emergency, if the Covered Person does not comply with these requirements, he or she may only be eligible for Out–Network Benefits.

[Carrier] provides Network Benefits for covered services and supplies furnished to a Covered Person when authorized by his or her PCP. [Carrier] pays Out–Network Benefits when covered services and supplies are not authorized by the PCP. If services or supplies are obtained from [XYZ] Providers, but they are not authorized by the PCP, the Covered Person may only be eligible for Out–Network Benefits.

A Covered Person may change his or her PCP to another PCP [once per month]. He or she may select another PCP from the list of Practitioners, and notify [XYZ] PO by [phone or in writing].

When a Covered Person uses the services of a PCP, he or she must present his or her ID card and pay the Co–Payment. When a Covered Person's PCP refers him or her to another [XYZ] PO Provider, the Covered Person must pay the Co–Payment to such Provider. [Most [XYZ] PO Practitioners will prepare any necessary claim forms and submit them to [Carrier].]

A female Covered Person may use the services of a [XYZ] PO gynecologist for non-surgical gynecological care and routine pregnancy care without referral from her PCP. She must obtain authorization from her PCP for other services.

Out–Network Services

If a Covered Person uses the services of a Provider without having been referred by his or her PCP, he or she will not be eligible for Network Benefits. For services which have not been referred by the Covered Person's PCP, whether provided by an [XYZ] PO Provider or otherwise, the Covered Person may only be eligible for Out–Network Benefits.

Emergency Services

If a Covered Person requires services for a Medical Emergency which occurs inside the PO Service Area, he or she must notify and obtain authorization from his or her PCP within 48 hours or as soon as reasonably possible thereafter.

Emergency room visits to PO Facilities are subject to a Co–Payment, and such visits must be retrospectively reviewed [by the PCP]. [Carrier] will waive the emergency room Co–Payment if the Covered Person is hospitalized within 24 hours of the visit.

If a Covered Person requires services for a Medical Emergency outside the PO Service Area, the PCP must be notified within 48 hours or as soon as reasonably possible thereafter. Follow-up care is limited to the medical care necessary before the Covered Person can return to the PO Service Area.

Utilization Review

This Policy has utilization features. See the **Utilization Review Features** section of this Policy.

Benefits

The Schedule shows Network Benefits, Out–Network Benefits, and Co–Payments applicable to the Point of Service arrangement.

What [Carrier] pays is subject to all the terms of this Policy.

[**Note:** Used only if coverage is issued as POS.]

[GRIEVANCE PROCEDURE: Carrier may elect to include a grievance procedure when the plans are issued including Preferred Provider Organization or Point of Service provisions. If a Carrier has had a Selective Contracting Arrangement approved by the New Jersey Departments of Insurance and Health it may include that approved Grievance Procedure language in the standard SEH forms.]

HEALTH BENEFITS INSURANCE

This health benefits insurance will pay many of the medical expenses incurred by a Covered Person.

Note: [Carrier] payments will be reduced or limited if a Covered Person does not comply with the Utilization Review and Pre–Approval requirements contained in this Policy.

BENEFIT PROVISION

The Cash Deductible

Each Calendar Year, each Covered Person must have Covered Charges that exceed the Cash Deductible before [Carrier] pays any benefits to that person. The Cash Deductible is shown in the Schedule. The Cash Deductible cannot be met with Non–Covered Charges. Only Covered Charges incurred by the Covered Person while insured by this Policy can be used to meet this Cash Deductible.

Once the Cash Deductible is met, [Carrier] pays benefits for other Covered Charges above the Cash Deductible incurred by that Covered Person, less any applicable Co–Insurance or Co–Payments, for the rest of that Calendar Year. But all charges must be incurred while that Covered Person is insured by this Policy. And what [Carrier] pays is based on all the terms of this Policy.

[Family Deductible Limit

This Policy has a family deductible limit of two Cash Deductibles for each Calendar Year. Once two Covered Persons in a family meet their individual Cash Deductibles in a Calendar Year, [Carrier] pays benefits for other Covered Charges incurred by any member of the covered family, less any applicable Co–Insurance or Co–Payments, for the rest of that Calendar Year. What [Carrier] pays is based on all the terms of this Policy.]

[Per Covered Family

The Per Covered Family Calendar Year Cash Deductible is shown in the Schedule. Once three or more Covered Persons in a family have incurred a combined total of Covered Charges toward their Per Covered Person Cash Deductible equal to the Per Covered Family Cash Deductible, each Covered Person in that family will be considered to have met his or her Per Covered Person Cash Deductible

for the rest of that Calendar Year. The Covered Charges that each Covered Person in a family may use toward the Per Covered Family Cash Deductible may not exceed the amount of the Per Covered Person Cash Deductible.]

[Co–Insurance Cap

This Policy limits Co–Insurance amounts each Calendar Year except as stated below. The Co–Insurance Cap cannot be met with:

a. Non–Covered Charges;
b. Cash Deductibles; and
c. Co–Payments.

There is Co–Insurance Cap for each Covered Person.

The Co–Insurance Cap is shown in the Schedule.

Once the Covered Person's Co–Insurance amounts in a Calendar Year exceed the individual cap, [Carrier] will waive his or her Co–Insurance for the rest of that Calendar Year.]

[Coinsured Charge Limit

The Coinsured Charge Limit is the amount of Covered Charges a Covered Person must incur each Calendar Year before no Co–Insurance is required.]

Payment Limits

[Carrier] limits what [Carrier] will pay for certain types of charges. [Carrier] also limits what [Carrier] will pay for all Illness or Injuries for each Covered Person's Per Lifetime. See the Schedule for these limits.

Benefits From Other Plans

The benefits [Carrier] will pay may be affected by a Covered Person being covered by 2 or more plans or policies. Read the provision **Coordination of Benefits** to see how this works.

The benefits [Carrier] will pay may also be affected by Medicare. Read the **Medicare as Secondary Payor** section for an explanation of how this works.

If This Plan Replaces Another Plan

The Employer who purchased this Policy may have purchased it to replace a plan the Employer had with some other insurer.

The Covered Person may have incurred charges for covered expenses under the Employer's old plan before it ended. If so, these charges will be used to meet this Policy's Cash Deductible if:

a. the charges were incurred during the Calendar Year in which this Policy starts;
b. this Policy would have paid benefits for the charges, if this Policy had been in effect;
c. the Covered Person was covered by the old plan when it ended and enrolled in this Policy on its Effective Date; and
d. this Policy starts right after the old plan ends.

The Covered Person may have satisfied part of the eligibility waiting period under the Employer's old plan before it ended. If so, the time satisfied will be used to satisfy this Policy's eligibility waiting period if:

a. the Employee was employed by the Employer on the date the Employer's old plan ended; and
b. this Policy starts right after the old plan ends.

Extended Health Benefits

If this Policy ends, and a Covered Person is Totally Disabled on such date, and under a Practitioner's care, [Carrier] will extend health benefits for that person under this Policy as explained below. This is done at no cost to the Covered Person.

[Carrier] will only extend benefits for Covered Charges due to the disabling condition. The charges must be incurred before the extension ends. And what [Carrier] will pay is based on all the terms of this Policy.

[Carrier] does not pay for charges due to other conditions. And [Carrier] does not pay for charges incurred by other covered family members.

The extension ends on the earliest of:

a. the date the Total Disability ends; or
b. one year from the date the person's insurance under this Policy ends; or
c. the date the person has reached the payment limit for his or her disabling condition.

The Employee must submit evidence to [Carrier] that he or she or his or her Dependent is Totally Disabled, if [Carrier] requests it.

COVERED CHARGES

This section lists the types of charges [Carrier] will consider as Covered Charges. But what [Carrier] will pay is subject to all the terms of this Policy. Read the entire Policy to find out what [Carrier] limits or excludes.

Charges while Hospitalized

[Carrier] covers charges incurred while a Covered Person is an Inpatient in a Hospital up to 30 days per Covered Person per Calendar Year. Covered Charges are as follows:

a. Hospital room and board

b. Routine Nursing Care
c. Prescription Drugs
d. Blood transfusions
e. Infusion Therapy
f. Chemotherapy
g. Radiation Therapy
h. Medically Necessary and Appropriate Hospital services and supplies provided to the Covered Person during the Inpatient confinement.

[Carrier] limits what it pays for each day to the room and board limit shown in the Schedule.

If a Covered Person incurs charges as an Inpatient in a Special Care Unit, [Carrier] covers the charges up to the daily room and board limit for a Special Care Unit shown in the Schedule.

As an exception to the Medically Necessary and Appropriate requirement of this Policy, [Carrier] also provides coverage for the mother and newly born child for:

a. a minimum of 48 hours of in-patient care in a Hospital following a vaginal delivery; and
b. a minimum of 96 hours of in-patient Hospital care following a cesarean section.

[Carrier] provides such coverage subject to the following:

a. the attending Practitioner must determine that in-patient care is medically necessary; or
b. the mother must request the in-patient care.

[Carrier] will also cover Outpatient Hospital services.

Any charges in excess of the Hospital semi-private daily room and board limit are a Non–Covered Charge. This Policy's utilization review features have penalties for non-compliance that may reduce what [Carrier] pays for Hospital charges.

Note: [Carrier] covers charges for Inpatient Hospital care up to 30 days per Covered Person per Calendar Year. Such 30 Inpatient days may be exchanged for other types of care, as explained in the **Extended Care or Rehabilitation Charges, Home Health Care Charges** and **Hospice Charges** sections.

Hospital Co–Payment Requirement

Each time a Covered Person is confined in a Hospital, he or she must pay a $250 Co–Payment for each day of confinement, up to a maximum of $1,250 per Period of Confinement, subject to a maximum $2,500 Co–Payment per Calendar Year.

Testing Charges

[Carrier] covers x-ray and laboratory tests needed for a planned Hospital admission or Surgery. [Carrier] only covers these tests if, the tests are done on an Outpatient basis within seven days of the planned admission or Surgery.

However, [Carrier] will not cover tests that are repeated after admission or before Surgery, unless the admission or Surgery is deferred solely due to a change in the Covered Person's health.

X-ray and laboratory tests which are not performed in connection with a planned Hospital admission or Surgery are Non–Covered Charges.

Extended Care or Rehabilitation Charges

Subject to [Carrier's] Pre–Approval, when Extended Care and Rehabilitation care can take the place of Inpatient Hospital care, [Carrier] covers such care provided to a Covered Person on an Inpatient basis in an Extended Care Center or Rehabilitation Center. Each 2 days of Extended Care and Rehabilitation Charges will reduce the number of Inpatient Hospital days available to a Covered Person by 1 day. Charges above the daily room and board limit are a Non–Covered Charge.

And [Carrier] covers all other Medically Necessary and Appropriate services and supplies provided to a Covered Person during the confinement. But the confinement must:

a. start within 14 days of a Hospital stay; and
b. be due to the same or a related condition that necessitated the Hospital stay.

Extended Care or Rehabilitation charges which are not Pre–Approved by [Carrier] are Non–Covered Charges.

Home Health Care Charges

Subject to [Carrier's] Pre–Approval, when Home Health Care can take the place of Inpatient Hospital care, [Carrier] covers such care furnished to a Covered Person under a written home health care plan. Each 2 days of Home Health Care will reduce the number of Inpatient Hospital days available to a Covered Person by 1 day. [Carrier] covers all Medically Necessary and Appropriate services or supplies, such as:

a. Routine Nursing Care (furnished by or under the supervision of a registered Nurse);
b. physical therapy;
c. occupational therapy;
d. medical social work;
e. nutrition services;
f. speech therapy;
g. home health aide services;
h. medical appliances and equipment, drugs and medications, laboratory services and special meals; and

i. any Diagnostic or therapeutic service, including surgical services performed in a Hospital Outpatient department, a Practitioner's office or any other licensed health care Facility, provided such service would have been covered under the Policy if performed as Inpatient Hospital services. But, payment is subject to all of the terms of this Policy and to the following conditions:

a. The Covered Person's Practitioner must certify that home health care is needed in place of Inpatient care in a recognized Facility.

b. The services and supplies must be:

- ordered by the Covered Person's Practitioner;
- included in the home health care plan; and
- furnished by, or coordinated by, a Home Health Agency according to the written home health care plan.

The services and supplies must be furnished by recognized health care professionals on a part-time or intermittent basis, except when full-time or 24 hour service is needed on a short-term basis.

c. The home health care plan must be set up in writing by the Covered Person's Practitioner within 14 days after home health care starts. And it must be reviewed by the Covered Person's Practitioner at least once very 60 days.

d. Each visit by a home health aide, Nurse, or other recognized Provider whose services are authorized under the home health care plan can last up to four hours.

e. [Carrier] does not pay for:

- services furnished to family members, other than the patient; or
- services and supplies not included in the home health care plan.

Home Health Care charges which are not Pre–Approved by [Carrier] are Non–Covered Charges.

Practitioner's Charges for Non–Surgical Care and Treatment

[Carrier] covers Practitioner's charges for the Medically Necessary and Appropriate non-surgical care and treatment of an Illness or Injury which are incurred while the Covered Person is an Inpatient in a Hospital.

Practitioner's Charges for Surgery

[Carrier] covers Practitioner's charges for Medically Necessary and Appropriate Surgery. [Carrier] does not pay for cosmetic Surgery.

Second Opinion Charges

[Carrier] covers Practitioner's charges for a second opinion and charges for related x-rays and tests when a Covered Person is advised to have Surgery or enter a Hospital. If the second opinion differs from the first, [Carrier] covers charges for a third opinion. [Carrier] covers such charges if the Practitioners who give the opinions:

a. are board certified and qualified, by reason of their specialty, to give an opinion on the proposed Surgery or Hospital admission;

b. are not business associates of the Practitioner who recommended the Surgery; and

c. in the case of a second surgical opinion, they do not perform the Surgery if it is needed.

Ambulatory Surgical Center Charges

[Carrier] covers charges made by an Ambulatory Surgical Center in connection with covered Surgery.

Hospice Care Charges

Subject to [Carrier] Pre–Approval, when Hospice Care can take the place of Inpatient Hospital Care, [Carrier] covers charges made by a Hospice for palliative and supportive care furnished to a terminally ill or terminally injured Covered Person under a Hospice care program. Each 2 days of Hospice Care will reduce the number of Inpatient Hospital days available to a Covered Person by 1 day.

"Palliative and supportive care" means care and support aimed mainly at lessening or controlling pain or symptoms; it makes no attempt to cure the Covered Person's terminal Illness or terminal Injury.

"Terminally ill" or "terminally injured" means that the Covered Person's Practitioner has certified in writing that the Covered Person's life expectancy is six months or less.

Hospice care must be furnished according to a written "hospice care program". A "hospice care program" is a coordinated program with an interdisciplinary team for meeting the special needs of the terminally ill or terminally injured Covered Person. It must be set up and reviewed periodically by the Covered Person's Practitioner.

Under a Hospice care program, subject to all the terms of this Policy, [Carrier] covers any services and supplies including Prescription Drugs, to the extent they are otherwise covered by this Policy. Services and supplies may be furnished on an Inpatient or Outpatient basis.

The services and supplies must be:

a. needed for palliative and supportive care;

b. ordered by the Covered Person's Practitioner;

c. included in the Hospice care program; and

d. furnished by, or coordinated by a Hospice.

[Carrier] does not pay for:

a. services and supplies provided by volunteers or others who do not regularly charge for their services;
b. funeral services and arrangements;
c. legal or financial counseling or services; or
d. treatment not included in the Hospice care plan.

Hospice Care charges which are not Pre–Approved by [Carrier] are Non–Covered Charges.

Pregnancy

This Policy pays for pregnancies the same way [Carrier] would cover an Illness. The charges [Carrier] covers for a newborn child are explained [on the next page.]

Birthing Center Charges

[Carrier] covers Birthing Center charges made by a Practitioner for pre-natal care, delivery, and post partum care in connection with a Covered Person's pregnancy. [Carrier] covers charges up to the daily room and board limit for room and board shown in the Schedule when Inpatient care is provided to a Covered Person by a Birthing Center. But charges above the daily room and board limit are a Non–Covered Charge.

[Carrier] covers all other Medically Necessary and Appropriate services and supplies during the confinement.

[Benefits for a Covered Newborn Child

[Carrier] covers charges for the child's routine nursery care while he or she is in the Hospital or a Birthing Center. Charges are covered up to a maximum of 7 days following the date of birth. This includes:

a. nursery charges;
b. charges for routine Practitioner's examinations and tests; and
c. charges for routine procedures, like circumcision.

Subject to all of the terms of this Policy, [Carrier] covers the care and treatment of a covered newborn child if he or she is Ill, Injured, premature, or born with a congenital birth defect.]

Anesthetics

[Carrier] covers anesthetics and their administration.

COVERED CHARGES WITH SPECIAL LIMITATIONS

The following "Pre-Existing Conditions" and "Continuity of Coverage" provisions only apply to Policies issued to Employers of at least two but not more than five Employees. These provisions also apply to "Late Enrollees" under the Policies issued to any Small Employer. However, this provision does not apply to Late Enrollees if 10 or more Late Enrollees request enrollment during any [30] day enrollment period provided for in this Policy. See this Policy's EMPLOYEE COVERAGE [and DEPENDENT COVERAGE] section[s] to determine if a Covered Person is a Late Enrollee. [The "Pre-existing Conditions" provision does not apply to a Dependent who is an adopted child or who is a child placed for adoption if the Employee enrolls the Dependent and agrees to make the required payments within [30] days after the Dependent's Eligibility Date.]

Pre–Existing Conditions

A Pre–Existing Condition is an Illness or Injury which manifests itself in the six months before a Covered Person's coverage under this Policy starts, and for which:

a. a Covered Person sees a Practitioner, takes Prescribed Drugs, receives other medical care or treatment or had medical care or treatment recommended by a Practitioner in the six months before his or her coverage starts; or
b. an ordinarily prudent person would have sought medical advice, care or treatment in the six months before his or her coverage starts.

A pregnancy which exists on the date a Covered Person's coverage starts is also a Pre–Existing Condition.

[Carrier] does not pay benefits for charges for Pre–Existing Conditions until the Covered Person has been continuously covered by this Policy for 180 days.

[This limitation does not affect benefits for other unrelated conditions, or birth defects in a covered Dependent child. And] [Carrier] waives this limitation for a Covered Person's Pre–Existing Condition if the condition was payable under another [Carrier] group plan which insured the Covered Person right before the Covered Person's coverage under this Policy started. The next section shows other exceptions.

Continuity of Coverage

A new Covered Person may have been covered under a group or individual health insurance policy or contract delivered, or issued for delivery in the United States, including coverage by an insurance company, a health, hospital or medical service corporation, or a health maintenance organization, Medicare or Medicaid or any other federally funded health benefits program, and with respect to a group plan, an employer-based, self-funded or other health benefit arrangement, prior to enrollment under this Policy. When this happens, if the previous plan provided coverage for a condition, [Carrier] gives credit for the time he or she was covered under the previous plan to determine if a condition is Pre–Existing, whether or not the previous plan paid benefits for the condition to the Covered Person. [Carrier] goes back to the date his or her coverage under the previous

plan started. But the Employee's active Full–Time service with the Employer must start within 90 days of the date his or her coverage under the previous plan ended. And the person must sign and complete his or her enrollment form within 30 days of the date the Employee's active Full–Time service begins. Any condition arising between the date his or her coverage under the previous plan ends and the date his or her coverage under this Policy starts is Pre–Existing. [Carrier] does not cover any charges actually incurred before the person's coverage under this Policy starts. If the Employer has included an eligibility waiting period in this Policy, an Employee must still meet it, before becoming insured.

Private Duty Nursing Care

[Carrier] **only** covers charges by a Nurse for Medically Necessary and Appropriate private duty nursing care, if such care is authorized as part of a home health care plan, coordinated by a Home Health Agency, and covered under the **Home Health Care Charges** section. Any other charges for private duty nursing care are a Non–Covered Charge.

Therapy Services

Therapy Services mean the following services or supplies, ordered by a Practitioner and used to treat, or promote recovery from, an Injury or Illness:

[Carrier] covers the Therapy Services listed below when provided on either an Inpatient or on an Outpatient basis.

a. *Chemotherapy*—the treatment of malignant disease by chemical or biological antineoplastic agents.

b. *Radiation Therapy*—the treatment of disease by x-ray, radium, cobalt, or high energy particle sources. Radiation therapy includes rental or cost of radioactive materials. Diagnostic Services requiring the use of radioactive materials are not radiation therapy.

[Carrier] covers the therapy Services listed below but **only** when provided on an Inpatient basis.

c. *Chelation Therapy*—means the administration of drugs or chemicals to remove toxic concentrations of metals from the body.

d. *Respiration Therapy*—the introduction of dry or moist gases into the lungs.

f. *Speech Therapy*—treatment for the correction of a speech impairment resulting from Illness, Surgery, Injury, congenital anomaly, or previous therapeutic processes.

Coverage for Cognitive Rehabilitation Therapy and Speech Therapy, **combined,** is limited to 30 visits per Calendar Year.

g. *Occupational Therapy*—treatment to restore a physically disabled person's ability to perform the ordinary tasks of daily living.

h. *Physical Therapy*—the treatment by physical means to relieve pain, restore maximum function, and prevent disability following disease, Injury or loss of limb.

Coverage for Occupational Therapy and Physical Therapy, **combined,** is limited to 30 visits per Calendar Year.

i. *Infusion Therapy*—the administration of antibiotic, nutrients, or other therapeutic agents by direct infusion.

Fertility Services

Subject to [Carrier] Pre–Approval [Carrier] covers charges for inpatient procedures to enhance fertility. Charges in connection with Fertility Services which are not Pre–Approved by [Carrier] or which are specifically excluded, are Non–Covered Charges.

Preventive Care

[Carrier] covers charges for routine physical examinations including related laboratory tests and x-rays. [Carrier] also covers charges for immunizations and vaccines, well baby care, pap smears, mammography, screening tests, and Nicotine Dependence Treatment. But [Carrier] limits what [Carrier] pays each Calendar Year to $100 per Covered Person, $300 per Covered Family.

[Transplant Benefits

[Carrier] covers charges for:

a. Autologous Bone Marrow Transplant and Associated Dose–Intensive Chemotherapy, but only if performed by institutions approved by the National Cancer Institute, or pursuant to protocols consistent with the guidelines of the American Society of Clinical Oncologists;
b. Peripheral Blood Stem Cell Transplants, but only if performed by institutions approved by the National Cancer Institute, or pursuant to protocols consistent with the guidelines of the American Society of Clinical Oncologists.]

IMPORTANT NOTICE

[This Policy has utilization review features. Under these features, [ABC—Systems, a health care review organization] reviews Hospital admissions and Surgery performed outside of a Practitioner's office [for Carrier]. These features must be complied with if a Covered Person:

a. is admitted as an Inpatient to a Hospital, or

b. is advised to enter a Hospital or have Surgery performed outside of a Practitioner's office. If a Covered Person does not comply with these utilization review features, he or she will not be eligible for full benefits under this Policy. See the *Utilization Review Features* section for details.]

[This Policy has alternate treatment features. Under these features, [DEF, a Case Coordinator] reviews a Covered Person's medical needs in clinical situations with the potential for catastrophic claims to determine whether alternative treatment may be available and appropriate. See the *Alternate Treatment Features* section for details.]

[This Policy has centers of excellence features. Under these features, a Covered Person may obtain necessary care and treatment from Providers with whom [Carrier] has entered into agreements. See the *Centers of Excellence Features* section for details.]

[What [Carrier] pays is subject to all of the terms of this Policy. Read this Policy carefully and keep it available when consulting a Practitioner.

If an Employee has any questions after reading this Policy he or she should [call The Group Claim Office at the number shown on his or her identification card.]

This Policy is not responsible for medical or other results arising directly or indirectly from the Covered Person's participation in these Utilization Review Features.]

[UTILIZATION REVIEW FEATURES

Important Notice: *If a Covered Person does not comply with this Policy's utilization review features, he or she will not be eligible for full benefits under this Policy.*

Compliance with this Policy's utilization review features does not guarantee what [Carrier] will pay for Covered Charges. What [Carrier] pays is based on:

a. the Covered Charges actually incurred;
b. the Covered Person being eligible for coverage under this Policy at the time the Covered Charges are incurred; and
c. the Cash Deductible, Co–Payment and Co–Insurance provisions, and all of the other terms of this Policy.

Definitions

"Hospital admission" means admission of a Covered Person to a Hospital as an Inpatient for Medically Necessary and Appropriate care and treatment of an Illness or Injury.

[Carrier] calls a Hospital admission or Surgery "emergency" if, after an evaluation of the Covered Person's condition, the attending Practitioner determines that failure to make the admission or perform the Surgery immediately would pose a serious threat to the Covered Person's life or health. A Hospital admission or Surgery made or performed for the convenience of Practitioners or patients is not an emergency.

By "covered professional charges for Surgery" [Carrier] means Covered Charges that are made by a Practitioner for performing Surgery. Any surgical charge which is not a Covered Charge under the terms of this Policy is not payable under this Policy.

"Regular working day" means [Monday through Friday from 9 a.m. to 9 p.m. Eastern Time,] not including legal holidays.

Grievance Procedure

If a Covered Person is not satisfied with a utilization review decision, the Covered Person or the Covered Person's Practitioner may appeal such decision by calling [ABC]. A Nurse reviewer will collect any additional medical information required and submit the case to a second [ABC] medical review physician. This physician will discuss the case with the physician reviewer who made the initial decision. The second medical review physician will then discuss the case with the Covered Person's Practitioner. The Covered Person's Practitioner is then notified of the appeal's recommendation and referred to the [Carrier] for any further appeals.]]

[REQUIRED HOSPITAL STAY REVIEW

Important Notice: *If a Covered Person does not comply with these Hospital stay review features, he or she will not be eligible for full benefits under this Policy.*

Notice of Hospital Admission Required

[Carrier] requires notice of all Hospital admissions. The times and manner in which the notice must be given is described below. When a Covered Person does not comply with the requirements of this section [Carrier] reduces what it pays for covered Hospital charges as a penalty.

Pre–Hospital Review

All non-emergency Hospital admissions must be reviewed by [ABC] before they occur. The Covered Person or the Covered Person's Practitioner must notify [ABC] and request a pre-hospital review. [ABC] must receive the notice and request as soon as possible before the admission is scheduled to occur. For a maternity admission, a Covered Person or his or her Practitioner must notify [ABC] and request a pre-hospital review at least [60 days] before the expected date of delivery, or as soon as reasonably possible.

When [ABC] receives the notice and request, [they] evaluate:

a. the Medical Necessity and Appropriateness of the Hospital admission;
b. the anticipated length of stay; and
c. the appropriateness of health care alternatives, like home health care or other out-patient care.

[ABC] notifies the Covered Person's Practitioner, [by phone, of the outcome of their review. And [they] confirm the outcome of [their] review in writing.]

If [ABC] authorizes a Hospital admission, the authorization is valid for:

a. the specified Hospital;
b. the named attending Practitioner; and
c. the authorized length of stay.

The authorization becomes invalid and the Covered Person's admission must be reviewed by [ABC] again if:

b. he or she changes attending Practitioners; or
c. more than [60 days] elapse between the time he or she obtains authorization and the time he or she enters the Hospital, except in the case of a maternity admission.

Emergency Admission

[ABC] must be notified of all emergency admission by phone. This must be done by the Covered Person or the Covered Person's Practitioner no later than the end of the next regular working day, or as soon as possible after the admission occurs.

When [ABC] is notified [by phone,] they require the following information:

b. the Covered Person group plan number;
c. the reason for the admission;
d. the name and location of the Hospital;
e. when the admission occurred; and
f. the name of the Covered Person's Practitioner.

Continued Stay Review

The Covered Person, or his or her Practitioner, must request a continued stay review for any emergency admission. This must be done at the time [ABC] is notified of such admission.

The Covered Person, or his or her Practitioner, must also initiate a continued stay review whenever it is Medically Necessary and Appropriate to change the authorized length of a Hospital stay. This must be done before the end of the previously authorized length of stay.

[ABC] also has the right to initiate a continued stay review of any Hospital admission. And [ABC] may contact the Covered Person's Practitioner or Hospital by phone or in writing.

In case of an emergency admission, the continued stay review evaluates:

a. the Medical Necessity and Appropriateness of the Hospital admission;
b. the anticipated length of stay; and
c. the appropriateness of health care alternatives.

In all other cases, the continued stay review evaluates:

a. the Medical Necessity and Appropriateness of extending the authorized length of stay; and
b. the appropriateness of health care alternatives.

[ABC] notifies the Covered Person's Practitioner [by phone, of the outcome of the review. And [ABC] confirms the outcome of the review in writing.] The notice always includes any newly authorized length of stay.

Penalties for Non–Compliance

In the case of a non-emergency Hospital admission, as a penalty for non-compliance, [[Carrier] reduces what it pays for covered Hospital charges, **by 50%**] if:

b. the Covered Person does not request a pre-hospital review as soon as reasonably possible before the Hospital admission is scheduled to occur; or
c. [ABC's] authorization becomes invalid and the Covered Person does not obtain a new one; or
d. [ABC] does not authorize the Hospital admission.

b. the Covered Person does not request a continued stay review; or
c. the Covered Person does not receive authorization for such continued stay.

The penalty applies to covered Hospital charges incurred after the applicable time limit allowed for giving notice ends.

For any Hospital admission, if a Covered Person stays in the Hospital longer than [ABC] authorizes, [Carrier] reduces what it pays for covered Hospital charges incurred after the authorized length of stay ends **by 50%** as a penalty for non-compliance.

Penalties cannot be used to meet this Policy's:

a. Cash Deductible; or
b. Co–Insurance Caps.]

[REQUIRED PRE–SURGICAL REVIEW

Important Notice: *If a Covered Person does not comply with these pre-surgical review features, he or she will not be eligible for full benefits under this Policy.*

[Carrier] requires a Covered Person to get a pre-surgical review for any non-emergency procedure performed outside of a Practitioner's office. When a Covered Person does not comply with the requirements of this section [Carrier] reduces what it pays for covered professional charges for Surgery, as a penalty.

The Covered Person or his or her Practitioner, must request a pre-surgical review from [ABC]. [ABC] must receive the request at least 24 hours before the Surgery is scheduled to occur. If the Surgery is being done in a Hospital, on an Inpatient basis, the pre-surgical review request should be made at the same time as the request for a pre-hospital review.

When [ABC] receives the request, they evaluate the Medical Necessity and Appropriateness of the Surgery and they either:

a. approve the proposed Surgery, or
b. require a second surgical opinion regarding the need for the Surgery.

[ABC] notifies the Covered Person's Practitioner, [by phone, of the outcome of the review. [ABC] also confirms the outcome of the review in writing.]

Required Second Surgical Opinion

If [ABC's] review does not confirm the Medical Necessity and Appropriateness of the Surgery, the Covered Person must obtain a second surgical opinion in order to get full benefits under this Policy. If the second opinion does not confirm the medical necessity of the Surgery, the Covered Person may obtain a third opinion, although he or she is not required to do so.

[[ABC] will give the Covered Person a list of Practitioners in his or her area who will give a second opinion.] The Covered Person may get the second opinion from [a Practitioner on the list, or from] a Practitioner of his or her own choosing, if the Practitioner:

a. is board certified and qualified, by reason of his or her specialty, to give an opinion on the proposed Surgery;
b. is not a business associate of the Covered Person's Practitioner; and
c. does not perform the Surgery if it is needed.

[[ABC] gives second opinion forms to the Covered Person. The Practitioner he or she chooses fills them out, and then returns them to [ABC].]

[Carrier] covers charges for additional surgical opinions, including charges for related x-ray and tests. But what [Carrier] pays is based on all the terms of this Policy, except, these charges are not subject to the Cash Deductible or Co–Insurance.

Pre–Hospital Review

If the proposed Surgery is to be done on an Inpatient basis, the Required Pre–Hospital Review section must be complied with. See the *Required Pre–Hospital Review* section for details.

Penalties for Non–Compliance

As a penalty for non-compliance, [[Carrier] reduces what it pays for covered professional charges, for Surgery **by 50%**] if:

a. the Covered Person does not request a pre-surgical review; or
b. [ABC] is not given at least 24 hours to review and evaluate the proposed Surgery; or
c. [ABC] requires additional surgical opinions and the Covered Person does not get those opinions before the Surgery is done;
d. [ABC] does not confirm the need for Surgery.

Penalties cannot be used to meet this Policy's:

a. Cash Deductible; or
b. Co–Insurance Caps.]

CONTINUATION RIGHTS

COORDINATION AMONG CONTINUATION RIGHTS SECTIONS

As used in this section, COBRA means the Consolidated Omnibus Budget Reconciliation Act of 1985 as enacted, and later amended.

A Covered Person may be eligible to continue his or her group health benefits under this Policy's **COBRA CONTINUATION RIGHTS** (CCR) section and under other continuation sections of this Policy at the same time.

Continuation Under CCR and **NEW JERSEY GROUP CONTINUATION RIGHTS** (NJGCR): If a Covered Person is eligible to continue his or her group health benefits under both this Policy's CCR and NJGCR sections, he or she may elect to continue under CCR, but cannot continue under NJGCR.

Continuation Under CCR and any other continuation section of this Policy:

If a Covered Person elects to continue his or her group health benefits under both this Policy's CCR and any other continuation sections, the continuations:

a. start at the same time;
b. run concurrently; and
c. end independently on their own terms.

While covered under more than one continuation section, the Covered Person:

a. will not be entitled to duplicate benefits; and
b. will not be subject to the premium requirements of more than one section at the same time.

AN IMPORTANT NOTICE ABOUT CONTINUATION RIGHTS

The following COBRA CONTINUATION RIGHTS section may not apply to the Employer's Policy. The Employee must contact his or her Employer to find out if:

a. the Employer is subject to the COBRA CONTINUATION RIGHTS section, in which case;
b. the section applies to the Employee.

COBRA CONTINUATION RIGHTS

Important Notice

Under this section, "qualified continuee" means any person who, on the day before any event which would qualify him or her for continuation under this section, is covered for group health benefits under this Policy as:

a. an active, covered Employee;
b. the spouse of an active, covered Employee; or
c. the Dependent child of an active, covered Employee. Any person who becomes covered under this Policy during a continuation provided by this section is not qualified continuee.

If An Employee's Group Health Benefits Ends

If an Employee's group health benefits end due to his or her termination of employment or reduction of work hours, he or she may elect to continue such benefits for up to 18 months, if:

a. he or she was not terminated due to gross misconduct; and
b. he or she is not entitled to Medicare.

The continuation:

a. may cover the Employee and any other qualified continuee; and
b. is subject to the **When Continuation Ends** section.

Extra Continuation for Disabled Qualified Continuees

If a qualified continuee is determined to be disabled under Title II or Title XVI of the United States Social Security Act on the date his or her group health benefits would otherwise end due to the Employee's termination of employment or reduction of work hours, he or she may elect to extend his or her 18 month continuation period above for up to an extra 11 months.

To elect the extra 11 months of continuation, the qualified continuee must give the Employer written proof of Social Security's determination of his or her disability before the earlier of:

a. the end of the 18 month continuation period; and
b. 60 days after the date the qualified continuee is determined to be disabled.

If, during this extra 11 month continuation period, the qualified continuee is determined to be no longer disabled under the Social Security Act, he or she must notify the Employer within 30 days of such determination, and continuation will end, as explained in the **When Continuation Ends** section.

An additional 50% of the total premium charge also may be required from the qualified continuee by the Employer during this extra 11 month continuation period.

If An Employee Dies While Insured

If an Employee dies while insured, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the **When Continuation Ends** section.

If An Employee's Marriage Ends

If an Employee's marriage ends due to legal divorce or legal separation, any qualified continuee whose group health benefits would otherwise end may elect to continue such

benefits. The continuation can last for up to 36 months, subject to the **When Continuation Ends** section.

If A Dependent Loses Eligibility

If a Dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in this Policy, other than the Employee's coverage ending, he or she may elect to continue such benefits. However, such Dependent child must be a qualified continuee. The continuation can last for up to 36 months, subject to **When Continuation Ends.**

Concurrent Continuations

If a Dependent elects to continue his or her group health benefits due to the Employee's termination of employment or reduction of work hours, the Dependent may elect to extend his or her 18 month continuation period to up to 36 months, if during the 18 month continuation period, either:

a. the Dependent becomes eligible for 36 months of group health benefits due to any of the reasons stated above; or

b. the Employee becomes entitled to Medicare.

The 36 month continuation period starts on the date the 18 month continuation period started, and the two continuation periods will be deemed to have run concurrently.

The Qualified Continuee's Responsibilities

A person eligible for continuation under this section must notify the Employer, in writing, of:

a. the legal divorce or legal separation of the Employee from his or her spouse; or

b. the loss of dependent eligibility, as defined in this Policy, of an insured Dependent child.

Such notice must be given to the Employer within 60 days of either of these events.

The Employer's Responsibilities

The Employer must notify the qualified continuee, in writing, of:

a. his right to continue this Policy's group health benefits;

b. the monthly premium he or she must pay to continue such benefits; and

c. the times and manner in which such monthly payments must be made.

Such written notice must be given to the qualified continuee within 14 days of:

a. the date a qualified continuee's group health benefits would otherwise end due to the Employee's death or the Employee's termination of employment or reduction of work hour; or

b. the date a qualified continuee notifies the Employer, in writing, of the Employee's legal divorce or legal separation from his or her spouse, or the loss of dependent eligibility of an insured Dependent child.

The Employer's Liability

The Employer will be liable for the qualified continuee's continued group health benefits to the same extent as, and in place of, [Carrier], if:

a. the Employer fails to remit a qualified continuee's timely premium payment to [Carrier] on time, thereby causing the qualified continuee's continued group health benefits to end; or

b. the Employer fails to notify the qualified continuee of his or her continuation rights, as described above.

Election of Continuation

To continue his or her group health benefits, the qualified continuee must give the Employer written notice that he or she elects to continue. This must be done within 60 days of the date a qualified continuee receives notice of his or her continuation rights from the Employer as described above. And the qualified continuee must pay the first month's premium in a timely manner.

The subsequent premiums must be paid to the Employer, by the qualified continuee, in advance, at the times and in the manner specified by the Employer. No further notice of when premiums are due will be given.

The monthly premium will be the total rate which would have been charged for the group health benefits had the qualified continuee stayed insured under this Policy on a regular basis. It includes any amount that would have been paid by the Employer. Except as explained in the **Extra Continuation for Disabled Qualified Continuees** section, an additional charge of two percent of the total premium charge may also be required by the Employer.

If the qualified continuee fails to give the Employer notice of his or her intent to continue, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

Grace in Payment of Premiums

A qualified continuee's premium payment is timely if, with respect to the first payment after the qualified continuee elects to continue, such payment is made no later than 45 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the specified date.

When Continuation Ends

A qualified continuee's continued group health benefits end on the first of the following:

a. with respect to continuation upon the Employee's termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;
b. with respect to a disabled qualified continuee who has elected an additional 11 months of continuation, the earlier of:
   - the end of the 29 month period which starts on the date the group health benefits would otherwise end; or
   - the first day of the month which coincides with or next follows the date which is 30 days after the date on which a final determination is made that a disabled qualified continuee is no longer disabled under Title II or Title XVI of the United States Social Security Act;
c. with respect to continuation upon the Employee's death, the Employee's legal divorce or legal separation, or the end of an insured Dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
d. with respect to a Dependent whose continuation is extended due to the Employee's entitlement to Medicare, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
e. the date this Policy ends;
f. the end of the period for which the last premium payment is made;
g. the date he or she becomes covered under any other group health plan which contains no limitation or exclusion with respect to any Pre–Existing Condition of the qualified continuee;
h. the date he or she becomes entitled to Medicare.

A divorced spouse whose continued health benefits end as described above may elect to convert some of these benefits to an individual insurance policy. Read this policy's **Conversion Rights for Divorced Spouses** section for details.

NEW JERSEY GROUP CONTINUATION RIGHTS

If An Employee's Group Benefits End

If an Employee's health coverage ends due to termination of employment for a reason other than for cause, or reduction of work hours to below 25 hours per week, he or she may elect to continue such benefits for up to 12 months, subject to the **When Continuation Ends** section. At the Employee's option, he or she may elect to continue health coverage for any of his or her then insured Dependents whose coverage would otherwise end at this time. In order to continue health coverage for his or her Dependents, the Employee must elect to continue health coverage for himself or herself.

What The Employee Must Do

To continue his or her health coverage, the Employee must send a written request to the Employer within 30 days of the date of termination of employment or reduction of work hours. The Employee must also pay the first month's premium. The first premium payment must be made within 30 days of the date the Employee elects continuation.

The subsequent premiums must be paid to the Employer, by the Employee, in advance, at the times and in the manner [Carrier] specifies.

The monthly premium will be the total rate which would have been charged for the small group benefits had the Employee stayed insured under this Policy on a regular basis. It includes any amount that the Employer would have paid. And an additional charge of 2% of the total premium may be charged for the continued coverage.

If an Employee fails to give the Employer notice that he or she elects to continue, or fails to make any premium payment in a timely manner, he or she waives his or her continuation rights. All premium payments, except the first, will be considered timely if they are made within 31 days of the specified due dates.

The Continued Coverage

The Employee's continued coverage will be identical to the coverage he or she had when covered under this Policy on a regular basis. Any modifications made under this Policy will apply to similarly situated continuees. [Carrier] does not ask for proof of insurability in order for an Employee to continue.

When Continuation Ends

A Covered Person's continued health coverage ends on the first of the following:

a. the date which is 12 months from the date the small group benefits would otherwise end;
b. the date the Covered Person becomes eligible for Medicare;
c. the end of the period for which the last premium payment is made;
d. the date the Covered Person becomes covered under another group health benefits plan which contains no limitation or exclusion with respect to any Pre–Existing Condition of the Covered Person.
e. with respect to a Covered Person who becomes covered under another group health benefits plan which contains a limitation or exclusion with re-

spect to a Pre–Existing condition of the Covered Person, the date such limitation or exclusion ends;

f. the date the Employer no longer provides any health benefit plans for any of the Employer's Employees or their eligible Dependents; or

g. with respect to a Dependent, the date he or she is no longer an eligible Dependent as defined in this Policy.

A TOTALLY DISABLED EMPLOYEE'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS

If An Employee is Totally Disabled

An Employee who is Totally Disabled and whose group health benefits end because his or her active employment or membership in an eligible class ends due to that disability, can elect to continue his or her group health benefits. But he or she must have been insured by this Policy for at least three months immediately prior to the date his or her group health benefits ends. The continuation can cover the Employee, and at his or her option, his or her then insured Dependents.

How And When To Continue Coverage

To continue group health benefits, the Employee must give the Employer written notice that he or she elects to continue such benefits. And he or she must pay the first month's premium. This must be done within 31 days of the date his or her coverage under this Policy would otherwise end.

Subsequent premiums must be paid to the Employer monthly, in advance, at the times and in the manner specified by the Employer. The monthly premium the Employee must pay will be the total rate charged for an active Full–Time Employee, insured under this Policy on a regular basis, on the date each payment is due. It includes any amount which would have been paid by the Employer.

[Carrier] will consider the Employee's failure to give notice or to pay any required premium as a waiver of the Employee's continuation rights.

If the Employer fails, after the timely receipt of the Employee's payment, to pay [Carrier] on behalf of such Employee, thereby causing the Employee's coverage to end; then such Employer will be liable for the Employee's benefits, to the same extent as, and in place of, [Carrier].

When This Continuation Ends

These continued group health benefits end on the first of the following:

a. the end of the period for which the last payment is made, if the Employee stops paying;

b. the date the Covered Person becomes employed and eligible or covered for similar benefits by another group plan, whether it be an insured or uninsured plan;

c. the date this Policy ends or is amended to end for the class of Employees to which the Employee belonged; or

d. with respect to a Dependent, the date he or she stops being an eligible Dependent as defined in this Policy.

AN EMPLOYEE'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS DURING A FAMILY LEAVE OF ABSENCE

Important Notice

This section may not apply to an Employer's Policy. The Employee must contact his or her Employer to find out if:

- the Employer must allow for a leave of absence under Federal law in which case;
- the section applies to the Employee.

If An Employee's Group Health Coverage Ends

Group health coverage may end for an Employee because he or she ceases Full–Time work due to an approved leave of absence. Such leave of absence must have been granted to allow the Employee to care for a sick family member or after the birth or adoption of a child. If so, his or her group health benefits insurance will be continued. Dependents' insurance may also be continued. The Employee will be required to pay the same share of premium as before the leave of absence.

When Continuation Ends

Insurance may continue until the earliest of:

a. the date the Employee returns to Full–Time work;

b. the end of a total leave period of 12 weeks in any 12 month period;

c. the date on which the Employee's coverage would have ended had the Employee not been on leave; or

d. the end of the period for which the premium has been paid.

[A DEPENDENT'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS

If an Employee dies, any of his or her Dependents who were insured under this Policy may elect to continue coverage. Subject to the payment of the required premium, coverage may be continued until the earlier of:

a. 180 days following the date of the Employee's death; or

b. the date the Dependent is no longer eligible under the terms of this Policy.]

[CONVERSION RIGHTS FOR DIVORCED SPOUSES

IF AN EMPLOYEE'S MARRIAGE ENDS

If an Employee's marriage ends by legal divorce or annulment, the group health benefits for his or her former spouse ends. The former spouse may convert to an individual major medical policy during the conversion period. The former spouse may insure under his or her individual policy any of his or her Dependent children who were insured under this Policy on the date the group health benefits ends. See exceptions below.

Exceptions

No former spouse may use this conversion right:

a. if he or she is eligible for Medicare; or
b. if it would cause him or her to be overinsured.

This may happen if the spouse is covered or eligible for coverage providing similar benefits provided by any other plan, insured or not insured. [Carrier] will determine if overinsurance exists using its standards for overinsurance.

HOW AND WHEN TO CONVERT

The conversion period means the 31 days after the date group health benefits ends. The former spouse must apply for the individual policy in writing and pay the first premium for such policy during the conversion period. Evidence of insurability will not be required.

THE CONVERTED POLICY

The individual policy will provide the major medical benefits that [Carrier] is required to offer in the state where the Employer is located.

The individual policy will take effect on the day after group health benefits under this Policy ends.

After group health benefits under this Policy ends, the former spouse and any children covered under the individual policy may still be paid benefits under this Policy. If so, benefits to be paid under the individual policy will be reduced by the amount paid under this Policy.]

EFFECT OF INTERACTION WITH A HEALTH MAINTENANCE ORGANIZATION PLAN

HEALTH MAINTENANCE ORGANIZATION ("HMO") means a prepaid alternative health care delivery system.

A Policyholder may offer its Employees HMO membership in lieu of the group health benefits insurance provided by this Policy. If the Employer does, the following provisions apply.

IF AN INSURED EMPLOYEE ELECTS HMO MEMBERSHIP

Date Group Health Benefits Insurance Ends

Insurance for an Employee and his or her Dependents will end on the date the Employee becomes an HMO member.

Benefits After Group Health Benefits Insurance Ends

When an Employee becomes an HMO member, the **Extended Health Benefits** section of this Policy will not apply to him or her and his or her Dependents.

Exception:

IF, on the date membership takes effect, the HMO does not provide benefits due to:

- an HMO waiting period
- an HMO Pre–Existing conditions limit, or
- a confinement in a Hospital not affiliated with the HMO

AND the HMO provides benefits for total disability when membership ends

THEN group health benefits will be paid until the first of the following occurs:

- 90 days expire from the date membership takes effect
- the HMO's waiting period ends
- the HMO's Pre–Existing Conditions limit expires, or
- hospitalization ends.

IF AN HMO MEMBER ELECTS GROUP HEALTH BENEFITS INSURANCE PROVIDED BY THIS POLICY

Date Transfer To Such Insurance Takes Effect

Each Employee who is an HMO member may transfer to such insurance by written request. If he or she elects to do so, any Dependents who are HMO members must also be included in such request. The date such persons are to be insured depends on when and why the transfer request is made.

Request made during an open enrollment period

[Carrier] and the Policyholder will agree when this period will be. If an Employee requests insurance during this period, he or she and his or her Dependents will be insured on the date such period ends.

Request made because:

- **an HMO ends its operations**
- **Employee moves outside the HMO service area**

If an Employee requests insurance because membership ends for these reasons, the date he or she and his or her Dependents are to be insured depends on the date the request is made.

If it is made:

- on or before the date membership ends, they will be insured on the date such membership ends
- within 31 days after the date membership ends, they will be insured on the date the request is made
- more than 31 days after the date membership ends, the Employee and his or her Dependents will be Late Enrollees.

Request made because an HMO becomes insolvent

If an Employee requests insurance because membership ends for this reason, the date he or she and his or her Dependents are to be insured depends on the date the request is made.

If it is made:

- within 31 days after the date membership ends, they will be insured on the date the request is made
- more than 31 days after the date membership ends, the Employee and his or her Dependents will be Late Enrollees.

Request made at any other time

An Employee may request insurance at any time other than that described above. In this case, he or she and his or her Dependents will be Late Enrollees.

Other Provisions Affected By A Transfer

If a person makes a transfer, the following provisions, if required by this Policy for such insurance, will not apply on the transfer date:

- an Actively at Work requirement
- non-confinement, or similar requirement
- a waiting period, or
- Pre–Existing Conditions provisions.

Charges not covered

Charges incurred before a person becomes insured will be considered Non–Covered Charges.

Maximum benefit

The total amount of benefits to be paid for each person will be the maximum benefit specified in this Policy, regardless of any interruption in such person's insurance under this Policy.

Right to change premium rates

[Carrier] has the right to change premium rates when, in its opinion, its liability under this Policy is changed by interaction with an HMO plan.

COORDINATION OF BENEFITS

Purpose Of This Provision

A Covered Person may be covered for health expense benefits by more than one plan. For instance, he or she may be covered by this Policy as an Employee and by another plan as a Dependent of his or her spouse. If he or she is, the provision allows [Carrier] to coordinate what [Carrier] pays with what another plan pays. [Carrier] does this so the Covered Person does not collect more in benefits than he or she incurs in charges.

DEFINITIONS

"Plan" means any of the following that provide health expense benefits or services:

a. group or blanket insurance plans;
b. group hospital or surgical plans, or other service or prepayment plans on a group basis;
c. union welfare plans, Employer plan, Employee benefits plans, trusteed labor and management plans, or other plans for members of a group;
d. programs or coverages required by law; or
e. Medicare or other government programs which [Carrier] is allowed to coordinate with by law.

"Plan" does not include:

a. Medicaid or any other government program or coverage which [Carrier] is not allowed to coordinate with by law;
b. school accident type coverages written on either a blanket, group, or franchise basis;
c. any group or group-type hospital indemnity benefits;
d. Supplemental Limited Benefits Insurance; nor
e. any plan [Carrier] says [Carrier] supplements, as named in the Schedule.

"This plan" means the part of [Carriers] group plan subject to this provision.

"Member" means the person who receives a certificate or other proof of coverage from a plan that covers him or her for health expense benefits.

"Dependent" means a person who is covered by a plan for health expense benefits, but not as a member.

"Allowable expense" means any necessary, reasonable, and usual item of expense for health care incurred by a member or Dependent under either this plan or any other plan. When a plan provides service instead of cash payment, [Carrier] views the reasonable cash value of each service as an allowable expense and as a benefit paid. [Carrier] also views items of expense covered by another plan as an allowable expense, whether or not a claim is filed under that plan.

The amount of reduction in benefits resulting from a member's or Dependent's failure to comply with provisions of a primary plan is not considered an allowable expense if such reduction in benefits is less than or equal to the reduction that would have been made under the terms of this Plan if this Plan had been primary. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and preferred provider arrangements. This does not apply where a primary plan is a health maintenance organization (HMO) and the member or Dependent elects to have health services provided outside the HMO. A primary plan is described below.

"Claim determination period" means a Calendar Year in which a member or Dependent is covered by this plan and at least one other plan and incurs one or more allowable expense under such plans.

How This Provision Works

[Carrier] applies provision when a member or Dependent is covered by more than one plan. When this happens [Carrier] will consider each plan separately when coordinating payments.

In order to apply this provision, one of the plans is called the primary plan. All other plans are called secondary plans. The primary plan pays first, ignoring all other plans. The secondary plans then pay the remaining unpaid allowable expenses, but no plan pays more than it would have without this provision.

If a plan has no coordination provision, it is primary. But, during any claim determination period, when this plan and at least one other plan have coordination provisions, the rules that govern which plan pays first are as follows:

a. A plan that covers a person as a member pays first; the plan that covers a person as a Dependent pays second.

b. A plan that covers a person as an active Employee or as a Dependent of such Employee pays first. A plan that covers a person as a laid-off or retired Employee or as a Dependent of such Employee pays second.

But if the plan that [Carrier] is coordinating with does not have a similar provision for such persons, then b. will not apply.

c. Except for Dependent children of separated or divorced parents, the following governs which plan pays first when the person is a Dependent of a member:

A plan that covers a Dependent of a member whose birthday falls earliest in the Calendar Year pays first. The plan that covers a Dependent of a member whose birthday falls later in the Calendar Year pays second. The member's year of birth is ignored.

But, if the plan that [Carrier] is coordinating with does not have a similar provision for such persons, then c. will not apply and the other plan's coordination provision will determine the order of benefits.

d. For a Dependent child of separated or divorced parents, the following governs which plan pays first when the person is a Dependent of a member.

- When a court order makes one parent financially responsible for the health care expenses of the Dependent child, then that parent's plan pays first.
- If there is no such court order, then the plan of the natural parent with custody pays before the plan of the stepparent with custody; and
- The plan of the stepparent with custody pays before the plan of the natural parent without custody.

If rules a, b, c and d do not determine which plan pays first, the plan that has covered the person for the longer time pays first.

If, when [Carrier] applies this provision, [Carrier] pays less than [Carrier] would otherwise pay, [Carrier] apply only that reduced amount against payment limits of this plan.

[Carrier's] Right to Certain Information

In order to coordinate benefits, [Carrier] needs certain information. An Employee must supply [Carrier] with as much of that information as he or she can. But if he or she cannot give [Carrier] all the information [Carrier] needs, [Carrier] has the right to get this information from any source. And if another insurer needs information to apply its coordination provision, [Carrier] has the right to give that insurer such information. If [Carrier] gives or gets information under this section [Carrier] cannot be held liable for such action.

When payment that should have been made by this plan has been made by another plan, [Carrier] has the right to repay that plan. If [Carrier] does so, [Carrier] is no longer liable for that amount. And if [Carrier] pays out more than [Carrier] should have, [Carrier] has the right to recover the excess payment.

Small Claims Waiver

[Carrier] does not coordinate payments on claims of less than $50.00. But if, during any claim determination period, more allowable expenses are incurred that raise the claim above $50.00 [Carrier] will count the entire amount of the claim when [Carrier] coordinates.

BENEFIT FOR AUTOMOBILE RELATED INJURIES

This section will be used to determine a person's benefits under this Policy when expenses are incurred as a result of an automobile related injury.

Definitions

"Automobile Related Injury" means bodily Injury sustained by a Covered Person as a result of an accident:

a. while occupying, entering, leaving or using an automobile; or
b. as a pedestrian; caused by an automobile or by an object propelled by or from an automobile.

"Allowable Expense" means a medically necessary, reasonable and customary item of expense covered at least in part as an eligible expense by:

a. this Policy;
b. PIP; or
c. OSAIC.

"Eligible Expense" means that portion of expense incurred for treatment of an Injury which is covered under this Policy without application of Cash Deductibles and Co–Payments, if any or Co–Insurance.

"Out–of–State Automobile Insurance Coverage" or "OSAIC" means any overage for medical expenses under an automobile insurance policy other than PIP. OSAIC includes automobile insurance policies issued in another state or jurisdiction.

"PIP" means personal injury protection coverage provided as part of an automobile insurance policy issued in New Jersey. PIP refers specifically to provisions for medical expense coverage.

Determination of primary or secondary coverage.

This Policy provides secondary coverage to PIP unless health coverage has been elected as primary coverage by or for the Covered Person under this Policy. This election is made by the named insured under a PIP policy. Such election affects that person's family members who are not themselves named insureds under another automobile policy. This Policy may be primary for one Covered Person, but not for another if the person has separate automobile policies and have made different selections regarding primacy of health coverage.

This Policy is secondary to OSAIC, unless the OSAIC contains provisions which make it secondary or excess to the policyholder's plan. In that case this Policy will be primary.

If there is a dispute as to which policy is primary, this Policy will pay benefits as if it were primary.

Benefits this Policy will pay if it is primary to PIP or OSAIC.

If this Policy is primary to PIP or OSAIC it will pay benefits for eligible expenses in accordance with its terms.

The rules of the **COORDINATION OF BENEFITS** section of this Policy will apply if:

- the Covered Person is insured under more than one insurance plan; and
- such insurance plans are primary to automobile insurance coverage.

Benefits this Policy will pay if it is secondary to PIP or OSAIC.

If this Policy is secondary to PIP or OSAIC the actual benefits payable will be the lesser of:

a. the allowable expenses left uncovered after PIP or OSAIC has provided coverage after applying Cash Deductibles and Co–Payments, or
b. the benefits that would have been paid if this Policy had been primary.

Medicare

If this Policy supplements coverage under Medicare it can be primary to automobile insurance only to the extent that Medicare is primary to automobile insurance.

MEDICARE AS SECONDARY PAYOR

IMPORTANT NOTICE

The following sections regarding Medicare may not apply to the Employer's Policy. The Employee must contact his or her Employer to find out if the Employer is subject to Medicare as Secondary Payor rules.

If the Employer is subject to such rules, this Medicare as Secondary Payor section applies to the Employee.

If the Employer is NOT subject to such rules, this Medicare as Secondary Payor section does not apply to the Employee, in which case, Medicare will be the primary health plan and this Policy will be the secondary health plan for Covered Persons who are eligible for Medicare.

The following provisions explain how this Policy's group health benefits interact with the benefits available under Medicare as Secondary Payor rules. A Covered Person may be eligible for Medicare by reason of age, disability, or End Stage Renal Disease. Different rules apply to each type of Medicare eligibility, as explained below.

With respect to the following provisions:

a. "Medicare" when used above, means Part A and B of the health care program for the aged and disabled provided by Title XVII of the United States Social Security Act, as amended from time to time.

b. A Covered Person is considered to be eligible for Medicare by reason of age from the first day of the month during which he or she reaches age 65. However, if the Covered Person is born on the first day of a month, he or she is considered to be eligible for Medicare from the first day of the month which is immediately prior to his or her 65th birthday.

c. A "primary" health plan pays benefits for a Covered Person's Covered Charge first, ignoring what the Covered Person's "secondary" plan pays. A "secondary" health plan then pays the remaining unpaid allowable expenses. See the Coordination of Benefits section for a definition of "allowable expense."

[d. "We" means Carrier]

MEDICARE ELIGIBILITY BY REASON OF AGE

Applicability

This section applies to an Employee or his or her insured spouse who is eligible for Medicare by reason of age.

Under this section, such an Employee or insured spouse is referred to as a "Medicare eligible".

This section does not apply to:

a. a Covered Person, other than an Employee or insured spouse

b. an Employee or insured spouse who is under age 65, or

c. a Covered Person who is eligible for Medicare solely on the basis of End Stage Renal Disease.

When An Employee or Insured Spouse Becomes Eligible For Medicare

When an Employee or insured spouse becomes eligible for Medicare by reason of age, he or she must choose one of the two options below.

Option (A)—The Medicare eligible may choose this Policy as his or her primary health plan. If he or she does, Medicare will be his or her secondary health plan. See the **When This Policy is Primary** section below, for details.

Option B—The Medicare eligible may choose Medicare as his or her primary health plan. If he or she does, group health benefits under this Policy will end. See the **When Medicare is Primary** section below, for details.

If the Medicare eligible fails to choose either option when he or she becomes eligible for Medicare by reason of age, [Carrier] will pay benefits as if he or she had chosen Option (A).

When this Policy is primary

When a Medicare eligible chooses this Policy as his or her primary health plan, if he or she incurs a Covered Charge for which benefits are payable under both this Policy and Medicare, this Policy is considered primary. This Policy pays first, ignoring Medicare. Medicare is considered the secondary plan.

When Medicare is primary

If a Medicare eligible chooses Medicare as his or her primary health plan, he or she will no longer be covered for such benefits by this Policy. Coverage under this Policy will end on the date the Medicare eligible elects Medicare as his or her primary health plan.

A Medicare eligible who elects Medicare as his or her primary health plan, may later change such election, and choose this Policy as his or her primary health plan.

MEDICARE ELIGIBILITY BY REASON OF DISABILITY

Applicability

This section applies to a Covered Person who is:

a. under age 65; and

b. eligible for Medicare by reason of disability.

Under this section, such Covered Person is referred to as a "disabled Medicare eligible".

This section does not apply to:

a. a Covered Person who is eligible for Medicare by reason of age; or

b. a Covered Person who is eligible for Medicare solely on the basis of End Stage Renal Disease.

When A Covered Person Becomes Eligible For Medicare

When a Covered Person becomes eligible for Medicare by reason of disability, this Policy is the primary plan. Medicare is the secondary plan.

If a Covered Person is eligible for Medicare by reason of disability, he or she must be covered by both Parts A and B.

If he or she is not, he or she must meet the Medicare Alternate Deductible shown in the Schedule.

MEDICARE ELIGIBILITY BY REASON OF END STAGE RENAL DISEASE

Applicability

This section applies to a Covered Person who is eligible for Medicare on the basis of End Stage Renal Disease (ESRD).

Under this section, such Covered Person is referred to as an "ESRD Medicare eligible".

This section does not apply to a Covered Person who is eligible for Medicare by reason of disability.

When a Covered Person Becomes Eligible for Medicare Due to ESRD

When a Covered Person becomes eligible for Medicare solely on the basis of ESRD, for a period of up to 18 consecutive months, if he or she incurs a charge for the treatment of ESRD for which benefits are payable under both this Policy and Medicare, this Policy is considered primary. This Policy pays first, ignoring Medicare. Medicare is considered the secondary plan.

This 18 month period begins on the earlier of:

a. the first day of the month during which a regular course of renal dialysis starts; and
b. with respect to an ESRD Medicare eligible who receives a kidney transplant, the first day of the month during which such Covered Person becomes eligible for Medicare.

After the 18 month period described above ends, if an ESRD Medicare eligible incurs a charge for which benefits are payable under both this Policy and Medicare, Medicare is the primary plan. This Policy is the secondary plan. If a Covered Person is eligible for Medicare on the basis of ESRD, he or she must be covered by both Parts A and B. If he or she is not, he or she must meet the Medicare Alternate Deductible shown in the Schedule.

RIGHT TO RECOVERY—THIRD PARTY LIABILITY

As used in this section:

"Covered Person" means an Employee or Dependent, including the legal representative of a minor or incompetent, insured by this Policy.

"Reasonable pro-rata Expenses" are those costs such as lawyers, fees and court costs, incurred to effect a third party payment, expressed as a percentage of such payment.

"Third Party" means anyone other than [Carrier], the Employer or the Covered Person.

If a Covered Person makes a claim to [Carrier] for benefits under this Policy prior to receiving payment from a third party or its insurer, the Covered Person must agree, in writing, to repay [Carrier] from any amount of money they receive from the third party, or its insurer for an Illness or Injury.

[Carrier] shall require the return of health benefits paid for an Illness or Injury, up to the amount a Covered Person receives for that Illness or Injury through:

a. a third party settlement;
b. a satisfied judgment; or
c. other means.

[Carrier] will only require such payment when the amounts received through such settlement, judgment or otherwise, are specifically identified as amounts paid for health benefits for which [Carrier] has paid benefits.

The repayment will be equal to the amount of benefits paid by [Carrier]. However, the Covered Person may deduct the reasonable pro-rata expenses, incurred in effecting the third party payment from the repayment to [Carrier].

The repayment agreement will be binding upon the Covered Person whether:

a. the payment received from the third party, or its insurer, is the result of a legal judgment, an arbitration award, a compromise settlement, or any other arrangement, or
b. the third party, or its insurer, has admitted liability for the payment.

[Carrier] will not pay any benefits under this Policy to or on behalf of a Covered Person, who has received payment in whole or in part from a third party, or its insurer for past or future charges for an Illness or Injury, resulting from the negligence, intentional act, or no-fault tort liability of a third party.

STATEMENT OF ERISA RIGHTS

As a participant, an Employee is entitled to certain rights and protection under the Employee Retirement Income Security Act of 1974 (ERISA), ERISA provides that all plan participants shall be entitled to:

a. Examine, with charge, all plan documents, including insurance contracts, collective bargaining agreements and copies of all documents filed by the plan with the U.S. Department of Labor, such as detailed annual reports and plan descriptions. The document may be examined at the Plan Administrator's office and at other specified locations such as worksites and union halls.

b. Obtain copies of all plan documents and other plan information upon written request to the Plan Administrator, who may make a reasonable charge for the copies.
c. Receive a summary of the plan's annual financial report from the Plan Administrator (if such a report is required).

In addition to creating rights for plan participants, ERISA imposes duties upon the people called "Fiduciaries", who are responsible for the operation of the Employee benefits plan. They have a duty to operate the plan prudently and in the interest of plan participants and beneficiaries. An Employer may not fire the Employee or otherwise discriminate against him or her in any way to prevent him or her from obtaining a welfare benefit or exercising his or her rights under ERISA. If an Employee's claim for welfare benefits is denied in whole or in part, he or she must receive a written explanation of the reason for the denial. The Employee has the right to have his or her claim reviewed and reconsidered.

Under ERISA, there are steps an Employee can take to enforce the above rights. For instance, the Employee may file suit in a federal court if he or she requests materials from the plan and does not receive them within 30 days. The court may require the Plan Administrator to provide the materials and pay the Employee, up to $100.00 a day until he or she receives them (unless the materials were not sent because of reasons beyond the administrator's control). If his or her claim for benefit is denied in whole or in part, or ignored, he or she may file suit in a state or federal court. If plan fiduciaries misuse the plan's money, or discriminate against him or her for asserting his or her rights, he or she may seek assistance from the U.S. Department of Labor, or file suit in a federal court. If he or she is successful, the court may order the person the Employee has sued to pay court costs and legal fees. If he or she loses, the court may order him or her to pay, for example, if it finds his or her claim is frivolous. If the Employee has any question about his or her plan, he or she should contact the Plan Administrator. If he or she has any questions about this statement or about his or her rights under ERISA he or she should contract the nearest Area Office of the U.S. Labor–Management Services Administration, Department of Labor.

CLAIMS PROCEDURE

Claim forms and instructions for filing claims may be obtained from the Plan Administrator. Completed claim forms and any other required material should be returned to the Plan Administrator for submission to [Carrier].

[Carrier] is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the plan with respect to claims.

In addition to the basic claim procedure explained in the Employee's certificate, [Carrier] will also observe the procedures listed below. All notifications from [Carrier] will be in writing.

a. If a claim is wholly or partially denied, the claimant will be notified of the decision within 45 days after [Carrier] received the claim.
b. If special circumstances require an extension of time for processing the claim, written notice of the extension shall be furnished to the claimant prior to the termination of the initial 90–day period. In no event shall such extension exceed a period of 90 days from the end of such initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which [Carrier] expects to render the final decision.
c. If a claim is denied, [Carrier] will provide the Plan Administrator, for delivery to the claimant, a notice that will set forth:
   - the specific reason(s) the claim is denied;
   - specific references to the pertinent plan provision on which the denial is based;
   - a description of any additional material or information needed to make the claim valid, and an explanation of why the material or information is needed;
   - and explanation of the plan's claim review procedure.

A claimant must file a request for review of a denied claim within 60 days after receipt of written notification of denial of a claim.

d. [Carrier] will notify the claimant of its decision within 60 days of receipt of the request for review. If special circumstances require an extension of time for processing. [Carrier] will render a decision as soon as possible, but no later than 120 days after receiving the request. [Carrier] will notify the claimant about the extension.

The above procedures are required under the provisions of ERISA.

Outpatient means a Covered Person who is registered at a recognized health care Facility who is not an Inpatient.

Per Lifetime means during the lifetime of an individual, regardless of whether he or she is covered under this Policy or any other policy or plan:

a. as an Employee or Dependent; and
b. with or without interruption of coverage.

[Carrier] provides such coverage subject to the following:

a. the attending Practitioner must determine that in-patient care is medically necessary; or

If a Covered Person incurs charges as an Inpatient in a Special Care Unit, [Carrier] covers the charges up to the daily room and board limit for a Special Care Unit shown in the Schedule.

[Carrier] will also cover Outpatient Hospital services, including services provided by a Hospital Outpatient clinic. And [Carrier] covers emergency room treatment, subject to

this Policy's Emergency Room Co–Payment Requirement section.

Any charges in excess of the Hospital semi-private daily room and board limit are a Non–Covered Charge. This Policy's utilization review features have penalties for non-compliance that may reduce what [Carrier] pays for Hospital charges.

[Carrier] limits what [Carrier] pays for the treatment of Mental and Nervous Conditions and Substance Abuse. See the Charges Covered with Special Limitations section of this Policy.

Emergency Room Co–Payment Requirement

Each time a Covered Person uses the services of a Hospital emergency room, he or she must pay a [$50.00] Co–Payment, in addition to the Cash Deductible, and other Co–Payments, and Co–Insurance, if he or she is not admitted within 24 hours.

[Carrier] covers pre-admission x-ray and laboratory tests needed for a planned Hospital admission or Surgery. [Carrier] only covers these tests if the tests are done on an Outpatient basis within seven days of the planned admission or Surgery.

However, [Carrier] will not cover tests that are repeated after admission or before Surgery, unless the admission or Surgery is deferred solely due to a change in the Covered Person's health.

There will be no contest of the validity of this Policy, except for not paying premiums, after it has been in force for 2 years from the Effective Date.

No statement in any application, except a fraudulent statement, made by the Policyholder or by a person insured under this Policy shall be used in contesting the validity of his or her insurance or in denying a claim for a loss incurred after such insurance has been in force for two years during the person's lifetime. Note: There is no time limit with respect to a contest in connection with fraudulent statements.

AMENDMENT

This Policy may be amended, at any time, without the consent of the Covered Persons or of anyone else with a beneficial interest in it. This can be done through written request made by the Policyholder and agreed to by [Carrier]. [Carrier] may also make amendments to this Policy, as provided in b. and c. below. [Carrier] will give the Policyholder 30 days advance written notice. An amendment will not affect benefits for a service or supply furnished before the date of change.

Only an officer of [Carrier] has authority: to waive any conditions or restrictions of this Policy; or to extend the time in which a premium may be paid; or to make or change a Policy; or to bind [Carrier] by a promise or representation or by information given or received.

No change in this Policy is valid unless the change is shown in one of the following ways:

[a. It is shown in an endorsement on it signed by an officer of [Carrier].]

[b.] In the case of a change in this Policy that has been automatically made to satisfy the requirements of any state or federal law that applies to this Policy, as provided in the **Conformity With Law** section, it is shown in an amendment to it that is signed by an officer of [Carrier].

[d.] In the case of a written request by the Policyholder for a change, it is shown in an amendment to it signed by the Policyholder and by an officer of [Carrier].

AFFILIATED COMPANIES

If the Policyholder asks [Carrier] in writing to include an Affiliated Company under this Policy, and [Carrier] gives written approval for the inclusion, [Carrier] will treat Employees of that company like the Policyholder's Employees. [Carrier's] written approval will include the starting date of the company's coverage under this Policy. But each eligible Employee of that company must still meet all the terms and conditions of this Policy before becoming covered.

An Employee of the Policyholder and one or more Affiliated Companies will be considered an Employee of only one of those Employers for the purpose of this Policy. That Employee's service with multiple Employers will be treated as service with that one.

The Policyholder must notify [Carrier] in writing when a company stops being an Affiliated Company. As of this date, this Policy will be considered to end for Employees of that Employer. This applies to all of those Employees except those who, on the next day, are employed by the Policyholder or another Affiliated Company as eligible Employees.

PREMIUM AMOUNTS

The premium due on each premium due date is the sum of the premium charges for the coverage then provided. Those charges are determined from the premium rates then in effect and the Employees [and Dependents] then covered.

Premium payments may be determined in another way. But it must produce about the same amounts and be agreed to by the Policyholder and [Carrier].

The following will apply if one or more premiums paid include premium charges for an Employee [and/or Dependent] whose coverage has ended before the due date of that premium. [Carrier] will not have to refund more than [the amount of a. minus b.:

b. The amount of any claims paid to an Employee for the Employee's claims [or to a member of the Employee's family unit] after that person's coverage has ended.]

PAYMENT OF PREMIUMS—GRACE PERIOD

Premiums are to be paid by the Policyholder to [Carrier]. Each may be paid at a [Carrier's] office [or to one of its authorized agents]. One is due on each premium due date stated on the first page of this Policy. The Policyholder may pay each premium other than the first within 31 days of the premium due date without being charged interest. Those days are known as the grace period. The Policyholder is liable to pay premiums to [Carrier] for the time this Policy is in force. Premiums unpaid after the end of the grace period are subject to a late payment interest charge determined as a percentage of the amount unpaid. That percentage will be determined by [Carrier] from time to time, but will not be more than the maximum allowed by law.

PREMIUM RATE CHANGES

The premium rates in effect on the Effective Date as shown in this Policy's Schedule. [Carrier] has the right to change premium rates as of any of these dates:

a. Any premium due date.
b. Any date that an Employer becomes, or ceases to be, an Affiliated Company.
c. Any date that the extent or nature of the risk under this Policy is changed:
   - by amendment or this Policy; or
   - by reason of any provision of law or any government program or regulation; or
   - if this Policy supplements or coordinates with benefits provided by an other insurer, non-profit hospital or medical service plan, or health maintenance organization, on any date [Carrier's] obligation under this Policy is changed because of a change in such other benefits.
d. At the discovery of a clerical error or misstatement as described below.

[Carrier] will give the Policyholder 30 days advance written notice when a change in the premium rates is made.

PARTICIPATION REQUIREMENTS

If this Policy provides coverage on a Non-contributory basis (the Policyholder pays the entire premium), [75%] of the Employees eligible for insurance must be enrolled for coverage. [If Dependent coverage is provided on a Non-contributory basis, [75%] of the Employees eligible for Dependent coverage must enroll their eligible Dependents.] (If an eligible Employee is not covered by this Policy because:

a. the Employee is covered as a Dependent under a spouse's coverage; or
b. the Employee is covered under any Health Benefits Plan offered by the Policyholder,

[Carrier] will count this person as being covered by this Policy for the purposes of satisfying participation requirements.)

If this Policy provides coverage on a Contributory basis (the Employee pays part of the premium), [75%] of the Employees eligible for insurance must be enrolled for coverage. [If Dependent coverage is provided on a Contributory basis, [75%] of the Employees eligible for Dependent coverage must enroll their eligible Dependents.] (If an eligible Employee is not covered by this Policy because:

a. the Employee is covered as a Dependent under a spouse's coverage; or
b. the Employee is covered under any Health Benefits Plan offered by the Policyholder,

[Carrier] will count this person as being covered by this Policy for the purposes of satisfying participation requirements.)

CLERICAL ERROR—MISSTATEMENTS

Neither clerical error by the Policyholder, nor the [Carrier] in keeping any records pertaining to coverage under this Policy, nor delays in making entries thereon, will not invalidate coverage which would otherwise be in force, or continue coverage which would otherwise be validly terminated. However, upon discovery of such error or delay, an equitable adjustment of premiums will be made.

Premium adjustments involving return of unearned premium to the Policyholder will be limited to the period of 12 months preceding the date of [Carrier's] receipt of satisfactory evidence that such adjustments should be made.

If the age of an Employee, or any other relevant facts, are found to have been misstated, and the premiums are thereby affected, an equitable adjustment of premiums will be made. If such misstatement involves whether or not the person's coverage would have been accepted by [Carrier], subject to this Policy's **Incontestability** section, the true facts will be used in determining whether coverage is in force under the terms of this Policy.

TERMINATION OF THE POLICY–RENEWAL PRIVILEGE

[Carrier] has the right to cancel this Policy on any premium due date subject to 30 days advance written notice to the Policyholder for the following reasons:

a. During or at End of Grace Period–Failure to Pay Premiums: If any premium is not paid by the end of its grace period, this Policy will automatically end when that period ends. But the Policyholder may write to [Carrier], in advance, to ask that this Policy be ended at the end of the period for which premiums have been paid or at any time during the grace period. Then this Policy will end on the date requested. The Policyholder is liable to pay premiums to [Carrier] for the time this Policy is in force.
b. subject to the statutory notification requirements, [Carrier] ceases to do business in the small group market;
c. with respect to Contributory Policies, less than [75%] of the Employer's eligible Employees are covered by this Policy. (If an eligible Employee is not covered by this Policy because:
   1. the Employee is covered as a Dependent under a spouse's coverage; or
   2. the Employee is covered under any Health Benefits Plan offered by the Policyholder,

[Carrier] will count that Employee as being covered by this Policy for purposes of satisfying participation requirements); or

d. with respect to Non-contributory Policies, less than [75%] of the Employer's eligible Employees are covered by this Policy. (If an eligible Employee is not covered by this Policy because:
   1. the Employee is covered as a Dependent under a spouse's coverage; or
   2. the Employee is covered under any Health Benefits Plan offered by the Policyholder,

[Carrier] will count that Employee as being covered by this Policy for purposes of satisfying participation requirements.)

Immediate cancellation will occur if the Policyholder commits fraudulent acts or makes misrepresentations with respect to coverage of eligible Employees [or Dependents] or status as a Small Employer.

This Policy is issued for a term of one (1) year from the Effective Date shown in the first page of this Policy. All Policy Years and Policy Months will be calculated from the Effective Date. All periods of insurance hereunder will begin and end at 12:01 a.m. Eastern Standard Time at the Policyholder's place of business.

The Policyholder may renew this Policy for a further term of one (1) year, on the first and each subsequent Policy Anniversary. All renewals are subject to the payment of premiums then due, computed as provided in this Policy's **Premium Amounts** section.

However, [Carrier] has the right to non-renew this Policy on any Policy Anniversary if the Policyholder is no longer a Small Employer in accordance with the laws in the State of New Jersey.

The Employer must certify to [Carrier] the Employer's status as a Small Employer every year. Certification must be given to [Carrier] within 10 days of the date [Carrier] requests it. If Employer fails to do this, [Carrier] retains the right to take the action described above as of the Employer's Policy Anniversary.

[DIVIDENDS

[Carrier] will determine the share, if any, of its divisible surplus allocable to this Policy as of each Policy Anniversary, if this Policy stays in force by the payment of all premiums to that date. The share will be credited to this Policy as a dividend as of that date.

Each dividend will be paid to the Policyholder in cash unless the Policyholder asks that it be applied toward the premium then due or future premiums due.

[Carrier's] sole liability as to any dividend is as set forth above.

If the aggregate dividends under this Policy and any other policy(ies) of the Policyholder exceed the aggregate payments towards their cost made from the Employer's own funds, the Policyholder will see that an amount equal to the excess is applied for the benefit of Covered Persons.]

EMPLOYEE'S CERTIFICATE

[Carrier] will give the Policyholder an individual certificate of coverage to give each covered Employee. It will describe the Employee's coverage under this Policy. It will include:

(1) to whom [Carrier] pays benefits,
(2) any protection and rights when the coverage ends and
(3) claim rights and requirements.

In the event this Policy is amended, and such amendment affects the material contained in the certificate of coverage, a rider or revised certificate reflecting such amendment will be issued to the Policyholder for delivery to affected Employees.

OFFSET

[Carrier] reserves the right, before paying benefits to a Covered Person, to use the amount of payment due to offset a claims payment previously made in error.

CONTINUING RIGHTS

[Carrier's] failure to apply terms or conditions does not mean that [Carrier] waives or gives up any future rights under this Policy.

ASSIGNMENT BY POLICYHOLDER

Assignment or transfer of the interest of the Policyholder under this Policy will not bind [Carrier] without [Carrier's] written consent thereto.

CONFORMITY WITH LAW

Any provision of this Policy which, on its Effective Date, is in conflict with the statutes of the state in which the Covered Person resides, or with Federal law, is hereby amended to conform to the minimum requirements of such State law or Federal law.

The Policyholder may correct wrong data given to [Carrier], if [Carrier] has not been harmed by acting on it. A person's coverage under this Policy will not be made invalid by failure of the Policyholder or the Employer, due to clerical error, to record or report the Employee for coverage.

[Carrier] will also not cover any technology or any hospitalization primarily to receive such technology if such technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of a particular condition.

[Carrier] will apply the following five criteria in determining whether services or supplies are Experimental or Investigational:

a. Any medical device, drug, or biological product must have received final approval to market by the FDA for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug or biological product for another diagnosis or condition will require that one or more of the following established reference compendia:
   1. The American Medical Association Drug Evaluations;
   2. The American Hospital Formulary Service Drug Information; or
   3. The United States Pharmacopeia Drug Information

   recognize the usage as appropriate medical treatment. As an alternative to such recognition in one or more of the compendia, the usage of the drug will be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests will not be considered Experimental or Investigational.

In any event, any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered Experimental or Investigational.

b. Conclusive evidence from the published peer-reviewed medical literature must exist that the technology has a definite positive effect on health outcomes; such evidence must include well-designed investigations that have been reproduced by non affiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;
c. Demonstrated evidence as reflected in the published peer-reviewed medical literature must exist that over time the technology leads to improvement in health outcomes, i.e., the beneficial effects outweigh any harmful effects;
d. Proof as reflected in the published peer-reviewed medical literature must exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and

e. Proof as reflected in the published peer-reviewed medical literature must exist that improvements in health outcomes; as defined item c. above, is possible in standard conditions of medical practice, outside clinical investigatory settings.

EMPLOYEE COVERAGE

Eligible Employees

For purposes of this Policy, [Carrier] will treat partners, proprietors and independent contractors like Employees if they meet this Policy's **Conditions of Eligibility.**

Conditions of Eligibility

Full–Time Requirement

[Carrier] will not insure an Employee unless the Employee is an Actively at Work Full–Time Employee.

Enrollment Requirement

[Carrier] will not insure the Employee until the Employee enrolls and agrees to make the required payments, if any. If the Employee does this within [30] days of the Employee's Eligibility Date, coverage is scheduled to start on the Employee's Eligibility Date.

If the Employee enrolls and agrees to make the required payments, if any:

a. more than [30] days after the Employee's Eligibility Date; or
b. after the Employee previously had coverage which ended because the Employee failed to make a required payment,

[Carrier] will consider the Employee to be a Late Enrollee. Late Enrollees are subject to this Policy's Pre–Existing Conditions limitation.

However, if an Employee initially waived coverage under this Policy, and the Employee stated at that time that such waiver was because he or she was covered under another

group plan, and Employee now elects to enroll under this Policy, [Carrier] will not consider the Employee to be a Late Enrollee, provided the coverage under the other plan ends due to one of the following events:

Employees in an eligible class on the Effective Date, who have completed at least [6] months of continuous Full–Time service with the Employer by that date, are eligible for insurance under this Policy from the Effective Date.

Employees in an eligible class on the Effective Date, who have not completed at least [6] months of continuous Full–Time service with the Employer by that date, are eligible for insurance under this Policy from the day after Employees complete [6] months of continuous Full–Time service.

Employees who enter an eligible class after the Effective Date are eligible for insurance under this Policy from the day after Employees complete [6] months of continuous Full–Time service with the Employer.]

Multiple Employment

If an Employee works for both the Policyholder and a covered Affiliated Company, or for more than one covered Affiliated Company, [Carrier] will treat the Employee as if only one firm Employs the Employee. And such an Employee will not have multiple coverage under this Policy. But, if this Policy uses the amount of an Employee's earnings to set the rates, determine class, figure benefit amounts, or for any other reason, such Employee's earnings will be figured as the sum of his or her earnings from all covered Employers.

When Employee Coverage Starts

An Employee must be Actively at Work, and working his or her regular number of hours, on the date his or her coverage is scheduled to start. And he or she must have met all the conditions of eligibility, which apply to him or her. If an Employee is not Actively at Work on the scheduled Effective Date, [Carrier] will postpone the start of his or her coverage until he or she returns to Active Work.

Sometimes, a scheduled Effective Date is not a regularly scheduled work day. But an Employee's coverage will start on that date if he or she was Actively at Work, and working his or her regular number of hours, on his or her last regularly scheduled work day.

The Employee must elect to enroll and agree to make the required payments, if any, within [30] days of the Employee's Eligibility Date. If he or she does this within [30] days of the Employee's Eligibility Date, his or her coverage is scheduled to start on the Employee's Eligibility Date. Such Employee's Eligibility Date is the scheduled Effective Date of an Employee's coverage.

a. [the date] an Employee ceases to be an Actively at Work Full–Time Employee for any reason. Such reasons include disability, death, retirement, lay-off, leave of absence, and the end of employment.
b. [the date] an Employee stops being an eligible Employee under this Policy.
c. the date this Policy ends, or is discontinued for a class of Employees to which the Employee belongs.
d. the last day of the period for which required payments are made for the Employee.

Also, an Employee may have the right to continue certain group benefits for a limited time after his or her coverage would otherwise end. This Policy's benefits provisions explain these situations. Read this Policy's provisions carefully.

[DEPENDENT COVERAGE

Eligible Dependents for Dependent Health Benefits

An Employee's eligible Dependents are the Employees:

a. legal spouse;
b. unmarried Dependent children who are under age 19; and
c. unmarried Dependent children, from age 19 until their 23rd birthday, who are enrolled as full-time students at accredited schools. Full–time students will be as defined by the accredited school.

A Dependent is not a person who is:

a. on active duty in any armed forces of any country; or
b. insured for coverage under this Policy as an Employee.

Under certain circumstances, an incapacitated child is also a Dependent. See the **Incapacitated Children** section of this Policy.

An Employee's "unmarried Dependent child" includes:

a. his or her legally adopted children,
b. his or her step-children if such step children depend on the Employee for most of their support and maintenance, and
c. children under a court appointed guardianship.

[Carrier] treats a child as legally adopted from the time the child is placed in the home for purpose of adoption. [Carrier] treats such a child this way whether or not a final adoption order is ever issued.

Incapacitated Children

An Employee may have an unmarried child with a mental or physical incapacity, or developmental disability, who is incapable of earning a living. Subject to all of the terms of this section and this Policy, such a child may stay eligible for Dependent health benefits past this Policy's age limit.

The child will stay eligible as long as the child stays unmarried and incapable of earning a living, if:

a. the child's condition started before he or she reached this Policy's age limit;
b. the child became insured by this Policy or any other policy before the child reached the age limit, and stayed continuously insured after reaching such limit; and
c. the child depends on the Employee for most of his or her support and maintenance.

But, for the child to stay eligible, the Employee must send [Carrier] written proof that the child is incapacitated and depends on the Employee for most of his or her support and maintenance. The Employee has 31 days from the date the child reaches the age limit to do this. [Carrier] can ask for periodic proof that the child's condition continues. But, after two years, [Carrier] cannot ask for this more than once a year.

The child's coverage ends when the Employee's does.

Enrollment Requirement

An Employee must enroll his or her eligible Dependents in order for them to be covered under this Policy. [Carrier] considers an eligible Dependent to be a Late Enrollee, if the Employee:

a. enrolls a Dependent and agrees to make the required payments more than [30] days after the Dependent's Eligibility Date;
b. in the case of a Newly Acquired Dependent, other than the first newborn child, has other eligible Dependents who the Employee has not elected to enroll; or
c. in the case of a Newly Acquired Dependent, has other eligible Dependents whose coverage previously ended because the Employee failed to make the required contributions, or otherwise chose to end such coverage.

Late Enrollees are subject to this Policy's Pre–Existing Conditions limitations section, if any applies.

If the Employee's dependent coverage ends for any reason, including failure to make the required payments, his or her Dependents will be considered Late Enrollees when their coverage begins again.

However, if the Employee previously waived coverage for the Employee's spouse or eligible Dependent children under this Policy and stated at that time that such waiver was because they were covered under another group plan, and the Employee now elects to enroll them in this Policy, the Dependent will not be considered a Late Enrollee, provided the Dependent's coverage under the other plan ends due to one of the following events:

a. termination of employment;
b. divorce;
c. death of the Employee's spouse; or
d. termination of the other plan's coverage.

But, the Employee's spouse or eligible Dependent children must be enrolled by the Employee within 90 days of the date that any of the events described above occur. Coverage will take effect as of the date one of the above events occurs.

And, [Carrier] will not consider an Employee's spouse or eligible Dependent children for which the Employee initially waived coverage under this Policy, to be a Late Enrollee, if:

a. the Employee is under legal obligation to provide coverage due to a court order; and
b. the Employee's spouse or eligible Dependent children are enrolled by the Employee within 30 days of the issuance of the court order.

Coverage will take effect as of the date required pursuant to a court order.

When Dependent Coverage Starts

In order for an Employee's dependent coverage to begin the Employee must already be insured for Employee coverage or enroll for Employee and Dependent coverage at the same time. Subject to the exception stated below and to all of the terms of this Policy, the date an Employee's dependent coverage starts depends on when the Employee elects to enroll the Employee's Initial Dependents and agrees to make any required payments.

If the Employee does this within [30] days of the Dependent's Eligibility Date, the Dependent's Coverage is scheduled to start on the later of:

a. the Dependent's Eligibility Date, or
b. the date the Employee becomes insured for Employee coverage.

If the Employee does this more than [30] days after the Dependent's Eligibility Date, [Carrier] will consider the Dependent a Late Enrollee. Coverage is scheduled to start on the later of:

a. the date the Employee signs the enrollment form; or
b. the date the Employee becomes insured for Employee coverage.

Once an Employee has dependent coverage for Initial Dependents, the Employee must notify [Carrier] of a Newly Acquired Dependent within [30] days after the Dependent's Eligibility Date. If the Employee does not, the Newly Acquired Dependent is a Late Enrollee.

A Newly Acquired Dependent other than a newborn child will be covered from the later of:

a. the date the Employee notifies [Carrier] and agrees to make any additional payments, or
b. the Dependent's Eligibility Date for the newly Acquired Dependent.

Exception: If a Dependent, other than a newborn child, is confined to a Hospital or other health care Facility; or is home confined on the date the Employee's Dependent health benefits would otherwise start, [Carrier] will postpone the Effective Date of such benefits until the later of: the day after the Dependent's discharge from such Facility or until home confinement ends.

Newborn Children

[Carrier] will cover an Employee's newborn child for 31 days from the date of birth. Health benefits may be continued beyond such 31 day period as stated below:

a. If the Employee is already covered for Dependent child coverage on the date the child is born, coverage automatically continues beyond the initial 31 days, provided the premium required for Dependent child coverage continues to be paid.
b. If the Employee is not covered for Dependent child coverage on the date the child is born, the Employee must:
   - make written request to enroll the newborn child; and
   - pay the premium required for Dependent child coverage within 31 days after the date of birth.

If the request is not made and the premium is not paid within such 31 day period, the newborn child will be a Late Enrollee.

When Dependent Coverage Ends:

A Dependent's insurance under this Policy will end on the first of the following dates:

a. [the date] Employee coverage ends;
b. the date the Employee stops being a member of a class of Employees eligible for such coverage;
c. the date this Policy ends;
d. the date Dependent coverage is terminated from this Policy for all Employees or for an Employee's class.
e. the date an Employee fails to pay any required part of the cost of Dependent coverage. It ends on the last day of the period for which the Employee made the required payments, unless coverage ends earlier for other reasons.
f. at 12:01 a.m. on the date the Dependent stops being an eligible Dependent.

Read this Policy carefully if Dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And divorced spouses have conversion rights.]

PREFERRED PROVIDER ORGANIZATION PROVISIONS

The Employer XYZ Health Care Network, and the [Carrier]

This Policy encourages a Covered Person to use services provided by members of [XYZ Health Care Network a Preferred Provider Organization (PPO).] A PPO is a network of health care providers located in the Covered Person's geographical area. In addition to an identification card, the Covered Person will periodically be given up-to-date lists of [XYZ Health Care Network] preferred providers.

Use of the network is strictly voluntary, but [Carrier] generally pays a higher level of benefits for most covered services and supplies furnished to a Covered Person by [XYZ Health Care Network]. Conversely, [Carrier] generally pays a lower level of benefits when covered services and supplies are not furnished by [XYZ Health Care Network] (even if an [XYZ Health Care Network] Practitioner orders the services and supplies). Of course, a Covered Person is always free to be treated by any Practitioner or Facility. And, he or she is free to change Practitioners or Facilities at any time.

A Covered Person may use any [XYZ Health Care Network] Provider. He or she just presents his or her [XYZ Health Care Network] identification card to the [XYZ Health Care Network] Practitioner or Facility furnishing covered services or supplies. Most [XYZ Health Care Network] Practitioners and Facilities will prepare any necessary claim forms for him or her, and submit the forms to [Carrier]. The Covered Person will receive an explanation of any insurance payments made by this Policy. And if there is any balance due, the [XYZ Health Care Network] Practitioner or Facility will bill him or her directly.

This Policy also has utilization review features. See the **Utilization Review Features** section for details.

What [Carrier] pays is subject to all the terms of this Policy. The Employee should read his or her certificate carefully and keep it available when consulting a Practitioner.

See the Schedule for specific benefit levels, payment rates and payment limits.

If an Employee has any questions after reading his or her Certificate, he or she should call [Carrier] [Group Claim Office at the number shown on his or her identification card.]

[**Note:** Used only if coverage is offered as a PPO.]

POINT OF SERVICE PROVISIONS

Definitions

a. ***Primary Care Practitioner*** (PCP) means the Practitioner the Covered Person selects to supervise and coordinate his or her health care in the [XYZ] Provider Organization. [Carrier] will supply a list of PCPs who are members of the [XYZ] Provider Organization to the Covered Person.

b. ***Provider Organization*** (PO) means a network of health care Providers located in a Covered Person's Service Area.

c. ***Network Benefits*** mean the benefits shown in the Schedule which are provided if the Primary Care Practitioner provides care, treatment, services, and supplies to the Covered Person or if the Primary Care Practitioner refers the Covered Person to another Provider for such care, treatment, services, and supplies.

d. ***Out-Network Benefits*** means the benefits shown in the Schedule which are provided if the Primary Care Practitioner does not authorize the care, treatment, services, and supplies.

e. ***Service Area*** means the geographical area which is served by the Practitioners in the [XYZ] Provider Organization.

Provider Organization (PO)

The Provider Organization for this Policy is the [XYZ] Provider Organization. This Policy requires that the Covered Person uses the services of a PCP, or be referred for services by a PCP, in order to receive Network Benefits.

The Primary Care Practitioner (PCP)

The PCP will supervise and coordinate the Covered Person's health care in the [XYZ] PO. The PCP must authorize all services and supplies. In addition, he or she will refer the Covered Person to the appropriate Practitioner and Facility when Medically Necessary and Appropriate. The Covered Person must obtain an authorized referral from his or her PCP before he or she visits another Practitioner or Facility. Except in case of a Medical Emergency, if the Covered Person does not comply with these requirements, he or she may only be eligible for Out–Network Benefits.

[Carrier] provides Network Benefits for covered services and supplies furnished to a Covered Person when authorized by his or her PCP. [Carrier] pays Out–Network Benefits when covered services and supplies are not authorized by the PCP. If services or supplies are obtained from [XYZ] Providers, but they are not authorized by the PCP, the Covered Person may only be eligible for Out–Network Benefits.

A Covered Person may change his or her PCP to another PCP [once per month]. He or she may select another PCP from the list of Practitioners, and notify [XYZ] PO by [phone or in writing].

When a Covered Person uses the services of a PCP, he or she must present his or her ID card and pay the Co–Payment. When a Covered Person's PCP refers him or her to another [XYZ] PO Provider, the Covered Person must pay the Co–Payment to such Provider. [Most [XYZ] PO Practitioners will prepare any necessary claim forms and submit them to [Carrier].]

A female Covered Person may use the services of a [XYZ] PO gynecologist for non-surgical gynecological care and routine pregnancy care without referral from her PCP. She must obtain authorization from her PCP for other services.

Out–Network Services

If a Covered Person uses the services of a Provider without having been referred by his or her PCP, he or she will not be eligible for Network Benefits. For services which have not been referred by the Covered Person's PCP, whether provided by an [XYZ] PO Provider or otherwise, the Covered Person may only be eligible for Out–Network Benefits.

Emergency Services

If a Covered Person requires services for a Medical Emergency which occurs inside the PO Service Area, he or she must notify and obtain authorization from his or her PCP within 48 hours or as soon as reasonably possible thereafter.

Emergency room visits to PO Facilities are subject to a Co–Payment, and such visits must be retrospectively reviewed [by the PCP]. [Carrier] will waive the emergency room Co–Payment if the Covered Person is hospitalized within 24 hours of the visit.

If a Covered Person requires services for a Medical Emergency outside the PO Service Area, the PCP must be notified within 48 hours or as soon as reasonably possible thereafter. Follow-up care is limited to the medical care necessary before the Covered Person can return to the PO Service Area.

Utilization Review

This Policy has utilization features. See the **Utilization Review Features** section of this Policy.

Benefits

The Schedule shows Network Benefits, Out–Network Benefits, and Co–Payments applicable to the Point of Service arrangement.

What [Carrier] pays is subject to all the terms of this Policy.

[**Note:** Used only if coverage is offered as POS.]

[Grievance Procedure: Carrier may elect to include a grievance procedure when the plans are issued including Preferred Provider Organization of Point of Service Provisions. If a Carrier has had a Selective Contracting Arrangement approved by the New Jersey Departments of Insurance and Health it may include that approved Grievance Procedure language in the standard SEH forms.]

HEALTH BENEFITS INSURANCE

This health benefits insurance will pay many of the medical expenses incurred by a Covered Person.

Note: [Carrier] payments will be reduced or limited if a Covered Person does not comply with the Utilization Review and Pre–Approval requirements contained in this Policy.

BENEFIT PROVISION

The Cash Deductible

Each Calendar Year, each Covered Person must have Covered Charges that exceed the Cash Deductible before [Carrier] pays any benefits to that person. The Cash Deductible is shown in the Schedule. The Cash Deductible cannot be met with Non–Covered Charges. Only Covered Charges incurred by the Covered Person while insured by this Policy can be used to meet this Cash Deductible.

Once the Cash Deductible is met, [Carrier] pays benefits for other Covered Charges above the Cash Deductible incurred by that Covered Person, less any applicable Co–Insurance or Co–Payments, for the rest of that Calendar Year. But all charges must be incurred while that Covered Person is insured by this Policy. And what [Carrier] pays is based on all the terms of this Policy.

[**Family Deductible Limit**

This Policy has a family deductible limit of two Cash Deductibles for each Calendar Year. Once two Covered Persons in a family meet their individual Cash Deductibles in a Calendar Year, [Carrier] pays benefits for other Covered Charges incurred by any member of the covered family, less any applicable Co–Insurance or Co–Payments, for the rest of that Calendar Year. What [Carrier] pays is based on all the terms of this Policy.]

[**Per Covered Family**

The Per Covered Family Calendar Year Cash Deductible is shown in the Schedule. Once three or more Covered Persons in a family have incurred a combined total of Covered Charges toward their Per Covered Person Cash Deductible equal to the Per Covered Family Cash Deductible, each Covered Person in that family will be considered to have met his or her Per Covered Person Cash Deductible for the rest of that Calendar Year. The Covered Charges that each Covered Person in a family may use toward the Per Covered Family Cash Deductible may not exceed the amount of the Per Covered Person Cash Deductible.]

[**Co–Insurance Cap**

This Policy limits Co–Insurance amounts each Calendar Year except as stated below. The Co–Insurance Cap cannot be met with

a. Non–Covered Charges;
b. Cash Deductibles;
c. Co–Insurance for the treatment of Mental and Nervous Conditions and Substance Abuse; and
d. Co–Payments.

There are Co–Insurance Caps for:

a. each Covered Person; and
b. each Covered Family.

The Co–Insurance Caps are shown in the Schedule.

Each Covered Person's Co–Insurance amounts are used to meet his or her own Co–Insurance Cap. But, all amounts used to meet the cap must actually be paid by a Covered Person out of his or her own pocket.

[Once the Covered Person's Co–Insurance amounts in a Calendar Year exceed the individual cap, [Carrier] will waive his or her Co–Insurance for the rest of that Calendar Year.]

[Once three or more Covered Persons in a family have incurred a combined total of Covered Charges toward their Per Covered Person Co–Insurance Caps equal to the Per Covered Family Co–Insurance Cap, each Covered Person in that family will be considered to have met his or her Per Covered Person Co–Insurance Cap for the rest of that Calendar Year.]

Exception: Charges for Mental and Nervous Conditions and Substance Abuse treatment are not subject to or eligible for the Co–Insurance Cap.]

[Coinsured Charge Limit

The Coinsured Charge Limit is the amount of Covered Charges a Covered Person must incur each Calendar Year before no Co–Insurance is required, except as stated below.

Exception: Charges for Mental and Nervous Conditions, and Substance Abuse Treatment are not subject to or eligible for the Coinsured Charge Limit.]

Payment Limits

[Carrier] limits what [Carrier] will pay for certain types of charges. [Carrier] also limits what [Carrier] will pay for all Illness or Injuries for each Covered Person's Per Lifetime. See the Schedule for these limits.

Benefits From Other Plans

The benefits [Carrier] will pay may be affected by a Covered Person being covered by two or more plans or policies. Read the provision **Coordination of Benefits** to see how this works.

The benefits [Carrier] will pay may also be affected by Medicare. Read the **Medicare as Secondary Payor** section for an explanation of how this works.

If This Plan Replaces Another Plan

The Employer who purchased this Policy may have purchased it to replace a plan the Employer had with some other insurer.

The Covered Person may have incurred charges for covered expenses under the Employer's old plan before it ended. If so, these charges will be used to meet this Policy's Cash Deductible if:

a. the charges were incurred during the Calendar Year in which this Policy starts;
b. this Policy would have paid benefits for the charges, if this Policy had been in effect;
c. The Covered Person was covered by the old plan when it ended and enrolled in this Policy on its Effective Date; and
d. this Policy starts right after the old plan ends.

The Covered Person may have satisfied part of the eligibility waiting period under the Employer's old plan before it ended. If so, the time satisfied will be used to satisfy this Policy's eligibility waiting period if:

a. the Employee was employed by the Employer on the date the Employer's old plan ended; and
b. this Policy starts right after the old plan ends.

Extended Health Benefits

If this Policy ends, and a Covered Person is Totally Disabled on such date, and under a Practitioner's care, [Carrier] will extend health benefits for that person under this Policy as explained below. This is done at no cost to the Covered Person.

[Carrier] will only extend benefits for Covered Charges due to the disabling condition. The charges must be incurred before the extension ends. And what [Carrier] will pay is based on all the terms of this Policy.

[Carrier] does not pay for charges due to other conditions. And [Carrier] does not pay for charges incurred by other covered family members.

The extension ends on the earliest of:

a. the date the Total Disability ends; or
b. one year from the date the person's insurance under this Policy ends; or
c. the date the person has reached the payment limit for his or her disabling condition.

The Employee must submit evidence to [Carrier] that he or she or his or her Dependent is Totally Disabled, if [Carrier] requests it.

Extended Care or Rehabilitation Charges

Subject to [Carrier's] Pre–Approval [Carrier] covers charges up to the daily room and board limit for room and board and Routine Nursing Care shown in the Schedule, provided to a Covered Person on an Inpatient basis in an Extended Care Center or Rehabilitation Center. Charges above the daily room and board limit are a Non–Covered Charge.

And [Carrier] covers all other Medically Necessary and Appropriate services and supplies provided to a Covered Person during the confinement. But the confinement must:

a. start within 14 days of a Hospital stay; and
b. be due to the same or a related condition that necessitated the Hospital stay.

Coverage for Extended Care and Rehabilitation, combined, is limited to the first 120 days of confinement in each Calendar year. Charges for any additional days are a Non–Covered Charge.

But [Carrier] limits what [Carrier] will pay for the treatment of Mental and Nervous Conditions and Substance Abuse. See the **Charges Covered With Special Limitations** section of this Policy.

Extended Care or Rehabilitation charges which are not Pre–Approved by [Carrier] are Non–Covered Charges.

a. an active, covered Employee;

b. the spouse of an active, covered Employee; or

c. the Dependent child of an active, covered Employee. Any person who becomes covered under this Policy during a continuation provided by this section is not qualified continuee.

If An Employee's Group Health Benefits Ends

If an Employee's group health benefits end due to his or her termination of employment or reduction of work hours, he or she may elect to continue such benefits for up to 18 months, if:

a. he or she was not terminated due to gross misconduct; and

b. he or she is not entitled to Medicare.

The continuation:

a. may cover the Employee and any other qualified continuee; and

b. is subject to the **When Continuation Ends** section.

Extra Continuation for Disabled Qualified Continuees

If a qualified continuee is determined to be disabled under Title II or Title XVI of the United States Social Security Act on the date his or her group health benefits would otherwise end due to the Employee's termination of employment or reduction of work hours, he or she may elect to extend his or her 18 month continuation period above for up to an extra 11 months.

To elect the extra 11 months of continuation, the qualified continuee must give the Employer written proof of Social Security's determination of his or her disability before the earlier of:

a. the end of the 18 month continuation period; and

b. 60 days after the date the qualified continuee is determined to be disabled.

If, during this extra 11 month continuation period, the qualified continuee is determined to be no longer disabled under the Social Security Act, he or she must notify the Employer within 30 days of such determination, and continuation will end, as explained in the **When Continuation Ends** section.

An additional 50% of the total premium charge also may be required from the qualified continuee by the Employer during this extra 11 month continuation period.

If An Employee Dies While Insured

If an Employee dies while insured, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the **When Continuation Ends** section.

If An Employee's Marriage Ends

If an Employee's marriage ends due to legal divorce or legal separation, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the **When Continuation Ends** section.

If A Dependent Loses Eligibility

If a Dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in this Policy, other than the Employee's coverage ending, he or she may elect to continue such benefits. However, such Dependent child must be a qualified continuee. The continuation can last for up to 36 months, subject to **When Continuation Ends.**

Concurrent Continuations

If a Dependent elects to continue his or her group health benefits due to the Employee's termination of employment or reduction of work hours, the Dependent may elect to extend his or her 18 month continuation period to up to 36 months, if during the 18 month continuation period, either:

a. the Dependent becomes eligible for 36 months of group health benefits due to any of the reasons stated above; or

b. the Employee becomes entitled to Medicare.

The 36 month continuation period starts on the date the 18 month continuation period started, and the two continuation periods will be deemed to have run concurrently.

The Qualified Continuee's Responsibilities

A person eligible for continuation under this section must notify the Employer, in writing, of:

a. the legal divorce or legal separation of the Employee from his or her spouse; or

b. the loss of dependent eligibility, as defined in this Policy, of an insured Dependent child.

Such notice must be given to the Employer within 60 days of either of these events.

The Employer's Responsibilities

The Employer must notify the qualified continuee, in writing, of:

a. his right to continue this Policy's group health benefits;

b. the monthly premium he or she must pay to continue such benefits; and
c. the times and manner in which such monthly payments must be made.

Such written notice must be given to the qualified continuee within 14 days of:

a. the date a qualified continuee's group health benefits would otherwise end due to the Employee's death or the Employee's termination of employment or reduction of work hours; or
b. the date a qualified continuee notifies the Employer, in writing, of the Employee's legal divorce or legal separation from his or her spouse, or the loss of dependent eligibility of an insured Dependent child.

The Employer's Liability

The Employer will be liable for the qualified continuee's continued group health benefits to the same extent as, and in place of, [Carrier], if:

a. the Employer fails to remit a qualified continuee's timely premium payment to [Carrier] on time, thereby causing the qualified continuee's continued group health benefits to end; or
b. the Employer fails to notify the qualified continuee of his or her continuation rights, as described above.

Election of Continuation

To continue his or her group health benefits, the qualified continuee must give the Employer written notice that he or she elects to continue. This must be done within 60 days of the date a qualified continuee receives notice of his or her continuation rights from the Employer as described above. And the qualified continuee must pay the first month's premium in a timely manner.

The subsequent premiums must be paid to the Employer, by the qualified continuee, in advance, at the times and in the manner specified by the Employer. No further notice of when premiums are due will be given.

The monthly premium will be the total rate which would have been charged for the group health benefits had the qualified continuee stayed insured under this Policy on a regular basis. It includes any amount that would have been paid by the Employer. Except as explained in the **Extra Continuation for Disabled Qualified Continuees** section, an additional charge of two percent of the total premium charge may also be required by the Employer.

If the qualified continuee fails to give the Employer notice of his or her intent to continue, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

Grace in Payment of Premiums

A qualified continuee's premium payment is timely if, with respect to the first payment after the qualified continuee elects to continue, such payment is made no later than 45 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the specified date.

When Continuation Ends

A qualified continuee's continued group health benefits end on the first of the following:

a. with respect to continuation upon the Employee's termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;
b. with respect to a disabled qualified continuee who has elected an additional 11 months of continuation, the earlier of:
   - the end of the 29 month period which starts on the date the group health benefits would otherwise end; or
   - the first day of the month which coincides with or next follows the date which is 30 days after the date on which a final determination is made that a disabled qualified continuee is no longer disabled under Title II or Title XVI of the United States Social Security Act.
c. with respect to continuation upon the Employee's death, the Employee's legal divorce or legal separation, or the end of an insured Dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
d. with respect to a Dependent whose continuation is extended due to the Employee's entitlement to Medicare, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
e. the date this Policy ends;
f. the end of the period for which the last premium payment is made;
g. the date he or she becomes covered under any other group health plan which contains no limitation or exclusion with respect to any Pre-Existing Condition of the qualified continuee;
h. the date he or she becomes entitled to Medicare.

A divorced spouse whose continued health benefits end as described above may elect to convert some of these benefits to an individual insurance policy. Read this policy's **Conversion Rights for Divorced Spouses** section for details.

NEW JERSEY GROUP CONTINUATION RIGHTS

If An Employee's Group Benefits End

If an Employee's health coverage ends due to termination of employment for a reason other than for cause, or reduction of work hours to below 25 hours per week, he or she may elect to continue such benefits for up to 12 months, subject to the **When Continuation Ends** section. At the Employee's option, he or she may elect to continue health coverage for any of his or her then insured Dependents whose coverage would otherwise end at this time. In order to continue health coverage for his or her Dependents, the Employee must elect to continue health coverage for himself or herself.

What The Employee Must Do

To continue his or her health coverage, the Employee must send a written request to the Employer within 30 days of the date of termination of employment or reduction of work hours. The Employee must also pay the first month's premium. The first premium payment must be made within 30 days of the date the Employee elects continuation.

The subsequent premiums must be paid to the Employer, by the Employee, in advance, at the times and in the manner [Carrier] specifies.

The monthly premium will be the total rate which would have been charged for the small group benefits had the Employee stayed insured under this Policy on a regular basis. It includes any amount that the Employer would have paid. And an additional charge of 2% of the total premium may be charged for the continued coverage.

If an Employee fails to give the Employer notice that he or she elects to continue, or fails to make any premium payment in a timely manner, he or she waives his or her continuation rights. All premium payments, except the first, will be considered timely if they are made within 31 days of the specified due dates.

The Continued Coverage

The Employee's continued coverage will be identical to the coverage he or she had when covered under this Policy on a regular basis. Any modifications made under this Policy will apply to similarly situated continuees. [Carrier] does not ask for proof of insurability in order for an Employee to continue.

When Continuation Ends

A Covered Person's continued health coverage ends on the first of the following:

a. the date which is 12 months from the date the small group benefits would otherwise end;
b. the date the Covered Person becomes eligible for Medicare;
c. the end of the period for which the last premium payment is made;
d. the date the Covered Person becomes covered under another group health benefits plan which contains no limitation or exclusion with respect to any Pre–Existing Condition of the Covered Person;
e. with respect to a Covered Person who becomes covered under another group health benefits plan which contains a limitation or exclusion with respect to a Pre–Existing Condition of the Covered Person, the date such limitation or exclusion ends;
f. the date the Employer no longer provides any health benefits plan for any of the Employer's Employees or their eligible Dependents; or
g. with respect to a Dependent, the date he or she is no longer an eligible Dependent as defined in this Policy.

A TOTALLY DISABLED EMPLOYEE'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS

If An Employee is Totally Disabled

An Employee who is Totally Disabled and whose group health benefits end because his or her active employment or membership in an eligible class ends due to that disability, can elect to continue his or her group health benefits. But he or she must have been insured by this Policy for at least three months immediately prior to the date his or her group health benefits ends. The continuation can cover the Employee, and at his or her option, his or her then insured Dependents.

How And When To Continue Coverage

To continue group health benefits, the Employee must give the Employer written notice that he or she elects to continue such benefits. And he or she must pay the first month's premium. This must be done within 31 days of the date his or her coverage under this Policy would otherwise end.

Subsequent premiums must be paid to the Employer monthly, in advance, at the times and in the manner specified by the Employer. The monthly premium the Employee must pay will be the total rate charged for an active Full–Time Employee, insured under this Policy on a regular basis, on the date each payment is due. It includes any amount which would have been paid by the Employer.

[Carrier] will consider the Employee's failure to give notice or to pay any required premium as a waiver of the Employee's continuation rights.

If the Employer fails, after the timely receipt of the Employee's payment, to pay [Carrier] on behalf of such Employee, thereby causing the Employee's coverage to end; then such Employer will be liable for the Employee's benefits, to the same extent as, and in place of, [Carrier].

When This Continuation Ends

These continued group health benefits end on the first of the following:

a. the end of the period for which the last payment is made, if the Employee stops paying;
b. the date the Covered Person becomes employed and eligible or covered for similar benefits by another group plan, whether it be an insured or uninsured plan;
c. the date this Policy ends or is amended to end for the class of Employees to which the Employee belonged; or
d. with respect to a Dependent, the date he or she stops being an eligible Dependent as defined in this Policy.

AN EMPLOYEE'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS DURING A FAMILY LEAVE OF ABSENCE

Important Notice

This section may not apply to an Employer's Policy. The Employee must contact his or her Employer to find out if:

- **the Employer must allow for a leave of absence under Federal law in which case;**
- **the section applies to the Employee.**

If An Employee's Group Health Coverage Ends

Group health coverage may end for an Employee because he or she ceases Full–Time work due to an approved leave of absence. Such leave of absence must have been granted to allow the Employee to care for a sick family member or after the birth or adoption of a child. If so, his or her group health benefits insurance will be continued. Dependents' insurance may also be continued. The Employee will be required to pay the same share of premium as before the leave of absence.

When Continuation Ends

Insurance may continue until the earliest of:

a. the date the Employee returns to Full-time work;
b. the end of a total leave period of 12 weeks in any 12 month period;
c. the date on which the Employee's coverage would have ended had the Employee not been on leave; or
d. the end of the period for which the premium has been paid.

[A DEPENDENT'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS

If an Employee dies, any of his or her Dependents who were insured under this Policy may elect to continue coverage. Subject to the payment of the required premium, coverage may be continued until the earlier of:

a. 180 days following the date of the Employee's death; or
b. the date the Dependent is no longer eligible under the terms of this Policy.]

[CONVERSION RIGHTS FOR DIVORCED SPOUSES

IF AN EMPLOYEE'S MARRIAGE ENDS

If an Employee's marriage ends by legal divorce or annulment, the group health benefits for his or her former spouse ends. The former spouse may convert to an individual major medical policy during the conversion period. The former spouse may insure under his or her individual policy any of his or her Dependent children who were insured under this Policy on the date the group health benefits ends. See exceptions below.

Exceptions

No former spouse may use this conversion right:

a. if he or she is eligible for Medicare; or
b. if it would cause him or her to be overinsured.

This may happen if the spouse is covered or eligible for coverage providing similar benefits provided by any other plan, insured or not insured. [Carrier] will determine if overinsurance exists using its standards for overinsurance.

HOW AND WHEN TO CONVERT

The conversion period means the 31 days after the date group health benefits ends. The former spouse must apply for the individual policy in writing and pay the first premium for such policy during the conversion period. Evidence of insurability will not be required.

THE CONVERTED POLICY

The individual policy will provide the major medical benefits that [Carrier] is required to offer in the state where the Employer is located.

The individual policy will take effect on the day after group health benefits under this Policy ends.

After group health benefits under this Policy ends, the former spouse and any children covered under the individual policy may still be paid benefits under this Policy. If so, benefits to be paid under the individual policy will be reduced by the amount paid under this Policy.]

EFFECT OF INTERACTION WITH A HEALTH MAINTENANCE ORGANIZATION PLAN

HEALTH MAINTENANCE ORGANIZATION ("HMO") means a prepaid alternative health care delivery system.

A Policyholder may offer its Employees HMO membership in lieu of the group health benefits insurance provided by this Policy. If the Employer does, the following provisions apply.

IF AN INSURED EMPLOYEE ELECTS HMO MEMBERSHIP

Date Group Health Benefits Insurance Ends

Insurance for an Employee and his or her Dependents will end on the date the Employee becomes an HMO member.

Benefits After Group Health Benefits Insurance Ends

When an Employee becomes an HMO member, the **Extended Health Benefits** section of this Policy will not apply to him or her and his or her Dependents.

Exception:

IF: on the date membership takes effect, the HMO does not provide benefits due to:

- an HMO waiting period
- an HMO Pre–Existing Conditions limit, or
- a confinement in a Hospital not affiliated with the HMO

AND the HMO provides benefits for total disability when membership ends

THEN group health benefits will be paid until the first of the following occurs:

- 90 days expire from the date membership takes effect
- the HMO's waiting period ends
- the HMO's Pre–Existing Conditions limit expires, or
- hospitalization ends.

IF AN HMO MEMBER ELECTS GROUP HEALTH BENEFITS INSURANCE PROVIDED BY THIS POLICY

Date Transfer To Such Insurance Takes Effect

Each Employee who is an HMO member may transfer to such insurance by written request. If he or she elects to do so, any Dependents who are HMO members must also be included in such request. The date such persons are to be insured depends on when and why the transfer request is made.

request made during an open enrollment period

[Carrier] and the Policyholder will agree when this period will be. If an Employee requests insurance during this period, he or she and his or her Dependents will be insured on the date such period ends.

request made because:

- **an HMO ends its operations**
- **Employee moves outside the HMO service area**

If an Employee requests insurance because membership ends for these reasons, the date he or she and his or her Dependents are to be insured depends on the date the request is made.

If it is made:

- on or before the date membership ends, they will be insured on the date such membership ends
- within 31 days after the date membership ends, they will be insured on the date the request is made
- more than 31 days after the date membership ends, the Employee and his or her Dependents will be Late Enrollees.

request made because an HMO becomes insolvent

If an Employee requests insurance because membership ends for this reason, the date he or she and his or her Dependents are to be insured depends on the date the request is made.

If it is made:

- within 31 days after the date membership ends, they will be insured on the date the request is made
- more than 31 days after the date membership ends, the Employee and his or her Dependents will be Late Enrollees.

request made at any other time

An Employee may request insurance at any time other than that described above. In this case, he or she and his or her Dependents will be Late Enrollees.

Other Provisions Affected By A Transfer

If a person makes a transfer, the following provisions, if required by this Policy for such insurance, will not apply on the transfer date:

- an Actively at Work requirement
- non-confinement, or similar requirement
- a waiting period, or
- Pre–Existing Conditions provisions.

Charges not covered

Charges incurred before a person becomes insured will be considered Non–Covered Charges.

Maximum benefit

The total amount of benefits to be paid for each person will be the maximum benefit specified in this policy, regardless of any interruption in such person's insurance under this Policy.

Right to change premium rates

[Carrier] has the right to change premium rates when, in its opinion, its liability under this Policy is changed by interaction with an HMO plan.

COORDINATION OF BENEFITS

Purpose Of This Provision

A Covered Person may be covered for health benefits by more than one plan. For instance, he or she may be covered by this Policy as an Employee and by another plan as a Dependent of his or her spouse. If he or she is, the provision allows [Carrier] to coordinate what [Carrier] pays with what another plan pays. [Carrier] does this so the Covered Person does not collect more in benefits than he or she incurs in charges.

DEFINITIONS

"Plan" means any of the following that provide health expense benefits or services:

a. group or blanket insurance plans;
b. group hospital or surgical plans, or other service or prepayment plans on a group basis;
c. union welfare plans, Employer plan, Employee benefits plans, trusteed labor and management plans, or other plans for members of a group;
d. programs or coverages required by law; or
e. Medicare or other government programs which [Carrier] is allowed to coordinate with by law.

"Plan" does not include:

a. Medicaid or any other government program or coverage which [Carrier] is not allowed to coordinate with by law;
b. school accident type coverages written on either a blanket, group, or franchise basis;
c. any group or group-type hospital indemnity benefits;
d. Supplemental Limited Benefits Insurance; nor
e. any plan [Carrier] says [Carrier] supplements, as named in the Schedule.

"This plan" means the part of [Carrier's] group plan subject to this provision.

"Member" means the person who receives a certificate or other proof of coverage from a plan that covers him or her for health expense benefits.

"Dependent" means a person who is covered by a plan for health expense benefits, but not as a member.

"Allowable expense" means any necessary, reasonable, and usual item of expense for health care incurred by a member or Dependent under either this plan or any other plan. When a plan provides service instead of cash payment, [Carrier] views the reasonable cash value of each service as an allowable expense and as a benefit paid. [Carrier] also views items of expense covered by another plan as an allowable expense, whether or not a claim is filed under that plan.

The amount of reduction in benefits resulting from a member's or Dependent's failure to comply with provisions of a primary plan is not considered an allowable expense if such reduction in benefits is less than or equal to the reduction that would have been made under the terms of this Plan if this Plan had been primary. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and preferred provider arrangements. This does not apply where a primary plan is a health maintenance organization (HMO) and the member or Dependent elects to have health services provide outside the HMO. A primary plan is described below.

"Claim determination period" means a Calendar Year in which a member or Dependent is covered by this plan and at least one other plan and incurs one or more allowable expense under such plans.

How This Provision Works

[Carrier] applies provision when a member or Dependent is covered by more than one plan. When this happens [Carrier] will consider each plan separately when coordinating payments.

In order to apply this provision, one of the plans is called the primary plan. All other plans are called secondary plans. The primary plan pays first, ignoring all other plans. The secondary plans then pay the remaining unpaid allowable expenses, but no plan pays more than it would have without this provision.

If a plan has no coordination provision, it is primary. But, during any claim determination period, when this plan and at least one other plan have coordination provisions, the rules that govern which plan pays first are as follows:

a. A plan that covers a person as a member pays first; the plan that covers a person as a Dependent pays second.
b. A plan that covers a person as an active Employee or as a Dependent of such Employee pays first. A

plan that covers a person as a laid-off or retired Employee or as a Dependent of such Employee pays second.

But, if the plan that [Carrier] is coordinating with does not have a similar provision for such persons, then b. will not apply.

c. Except for Dependent children of separated or divorce parents, the following governs which plan pays first when the person is a Dependent of a member:

A plan that covers a Dependent of a member whose birthday falls earliest in the Calendar Year pays first. The plan that covers a Dependent of a member whose birthday falls later in the Calendar Year pays second. The member's year of birth is ignored.

But, if the plan that [Carrier] is coordinating with does not have a similar provision for such persons, then c. will not apply and the other plan's coordination provision will determine the order of benefits.

d. For a Dependent child of separated or divorced parents, the following governs which plan pays first when the person is a Dependent of a member.

- When a court order makes one parent financially responsible for the health care expenses of the Dependent child, then that parent's plan pays first.
- If there is no such court order, then the plan of the natural parent with custody pays before the plan of the stepparent with custody; and
- The plan of the stepparent with custody pays before the plan of the natural parent without custody.

If rules a, b, c and d do not determine which plan pays first, the plan that has covered the person for the longer time pays first.

If, when [Carrier] applies this provision, [Carrier] pay less than [Carrier] would otherwise pay, [Carrier] apply only that reduced amount against payment limits of this plan.

[Carrier's] Right To Certain Information

In order to coordinate benefits, [Carrier] needs certain information. An Employee must supply [Carrier] with as much of that information as he or she can. But if he or she cannot give [Carrier] all the information [Carrier] needs, [Carrier] has the right to get this information from any source. And if another insurer needs information to apply its coordination provision, [Carrier] has the right to give that insurer such information. If [Carrier] gives or get information under this section [Carrier] cannot be held liable for such action.

When payment that should have been made by this plan have been made by another plan, [Carrier] has the right to repay that plan. If [Carrier] does so, [Carrier] is no longer liable for that amount. And if [Carrier] pays out more than [Carrier] should have, [Carrier] has the right to recover the excess payment.

Small Claims Waiver

[Carrier] does not coordinate payments on claims of less than $50.00. But if, during any claim determination period, more allowable expenses are incurred that raise the claim above $50.00 [Carrier] will count the entire amount of the claim when [Carrier] coordinates.

BENEFITS FOR AUTOMOBILE RELATED INJURIES

This section will be used to determine a person's benefits under this Policy when expenses are incurred as a result of an automobile related injury.

Definitions

"Automobile Related Injury" means bodily injury sustained by a Covered Person as a result of an accident.

a. while occupying, entering, leaving or using an automobile; or
b. as a pedestrian;

caused by an automobile or by an object propelled by or from an automobile.

"Allowable Expense" means a medically necessary, reasonable and customary item of expense covered at least in part as an eligible expense by:

a. this Policy;
b. PIP; or
c. OSAIC.

"Eligible Expense" means that portion of expense incurred for treatment of an Injury which is covered under this Policy without application of Cash Deductibles and Co–Payments, if any or Co–Insurance.

"Out–of–State Automobile Insurance Coverage" or "OSAIC" means any coverage for medical expenses under an automobile insurance policy other than PIP. OSAIC includes automobile insurance policies issued in another state or jurisdiction.

"PIP" means personal injury protection coverage provided as part of an automobile insurance policy issued in New Jersey. PIP refers specifically to provisions for medical expense coverage.

Determination of primary or secondary coverage.

This Policy provides secondary coverage to PIP unless health coverage has been elected as primary coverage by or for the Covered Person under this Policy. This election is made by the named insured under a PIP policy. Such election affects that person's family members who are not themselves named insureds under another automobile policy. This Policy may be primary for One Covered Person, but not for another if the person has separate automobile policies and have made different selections regarding primacy of health coverage.

This Policy is secondary to OSAIC, unless the OSAIC contains provisions which make it secondary or excess to the policyholder's plan. In that case this Policy will be primary.

If there is a dispute as to which policy is primary, this Policy will pay benefits as if it were primary.

Benefits this Policy will pay if it is primary to PIP or OSAIC.

If this Policy is primary to PIP or OSAIC it will pay benefits for eligible expenses in accordance with its terms.

The rules of the **COORDINATION OF BENEFITS** section of this Policy will apply if:

- the Covered Person is insured under more than one insurance plan; and
- such insurance plans are primary to automobile insurance coverage.

Benefits this Policy will pay if it is secondary to PIP or OSAIC.

If this Policy is secondary to PIP or OSAIC the actual benefits payable will be the lesser of:

a. the allowable expenses left uncovered after PIP or SAIC has provided coverage after applying Cash Deductibles and Co–Payments, or
b. the benefits that would have been paid if this Policy had been primary.

Medicare

If this Policy supplements coverage under Medicare it can be primary to automobile insurance only to the extent that Medicare is primary to automobile insurance.

MEDICARE AS SECONDARY PAYOR

IMPORTANT NOTICE

The following sections regarding Medicare may not apply to the Employer's Policy. The Employee must contact his or her Employer to find out if the Employer is subject to Medicare as Secondary Payor rules.

If the Employer is subject to such rules, this Medicare as Secondary Payor section applies to the Employee.

If the Employer is NOT subject to such rules, this Medicare as Secondary Payor section does not apply to the Employee, in which case, Medicare will be the primary health plan and this Policy will be the secondary health plan for Covered Persons who are eligible for Medicare.

The following provisions explain how this Policy's group health benefits interact with the benefits available under Medicare as Secondary Payor rules. A Covered Person may be eligible for Medicare by reason of age, disability, or End Stage Renal Disease. Different rules apply to each type of Medicare eligibility, as explained below.

With respect to the following provisions:

a. "Medicare" when used above, means Part A and B of the health care program for the aged and disabled provided by Title XVII of the United States Social Security Act, as amended from time to time.
b. A Covered Person is considered to be eligible for Medicare by reason of age from the first day of the month during which he or she reaches age 65. However, if the Covered Person is born on the first day of a month, he or she is considered to be eligible for Medicare from the first day of the month which is immediately prior to his or her 65th birthday.
c. A "primary" health plan pays benefits for a Covered Person's Covered Charge first, ignoring what the Covered Person's "secondary" plan pays. A "secondary" health plan then pays the remaining unpaid allowable expenses. See the **Coordination of Benefits** section for a definition of "allowable expense".

[d. "We" means Carrier]

MEDICARE ELIGIBILITY BY REASON OF AGE

Applicability

This section applies to an Employee or his or her insured spouse who is eligible for Medicare by reason of age.

Under this section, such an Employee or insured spouse is referred to as a "Medicare eligible."

This section does not apply to:

a. a Covered Person, other than an Employee or insured spouse
b. an Employee or insured spouse who is under age 65, or
c. a Covered Person who is eligible for Medicare solely on the basis of End Stage Renal Disease.

When An Employee or Insured Spouse Becomes Eligible For Medicare

When an Employee or insured spouse becomes eligible for Medicare by reason of age, he or she must choose one of the two options below.

Option A—The Medicare eligible may choose this Policy as his or her primary health plan. If he or she does, Medicare will be his or her secondary health plan. See the **When This Policy is Primary** section below, for details.

Option B—The Medicare eligible may choose Medicare as his or her primary health plan. If he or she does, group health benefits under this Policy will end. See the **When Medicare is Primary** section below, for details.

If the Medicare eligible fails to choose either option when he or she becomes eligible for Medicare by reason of age, [Carrier] will pay benefits as if he or she had chosen Option (A).

When this Policy is primary

When a Medicare eligible chooses this Policy as his or her primary health plan, if he or she incurs a Covered Charge for which benefits are payable under both this Policy and Medicare, this Policy is considered primary. This Policy pays first, ignoring Medicare. Medicare is considered the secondary plan.

When Medicare is primary

If a Medicare eligible chooses Medicare as his or her primary health plan, he or she will no longer be covered for such benefits by this Policy. Coverage under this Policy will end on the date the Medicare eligible elects Medicare as his or her primary health plan.

A Medicare eligible who elects Medicare as his or her primary health plan, may later change such election, and choose this Policy as his or her primary health plan.

MEDICARE ELIGIBILITY BY REASON OF DISABILITY

Applicability

This section applies to a Covered Person who is:

a. under age 65; and
b. eligible for Medicare by reason of disability.

Under this section, such Covered Person is referred to as a "disabled Medicare eligible".

This section does not apply to:

a. a Covered Person who is eligible for Medicare by reason of age; or
b. a Covered Person who is eligible for Medicare solely on the basis of End Stage Renal Disease.

When A Covered Person Becomes Eligible For Medicare

When a Covered Person becomes eligible for Medicare by reason of disability, this Policy is the primary plan. Medicare is the secondary plan.

If a Covered Person is eligible for Medicare by reason of disability, he or she must be covered by both Parts A and B. If he or she is not, he or she must meet the Medicare Alternate Deductible shown in the Schedule.

MEDICARE ELIGIBILITY BY REASON OF END STAGE RENAL DISEASE

Applicability

This section applies to a Covered Person who is eligible for Medicare on the basis of End Stage Renal Disease (ESRD).

Under this section, such Covered Person is referred to as a "ESRD Medicare eligible".

This section does not apply to a Covered Person who is eligible for Medicare by reason of disability.

When A Covered Person Becomes Eligible For Medicare Due to ESRD

When a Covered Person becomes eligible for Medicare solely on the basis of ESRD, for a period of up to 18 consecutive months, if he or she incurs a charge for the treatment of ESRD for which benefits are payable under both this Policy and Medicare, this Policy is considered primary. This Policy pays first, ignoring Medicare. Medicare is considered the secondary plan.

This 18 month period begins on the earlier of:

a. the first day of the month during which a regular course of renal dialysis starts; and
b. with respect to an ESRD Medicare eligible who receives a kidney transplant, the first day of the month during which such Covered Person becomes eligible for Medicare.

After the 18 month period described above ends, if an ESRD Medicare eligible incurs a charge for which benefits are payable under both this Policy and Medicare, Medicare is the primary plan. This Policy is the secondary plan. If a Covered Person is eligible for Medicare on the basis of ESRD, he or she must be covered by both Parts A and B. If he or she is not, he or she must meet the Medicare Alternate Deductible shown in the Schedule.

RIGHT TO RECOVERY—THIRD PARTY LIABILITY

As used in this section:

"Covered Person" means an Employee or Dependent, including the legal representative of a minor or incompetent, insured by this Policy.

"Reasonable pro-rata Expenses" are those costs such as lawyers fees and court costs, incurred to effect a third party payment, expressed as a percentage of such payment.

"Third Party" means anyone other than [Carrier], the Employer or the Covered Person.

If a Covered Person makes a claim to [Carrier] for benefits under this Policy prior to receiving payment from a third party or its insurer, the Covered Person must agree, in writing, to repay [Carrier] from any amount of money they receive from the third party, or its insurer for an Illness or Injury.

[Carrier] shall require the return of health benefits paid for an Illness or Injury, up to the amount a Covered Person receives for that Illness or Injury through:

a. a third party settlement;
b. a satisfied judgment; or
c. other means.

[Carrier] will only require such payment when the amounts received through such settlement, judgment or otherwise, are specifically identified as amounts paid for health benefits for which [Carrier] has paid benefits.

The repayment will be equal to the amount of benefits paid by [Carrier]. However, the Covered Person may deduct the reasonable pro-rata expenses, incurred in effecting the third party payment from the repayment to [Carrier].

The repayment agreement will be binding upon the Covered Person whether:

a. the payment received from the third party, or its insurer, is the result of a legal judgment, an arbitration award, a compromise settlement, or any other arrangement, or
b. the third party, or its insurer, has admitted liability for the payment.

[Carrier] will not pay any benefits under this Policy to or on behalf of a Covered Person, who has received payment in whole or in part from a third party, or its insurer for past or future charges for an Illness or Injury, resulting from the negligence, intentional act, or no-fault tort liability of a third party.

STATEMENT OF ERISA RIGHTS

As a participant, an Employee is entitled to certain rights and protection under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

a. Examine, with charge, all plan documents, including insurance contracts, collective bargaining agreements and copies of all documents filed by the plan with the U.S. Department of Labor, such as detailed annual reports and plan descriptions. The document may be examined at the Plan Administrator's office and at other specified locations such as worksites and union halls.
b. Obtain copies of all plan documents and other plan information upon written request to the Plan Administrator, who may make a reasonable charge for the copies.
c. Receive a summary of the plan's annual financial report from the Plan Administrator (if such a report is required).

In addition to creating rights for plan participants, ERISA imposes duties upon the people called "Fiduciaries", who are responsible for the operation of the Employee benefits plan. They have a duty to operate the plan prudently and in the interest of plan participants and beneficiaries. An Employer may not fire the Employee or otherwise discriminate against him or her in any way to prevent him or her from obtaining a welfare benefit or exercising his or her rights under ERISA. If an Employees' claim for welfare benefits is denied in whole or in part, he or she must receive a written explanation of the reason for the denial. The Employee has the right to have his or her claim reviewed and reconsidered.

Under ERISA, there are steps an Employee can take to enforce the above rights. For instance, the Employee may file suit in a federal court if he or she requests materials from the plan and does not receive them within 30 days. The court may require the Plan Administrator to provide the materials and pay the Employee, up to $100.00 a day until he or she receives them (unless the materials were not sent because of reasons beyond the administrator's control). If his or her claim for benefit is denied in whole or in part, or ignored, he or she may file suit in a state or federal court. If plan fiduciaries misuse the plan's money, or discriminate against him or her for asserting his or her rights, he or she may seek assistance from the U.S. Department of Labor, or file suit in a federal court. If he or she is successful, the court may order the person the Employee has sued to pay court costs and legal fees. If he or she loses, the court may order him or her to pay, for example, if it finds his or her claim is frivolous. If the Employee has any question about his or her plan, he or she should contact the Plan Administrator. If he or she has any questions about this statement or about his or her rights under ERISA he or she should contact the nearest Area Office of the U.S. Labor–Management Services Administration, Department of Labor.

CLAIMS PROCEDURE

Claim forms and instructions for filing claims may be obtained from the Plan Administrator. Completed claim forms and any other required material should be returned to the Plan Administrator for submission to [Carrier].

[Carrier] is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the plan with respect to claims.

In addition to the basic claim procedure explained in the Employee's certificate, [Carrier] will also observe the procedures listed below. All notifications from [Carrier] will be in writing.

a. If a claim is wholly or partially denied, the claimant will be notified of the decision within 45 days after [Carrier] received the claim.

b. If special circumstances require an extension of time for processing the claim, written notice of the extension shall be furnished to the claimant prior to the termination of the initial 90–day period. In no event shall such extension exceed a period of 90 days from the end of such initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which [Carrier] expects to render the final decision.

c. If a claim is denied, [Carrier] will provide the Plan Administrator, for delivery to the claimant, a notice that will set forth:

- the specific reason(s) the claim is denied;
- specific references to the pertinent plan provision on which the denial is based;
- a description of any additional material or information needed to make the claim valid, and an explanation of why the material or information is needed;
- and explanation of the plan's claim review procedure.

A claimant must file a request review of a denied claim within 60 days after receipt of written notification of denial of a claim.

d. [Carrier] will notify the claimant of its decision within 60 days of receipt of the request for review. If special circumstances require an extension of time for processing. [Carrier] will render a decision as soon as possible, but no later than 120 days after receiving the request. [Carrier] will notify the claimant about the extension.

The above procedures are required under the provisions of ERISA.

An Employee's "unmarried Dependent child" includes his or her legally adopted child, his or her step-child if such step child depends on the Employee for most of his or her support and maintenance and children under a court appointed guardianship. EXPERIMENTAL or INVESTIGATIONAL.

Services or supplies which We Determine are:

a. not of proven benefit for the particular diagnosis or treatment of a Member's particular condition; or
b. not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of a Member's particular condition; or
c. provided or performed in special settings for research purposes or under a controlled environment or clinical protocol.

Unless otherwise required by law with respect to drugs which have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration (FDA), We will not cover any services or supplies, including treatment, procedures, drugs, biological products or medical devices or any hospitalizations in connection with Experimental or Investigational services or supplies.

We will also not cover any technology or any hospitalization in connection with such technology if such technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of a Member's particular condition.

Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of a Member's particular condition, as explained below.

We will apply the following five criteria in Determining whether services or supplies are Experimental or Investigational:

1. any medical device, drug, or biological product must have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug or biological product for another diagnosis or condition will require that one or more of the following established reference compendia:

   I. The American Medical Association Drug Evaluations;

   II. The American Hospital Formulary Service Drug Information; or

   III. The United States Pharmacopeia Drug Information

   recognize the usage as appropriate medical treatment. As an alternative to such recognition in one or more of the compendia, the usage of the drug will be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests will not be considered Experimental or Investigational.

In any event, any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered Experimental or Investigational.

2. conclusive evidence from the published peer-reviewed medical literature must exist that the technology has a definite positive effect on health outcomes; such evidence must include well-designed investigations that have been reproduced by nonaffiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;

3. demonstrated evidence as reflected in the published peer-reviewed medical literature must exist that over time the technology leads to improvement in health outcomes, i.e., the beneficial effects outweigh any harmful effects;

4. proof as reflected in the published peer-reviewed medical literature must exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and

5. proof as reflected in the published peer-reviewed medical literature must exist that improvements in health outcomes, as defined in paragraph 3, is possible in standard conditions of medical practice, outside clinical investigatory settings.

FULL–TIME. A normal work week of 25 or more hours. Work must be at the Employer's regular place of business or at another place to which an Employee must travel to perform his or her regular duties for his or her full and normal work hours.

GOVERNMENT HOSPITAL. A Hospital operated by a government or any of its subdivisions or agencies, including, but not limited to, a Federal, military, state, county or city Hospital.

HEALTH BENEFITS PLAN. Any hospital and medical expense insurance policy or certificate; health, hospital, or medical service corporation contract or certificate; or health maintenance organization subscriber contract or certificate delivered or issued for delivery in New Jersey by any carrier to a Small Employer group pursuant to section 3 of P.L. 1992, c.162 (C. 17B:27A–19). Health Benefits Plan excludes the following plans, policies, or contracts: accident only, credit, disability, long term care, coverage for Medicare services pursuant to a contract with the United States government, Medicare supplement, dental only, or vision only, insurance issued as a supplement to liability insurance, coverage arising out of a workers' compensation or similar law, hospital confinement or other Supplemental Limited Benefit Insurance coverage, automobile medical payment insurance, or personal injury protection coverage issued pursuant to P.L. 1972, c.70 (C. 39:6A–1 et seq.).

MEDICAL EMERGENCY. The sudden, unexpected onset, due to Illness or Injury, of a medical condition that is expected to result in either a threat to life or to an organ, or a body part not returning to full function. Examples of Medical Emergencies include but are not limited to heart attacks, strokes, convulsions, serious burns, obvious bone fractures, wounds requiring sutures, poisoning, and loss of consciousness.

A near-term delivery is not a Medical Emergency.

MEDICALLY NECESSARY AND APPROPRIATE. Services or supplies provided by a recognized health care Provider that We Determine to be:

a. necessary for the symptoms and diagnosis or treatment of the condition, Illness or Injury;
b. provided for the diagnosis or the direct care and treatment of the condition, Illness or Injury;
c. in accordance with generally accepted medical practice;
d. not for a Member's convenience;
e. the most appropriate level of medical care that a Member needs; and
f. furnished within the framework of generally accepted methods of medical management currently used in the United States.

In the instance of a Medical Emergency, the fact that a Non-participating Provider prescribes, orders, recommends or approves the care, the level of care, or the length of time care is to be received, does not make the services Medically Necessary and Appropriate.

MEDICAID. The health care program for the needy provided by Title XIX of the United States Social Security Act, as amended from time to time.

IV. ELIGIBILITY

EMPLOYEE COVERAGE

Eligible Employees

Subject to the Conditions of Eligibility set forth below, and to all of the other conditions of the Contract, all of the Contract Holder's Employees [who are in an eligible class] and who reside in the Service Area will be eligible if the Employees are Actively at Work Full–Time Employees.

For the purpose of this Contract, We will treat partners, proprietors and independent contractors like Employees if they meet the Contract's Conditions of Eligibility.

Conditions of Eligibility

Full–Time Requirement

[Carrier] will not cover an Employee unless the Employee is an Actively at work Full–Time Employee.

Enrollment Requirement

We will not cover the Employee until the Employee enrolls and agrees to make the required payments, if any. If the Employee does this within [30] days of the Employee's Eligibility Date, coverage will start on the Employee's Eligibility Date.

If the Employee enrolls and agrees to make the required payments, if any:

a. more than [30] days after the Employee's Eligibility Date; or
b. after the Employee previously had coverage which ended because the Employee failed to make a required payment,

We will consider the Employee to be a Late Enrollee. Late Enrollees are subject to this Contract's Pre–Existing Conditions limitation.

However, if an Employee initially waived coverage under his Contract, and the Employee stated at that time that such waiver was because he or she was covered under another group plan, and Employee now elects to enroll under this Contract, We will not consider the Employee to be a Late Enrollee, provided the coverage under the other plan ends due to one of the following events:

a. termination of employment;
b. divorce;
c. death of the Employee's spouse; or
d. termination of the other plan's coverage.

But the Employee must enroll under this Contract within 90 days of the date that any of the events described above occur. Coverage will take effect as of the date he or she becomes eligible.

[The Waiting Period

This Contract has the following waiting periods:

Employees in an eligible class on the Effective Date, who have completed at least [6] months of continuous Full–Time service with the Employer by that date, are eligible for coverage under this Contract from the Effective Date.

Employees who enter an eligible class after the Effective Date are eligible for coverage under this Contract from the day after Employees complete [6] months of continuous Full–Time service with the Employer.]

The Employer who purchased this Contract may have purchased it to replace a plan the Employer had with some other carrier. An Employee may have satisfied part of the eligibility waiting period under the Employer's old plan before it ended. If so, the time satisfied will be used to satisfy this Contract's eligibility waiting period if:

a. the Employee was employed by the Employer on the date the Employer's old plan ended; and
b. this Contract starts right after the old plan ends.

Multiple Employment

If an Employee works for both the Contract Holder and a covered Affiliated Company, or for more than one covered Affiliated Company, We will treat the Employee as if only one firm employs the Employee. And such an Employee will not have multiple coverage under this Contract.

When Employee Coverage Starts

An Employee must be Actively at Work, and working his or her regular number of hours, on the date his or her coverage is scheduled to start. And he or she must have met all the conditions of eligibility which apply to him or her. If an Employee is not Actively at Work on the scheduled Effective Date, [Carrier] will postpone the start of his or her coverage until he or she returns to Active Work.

Sometimes, a scheduled Effective Date is not a regularly scheduled work day. But an Employee's coverage will start on that date if he or she was Actively at Work, and working his or her regular number of hours, on his or her last regularly scheduled work day.

The Employee must elect to enroll and agree to make the required payments if any, within [30] days of the Employee's Eligibility Date. If he or she does this within [30] days of the Employee's Eligibility Date, his or her coverage is scheduled to start on the Employee's Eligibility Date. Such Employee's Eligibility Date is scheduled Effective Date of an Employee's coverage.

When Employee Coverage Ends

An Employee's coverage under this Contract will end on the first of the following dates:

a. [the date] an Employee ceases to be an Actively at Work Full–Time Employee for any reason. Such reasons include disability, death, retirement, lay-off, leave of absence, and the end of employment.
b. [the date] an Employee stops being an eligible Employee under this Contract.
c. the date this Contract ends, [or is discontinued for a class of Employees to which the Employee belongs.]
d. [the date] for which required payments are not made for the Employee.
[e. [the date] an Employee moves his or her permanent residence outside the Service Area.]

Also, an Employee may have the right to continue certain group benefits for a limited time after his or her coverage would otherwise end. This Contract's benefits provisions explain these situations. Read this Contract's provisions carefully.

[DEPENDENT COVERAGE

Eligible Dependents for Dependent Health Benefits

[Except as stated below, an] Employee's eligible Dependents are:

a. the Employee's legal spouse;
b. the Employee's unmarried Dependent children who are under age 19; and
c. the Employee's unmarried Dependent children, from age 19 until their 23rd birthday, who are enrolled as full-time students at accredited schools. Full–time students will be defined by the accredited school. We can require periodic proof of a Dependent child's status as a full-time student.

[Exception: Any Dependent who does not reside in the Service Area is not an eligible Dependent.]

Adopted Children and Step–Children

An Employee's "unmarried Dependent children" include the Employee's legally adopted children, his or her step-children if they depend on the Employee for most of their support and maintenance and children under a court appointed guardianship. [Carrier] will treat a child as legally adopted from the time the child is placed in the home for the purpose of adoption. [Carrier] will treat such a child this way whether or not a final adoption order is ever issued.

Eligible Dependents will not include any Dependent who is:

a. covered by this Contract as an Employee or
b. on active duty in the armed forces of any country.

Incapacitated Children

An Employee may have an unmarried child with a mental or physical handicap, or developmental disability, who is incapable of earning a living. Subject to all of the terms of this section and the plan, such a child may stay eligible for Dependent health benefits past this Contract's age limit.

The child will stay eligible as long as the child stays unmarried and incapable of earning a living, if:

a. the child's condition started before he or she reached this Contract's age limit; and
b. the child depends on the Employee for most of his or her support and maintenance.

But, for the child to stay eligible, the Employee must send Us written proof that the child is handicapped and depends on the Employee for most support and maintenance. The Employee has 31 days from the date the child reaches the age limit to do this. We can ask for periodic proof that the child's condition continues. But, after two years, We cannot ask for this more than once a year.

The child's coverage ends when the Employee's does.

Enrollment Requirement

An Employee must enroll his or her eligible Dependents in order for them to be covered under this Contract. [Carrier] considers an eligible Dependent to be a Late Enrollee, if the Employee:

a. enrolls a Dependent [and agrees to make the required payments] more than [30] days after the Dependent's Eligibility Date;
b. in the case of a Newly Acquired Dependent, other than the first newborn child, has other eligible Dependents who the Employee has not elected to enroll; or
c. in the case of a Newly Acquired Dependent, has other eligible Dependents whose coverage previously ended because the Employee failed to make the required contributions, or otherwise chose to end such coverage.

Late Enrollees are subject to this Contract's Pre–Existing Conditions limitations section, if any applies.

If the Employee's dependent coverage ends for any reason, including failure to make the required payments, his or

her Dependents will be considered Late Enrollees when their coverage begins again.

However, if the Employee previously waived coverage for the Employee's spouse or eligible Dependent children under this Contract and stated at that time that such waiver was because they were covered under another group plan, and the Employee now elects to enroll them in this Contract, the Dependent will not be considered a Late Enrollee, provided the Dependent's coverage under the other plan ends due to one of the following events:

a. termination of employment;
b. divorce;
c. death of the Employee's spouse; or
d. termination of the other plan's coverage.

But, the Employee's spouse or eligible Dependent children must be enrolled by the Employee within 90 days of the date that any of the events described above occur. Coverage will take effect as of the date one of the above events occurs.

And, [Carrier] will not consider an Employee's spouse or eligible Dependent children for which the Employee initially waived coverage under this Contract, to be a Late Enrollee, if:

a. the Employee is under legal obligation to provide coverage due to a court order; and
b. the Employee's spouse or eligible Dependent children are enrolled by the Employee within 30 days of the issuance of the court order.

Coverage will take effect as of the date required pursuant to the court order.

When Dependent Coverage Starts

In order for an Employee's dependent coverage to begin the Employee must already be covered for Employee coverage or enroll for Employee and Dependent coverage at the same time. Subject to the exception stated below and to all of the terms of this Contract, the date an Employee's dependent coverage starts depends on when the Employee elects to enroll the Employee's Initial Dependents [and agrees to make any required payments].

If the Employee does this within 30 days of the Dependent's Eligibility Date, the Dependent's Coverage is scheduled to start on the later of:

a. the Dependent's eligibility date, or
b. the date the Employee becomes covered for Employee coverage.

If the Employee does this more than [30] days after the Dependent's Eligibility Date, We will consider the Dependent a Late Enrollee, the coverage is scheduled to start on the later of:

a. the date the Employee signs the enrollment form; or
b. the date the Employee becomes covered for Employee coverage.

Once an Employee has dependent coverage for Initial Dependents, the Employee must notify Us of a Newly Acquired Dependent within the [30] days after the Dependent's Eligibility Date. If the Employee does not, the Newly Acquired Dependent is a Late Enrollee.

A Newly Acquired Dependent will be covered from the later of:

a. the date the Employee notifies [Carrier] [and agrees to make any additional payments], or
b. the Dependent's Eligibility Date for the Newly Acquired Dependent is first eligible.

Exception: If a Dependent, other than a newborn child, is confined to a Hospital or other health care facility; or is home confined on the date the Employee's Dependent health benefits would otherwise start, [Carrier] will postpone the Effective Date of such benefits until the later of: the day after the Dependent's discharge from such facility; until home confinement ends.

Newborn Children

We will cover an Employee's newborn child for 31 days from the date of birth. Coverage may be continued beyond such 31 day period as stated below:

a. If the Employee is already covered for Dependent child coverage on the date the child is born, coverage automatically continues beyond the initial 31 days[, provided the premium required for Dependent child coverage continues to be paid.]
b. If the Employee is not covered for Dependent child coverage on the date the child is born, the Employee must:
   - make written request to enroll the newborn child[; and
   - pay the premium required for Dependent child coverage within 31 days after the date of birth.]

If the request is not made[and the premium is not paid] within such 31 day period, the newborn child will be a Late Enrollee.

When Dependent Coverage Ends:

A Dependent's coverage under this Contract will end on the first of the following dates:

a. [the date] Employee coverage ends;
[b. the date the Employee stops being a member of a class of Employees eligible for such coverage;]
[c.] the date this Contract ends;

[d.] the date Dependent coverage is dropped from this Contract for all Employees eligible for such coverage;

[e. the date an Employee fails to pay any required part of the cost of Dependent coverage. It ends on the last day of the period for which the Employee made the required payments, unless coverage ends earlier for other reasons.]

[f.] At 12:01 a.m. on the date the Dependent stops being an eligible Dependent.

[g.] the date the Dependent moves his or her permanent residence outside the Service Area.

Read this Contract carefully if Dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And divorced spouses have the right to replace certain group benefits with converted contracts.]

VII. GRIEVANCE PROCEDURE

[Grievance Procedure: Variable by Carrier as approved by the State of New Jersey.]

VIII. COORDINATION OF BENEFITS AND SERVICES

COORDINATION OF BENEFITS AND SERVICES

Purpose Of This Provision

A Member may be covered for health benefits or services by more than one plan. For instance, he or she may be covered by this Contract as an Employee and by another plan as a Dependent of his or her spouse. If he or she is, this provision allows Us to coordinate what We arrange [or provide] with what another plan pays or provides. We do this so the Member does not collect more than he or she incurs in charges.

DEFINITIONS

"Plan" means any of the following that provide health expense benefits or services:

a. group or blanket insurance plans;
b. group hospital or surgical plans, or other service or prepayment plans on a group basis;
c. union welfare plans, Employer plan, Employee benefits plans, trusteed labor and management plans, or other plans for members of a group;
d. programs or coverages required by law;
e. Medicare or other government programs which We are allowed to coordinate with by law.

"Plan" does not include:

a. Medicaid or any other government program or coverage which [Carrier] is not allowed to coordinate with by law;
b. school accident type coverages written on either a blanket, group, or franchise basis;
c. group or group-type hospital indemnity benefits;
d. Supplemental Limited Benefits Insurance coverages; nor
e. any plan We say We supplement.

"This plan" means the part of Our group plan subject to this provision.

"Subscriber", as used below, means the person who receives a certificate or other proof of coverage from a plan that covers him or her for health benefits or services.

"Dependent" means a person who is covered by a plan for health benefits or services, but not as a subscriber.

"Allowable expense" means any necessary, reasonable, and usual item of expense or service for health care incurred by a subscriber or Dependent under either this plan or any other plan. When a plan provides service instead of cash payment, We view the reasonable cash value of each service as an allowable expense and as a benefit paid. We also view items of expense covered by another plan as an allowable expense, whether or not a claim is filed under that plan.

The amount of reduction in benefits resulting from a subscriber's or Dependent's failure to comply with provisions of a primary plan is not considered an allowable expense if such reduction in benefits is less than or equal to the reduction that would have been made under the terms of this Plan if this Plan had been primary. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and preferred provider arrangements. This does not apply where a primary plan is a health maintenance organization (HMO) and the subscriber or Dependent elects to have health services provided outside the HMO. A primary plan is described below.

"Claim determination period" means a Calendar Year in which a subscriber or Dependent is covered by this plan and at least one other plan and incurs one or more allowable expense(s) under such plans.

How This Provision Works

We apply this provision when a subscriber or Dependent is covered by more than one plan. When this happens We will consider each plan separately when coordinating payments.

In order to apply this provision, one of the plans is called the primary plan. All other plans are called secondary plans. The primary plan pays first or provides services, ignoring all other plans. The secondary plans then pay the remaining unpaid allowable expenses, but no plan pays or provides services more than it would have without this provision.

If a plan has no coordination provision, it is primary. But, during any claim determination period, when this plan and at least one other plan have coordination provisions, the rules that govern which plan pays or provides services first are as follows:

a. A plan that covers a person as a subscriber pays first; the plan that covers a person as a Dependent pays second.
b. A plan that covers a person as an active Employee or as a Dependent of such Employee pays first. A plan that covers a person as a laid-off or retired Employee or as a Dependent of such Employee pays second.

But, if the plan that We are coordinating with does not have a similar provision for such persons, then b. will not apply.

c. Except for Dependent children of separated or divorced parents, the following governs which plan pays first when the person is a Dependent of a subscriber:

A plan that covers a Dependent of a member whose birthday falls earliest in the Calendar Year pays first. The plan that covers a Dependent of a subscriber whose birthday falls later in the Calendar Year pays second. The subscriber's year of birth is ignored.

But, if the plan that We are coordinating with does not have a similar provision for such persons, then c. will not apply and the other plan's coordination provision will determine the order of benefits or services.

d. For a Dependent child of separated or divorced parents, the following governs which plans pays or provides services first when the person is a Dependent of a subscriber.
   - When a court order makes one parent financially responsible for the health care expenses of the Dependent child, then that parent's plan pays or provides services first.
   - If there is no such court order, then the plan of the natural parent with custody pays or provides services before the plan of the stepparent with custody; and
   - The plan of the stepparent with custody pays or provides services before the plan of the natural parent without custody.

If rules a, b, c and d do not determine which plan pays first, the plan that has covered the person for the longer time pays first.

If, when We apply this provision, We pay less than We would otherwise pay, We apply only that reduced amount against payment limits of this plan.

Our Right To Certain Information

In order to coordinate benefits and services, We need certain information. An Employee must supply Us with as much of that information as he or she can. But if he or she cannot give Us all the information We need, We have the right to get this information from any source. And if another carrier needs information to apply its coordination provision, We have the right to give that carrier such information. If We give or get information under this section We cannot be held liable for such action.

When payments that should have been made by this plan or services that should have been provided by this plan have been made by or provided another plan, We have the right to repay that plan. If We do so, We are no longer liable for that amount or equivalent value of services. And if We pay out more than We should have, We have the right to recover the excess payment.

[Small Claims Waiver

We do not coordinate claims or equivalent services of less than $50.00. But if, during any claim determination period, more allowable expenses are incurred that raise the claim above $50.00 We will count the entire amount of the claim when We coordinate.]

SERVICES FOR AUTOMOBILE RELATED INJURIES

This section will be used to determine a person's coverage under this Contract when services are incurred as a result of an automobile related Injury.

Definitions

"Automobile Related Injury" means bodily Injury sustained by a Member as a result of an accident:

a. while occupying, entering, leaving or using an automobile; or

b. as a pedestrian;

caused by an automobile or by an object propelled by or from an automobile.

"Allowable Expense" means a medically necessary, reasonable and customary item of expense covered at least in part as an eligible expense or eligible services by:

a. this Contract;

b. PIP; or

c. OSAIC.

"Eligible Services" means that of service provided for treatment of an Injury which is covered under this Contract without application of Cash Deductibles and Co–Payments, if any or Co–Insurance.

"Out–of–State Automobile Insurance Coverage" or "OSAIC" means any coverage for medical expenses under an automobile insurance policy other than PIP. OSAIC includes automobile insurance policies issued in another state or jurisdiction.

"PIP" means personal injury protection coverage provided as part of an automobile insurance policy issued in New Jersey. PIP refers specifically to provisions for medical expense coverage.

Determination of primary or secondary coverage.

This Contract provides secondary coverage to PIP unless health coverage has been elected as primary coverage by or for the Member under this Contract. This election is made by the named insured under a PIP policy. Such election affects that person's family members who are not themselves named insureds under another automobile policy. This Contract may be primary for one Member, but not for another if the person has a separate automobile policy and has made different selection regarding primacy of health coverage.

This Contract is secondary to OSAIC, unless the OSAIC contains provisions which make it secondary or excess to the Contract Holder's plan. In that case this Contract will be primary.

If there is a dispute as to which policy is primary, this Contract will pay benefits or provide services as if it were primary.

Services this Contract will provide if it is primary to PIP or OSAIC.

If this Contract is primary to PIP or OSAIC it will provide benefits for eligible expenses in accordance with its terms.

The rules of the COORDINATION OF BENEFITS AND SERVICES section of this Contract will apply if:

- the Member is insured or covered for services under more than one insurance plan; and
- such insurance plans or HMO Contracts are primary to automobile insurance coverage.

Benefits this Contract will pay if it is secondary to PIP or OSAIC.

If this Contract is secondary to PIP or OSAIC the actual benefits payable will be the lesser of:

a. the allowable expenses left uncovered after PIP or OSAIC has provided coverage after applying Cash Deductibles and Co–Payments, or
b. the equivalent value of services if this Contract had been primary.

IX. CONTRACT HOLDER GENERAL PROVISIONS

AMENDMENTS

The Contract may be amended, at any time, without a Member's consent or that of anyone else with a beneficial interest in it. The Contract Holder may change the type of coverage under this Contract at any time by notifying Us in writing.

We may make amendments to the Contract upon 30 days' notice to the Contract Holder, and as provided in (b) and (c) below. An amendment will not affect benefits for a service or supply furnished before the date of change; and no change to the benefits under this Contract will be made without the approval of the Board.

Only Our officers have authority: to waive any conditions or restrictions of the Contract, to extend the time in which a Premium may be paid, to make or change a Contract, or to bind Us by a promise or representation or by information given or received.

No change in the Contract is valid unless the change is shown in one of the following ways:

a. it is shown in an endorsement on it signed by one of Our officers.
b. if a change has been automatically made to satisfy the requirements of any state or federal law that applies to the Contract, as provided in the section of this Contract called "Conformity With Law," it is shown in an amendment to it that is signed by one of Our officers.
c. if a change is required by Us, it is accepted by the Contract Holder, as evidenced by payment of a Premium on or after the effective date of such change.
d. if a written request for a change is made by the Contract Holder, it is shown in an amendment to it signed by the Contract Holder and by one of Our Officers.

ASSIGNMENT

No assignment or transfer by the Contract Holder of any of the Contract Holder's interest under this Contract is valid unless We consent thereto.

CLERICAL ERROR—MISSTATEMENTS

No clerical error by Us in keeping any records pertaining to Coverage under this Contract will reduce a Member's Coverage. Neither will delays in making those records reduce it. However, if We discover such an error or delay, a fair adjustment of Premiums will be made.

CONFORMITY WITH LAW

Any provision of this Contract which, on its Effective Date, is in conflict with the statutes of the State of New Jersey, or with Federal law, is hereby amended to conform to the minimum requirements of such State law or Federal law.

The Identification Card issued by Us to Members pursuant to this Contract is for identification purposes only. Possession of an Identification Card confers no right to services or benefits under this Contract, and misuse of such identification card constitutes grounds for termination of Member's coverage. Decisions as to medical necessity are subject to review by [our quality assessment committee or its physician designee]. We will not, however, seek reimbursement from an eligible Member for the cost of any covered benefit provided under the Contract that is later determined to have been medically unnecessary and inappropriate, when such service is rendered by a Primary Care Physician or a provider referred in writing by the Primary Care Physician without notifying the Member that such benefit would not be covered under this Contract.

NOTICES AND OTHER INFORMATION

Any notices, documents, or other information under the Contract may be sent by United States Mail, postage prepaid, addressed as follows:

REFUSAL OF TREATMENT/NON-COMPLIANCE WITH TREATMENT RECOMMENDATION

A Member may, for personal reasons disagree or not comply with procedures, medicines, or courses of treatment recommended by a Participating Physician or ignore treatment that is deemed Medically Necessary by a Participating Physician. If such Participating Physician (after a second Participating Physician's opinion, if requested by Member), believes that no professionally acceptable alternative exists, and if after being so advised, Member still refuses to comply with or accept the recommended treatment or procedure, neither the Physician, nor We, or any Participating Provider will have further responsibility to provide any of the benefits available under this Contract for treatment of such condition or its consequences or related conditions. We will provide written notice to Member of a decision not to provide further benefits for a particular condition. The decision is subject to the Grievance Procedures. Treatment for the condition involved will be resumed in the event Member agrees to follow the recommended treatment or procedure.

REPORTS AND RECORDS

We are entitled to receive from any provider of services to Member such information We deem is necessary to administer this Contract subject to all applicable confidentiality requirements as defined in this Contract. By accepting coverage under this Contract, Subscriber, for himself or herself, and for all Dependents covered hereunder, authorizes each and every provider who renders services to the Member hereunder to disclose to Us all facts and information pertaining to the care, treatment and physical condition of Member and render reports pertaining to same to Us upon request and to permit copying of a Member's records by us.

Members select a Primary Care Physician from Our [Physician or Practitioners Directory]; this choice is solely a Member's. However, We cannot guarantee the availability of a particular doctor. If the Primary Care Physician initially selected cannot accept additional patients, a Member will be notified and given an opportunity to make another Primary Care Physician selection.

[After initially selecting a Primary Care Physician, Members can transfer to different Primary Care Physicians if the physician-patient relationship becomes unacceptable. The member can select another Primary Care Physician from Our [Physician or Practitioners Directory].

Transfer requests received within the first twenty-five (25) days of the month will be effective the first day of the following month. If we receive the request after the twenty-fifth (25th) day, then the change will be effective the first day of the second month following the request.]

STATEMENTS

No statement will void the coverage, or be used in defense of a claim under this Contract, unless it is contained in a writing signed by a Member, and We furnish a copy to the Member or to the Member's beneficiary.

All statements will be deemed representations and not warranties.

TERMINATION OF DEPENDENT COVERAGE

If an Employee fails to pay the cost of Dependent coverage, an Employee's Dependent coverage will end. It will end on the last day of the period for which the Employee made the required payments, unless coverage ends earlier for other reasons.

A Dependent's coverage ends when the Dependent is no longer eligible. This happens to a Child at 12:01 a.m. on the date he attains the Contract's age limit, or marries, or when a step-child is no longer dependent on the Employee for support and maintenance. It happens to a Spouse when the marriage ends in legal divorce or annulment.

Also, Dependent coverage ends when the Employee's coverage ends.

Read this Contract carefully if Dependent coverage ends for any reason. Dependents may have the right to continue certain benefits for a limited time.

THE ROLE OF A MEMBER'S PRIMARY CARE PHYSICIAN

A Member's Primary Care Physician provides basic health maintenance services and coordinates a Member's overall health care. Anytime a Member needs medical care, the Member should contact his or her Primary Care Physician and identify himself or herself as a Member of this program.

In a Medical Emergency, a Member may go directly to the emergency room. If a Member does, then the Member must call his or her Primary Care Physician and Member Services within 48 hours. If a Member does not call within 48 hours, We will provide services only if We Determine that notice was given as soon as was reasonably possible.

[**THE ROLE OF THE CARE MANAGER.** The Care Manager will manage a Member's treatment for a Mental or Nervous Disorder, Substance Abuse, or Alcohol Abuse. A Member must contact the Care Manager or the Member's Primary Care Physician when a Member needs treatment for one of these conditions.]

XI. CONTINUATION RIGHTS

COORDINATION AMONG CONTINUATION RIGHTS SECTIONS

As used in this section, COBRA means the Consolidated Omnibus Budget Reconciliation Act of 1985 as enacted, and later amended.

A Member may be eligible to continue his or her group health benefits under this Contract's **COBRA CONTINUATION RIGHTS (CCR)** section and under other continuation sections of this Contract at the same time.

Continuation Under CCR and **NEW JERSEY GROUP CONTINUATION RIGHTS (NJGCR):** If a Member is eligible to continue his or her group health benefits under both this Contract's CCR and NJGCR sections, he or she may elect to continue under CCR, but cannot continue under NJGCR.

Continuation Under CCR and any other continuation section of this Contract:

If a Member elects to continue his or her group health benefits under both this Contract's CCR and any other continuation sections, the continuations:

a. start at the same time;
b. run concurrently; and
c. end independently on their own terms.

When covered under more than one continuation section, the Member:

a. will not be entitled to duplicate benefits; and
b. will not be subjected to the premium requirements of more than one section at the same time.

AN IMPORTANT NOTICE ABOUT CONTINUATION RIGHTS

The following COBRA CONTINUATION RIGHTS section may not apply to the Employer's plan. The Employee must contact his or her Employer to find out if:

a. the Employer is subject to the COBRA CONTINUATION RIGHTS section, and therefore;
b. the section applies to the Employee.

COBRA CONTINUATION RIGHTS

Important Notice

Under this section, "qualified continuee" means any person who, on the day before any event which would qualify him or her for continuation under this section, is covered for group health benefits under this Contract as:

a. an active, covered Employee;
b. the spouse of an active, covered Employee; or
c. the Dependent child of an active, covered Employee. Any person who becomes covered under this Contract during a continuation provided by this section is not a qualified continuee.

If An Employee's Group Health Benefits Ends

If an Employee's group health benefits end due to his or her termination of employment or reduction of work hours, he or she may elect to continue such benefits for up to 18 months, if:

a. he or she was not terminated due to gross misconduct; and
b. he or she is not entitled to Medicare.

The continuation:

a. may cover the Employee and any other qualified continuee; and
b. is subject to the **When Continuation Ends** section.

Extra Continuation for Disabled Qualified Continuees

If a qualified continuee is determined to be disabled under Title II or Title XVI of the Social Security Act on the date his or her group health benefits would otherwise end due to the Employee's termination of employment or reduction of work hours, he or she may elect to extend his or her 18 month continuation period above for up to an extra 11 months.

To elect the extra 11 months of continuation, the qualified continuee must give the Employer written proof of Social Security's determination of his or her disability before the earlier of:

a. the end of the 18 month continuation period; and
b. 60 days after the date the qualified continuee is determined to be disabled.

If, during this extra 11 month continuation period, the qualified continuee is determined to be no longer disabled under the Social Security Act, he or she must notify the Employer within 30 days of such determination, and continuation will end, as explained in the **When Continuation Ends** section.

An additional 50% of the total premium charge also may be required from the Employee by the Employer during this extra 11 month continuation period.

If An Employee Dies While Covered

If an Employee dies while covered, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the **When Continuation Ends** section.

If An Employee's Marriage Ends

If an Employee's marriage ends due to legal divorce or legal separation, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the **When Continuation Ends** section.

If A Dependent Loses Eligibility

If a Dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in this Contract, other than the Employee's coverage ending, he or she may elect to continue such benefits. However, such Dependent child must be a qualified continuee. The continuation can last for up to 36 months, subject to the **When Continuation Ends.**

Concurrent Continuations

If a Dependent elects to continue his or her group health benefits due to the Employee's termination of employment or reduction of work hours, the Dependent may elect to extend his or her 18 month continuation period to up to 36 months, if during the 18 month continuation period, either:

a. the Dependent becomes eligible for 36 months of group health benefits due to any of the reasons stated above; or
b. the Employee becomes entitled to Medicare.

The 36 month continuation period starts on the date the 18 month continuation period started, and the two continuation periods will be deemed to have run concurrently.

The Qualified Continuee's Responsibilities

A person eligible for continuation under this section must notify the Employer, in writing, of:

a. the legal divorce or legal separation of the Employee from his or her spouse; or
b. the loss of dependent eligibility, as defined in this Contract, of a covered Dependent child.

Such notice must be given to the Employer within 60 days of either of these events.

The Employer's Responsibilities

The Employer must notify the qualified continuee, in writing, of:

a. his right to continue this Contract's group health benefits;
b. the monthly premium he or she must pay to continue such benefits; and
c. the times and manner in which such monthly payments must be made.

Such written notice must be given to the qualified continuee within 14 days of:

a. the date a qualified continuee's group health benefits would otherwise end due to the Employee's

death or the Employee's termination of employment or reduction of work hours; or

b. the date a qualified continuee notifies the Employer, in writing, of the Employee's legal divorce or legal separation from his or her spouse, or the loss of dependent eligibility of a covered Dependent child.

The Employer's Liability

The Employer will be liable for the qualified continuee's continued group health benefits to the same extent as, and in place of, [Carrier], if:

a. the Employer fails to remit a qualified continuee's timely premium payment to Us on time, thereby causing the qualified continuee's continued group health benefits to end; or

b. the Employer fails to notify the qualified continuee of his or her continuation rights, as described above.

Election of Continuation

To continue his or her group health benefits, the qualified continuee must give the Employer written notice that he or she elects to continue. This must be done within 60 days of the date a qualified continuee receives notice of his or her continuation rights from the Employer as described above. And the qualified continuee must pay the first month's premium in a timely manner.

The subsequent premiums must be paid to the Employer, by the qualified continuee, in advance, at the times and in the manner specified by the Employer. No further notice of when premiums are due will be given.

The monthly premium will be the total rate which would have been charged for the group health benefits had the qualified continuee stayed covered under this Contract on a regular basis. It includes any amount that would have been paid by the Employer. Except as explained in the **Extra Continuation for Disabled Qualified Continuees** section, an additional charge of two percent of the total premium charge may also be required by the Employer.

If the qualified continuee fails to give the Employer notice of his or her intent to continue, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

Grace in Payment of Premiums

A qualified continuee's premium payment is timely if, with respect to the first payment after the qualified continuee elects to continue, such payment is made no later than 45 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the specified date.

When Continuation Ends

A qualified continuee's continued group health benefits end on the first of the following:

a. with respect to continuation upon the Employee's termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;

b. with respect to a disabled qualified continuee who has elected an additional 11 months of continuation, the earlier of:

- the end of the 29 month period which starts on the date the group health benefits would otherwise end; or
- the first day of the month which coincides with or next follows the date which is 30 days after the date on which a final determination is made that a disabled qualified continuee is no longer disabled under Title II or Title XVI of the Social Security Act;

c. with respect to continuation upon the Employee's death, the Employee's legal divorce or legal separation, or the end of an insured a covered Dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;

d. with respect to a Dependent whose continuation is extended due to the Employee's entitlement to Medicare, the end of the 36 month period which starts on the date the group health benefits would otherwise end;

e. the date this Contract ends;

f. the end of the period for which the last premium payment is made;

g. the date he or she becomes covered under any other group health plan which contains no limitation or exclusion with respect to any Pre–Existing Condition of the qualified continuee;

h. the date he or she becomes entitled to Medicare.

A divorced spouse whose continued health benefits end as described above may elect to convert some of these benefits to an individual contract. Read this Contract's Conversion Rights for Divorced Spouses section for details.

NEW JERSEY GROUP CONTINUATION RIGHTS

Important Notice

If An Employee's Group Benefits End

If an Employee's health coverage ends due to termination of employment for a reason other than for cause, or reduction of work hours to below 25 hours per week, he or she may elect to continue such benefits for up to 12 months, subject to the **When Continuation Ends** section. At the Employee's option, he or she may elect to continue health coverage for any of his or her then covered Dependents whose coverage would otherwise end at this time. In order to continue health coverage for his or her Dependents, the Employee must elect to continue health coverage for himself or herself.

What The Employee Must Do

To continue his or her health coverage, the Employee must send a written request to the Employer within 30 days of the date of termination of employment or reduction of work hours. The Employee must also pay the first month's premium. The first premium payment must be made within 30 days of the date the Employee elects continuation.

The subsequent premiums must be paid to the Employer, by the Employee, in advance, at the times and in the manner We specify.

The monthly premium will be the total rate which would have been charged for the small group benefits had the Employee stayed covered under this Contract on a regular basis. It includes any amount that the Employer would have paid. And an additional charge of 2% of the total premium may be charged for the continued coverage.

If an Employee fails to give the Employer notice that he or she elects to continue, or fails to make any premium payment in a timely manner, he or she waives his or her continuation rights. All premium payments, except the first, will be considered timely if they are made within 31 days of the specified due dates.

The Continued Coverage

The Employee's continued coverage will be identical to the coverage he or she had when covered under this Contract on a regular basis. Any modifications made under this Contract will apply to similarly situated continuees. We do not ask for proof for insurability in order for an Employee to continue.

When Continuation Ends

A Member's continued health coverage ends on the first of the following:

a. the date which is 12 months from the date the small group benefits would otherwise end;
b. the date the Member becomes eligible for Medicare;
c. the end of the period for which the last premium payment is made;
d. the date the Member becomes covered under another group medical plan which contains no limitation or exclusion with respect to any Pre–Existing Condition of the Member;
e. with respect to a Member who becomes covered under another group medical plan which contains a limitation or exclusion with respect to a Pre–Existing Condition of the Member, the date such limitation or exclusion ends;
f. the date the Employer no longer provides any health benefit plans for any of the Employer's Employees or their eligible Dependents; or
g. with respect to a Dependent, the date he or she is no longer an eligible Dependent as defined in this Contract.

A TOTALLY DISABLED EMPLOYEE'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS

If An Employee is Totally Disabled

An Employee who is Totally Disabled and whose group health benefits end because his or her active employment or membership in an eligible class ends due to that disability, can elect to continue his or her group health benefits. But he or she must have been covered by this Contract for at least three months immediately prior to the date his or her group health benefits ends. The continuation can cover the Employee, and at his or her option, his or her then covered Dependents.

How And When To Continue Coverage

To continue group health benefits, the Employee must give the Employer written notice that he or she elects to continue such benefits. And he or she must pay the first month's premium. This must be done within 31 days of the date his or her coverage under this Contract would otherwise end.

Subsequent premiums must be paid to the Employer monthly, in advance, at the times and in the manner specified by the Employer. The monthly premium the Employee must pay will be the total rate charged for an active Full–Time Employee, covered under this Contract on a regular basis, on the date each payment is due. It includes any amount which would have been paid by the Employer.

We will consider the Employee's failure to give notice or to pay any required premium as a waiver of the Employee's continuation rights.

If the Employer fails, after the timely receipt of the Employee's payment, to pay Us on behalf of such Employee, thereby causing the Employee's coverage to end; then such Employer will be liable for the Employee's benefits, to the same extent as, and in place of, Us.

When This Continuation Ends

These continued group health benefits end on the first of the following:

a. the end of the period for which the last payment is made, if the Employee stops paying;
b. the date the Member becomes employed and eligible or covered for similar benefits by another group plan, whether it be an insured or uninsured plan;
c. the date this Contract ends or is amended to end for the class of Employees to which the Employee belonged; or
d. with respect to a Dependent, the date he or she stops being an eligible Dependent as defined in this Contract.

EMPLOYEE'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS DURING A FAMILY LEAVE OF ABSENCE

Important Notice

This section may not apply to an Employer's plan. The Employee must contact his or her Employer to find out if:

- the Employer must allow for a leave of absence under Federal law and, therefore
- the section applies to the Employee.

If An Employee's Group Health Coverage Ends

Group health coverage may end for an Employee because he or she ceases Full–Time work due to an approved leave of absence. Such leave of absence must have been granted to allow the Employee to care for a sick family member or after the birth or adoption of a child. If so, his or her medical care coverage will be continued. Dependents' coverage may also be continued. The Employee will be required to pay the same share of premium as before the leave of absence.

When Continuation Ends

Coverage may continue until the earliest of:

a. the date the Employee returns to Full–Time work
b. the end of a total period of 12 weeks in any 12 month period, or
c. the date on which the Employee's coverage would have ended had the Employee not been on leave.

[A DEPENDENT'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS

If an Employee dies, any of his or her Dependents who were covered under this contract may elect to continue coverage. Subject to the payment of the payment of the required premium, coverage may be continued until the earlier of:

a. 180 days following the date of the Employee's death; or
b. the date the Dependent is no longer eligible under the terms of this Contract.]

[CONVERSION RIGHTS FOR DIVORCED SPOUSES IF AN EMPLOYEE'S MARRIAGE ENDS

If an Employee's marriage ends by legal divorce or annulment, the group health coverage for his or her former spouse ends. The former spouse may convert to an individual contract during the conversion period. The former spouse may cover under his or her individual contract any of his or her Dependent children who were covered under this Contract on the date the group health benefits ends. See exceptions below.

Exceptions

No former spouse may use this conversion right:

- unless he or she has been covered under this Contract for at least 3 months.
- if he or she is eligible for Medicare;
- if it would cause him or her to be excessively covered; or
- [• if he or she permanently relocates outside the Service Area.]

This may happen if the spouse is covered or eligible for coverage providing similar benefits provided by any other plan, insured or not insured. We will determine if excessive coverage exists using Our standards for excessive coverage.

HOW AND WHEN TO CONVERT

The conversion period means the 31 days after the date group health benefits ends. The former spouse must apply for the individual contract in writing and pay the first premium for such contract during the conversion period. Evidence of good health will not be required.

THE CONVERTED CONTRACT

The individual contract will provide the medical benefits that We are required to offer. The individual contract will take effect on the day after group health coverage under this Contract ends.

After group health coverage under this Contract ends, the former spouse and any children covered under the individual contract may still receive benefits under this Contract. If so, benefits to be paid under the individual contract, if any, will be reduced by the amount paid or the reasonable cash value of services provided under this Contract.]

XII. RIGHT TO RECOVERY— THIRD PARTY LIABILITY

As used in this section:

"Covered Person" means an Employee or Dependent, including the legal representative of a minor or incompetent, covered by this Contract.

"Reasonable pro-rata Expenses" are those costs such as lawyers fees and court costs, incurred to effect a third party payment, expressed as a percentage of such payment.

"Third Party" means anyone other than Us, the Employer or the Covered Person.

If a Covered Person receives services or supplies from Us or makes a claim to Us for benefits under this Contract prior to receiving payment from a third party or its insurer, the Covered Person must agree, in writing, to repay Us from any amount of money they receive from the third party, or its insurer for an Illness or Injury.

We shall require the return of health benefits paid or the reasonable cash value of all services and supplies arranged [or provided] for an Illness or Injury, up to the amount a Covered Person receives for that Illness or Injury through:

a. a third party settlement;
b. a satisfied judgment; or
c. other means.

We will only require such payment when the amounts received through such settlement, judgment or otherwise, are specifically identified as amounts paid for health benefits for which We have paid benefits or arranged [or provided] services or supplies.

The repayment will be equal to the amount of benefits paid by Us or the reasonable cash value of services and supplies arranged or provided by Us. However, the Covered Person may deduct the reasonable pro-rata expenses, incurred in effecting the third party payment from the repayment to Us.

The repayment agreement will be binding upon the Covered Person whether:

a. the payment received from the third party, or its insurer, is the result of a legal judgment, an arbitration award, a compromise settlement, or any other arrangement, or
b. the third party, or its insurer, has admitted liability for the payment.

We will not pay any benefits under this Contract or arrange [or provide] services and supplies to or on behalf of a Covered Person, who has received payment in whole or in part from a third party, or its insurer for past or future charges for an Illness or Injury, resulting from the negligence, intentional act, or no-fault tort liability of a third party.

XIII. EFFECT OF MEDICARE ON THE COVERAGE

A. ELIGIBILITY PROVISIONS FOR MEMBERS AGE 65 OR MORE WHO ARE ELIGIBLE FOR MEDICARE.

"Medicare" means Title XVIII (Health Insurance for the Aged and Disabled) of the United States Social Security Act, as amended from time to time.

"Part A of Medicare" means the program of Hospital Insurance for the Aged and Disabled under Part A of Medicare.

A Member age 65 or more who is eligible for Part A of Medicare may have this coverage as that person's primary benefit program, pursuant to the Federal Age Discrimination in Employment Act, as amended. The coverage for such Member will continue only while the Member is meeting the following conditions:

1. In the case of an Employee, the Employee is not retired.
2. In the case of a Dependent, the Member is the Dependent of an Employee who meets condition (1) above.
3. The Member has not elected Medicare, in writing, as the primary benefit program.

B. SPECIAL PROVISIONS FOR OTHER MEMBERS WHO ARE ELIGIBLE FOR MEDICARE.

For a member who is eligible for Medicare and to whom section A above does not apply, this coverage will continue only subject to the following conditions:

1. The Member, if eligible, has enrolled in Parts A and B of Medicare.
2. The Member has completed such consents, releases, assignments and other documents reasonably requested by Us to obtain or assure Medicare reimbursements.

C. SERVICES AND SUPPLIES.

The services and supplies of this coverage provided to Members are not designed to duplicate any benefit for which they are enrolled and entitled under Medicare. All sums payable under Medicare for services and supplies that are provided under this coverage will be payable to, and retained by, Us.

[Carrier] covers drugs to treat an Illness, Injury, or Mental and Nervous Conditions and Substance Abuse which require a Practitioner's prescription. But [Carrier] only covers drugs which are:

a. approved for treatment of the Covered Person's Illness, Injury or Mental and Nervous Conditions and Substance Abuse by the Food and Drug Administration;

b. approved by the Food and Drug Administration for the treatment of a particular diagnosis or condition other than the Covered Person's and recognized as appropriate medical treatment for the Covered Person's diagnosis or condition in one or more of the following established reference compendia:

1. The American Medical Association Drug Evaluations;
2. The American Hospital Formulary Service Drug Information;
3. The United States Pharmacopeia Drug Information; or

c. recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal.

Coverage for the above drugs also includes medically necessary services associated with the administration of the drugs.

In no event will [Carrier] pay for:

a. drugs labeled: "Caution—Limited by Federal Law to Investigational Use";

or

b. any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed.

And [Carrier] excludes drugs that can be bought without a prescription, even if a Practitioner orders them.

[Carrier] does cover drugs to treat Mental and Nervous Conditions and Substance Abuse as part of the Prescription Drugs Covered Charge. Drugs for such treatment are not covered under the Rider for Mental and Nervous Conditions and Substance Abuse Benefits.

The **Mental and Nervous Conditions and Substance Abuse** section of the **COVERED CHARGES WITH SPECIAL LIMITATIONS** provision of the **HEALTH BENEFITS INSURANCE** section of the Policy is replaced with the following.

The Co–Payment, Cash Deductible, Co–Insurance and Co–Insurance cap provisions of this Rider are independent of similar provisions of the **Health Benefits** section of the Policy. Charges incurred for the treatment of Mental and Nervous Conditions and Substance Abuse must be considered under the terms of this Rider and cannot be considered under the **Health Benefits** section of the Policy.

PRE–CERTIFICATION REQUIREMENTS

The Covered Person must notify [XYZ] whenever he or she requires Inpatient or Outpatient care or treatment of Mental and Nervous Conditions or Substance Abuse. [XYZ], a health care review organization, reviews and pre-certifies all mental health and Substance Abuse treatment on [Carrier's] behalf. The times and manner in which [XYZ] must be notified are described below. If the Covered Person does not comply with these requirements, [Carrier] will not pay for the care and treatment of Mental and Nervous conditions and Substance Abuse. See the **Penalty for Non–Compliance with Pre–Certification Requirements** section of this Rider.

NON–EMERGENCY SITUATIONS

All non-emergency care or treatment **must** be reviewed by [XYZ] **before** it occurs. The Covered Person or his or her Practitioner must notify [XYZ] and request a review. They may do this by calling the [XYZ] 24 hour toll-free number that is listed [in the Covered Person's materials].

EMERGENCY SITUATIONS

In an emergency situation, [XYZ] must be notified within [24 hours] of care or treatment. But, if the Covered Person or his or her Practitioner is unable to call [XYZ] in the allotted amount of time, the Covered Person or his or her Practitioner must call [XYZ] as soon as reasonably possible.

Emergency means an Illness or Injury that requires a Covered Person to seek immediate Medically Necessary and Appropriate care or treatment under circumstances or at locations which reasonably preclude the Covered Person from obtaining care from an [XYZ] referred provider.

In both emergency and non emergency situations, when [XYZ] receives the notice and request for utilization review, they evaluate:

a. the Medical Necessity and Appropriateness;
b. the type of service involved;
c. the appropriate level of care required; and
d. the length of treatment.

Upon evaluation, [XYZ] will develop a treatment plan and refer the Covered Person to a specific mental health provider. [XYZ] may substitute alternate forms of care in lieu of inpatient care.

BENEFITS FOR MENTAL AND NERVOUS CONDITIONS AND SUBSTANCE ABUSE

[Carrier] will pay benefits for the Covered Charges a Covered Person incurs for the treatment of Mental and Nervous Conditions and Substance Abuse, as described below.

Co–Insurance

The Co–Insurance listed below is the percentage of a Covered Charge that the Covered Person must pay to a provider.

For Inpatient services certified as medically or clinically necessary by [XYZ]	None
For Inpatient services not certified by [XYZ]	100%
For Outpatient services certified as medically or clinically necessary by [XYZ]	None
For Outpatient services not certified by [XYZ]	100%

Co–Payments

Each Covered Person must pay a Co–Payment of [$150] for each day of Inpatient care up to a maximum of [$750] per confinement, subject to a maximum of [$1,500] Co–Payment per Calendar Year.

Each Covered Person must pay a Co–Payment of [$15] to the [XYZ] referred provider for each Outpatient visit. [Carrier] pays benefits for Outpatient Covered Charges in excess of the Co–Payment, less any applicable Co–Insurance.

Benefit Limits

Under this rider, [Carrier] only covers:

a. 30 days of Inpatient care per Calendar year; and
b. 20 Outpatient visits per Calendar year.

Each one day of Inpatient care may be exchanged for 2 Outpatient visits.

PENALTY FOR NON–COMPLIANCE WITH PRE–CERTIFICATION REQUIREMENTS

As a penalty for non-compliance with pre-certification requirements, [Carrier] will not pay for the care and treatment of Mental and Nervous Conditions and Substance Abuse. Such penalty will be applied if:

a. the Covered Person does not request a review in the times and manner described above;
b. the Covered Person's treatment does not comply with the treatment plan;
c. the Covered Person goes to a provider whose services were not referred by [XYZ]; or
d. [XYZ] does not confirm the need for such care or treatment.

APPEALS PROCEDURE

[If the Covered Person or his or her attending Practitioner does not agree with the outcome of the [XYZ] review, the case will be immediately referred to a [XYZ] Practitioner who will discuss the case directly with the attending Practitioner. If an agreement is not reached, the case will be internally reviewed by a staff psychiatrist who may request that a local case manager see the Covered Person, or may discuss the case again with the attending Practitioner. This may involve a visit to the Facility in question and a clinical interview with the Covered Person and/or the family. If there is not agreement at that time, the Covered Person may appeal directly to [Carrier].]

This rider is part of the Policy. Except as stated above, nothing in this rider changes or affects any other terms of the Policy.

PART 1

EXPLANATION OF BRACKETS—POLICY FORMS

(PLANS A, B, C, D, E)

All text which is enclosed in brackets [ ] is variable. Such text may generally be categorized in five ways.

a. Some areas of variability are self-explanatory. Examples include: [Carrier], [Policyholder], and [ABC].

b. Some areas of variability are noted with brief explanations within the text. Examples include: use of Planholder, PPO, and POS text.

c. Some areas of variability are intended to allow for flexibility in terms of a carrier's administrative practices.

d. Some areas of variability are subject to ranges and parameters specified in statute and/or regulation.

e. Some areas of variability are determined by the election made by a Carrier, or by the delivery system.

Areas of variability, which may require clarification and explanation as to use, are explained below. The order of the list is consistent with the order of appearance in the policy forms.

1. Dividend text which appears both on the Face Page and in the General Provisions should only be included by carriers that could pay dividends.

2. Deductible, Co–Insurance, and Co–Payments may be elected by the Employer, subject to the availability specified in regulation.

3. If a Carrier elects to provide for BOTH a family deductible and family Co–Insurance Cap allowing for an aggregate satisfaction as opposed to an individual satisfaction, the variable schedule text addressing individual satisfaction would be deleted. The **BENEFIT PROVISION** of the **HEALTH BENEFITS INSURANCE provision includes text for both an individual and an aggregate satisfaction. Carriers should include text consistent with the text included on the Schedule.** NOTE: ALL plans issued by a Carrier MUST include the same option.

4. The refund formula specified on the Premium Amounts provision of the General Provisions may be modified to specify alternate methods of calculation.

5. Percentage participation requirements as noted in the Participation Requirements and in the Termination of the Policy–Renewal Privilege provisions of the General Provisions may be determined by the Carrier, provided the requirements comply with the requirements permitted in Statute and regulation.

6. The Notice of Loss provision of the Claims Provisions may be omitted at the option of the Carrier.

7. The Payment of Claims provision of the Claims Provisions should include the second or third sentence of the last paragraph, as appropriate.

8. The definition of Reasonable and Customary should only include a reference to the negotiated fee schedule if the Carrier is offering the plan using a Preferred Provider Option or a Point of Service delivery system.

9. The Waiting Period provision of the Employee Coverage Provision may be omitted or included at the option of the Employer. If included, the period may not exceed 6 months and must satisfy the requirements of regulation.

10. The date Employee and Dependent coverage ends may vary to accommodate Employer and/or Carrier administration practices. For example, coverage may end immediately or may end at the end of the month following a termination event.

11. If the plan being issued is an indemnity plan, Co–Insurance Cap text should be included. If the plan being issued is a PPO or POS plan, Coinsured Charge Limit text should be included.
12. The method a Carrier chooses to make the optional cancer treatment benefits available will determine which transplant benefit text the Carrier would include. **NOTE: A Carrier may make separate elections regarding the optional benefit for Plan A and B–E to either include as part of the standard plans or offer as a rider.**
13. The Utilization Review Features provisions may be omitted in their entirety, or only one section, the Required Hospital Stay Review or the Required Pre–Surgical Review section may be omitted. If any portion of Utilization Review Features is to be included, either the text must conform to the text of the standard form, except that the penalty for non-compliance may be adjusted to reflect a different percentage, or to utilize a dollar penalty; or the text must be submitted to the Board and the Department of Insurance for review and approval prior to use, as specified in regulation.
14. The Alternate Treatment Features provisions may be omitted. Carrier may administratively provide for such provisions. If included in the policy, the text must conform to the text of the standard form.
15. The Centers of Excellence Features provisions may be omitted. If included in the policy, the text must conform to the text of the standard form.

(RIDERS)

All text which is enclosed in brackets [ ] is variable.

Some areas of variability are self-explanatory. Examples include: [Carrier], [XYZ], and [ABC].

Some areas of variability are noted with brief explanations on the text. An example is the rider closure.

The Co–Payment amounts in the Mental and Nervous Conditions and Substance Abuse rider may vary to be consistent with any other Co–Payment amounts allowed for HMO plans.

The Appeals Procedure in the Mental and Nervous Conditions and Substance Abuse rider may vary to conform to a carrier's and/or health care review organization's procedure.

MEDICARE AND CHAMPUS PAYMENTS. A patient's signature requests that payment be made and authorizes release of any information necessary to process the claim and certifies that the information provided in Blocks 1 through 12 is true, accurate and complete. In the case of a Medicare claim, the patient's signature authorizes any entity to release to Medicare medical and nonmedical information, including employment status, and whether the person has employer group health insurance, liability, no-fault, worker s compensation or other insurance which is responsible to pay for the services for which the Medicare claim is made. See 42 CFR 411.24(a). If item 9 is completed, the patient's signature authorizes release of the information to the health plan or agency shown. In Medicare assigned or CHAMPUS participation cases, the physician agrees to accept the charge determination of the Medicare carrier or CHAMPUS fiscal intermediary as the full charge, and the patient is responsible only for the deductible, coinsurance and noncovered services. Coinsurance and the deductible are based upon the charge determination of the Medicare carrier or CHAMPUS fiscal intermediary if this is less than the charge submitted. CHAMPUS is not a health insurance program but makes payment for health benefits provided through certain affiliations with the Uniformed Services. Information on the patient's sponsor should be provided in those items captioned in "Insured", i e., items 1a, 4, 6, 7, 9, and 11.

BLACK LUNG AND FECA CLAIMS

The provider agrees to accept the amount paid by the Government as payment in full. See Black Lung and FECA instructions regarding required procedure and diagnosis coding systems.

SIGNATURE OF PHYSICIAN OR SUPPLIER (MEDICARE, CHAMPUS, FECA AND BLACK LUNG)

I certify that the services shown on this form were medically indicated and necessary for the health of the patient and were personally furnished by me or were furnished incident to my professional service by my employee under my immediate personal supervision, except as otherwise expressly permitted by Medicare or CHAMPUS regulations.

For services to be considered as "incident" to a physician's professional service, 1) they must be rendered under the physician's immediate personal supervision by his/her employee, 2) they must be an integral, although incidental part of a covered physician's service, 3) they must be of kinds commonly furnished in physician's offices, and 4) the services of nonphysicians must be included on the physician's bills.

For CHAMPUS claims, I further certify that I (or any employee) who rendered services am not an active duty member of the Uniformed Services or a civilian employee of the United States Government or a contract employee of the United States Government, either civilian or military (refer to 5 USC 5536). For Black-Lung claims, I further certify that the services performed were for a Black Lung-related disorder.

No Part B Medicare benefits may be paid unless this form is received as required by existing law and regulations (42 CFR 424.32).

NOTICE: Any one who misrepresents or falsifies essential information to receive payment from Federal funds requested by this form may upon conviction be subject to fine and imprisonment under applicable Federal laws.

NOTICE TO PATIENT ABOUT THE COLLECTION AND USE OF MEDICARE, CHAMPUS, FECA, AND BLACK LUNG INFORMATION
(PRIVACY ACT STATEMENT)

We are authorized by HCFA, CHAMPUS and OWCP to ask you for information needed in the administration of the Medicare, CHAMPUS, FECA, and Black Lung programs. Authority to collect information is in section 205(a), 1862, 1872 and 1874 of the Social Security Act as amended, 42 CFR 411.24(a) and 424.5(a) (6), and 44 USC 3101;41 CFR 101 et seq and 10 USC 1079 and 1086; 5 USC 8101 et seq; and 30 USC 901 et seq; 38 USC 613; E.O. 9397.

The information we obtain to complete claims under these programs is used to identify you and to determine your eligibility. It is also used to decide if the services and supplies you received are covered by these programs and to insure that proper payment is made.

The information may also be given to other providers of services, carriers, intermediaries, medical review boards, health plans, and other organizations or Federal agencies, for the effective administration of Federal provisions that require other third parties payers to pay primary to Federal program, and as otherwise necessary to administer these programs. For example, it may be necessary to disclose information about the benefits you have used to a hospital or doctor. Additional disclosures are made through routine uses for information contained in systems of records.

FOR MEDICARE CLAIMS: See the notice modifying system No. 09-70-0501, titled, 'Carrier Medicare Claims Record,' published in the Federal Register, Vol. 55 No. 177, page 37549, Wed. Sept. 12, 1990, or as updated and republished.

FOR OWCP CLAIMS: Department of Labor, Privacy Act of 1974, "Republication of Notice of Systems of Records," Federal Register Vol. 55 No. 40, Wed Feb. 28, 1990, See ESA-5, ESA-6, ESA-12, ESA-13, ESA-30, or as updated and republished.

FOR CHAMPUS CLAIMS: PRINCIPAL PURPOSE(S): To evaluate eligibility for medical care provided by civilian sources and to issue payment upon establishment of eligibility and determination that the services/supplies received are authorized by law.

ROUTINE USE(S): Information from claims and related documents may be given to the Dept. of Veterans Affairs, the Dept. of Health and Human Services and/or the Dept. of Transportation consistent with their statutory administrative responsibilities under CHAMPUS/CHAMPVA; to the Dept. of Justice for representation of the Secretary of Defense in civil actions; to the Internal Revenue Service, private collection agencies, and consumer reporting agencies in connection with recoupment claims; and to Congressional Offices in response to inquiries made at the request of the person to whom a record pertains. Appropriate disclosures may be made to other federal, state, local, foreign government agencies, private business entities, and individual providers of care, on matters relating to entitlement, claims adjudication, fraud, program abuse, utilization review, quality assurance, peer review, program integrity, third-party liability, coordination of benefits, and civil and criminal litigation related to the operation of CHAMPUS.

DISCLOSURES: Voluntary; however, failure to provide information will result in delay in payment or may result in denial of claim. With the one exception discussed below, there are no penalties under these programs for refusing to supply information. However, failure to furnish information regarding the medical services rendered or the amount charged would prevent payment of claims under these programs. Failure to furnish any other information, such as name or claim number, would delay payment of the claim. Failure to provide medical information under FECA could be deemed an obstruction.

It is mandatory that you tell us if you know that another party is responsible for paying for your treatment. Section 1128B of the Social Security Act and 31 USC 3801-3812 provide penalties for withholding this information.

You should be aware that P.L. 100-503, the "Computer Matching and Privacy Protection Act of 1988", permits the government to verify information by way of computer matches.

MEDICAID PAYMENTS (PROVIDER CERTIFICATION)

I hereby agree to keep such records as are necessary to disclose fully the extent of services provided to individuals under the State's Title XIX plan and to furnish information regarding any payments claimed for providing such services as the State Agency or Dept. of Health and Humans Services may request.

I further agree to accept, as payment in full, the amount paid by the Medicaid program for those claims submitted for payment under that program, with the exception of authorized deductible, coinsurance, co-payment or similar cost-sharing charge.

SIGNATURE OF PHYSICIAN (OR SUPPLIER): I certify that the services listed above were medically indicated and necessary to the health of this patient and were personally furnished by me or my employee under my personal direction.

NOTICE: This is to certify that the foregoing information is true, accurate and complete. I understand that payment and satisfaction of this claim will be from Federal and State funds, and that any false claims, statements, or documents, or concealment of a material fact, may be prosecuted under applicable Federal or State laws.

Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to HCFA, Office of Financial Management, P.O. GENERAL PROVISIONS

INCONTESTABILITY OF THE POLICY

There will be no contest of the validity of the Policy, except for not paying premiums, after it has been in force for 2 years from the Effective Date.

No statement in any application, except a fraudulent statement, made by the Policyholder or by a person insured under the Policy shall be used in contesting the validity of his or her insurance or in denying a claim for a loss incurred after such insurance has been in force for two years during the person's lifetime. Note: There is no time limit with respect to a contest in connection with fraudulent statements.

[PAYMENT OF PREMIUMS—GRACE PERIOD

Premiums are to be paid by the Policyholder to [Carrier]. Each may be paid at a [Carrier's] office [or to one of its authorized agents.] One is due on each premium due date stated on the first page of the Policy. The Policyholder may pay each premium other than the first within 31 days of the premium due date without being charged interest. Those days are known as the grace period. The Policyholder is liable to pay premiums to [Carrier] for the time the Policy is in force. Premiums unpaid after the end of the grace period are subject to a late payment interest charge determined as a percentage of the amount unpaid. That percentage will be determined by [Carrier] from time to time, but will not be more than the maximum allowed by law.]

MISSTATEMENTS

If the age of an Employee, or any other relevant facts, are found to have been misstated, and the premiums are thereby affected, an equitable adjustment of premiums will be made. If such misstatement involves whether or not the person's coverage would have been accepted by [Carrier], subject to the Policy's **Incontestability** section, the true facts will be used in determining whether coverage is in force under the terms of the Policy.

[DIVIDENDS

[Carrier] will determine the share, if any, of its divisible surplus allocable to the Policy as of each Policy Anniversary, if the Policy stays in force by the payment of all premiums to that date. The share will be credited to the Policy as a dividend as of that date.

Each dividend will be paid to the Policyholder in cash unless the Policyholder asks that it be applied toward the premium then due or future premiums due.

[Carrier's] sole liability as to any dividend is as set forth above.

If the aggregate dividends under the Policy and any other policy(ies) of the Policyholder exceed the aggregate payments towards their cost made from the Employer's own funds, the Policyholder will see that an amount equal to the excess is applied for the benefit of Covered Persons.]

OFFSET

[Carrier] reserves the right, before paying benefits to a Covered Person, to use the amount of payment due to offset a claims payment previously made in error.

CONTINUING RIGHTS

[Carrier's] failure to apply terms or conditions does not mean that [Carrier] waives or gives up any future rights under the Policy.

CONFORMITY WITH LAW

Any provision of the Policy which, on its Effective Date, is in conflict with the statutes of the state in which the Covered Person resides, or with Federal law, is hereby amended to conform to the minimum requirements of such State law or Federal law.

LIMITATION OF ACTIONS

No action at law or in equity shall be brought to recover on the Policy until 60 days after a Covered Person files written proof of loss. No such action shall be brought more than three years after the end of the time within which proof of loss is required.

WORKERS' COMPENSATION

The health benefits provided under the Policy are not in place of, and do not affect requirements for coverage by Workers' Compensation.

CLAIMS PROVISIONS

A claimant's right to make a claim for any benefits provided by the Policy is governed as follows:

If the form is received within such time, it should be completed, as instructed, by all persons required to do so. Additional proof, if required, should be attached to the form.

If the form is not received within such time, the claimant may provide written proof of claim to [Carrier] on any reasonable form. Such proof must state the date the Injury or Illness began and the nature and extent of the loss.]

PROOF OF LOSS

Proof of loss must be sent to [Carrier] within 90 days of the loss.

If a notice or proof is sent later than 90 days of the loss, [Carrier] will not deny or reduce a claim if the notice or proof was sent as soon as possible.

PAYMENT OF CLAIMS

[Carrier] will pay all benefits to which the claimant is entitled as soon as [Carrier] receives written proof of loss. All benefits will be paid as they accrue. Any benefits unpaid at the Covered Person's death will be paid as soon as [Carrier] receives due proof of the death to one of the following:

a. his or her estate;
b. his or her spouse;
c. his or her parents;
d. his or her children;
e. his or her brothers and sisters; or
f. any unpaid provider of health care services.

[[Carrier] may honor such direction at [Carrier's] option.] [For covered services from an eligible Facility or Practitioner, [Carrier] will determine to pay either the Covered Person or the Facility or the Practitioner.] The Employee may not assign his or her right to take legal action under the Policy to such provider.

PHYSICAL EXAMS

[Carrier], at its expense, has the right to examine the insured. This may be done as often as reasonably needed to process a claim. [Carrier] also has the right to have an autopsy performed, at its expense.

LIMITATIONS OF ACTIONS

A Covered Person cannot bring a legal action against the Policy until 60 days from the date he or she files proof of loss. And he or she cannot bring legal action against the Policy after three years from the date he or she files proof of loss.

[Carrier] will also not cover any technology or any hospitalization primarily to receive such technology if such technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of a particular condition.

Governmental approval of technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of a particular condition, as explained below.

[Carrier] will apply the following five criteria in determining whether services or supplies are Experimental or Investigational:

a. Any medical device, drug, or biological product must have received final approval to market by the FDA for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug or biological product for another diagnosis or condition will require that one or more of the following established reference compendia:
   1. The American Medical Association Drug Evaluations;
   2. The American Hospital Formulary Service Drug Information; or
   3. The United States Pharmacopeia Drug Information

   recognize the usage as appropriate medical treatment. As an alternative to such recognition in one or more of the compendia, the usage of the drug will be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests will not be considered Experimental or Investigational.

In any event, any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered Experimental or Investigational.

b. Conclusive evidence from the published peer-reviewed medical literature must exist that the technology has a definite positive effect on health outcomes; such evidence must include well-designed investigations that have been reproduced by non affiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;
c. Demonstrated evidence as reflected in the published peer-reviewed medical literature must exist that over time the technology leads to improvement in health outcomes, i.e., the beneficial effects outweigh any harmful effects;
d. Proof as reflected in the published peer-reviewed medical literature must exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and

[A Dependent is totally disabled if he or she cannot engage in the normal activities of a person in good health and of like age and sex.] The Employee [or Dependent] must be under the regular care of a Practitioner.

[We, Us, our and **[Carrier]** mean [Carrier].]

[You, Your and Yours mean an Employee who is insured under the Policy.]

Eligible Employees

Subject to the **Conditions of Eligibility** set forth below, and to all of the other conditions of the Policy, all of the Policyholder's Employees who are in an eligible class will be eligible if the Employees are Actively at Work Full–Time Employees.

For purposes of the Policy, [Carrier] will treat partners, proprietors and independent contractors like Employees if they meet the Policy's **Conditions of Eligibility.**

Conditions of Eligibility

Full–Time Requirement

[Carrier] will not insure an Employee unless the Employee is an Actively at Work Full–Time Employee.

Enrollment Requirement

[Carrier] will not insure the Employee until the Employee enrolls and agrees to make the required payments, if any. If the Employee does this within [30] days of the Employee's Eligibility Date, coverage is scheduled to start on the Employee's Eligibility Date.

If the Employee enrolls and agrees to make the required payments, if any:

a. more than [30] days after the Employee's Eligibility Date; or
b. after the Employee previously had coverage which ended because the Employee failed to make a required payment,

[Carrier] will consider the Employee to be a Late Enrollee. Late Enrollees are subject to the Policy's Pre–Existing Conditions limitation.

However, if an Employee initially waived coverage under the Policy, and the Employee stated at that time that such waiver was because he or she was covered under another group plan, and Employee now elects to enroll under the Policy, [Carrier] will not consider the Employee to be a Late Enrollee, provided the coverage under the other plan ends due to one of the following events:

a. termination of employment;
b. divorce;
c. death of the Employee's spouse; or
d. termination of the other plan's coverage.

But, the Employee must enroll under the Policy within 90 days of the date that any of the events described above occur. Coverage will take effect as of the date he or she becomes eligible.

[The Waiting Period

The Policy has the following waiting periods:

Employees in an eligible class on the Effective Date, who have completed at least [6] months of continuous Full–Time service with the Employer by that date, are eligible for insurance under the Policy from the Effective Date.

Employees in an eligible class on the Effective Date, who have not completed at least [6] months of continuous Full–Time service with the Employer by that date, are eligible for insurance under the Policy from the date after Employees complete [6] months of continuous Full–Time service.

Employees who enter an eligible class after the Effective Date are eligible for insurance under the Policy from the day after Employees complete [6] months of continuous Full–Time service with the Employer.]

When Employee Coverage Starts

You must be Actively at Work, and working Your regular number of hours, on the date Your coverage is scheduled to start. And You must have met all the conditions of eligibility which apply to You. If You are not Actively at Work on the scheduled Effective Date, [Carrier] will postpone the start of Your Coverage until You return to Active Work.

Sometimes, a scheduled Effective Date is not a regularly scheduled work day. But Your coverage will start on that date if You were Actively at Work, and working Your regular number of hours, on Your last regularly scheduled work day.

You must elect to enroll and agree to make the required payments, if any, within [30] days of the Employee's Eligibility Date. If You do this within [30] days of the Employee's Eligibility Date, Your coverage is scheduled to start on the Employee's Eligibility Date. Such Employee's Eligibility Date is the scheduled Effective Date of Your coverage.

When Employee Coverage Ends

Your insurance under the Policy will end on the first of the following dates:

a. [the date] You cease to be an Actively at Work Full–Time Employee for any reason. Such reasons include disability, death, retirement, lay-off, leave of absence, and the end of employment.
b. [the date] You stop being an eligible Employee under the Policy.
c. the date the Policy ends, or is discontinued for a class of Employees to which You belong.
d. the last day of the period for which required payments are made for You.

Also, You may have the right to continue certain group benefits for a limited time after Your coverage would otherwise end. This [certificate's] benefits provisions explain these situations. Read this [certificate's] provisions carefully.

[DEPENDENT COVERAGE

Eligible Dependents for Dependent Health Benefits

Your Eligible Dependents are Your:

a. legal spouse;
b. unmarried Dependent children who are under age 19; and
c. unmarried Dependent children, from age 19 until their 23rd birthday, who are enrolled as full-time students at accredited schools. Full–time students will be as defined by the accredited school.

A Dependent is not a person who is:

a. on active duty in any armed forces of any country; or
b. insured for coverage under the Policy as an Employee.

Under certain circumstances, an incapacitated child is also a Dependent. See the **Incapacitated Children** section of this [certificate].

Your "unmarried Dependent child" includes:

a. Your legally adopted children,
b. Your step-children if such step-children depend on You for most of their support and maintenance, and
c. children under a court appointed guardianship.

[Carrier] treats a child as legally adopted from the time the child is placed in the home for purpose of adoption. [Carrier] treats such a child this way whether or not a final adoption order is ever issued.

Incapacitated Children

You may have an unmarried child with a mental or physical incapacity, or developmental disability, who is incapable of earning a living. Subject to all of the terms of this section and the Policy, such a child may stay eligible for Dependent health benefits past the Policy's age limit.

The child will stay eligible as long as the child stays unmarried and incapable of earning a living, if:

a. the child's condition started before he or she reached the Policy's age limit;
b. the child became insured by the Policy or any other policy before the child reached the age limit, and stayed continuously insured after reaching such limit; and
c. the child depends on You for most of his or her support and maintenance.

But, for the child to stay eligible, You must send [Carrier] written proof that the child is incapacitated and depends on You for most of his or her support and maintenance. You have 31 days from the date the child reaches the age limit to do this. [Carrier] can ask for periodic proof that the child's condition continues. But, after two years, [Carrier] cannot ask for this more than once a year.

The child's coverage ends when Your coverage does.

Enrollment Requirement

You must enroll Your eligible dependents in order for them to be covered under the Policy. [Carrier] considers an eligible Dependent to be a Late Enrollee, if You:

a. enroll a Dependent and agree to make the required payments more than [30] days after the Dependent's Eligibility Date;

b. in the case of a Newly Acquired Dependent, other than the first newborn child, has other eligible Dependents who You have not elected to enroll; or

c. in the case of a Newly Acquired Dependent, has other eligible Dependents whose coverage previously ended because You failed to make the required contributions, or otherwise chose to end such coverage.

Late Enrollees are subject to the Policy's Pre–Existing Conditions limitations section, if any applies.

If Your dependent coverage ends for any reason, including failure to make the required payments, Your Dependents will be considered Late Enrollees when their coverage begins again.

However, if You previously waived coverage for Your spouse or eligible Dependent children under the Policy and stated at that time that such waiver was because they were covered under another group plan, and You now elect to enroll them in the Policy, the Dependent will not be considered a Late Enrollee, provided the Dependent's coverage under the other plan ends due to one of the following events:

a. termination of employment;

b. divorce;

c. death of Your spouse; or

d. termination of the other plan's coverage.

But, You must enroll Your spouse or eligible Dependent children within 90 days of the date that any of the events described above occur. Coverage will take effect as of the date one of the above events occurs.

And, [Carrier] will not consider Your spouse or eligible Dependent children for which You initially waived coverage under the Policy, to be a Late Enrollee, if:

a. You are under legal obligation to provide coverage due to a court order; and

b. You enroll Your spouse or eligible Dependent children within 30 days of the issuance of the court order.

Coverage will take effect as of the date required pursuant to a court order.

When Dependent Coverage Starts

In order for Your dependent coverage to begin You must already be insured for Employee coverage or enroll for Employee and Dependent coverage at the same time. Subject to the exception stated below and to all of the terms of the Policy, the date Your dependent coverage starts depends on when You elect to enroll Your Initial Dependents and agree to make any required payments.

If You do this within [30] days of the Dependent's Eligibility Date, the Dependent's Coverage is scheduled to start on the later of:

a. The Dependent's Eligibility Date, or

b. the date You become insured for Employee coverage.

If You do this more than [30] days after the Dependent's Eligibility Date, [Carrier] will consider the Dependent a Late Enrollee. Coverage is scheduled to start on the later of:

a. the date You sign the enrollment form; or

b. the date You become insured for Employee coverage.

Once You have dependent coverage for Initial Dependents, You must notify [Carrier] of a Newly Acquired Dependent within [30] days after the Dependent's Eligibility Date. If You do not, the Newly Acquired Dependent is a Late Enrollee.

A Newly Acquired Dependent other than a newborn child will be covered from the later of:

a. the date You notify [Carrier] and agree to make any additional payments, or

b. the Dependent's Eligibility Date for the newly Acquired Dependent.

Exception: If a Dependent, other than a newborn child, is confined to a Hospital or other health care Facility; or is home confined on the date Your Dependent health benefits would otherwise start, [Carrier] will postpone the Effective Date of such benefits until the later of: the day after the Dependent's discharge from such Facility or until home confinement ends.

Newborn Children

[Carrier] will cover Your newborn child for 31 days from the date of birth. Health benefits may be continued beyond such 31 day period as stated below:

a. If You are already covered for Dependent child coverage on the date the child is born, coverage automatically continues beyond the initial 31 days, provided the premium required for Dependent child coverage continues to be paid.

b. If You are not covered for Dependent child coverage on the date the child is born, then You must:
   - make written request to enroll the newborn child; and
   - pay the premium required for Dependent child coverage within 31 days after the date of birth.

If the request is not made and the premium is not paid within such 31 day period, the newborn child will be a Late Enrollee.

When Dependent Coverage Ends:

A Dependent's insurance under the Policy will end on the first of the following dates:

a. [the date] Your coverage ends;
b. the date You stop being a member of a class of Employees eligible for such coverage;
c. the date the Policy ends;
d. the date Dependent coverage is terminated from the Policy for all Employees or for Your class;
e. the date You fail to pay any required part of the cost of Dependent coverage. It ends on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons;
f. at 12:01 a.m. on the date the Dependent stops being an eligible Dependent.

Read this [certificate] carefully if Dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And divorced spouses have conversion rights.]

PREFERRED PROVIDER ORGANIZATION PROVISIONS

The Employer, XYZ Health Care Network, and the [Carrier]

The Policy encourages a Covered Person to use services provided by members of [XYZ Health Care Network a Preferred Provider Organization (PPO).] A PPO is a network of health care providers located in the Covered Person's geographical area. In addition to an identification card, the Covered Person will periodically be given up-to-date lists of [XYZ Health Care Network] preferred providers.

Use of the network is strictly voluntary, but [Carrier] generally pays a higher level of benefits for most covered services and supplies furnished to a Covered Person by [XYZ Health Care Network]. Conversely, [Carrier] generally pays a lower level of benefits when covered services and supplies are not furnished by [XYZ Health Care Network] (even if an [XYZ Health Care Network] Practitioner orders the services and supplies). Of course, a Covered Person is always free to be treated by any Practitioner or Facility. And, he or she is free to change Practitioners or Facilities at any time.

A Covered Person may use any [XYZ Health Care Network] Provider. He or she just presents his or her [XYZ Health Care Network] identification card to the [XYZ Health Care Network] Practitioner or Facility furnishing covered services or supplies. Most [XYZ Health Care Network] Practitioners and Facilities will prepare any necessary claim forms for him or her, and submit the forms to [Carrier]. The Covered Person will receive an explanation of any insurance payments made by the Policy. And if there is any balance due, the [XYZ Health Care Network] Practitioner or Facility will bill him or her directly.

The Policy also has utilization review features. See the **Utilization Review Features** section for details.

What [Carrier] pays is subject to all the terms of the Policy. You should read Your [certificate] carefully and keep it available when consulting a Practitioner.

See the Schedule for specific benefit levels, payment rates and payment limits.

If You have any questions after reading Your [certificate], You should call [Carrier] [Group Claim Office at the number shown on Your identification card.]

[**Note:** Used only if coverage is offered as a PPO.]

POINT OF SERVICE PROVISIONS

Definitions

a. *Primary Care Practitioner* (PCP) means the Practitioner the Covered Person selects to supervise and coordinate his or her health care in the [XYZ] Provider Organization. [Carrier] will supply a list of PCPs who are members of the [XYZ] Provider Organization to the Covered Person.

b. *Provider Organization* (PO) means a network of health care Providers located in a Covered Person's Service Area.

c. *Network Benefits* mean the benefits shown in the Schedule which are provided if the Primary Care Practitioner provides care, treatment, services, and supplies to the Covered Person or if the Primary Care Practitioner refers the Covered Person to another Provider for such care, treatment, services, and supplies.

d. *Out-Network Benefits* mean the benefits shown in the Schedule which are provided if the Primary Care Practitioner does not authorize the care, treatment, services, and supplies.

e. *Service Area* means the geographical area which is served by the Practitioners in the [XYZ] Provider Organization.

Provider Organization (PO)

The Provider Organization for the Policy is the [XYZ] Provider Organization. The Policy requires that the Covered Person uses the services of a PCP, or be referred for services by a PCP, in order to receive Network Benefits.

The Primary Care Practitioner (PCP)

The PCP will supervise and coordinate the Covered Person's health care in the [XYZ] PO. The PCP must authorize all services and supplies. In addition, he or she will refer the Covered Person to the appropriate Practitioner and Facility when Medically Necessary and Appropriate. The Covered Person must obtain an authorized referral from his or her PCP before he or she visits another Practitioner or Facility. Except in case of a Medical Emergency, if the Covered Person does not comply with these requirements, he or she may only be eligible for Out–Network Benefits.

[Carrier] provides Network Benefits for covered services and supplies furnished to a Covered Person when authorized by his or her PCP. [Carrier] pays Out–Network Benefits when covered services and supplies are not authorized by the PCP. If services or supplies are obtained from [XYZ] Providers, but they are not authorized by the PCP, the Covered Person may only be eligible for Out–Network Benefits.

A Covered Person may change his or her PCP to another PCP [once per month]. He or she may select another PCP from the list of Practitioners, and notify [XYZ] PO by [phone or in writing].

When a Covered Person uses the services of a PCP, he or she must present his or her ID card and pay the Co–Payment. When a Covered Person's PCP refers him or her to another [XYZ] PO Provider, the Covered Person must pay the Co–Payment to such Provider. [Most [XYZ] PO Practitioners will prepare any necessary claim forms and submit them to [Carrier].]

A female Covered Person may use the services of a [XYZ] PO gynecologist for non-surgical gynecological care and routine pregnancy care without referral from her PCP. She must obtain authorization from her PCP for other services.

Out–Network Services

If a Covered Person uses the services of a Provider without having been referred by his or her PCP, he or she will not be eligible for Network Benefits. For services which have not been referred by the Covered Person's PCP, whether provided by an [XYZ] PO Provider or otherwise, the Covered Person may only be eligible for Out–Network Benefits.

Emergency Services

If a Covered Person requires services for a Medical Emergency which occurs inside the PO Service Area, he or she must notify and obtain authorization from his or her PCP within 48 hours or as soon as reasonably possible thereafter.

Emergency room visits to PO Facilities are subject to a Co–Payment, and such visits must be retrospectively reviewed [by the PCP]. [Carrier] will waive the emergency room Co–Payment if the Covered Person is hospitalized within 24 hours of the visit.

If a Covered Person requires services for a Medical Emergency outside the PO Service Area, the PCP must be notified within 48 hours or as soon as reasonably possible thereafter. Follow-up care is limited to the medical care necessary before the Covered Person can return to the PO Service Area.

Utilization Review

The Policy has utilization features. See the Utilization Review Features section of this [certificate].

Benefits

The Schedule shows Network Benefits, Out–Network Benefits, and Co–Payments applicable to the Point of Service arrangement.

What [Carrier] pays is subject to all the terms of the Policy.

[**Note:** Used only if coverage is issued as POS.]

[Grievance Procedure: Carrier may elect to include a grievance procedure when the plans are issued including Preferred Provider Organization of Point of Service Provisions. If a Carrier has had a Selective Contracting Arrangement approved by the New Jersey Departments of Insurance and Health it may include that approved Grievance Procedure language in the standard SEH forms.]

HEALTH BENEFITS INSURANCE

This health benefits insurance will pay many of the medical expenses incurred by a Covered Person.

Note: [Carrier] payments will be reduced or limited if a Covered Person does not comply with the Utilization Review and Pre–Approval requirements contained in the Policy and in this [certificate].

BENEFIT PROVISION

The Cash Deductible

Each Calendar Year, each Covered Person must have Covered Charges that exceed the Cash Deductible before [Carrier] pays any benefits to that person. The Cash Deductible is shown in the Schedule. The Cash Deductible cannot be met with Non–Covered Charges. Only Covered Charges incurred by the Covered Person while insured by the Policy can be used to meet this Cash Deductible.

Once the Cash Deductible is met, [Carrier] pays benefits for other Covered Charges above the Cash Deductible incurred by that Covered Person, less any applicable Co–Insurance or Co–Payments, for the rest of that Calendar Year. But all charges must be incurred while that Covered Person is insured by the Policy. And what [Carrier] pays is based on all the terms of the Policy.

[Family Deductible Limit

The Policy has a family deductible limit of two Cash Deductibles for each Calendar Year. Once two Covered Persons in a family meet their individual Cash Deductibles in a Calendar Year, [Carrier] pays benefits for other Covered Charges incurred by any member of the covered family, less any applicable Co–Insurance or Co–Payments, for the

rest of that Calendar Year. What [Carrier] pays is based on all the terms of the Policy.]

[Per Covered Family

The Per Covered Family Calendar Year Cash Deductible is shown in the Schedule. Once three or more Covered Persons in a family have incurred a combined total of Covered Charges toward their Per Covered Person Cash Deductible equal to the Per Covered Family Cash Deductible, each Covered Person in that family will be considered to have met his or her Per Covered Person Cash Deductible for the rest of that Calendar Year. The Covered Charges that each Covered Person in a family may use toward the Per Covered Family Cash Deductible may not exceed the amount of the Per Covered Person Cash Deductible.]

[Co–Insurance Cap

The Policy limits Co–Insurance amounts each Calendar Year except as stated below. The Co–Insurance Cap cannot be met with:

a. Non–Covered Charges;
b. Cash Deductibles; and
c. Co–Payments.

There is Co–Insurance Cap for each Covered Person.

The Co–Insurance Cap is shown in the Schedule.

Once the Covered Person's Co–Insurance amounts in a Calendar Year exceed the individual cap, [Carrier] will waive his or her Co–Insurance for the rest of that Calendar Year.]

[Coinsured Charge Limit

The coinsured charge limit is the amount of Covered Charges a Covered Person must incur each Calendar Year before no Co–Insurance is required.]

Payment Limits

[Carrier] limits what [Carrier] will pay for certain types of charges. [Carrier] also limits what [Carrier] will pay for all Illness or Injuries for each Covered Person's Per Lifetime. See the Schedule for these limits.

Benefits From Other Plans

The benefits [Carrier] will pay may be affected by a Covered Person being covered by 2 or more plans or policies. Read the provision **Coordination of Benefits** to see how this works.

The benefits [Carrier] will pay may also be affected by Medicare. Read the **Medicare as Secondary Payor** section for an explanation of how this works.

If This Plan Replaces Another Plan

The Employer who purchased the Policy may have purchased it to replace a plan the Employer had with some other insurer.

The Covered Person may have incurred charges for covered expenses under the Employer's old plan before it ended. If so, these charges will be used to meet the Policy's Cash Deductible if:

a. the charges were incurred during the Calendar Year in which the Policy starts;
b. The Policy would have paid benefits for the charges, if the Policy had been in effect;
c. The Covered Person was covered by the old plan when it ended and enrolled in the Policy on its Effective Date; and
d. The Policy starts right after the old plan ends.

The Covered Person may have satisfied part of the eligibility waiting period under the Employer's old plan before it ended. If so, the time satisfied will be used to satisfy the Policy's eligibility waiting period if:

a. the Employee was employed by the Employer on the date the Employer's old plan ended; and
b. the Policy starts right after the old plan ends.

Extended Health Benefits

If the Policy ends, and a Covered Person is Totally Disabled on such date, and under a Practitioner's care, [Carrier] will extend health benefits for that person under the Policy as explained below. This is done at no cost to the Covered Person.

[Carrier] will only extend benefits for Covered Charges due to the disabling condition. The charges must be incurred before the extension ends. And what [Carrier] will pay is based on all the terms of the Policy.

[Carrier] does not pay for charges due to other conditions. And [Carrier] does not pay for charges incurred by other covered family members.

The extension ends on the earliest of:

a. the date the Total Disability ends; or
b. one year from the date the person's insurance under the Policy ends; or
c. the date the person has reached the payment limit for his or her disabling condition.

The Employee must submit evidence to [Carrier] that he or she or his or her Dependent is Totally Disabled, if [Carrier] requests it.

COVERED CHARGES

This section lists the types of charges [Carrier] will consider as Covered Charges. But what [Carrier] will pay is subject to all the terms of the Policy. Read the entire [certificate] to find out what [Carrier] limits or excludes.

Charges while Hospitalized

[Carrier] covers charges incurred while a Covered Person is an Inpatient in a Hospital up to 30 days per Covered Person per Calendar Year. Covered Charges are as follows:

a. Hospital room and board
b. Routine Nursing Care
c. Prescription Drugs
d. Blood transfusions
e. Infusion Therapy
f. Chemotherapy
g. Radiation Therapy
h. Medically Necessary and Appropriate Hospital services and supplies provided to the Covered Person during the Inpatient confinement.

[Carrier] limits what it pays for each day to the room and board limit shown in the Schedule.

If a Covered Person incurs charges as an Inpatient in a Special Care Unit, [Carrier] covers the charges up to the daily room and board limit for a Special Care Unit shown in the Schedule.

As an exception to the Medically Necessary and Appropriate requirement of the Policy, [Carrier] also provides coverage for the mother and newly born child for:

a. a minimum of 48 hours of in-patient care in a Hospital following a vaginal delivery; and
b. a minimum of 96 hours of in-patient Hospital care following a cesarean section.

[Carrier] provides such coverage subject to the following:

a. the attending Practitioner must determine that in-patient care is medically necessary; or
b. the mother must request the in-patient care.

[Carrier] will also cover Outpatient Hospital services.

Any charges in excess of the Hospital semi-private daily room and board limit are a Non–Covered Charge. The Policy's utilization review features have penalties for non-compliance that may reduce what [Carrier] pays for Hospital charges.

Note: [Carrier] covers charges for Inpatient Hospital care up to 30 days per Covered Person per Calendar Year. Such 30 Inpatient days may be exchanged for other types of care, as explained in the **Extended Care or Rehabilitation Charges, Home Health Care Charges** and **Hospice Charges** sections.

Hospital Co–Payment Requirement

Each time a Covered Person is confined in a Hospital, he or she must pay a $250 Co–Payment for each day of confinement, up to a maximum of $1,250 per Period of Confinement, subject to a maximum $2,500 Co–Payment per Calendar Year.

Testing Charges

[Carrier] covers x-ray and laboratory tests needed for a planned Hospital admission or Surgery. [Carrier] only covers these tests if, the tests are done on an Outpatient basis within seven days of the planned admission or Surgery.

However, [Carrier] will not cover tests that are repeated after admission or before Surgery, unless the admission or Surgery is deferred solely due to a change in the Covered Person's health.

X-ray and laboratory tests which are not performed in connection with a planned Hospital admission or Surgery are Non–Covered Charges.

Extended Care or Rehabilitation Charges

Subject to [Carrier's] Pre–Approval, when Extended Care and Rehabilitation care can take the place of Inpatient Hospital care, [Carrier] covers such care provided to a Covered Person on an Inpatient basis in an Extended Care Center or Rehabilitation Center. Each 2 days of Extended Care and Rehabilitation Charges will reduce the number of Inpatient Hospital days available to a Covered Person by 1 day. Charges above the daily room and board limit are a Non–Covered Charge.

And [Carrier] covers all other Medically Necessary and Appropriate services and supplies provided to a Covered Person during the confinement, but the confinement must:

a. start within 14 days of a Hospital stay; and
b. be due to the same or a related condition that necessitated the Hospital stay.

Extended Care or Rehabilitation charges which are not Pre–Approved by [Carrier] are Non–Covered Charges.

Home Health Care Charges:

Subject to [Carrier's] Pre–Approval, when Home Health Care can take the place of Inpatient Hospital care, [Carrier] covers such care furnished to a Covered Person under a written home health care plan. Each 2 days of Home Health Care will reduce the number of Inpatient Hospital days available to a Covered Person by 1 day. [Carrier] covers all Medically Necessary and Appropriate services or supplies, such as:

a. Routine Nursing Care (furnished by or under the supervision of a Registered Nurse);
b. physical therapy;
c. occupational therapy;
d. medical social work;
e. nutrition services;
f. speech therapy;
g. home health aide services;
h. medical appliances and equipment, drugs and medications, laboratory services and special meals; and
i. any Diagnostic or therapeutic service, including surgical services performed in a Hospital Outpatient department, a Practitioner's office or any other licensed health care Facility, provided such service would have been covered under the Policy if performed as Inpatient Hospital services. But, payment is subject to all of the terms of the Policy and to the following conditions:
   a. The Covered Person's Practitioner must certify that home health care is needed in place of Inpatient care in a recognized Facility.
   b. The services and supplies must be:
   - ordered by the Covered Person's Practitioner;
   - included in the home health care plan; and
   - furnished by, or coordinated by, a Home Health Agency according to the written home health care plan.

The services and supplies must be furnished by recognized health care professionals on a part-time or intermittent basis, except when full-time or 24 hour service is needed on a short-term basis.

   c. The home health care plan must be set up in writing by the Covered Person's Practitioner within 14 days after home health care starts. And it must be reviewed by the Covered Person's Practitioner at least once every 60 days.
   d. Each visit by a home health aide, Nurse, or other recognized Provider whose services are authorized under the home health care plan can last up to four hours.
   e. [Carrier] does not pay for:
   - services furnished to family members, other than the patient; or
   - services and supplies not included in the home health care plan.

Home Health Care charges which are not Pre–Approved by [Carrier] are Non–Covered Charges.

Practitioner's Charges for Non–Surgical Care and Treatment

Practitioner's Charges for Surgery

[Carrier] covers Practitioner's charges for Medically Necessary and Appropriate Surgery. [Carrier] does not pay for cosmetic Surgery.

Second Opinion Charges

[Carrier] covers Practitioner's charges for a second opinion and charges for related x-rays and tests when a Covered Person is advised to have Surgery or enter a Hospital. If the second opinion differs from the first, [Carrier] covers charges for a third opinion. [Carrier] covers such charges if the Practitioners who give the opinions:

a. are board certified and qualified, by reason of their specialty, to give an opinion on the proposed Surgery or Hospital admission;
b. are not business associates of the Practitioner who recommended the Surgery; and
c. in the case of a second surgical opinion, they do not perform the Surgery if it is needed.

Ambulatory Surgical Center Charges

[Carrier] covers charges made by an Ambulatory Surgical Center in connection with covered Surgery.

Hospital Care Charges

Subject to [Carrier] Pre–Approval, when Hospice Care can take the place of Inpatient Hospital Care, [Carrier] covers charges made by a Hospice for palliative and supportive care furnished to a terminally ill or terminally injured Covered Person under a Hospice care program. Each 2 days of Hospice Care will reduce the number of Inpatient Hospital days available to a Covered Person by 1 day.

"Palliative and supportive care" means care and support aimed mainly at lessening or controlling pain or symptoms; it makes no attempt to cure the Covered Person's terminal illness or terminal injury.

"Terminally ill" or "terminally injured" means that the Covered Person's Practitioner has certified in writing that the Covered Person's life expectancy is six months or less.

Hospice care must be furnished according to a written "hospice care program". A "hospice care program" is a coordinated program with an interdisciplinary team for meeting the special needs of the terminally ill or terminally injured Covered Person. It must be set up and reviewed periodically by the Covered Person's Practitioner.

Under a Hospice care program, subject to all the terms of the Policy, [Carrier] covers any services and supplies including Prescription Drugs, to the extent they are otherwise covered by the Policy. Services and supplies may be furnished on an Inpatient or Outpatient basis.

The services and supplies must be:

a. needed for palliative and supportive care;
b. ordered by the Covered Person's Practitioner;
c. included in the Hospice care program; and
d. furnished by, or coordinated by a Hospice.

[Carrier] does not pay for:

a. services and supplies provided by volunteers or others who do not regularly charge for their services;
b. funeral services and arrangements;
c. legal or financial counseling or services; or
d. treatment not included in the Hospice care plan.

Hospital Care charges which are not Pre–Approved by [Carrier] are Non–Covered Charges.

Pregnancy

The Policy pays for pregnancies the same way [Carrier] would cover an Illness. The charges [Carrier] covers for a newborn child are explained [on the next page.]

Birthing Center Charges

[Carrier] covers Birthing Center charges made by a Practitioner for pre-natal care, delivery, and post partum care in connection with a Covered Person's pregnancy. [Carrier] covers charges up to the daily room and board limit for room and board shown in the Schedule when Inpatient care is provided to a Covered Person by a Birthing Center. But charges above the daily room and board limit are a Non–Covered Charge.

[Carrier] covers all other Medically Necessary and Appropriate services and supplies during the confinement.

[Benefits for a Covered Newborn Child

[Carrier] covers charges for the child's routine nursery care while he or she is in the Hospital or a Birthing Center. Charges are covered up to a maximum of 7 days following the date of birth. This includes:

a. nursery charges;
b. charges for routine Practitioner's examinations and tests; and
c. charges for routine procedures, like circumcision.

Subject to all of the terms of the Policy, [Carrier] covers the care and treatment of a covered newborn child if he or she is Ill, Injured, premature, or born with a congenital birth defect.]

Anesthetics

[Carrier] covers anesthetics and their administration.

COVERED CHARGES WITH SPECIAL LIMITATIONS

The following "Pre-Existing Conditions" and "Continuity of Coverage" provisions only apply to Policies issued to Employers of at least two but not more than five Employees. These provisions also apply to "Late Enrollees" under the Policies issued to any Small Employer. However, this provision does not apply to Late Enrollees if 10 or more Late Enrollees request enrollment during any [30] day enrollment period provided for in the Policy. See this [certificate's] **EMPLOYEE COVERAGE** [and **DEPENDENT COVERAGE**] section[s] to determine if a Covered Person is a Late Enrollee. [The "Pre-Existing Conditions" provision does not apply to a Dependent who is an adopted child or who is a child placed for adoption if the Employee enrolls the Dependent and agrees to make the required payments within [30] days after the Dependent's Eligibility Date.]

Pre–Existing Conditions

A Pre–Existing Condition is an Illness or Injury which manifests itself in the six months before a Covered Person's coverage under the Policy starts, and for which:

a. a Covered Person sees a Practitioner, takes Prescribed Drugs, receives other medical care or treatment or had medical care or treatment recommended by a Practitioner in the six months before his or her coverage starts; or
b. an ordinary prudent person would have sought medical advice, care or treatment in the six months before his or her coverage starts.

A pregnancy which exists on the date a Covered Person's coverage starts is also a Pre–Existing Condition.

[Carrier] does not pay benefits for charges for Pre–Existing Conditions until the Covered Person has been continuously covered by the Policy for 180 days.

[This limitation does not affect benefits for other unrelated conditions, or birth defects in a Covered Dependent child.] And [Carrier] waives this limitation for a Covered Person's Pre–Existing Condition if the condition was payable under another [Carrier] group plan which insured the Covered Person right before the Covered Person's coverage under the Policy started. The next section shows other exceptions.

Continuity of Coverage

A new Covered Person may have been covered under a group or individual health insurance policy or contract

delivered, or issued for delivery in the United States, including coverage by an insurance company, a health, hospital or medical service corporation, or a health maintenance organization, Medicare or Medicaid or any other federally funded health benefits program, and with respect to a group plan, an employer-based, self-funded or other health benefit arrangement, prior to enrollment under the Policy. When this happens, if the previous plan provided coverage for a condition [Carrier] gives credit for the time he or she was covered under the previous plan to determine if a condition is Pre–Existing whether or not the previous plan paid benefits for the condition to the Covered Person. [Carrier] goes back to the date his or her coverage under the previous plan started. But the Employee's active Full–Time service with the Employer must start within 90 days of the date his or her coverage under the previous plan ended. And the person must sign and complete his or her enrollment form within 30 days of the date the Employee's active Full–Time service begins. Any condition arising between the date his or her coverage under the previous plan ends and the date his or her coverage under the Policy starts is Pre–Existing. [Carrier] does not cover any charges actually incurred before the person's coverage under the Policy starts. If the Employer has included an eligibility waiting period in the Policy, an Employee must still meet it, before becoming insured.

Private Duty Nursing Care

[Carrier] only covers charges by a Nurse for Medically Necessary and Appropriate private duty nursing care, if such care is authorized as part of a home health care plan, coordinated by a Home Health Agency, and covered under the **Home Health Care Charges** section. Any other charges for private duty nursing care are a Non–Covered Charge.

Therapy Services

Therapy Services mean the following services or supplies, ordered by a Practitioner and used to treat, or promote recovery from, an Injury or Illness:

[Carrier] covers the Therapy Services listed below when provided on either an Inpatient or on an Outpatient basis.

a. *Chemotherapy*— the treatment of malignant disease by chemical or biological antineoplastic agents.
b. *Radiation Therapy*— the treatment of disease by x-ray, radium, cobalt, or high energy particle sources. Radiation therapy includes rental or cost of radioactive materials. Diagnostic Services requiring the use of radioactive materials are not radiation therapy.

d. *Respiration Therapy*— the introduction of dry or moist gases into the lungs.

Preventive Care

[Carrier] covers charges for routine physical examinations including related laboratory tests and x-rays. [Carrier] also covers charges for immunizations and vaccines, well baby care, pap smears, mammography, and screening tests. But [Carrier] limits what [Carrier] pays each Calendar Year to $100 per Covered Person, $300 per Covered Family.

Transplant Benefits

[Carrier] covers charges for:

a. Autologous Bone Marrow Transplant and Associated Dose–Intensive Chemotherapy, but only if performed by institutions approved by the National Cancer Institute, or pursuant to protocols consistent with the guidelines of the American Society of Clinical Oncologists;

b. Peripheral Blood Stem Cell Transplants, but only if performed by institutions approved by the National Cancer Institute, or pursuant to protocols consistent with the guidelines of the American Society of Clinical Oncologists.]

IMPORTANT NOTICE

[The Policy has utilization review features. Under these features, [ABC—Systems, a health care review organization] reviews Hospital admissions and Surgery performed outside of a Practitioner's office [for Carrier]. These features must be complied with if a Covered Person:

a. is admitted as an Inpatient to a Hospital, or
b. is advised to enter a Hospital or have Surgery performed outside of a Practitioner's office. If a Covered Person does not comply with these utilization review features, he or she will not be eligible for full benefits under the Policy. See the **Utilization Review Features** section for details.]

[The Policy has alternate treatment features. Under these features, [DEF, a Case Coordinator] reviews a Covered Person's medical needs in clinical situations with the potential for catastrophic claims to determine whether alternative treatment may be available and appropriate. See the **Alternate Treatment Features** section for details.]

[The Policy has centers of excellence features. Under these features, a Covered Person may obtain necessary care and treatment from Providers with whom [Carrier] has entered into agreements. See the **Centers of Excellence Features** section for details.]

[What [Carrier] pays is subject to all of the terms of the Policy. Read this [certificate] carefully and keep it available when consulting a Practitioner.

If You have any questions after reading this [certificate] You should [call The Group Claim Office at the number shown on Your identification card.]

The Policy is not responsible for medical or other results arising directly or indirectly from the Covered Person's participation in these Utilization Review Features.]

[UTILIZATION REVIEW FEATURES

Important Notice: If a Covered Person does not comply with the Policy's utilization review features, he or she will not be eligible for full benefits under the Policy.

Compliance with the Policy's utilization review features does not guarantee what [Carrier] will pay for Covered Charges. What [Carrier] pays is based on:

a. the Covered Charges actually incurred;
b. the Covered Person being eligible for coverage under the Policy at the time the Covered Charges are incurred; and
c. the Cash Deductible, Co–Payment and Co–Insurance provisions, and all of the other terms of the Policy.

Definitions

"Hospital admission" means admission of a Covered Person to a Hospital as an Inpatient for Medically Necessary and Appropriate care and treatment of an Illness or Injury.

[Carrier] calls a Hospital admission or Surgery "emergency" if, after an evaluation of the Covered Person's condition, the attending Practitioner determines that failure to make the admission or perform the Surgery immediately would pose a serious threat to the Covered Person's life or health. A Hospital admission or Surgery made or performed for the convenience of Practitioners or patients is not an emergency.

By "covered professional charges for Surgery" [Carrier] means Covered Charges that are made by a Practitioner for performing Surgery. Any surgical charge which is not a Covered Charge under the terms of the Policy is not payable under the Policy.

"Regular working day" means [Monday through Friday from 9 A.M. to 9 P.M. Eastern Time,] not including legal holidays.

Grievance Procedure

[If a Covered Person is not satisfied with a utilization review decision, the Covered Person or the Covered Person's Practitioner may appeal such decision by calling [ABC]. A nurse reviewer will collect any additional medical information required and submit the case to a second [ABC] medical review physician. This physician will discuss the case with the physician reviewer who made the initial decision. The second medical review physician will then discuss the case with the Covered Person's Practitioner. The Covered Person's Practitioner is then notified of the appeal's recommendation and referred to the [Carrier] for any further appeals.]]

[REQUIRED HOSPITAL STAY REVIEW

Important Notice: If a Covered Person does not comply with these Hospital stay review features, he or she will not be eligible for full benefits under the Policy.

Notice of Hospital Admission Required

[Carrier] requires notice of all Hospital admissions. The times and manner in which the notice must be given is described below. When a Covered Person does not comply

with the requirements of this section [Carrier] reduces what it pays for covered Hospital charges as a penalty.

Pre–Hospital Review

All non-emergency Hospital admissions must be reviewed by [ABC] before they occur. The Covered Person or the Covered Person's Practitioner must notify [ABC] and request a pre-hospital review. [ABC] must receive the notice and request as soon as possible before the admission is scheduled to occur. For a maternity admission, a Covered Person or his or her Practitioner must notify [ABC] and request a pre-hospital review at least [60 days] before the expected date of delivery, or as soon as reasonably possible.

When [ABC] receives the notice and request, [they] evaluate:

a. the Medical Necessity and Appropriateness of the Hospital admission;
b. the anticipated length of stay; and
c. the appropriateness of health care alternatives, like home health care or other out-patient care.

[ABC] notifies the Covered Person's Practitioner, [by phone, of the outcome of their review. And [they] confirm the outcome of [their] review in writing.]

If [ABC] authorizes a Hospital admission, the authorization is valid for:

a. the specified Hospital;
b. the named attending Practitioner; and
c. the authorized length of stay.

The authorization becomes invalid and the Covered Person's admission must be reviewed by [ABC] again if:

a. he or she enters a Facility other than the specified Facility;
b. he or she changes attending Practitioners; or
c. more than [60 days] elapse between the time he or she obtains authorization and the time he or she enters the Hospital, except in the case of a maternity admission.

Emergency Admission

[ABC] must be notified of all emergency admission by phone. This must be done by the Covered Person or the Covered Person's Practitioner no later than the end of the next regular working day, or as soon as possible after the admission occurs.

When [ABC] is notified [by phone,] they require the following information:

a. the Covered Person's name, social security number and date of birth;
b. the Covered Person group plan number;
c. the reason for the admission;
d. the name and location of the Hospital;
e. when the admission occurred; and
f. the name of the Covered Person's Practitioner.

Continued Stay Review

The Covered Person, or his or her Practitioner, must request a continued stay review for any emergency admission. This must be done at the time [ABC] is notified of such admission.

The Covered Person, or his or her Practitioner, must also initiate a continued stay review whenever it is Medically Necessary and Appropriate to change the authorized length of a Hospital stay. This must be done before the end of the previously authorized length of stay.

[ABC] also has the right to initiate a continued stay review of any Hospital admission. And [ABC] may contact the Covered Person's Practitioner or Hospital by phone or in writing.

In the case of an emergency admission, the continued stay review evaluates:

a. the Medical Necessity and Appropriateness of the Hospital admission;
b. the anticipated length of stay; and
c. the appropriateness of health care alternatives.

In all other cases, the continued stay review evaluates:

a. the Medical Necessity and Appropriateness of extending the authorized length of stay; and
b. the appropriateness of health care alternatives.

[ABC] notifies the Covered Person's Practitioner [by phone, of the outcome of their review. And [ABC] confirms the outcome of the review in writing.] The notice always includes any newly authorized length of stay.

Penalties for Non–Compliance

In the case of a non-emergency Hospital admission, as a penalty for non-compliance, [[Carrier] reduces what it pays for covered Hospital charges by 50%] if:

a. the Covered Person does not request a pre-hospital review; or
b. the Covered Person does not request a pre-hospital review as soon as reasonably possible before the Hospital admission is scheduled to occur; or
c. [ABC's] authorization becomes invalid and the Covered Person does not obtain a new one; or
d. [ABC] does not authorize the Hospital admission.

In the case of an emergency admission, as a penalty for non-compliance, [[Carrier] reduces what it pays for covered Hospital charges by 50%] if:

a. [ABC] is not notified of the admission at the times and in the manner described above;
b. the Covered Person does not request a continued stay review; or
c. the Covered Person does not receive authorization for such continued stay.

The penalty applies to covered Hospital charges incurred after the applicable time limit allowed for giving notice ends.

For any Hospital admission, if a Covered Person stays in the Hospital longer than [ABC] authorizes, [Carrier] reduces what it pays for covered Hospital charges incurred after the authorized length of stay ends by 50% as a penalty for non-compliance.

Penalties cannot be used to meet the Policy's:

a. Cash Deductible; or
b. Co–Insurance Caps.]

[REQUIRED PRE–SURGICAL REVIEW

Important Notice: If a Covered Person does not comply with these pre-surgical review features, he or she will not be eligible for full benefits under the Policy.

[Carrier] requires a Covered Person to get a pre-surgical review for any non-emergency procedure performed outside of a Practitioner's office. When a Covered Person does not comply with the requirements of this section [Carrier] reduces what it pays for covered professional charges for Surgery, as a penalty.

The Covered Person or his or her Practitioner, must request a pre-surgical review from [ABC]. [ABC] must receive the request at least 24 hours before the Surgery is scheduled to occur. If the Surgery is being done in a Hospital, on an Inpatient basis, the pre-surgical review request should be made at the same time as the request for a pre-hospital review.

When [ABC] receives the request, they evaluate the Medical Necessity and Appropriateness of the Surgery and they either:

a. approve the proposed Surgery, or
b. require a second surgical opinion regarding the need for the Surgery.

[ABC] notifies the Covered Person's Practitioner, [by phone, of the outcome of the review. [ABC] also confirms the outcome of the review in writing.]

Required Second Surgical Opinion

If [ABC's] review does not confirm the Medical Necessity and Appropriateness of the Surgery, the Covered Person must obtain a second surgical opinion in order to get full benefits under the Policy. If the second opinion does not confirm the medical necessity of the Surgery, the Covered Person may obtain a third opinion, although he or she is not required to do so.

[[ABC] will give the Covered Person a list of Practitioners in his or her area who will give a second opinion.] The Covered Person may get the second opinion from [a Practitioner on the list, or from] a Practitioner of his or her own choosing, if the Practitioner:

a. is board certified and qualified, by reason of his or her specialty, to give an opinion on the proposed Surgery;
b. is not a business associate of the Covered Person's Practitioner; and
c. does not perform the Surgery if it is needed.

[[ABC] gives second opinion forms to the Covered Person. The Practitioner he or she chooses fills them out, and then returns them to [ABC].]

[Carrier] covers charges for additional surgical opinions, including charges for related x-ray and tests. But what [Carrier] pays is based on all the terms of the Policy, except, these charges are not subject to the Cash Deductible or Co–Insurance.

Pre–Hospital Review

If the Proposed Surgery is to be done on an Inpatient basis, the Required Pre–Hospital Review section must be complied with. See the **Required Pre–Hospital Review** section for details.

Penalties for Non–Compliance

As a penalty for non-compliance, [[Carrier] reduces what it pays for covered professional charges, for Surgery by 50%] if:

a. the Covered Person does not request a pre-surgical review; or
b. [ABC] is not given at least 24 hours to review and evaluate the proposed Surgery; or
c. [ABC] requires additional surgical opinions and the Covered Person does not get those opinions before the Surgery is done; or
d. [ABC] does not confirm the need for Surgery.

Penalties cannot be used to meet the Policy's:

a. Cash Deductible; or
b. Co–Insurance Caps.]

As used in this section, COBRA means the Consolidated Omnibus Budget Reconciliation Act of 1985 as enacted, and later amended.

A Covered Person may be eligible to continue his or her group health benefits under this [certificate's] COBRA CONTINUATION RIGHTS (CCR) section and under other continuation sections of this [certificate] at the same time.

Continuation Under CCR and NEW JERSEY GROUP CONTINUATION RIGHTS (NJGCR): If a Covered Person is eligible to continue his or her group health benefits under both this [certificate's] CCR and NJGCR sections, he or she may elect to continue under CCR, but cannot continue under NJGCR.

Continuation Under CCR and any other continuation section of this [certificate]:

If a Covered Person elects to continue his or her group health benefits under both this [certificate's] CCR and any other continuation sections, the continuations:

a. start at the same time;
b. run concurrently; and
c. end independently on their own terms.

While covered under more than one continuation section, the Covered Person:

a. will not be entitled to duplicate benefits; and
b. will not be subject to the premium requirements of more than one section at the same time.

AN IMPORTANT NOTICE ABOUT CONTINUATION RIGHTS

The following **COBRA CONTINUATION RIGHTS** section may not apply to Your Employer's Policy. You must contact Your Employer to find out if:

a. Your Employer is subject to the **COBRA CONTINUATION RIGHTS** section in which case;
b. the section applies to You.

COBRA CONTINUATION RIGHTS

Important Notice

Under this section, "qualified continuee" means any person who, on the day before any event which would qualify him or her for continuation under this section, is covered for group health benefits under the Policy as:

a. an active, covered Employee;
b. the spouse of an active, covered Employee; or
c. the Dependent child of an active, covered Employee. Any person who becomes covered under the Policy during a continuation provided by this section is not qualified continuee.

If An Employee's Group Health Benefits Ends

If Your group health benefits end due to Your termination of employment or reduction of work hours, You may elect to continue such benefits for up to 18 months, if:

a. You were not terminated due to gross misconduct; and
b. You are not entitled to Medicare.

The continuation:

a. may cover You and any other qualified continuee; and
b. is subject to the **When Continuation Ends** section.

Extra Continuation for Disabled Qualified Continuees

If a qualified continuee is determined to be disabled under Title II or Title XVI of the United States Social Security Act on the date his or her group health benefits would otherwise end due to Your termination of employment or reduction of work hours, You may elect to extend Your 18 month continuation period above for up to an extra 11 months.

To elect the extra 11 months of continuation, the qualified continuee must give the Employer written proof of Social Security's determination of his or her disability before the earlier of:

a. the end of the 18 month continuation period; and
b. 60 days after the date the qualified continuee is determined to be disabled.

If, during this extra 11 month continuation period, the qualified continuee is determined to be no longer disabled

under the United States Social Security Act, he or she must notify the Employer within 30 days of such determination, and continuation will end, as explained in the **When Continuation Ends** section.

An additional 50% of the total premium charge also may be required from the qualified continuee by the Employer during this extra 11 month continuation period.

If An Employee Dies While Insured

If You die while insured, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the **When Continuation Ends** section.

If An Employee's Marriage Ends

If Your marriage ends due to legal divorce or legal separation, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the **When Continuation Ends** section.

If A Dependent Loses Eligibility

If a Dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in the Policy, other than Your coverage ending, he or she may elect to continue such benefits. However, such Dependent child must be a qualified continuee. The continuation can last for up to 36 months, subject to **When Continuation Ends.**

Concurrent Continuations

If a Dependent elects to continue his or her group benefits due to Your termination of employment or reduction of work hours, the Dependent may elect to extend his or her 18 month continuation period to up to 36 months, if during the 18 month continuation period, either:

a. the Dependent becomes eligible for 36 months of group benefits due to any of the reasons stated above; or
b. You become entitled to Medicare.

The 36 month continuation period starts on the date the 18 month continuation period started, and the two continuation periods will be deemed to have run concurrently.

The Qualified Continuee's Responsibilities

A person eligible for continuation under this section must notify the Employer, in writing, of:

a. the legal divorce or legal separation of the Employee from his or her spouse; or
b. the loss of dependent eligibility, as defined in the Policy, of an insured Dependent child.

Such notice must be given to the Employer within 60 days of either of these events.

The Employer's Responsibilities

The Employer must notify the qualified continuee, in writing, of:

a. his right to continue the Policy's group health benefits;
b. the monthly premium he or she must pay to continue such benefits; and
c. the times and manner in which such monthly payments must be made.

Such written notice must be given to the qualified continuee within 14 days of:

a. the date a qualified continuee's group health benefits would otherwise end due to Your death or Your termination of employment or reduction of work hours; or
b. the date a qualified continuee notifies the Employer, in writing, of Your legal divorce or legal separation from Your spouse, or the loss of dependent eligibility of an insured Dependent child.

The Employer's Liability

The Employer will be liable for the qualified continuee's continued group health benefits to the same extent as, and in place of [Carrier], if:

a. The Employer fails to remit a qualified continuee's timely premium payment to [Carrier] on time, thereby causing the qualified continuee's continued group health benefits to end; or
b. The Employer fails to notify the qualified continuee of his or her continuation rights, as described above.

Election of Continuation

To continue his or her group health benefits, the qualified continuee must give the Employer written notice that he or she elects to continue. This must be done within 60 days of the date a qualified continuee receives notice of his or her continuation rights from the Employer as described above. And the qualified continuee must pay the first month's premium in a timely manner.

The subsequent premiums must be paid to the Employer, by the qualified continuee, in advance, at the times and in the manner specified by the Employer. No further notice of when premiums are due will be given.

The monthly premium will be the total rate which would have been charged for the group health benefits had the qualified continuee stayed insured under the Policy on a regular basis. It includes any amount that would have been paid by the Employer. Except as explained in the **Extra Continuation for Disabled Qualified Continuees** section, an additional charge of two percent of the total premium charge may also be required by the Employer.

If the qualified continuee fails to give the Employer notice of his or her intent to continue, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

Grace in Payment of Premiums

A qualified continuee's premium payment is timely if, with respect to the first payment after the qualified continuee elects to continue, such payment is made no later than 45 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the specified date.

When Continuation Ends

A qualified continuee's continued group health benefits end on the first of the following:

a. with respect to continuation upon Your termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;
b. with respect to a disabled qualified continuee who has elected an additional 11 months of continuation, the earlier of:
   - the end of the 29 month period which starts on the date the group health benefits would otherwise end; or
   - the first day of the month which coincides with or next follows the date which is 30 days after the date on which a final determination is made that a disabled qualified continuee is no longer disabled under Title II or Title XVI of the United States Social Security Act;
c. with respect to continuation upon Your death, Your legal divorce or legal separation, or the end of an insured Dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
d. with respect to a Dependent whose continuation is extended due to Your entitlement to Medicare, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
e. the date the Policy ends;
f. the end of the period for which the last premium payment is made;
g. the date he or she becomes covered under any other group health plan which contains no limitation or exclusion with respect to any Pre–Existing Condition of the qualified continuee;
h. the date he or she becomes entitled to Medicare.

A divorced spouse whose continued health benefits end as described above may elect to convert some of these benefits to an individual insurance policy. Read this [certificate's] **Conversion Rights for Divorced Spouses** section for details.

NEW JERSEY GROUP CONTINUATION RIGHTS

If an Employee's Group Benefits End

If Your health coverage ends due to termination of employment for a reason other than for cause, or reduction of work hours to below 25 hours per week, You may elect to continue such benefits for up to 12 months, subject to the **When Continuation Ends** section. At Your option, You may elect to continue health coverage for any of Your then insured Dependents whose coverage would otherwise end at this time. In order to continue health coverage for Your Dependents, You must elect to continue health coverage for Yourself.

What the Employee Must Do

To continue Your health coverage, You must send a written request to the Employer within 30 days of the date of termination of employment or reduction of work hours. You must also pay the first month's premium. The first premium payment must be made within 30 days of the date You elect continuation.

You must pay the subsequent premiums to the Employer in advance, at the times and in the manner [Carrier] specifies.

The monthly premium will be the total rate which would have been charged for the small group benefits had You stayed insured under the Policy on a regular basis. It includes any amount that Your Employer would have paid. And an additional charge of 2% of the total premium may be charged for the continued coverage.

If You fail to give the Employer notice that You elect to continue, or fail to make any premium payment in a timely manner, You waive Your continuation rights. All premium payments, except the first, will be considered timely if they are made within 31 days of the specified due dates.

The Continued Coverage

Your continued coverage will be identical to the coverage You had when covered under the Policy on a regular basis. Any modifications made under the Policy will apply to similarly situated continuees. [Carrier] does not ask for proof of insurability in order for You to continue.

When Continuation Ends

A Covered Person's continued health coverage ends on the first of the following:

a. the date which is 12 months from the date the small group benefits would otherwise end;
b. the date the Covered Person becomes eligible for Medicare;
c. the end of the period for which the last premium payment is made;
d. the date the Covered Person becomes covered under another group health benefits plan which contains no limitation or exclusion with respect to any Pre-existing Condition of the Covered Person;
e. with respect to a Covered Person who becomes covered under another group health benefits plan which contains a limitation or exclusion with respect to a Pre–Existing Condition of the Covered Person, the date such limitation or exclusion ends;
f. the date the Employer no longer provides any health benefit plans for any of the Employer's Employees or their eligible Dependents; or
g. with respect to a Dependent, the date he or she is no longer an eligible Dependent as defined in the Policy.

A TOTALLY DISABLED EMPLOYEE'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS

If An Employee is Totally Disabled

If You are Totally Disabled and Your group health benefits end because Your active employment or membership in an eligible class ends due to that disability, You can elect to continue Your group health benefits. But You must have been insured by the Policy for at least three months immediately prior to the date Your group health benefits ends. The continuation can cover You, and at Your option, Your then insured Dependents.

How And When To Continue Coverage

To continue group health benefits, You must give Your Employer written notice that You elect to continue such benefits. And You must pay the first month's premium. This must be done within 31 days of the date Your coverage under the Policy would otherwise end.

Subsequent premiums must be paid to the Employer monthly, in advance, at the times and in the manner specified by the Employer. The monthly premium You must pay will be the total rate charged for an active Full–Time Employee, insured under the Policy on a regular basis, on the date each payment is due. It includes any amount which would have been paid by the Employer.

[Carrier] will consider Your failure to give notice or to pay any required premium as a waiver of Your continuation rights.

If the Employer fails, after the timely receipt of Your payment, to pay [Carrier] on Your behalf, thereby causing Your coverage to end; then such Employer will be liable for Your benefits, to the same extent as, and in place of, [Carrier].

When This Continuation Ends

These continued group health benefits end on the first of the following:

a. the end of the period for which the last payment is made, if You stop paying.
b. the date the Covered Person becomes employed and eligible or covered for similar benefits by another group plan, whether it be an insured or uninsured plan.
c. the date the Policy ends or is amended to end for the class of Employees to which You belonged; or
d. with respect to a Dependent, the date he or she stops being an eligible Dependent as defined in the Policy.

AN EMPLOYEE'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS DURING A FAMILY LEAVE OF ABSENCE

Important Notice

This section may not apply to Your Employer's Policy. You must contact Your Employer to find out if:

- Your Employer must allow for a leave of absence under Federal law in which case;
- the section applies to You.

If An Employee's Group Health Coverage Ends

Group health coverage may end for You because You cease Full–Time work due to an approved leave of absence. Such leave of absence must have been granted to allow You to care for a sick family member or after the birth or adoption of a child. If so, Your group health benefits insurance will be continued. Dependents' insurance may also be continued. You will be required to pay the same share of premium as before the leave of absence.

When Continuation Ends

Insurance may continue until the earliest of:

a. the date You return to Full–Time work;
b. the end of a total leave period of 12 weeks in any 12 month period;
c. the date on which Your coverage would have ended had You not been on leave; or

d. the end of the period for which the premium has been paid.

[A DEPENDENT'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS

If You die, any of Your Dependents who were insured under the Policy may elect to continue coverage. Subject to the payment of the required premium, coverage may be continued until the earlier of:

a. 180 days following the date of Your death; or
b. the date the Dependent is no longer eligible under the terms of the Policy.]

[CONVERSION RIGHTS FOR DIVORCED SPOUSES

IF AN EMPLOYEE'S MARRIAGE ENDS

If Your marriage ends by legal divorce or annulment, the group health benefits for Your former spouse ends. The former spouse may convert to an individual major medical policy during the conversion period. The former spouse may insure under his or her individual policy any of his or her Dependent children who were insured under the Policy on the date the group health benefits ends. See exceptions below.

Exceptions

No former spouse may use this conversion right:

a. if he or she is eligible for Medicare; or
b. if it would cause him or her to be overinsured.

This may happen if the spouse is covered or eligible for coverage providing similar benefits provided by any other plan, insured or not insured. [Carrier] will determine if overinsurance exists using its standards for overinsurance.

HOW AND WHEN TO CONVERT

The conversion period means the 31 days after the date group health benefits ends. The former spouse must apply for the individual policy in writing and pay the first premium for such policy during the conversion period. Evidence of insurability will not be required.

THE CONVERTED POLICY

The individual policy will provide the major medical benefits that [Carrier] is required to offer in the state where the Employer is located.

The individual policy will take effect on the day after group health benefits under the Policy ends.

After group health benefits under the Policy ends, the former spouse and any children covered under the individual policy may still be paid benefits under the Policy. If so, benefits to be paid under the individual policy will be reduced by the amount paid under the Policy.]

EFFECT OF INTERACTION WITH A HEALTH MAINTENANCE ORGANIZATION PLAN

HEALTH MAINTENANCE ORGANIZATION ("HMO") means a prepaid alternative health care delivery system.

A Policyholder may offer its Employees HMO membership in lieu of the group health benefits insurance provided by the Policy. If the Employer does, the following provisions apply.

IF AN INSURED EMPLOYEE ELECTS HMO MEMBERSHIP

Date Group Health Benefits Insurance Ends

Insurance for You and Your Dependents will end on the date You become an HMO member.

Benefits After Group Health Benefits Insurance Ends

When You become an HMO member, the **Extended Health Benefits** section of this [certificate] will not apply to You and Your Dependents.

Exception:

IF, on the date membership takes effect, the HMO does not provide benefits due to:

- an HMO waiting period
- an HMO Pre–Existing Conditions limit, or
- a confinement in a Hospital not affiliated with the HMO

AND the HMO provides benefits for total disability when membership ends

THEN group health benefits will be paid until the first of the following occurs:

- 90 days expire from the date membership takes effect
- the HMO's waiting period ends
- the HMO's Pre–Existing Conditions limit expires, or
- hospitalization ends.

IF AN HMO MEMBER ELECTS GROUP HEALTH BENEFITS INSURANCE PROVIDED BY THE POLICY

Date Transfer To Such Insurance Takes Effect

Each Employee who is an HMO member may transfer to such insurance by written request. If You elect to do so, any Dependents who are HMO members must also be included in such request. The date such persons are to be

insured depends on when and why the transfer request is made.

request made during an open enrollment period

[Carrier] and the Policyholder will agree when this period will be. If You request insurance during this period, You and Your Dependents will be insured on the date such period ends.

request made because:
- an HMO ends its operations
- Employee moves outside the HMO service area

If You request insurance because membership ends for these reasons, the date You and Your Dependents are to be insured depends on the date the request is made.

If it is made:

- on or before the date membership ends, they will be insured on the date such membership ends
- within 31 days after the date membership ends, they will be insured on the date the request is made
- more than 31 days after the date membership ends, You and Your Dependents will be Late Enrollees.

request made because an HMO becomes insolvent

If You request insurance because membership ends for this reason, the date You and Your Dependents are to be insured depends on the date the request is made.

If it is made:

- within 31 days after the date membership ends, they will be insured on the date the request is made
- more than 31 days after the date membership ends, You and Your Dependents will be Late Enrollees.

request made at any other time

You may request insurance at any time other than that described above. In this case, You and Your Dependents will be Late Enrollees.

Other Provisions Affected By A Transfer

If a person makes a transfer, the following provisions, if required by the Policy for such insurance, will not apply on the transfer date:

- an Actively at Work requirement
- non-confinement, or similar requirement
- a waiting period, or
- Pre–Existing Conditions provisions.

Charges not covered

Charges incurred before a person becomes insured will be considered Non–Covered Charges.

Maximum benefit

The total amount of benefits to be paid for each person will be the maximum benefit specified in the Policy, regardless of an interruption in such person's insurance under the Policy.

Right to change premium rates

[Carrier] has the right to change premium rates when, in its opinion, its liability under the Policy is changed by interaction with an HMO plan.

COORDINATION OF BENEFITS

Purpose Of This Provision

A Covered Person may be covered for health expense benefits by more than one plan. For instance, he or she may be covered by the Policy as an Employee and by another plan as a Dependent of his or her spouse. If he or she is, the provision allows [Carrier] to coordinate what [Carrier] pays with what another plan pays. [Carrier] does this so the Covered Person does not collect more in benefits than he or she incurs in charges.

DEFINITIONS

"Plan" means any of the following that provide health expense benefits or services:

a. group or blanket insurance plans;
b. group hospital or surgical plans, or other service or prepayment plans on a group basis;
c. union welfare plans, Employer plan, Employee benefits plans, trusteed labor and management plans, or other plans for members of a group;
d. programs or coverages required by law;
e. Medicare or other government programs which [Carrier] is allowed to coordinate with by law.

"Plan" does not include:

a. Medicaid or any other government program or coverage which [Carrier] is not allowed to coordinate with by law;
b. school accident type coverages written on either a blanket, group, or franchise basis;
c. any group or group-type hospital indemnity benefits;
d. Supplemental Limited Benefits Insurance; nor
e. any plan [Carrier] says [Carrier] supplements, as named in the Schedule.

"This plan" means the part of [Carriers] group plan subject to this provision.

"Member" means the person who receives a certificate or other proof of coverage from a plan that covers him or her for health expense benefits.

"Dependent" means a person who is covered by a plan for health expense benefits, but not as a member.

"Allowable expense" means any necessary, reasonable, and usual item of expense for health care incurred by a member or Dependent under either this plan or any other plan. When a plan provides service instead of cash payment, [Carrier] views the reasonable cash value of each service as an allowable expense and as a benefit paid. [Carrier] also views items of expense covered by another plan as an allowable expense, whether or not a claim is filed under that plan.

The amount of reduction in benefits resulting from a member's or Dependent's failure to comply with provisions of a primary plan is not considered an allowable expense if such reduction in benefits is less than or equal to the reduction that would have been made under the terms of this Plan if this Plan had been primary. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and preferred provider arrangements. This does not apply where a primary plan is a health maintenance organization (HMO) and the member or Dependent elects to have health services provide outside the HMO. A primary plan is described below.

"Claim determination period" means a Calendar Year in which a member or Dependent is covered by this plan and at least one other plan and incurs one or more allowable expense under such plans.

How This Provision Works

[Carrier] applies provision when a member or Dependent is covered by more than one plan. When this happens [Carrier] will consider each plan separately when coordinating payments.

In order to apply this provision, one of the plans is called the primary plan. All other plans are called secondary plans. The primary plan pays first, ignoring all other plans. The secondary plans then pay the remaining unpaid allowable expenses, but no plan pays more than it would have without this provision.

If a plan has no coordination provision, it is primary. But, during any claim determination period, when this plan and at least one other plan have coordination provisions, the rules that govern which plan pays first are as follows:

a. A plan that covers a person as a member pays first; the plan that covers a person as a Dependent pays second.

b. A plan that covers a person as an active Employee or as a Dependent of such Employee pays first. A plan that covers a person as a laid-off or retired Employee or as a Dependent of such Employee pays second.

But, if the plan that [Carrier] is coordinating with does not have a similar provision for such persons, then b. will not apply.

c. Except for Dependent children of separated or divorced parents, the following governs which plan pays first when the person is a Dependent of a member:

A plan that covers a Dependent of a member whose birthday falls earliest in the Calendar Year pays first. The plan that covers a Dependent of a member whose birthday falls later in the Calendar Year pays second. The member's year of birth is ignored.

But, if the plan that [Carrier] is coordinating with does not have a similar provision for such persons, then c. will not apply and the other plan's coordination provision will determine the order of benefits.

d. For a Dependent child of separated or divorced parents, the following governs which plan pays first when the person is a Dependent of a member.

- When a court order makes one parent financially responsible for the health care expenses of the Dependent child, then that parent's plan pays first.
- If there is no such court order, then the plan of the natural parent with custody pays before the plan of the stepparent with custody; and
- The plan of the stepparent with custody pays before the plan of the natural parent without custody.

If rules a, b, c and d do not determine which plan pays first, the plan that has covered the person for the longer time pays first.

If, when [Carrier] applies this provision, [Carrier] pays less than [Carrier] would otherwise pay, [Carrier] apply only that reduced amount against payment limits of this plan.

[Carrier's] Right To Certain Information

In order to coordinate benefits, [Carrier] needs certain information. You must supply [Carrier] with as much of that information as You can. But if You cannot give [Carrier] all the information [Carrier] needs, [Carrier] has the right to get this information from any source. And if another insurer needs information to apply its coordination provision, [Carrier] has the right to give that insurer such information. If [Carrier] gives or gets information under this section [Carrier] cannot be held liable for such action.

When payment that should have been made by this plan has been made by another plan, [Carrier] has the right to repay that plan. If [Carrier] does so, [Carrier] is no longer

liable for that amount. And if [Carrier] pays out more than [Carrier] should have, [Carrier] has the right to recover the excess payment.

Small Claims Waiver

[Carrier] does not coordinate payments on claims of less than $50.00. But if, during any claim determination period, more allowable expenses are incurred that raise the claim above $50.00 [Carrier] will count the entire amount of the claim when [Carrier] coordinates.

BENEFITS FOR AUTOMOBILE RELATED INJURIES

This section will be used to determine a person's benefits under the Policy when expenses are incurred as a result of an automobile related injury.

Definitions

"Automobile Related Injury" means bodily Injury sustained by a Covered Person as a result of an accident:

a. while occupying, entering, leaving or using an automobile; or

b. as a pedestrian;

caused by an automobile or by an object propelled by or from an automobile.

"Allowable Expense" means a medically necessary, reasonable and customary item of expense covered at least in part as an eligible expense by:

a. the Policy;

b. PIP; or

c. OSAIC.

"Eligible Expense" means that portion of expense incurred for treatment of an Injury which is covered under the Policy without application of Cash Deductibles and Co–Payments, if any or Co–Insurance.

"Out–of–State Automobile Insurance Coverage" or "OSAIC" means any coverage for medical expenses under an automobile insurance policy other than PIP. OSAIC includes automobile insurance policies issued in another state or jurisdiction.

"PIP" means personal injury protection coverage provided as part of an automobile insurance policy issued in New Jersey. PIP refers specifically to provisions for medical expense coverage.

Determination of primary or secondary coverage

The Policy provides secondary coverage to PIP unless health coverage has been elected as primary coverage by or for the Covered Person under the Policy. This election is made by the named insured under a PIP policy. Such election affects that person's family members who are not themselves named insureds under another automobile policy. The Policy may be primary for one Covered Person, but not for another if the person has separate automobile policies and have made different selections regarding primacy of health coverage.

The Policy is secondary to OSAIC, unless the OSAIC contains provisions which make it secondary or excess to the policyholder's plan. In that case the Policy will be primary.

If there is a dispute as to which policy is primary, the Policy will pay benefits as if it were primary.

Benefits the Policy will pay if it is primary to PIP or OSAIC.

If the Policy is primary to PIP or OSAIC it will pay benefits for eligible expenses in accordance with its terms.

The rules of the **COORDINATION OF BENEFITS** section of the Policy will apply if:

- the covered Person is insured under more than one insurance plan; and
- such insurance plans are primary to automobile insurance coverage.

Benefits the Policy will pay if it is secondary to PIP or OSAIC.

If the Policy is secondary to PIP or OSAIC the actual benefits payable will be the lesser of:

a. the allowable expenses left uncovered after PIP or OSAIC has provided coverage after applying Cash Deductibles and Co–Payments, or

b. the benefits that would have been paid if the Policy had been primary.

Medicare

If the Policy supplements coverage under Medicare it can be primary to automobile insurance only to the extent that Medicare is primary to automobile insurance.

MEDICARE AS SECONDARY PAYOR

Important Notice

The following sections regarding Medicare may not apply to Your Employer's Policy. You must contact Your Employer to find out if Your Employer is subject to Medicare as Secondary Payor rules.

If Your Employer is subject to such rules, this Medicare as Secondary Payor section applies to You.

If Your Employer is NOT subject to such rules, this Medicare as Secondary Payor section does not apply to You, in which case, Medicare will be the primary health plan and the Policy will be the secondary health plan for Covered Persons who are eligible for Medicare.

The following provisions explain how the Policy's group health benefits interact with the benefits available under Medicare as Secondary Payor rules. A Covered Person may be eligible for Medicare by reason of age, disability, or End Stage Renal Disease. Different rules apply to each type of Medicare eligibility, as explained below.

With respect to the following provisions:

a. "Medicare" when used above, means Part A and B of the health care program for the aged and disabled provided by Title XVII of the United States Social Security Act, as amended from time to time.

b. A Covered Person is considered to be eligible for Medicare by reason of age from the first day of the month during which he or she reaches age 65. However, if the Covered Person is born on the first day of a month, he or she is considered to be eligible for Medicare from the first day of the month which is immediately prior to his or her 65th birthday.

c. A "primary" health plan pays benefits for a Covered Person's Covered Charge first, ignoring what the Covered Person's "secondary" plan pays. A "secondary" health plan then pays the remaining unpaid allowable expenses. See the Coordination of Benefits section for a definition of "allowable expense".

[d. "We" means Carrier]

MEDICARE ELIGIBILITY BY REASON OF AGE

Applicability

This section applies to You or Your insured spouse who is eligible for Medicare by reason of age.

Under this section, such an Employee or insured spouse is referred to as a "Medicare eligible".

This section does not apply to:

a. a Covered Person, other than an Employee or insured spouse

b. an Employee or insured spouse who is under age 65, or

c. a Covered Person who is eligible for Medicare solely on the basis of End Stage Renal Disease.

When An Employee or Insured Spouse Becomes Eligible For Medicare

When an Employee or insured spouse becomes eligible for Medicare by reason of age, he or she must choose one of the two options below.

Option (A)—The Medicare eligible may choose the Policy as his or her primary health plan. If he or she does, Medicare will be his or her secondary health plan. See the **When the Policy is Primary** section below, for details.

Option (B)—The Medicare eligible may choose Medicare as his or her primary health plan. If he or she does, group health benefits under the Policy will end. See the **When Medicare is Primary** section below, for details.

If the Medicare eligible fails to choose either option when he or she becomes eligible for Medicare by reason of age, [Carrier] will pay benefits as if he or she had chosen Option (A).

When the Policy is primary

When a Medicare eligible chooses the Policy as his or her primary health plan, if he or she incurs a Covered Charge for which benefits are payable under both the Policy and Medicare, the Policy is considered primary. The Policy pays first, ignoring Medicare. Medicare is considered the secondary plan.

When Medicare is primary

If a Medicare eligible chooses Medicare as his or her primary health plan, he or she will no longer be covered for such benefits by the Policy. Coverage under the Policy will end on the date the Medicare eligible elects Medicare as his or her primary health plan.

A Medicare eligible who elects Medicare as his or her primary health plan, may later change such election, and choose the Policy as his or her primary health plan.

MEDICARE ELIGIBILITY BY REASON OF DISABILITY

Applicability

This section applies to a Covered Person who is:

a. under age 65; and

b. eligible for Medicare by reason of disability.

Under this section, such Covered Person is referred to as a "disabled Medicare eligible".

This section does not apply to:

a. a Covered Person who is eligible for Medicare by reason of age; or

b. a Covered Person who is eligible for Medicare solely on the basis of End Stage Renal Disease.

When A Covered Person Becomes Eligible For Medicare

When a Covered Person becomes eligible for Medicare by reason of disability, the Policy is the primary plan. Medicare is the secondary plan.

If a Covered Person is eligible for Medicare by reason of disability, he or she must be covered by both Parts A and B. If he or she is not, he or she must meet the Medicare Alternate Deductible shown in the Schedule.

MEDICARE ELIGIBILITY BY REASON OF END STAGE RENAL DISEASE

Applicability

This section applies to a Covered Person who is eligible for Medicare on the basis of End Stage Renal Disease (ESRD).

Under this section, such Covered Person is referred to as a "ESRD Medicare eligible".

This section does not apply to a Covered Person who is eligible for Medicare by reason of disability.

When A Covered Person Becomes Eligible For Medicare Due to ESRD

When a Covered Person becomes eligible for Medicare solely on the basis of ESRD, for a period of up to 18 consecutive months, if he or she incurs a charge for the treatment of ESRD for which benefits are payable under both the Policy and Medicare, the Policy is considered primary. The Policy pays first, ignoring Medicare. Medicare is considered the secondary plan.

This 18 month period begins on the earlier of:

a. the first day of the month during which a regular course of renal dialysis starts; and
b. with respect to a ESRD Medicare eligible who receives a kidney transplant, the first day of the month during which such Covered Person becomes eligible for Medicare.

After the 18 month period described above ends, if an ESRD Medicare eligible incurs a charge for which benefits are payable under both the Policy and Medicare, Medicare is the primary plan. The Policy is the secondary plan. If a Covered Person is eligible for Medicare on the basis of ESRD, he or she must be covered by both Parts A and B. If he or she is not, he or she must meet the Medicare Alternate Deductible shown in the Schedule.

RIGHT TO RECOVERY—THIRD PARTY LIABILITY

As used in this section:

"Covered Person" means an Employee or Dependent, including the legal representative of a minor or incompetent, insured by the Policy.

"Reasonable pro-rata Expenses" are those costs such as lawyers fees and court costs, incurred to effect a third party payment, expressed as a percentage of such payment.

"Third Party" means anyone other than [Carrier], the Employer or the Covered Person.

If a Covered Person makes a claim to [Carrier] for benefits under the Policy prior to receiving payment from a third party or its insurer, the Covered Person must agree, in writing, to repay [Carrier] from any amount of money they receive from the third party, or its insurer for an Illness or Injury.

[Carrier] shall require the return of health benefits paid for an Illness or Injury, up to the amount a Covered Person receives for that Illness or Injury through:

a. a third party settlement;
b. a satisfied judgment; or
c. other means.

[Carrier] will only require such payment when the amounts received through such settlement, judgment or otherwise, are specifically identified as amounts paid for health benefits for which [Carrier] has paid benefits.

The repayment will be equal to the amount of benefits paid by [Carrier]. However, the Covered Person may deduct the reasonable pro-rata expenses, incurred in effecting the third party payment from the repayment to [Carrier].

The repayment agreement will be binding upon the Covered Person whether:

a. the payment received from the third party, or its insurer, is the result of a legal judgment, an arbitration award, a compromise settlement, or any other arrangement, or
b. the third party, or its insurer, has admitted liability for the payment.

[Carrier] will not pay any benefits under the Policy to or on behalf of a Covered Person, who has received payment in whole or in part from a third party, or its insurer for past or future charges for an Illness or Injury, resulting from the negligence, intentional act, or no-fault tort liability of a third party.

STATEMENT OF ERISA RIGHTS

As a participant, an Employee is entitled to certain rights and protection under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

a. Examine, with charge, all plan documents, including insurance contracts, collective bargaining agreements and copies of all documents filed by the plan with the U.S. Department of Labor, such as detailed annual reports and plan descriptions. The document may be examined at the Plan Administrator's office and at other specified locations such as worksites and union halls.
b. Obtain copies of all plan documents and other plan information upon written request to the Plan Administrator, who may make a reasonable charge for the copies.
c. Receive a summary of the plan's annual financial report from the Plan Administrator (if such a report is required).

In addition to creating rights for plan participants, ERISA imposes duties upon the people called "Fiduciaries", who are responsible for the operation of the Employee benefits plan. They have a duty to operate the plan prudently and in the interest of plan participants and beneficiaries. An Employer may not fire the Employee or otherwise discriminate against him or her in any way to prevent him or her from obtaining a welfare benefit or exercising his or her rights under ERISA. If an Employees' claim for welfare benefits is denied in whole or in part, he or she must receive a written explanation of the reason for the denial. The Employee has the right to have his or her claim reviewed and reconsidered.

Under ERISA, there are steps an Employee can take to enforce the above rights. For instance, the Employee may file suit in a Federal court if he or she requests materials from the plan and does not receive them within 30 days. The court may require the Plan Administrator to provide the materials and pay the Employee, up to $100.00 a day until he or she receives them (unless the materials were not sent because of reasons beyond the administrator's control). If his or her claim for benefit is denied in whole or in part, or ignored, he or she may file suit in a state or federal court. If plan fiduciaries misuse the plan's money, or discriminate against him or her for asserting his or her rights, he or she may seek assistance from the U.S. Department of Labor, or file suit in a Federal court. If he or she is successful, the court may order the person the Employee has sued to pay court costs and legal fees. If he or she loses, the court may order him or her to pay, for example, if it finds his or her claim is frivolous. If the Employee has any question about his or her plan, he or she should contact the Plan Administrator. If he or she has any questions about this statement or about his or her rights under ERISA he or she should contact the nearest Area Office of the U.S. Labor–Management Services Administration, Department of Labor.

CLAIMS PROCEDURE

Claim forms and instructions for filing claims may be obtained from the Plan Administrator. Completed claim forms and any other required material should be returned to the Plan Administrator for submission to [Carrier].

[Carrier] is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the plan with respect to claims.

In addition to the basic claim procedure explained in the Employee's certificate, [Carrier] will also observe the procedures listed below. All notifications from [Carrier] will be in writing.

a. If a claim is wholly or partially denied, the claimant will be notified of the decision within 45 days after [Carrier] received the claim.
b. If special circumstances require an extension of time for processing the claim, written notice of the extension shall be furnished to the claimant prior to the termination of the initial 90–day period. In no event shall such extension exceed a period of 90 days from the end of such initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which [Carrier] expects to render the final decision.
c. If a claim is denied, [Carrier] will provide the Plan Administrator, for delivery to the claimant, a notice that will set forth:
   - the specific reason(s) the claim is denied;
   - specific references to the pertinent plan provision on which the denial is based;
   - a description of any additional material or information needed to make the claim valid, and an explanation of why the material or information is needed;
   - and explanation of the plan's claim review procedure.

A claimant must file a request for review of a denied claim within 60 days after receipt of written notification of denial of a claim.

d. [Carrier] will notify the claimant of its decision within 60 days of receipt of the request for review. If special circumstances require an extension of time for processing, [Carrier] will render a decision as soon as possible, but no later than 120 days after receiving the request. [Carrier] will notify the claimant about the extension.

The above procedures are required under the provisions of ERISA.

GENERAL PROVISIONS

INCONTESTABILITY OF THE POLICY

There will be no contest of the validity of the Policy, except for not paying premiums, after it has been in force for 2 years from the Effective Date.

No statement in any application, except a fraudulent statement, made by the Policyholder or by a person insured under the Policy shall be used in contesting the validity of his or her insurance or in denying a claim for a loss incurred after such insurance has been in force for two years during the person's lifetime. Note: There is no time limit with respect to a contest in connection with fraudulent statements.

[PAYMENT OF PREMIUMS—GRACE PERIOD

Premiums are to be paid by the Policyholder to [Carrier]. Each may be paid at a [Carrier's] office [or to one of its authorized agents.] One is due on each premium due date stated on the first page of the Policy. The Policyholder may pay each premium other than the first within 31 days of the premium due date without being charged interest. Those days are known as the grace period. The Policyholder is liable to pay premiums to [Carrier] for the time the Policy is in force. Premiums unpaid after the end of the grace period are subject to a late payment interest charge determined as a percentage of the amount unpaid. That percentage will be determined by [Carrier] from time to time, but will not be more than the maximum allowed by law.]

MISSTATEMENTS

If the age of an Employee, or any other relevant facts, are found to have been misstated, and the premiums are thereby affected, an equitable adjustment of premiums will be made. If such misstatement involves whether or not the person's coverage would have been accepted by [Carrier], subject to the Policy's **Incontestability** section, the true facts will be used in determining whether coverage is in force under the terms of the Policy.

[DIVIDENDS

[Carrier] will determine the share, if any, of its divisible surplus allocable to the Policy as of each Policy Anniversary, if the Policy stays in force by the payment of all premiums to that date. The share will be credited to the Policy as a dividend as of that date.

Each dividend will be paid to the Policyholder in cash unless the Policyholder asks that it be applied toward the premium then due or future premiums due.

[Carrier's] sole liability as to any dividend is as set forth above.

If the aggregate dividends under the Policy and any other policy(ies) of the Policyholder exceed the aggregate payments towards their cost made from the Employer's own funds, the Policyholder will see that an amount equal to the excess is applied for the benefit of Covered Persons.]

OFFSET

[Carrier] reserves the right, before paying benefits to a Covered Person, to use the amount of payment due to offset a claims payment previously made in error.

CONTINUING RIGHTS

[Carrier's] failure to apply terms or conditions does not mean that [Carrier] waives or gives up any future rights under the Policy.

CONFORMITY WITH LAW

Any provision of the Policy which, on its Effective Date, is in conflict with the statutes of the state in which the Covered Person resides, or with Federal law, is hereby amended to conform to the minimum requirements of such State law or Federal law.

LIMITATION OF ACTIONS

No action at law or in equity shall be brought to recover on the Policy until 60 days after a Covered Person files written proof of loss. No such action shall be brought more than three years after the end of the time within which proof of loss is required.

If the form is not received within such time, the claimant may provide written proof of claim to [Carrier] on any reasonable form. Such proof must state the date the Injury or Illness began and the nature and extent of the loss.]

PROOF OF LOSS

Proof of loss must be sent to [Carrier] within 90 days of the loss.

If a notice or proof is sent later than 90 days of the loss, [Carrier] will not deny or reduce a claim if the notice or proof was sent as soon as possible.

PAYMENT OF CLAIMS

[Carrier] will pay all benefits to which the claimant is entitled as soon as [Carrier] receives written proof of loss. All benefits will be paid as they accrue. Any benefits unpaid at the Covered Person's death will be paid as soon as [Carrier] receives due proof of the death to one of the following:

[Carrier] will also not cover any technology or any hospitalization primarily to receive such technology if such technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of a particular condition.

Governmental approval of technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of a particular condition, as explained below.

[Carrier] will apply the following five criteria in determining whether services or supplies are Experimental or Investigational:

a. Any medical device, drug, or biological product must have received final approval to market by the FDA for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug or biological product for another diagnosis or condition will require that one or more of the following established reference compendia:

1. The American Medical Association Drug Evaluations;
2. The American Hospital Formulary Service Drug Information; or
3. The United States Pharmacopeia Drug Information

recognize the usage as appropriate medical treatment. As an alternative to such recognition in one or more of the compendia, the usage of the drug will be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests will not be considered Experimental or Investigational.

In any event, any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered Experimental or Investigational.

b. Conclusive evidence from the published peer-reviewed medical literature must exist that the technology has a definite positive effect on health outcomes; such evidence must include well-designed investigations that have been reproduced by nonaffiliated authoritative resources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;
c. Demonstrated evidence as reflected in the published peer reviewed medical literature must exist that over time the technology leads to improvement in health outcomes, i.e., the beneficial effects outweigh any harmful effects;
d. Proof as reflected in the published peer-reviewed medical literature must exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and
e. Proof as reflected in the published peer-reviewed medical literature must exist that improvements in health outcomes; as defined in item c. above, is possible in standard conditions of medical practice, outside clinical investigatory settings.

Total Disability or Totally Disabled means, except as otherwise specified in the Policy, that an Employee who, due to Illness or Injury, cannot perform any duty of his or her occupation or any occupation for which he or she is, or may be, suited by education, training and experience, and is not, in fact, engaged in any occupation for wage or profit. [A Dependent is totally disabled if he or she cannot engage in the normal activities of a person in good health and of like age and sex.] The Employee [or Dependent] must be under the regular care of a Practitioner.

[**We, Us, Our** and [**Carrier**] mean [Carrier].]

[**You, Your and Yours** mean an Employee who is insured under the Policy.]

EMPLOYEE COVERAGE

Eligible Employees

Subject to the **Conditions of Eligibility** set forth below, and to all of the other conditions of the Policy, all of the Policyholder's Employees who are in an eligible class will be eligible if the Employees are Actively at Work Full–Time Employees.

For purposes of the Policy, [Carrier] will treat partners, proprietors and independent contractors like Employees if they meet the Policy's **Conditions of Eligibility.**

Conditions of Eligibility

Full–Time Requirement

[Carrier] will not insure an Employee unless the Employee is an Actively at Work Full–Time Employee.

Enrollment Requirement

[Carrier] will not insure the Employee until the Employee enrolls and agrees to make the required payments, if any. If the Employee does this within [30] days of the Employee's Eligibility Date, coverage is scheduled to start on the Employee's Eligibility Date.

If the Employee enrolls and agrees to make the required payments, if any:

a. more than [30] days after the Employee's Eligibility Date; or
b. after the Employee previously had coverage which ended because the Employee failed to make a required payment,

[Carrier] will consider the Employee to be a Late Enrollee. Late Enrollees are subject to the Policy's Pre–Existing Conditions limitation.

However, if an Employee initially waived coverage under the Policy, and the Employee stated at that time that such waiver was because he or she was covered under another group plan, and Employee now elects to enroll under the Policy. [Carrier] will not consider the Employee to be a Late Enrollee, provided the coverage under the other plan ends due to one of the following events:

a. termination of employment;
b. divorce;
c. death of the Employee's spouse; or
d. termination of the other plan's coverage.

But, the Employee must enroll under the Policy within 90 days of the date that any of the events described above occur. Coverage will take effect as of the date he or she becomes eligible.

[The Waiting Period

The Policy has the following waiting periods:

Employees in an eligible class on the Effective Date, who have completed at least [6] months of continuous Full–Time service with the Employer by that date, are eligible for insurance under the Policy from the Effective Date.

Employees in an eligible class on the Effective Date, who have not completed at least [6] months of continuous Full–Time service with the Employer by that date, are eligible for insurance under the Policy from the day after Employees complete [6] months of continuous Full–Time service.

Employees who enter an eligible class after the Effective Date are eligible for insurance under the Policy from the day after Employees complete [6] months of continuous Full–Time service with the Employer.]

When Employee Coverage Starts

You must be Actively at Work, and working Your regular number of hours, on the date Your coverage is scheduled to start. And You must have met all the conditions of eligibility which apply to You. If You are not Actively at Work on the scheduled Effective Date, [Carrier] will postpone the start of Your Coverage until You return to Active Work.

Sometimes, a scheduled Effective Date is not a regularly scheduled work day. But Your coverage will start on that date if You were Actively at Work, and working Your regular number of hours, on Your last regularly scheduled work day.

You must elect to enroll and agree to make the required payments, if any, within [30] days of the Employee's Eligibility Date. If You do this within [30] days of the Employee's Eligibility Date, Your coverage is scheduled to start on the Employee's Eligibility Date. Such Employee's Eligibility Date is the scheduled Effective Date of Your coverage.

When Employee Coverage Ends

Your insurance under the Policy will end on the first of the following dates:

a. [the date] You cease to be an Actively at Work Full–Time Employee for any reason. Such reasons include disability, death, retirement, lay-off, leave of absence, and the end of employment.
b. [the date] You stop being an eligible Employee under the Policy.
c. the date the Policy ends, or is discontinued for a class of Employees to which You belong.
d. the last day of the period for which required payments are made for You.

Also, You may have the right to continue certain group benefits for a limited time after Your coverage would otherwise end. This [certificate's] benefits provisions ex-

plain these situations. Read this [certificate's] provisions carefully.

[DEPENDENT COVERAGE

Eligible Dependents for Dependent Health Benefits

Your eligible Dependents are Your:

a. legal spouse;
b. unmarried Dependent children who are under age 19; and
c. unmarried Dependent children, from age 19 until their 23rd birthday, who are enrolled as full-time students at accredited schools. Full–time students will be as defined by the accredited school.

A Dependent is not a person who is:

a. on active duty in any armed forces of any country; or
b. insured for coverage under the Policy as an Employee.

Under certain circumstances, an incapacitated child is also a Dependent. See the **Incapacitated Children** section of this [certificate].

Your "unmarried Dependent child" includes:

a. Your legally adopted children,
b. Your stepchildren if such stepchildren depend on You for most of their support and maintenance, and
c. children under a court appointed guardianship.

[Carrier] treats a child as legally adopted from the time the child is placed in the home for purpose of adoption. [Carrier] treats such a child this way whether or not a final adoption order is ever issued.

Incapacitated Children

You may have an unmarried child with a mental or physical incapacity, or developmental disability, who is incapable of earning a living. Subject to all of the terms of this section and the Policy, such a child may stay eligible for Dependent health benefits past the Policy's age limit.

The child will stay eligible as long as the child stays unmarried and incapable of earning a living, if:

a. the child's condition started before he or she reached the Policy's age limit;
b. the child became insured by the Policy or any other policy before the child reached the age limit and stayed continuously insured after reaching such limit; and
c. the child depends on You for most of his or her support and maintenance.

But, for the child to stay eligible, You must send [Carrier] written proof that the child is incapacitated and depends on You for most of his or her support and maintenance. You have 31 days from the date the child reaches the age limit to do this. [Carrier] can ask for periodic proof that the child's condition continues. But, after two years, [Carrier] cannot ask for this more than once a year.

The child's coverage ends when Your coverage does.

Enrollment Requirement

You must enroll Your eligible Dependents in order for them to be covered under the Policy. [Carrier] considers an eligible Dependent to be a Late Enrollee, if You:

a. enroll a Dependent and agree to make the required payments more than [30] days after the Dependent's Eligibility Date;
b. in the case of a Newly Acquired Dependent, other than the first newborn child, has other eligible Dependents who You have not elected to enroll; or
c. in the case of a Newly Acquired Dependent, has other eligible Dependents whose coverage previously ended because You failed to make the required contributions, or otherwise chose to end such coverage.

Late Enrollees are subject to the Policy's Pre–Existing Conditions limitations section, if any applies.

If Your dependent coverage ends for any reason, including failure to make the required payments, Your Dependents will be considered Late Enrollees when their coverage begins again.

However, if You previously waived coverage for Your spouse or eligible Dependent children under the Policy and stated at that time that such waiver was because they were covered under another group plan and You now elect to enroll them in the Policy, the Dependent will not be considered a Late Enrollee, provided the Dependent's coverage under the other plan ends due to one of the following events:

a. termination of employment;
b. divorce;
c. death of Your spouse; or
d. termination of the other plan's coverage.

But, You must enroll Your spouse or eligible Dependent children within 90 days of the date that any of the events described above occur. Coverage will take effect as of the date one of the above events occurs.

And, [Carrier] will not consider Your spouse or eligible Dependent children for which You initially waived coverage under the Policy, to be a Late Enrollee, if:

a. You are under legal obligation to provide coverage due to a court order; and

b. You enroll Your spouse or eligible Dependent children within 30 days of the issuance of the court order.

Coverage will take effect as of the date required pursuant to a court order.

When Dependent Coverage Starts

In order for Your dependent coverage to begin You must already be insured for Employee coverage or enroll for Employee and Dependent coverage at the same time. Subject to the exception stated below and to all of the terms of the Policy, the date Your dependent coverage starts depends on when You elect to enroll Your Initial Dependents and agree to make any required payments.

If You do this within [30] days of the Dependent's Eligibility Date, the Dependent's Coverage is scheduled to start on the later of:

a. The Dependent's Eligibility Date, or
b. the date You become insured for Employee coverage.

If You do this more than [30] days after the Dependent's Eligibility Date, [Carrier] will consider the Dependent a Late Enrollee. Coverage is scheduled to start on the later of:

a. the date You sign the enrollment form; or
b. the date You become insured for Employee coverage.

Once You have dependent coverage for Initial Dependents, You must notify [Carrier] of a Newly Acquired Dependent within [30] days after the Dependent's Eligibility Date. If You do not, the Newly Acquired Dependent is a Late Enrollee.

A Newly Acquired Dependent other than a newborn child will be covered from the later of:

a. the date You notify [Carrier] and agree to make any additional payments, or
b. the Dependent's Eligibility Date for the newly Acquired Dependent.

Exception: If a Dependent, other than a newborn child, is confined to a Hospital or other health care Facility; or is home confined on the date Your Dependent health benefits would otherwise start, [Carrier] will postpone the Effective Date of such benefits until the later of: the day after the Dependent's discharge from such Facility or until home confinement ends.

Newborn Children

[Carrier] will cover Your newborn child for 31 days from the date of birth. Health benefits may be continued beyond such 31 day period as stated below:

a. If You are already covered for Dependent child coverage on the date the child is born, coverage automatically continues beyond the initial 31 days, provided the premium required for Dependent child coverage continues to be paid.
b. If You are not covered for Dependent child coverage on the date the child is born, You must:
   - make written request to enroll the newborn child; and
   - pay the premium required for Dependent child coverage within 31 days after the date of birth.

If the request is not made and the premium is not paid within such 31 day period, the newborn child will be a Late Enrollee.

When Dependent Coverage Ends:

A Dependent's insurance under the Policy will end on the first of the following dates:

a. [the date] Your coverage ends;
b. the date You stop being a member of a class of Employees eligible for such coverage;
c. the date the Policy ends;
d. the date Dependent coverage is terminated from the Policy for all Employees or for Your class;
e. the date You fail to pay any required part of the cost of Dependent coverage. It ends on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons;
f. at 12:01 A.M. on the date the Dependent stops being an eligible Dependent.

Read this [certificate] carefully if Dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And divorced spouses have conversion rights.]

PREFERRED PROVIDER ORGANIZATION PROVISIONS

The Employer XYZ Health Care Network, and the [Carrier]

The Policy encourages a Covered Person to use services provided by members of [XYZ Health Care Network a Preferred Provider Organization (PPO).] A PPO is a network of health care providers located in the Covered Person's geographical area. In addition to an identification card, the Covered Person will periodically be given up-to-date lists of [XYZ Health Care Network] preferred providers.

Use of the network is strictly voluntary, but [Carrier] generally pays a higher level of benefits for most covered services and supplies furnished to a Covered Person by [XYZ Health Care Network]. Conversely, [Carrier] generally pays a lower level of benefits when covered services and supplies are not furnished by [XYZ Health Care Network] (even if an [XYZ Health Care Network] Practitioner orders

the services and supplies). Of course, a Covered Person is always free to be treated by any Practitioner or Facility. And, he or she is free to change Practitioners or Facilities at any time.

A Covered Person may use any [XYZ Health Care Network] Provider. He or she just presents his or her [XYZ Health Care Network] identification card to the [XYZ Health Care Network] Practitioner or Facility furnishing covered services or supplies. Most [XYZ Health Care Network] Practitioners and Facilities will prepare any necessary claim forms for him or her, and submit the forms to [Carrier]. The Covered Person will receive an explanation of any insurance payments made by the Policy. And if there is any balance due, the [XYZ Health Care Network] Practitioner or Facility will bill him or her directly.

The Policy also has utilization review features. See the **Utilization Review Features** section for details.

What [Carrier] pays is subject to all the terms of the Policy. You should read Your [certificate] carefully and keep it available when consulting a Practitioner.

See the Schedule for specific benefit levels, payment rates and payment limits.

If You have any questions after reading Your [certificate], You should call [Carrier] [Group Claim Office at the number shown on Your identification card.]

[**Note:** Used only if coverage is offered as a PPO.]

POINT OF SERVICE PROVISIONS

Definitions

a. *Primary Care Practitioner* (PCP) means the Practitioner the Covered Person selects to supervise and coordinate his or her health care in the [XYZ] Provider Organization. [Carrier] will supply a list of PCPs who are members of the [XYZ] Provider Organization to the Covered Person.

b. *Provider Organization* (PO) means a network of health care Providers located in a Covered Person's Service Area.

c. *Network Benefits* mean the benefits shown in the Schedule which are provided if the Primary Care Practitioner provides care, treatment, services, and supplies to the Covered Person or if the Primary Care Practitioner refers the Covered Person to another Provider for such care, treatment, services, and supplies.

d. *Out-Network Benefits* mean the benefits shown in the Schedule which are provided if the Primary Care Practitioner does not authorize the care, treatment, services, and supplies.

e. *Service Area* means the geographical area which is served by the Practitioners in the [XYZ] Provider Organization.

Provider Organization (PO)

The Provider Organization for the Policy is the [XYZ] Provider Organization. The Policy requires that the Covered Person uses the services of a PCP, or be referred for services by a PCP, in order to receive Network Benefits.

The Primary Care Practitioner (PCP)

The PCP will supervise and coordinate the Covered Person's health care in the [XYZ] PO. The PCP must authorize all services and supplies. In addition, he or she will refer the Covered Person to the appropriate Practitioner and Facility when Medically Necessary and Appropriate. The Covered Person must obtain an authorized referral from his or her PCP before he or she visits another Practitioner or Facility. Except in case of a Medical Emergency, if the Covered Person does not comply with these requirements, he or she may only be eligible for Out–Network Benefits.

[Carrier] provides Network Benefits for covered services and supplies furnished to a Covered Person when authorized by his or her PCP. [Carrier] pays Out–Network Benefits when covered services and supplies are not authorized by the PCP. If services or supplies are obtained from [XYZ] Providers, but they are not authorized by the PCP, the Covered Person may only be eligible for Out–Network Benefits.

A Covered Person may change his or her PCP to another PCP [once per month]. He or she may select another PCP from the list of Practitioners, and notify [XYZ] PO by [phone or in writing].

When a Covered Person uses the services of a PCP, he or she must present his or her ID card and pay the Co–Payment. When a Covered Person's PCP refers him or her to another [XYZ] PO Provider, the Covered Person must pay the Co–Payment to such Provider. [Most [XYZ] PO Practitioners will prepare any necessary claim forms and submit them to [Carrier].]

A female Covered Person may use the services of a [XYZ] PO gynecologist for non-surgical gynecological care and routine pregnancy care without referral from her PCP. She must obtain authorization from her PCP for other services.

Out–Network Services

If a Covered Person uses the services of a Provider without having been referred by his or her PCP, he or she will not be eligible for Network Benefits. For services which have not been referred by the Covered Person's PCP, whether provided by a [XYZ] PO Provider or otherwise, the Covered Person may only be eligible for Out–Network Benefits.

Emergency Services

If a Covered Person requires services for a Medical Emergency which occurs inside the PO Service Area, he or she must notify and obtain authorization from his or her PCP within 48 hours or as soon as reasonably possible thereafter.

Emergency room visits to PO Facilities are subject to a Co–Payment, and such visits must be retrospectively reviewed [by the PCP]. [Carrier] will waive the emergency room Co–Payment if the Covered Person is hospitalized within 24 hours of the visit.

If a Covered Person requires services for a Medical Emergency outside the PO Service Area, the PCP must be notified within 48 hours or as soon as reasonably possible thereafter. Follow-up care is limited to the medical care necessary before the Covered Person can return to the PO Service Area.

Utilization Review

The Policy has utilization features. See the **Utilization Review Features** section of this [certificate].

Benefits

The Schedule shows Network Benefits, Out–Network Benefits, and Co–Payments applicable to the Point of Service arrangement.

What [Carrier] pays is subject to all the terms of the Policy.

[**Note:** Used only if coverage is offered as POS.]

[Grievance Procedure: Carrier may elect to include a grievance procedure when the plans are issued including Preferred Provider Organization of Point of Service Provisions. If a Carrier has had a Selective Contracting Arrangement approved by the New Jersey Departments of Insurance and Health it may include that approved Grievance Procedure Language in the standard SEH forms.]

HEALTH BENEFITS INSURANCE

This health benefits insurance will pay many of the medical expenses incurred by a Covered Person.

Note: [Carrier] payments will be reduced or eliminated if a Covered Person does not comply with the Utilization Review and Pre–Approval requirements contained in the Policy and in this [certificate].

BENEFIT PROVISION

The Cash Deductible

Each Calendar Year, each Covered Person must have Covered Charges that exceed the Cash Deductible before [Carrier] pays any benefits to that person. The Cash Deductible is shown in the Schedule. The Cash Deductible cannot be met with Non–Covered Charges. Only Covered Charges incurred by the Covered Person while insured by the Policy can be used to meet this Cash Deductible.

Once the Cash Deductible is met, [Carrier] pays benefits for other Covered Charges above the Cash Deductible incurred by that Covered Person, less any applicable Co–Insurance or Co–Payments, for the rest of that Calendar Year. But all charges must be incurred while that Covered Person is insured by the Policy. And what [Carrier] pays is based on all the terms of the Policy.

[Family Deductible Limit

The Policy has a family deductible limit of two Cash Deductibles for each Calendar Year. Once two Covered Persons in a family meet their individual Cash Deductibles in a Calendar Year, [Carrier] pays benefits for other Covered Charges incurred by any member of the covered family, less any applicable Co–Insurance or Co–Payments, for the rest of that Calendar Year. What [Carrier] pays is based on all the terms of the Policy.]

[Per Covered Family

The Per Covered Family Calendar Year Cash Deductible is shown in the Schedule. Once three or more Covered Persons in a family have incurred a combined total of Covered Charges toward their Per Covered Person Cash Deductible equal to the Per Covered Family Cash Deductible, each Covered Person in that family will be considered to have met his or her Per Covered Person Cash Deductible for the rest of that Calendar Year. The Covered Charges that each Covered Person in a family may use toward the Per Covered Family Cash Deductible may not exceed the amount of the Per Covered Person Cash Deductible.]

[Co–Insurance Cap

This Policy limits Co–Insurance amounts each Calendar Year except as stated below. The Co–Insurance Cap cannot be met with:

a. Non–Covered Charges;
b. Cash Deductibles;
c. Co–Insurance for the treatment of Mental and Nervous Conditions and Substance Abuse; and
d. Co–Payments.

There are Co–Insurance Caps for:

a. each Covered Person; and
b. each Covered Family.

The Co–Insurance Caps are shown in the Schedule.

Each Covered Person's Co–Insurance amounts are used to meet his or her own Co–Insurance Cap. But, all amounts used to meet the cap must actually be paid by a Covered Person out of his or her own pocket.

[Once the Covered Person's Co–Insurance amounts in a Calendar Year exceed the individual cap, [Carrier] will waive his or her Co–Insurance for the rest of that Calendar Year.]

[Once three or more Covered Persons in a family have incurred a combined total of Covered Charges toward their Per Covered Person Co–Insurance Caps equal to the Per Covered Family Co–Insurance Cap, each Covered Person in that family will be considered to have met his or her Per Covered Person Co–Insurance Cap for the rest of that Calendar Year.]

Exception: Charges for Mental and Nervous Conditions and Substance Abuse treatment are not subject to or eligible for the Co–Insurance Cap.]

[Coinsured Charge Limit

The Coinsured Charge Limit is the amount of Covered Charges a Covered Person must incur each Calendar Year before no Co–Insurance is required, except as stated below.

Exception: Charges for Mental and Nervous Conditions and Substance Abuse Treatment are not subject to or eligible for the **Coinsured Charge Limit**.]

Payment Limits

[Carrier] limits what [Carrier] will pay for certain types of charges. [Carrier] also limits what [Carrier] will pay for all Illness or Injuries for each Covered Person's Per Lifetime. See the Schedule for these limits.

Benefits From Other Plans

The benefits [Carrier] will pay may be affected by a Covered Person being covered by 2 or more plans or policies. Read the provision **Coordination of Benefits** to see how this works.

The benefits [Carrier] will pay may also be affected by Medicare. Read the **Medicare as Secondary Payor** section for an explanation of how this works.

If This Plan Replaces Another Plan

The Employer who purchased the Policy may have purchased it to replace a plan the Employer had with some other insurer.

The Covered Person may have incurred charges for covered expenses under the Employer's old plan before it ended. If so, these charges will be used to meet the Policy's Cash Deductible if:

a. The charges were incurred during the Calendar Year in which the Policy starts;
b. The Policy would have paid benefits for the charges, if the Policy had been in effect;
c. The Covered Person was covered by the old plan when it ended and enrolled in the Policy on its Effective Date; and
d. The Policy starts right after the old plan ends.

The Covered Person may have satisfied part of the eligibility waiting period under the Employer's old plan before it ended. If so, the time satisfied will be used to satisfy this Policy's eligibility waiting period if:

a. the Employee was employed by the Employer on the date the Employer's old plan ended; and
b. this Policy starts right after the old plan ends.

Extended Health Benefits

If the Policy ends, and a Covered Person is Totally Disabled on such date, and under a Practitioner's care, [Carrier] will extend health benefits for that person under the Policy as explained below. This is done at no cost to the Covered Person.

[Carrier] will only extend benefits for Covered Charges due to the disabling condition. The charges must be incurred before the extension ends. And what [Carrier] will pay is based on all the terms of the Policy.

[Carrier] does not pay for charges due to other conditions. And [Carrier] does not pay for charges incurred by other covered family members.

The extension ends on the earliest of:

a. the date the Total Disability ends; or
b. one year from the date the person's insurance under the Policy ends; or
c. the date the person has reached the payment limit for his or her disabling condition.

The Employee must submit evidence to [Carrier] that he or she or his or her Dependent is Totally Disabled, if [Carrier] requests it.

[PLAN B]

COVERED CHARGES

This section lists the types of charges [Carrier] will consider as Covered Charges. But what [Carrier] will pay is subject to all the terms of the Policy. Read the entire [certificate] to find out what [Carrier] limits or excludes.

Hospital Charges

[Carrier] covers charges for Hospital room and board and Routine Nursing Care when it is provided to a Covered Person by a Hospital on an Inpatient basis. But [Carrier] limits what [Carrier] pays each day to the room and board limit shown in the Schedule. And [Carrier] covers other Medically Necessary and Appropriate Hospital services and supplies provided to a Covered Person during the Inpatient confinement.

As an exception to the Medically Necessary and Appropriate requirement of the Policy, [Carrier] also provides coverage for the mother and newly born child for:

a. a minimum of 48 hours of in-patient care in a Hospital following a vaginal delivery; and
b. a minimum of 96 hours of in-patient Hospital care following cesarean section.

[Carrier] provides such coverage subject to the following:

a. the attending Practitioner must determine that in-patient care is medically necessary;

or

b. the mother must request the in-patient care.

If a Covered Person incurs charges as an Inpatient in a Special Care Unit, [Carrier] covers the charges up to the daily room and board limit for a Special Care Unit shown in the Schedule.

[Carrier] will also cover Outpatient Hospital services, including services provided by a Hospital Outpatient clinic. And [Carrier] covers emergency room treatment, subject to this [certificate's] Emergency Room Co–Payment Requirement section.

Any charges in excess of the Hospital semi-private daily room and board limit are a Non–Covered Charge. This Policy's utilization review features have penalties for non-compliance that may reduce what [Carrier] pays for Hospital charges.

[Carrier] limits what [Carrier] pays for the treatment of Mental and Nervous Conditions and Substance Abuse. See the **Charges Covered with Special Limitations** section of this [certificate].

Hospital Co–Payment Requirement

Each time a Covered Person is confined in a Hospital, he or she must pay a $200 Co–Payment for each day of confinement, up to a maximum of $1,000 per Period of Confinement, subject to a maximum $2,000 Co–Payment per Calendar Year.

Emergency Room Co–Payment Requirement

Each time a Covered Person uses the services of a Hospital emergency room, he or she must pay a [$50.00] Co–Payment, in addition to the Cash Deductible and any other Co–Payments, and Co–Insurance if he or she is not admitted within 24 hours.

Pre–Admission Testing Charges

[Carrier] covers pre-admission x-ray and laboratory tests needed for a planned Hospital admission or Surgery. [Carrier] only covers these tests if the tests are done on an Outpatient basis within seven days of the planned admission or Surgery.

However, [Carrier] will not cover tests that are repeated after admission or before Surgery, unless the admission or Surgery is deferred solely due to a change in the Covered Person's health.

[PLANS C, D, E]

But [Carrier] limits what [Carrier] pays each day to the room and board limit shown in the Schedule. And [Carrier] covers other Medically Necessary and Appropriate Hospital services and supplies provided to a Covered Person during the Inpatient confinement.

As an exception to the Medically Necessary and Appropriate requirement of the Policy, [Carrier] also provides coverage for the mother and newly born child for:

a. a minimum of 48 hours of in-patient care in a Hospital following a vaginal delivery; and
b. a minimum of 96 hours of in-patient Hospital care following cesarean section.

[Carrier] provides such coverage subject to the following:

a. the attending Practitioner must determine that in-patient care is medically necessary;

or

b. the mother must request the in-patient care.

If a Covered Person incurs charges as an Inpatient in a Special Care Unit, [Carrier] covers the charges the same way [Carrier] covers charges for any Illness.

[Carrier] will also cover Outpatient Hospital services, including services provided by a Hospital Outpatient clinic. And [Carrier] covers emergency room treatment, subject to

this [certificate's] **Emergency Room Co–Payment Requirement** section.

Any charges in excess of the Hospital semi-private daily room and board limit are a Non–Covered Charge. This Policy's utilization review features have penalties for non-compliance that may reduce what [Carrier] pays for Hospital charges.

[Carrier] limits what [Carrier] pays for the treatment of Mental and Nervous Conditions and Substance Abuse. See the **Charges Covered with Special Limitations** section of this [certificate].

Extended Care or Rehabilitation Charges

Subject to [Carrier's] Pre–Approval [Carrier] covers charges up to the daily room and board limit for room and board and Routine Nursing Care shown in the Schedule, provided to a Covered Person on an Inpatient basis in an Extended Care Center or Rehabilitation Center. Charges above the daily room and board limit are a Non–Covered Charge.

And [Carrier] covers all other Medically Necessary and Appropriate services and supplies provided to a Covered Person during the confinement. But the confinement must:

a. start within 14 days of a Hospital stay; and
b. be due to the same or a related condition that necessitated the Hospital stay.

Coverage for Extended Care and Rehabilitation, combined, is limited to the first 120 days of confinement in each Calendar Year. Charges for any additional days are a Non–Covered Charge.

But [Carrier] limits what [Carrier] will pay for the treatment of Mental and Nervous Conditions and Substance Abuse. See the **Charges Covered With Special Limitations** section of this [certificate].

Extended Care or Rehabilitation Charges which are not Pre–Approved by [Carrier] are Non–Covered Charges.

Home Health Care Charges

Subject to [Carrier's] Pre–Approval, when home health care can take the place of Inpatient care, [Carrier] covers such care furnished to a Covered Person under a written home health care plan. [Carrier] covers all Medically Necessary and Appropriate services or supplies, such as:

But, payment is subject to all of the terms of the Policy and to the following conditions:
   a. The Covered Person's Practitioner must certify that home health care is needed in place of Inpatient care in a recognized Facility.
   b. The services and supplies must be:
   - ordered by the Covered Person's Practitioner;
   - included in the home health care plan; and
   - furnished by, or coordinated by, a Home Health Agency according to the written home health care plan.

   The services and supplies must be furnished by recognized health care professionals on a part-time or intermittent basis, except when full-time or 24 hour service is needed on a short-term basis.
   c. The home health care plan must be set up in writing by the Covered Person's Practitioner within 14 days after home health care starts. And it must be reviewed by the Covered Person's Practitioner at least once every 60 days.
   d. Each visit by a home health aide, Nurse, or other recognized Provider whose services are authorized under the home health care plan can last up to four hours.
   e. [Carrier] does not pay for:
   - services furnished to family members, other than the patient; or
   - services and supplies not included in the home health care plan.

Home Health Care charges which are not Pre–Approved by [Carrier] are Non–Covered Charges.

Practitioner's Charges for Non–Surgical Care and Treatment

[Carrier] covers Practitioner's charges for the Medically Necessary and Appropriate non-surgical care and treatment of an Illness or Injury. But [Carrier] limits what [Carrier] will pay for the treatment of Mental and Nervous Conditions and Substance Abuse. "Palliative and supportive care" means care and support aimed mainly at lessening or controlling pain or symptoms; it makes no attempt to cure the Covered Person's terminal illness or terminal injury.

"Terminally ill" or "terminally injured" means that the Covered Person's Practitioner has certified in writing that the Covered Person's life expectancy is six months or less.

The following "Pre-Existing Conditions" and "Continuity of Coverage" provisions only apply to Policies issued to Employers of at least two but not more than five Employees. These provisions also apply to "Late Enrollees" under the Policies issued to any Small Employer. However, this provision does not apply to Late Enrollees if 10 or more Late Enrollees request enrollment during any [30] day enrollment period provided for in the Policy. See this [certificate's] **EMPLOYEE COVERAGE** [and **DEPENDENT COVERAGE**] section[s] to determine if a Covered Person is a Late Enrollee. [The "Pre-Existing Conditions" provision does not apply to a Dependent who is an adopted child or who is a child placed for adoption if the Employee enrolls the Dependent and agrees to make the required payments within [30] days after the Dependent's Eligibility Date.]

Pre–Existing Conditions

A Pre–Existing Condition is an Illness or Injury which manifests itself in the six months before a Covered Person's coverage under the Policy starts, and for which:

a. a Covered Person sees a Practitioner, takes Prescribed Drugs, receives other medical care or treatment or had medical care or treatment recommended by a practitioner in the six months before his or her coverage starts; or
b. an ordinarily prudent person would have sought medical advice, care or treatment in the six months before his or her coverage starts.

A pregnancy which exists on the date a Covered Person's coverage starts is also a Pre–Existing Condition.

[Carrier] does not pay benefits for charges for Pre–Existing Conditions until the Covered Person has been continuously covered by the Policy for 180 days.

[This limitation does not affect benefits for other unrelated conditions, or birth defects in a covered Dependent child] And [Carrier] waives this limitation for a Covered Person's Pre–Existing Condition if the condition was payable under another [Carrier] group plan which insured the Covered Person right before the Covered Person's coverage under this Policy started. The next section shows other exceptions.

Continuity of Coverage

A new Covered Person may have been covered under a group or individual health insurance policy or contract delivered, or issued for delivery in the United States, including coverage by an insurance company, a health, hospital or medical service corporation, or a health maintenance organization, Medicare or Medicaid or any other federally funded health benefits program, and with respect to a group plan, an employer-based, self-funded or other health benefit arrangement, prior to enrollment under this Policy. When this happens, if the previous plan provided coverage for a condition [Carrier] gives credit for the time he or she was covered under the previous plan to determine if a condition is Pre–Existing whether or not the previous plan paid benefits for the condition to the Covered Person. [Carrier] goes back to the date his or her coverage under the previous plan started. But the Employee's active Full–Time service with the Employer must start within 90 days of the date his or her coverage under the previous plan ended. And the person must sign and complete his or her enrollment form within 30 days of the date the Employee's active Full–Time service begins. Any condition arising between the date his or her coverage under the previous plan ends and the date his or her coverage under the Policy starts is Pre–Existing. [Carrier] does not cover any charges actually incurred before the person's coverage under the Policy starts. If the Employer has included an eligibility waiting period in the Policy, an Employee must still meet it, before becoming insured.

Private Duty Nursing Care

[Carrier] **only** covers charges by a Nurse for Medically Necessary and Appropriate private duty nursing care, if such care is authorized as part of a home health care plan, coordinated by a Home Health Agency, and covered under the **Home Health Care Charges** section. Any other charges for private duty nursing care are a Non–Covered Charge.

A Covered Person may receive treatment as an Inpatient in a Hospital or a Substance Abuse Center. He or she may also receive treatment as an Outpatient from a Hospital, Substance Abuse Center, or any properly licensed or certified Practitioner, psychologist or social worker. Covered Charges for the treatment of Mental and Nervous Conditions and Substance Abuse include charges incurred for Prescription Drugs.

IMPORTANT NOTICE

[The Policy has utilization review features. Under these features, [ABC—Systems, a health care review organization]

reviews Hospital admissions and Surgery performed outside of a Practitioner's office [for Carrier]. These features must be complied with if a Covered Person:

a. is admitted as an Inpatient to a Hospital, or
b. is advised to enter a Hospital or have Surgery performed outside of a Practitioner's office. If a Covered Person does not comply with these utilization review features, he or she will not be eligible for full benefits under the Policy. See the **Utilization Review Features** section for details.]

[The Policy has alternate treatment features. Under these features, [DEF, a Case Coordinator] reviews a Covered Person's medical needs in clinical situations with the potential for catastrophic claims to determine whether alternative treatment may be available and appropriate. See the **Alternate Treatment Features** section for details.]

[The Policy has centers of excellence features. Under these features, a Covered Person may obtain necessary care and treatment from Providers with whom [Carrier] has entered into agreements. See the **Centers of Excellence Features** section for details.]

If You have any questions after reading this [certificate], You should [call The Group Claim Office at the number shown on Your identification card.]

The Policy is not responsible for medical or other results arising directly or indirectly from the Covered Person's participation in these Utilization Review Features.]

[UTILIZATION REVIEW FEATURES

Important Notice: If a Covered Person does not comply with the Policy's utilization review features, he or she will not be eligible for full benefits under the Policy.

Compliance with the Policy's utilization review features does not guarantee what [Carrier] will pay for Covered Charges. What [Carrier] pays is based on:

a. the Covered Charges actually incurred;
b. the Covered Person being eligible for coverage under the Policy at the time the Covered Charges are incurred; and
c. the Cash Deductible, Co–Payment and Co–Insurance provisions, and all of the other terms of the Policy.

Definitions

"Hospital admission" means admission of a Covered Person to a Hospital as an Inpatient for Medically Necessary and Appropriate care and treatment of an Illness or Injury.

[Carrier] calls a Hospital admission or Surgery "emergency" if, after an evaluation of the Covered Person's condition, the attending Practitioner determines that failure to make the admission or perform the Surgery immediately would pose a serious threat to the Covered Person's life or health. A Hospital admission or Surgery made or performed for the convenience of Practitioners or patients is not an emergency.

By "covered professional charges for Surgery" [Carrier] means Covered Charges that are made by a Practitioner for performing Surgery. Any surgical charge which is not a Covered Charge under the terms of the Policy is not payable under the Policy.

"Regular working day" means [Monday through Friday from 9 a.m. to 9 p.m. Eastern Time,] not including legal holidays.

Grievance Procedure

[If a Covered Person is not satisfied with a utilization review decision, the Covered Person or the Covered Person's Practitioner may appeal such decision by calling [ABC]. A Nurse reviewer will collect any additional medical information required and submit the case to a second [ABC] medical review physician. This physician will discuss the case with the physician reviewer who made the initial decision. The second medical review physician will then discuss the case with the Covered Person's Practitioner. The Covered Person's Practitioner is then notified of the appeal's recommendation and referred to the [Carrier] for any further appeals.]]

[REQUIRED HOSPITAL STAY REVIEW

Important Notice: If a Covered Person does not comply with these Hospital stay review features, he or she will not be eligible for full benefits under the Policy.

Notice of Hospital Admission Required

[Carrier] requires notice of all Hospital admissions. The times and manner in which the notice must be given is described below. When a Covered Person does not comply with the requirements of this section [Carrier] reduces what it pays for covered Hospital charges as a penalty.

Pre–Hospital Review

All non-emergency Hospital admissions must be reviewed by [ABC] before they occur. The Covered Person or the Covered Person's Practitioner must notify [ABC] and request a pre-hospital review. [ABC] must receive the notice and request as soon as possible before the admission is scheduled to occur. For a maternity admission, a Covered Person or his or her Practitioner must notify [ABC] and request a pre-hospital review at least [60 days] before the expected date of delivery, or as soon as reasonably possible.

When [ABC] receives the notice and request, [they] evaluate:

a. the Medical Necessity and Appropriateness of the Hospital admission;
b. the anticipated length of stay; and
c. the appropriateness of health care alternatives, like home health care or other outpatient care.

[ABC] notifies the Covered Person's Practitioner, [by phone, of the outcome of their review. And [they] confirm the outcome of [their] review in writing.]

If [ABC] authorizes a Hospital admission, the authorization is valid for:

a. the specified Hospital;
b. the named attending Practitioner; and
c. the authorized length of stay.

The authorization becomes invalid and the Covered Person's admission must be reviewed by [ABC] again if:

a. he or she enters a Facility other than the specified Facility;
b. he or she changes attending Practitioners; or
c. more than [60 days] elapse between the time he or she obtains authorization and the time he or she enters the Hospital, except in the case of a maternity admission.

Emergency Admission

[ABC] must be notified of all emergency admission by phone. This must be done by the Covered Person or the Covered Person's Practitioner no later than the end of the next regular working day, or as soon as possible after the admission occurs.

When [ABC] is notified [by phone,] they require the following information:

a. the Covered Person's name, social security number and date of birth;
b. the Covered Person's group plan number;
c. the reason for the admission;
d. the name and location of the Hospital;
e. when the admission occurred; and
f. the name of the Covered Person's Practitioner.

Continued Stay Review

The Covered Person, or his or her Practitioner, must request a continued stay review for any emergency admission. This must be done at the time [ABC] is notified of such admission.

The Covered Person, or his or her Practitioner, must also initiate a continued stay review whenever it is Medically Necessary and Appropriate to change the authorized length of a Hospital stay. This must be done before the end of the previously authorized length of stay.

[ABC] also has the right to initiate a continued stay review of any Hospital admission. And [ABC] may contact the Covered Person's Practitioner or Hospital by phone or in writing.

In the case of an emergency admission, the continued stay review evaluates:

a. the Medical Necessity and Appropriateness of the Hospital admission;
b. the anticipated length of stay; and
c. the appropriateness of health care alternatives.

In all other cases, the continued stay review evaluates:

a. the Medical Necessity and Appropriateness of extending the authorized length of stay; and
b. the appropriateness of health care alternatives.

[ABC] notifies the Covered Person's Practitioner [by phone, of the outcome of the review. And [ABC] confirms the outcome of the review in writing.] The notice always includes any newly authorized length of stay.

Penalties for Non–Compliance

In the case of a non-emergency Hospital admission, as a penalty for non-compliance, [[Carrier] reduces what it pays for covered Hospital charges by 50%], if:

a. the Covered Person does not request a pre-hospital review; or
b. the Covered Person does not request a pre-hospital review as soon as reasonably possible before the Hospital admission is scheduled to occur; or
c. [ABC's] authorization becomes invalid and the Covered Person does not obtain a new one; or
d. [ABC] does not authorize the Hospital admission.

In the case of an emergency admission, as a penalty for non-compliance, [[Carrier] reduces what it pays for covered Hospital charges by 50%], if:

a. [ABC] is not notified of the admission at the times and in the manner described above;
b. the Covered Person does not request a continued stay review; or
c. the Covered Person does not receive authorization for such continued stay.

The penalty applies to covered Hospital charges incurred after the applicable time limit allowed for giving notice ends.

For any Hospital admission, if a Covered Person stays in the Hospital longer than [ABC] authorizes, [Carrier] re-

duces what it pays for covered Hospital charges incurred after the authorized length of stay ends by 50% as a penalty for non-compliance.

Penalties cannot be used to meet the Policy's:

a. Cash Deductible; or
b. Co–Insurance Caps.]

[REQUIRED PRE–SURGICAL REVIEW

Important Notice: If a Covered Person does not comply with these pre-surgical review features, he or she will not be eligible for full benefits under the Policy.

[Carrier] requires a Covered Person to get a pre-surgical review for any non-emergency procedure performed outside of a Practitioner's office. When a Covered Person does not comply with the requirements of this section [Carrier] reduces what it pays for covered professional charges for Surgery, as a penalty.

The Covered Person or his or her Practitioner, must request a pre-surgical review from [ABC]. [ABC] must receive the request at least 24 hours before the Surgery is scheduled to occur. If the Surgery is being done in a Hospital, on an Inpatient basis, the pre-surgical review request should be made at the same time as the request for a pre-hospital review.

When [ABC] receives the request, they evaluate the Medical Necessity and Appropriateness of the Surgery and they either:

a. approve the proposed Surgery, or
b. require a second surgical opinion regarding the need for the Surgery.

[ABC] notifies the Covered Person's Practitioner, [by phone, of the outcome of the review. [ABC] also confirms the outcome of the review in writing.]

Required Second Surgical Opinion

If [ABC's] review does not confirm the Medical Necessity and Appropriateness of the Surgery, the Covered Person must obtain a second surgical opinion in order to get full benefits under the Policy. If the second opinion does not confirm the medical necessity of the Surgery, the Covered Person may obtain a third opinion, although he or she is not required to do so.

[[ABC] will give the Covered Person a list of Practitioners in his or her area who will give a second opinion.] The Covered Person may get the second opinion from [a Practitioner on the list, or from] a Practitioner of his or her own choosing, if the Practitioner:

a. is board certified and qualified, by reason of his or her specialty, to give an opinion on the proposed Surgery;
b. is not a business associate of the Covered Person's Practitioner; and
c. does not perform the Surgery if it is needed.

[[ABC] gives second opinion forms to the Covered Person. The Practitioner he or she chooses fills them out, and then returns them to [ABC].]

[Carrier] covers charges for additional surgical opinions, including charges for related x-ray and tests. But what [Carrier] pays is based on all the terms of the Policy, except, these charges are not subject to the Cash Deductible or Co–Insurance.

Pre–Hospital Review

If the Proposed Surgery is to be done on an Inpatient basis, the Required Pre–Hospital Review section must be complied with. See the **Required Pre–Hospital Review** section for details.

Penalties for Non–Compliance

As a penalty for non-compliance, [[Carrier] reduces what it pays for covered professional charges, for Surgery by 50%], if:

a. the Covered Person does not request a pre-surgical review; or
b. [ABC] is not given at least 24 hours to review and evaluate the proposed Surgery; or
c. [ABC] requires additional surgical opinions and the Covered Person does not get those opinions before the Surgery is done; or
d. [ABC] does not confirm the need for Surgery.

Penalties cannot be used to meet the Policy's:

CONTINUATION RIGHTS

COORDINATION AMONG CONTINUATION RIGHTS SECTIONS

As used in this section, COBRA means the Consolidated Omnibus Budget Reconciliation Act of 1985 as enacted, and later amended.

A Covered Person may be eligible to continue his or her group health benefits under this [certificate's] **COBRA CONTINUATION RIGHTS** (CCR) section and under other continuation sections of this [certificate] at the same time.

Continuation Under CCR and NEW JERSEY GROUP CONTINUATION RIGHTS (NJGCR): If a Covered Person is eligible to continue his or her group health benefits under both this [certificate's] CCR and NJGCR sections, he or she may elect to continue under CCR, but cannot continue under NJGCR.

Continuation Under CCR and any other continuation section of this [certificate]:

If a Covered Person elects to continue his or her group health benefits under both this [certificate's] CCR and any other continuation sections, the continuations:

a. start at the same time;
b. run concurrently; and
c. end independently on their own terms.

While covered under more than one continuation section, the Covered Person:

a. will not be entitled to duplicate benefits; and
b. will not be subject to the premium requirements of more than one section at the same time.

AN IMPORTANT NOTICE ABOUT CONTINUATION RIGHTS

The following **COBRA CONTINUATION RIGHTS** section may not apply to Your Employer's Policy. You must contact Your Employer to find out if:

a. Your Employer is subject to the **COBRA CONTINUATION RIGHTS** section in which case;
b. the section applies to You.

COBRA CONTINUATION RIGHTS

Important Notice

Under this section, "qualified continuee" means any person who, on the day before any event which would qualify him or her for continuation under this section, is covered for group health benefits under the Policy as:

a. an active, covered Employee;
b. the spouse of an active, covered Employee; or
c. the Dependent child of an active, covered Employee. Any person who becomes covered under the Policy during a continuation provided by this section is not a qualified continuee.

If An Employee's Group Health Benefits Ends

If Your group health benefits end due to Your termination of employment or reduction of work hours, You may elect to continue such benefits for up to 18 months, if:

a. You were not terminated due to gross misconduct; and
b. You are not entitled to Medicare.

The continuation:

a. may cover You and any other qualified continuee; and
b. is subject to the **When Continuation Ends** section.

Extra Continuation for Disabled Qualified Continuees

If a qualified continuee is determined to be disabled under Title II or Title XVI of the United States Social Security Act on the date his or her group health benefits would otherwise end due to Your termination of employment or reduction of work hours, You may elect to extend Your 18 month continuation period above for up to an extra 11 months.

To elect the extra 11 months of continuation, the qualified continuee must give the Employer written proof of Social Security's determination of his or her disability before the earlier of:

a. the end of the 18 month continuation period; and
b. 60 days after the date the qualified continuee is determined to be disabled.

If, during this extra 11 month continuation period, the qualified continuee is determined to be no longer disabled under the Social Security Act, he or she must notify the Employer within 30 days of such determination, and continuation will end, as explained in the **When Continuation Ends** section.

An additional 50% of the total premium charge also may be required from the qualified continuee by the Employer during this extra 11 month continuation period.

If An Employee Dies While Insured

If You die while insured, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the **When Continuation Ends** section.

If An Employee's Marriage Ends

If Your marriage ends due to legal divorce or legal separation, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the **When Continuation Ends** section.

If A Dependent Loses Eligibility

If a Dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in the Policy, other than Your coverage ending, he or she may elect to continue such benefits. However, such Dependent child must be a qualified continuee. The continuation can last for up to 36 months, subject to **When Continuation Ends.**

Concurrent Continuations

If a Dependent elects to continue his or her group benefits due to Your termination of employment or reduction of work hours, the Dependent may elect to extend his or her 18 month continuation period to up to 36 months, if during the 18 month continuation period, either:

a. the Dependent becomes eligible for 36 months of group health benefits due to any of the reasons stated above; or
b. You become entitled to Medicare.

The 36 month continuation period starts on the date the 18 month continuation period started, and the two continuation periods will be deemed to have run concurrently.

The Qualified Continuee's Responsibilities

A person eligible for continuation under this section must notify the Employer, in writing, of:

a. the legal divorce or legal separation of the Employee from his or her spouse; or
b. the loss of dependent eligibility, as defined in the Policy, of an insured Dependent child.

Such notice must be given to the Employer within 60 days of either of these events.

The Employer's Responsibilities

The Employer must notify the qualified continuee, in writing, of:

a. his right to continue the Policy's group health benefits;
b. the monthly premium he or she must pay to continue such benefits; and
c. the times and manner in which such monthly payments must be made.

Such written notice must be given to the qualified continuee within 14 days of:

a. the date a qualified continuee's group health benefits would otherwise end due to Your death or Your termination of employment or reduction of work hours; or
b. the date a qualified continuee notifies the Employer, in writing, of Your legal divorce or legal separation from Your spouse, or the loss of dependent eligibility of an insured Dependent child.

The Employer's Liability

The Employer will be liable for the qualified continuee's continued group health benefits to the same extent as, and in place of [Carrier], if:

a. The Employer fails to remit a qualified continuee's timely premium payment to [Carrier] on time, thereby causing the qualified continuee's continued group health benefits to end; or
b. The Employer fails to notify the qualified continuee of his or her continuation rights, as described above.

Election of Continuation

To continue his or her group health benefits, the qualified continuee must give the Employer written notice that he or she elects to continue. This must be done within 60 days of the date a qualified continuee receives notice of his or her continuation rights from the Employer as described above. And the qualified continuee must pay the first month's premium in a timely manner.

The subsequent premiums must be paid to the Employer, by the qualified continuee, in advance, at the times and in the manner specified by the Employer. No further notice of when premiums are due will be given.

The monthly premium will be the total rate which would have been charged for the group health benefits had the qualified continuee stayed insured under the Policy on a regular basis. It includes any amount that would have been paid by the Employer. Except as explained in the **Extra Continuation for Disabled Qualified Continuees** section, an additional charge of two percent of the total premium charge may also be required by the Employer.

If the qualified continuee fails to give the Employer notice of his or her intent to continue, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

Grace in Payment of Premiums

A qualified continuee's premium payment is timely if, with respect to the first payment after the qualified continuee elects to continue, such payment is made no later than 45 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the specified date.

When Continuation Ends

A qualified continuee's continued group health benefits end on the first of the following:

a. with respect to continuation upon the employee's termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;
b. with respect to a disabled qualified continuee who has elected an additional 11 months of continuation, the earlier of:
   - the end of the 29 month period which starts on the date the group health benefits would otherwise end; or
   - the first day of the month which coincides with or next follows the date which is 30 days after the date on which a final determination is made that a disabled qualified continuee is no longer disabled under Title II or Title XVI of the United States Social Security Act;
c. with respect to continuation upon Your death, Your legal divorce or legal separation, or the end of an insured Dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
d. with respect to a Dependent whose continuation is extended due to Your entitlement to Medicare, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
e. the date the Policy ends;
f. the end of the period for which the last premium payment is made;
g. the date he or she becomes covered under any other group health plan which contains no limitation or exclusion with respect to any Pre–Existing Condition of the qualified continuee;
h. the date he or she becomes entitled to Medicare.

A divorced spouse whose continued health benefits end as described above may elect to convert some of these benefits to an individual insurance policy. Read this [certificate's] **Conversion Rights for Divorced Spouses** section for details.

NEW JERSEY GROUP CONTINUATION RIGHTS

If an Employee's Group Benefits End

If Your health coverage ends due to termination of employment for a reason other than for cause, or reduction of work hours to below 25 hours per week, You may elect to continue such benefits for up to 12 months, subject to the **When Continuation Ends** section. At Your option, You may elect to continue health coverage for any of Your then insured Dependents whose coverage would otherwise end at this time. In order to continue health coverage for Your Dependents, You must elect to continue health coverage for Yourself.

What the Employee Must Do

To continue Your health coverage, You must send a written request to the Employer within 30 days of the date of termination of employment or reduction of work hours. You must also pay the first month's premium. The first premium payment must be made within 30 days of the date You elect continuation.

You must pay the subsequent premiums to the Employer, in advance, at the times and in the manner [Carrier] specifies.

The monthly premium will be the total rate which would have been charged for the small group benefits had You stayed insured under the Policy on a regular basis. It includes any amount that Your Employer would have paid. And an additional charge of 2% of the total premium may be charged for the continued coverage.

If You fail to give the Employer notice that You elect to continue, or fail to make any premium payment in a timely manner, You waive Your continuation rights. All premium payments, except the first, will be considered timely if they are made within 31 days of the specified due dates.

The Continued Coverage

Your continued coverage will be identical to the coverage You had when covered under the Policy on a regular basis. Any modifications made under the Policy will apply to similarly situated continuees. [Carrier] does not ask for proof of insurability in order for You to continue.

When Continuation Ends

A Covered Person's continued health coverage ends on the first of the following:

a. the date which is 12 months from the date the small group benefits would otherwise end;
b. the date the Covered Person becomes eligible for Medicare;
c. the end of the period for which the last premium payment is made;
d. the date the Covered Person becomes covered under another group health benefits plan which contains no limitation or exclusion with respect to any Pre-Existing Condition of the Covered Person;
e. with respect to a Covered Person who becomes covered under another group health benefits plan which contains a limitation or exclusion with respect to a Pre–Existing Condition of the Covered Person, the date such limitation or exclusion ends;
f. the date the Employer no longer provides any health benefit plans for any of the Employer's Employees or their eligible Dependents; or
g. with respect to a Dependent, the date he or she is no longer an eligible Dependent as defined in the Policy.

A TOTALLY DISABLED EMPLOYEE'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS

If An Employee is Totally Disabled

If You are Totally Disabled and Your group health benefits end because Your active employment or membership in an eligible class ends due to that disability, You can elect to continue Your group health benefits. But You must have been insured by the Policy for at least three months immediately prior to the date Your group health benefits ends. The continuation can cover You, and at Your option, Your then insured Dependents.

How And When To Continue Coverage

To continue group health benefits, You must give Your Employer written notice that You elect to continue such benefits. And You must pay the first month's premium. This must be done within 31 days of the date Your coverage under the Policy would otherwise end.

Subsequent premiums must be paid to the Employer monthly, in advance, at the times and in the manner specified by the Employer. The monthly premium You must pay will be the total rate charged for an active Full–Time Employee, insured under the Policy on a regular basis, on the date each payment is due. It includes any amount which would have been paid by the Employer.

[Carrier] will consider Your failure to give notice or to pay any required premium as a waiver of Your continuation rights.

If the Employer fails, after the timely receipt of Your payment, to pay [Carrier] on Your behalf, thereby causing Your coverage to end; then such Employer will be liable for Your benefits, to the same extent as, and in place of, [Carrier].

When This Continuation Ends

These continued group health benefits end on the first of the following:

a. the end of the period for which the last payment is made, if You stop paying;

b. the date the Covered Person becomes employed and eligible or covered for similar benefits by another group plan, whether it be an insured or uninsured plan;

c. the date the Policy ends or is amended to end for the class of Employees to which You belonged; or

d. with respect to a Dependent, the date he or she stops being an eligible Dependent as defined in the Policy.

AN EMPLOYEE'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS DURING A FAMILY LEAVE OF ABSENCE

Important Notice

This section may not apply to Your Employer's Policy. You must contact Your Employer to find out if:

- Your Employer must allow for a leave of absence under Federal law in which case;
- the section applies to You.

If An Employee's Group Health Coverage Ends

Group health coverage may end for You because You cease Full–Time work due to an approved leave of absence. Such leave of absence must have been granted to allow You to care for a sick family member or after the birth or adoption of a child. If so, Your group health benefits insurance will be continued. Dependents' insurance may also be continued. You will be required to pay the same share of premium as before the leave of absence.

When Continuation Ends

Insurance may continue until the earliest of:

a. the date You return to Full–Time work;

b. the end of a total leave period of 12 weeks in any 12 month period;

c. the date on which Your coverage would have ended had You not been on leave; or

d. the end of the period for which the premium has been paid.

[A DEPENDENT'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS

If You die, any of Your Dependents who were insured under the Policy may elect to continue coverage. Subject to the payment of the required premium, coverage may be continued until the earlier of:

a. 180 days following the date of Your death; or

b. the date the Dependent is no longer eligible under the terms of the Policy.]

[CONVERSION RIGHTS FOR DIVORCED SPOUSES

IF AN EMPLOYEE'S MARRIAGE ENDS

If Your marriage ends by legal divorce or annulment, the group health benefits for Your former spouse ends. The former spouse may convert to an individual major medical policy during the conversion period. The former spouse may insure under his or her individual policy any of his or her Dependent children who were insured under the Policy on the date the group health benefits ends. See exceptions below.

Exceptions

No former spouse may use this conversion right:

a. if he or she is eligible for Medicare; or
b. if it would cause him or her to be overinsured.

This may happen if the spouse is covered or eligible for coverage providing similar benefits provided by any other plan, insured or not insured. [Carrier] will determine if overinsurance exists using its standards for overinsurance.

HOW AND WHEN TO CONVERT

The conversion period means the 31 days after the date group health benefits ends. The former spouse must apply for the individual policy in writing and pay the first premium for such policy during the conversion period. Evidence of insurability will not be required.

THE CONVERTED POLICY

The individual policy will provide the major medical benefits that [Carrier] is required to offer in the state where the Employer is located.

The individual policy will take effect on the day after group health benefits under the Policy ends.

After group health benefits under the Policy ends, the former spouse and any children covered under the individual policy may still be paid benefits under the Policy. If so, benefits to be paid under the individual policy will be reduced by the amount paid under the Policy.]

EFFECT OF INTERACTION WITH A HEALTH MAINTENANCE ORGANIZATION PLAN

HEALTH MAINTENANCE ORGANIZATION ("HMO") means a prepaid alternative health care delivery system.

A Policyholder may offer its Employees HMO membership in lieu of the group health benefits insurance provided by the Policy. If the Employer does, the following provisions apply.

IF AN INSURED EMPLOYEE ELECTS HMO MEMBERSHIP

Date Group Health Benefits Insurance Ends

Insurance for You and Your Dependents will end on the date You become an HMO member.

Benefits After Group Health Benefits Insurance Ends

When You become an HMO member, the **Extended Health Benefits** section of this [certificate] will not apply to You and Your Dependents.

Exception:

IF, on the date membership takes effect, the HMO does not provide benefits due to:

- an HMO waiting period
- an HMO Pre–Existing Conditions limit, or
- a confinement in a Hospital not affiliated with the HMO

AND the HMO provides benefits for total disability when membership ends

THEN group health benefits will be paid until the first of the following occurs:

- 90 days expire from the date membership takes effect
- the HMO's waiting period ends
- the HMO's Pre–Existing Conditions limit expires, or
- hospitalization ends.

IF AN HMO MEMBER ELECTS GROUP HEALTH BENEFITS INSURANCE PROVIDED BY THE POLICY

Date Transfer To Such Insurance Takes Effect

Each Employee who is an HMO member may transfer to such insurance by written request. If You elect to do so, any Dependents who are HMO members must also be included in such request. The date such persons are to be insured depends on when and why the transfer request is made.

request made during an open enrollment period

[Carrier] and the Policyholder will agree when this period will be. If You request insurance during this period, You and Your Dependents will be insured on the date such period ends.

If You request insurance because membership ends for these reasons, the date You and Your Dependents are to be insured depends on the date the request is made.

If it is made:

- on or before the date membership ends, they will be insured on the date such membership ends
- within 31 days after the date membership ends, they will be insured on the date the request is made
- more than 31 days after the date membership ends, You and Your Dependents will be Late Enrollees.

request made because an HMO becomes insolvent

If You request insurance because membership ends for this reason, the date You and Your Dependents are to be insured depends on the date the request is made.

If it is made:

- within 31 days after the date membership ends, they will be insured on the date the request is made
- more than 31 days after the date membership ends, You and Your Dependents will be Late Enrollees.

request made at any other time

You may request insurance at any time other than that described above. In this case, You and Your Dependents will be Late Enrollees.

Other Provisions Affected By A Transfer

If a person makes a transfer, the following provisions, if required by the Policy for such insurance, will not apply on the transfer date:

- an Actively at Work requirement
- non-confinement, or similar requirement
- a waiting period, or
- Pre–Existing Conditions provisions.

Charges not covered

Charges incurred before a person becomes insured will be considered Non–Covered Charges.

Maximum benefit

The total amount of benefits to be paid for each person will be the maximum benefit specified in the Policy, regardless of any interruption in such person's insurance under the Policy.

Right to change premium rates

[Carrier] has the right to change premium rates when, in its opinion, its liability under the Policy is changed by interaction with an HMO plan.

COORDINATION OF BENEFITS

Purpose Of This Provision

A Covered Person may be covered for health expense benefits by more than one plan. For instance, he or she may be covered by the Policy as an Employee and by another plan as a Dependent of his or her spouse. If he or she is, the provision allows [Carrier] to coordinate what [Carrier] pays with what another plan pays. [Carrier] does this so the Covered Person does not collect more in benefits than he or she incurs in charges.

DEFINITIONS

"Plan" means any of the following that provide health expense benefits or services:

a. group or blanket insurance plans;
b. group hospital or surgical plans, or other service or prepayment plans on a group basis;
c. union welfare plans, Employer plan, Employee benefits plans, trusteed labor and management plans, or other plans for members of a group;
d. programs or coverages required by law; or
e. Medicare or other government programs which [Carrier] is allowed to coordinate with by law.

"Plan" does not include:

a. Medicaid or any other government program or coverage which [Carrier] is not allowed to coordinate with by law;
b. school accident type coverages written on either a blanket, group, or franchise basis;
c. any group or group-type hospital indemnity benefits;
d. Supplemental Limited Benefits Insurance; nor
e. any plan [Carrier] says [Carrier] supplements, as named in the Schedule.

"This plan" means the part of [Carrier's] group plan subject to this provision.

"Member" means the person who receives a certificate or other proof of coverage from a plan that covers him or her for health expense benefits.

"Dependent" means a person who is covered by a plan for health expense benefits, but not as a member.

"Allowable expense" means any necessary, reasonable, and usual item of expense for health care incurred by a member or Dependent under either this plan or any other plan. When a plan provides service instead of cash payment, [Carrier] views the reasonable cash value of each service as an allowable expense and as a benefit paid. [Carrier] also views items of expense covered by another plan as an allowable expense, whether or not a claim is filed under that plan.

The amount of reduction in benefits resulting from a member's or Dependent's failure to comply with provisions of a primary plan is not considered an allowable expense if such reduction in benefits is less than or equal to the reduction that would have been made under the terms of this Plan if this Plan had been primary. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and preferred provider arrangements. This does not apply where a primary plan is a health maintenance organization (HMO) and the member or Dependent elects to have health services provided outside the HMO. A primary plan is described below.

"Claim determination period" means a Calendar Year in which a member or Dependent is covered by this plan and

at least one other plan and incurs one or more allowable expense under such plans.

How This Provision Works

[Carrier] applies provision when a member or Dependent is covered by more than one plan. When this happens [Carrier] will consider each plan separately when coordinating payments.

In order to apply this provision, one of the plans is called the primary plan. All other plans are called secondary plans. The primary plan pays first, ignoring all other plans. The secondary plans then pay the remaining unpaid allowable expenses, but no plan pays more than it would have without this provision.

If a plan has no coordination provision, it is primary. But, during any claim determination period, when this plan and at least one other plan have coordination provisions, the rules that govern which plan pays first are as follows:

a. A plan that covers a person as a member pays first; the plan that covers a person as a Dependent pays second.

b. A plan that covers a person as an active Employee or as a Dependent of such Employee pays first. A plan that covers a person as a laid-off or retired Employee or as a Dependent of such Employee pays second.

But, if the plan that [Carrier] is coordinating with does not have a similar provision for such persons, then b. will not apply.

c. Except for Dependent children of separated or divorced parents, the following governs which plan pays first when the person is a Dependent of a member:

A plan that covers a Dependent of a member whose birthday falls earliest in the Calendar Year pays first. The plan that covers a Dependent of a member whose birthday falls later in the Calendar Year pays second. The member's year of birth is ignored.

But, if the plan that [Carrier] is coordinating with does not have a similar provision for such persons, then c. will not apply and the other plan's coordination provision will determine the order of benefits.

d. For a Dependent child of separated or divorced parents, the following governs which plan pays first when the person is a Dependent of a member.

- When a court order makes one parent financially responsible for the health care expenses of the Dependent child, then that parent's plan pays first.
- If there is no such court order, then the plan of the natural parent with custody pays before the plan of the stepparent with custody; and
- The plan of the stepparent with custody pays before the plan of the natural parent without custody.

If rules a, b, c and d do not determine which plan pays first, the plan that has covered the person for the longer time pays first.

If, when [Carrier] applies this provision, [Carrier] pays less than [Carrier] would otherwise pay, [Carrier] applies only that reduced amount against payment limits of this plan.

[Carrier's] Right To Certain Information

In order to coordinate benefits, [Carrier] needs certain information. You must supply [Carrier] with as much of that information as You can. But if You cannot give [Carrier] all the information [Carrier] needs, [Carrier] has the right to get this information from any source. And if another insurer needs information to apply its coordination provision, [Carrier] has the right to give that insurer such information. If [Carrier] gives or gets information under this section [Carrier] cannot be held liable for such action.

When payment that should have been made by this plan has been made by another plan, [Carrier] has the right to repay that plan. If [Carrier] does so, [Carrier] is no longer liable for that amount. And if [Carrier] pays out more than [Carrier] should have, [Carrier] has the right to recover the excess payment.

Small Claims Waiver

[Carrier] does not coordinate payments on claims of less than $50.00. But if, during any claim determination period, more allowable expenses are incurred that raise the claim above $50.00 [Carrier] will count the entire amount of the claim when [Carrier] coordinates.

BENEFITS FOR AUTOMOBILE RELATED INJURIES

This section will be used to determine a person's benefits under the Policy when expenses are incurred as a result of an automobile related injury.

Definitions

"Automobile Related Injury" means bodily Injury sustained by a Covered Person as a result of an accident:

a. while occupying, entering, leaving or using an automobile; or

b. as a pedestrian;

caused by an automobile or by an object propelled by or from an automobile.

"Allowable Expense" means a medically necessary, reasonable and customary item of expense covered at least in part as an eligible expense by:

a. the Policy;
b. PIP; or
c. OSAIC.

"Eligible Expense" means that portion of expense incurred for treatment of an Injury which is covered under the Policy without application of Cash Deductibles and Co–Payments, if any or Co–Insurance.

"Out–of–State Automobile Insurance Coverage" or "OSAIC" means any coverage for medical expenses under an automobile insurance policy other than PIP. OSAIC includes automobile insurance policies issued in another state or jurisdiction.

"PIP" means personal injury protection coverage provided as part of an automobile insurance policy issued in New Jersey. PIP refers specifically to provisions for medical expense coverage.

Determination of primary or secondary coverage

The Policy provides secondary coverage to PIP unless health coverage has been elected as primary coverage by or for the Covered Person under the Policy. This election is made by the named insured under a PIP policy. Such election affects that person's family members who are not themselves named insureds under another automobile policy. The Policy may be primary for one Covered Person, but not for another if the person has separate automobile policies and have made different selections regarding primacy of health coverage.

The Policy is secondary to OSAIC, unless the OSAIC contains provisions which make it secondary or excess to the policyholder's plan. In that case the Policy will be primary.

If there is a dispute as to which policy is primary, the Policy will pay benefits as if it were primary.

Benefits the Policy will pay if it is primary to PIP or OSAIC.

If the Policy is primary to PIP or OSAIC it will pay benefits for eligible expenses in accordance with its terms.

The rules of the **COORDINATION OF BENEFITS** section of the Policy will apply if:

- the covered Person is insured under more than one insurance plan; and
- such insurance plans are primary to automobile insurance coverage.

Benefits the Policy will pay if it is secondary to PIP or OSAIC.

If the Policy is secondary to PIP or OSAIC the actual benefits payable will be the lesser of:

a. the allowable expenses left uncovered after PIP or SAIC has provided coverage after applying Cash Deductibles and Co–Payments, or
b. the benefits that would have been paid if the Policy had been primary.

Medicare

If the Policy supplements coverage under Medicare it can be primary to automobile insurance only to the extent that Medicare is primary to automobile insurance.

MEDICARE AS SECONDARY PAYOR

IMPORTANT NOTICE

The following sections regarding Medicare may not apply to Your Employer's Policy. You must contact Your Employer to find out if Your Employer is subject to Medicare as Secondary Payor rules.

If Your Employer is subject to such rules, this **Medicare as Secondary Payor** section applies to You.

If Your Employer is NOT subject to such rules, this **Medicare as Secondary Payor** section does not apply to You, in which case, Medicare will be the primary health plan and the Policy will be the secondary health plan for Covered Persons who are eligible for Medicare.

The following provisions explain how the Policy's group health benefits interact with the benefits available under Medicare as Secondary Payor rules. A Covered Person may be eligible for Medicare by reason of age, disability, or End Stage Renal Disease. Different rules apply to each type of Medicare eligibility, as explained below.

With respect to the following provisions:

a. "Medicare" when used above, means Part A and B of the health care program for the aged and disabled provided by Title XVII of the United States Social Security Act, as amended from time to time.
b. A Covered Person is considered to be eligible for Medicare by reason of age from the first day of the month during which he or she reaches age 65. However, if the Covered Person is born on the first day of a month, he or she is considered to be eligible for Medicare from the first day of the month which is immediately prior to his or her 65th birthday.
c. A "primary" health plan pays benefits for a Covered Person's Covered Charge first, ignoring what the Covered Person's "secondary" plan pays. A "secondary" health plan then pays the remaining unpaid allowable expenses. See the **Coordination**

of Benefits section for a definition of "allowable expense".

[d. "We" means Carrier.]

MEDICARE ELIGIBILITY BY REASON OF AGE

Applicability

This section applies to You or Your insured spouse who is eligible for Medicare by reason of age.

Under this section, such an Employee or insured spouse is referred to as a "Medicare eligible".

This section does not apply to:

a. a Covered Person, other than an Employee or insured spouse

b. an Employee or insured spouse who is under age 65, or

c. a Covered Person who is eligible for Medicare solely on the basis of End Stage Renal Disease.

When An Employee or Insured Spouse Becomes Eligible For Medicare

When an Employee or insured spouse becomes eligible for Medicare by reason of age, he or she must choose one of the two options below.

Option (A)—The Medicare eligible may choose the Policy as his or her primary health plan. If he or she does, Medicare will be his or her secondary health plan. See the **When The Policy is Primary** section below, for details.

Option (B)—The Medicare eligible may choose Medicare as his or her primary health plan. If he or she does, group health benefits under the Policy will end. See the **When Medicare is Primary** section below, for details.

If the Medicare eligible fails to choose either option when he or she becomes eligible for Medicare by reason of age, [Carrier] will pay benefits as if he or she had chosen Option (A).

When the Policy is primary

When a Medicare eligible chooses the Policy as his or her primary health plan, if he or she incurs a Covered Charge for which benefits are payable under both the Policy and Medicare, the Policy is considered primary. The Policy pays first, ignoring Medicare. Medicare is considered the secondary plan.

When Medicare is primary

If a Medicare eligible chooses Medicare as his or her primary health plan, he or she will no longer be covered for such benefits by the Policy. Coverage under the Policy will end on the date the Medicare eligible elects Medicare as his or her primary health plan.

A Medicare eligible who elects Medicare as his or her primary health plan, may later change such election, and choose the Policy as his or her primary health plan.

MEDICARE ELIGIBILITY BY REASON OF DISABILITY

Applicability

This section applies to a Covered Person who is:

a. under age 65; and

b. eligible for Medicare by reason of disability.

Under this section, such Covered Person is referred to as a "disabled Medicare eligible".

This section does not apply to:

a. a Covered Person who is eligible for Medicare by reason of age; or

b. a Covered Person who is eligible for Medicare solely on the basis of End Stage Renal Disease.

When a Covered Person Becomes Eligible For Medicare

When a Covered Person becomes eligible for Medicare by reason of disability, the Policy is the primary plan. Medicare is the secondary plan.

If a Covered Person is eligible for Medicare by reason of disability, he or she must be covered by both Parts A and B. If he or she is not, he or she must meet the Medicare Alternate Deductible shown in the Schedule.

MEDICARE ELIGIBILITY BY REASON OF END STAGE RENAL DISEASE

Applicability

This section applies to a Covered Person who is eligible for Medicare on the basis of End Stage Renal Disease (ESRD).

Under this section, such Covered Person is referred to as a "ESRD Medicare eligible".

This section does not apply to a Covered Person who is eligible for Medicare by reason of disability.

When A Covered Person Becomes Eligible For Medicare Due to ESRD

When a Covered Person becomes eligible for Medicare solely on the basis of ESRD, for a period of up to 18 consecutive months, if he or she incurs a charge for the treatment of ESRD for which benefits are payable under both the Policy and Medicare, the Policy is considered primary. The Policy pays first, ignoring Medicare. Medicare is considered the secondary plan.

This 18 month period begins on the earlier of:

a. the first day of the month during which a regular course of renal dialysis starts; and
b. with respect to an ESRD Medicare eligible who receives a kidney transplant, the first day of the month during which such Covered Person becomes eligible for Medicare.

After the 18 month period described above ends, if an ESRD Medicare eligible incurs a charge for which benefits are payable under both the Policy and Medicare, Medicare is the primary plan. The Policy is the secondary plan. If a Covered Person is eligible for Medicare on the basis of ESRD, he or she must be covered by both Parts A and B. If he or she is not, he or she must meet the Medicare Alternate Deductible shown in the Schedule.

RIGHT TO RECOVERY—THIRD PARTY LIABILITY

As used in this section:

"Covered Person" means an Employee or Dependent, including the legal representative of a minor or incompetent, insured by the Policy.

"Reasonable pro-rata Expenses" are those costs such as lawyers fees and court costs, incurred to effect a third party payment, expressed as a percentage of such payment.

"Third Party" means anyone other than [Carrier], the Employer or the Covered Person.

If a Covered Person makes a claim to [Carrier] for benefits under the Policy prior to receiving payment from a third party or its insurer, the Covered Person must agree, in writing, to repay [Carrier] from any amount of money they receive from the third party, or its insurer for an Illness or Injury.

[Carrier] shall require the return of health benefits paid for an Illness or Injury, up to the amount a Covered Person receives for that Illness or Injury through:

a. a third party settlement;
b. a satisfied judgment; or
c. other means.

[Carrier] will only require such payment when the amounts received through such settlement, judgment or otherwise, are specifically identified as amounts paid for health benefits for which [Carrier] has paid benefits.

The repayment will be equal to the amount of benefits paid by [Carrier]. However, the Covered Person may deduct the reasonable pro-rata expenses, incurred in effecting the third party payment from the repayment to [Carrier].

The repayment agreement will be binding upon the Covered Person whether:

a. the payment received from the third party, or its insurer, is the result of a legal judgment, an arbitration award, a compromise settlement, or any other arrangement, or
b. the third party, or its insurer, has admitted liability for the payment.

[Carrier] will not pay any benefits under the Policy to or on behalf of a Covered Person, who has received payment in whole or in part from a third party, or its insurer for past or future charges for an Illness or Injury, resulting from the negligence, intentional act, or no-fault tort liability of a third party.

STATEMENT OF ERISA RIGHTS

As a participant, an Employee is entitled to certain rights and protection under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

a. Examine, with charge, all plan documents, including insurance contracts, collective bargaining agreements and copies of all documents filed by the plan with the U.S. Department of Labor, such as detailed annual reports and plan descriptions. The document may be examined at the Plan Administrator's office and at other specified locations such as worksites and union halls.
b. Obtain copies of all plan documents and other plan information upon written request to the Plan Administrator, who may make a reasonable charge for the copies.
c. Receive a summary of the plan's annual financial report from the Plan Administrator (if such a report is required).

In addition to creating rights for plan participants, ERISA imposes duties upon the people called "Fiduciaries", who are responsible for the operation of the Employee benefits plan. They have a duty to operate the plan prudently and in the interest of plan participants and beneficiaries. An Employer may not fire the Employee or otherwise discriminate against him or her in any way to prevent him or her from obtaining a welfare benefit or exercising his or her rights under ERISA. If an Employees' claim for welfare benefits is denied in whole or in part, he or she must receive a written explanation of the reason for the denial. The Employee has the right to have his or her claim reviewed and reconsidered.

Under ERISA, there are steps an Employee can take to enforce the above rights. For instance, the Employee may file suit in a federal court if he or she requests materials from the plan and does not receive them within 30 days. The court may require the Plan Administrator to provide the materials and pay the Employee, up to $100.00 a day until he or she receives them (unless the materials were not sent because of reasons beyond the administrator's control). If his or her claim for benefit is denied in whole or in part, or ignored, he or she may file suit in a state or federal court. If plan fiduciaries misuse the plan's money, or discriminate against him or her for asserting his or her rights, he or she may seek assistance from the U.S. Department of Labor, or file suit in a federal court. If he or she is successful, the court may order the person the Employee has sued to pay court costs and legal fees. If he or she loses, the court may order him or her to pay, for example, if it finds his or her claim is frivolous. If the Employee has any question about his or her plan, he or she should contact the Plan Administrator. If he or she has any questions about this statement or about his or her rights under ERISA he or she should contact the nearest Area Office of the U.S. Labor–Management Services Administration, Department of Labor.

CLAIMS PROCEDURE

Claim forms and instructions for filing claims may be obtained from the Plan Administrator. Completed claim forms and any other required material should be returned to the Plan Administrator for submission to [Carrier].

[Carrier] is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the plan with respect to claims.

In addition to the basic claim procedure explained in the Employee's certificate, [Carrier] will also observe the procedures listed below. All notifications from [Carrier] will be in writing.

a. If a claim is wholly or partially denied, the claimant will be notified of the decision within 45 days after [Carrier] received the claim.
b. If special circumstances require an extension of time for processing the claim, written notice of the extension shall be furnished to the claimant prior to the termination of the initial 90–day period. In no event shall such extension exceed a period of 90 days from the end of such initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which [Carrier] expects to render the final decision.
c. If a claim is denied, [Carrier] will provide the Plan Administrator, for delivery to the claimant, a notice that will set forth:
   - the specific reason(s) the claim is denied;
   - specific references to the pertinent plan provision on which the denial is based;
   - a description of any additional material or information needed to make the claim valid, and an explanation of why the material or information is needed;
   - and explanation of the plan's claim review procedure.

A claimant must file a request for review of a denied claim within 60 days after receipt of written notification of denial of a claim.

d. [Carrier] will notify the claimant of its decision within 60 days of receipt of the request for review. If special circumstances require an extension of time for processing, [Carrier] will render a decision as soon as possible, but no later than 120 days after receiving the request. [Carrier] will notify the claimant about the extension.

The above procedures are required under the provisions of ERISA.

PART 1

EXPLANATION OF BRACKETS—CERTIFICATE FORMS

(PLANS A, B, C, D, E)

All text which is enclosed in brackets [ ] is variable. Such text may generally be categorized in five ways.

1. Some areas of variability are self-explanatory. Examples include: [Carrier], [Policyholder], and [ABC].
2. Some areas of variability are noted with brief explanations within the text. Examples include: use of Planholder, PPO, and POS text.
3. Some areas of variability are intended to allow for flexibility in terms of a carrier's administrative practices.
4. Some areas of variability are subject to ranges and parameters specified in statute and/or regulation.

Some areas of variability are determined by the election made by a Carrier, or by the delivery system.

Areas of variability, which may require clarification and explanation as to use, are explained below. The order of the list is consistent with the order of appearance in the certificate forms.

1. The face page text may be modified to be consistent with a Carrier's methods of certificate personalization. The certificate level data that is illustrated on the face page may appear on a separate schedule or sticker, or may be incorporated in the body of the certificate. Carriers may also elect to issue no-name certificates.
2. The term "certificate" may be replaced with certificate booklet, certificate of insurance, employee booklet, booklet certificate, evidence of coverage, or similar titles used to identify the document provided to employees insured under an employer's group policy.
3. If a Carrier elects to provide for BOTH a family deductible and family Co–Insurance Cap allowing for an aggregate satisfaction as opposed to an individual satisfaction, the variable schedule text addressing individual satisfaction would be deleted. The **BENEFIT PROVISION** of the **HEALTH BENEFITS INSURANCE** provision includes text for both an individual and an aggregate satisfaction. Carriers should include text consistent with the text included on the Schedule. **NOTE: ALL plans issued by a Carrier MUST include the same option.**
4. Variable amounts appearing in the Schedule of Insurance may be included on the Schedule, or specified on the face page, sticker, or separate schedule, as discussed above.
5. The Payment of Premiums–Grace Period section of the General Provisions may be omitted from the certificate, at the option of the Carrier.
6. Dividend text which appears both on the Face Page and in the General Provisions should only be included by Carriers that could pay dividends. At the option of the carrier, such text may be omitted from the certificate.
7. The Notice of Loss provision of the Claims Provisions may be omitted at the option of the Carrier.
8. The Payment of Claims provision of the Claims Provisions should include the second or third sentence of the last paragraph, as appropriate.
9. The definition of Reasonable and Customary should only include a reference to the negotiated fee schedule if the Carrier is offering the plan using a Preferred Provider Option or a Point of Service delivery system.
10. The Definition of "You, Your and Yours" may be omitted. If omitted, references throughout the text to You, Your and Yours should be replaced with Employee terminology.
11. The Waiting Period provision of the Employee Coverage provision may be omitted or included at the option of the Employer. If included, the period may not exceed 6 months and must satisfy the requirements of regulation.
12. The date Employee and Dependent coverage ends may vary to accommodate Employer and/or Carrier administration practices. For example, coverage may end immediately or may end at the end of the month following a termination event.
13. If the plan being issued is an indemnity plan, Co–Insurance Cap text should be included. If the plan being issued is a PPO or POS plan, Coinsured Charge Limit text should be included.
14. The method a Carrier chooses to make the optional cancer treatment benefits available will determine which transplant benefit text the Carrier would include. **NOTE: A Carrier may make separate elections regarding the optional benefit for Plan A and Plans B–E to either include as part of the standard plans or offer as a rider.**
15. The Utilization Review Features provisions may be omitted in their entirety, or only one section, the Required Hospital Stay Review or the Required Pre–Surgical Review section may be omitted. If any portion of Utilization Review Features is to be included, either the text must conform to the text of the standard form, except that the penalty for noncompliance may be adjusted to reflect a different percentage, or to utilize a dollar penalty; or the text must be submitted to the Board and the Department of Insurance for review and approval prior to use, as specified in regulation.
16. The Alternate Treatment Features provisions may be omitted. Carrier may administratively provide for such provisions. If included in the policy, the text must conform to the text of the standard form.
17. The Centers of Excellence Features provisions may be omitted. If included in the policy, the text must conform to the text of the standard form.

(RIDERS)

All text which is enclosed in brackets [ ] is variable.

Some areas of variability are self-explanatory. Examples include: [Carrier], [XYZ], and [ABC].

Some areas of variability are noted with brief explanations on the text. An example is the rider closure.

The Co–Payment amounts in the Mental and Nervous Conditions and Substance Abuse rider may vary to be consistent with any other Co–Payment amounts allowed for HMO plans.

The Appeals Procedure in the Mental and Nervous Conditions and Substance Abuse rider may vary to conform to a carrier's and/or health care review organization's procedure.

New Rule, R.1994 d.47, effective December 22, 1993.
See: 25 N.J.R. 5017(a), 26 N.J.R. 400(a).

7. OB/GYNs can be considered Primary Care Physicians.

Under certain circumstances, an incapacitated child is also a Dependent. See the Eligibility section.

Your "unmarried Dependent child" includes Your legally adopted child, Your step-child if such step-child depends on You for most of his or her support and maintenance and children under a court appointed guardianship. We treat a child as legally adopted from the time the child is placed in the home for purpose of adoption. We treat such a child this way whether or not a final adoption order is ever issued.

EMPLOYEE ELIGIBILITY DATE.

a. the date of employment; or
b. the day after any applicable waiting period ends.

EMPLOYER. [ABC Company].

EXPERIMENTAL OR INVESTIGATIONAL.

Services or supplies which We Determine are:

(a) not of proven benefit for the particular diagnosis or treatment of a Member's particular condition; or
(b) not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of a Member's particular condition; or
(c) provided or performed in special settings for research purposes or under a controlled environment or clinical protocol.

Unless otherwise required by law with respect to drugs which have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration (FDA), We will not cover any services or supplies, including treatment, procedures, drugs, biological products or medical devices or any hospitalizations in connection with Experimental or Investigational services or supplies.

We will also not cover any technology or any hospitalization in connection with such technology if such technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of a Member's particular condition.

Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of a Member's particular condition, as explained below.

We will apply the following five criteria in Determining whether services or supplies are Experimental or Investigational:

1. any medical device, drug, or biological product must have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug or biological product for another diagnosis or condition will require that one or more of the following established reference compendia:
   I. The American Medical Association Drug Evaluations;
   II. The American Hospital Formulary Service Drug Information; or
   III. The United States Pharmacopeia Drug Information

   recognize the usage as appropriate medical treatment. As an alternative to such recognition in one or more of the compendia, the usage of the drug will be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests will not be considered Experimental or Investigational.

In any event, any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered Experimental or Investigational.

2. conclusive evidence from the published peer-reviewed medical literature must exist that the technology has a definite positive effect on health outcomes; such evidence must include well-designed investigations that have been reproduced by nonaffiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;
3. demonstrated evidence as reflected in the published peer-reviewed medical literature must exist that over time the technology leads to improvement in health outcomes, i.e., the beneficial effects outweigh any harmful effects;
4. proof as reflected in the published peer-reviewed medical literature must exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and
5. proof as reflected in the published peer-reviewed medical literature must exist that improvements in health outcomes, as defined in paragraph 3, is possible in standard conditions of medical practice, outside clinical investigatory settings.

FULL–TIME. A normal work week of 25 or more hours. Work must be at the Employer's regular place of business or at another place to which an Employee must travel to perform his or her regular duties for his or her full and normal work hours.

HEALTH BENEFITS PLAN. Any hospital and medical expense insurance policy or certificate; health, hospital, or medical service corporation contract or certificate; or health maintenance organization subscriber contract or certificate delivered or issued for delivery in New Jersey by any carrier to a Small Employer group pursuant to section 3 of P.L. 1992, c.162 (C. 17B:27A–19). Health Benefits Plan excludes the following plans, policies, or contracts: accident only, credit, disability, long term care, coverage for Medicare services pursuant to a contract with the United States government, Medicare supplement, dental only, or vision only, insurance issued as a supplement to liability insurance, coverage arising out of a workers' compensation or similar law, hospital confinement or other Supplemental Limited Benefit Insurance coverage, automobile medical payment insurance, or personal injury protection coverage issued pursuant to P.L. 1972, c.70 (C. 39:6A–1 et seq.).

A near-term delivery is not a Medical Emergency.

(d) not for a Member's convenience;

(e) the most appropriate level of medical care that a Member needs; and

(f) furnished within the framework of generally accepted methods of medical management currently used in the United States.

In the instance of a Medical Emergency, the fact that a Non-participating Provider prescribes, orders, recommends or approves the care, the level of care, or the length of time care is to be received, does not make the services Medically Necessary and Appropriate.

(b) an ordinarily prudent person would have sought medical advice, care or treatment in the six months before the person's coverage starts.

A pregnancy which exists on the date a Member's coverage starts is also a Pre–Existing Condition.

III. ELIGIBILITY

EMPLOYEE COVERAGE

Eligible Employees

Subject to the Conditions of Eligibility set forth below, and to all of the other conditions of the Group Health Care Plan, all of the Contract Holder's Employees (who are in an eligible class) [and who reside in the Service Area] will be eligible if the Employees are Actively at Work Full-time Employees.

We will treat partners, proprietors and independent contractors like Employees if they meet the Group Health Care Plan's **Conditions of Eligibility**.

Conditions of Eligibility

Full–Time Requirement

[Carrier] will not cover You unless You are an Actively at Work Full–Time Employee.

Enrollment Requirement

We will not cover You until You enroll and agree to make the required payments, if any. If You do this within [30] days of Your Employee Eligibility Date, coverage will start on the Your Employee Eligibility Date.

If You enroll and agree to make the required payments, if any:

a. more than [30] days after the Your Employee Eligibility Date; or
b. after You previously had coverage which ended because You failed to make a required payment,

We will consider You to be a Late Enrollee. Late Enrollees are subject to this Group Health Plan's Pre–Existing Conditions limitation.

However, if You initially waived coverage under the Group Health Care Plan, and You stated at that time that such waiver was because You were covered under another group plan, and You now elect to enroll under this Group Health Care Plan, We will not consider You to be a Late Enrollee, provided the coverage under the other plan ends due to one of the following events:

a. termination of employment;
b. divorce;
c. death of Your spouse; or
d. termination of the other plan's coverage.

But, You must enroll under this Group Health Care Plan within 90 days of the date that any of the events described above occur. Coverage will take effect as of the date You become eligible.

[The Waiting Period

The Group Health Care Plan has the following waiting periods:

Employees in an eligible class on the Effective Date, who have completed at least [6] months of continuous Full–Time service with the Employer by that date, are eligible for coverage under this Group Health Care Plan from the Effective Date.

Employees in an Eligible Class on the Effective Date, who have not completed at least [6] months of continuous Full–Time service with the Employer by that date, are eligible for coverage under the Group Health Care Plan from the day after Employees complete [6] months of continuous Full–Time service.

Employees who enter an eligible class after the Effective Date are eligible for coverage under this Group Health Care Plan from the day after Employees complete [6] months of continuous Full–Time service with the Employer.]

The Employer who purchased the Contract may have purchased it to replace a plan the Employer had with some other carrier. An Employee may have satisfied part of the eligibility waiting period under the Employer's old plan before it ended. If so, the time satisfied will be used to satisfy this Contract's eligibility waiting period if:

a. the Employee was employed by the Employer on the date the Employer's old plan ended; and
b. the Contract starts right after the old plan ends.

Multiple Employment

If You work for both the Contract Holder and a covered Affiliated Company, or for more than one covered Affiliated Company, We will treat You as if only one firm employs You. And You will not have multiple coverage under the Group Health Care Plan.

When Employee Coverage Starts

You must be Actively at Work, and working Your regular number of hours, on the date Your coverage is scheduled to start. And You must have met all the conditions of eligibility which apply to You. If You are not Actively at Work on the scheduled Effective Date, [Carrier] will postpone the start of Your coverage until You return to Active Work.

Sometimes, a scheduled Effective Date is not a regularly scheduled work day. But Your coverage will start on that date if You were Actively at Work, and working Your regular number of hours, on Your last regularly scheduled work day.

You must elect to enroll and agree to make the required payments if any, within [30] days of the Employee Eligibility Date. If You do this within [30] days of the Employee Eligibility Date, Your coverage is scheduled to start on Your Employee Eligibility Date. Your Employee Eligibility Date is the scheduled Effective Date of Your coverage.

When Employee Coverage Ends

Your coverage under the Group Health Care Plan will end on the first of the following dates:

a. You cease to be an Actively at Work Full-Time Employee for any reason. Such reasons include disability, death, retirement, lay-off, leave of absence, and the end of employment.
b. You stop being an eligible Employee under Group Health Care Plan.
c. The date this Group Health Care Plan ends, [or is discontinued for a class of Employees to which You belong.]
d. For which required payments are not made for You.
[e. You move Your permanent residence outside the Service Area.]

Also, You may have the right to continue certain group benefits for a limited time after Your coverage would otherwise end. This Evidence of Coverage's continuation provisions explain these situations. Read these provisions carefully.

[DEPENDENT COVERAGE

Eligible Dependents for Dependent Health Benefits

[Except as stated below, your] eligible Dependents are:

a. Your legal spouse;
b. Your unmarried Dependent children who are under age 19; and
c. Your unmarried Dependent children, from age 19 until their 23rd birthday, who are enrolled as full-time students at accredited schools. Full–time students will be as defined by the accredited school. We can require periodic proof of a Dependent child's status as a full-time student.

[Exception: Any Dependent who does not reside in the Service Area is not an eligible Dependent.]

Adopted Children and Step–Children

Your "unmarried Dependent children" include Your legally adopted children, Your step-children if they depend on You for most of their support and maintenance and children under a court appointed guardianship. [Carrier] will treat a child as legally adopted from the time the child is placed in the home for purpose of adoption. [Carrier] treats such a child this way whether or not a final adoption order is ever issued.

Eligible Dependents will not include any Dependent who is:

a. covered by the Group Health Care Plan as an Employee or
b. on active duty in the armed forces of any country.

Incapacitated Children

You may have an unmarried child with a mental or physical handicap, or developmental disability, who is incapable of earning a living. Subject to all of the terms of this section and the Group Health Care Plan, such a child may stay eligible for Dependent health benefits past this Group Health Care Plan's age limit.

The child will stay eligible as long as the child stays unmarried and incapable of earning a living, if:

a. the child's condition started before he or she reached this Group Health Care Plan's age limit; and
b. the child depends on You for most of his or her support and maintenance.

But, for the child to stay eligible, You must send Us written proof that the child is handicapped and depends on You for most support and maintenance. You have 31 days from the date the child reaches the age limit to do this. We can ask for periodic proof that the child's condition continues. But, after two years, We cannot ask for this more than once a year.

The child's coverage ends when Yours does.

Enrollment Requirement

You must enroll Your eligible Dependents in order for them to be covered under the Group Health Care Plan. [Carrier] considers an eligible Dependent to be a Late Enrollee, if You:

a. enroll a Dependent more than [30] days after the Dependent's Eligibility Date;
b. in the case of a Newly Acquired Dependent, other than the first newborn child, have other eligible Dependents who You have not elected to enroll; or
c. in the case of a Newly Acquired Dependent, have other eligible Dependents whose coverage previously ended because You failed to make the required contributions, or otherwise chose to end such coverage.

Late Enrollees are subject to this Group Health Care Plan's Pre–Existing Conditions limitations section, if any applies.

If Your dependent coverage ends for any reason, including failure to make the required payments, Your Dependents will be considered Late Enrollees when their coverage begins again.

However, if You previously waived coverage for Your spouse or eligible Dependent children under the Group Health Care Plan and stated at that time that such waiver was because they were covered under another group plan, and You now elect to enroll them in this Group Health Care Plan, the Dependent will not be considered a Late Enrollee, provided the Dependent's coverage under the other plan ends due to one of the following events:

a. termination of employment;
b. divorce;
c. death of Your spouse; or
d. termination of the other plan's coverage.

But, Your spouse or eligible Dependent children must be enrolled by You within 90 days of the date that any of the events described above occur. Coverage will take effect as of the date one of the above events occurs.

And, [Carrier] will not consider Your spouse or eligible Dependent children for which You initially waived coverage under the Group Health Care Plan, to be a Late Enrollee, if:

a. You are under legal obligation to provide coverage due to a court order; and
b. Your spouse or eligible Dependent children are enrolled by You within 30 days of the issuance of the court order.

Coverage will take effect as of the date required pursuant to a court order.

When Dependent Coverage Starts

In order for Your dependent coverage to begin You must already be covered for Employee coverage or enroll for Employee and Dependent coverage at the same time. Subject to the exception stated below and to all of the terms of the Group Health Care Plan, the date Your dependent coverage starts depends on when You elect to enroll Your Initial Dependents.

If You do this within [30] days of the Dependent's Eligibility Date, the Dependent's Coverage is scheduled to start on the later of:

a. The Dependent's Eligibility Date, or
b. The date You become covered for Employee coverage.

If You do this more than [30] days after the Dependent's Eligibility Date, We will consider the Dependent a Late Enrollee, the coverage is scheduled to start on the later of:

a. the date You sign the enrollment form; or
b. the date You become covered for Employee coverage.

Once You have dependent coverage for Initial Dependents, You must notify Us of a Newly Acquired Dependent within [30] days after the Dependent's Eligibility Date. If You do not, the Newly Acquired Dependent is a Late Enrollee.

A Newly Acquired Dependent will be covered from the later of:

a. the date You notify [Carrier], or
b. the Dependent's Eligibility Date for the Newly Acquired Dependent.

Exception: If a Dependent, other than a newborn child; is confined to a Hospital or other health care facility; or is home confined on the date Your Dependent health coverage would otherwise start, [Carrier] will postpone the Effective Date of such coverage until the later of: the day after the Dependent's discharge from such facility; until home confinement ends.

Newborn Children

We will cover Your newborn child for 31 days from the date of birth. Coverage may be continued beyond such 31 day period as stated below:

a. If You are already covered for Dependent child coverage on the date the child is born, coverage automatically continues beyond the initial 31 days[, provided the premium required for Dependent child coverage continues to be paid.]
b. If You are not covered for Dependent child coverage on the date the child is born, You must:
   - make written request to enroll the newborn child.

If the request is not made within such 31 day period, the newborn child will be a Late Enrollee.

When Dependent Coverage Ends:

A Dependent's coverage under the Group Health Care Plan will end on the first of the following dates:

a. Your coverage ends;
b. the date the Group Health Care Plan ends;
c. the date Dependent coverage is dropped from the Group Health Care Plan for all Employees eligible for such coverage;
d. the date You fail to pay any required part of the cost of Dependent coverage. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.
e. At 12:01 a.m. on the date the Dependent stops being an eligible Dependent.
[f. the date the Dependent moves his or her permanent residence outside the Service Area.]

Read this Evidence of Coverage carefully if Dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And divorced spouses have the right to replace certain group benefits with converted contracts.]

EXTENDED HEALTH BENEFITS

If this Contract ends and a member is Totally Disabled and under a Practitioner's care, We will extend health benefits for that person under the Contract as explained below. This is done at no cost to the Member.

We will only extend benefits for a Member due to the disabling condition. The charges must be incurred before the extension ends. And what We pay is based on all the terms of this Contract.

We do not pay for charges due to other conditions. And, We do not pay for charges incurred by other covered family members.

The extension ends on the earliest of:

a. the date the Total Disability ends;
b. one year from the date the person's coverage under the Contract ends; or
c. the date the person has reached the payment limit, if any, for his or her disabling condition.

The Employee must submit evidence to us that he or she or his or her Dependent is Totally Disabled, if We request it.

TERMINATION FOR CAUSE

If any of the following conditions exist, We may give written notice to the Member that the person is no longer covered under the Group Health Care Plan:

VI. GRIEVANCE PROCEDURE

[Grievance Procedure: Variable by Carrier as approved by the State of New Jersey.]

VII. COORDINATION OF BENEFITS AND SERVICES

COORDINATION OF BENEFITS AND SERVICES

Purpose Of This Provision

A Member may be covered for health benefits or services by more than one plan. For instance, he or she may be covered by this Group Health Care Plan as an Employee and by another plan as a Dependent of his or her spouse. If he or she is, this provision allows Us to coordinate what We arrange [or provide] with what another plan pays or provides. We do this so the Member does not collect more than he or she incurs in charges.

DEFINITIONS

"Plan" means any of the following that provide health expense benefits or services:

a. group or blanket insurance plans;
b. group hospital or surgical plans, or other service or prepayment plans on a group basis;
c. union welfare plans, Employer plan, Employee benefits plans, trusteed labor and management plans, or other plans for members of a group;
d. programs or coverages required by law;
e. Medicare or other government programs which We are allowed to coordinate with by law.

"Plan" does not include:

a. Medicaid or any other government program or coverage which [Carrier] is not allowed to coordinate with by law;
b. school accident type coverages written on either a blanket, group, or franchise basis;
c. group or group-type hospital indemnity benefits;
d. Supplemental Limited Benefits Insurance coverages; nor
e. any plan We say We supplement.

"This plan" means the part of Our group plan subject to this provision.

"Subscriber", as used below, means the person who receives a certificate or other proof of coverage from a plan that covers him or her for health benefits or services.

"Dependent" means a person who is covered by a plan for health benefits or services, but not as a Subscriber.

"Allowable expense" means any necessary, reasonable, and usual item of expense or service for health care incurred by a Subscriber or Dependent under either this Group Health Care Plan or any other plan. When a plan provides service instead of cash payment, We view the reasonable cash value of each service as an allowable expense and as a benefit paid. We also view items of expense covered by another plan as an allowable expense, whether or not a claim is filed under that plan.

The amount of reduction in benefits resulting from a Subscriber's or Dependent's failure to comply with provisions of a primary plan is not considered an allowable expense if such reduction in benefits is less than or equal to the reduction that would have been made under the terms of this Plan if this Plan had been primary. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and preferred provider arrangements. This does not apply where a primary plan is a health maintenance organization (HMO) and the Subscriber or Dependent elects to have health services provided outside the HMO. A primary plan is described below.

"Claim determination period" means a Calendar Year in which a Subscriber or Dependent is covered by this plan and at least one other plan and incurs one or more allowable expense(s) under such plans.

How This Provision Works

We apply this provision when a Subscriber or Dependent is covered by more than one plan. When this happens We will consider each plan separately when coordinating payments.

In order to apply this provision, one of the plans is called the primary plan. All other plans are called secondary plans. The primary plan pays first or provides services, ignoring all other plans. The secondary plans then pay the remaining unpaid allowable expenses, but no plan pays or provides services more than it would have without this provision.

If a plan has no coordination provision, it is primary. But, during any claim determination period, when this plan and at least one other plan have coordination provisions, the rules that govern which plan pays or provides services first are as follows:

a. A plan that covers a person as a Subscriber pays first; the plan that covers a person as a Dependent pays second.
b. A plan that covers a person as an active Employee or as a Dependent of such Employee pays first. A plan that covers a person as a laid-off or retired Employee or as a Dependent of such Employee pays second.

But, if the plan that We are coordinating with does not have a similar provision for such persons, then b. will not apply.

c. Except for Dependent children of separated or divorced parents, the following governs which plan pays first when the person is a Dependent of a Subscriber:

A plan that covers a Dependent of a member whose birthday falls earliest in the Calendar Year pays first. The plan that covers a Dependent of a Subscriber whose birthday falls later in the Calendar Year pays second. The Subscriber's year of birth is ignored.

But, if the plan that We are coordinating with does not have a similar provision for such persons, then c. will not apply and the other plan's coordination provision will determine the order of benefits or services.

d. For a Dependent child of separated or divorced parents, the following governs which plan pays or provides services first when the person is a Dependent of a Subscriber.
- When a court order makes one parent financially responsible for the health care expenses of the Dependent child, then that parent's plan pays or provides services first.
- If there is no such court order, then the plan of the natural parent with custody pays or provides services before the plan of the stepparent with custody; and
- The plan of the stepparent with custody pays or provides services before the plan of the natural parent without custody.

If rules a, b, c and d do not determine which plan pays first, the plan that has covered the person for the longer time pays first.

If, when We apply this provision, We pay less than We would otherwise pay, We apply only that reduced amount against payment limits of this plan.

Our Right To Certain Information

In order to coordinate benefits and services, We need certain information. An Employee must supply Us with as much of that information as he or she can. But if he or she cannot give Us all the information We need, We have the right to get this information from any source. And if another carrier needs information to apply its coordination provision, We have the right to give that carrier such information. If We give or get information under this section We cannot be held liable for such action.

When payments that should have been made by this plan or services that should have been provided by this plan have been made by or provided another plan, We have the right to repay that plan. If We do so, We are no longer liable for that amount or equivalent value of services. And if We pay out more than We should have, We have the right to recover the excess payment.

[Small Claims Waiver

We do not coordinate claims or equivalent services of less than $50.00. But if, during any claim determination period, more allowable expenses are incurred that raise the claim above $50.00 We will count the entire amount of the claim when We coordinate.]

SERVICES FOR AUTOMOBILE RELATED INJURIES

This section will be used to determine a person's coverage under the Group Health Care Plan when services are incurred as a result of an automobile related Injury.

Definitions

"Automobile Related Injury" means bodily Injury sustained by a Member as a result of an accident:

a. while occupying, entering, leaving or using an automobile; or
b. as a pedestrian;

caused by an automobile or by an object propelled by or from an automobile.

"Allowable Expense" means a medically necessary, reasonable and customary item of expense covered at least in part as an eligible expense or eligible services by:

a. this Group Health Care Plan;
b. PIP; or
c. OSAIC.

"Eligible Services" means that of service provided for treatment of an Injury which is covered under this Group Health Care Plan without application of Cash Deductibles and Co–Payments, if any or Co–Insurance.

"Out–of–State Automobile Insurance Coverage" or "OSAIC" means any coverage for medical expenses under an automobile insurance policy other than PIP. OSAIC includes automobile insurance policies issued in another state or jurisdiction.

"PIP" means personal injury protection coverage provided as part of an automobile insurance policy issued in New

Jersey. PIP refers specifically to provisions for medical expense coverage.

Determination of primary or secondary coverage

This Group Health Care Plan provides secondary coverage to PIP unless health coverage has been elected as primary coverage by or for the Member under this Group Health Care Plan. This election is made by the named insured under a PIP policy. Such election affects that person's family members who are not themselves named insureds under another automobile policy. This Group Health Care Plan may be primary for one Member, but not for another if the person has a separate automobile policy and has made different selections regarding primacy of health coverage.

This Group Health Care Plan is secondary to OSAIC, unless the OSAIC contains provisions which make it secondary or excess to the Contract Holder's plan. In that case this Group Health Care Plan will be primary.

If there is a dispute as to which policy is primary, this Group Health Care Plan will pay benefits or provide services as if it were primary.

Services this Group Health Care Plan will provide if it is primary to PIP or OSAIC.

If this Group Health Care Plan is primary to PIP or OSAIC it will pay benefits for eligible expenses in accordance with its terms.

The rules of the **COORDINATION OF BENEFITS AND SERVICES** section of this Group Health Care Plan will apply if:

- the Member is insured or covered for services under more than one insurance plan; and
- such insurance plans or HMO Contracts are primary to automobile insurance coverage.

Benefits this Group Health Care Plan will pay if it is secondary to PIP or OSAIC.

If this Group Health Care Plan is secondary to PIP or OSAIC the actual benefits payable will be the lesser of:

a. the allowable expenses left uncovered after PIP or OSAIC has provided coverage after applying Cash Deductibles and Co–Payments, or
b. the equivalent value of services if this Group Health Care Plan had been primary.

If any Member permits the use of his or her Identification Card by any other person, such card may be retained by Us, and all rights of such Member and his or her Dependents, if any, pursuant to this Group Health Care Plan shall be terminated immediately, subject to the Grievance Procedures.

INABILITY TO PROVIDE SERVICE

In the event that due to circumstances not within our reasonable control, including, but not limited to, major disaster, epidemic, complete or partial destruction of facilities, riot, civil insurrection, disability of a significant part of our Participating Providers or entities with whom We have arranged for services under this Group Health Care Plan, or similar causes, the rendition of medical or hospital benefits or other services provided under this Group Health Care Plan is delayed or rendered impractical. We shall not have any liability or obligation on account of such delay or failure to provide services, except to refund the amount of the unearned prepaid premiums held by Us on the date such event occurs. We are required only to make a good faith effort to provide or arrange for the provision of services, taking into account the impact of the event.

INCONTESTABILITY OF THE CONTRACT

There will be no contest of the validity of the Contract, except for not paying premiums, after it has been in force for two years.

No statement in any application, except a fraudulent statement, made by the Contract Holder or by a Member covered under this Group Health Care Plan shall be used in contesting the validity of his or her coverage or in denying benefits after such coverage has been in force for two years during the person's lifetime. Note: There is no time limit with respect to a contest in connection with fraudulent statements.

If the Contract replaces the contract of another insurer or carrier, We may rescind this Contract based on misrepresentations made in the Contract Holder's or a Member's signed application for up to two years from the Contract's Effective Date.

INDEPENDENT CONTRACTOR RELATIONSHIP

1. No Participating Provider or other provider, institution, facility or agency is our agent or employee. Neither We nor Our employees are an agent or employee of any Participating Provider or other provider, institution, facility or agency.

2. Neither the Contract Holder nor any Member is our agent, representative or employee, or an agent or representative of any Participating Provider or other person or organization with which We have made or hereafter shall make arrangements for services under this Group Health Care Plan.

3. Participating Physicians maintain the physician-patient relationship with Members and are solely responsible to Member for all medical services which are rendered by Participating Physicians.

4. No Contract Holder or Member shall make or assert a claim inconsistent with the foregoing unless based upon a writing signed by one of Our officers.

LIMITATION OF ACTIONS

No action at law or in equity shall be brought to recover on the Contract until 60 days after a Member files written proof of loss. No such action shall be brought more than three years after the end of the time within which proof of loss is required.

LIMITATION OF SERVICES

Except in cases of Medical Emergency, services are available only from Participating Providers. We shall have no liability or obligation whatsoever on account of any service or benefit sought or received by a Member from any Physician, Hospital, other Provider or other person, entity, institution or organization unless prior arrangements are made by Us.

MEDICAL NECESSITY

Members will receive designated benefits under the Group Health Care Plan only when Medically Necessary and Appropriate. We may determine whether any service or supply provided [or arranged] under the Group Health Care Plan was Medically Necessary and Appropriate, and We have the option to select the appropriate Participating Hospital to render services if hospitalization is necessary. Decisions as to medical necessity are subject to review by [Our quality assessment committee or its physician designee]. We will not, however, seek reimbursement from an eligible Member for the cost of any covered benefit provided under the Group Health Care Plan that is later determined to have been medically unnecessary and inappropriate, when such service is rendered by a Primary Care Physician or a provider referred in writing by the Primary Care Physician without notifying the Member that such benefit would not be covered under this Group Health Care Plan.

NOTICES AND OTHER INFORMATION

Any notices, documents, or other information under the Contract may be sent by United States Mail, postage prepaid, addressed as follows:

If to Us: To Our last address on record.

If to a Member: To the last address provided by the Member on an enrollment or change of address form actually delivered to Us.

OTHER RIGHTS

We are only required to provide services and supplies to the extent stated in the Contract, its riders and attachments. We have no other liability.

Services and supplies are to be provided in the most cost-effective manner practicable as Determined by Us.

We reserve the right to use Our subsidiaries or appropriate employees or companies in administering this Group Health Care Plan.

We reserve the right to modify or replace an erroneously issued Evidence of Coverage.

Information in a Member's application may not be used by Us to void the Contract or in any legal action unless the application or a duplicate of it is attached to the Contract or has been mailed to a Member.

CONTRACT INTERPRETATION

We shall administer Group Health Care Plan in accordance with its terms and shall have the sole power to determine all questions arising in connection with its administration, interpretation and application.

REFERRAL FORMS

A Member can be referred for Specialist Services by a Member's Primary Care Physician.

Member will be responsible for the cost of all services provided by anyone other than a Member's Primary Care Physician (including, but not limited to, Specialist services) if a Member has not been referred by his or her Primary Care Physician.

REFUSAL OF TREATMENT/NON-COMPLIANCE WITH TREATMENT RECOMMENDATION

A Member may, for personal reasons disagree or not comply with procedures, medicines, or courses of treatment recommended by a Participating Physician or ignore treatment that is deemed Medically Necessary by a Participating Physician. If such Participating Physician (after a second Participating Physician's opinion, if requested by Member), believes that no professionally acceptable alternative exists, and if after being so advised, Member still refuses to comply with or accept the recommended treatment or procedure, neither the Physician, nor We, or any Participating Provider will have further responsibility to provide any of the benefits available under the Contract for treatment of such condition or its consequences or related conditions. We will provide written notice to Member of a decision not to provide further benefits for a particular condition. The decision is subject to the Grievance Procedures. Treatment for the condition involved will be resumed in the event Member agrees to follow the recommended treatment or procedure.

REPORTS AND RECORDS

We are entitled to receive from any provider of services to Member such information We deem is necessary to administer this Group Health Care Plan subject to all applicable confidentiality requirements as defined in this Evidence of Coverage. By accepting coverage under this Group Health Care Plan, Subscriber, for himself or herself, and for all Dependents covered hereunder, authorizes each and every provider who renders services to the Member hereunder to disclose to Us all facts and information pertaining to the care, treatment and physical condition of Member and render reports pertaining to same to Us upon request and to permit copying of a Member's records by Us.

SELECTING OR CHANGING A PRIMARY CARE PHYSICIAN [OR HEALTH CENTER]

When You first obtain this coverage, You and each of Your covered Dependents must select a Primary Care Physician [or Health Center].

Members select a Primary Care Physician from Our [Physician or Practitioners Directory]; this choice is solely a Member's. However, We cannot guarantee the availability of a particular doctor. If the Primary Care Physician initially selected cannot accept additional patients, a Member will be notified and given an opportunity to make another Primary Care Physician selection.

[After initially selecting a Primary Care Physician, Members can transfer to different Primary Care Physicians if the physician-patient relationship becomes unacceptable. The Member can select another Primary Care Physician from Our [Physician or Practitioners Directory].

Transfer requests received within the first twenty-five (25) days of the month will be effective the first day of the following month. If we receive the request after the twenty-fifth (25th) day, then the change will be effective the first day of the second month following the request.]

STATEMENTS

No statement will void the coverage, or be used in defense of a claim under the Contract, unless it is contained in a writing signed by a Member, and We furnish a copy to the Member or to the Member's beneficiary.

All statements will be deemed representations and not warranties.

TERMINATION OF DEPENDENT COVERAGE

If You fail to pay the cost of Dependent coverage, Your Dependent coverage will end. It will end on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

A Dependent's coverage ends when the Dependent is no longer eligible. This happens to a Child at 12:01 a.m. on the date he or she attains the Group Health Care Plan's age limit, or marries, or when a step-child is no longer dependent on You for support and maintenance. It happens to a Spouse when the marriage ends in legal divorce or annulment.

Also, Dependent coverage ends when Your coverage ends.

Read this Evidence of Coverage carefully if Dependent coverage ends for any reason. Dependents may have the right to continue certain benefits for a limited time.

THE ROLE OF A MEMBER'S PRIMARY CARE PHYSICIAN

A Member's Primary Care Physician provides basic health maintenance services and coordinates a Member's overall health care. Anytime a Member needs medical care, the Member should contact his or her Primary Care Physician and identify himself or herself as a Member of this program.

In a Medical Emergency, a Member may go directly to the emergency room. If a Member does, then the Member must call his or her Primary Care Physician and Member Services within 48 hours. If a Member does not call within 48 hours, We will provide services only if We Determine that notice was given as soon as was reasonably possible.

[**THE ROLE OF THE CARE MANAGER.** The Care Manager will manage a Member's treatment for a Mental or Nervous Disorder, Substance Abuse, or Alcohol Abuse. A Member must contact the Care Manager or the Member's Primary Care Physician when a Member needs treatment for one of these conditions.]

IX. CONTINUATION RIGHTS

COORDINATION AMONG CONTINUATION RIGHTS SECTIONS

As used in this section, COBRA means the Consolidated Omnibus Budget Reconciliation Act of 1985 as enacted, and later amended.

A Member may be eligible to continue his or her group health benefits under this Group Health Care Plan's **COBRA CONTINUATION RIGHTS (CCR)** section and under other continuation sections of this Group Health Care Plan at the same time.

Continuation Under CCR and NEW JERSEY GROUP CONTINUATION RIGHTS (NJGCR): If a Member is eligible to continue his or her group health benefits under both this Group Health Care Plan's CCR and NJGCR sections, he or she may elect to continue under CCR, but cannot continue under NJGCR.

Continuation Under CCR and any other continuation section of this Group Health Care Plan:

If a Member elects to continue his or her group health benefits under both this Group Health Care Plan's CCR and any other continuation sections, the continuations:

a. start at the same time;
b. run concurrently; and
c. end independently on their own terms.

While covered under more than one continuation section, the Member:

a. will not be entitled to duplicate benefits; and
b. will not be subject to the premium requirements of more than one section at the same time.

AN IMPORTANT NOTICE ABOUT CONTINUATION RIGHTS

The following **COBRA CONTINUATION RIGHTS** section may not apply to the Employer's plan. You must contact Your Employer to find out if:

a. the Employer is subject to the **COBRA CONTINUATION RIGHTS** section, and therefore;
b. the section applies to You.

COBRA CONTINUATION RIGHTS

Important Notice

Under this section, "qualified continuee" means any person who, on the day before any event which would qualify him or her for continuation under this section, is covered for group health benefits under this Group Health Care Plan as:

a. an active, covered Employee;
b. the spouse of an active, covered Employee; or
c. the Dependent child of an active, covered Employee. Any person who becomes covered under the Group Health Care Plan during a continuation provided by this section is not a qualified continuee.

If Your Group Health Benefits Ends

If Your group health benefits end due to Your termination of employment or reduction of work hours, You may elect to continue such benefits for up to 18 months, if:

a. You were not terminated due to gross misconduct; and
b. You are not entitled to Medicare.

The continuation:

a. may cover You and any other qualified continuee; and
b. is subject to the **When Continuation Ends** section.

Extra Continuation for Disabled Qualified Continuees

If a qualified continuee is determined to be disabled under Title II or Title XVI of the Social Security Act on the date his or her group health benefits would otherwise end due to Your termination of employment or reduction of work hours, he or she may elect to extend his or her 18 month continuation period above for up to an extra 11 months.

To elect the extra 11 months of continuation, the qualified continuee must give the Employer written proof of Social Security's determination of his or her disability before the earlier of:

a. the end of the 18 month continuation period; and

b. 60 days after the date the qualified continuee is determined to be disabled.

If, during this extra 11 month continuation period, the qualified continuee is determined to be no longer disabled under the Social Security Act, he or she must notify the Employer within 30 days of such determination, and continuation will end, as explained in the **When Continuation Ends** section.

An additional 50% of the total premium charge also may be required from You by the Employer during this extra 11 month continuation period.

If You Die While Covered

If You die while covered, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the **When Continuation Ends** section.

If Your Marriage Ends

If Your marriage ends due to legal divorce or legal separation, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to the **When Continuation Ends** section.

If A Dependent Loses Eligibility

If a Dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in the Group Health Care Plan, other than Your coverage ending, he or she may elect to continue such benefits. However, such Dependent child must be a qualified continuee. The continuation can last for up to 36 months, subject to **When Continuation Ends.**

Concurrent Continuations

If a Dependent elects to continue his or her group health benefits due to Your termination of employment or reduction of work hours, the Dependent may elect to extend his or her 18 month continuation period to up to 36 months, if during the 18 month continuation period, either:

a. the Dependent becomes eligible for 36 months of group health benefits due to any of the reasons stated above; or

b. You become entitled to Medicare.

The 36 month continuation period starts on the date the 18 month continuation period started, and the two continuation periods will be deemed to have run concurrently.

The Qualified Continuee's Responsibilities

A person eligible for continuation under this section must notify the Employer, in writing, of:

a. the legal divorce or legal separation of You from Your spouse; or

b. the loss of dependent eligibility, as defined in this Group Health Care Plan, of a covered Dependent child.

Such notice must be given to the Employer within 60 days of either of these events.

The Employer's Responsibilities

The Employer must notify the qualified continuee, in writing, of:

a. his or her right to continue the Group Health Care Plan's group health benefits;

b. the monthly premium he or she must pay to continue such benefits; and

c. the times and manner in which such monthly payments must be made.

Such written notice must be given to the qualified continuee within 14 days of:

a. the date a qualified continuee's group health benefits would otherwise end due to Your death or Your termination of employment or reduction of work hours; or

b. the date a qualified continuee notifies the Employer, in writing, of Your legal divorce or legal separation from Your spouse, or the loss of dependent's eligibility of a covered Dependent child.

The Employer's Liability

The Employer will be liable for the qualified continuee's continued group health benefits to the same extent as, and in place of, [Carrier], if:

a. the Employer fails to remit a qualified continuee's timely premium payment to Us on time, thereby causing the qualified continuee's continued group health benefits to end; or

b. the Employer fails to notify the qualified continuee of his or her continuation rights, as described above.

Election of Continuation

To continue his or her group health benefits, the qualified continuee must give the Employer written notice that he or she elects to continue. This must be done within 60 days of the date a qualified continuee receives notice of his or her continuation rights from the Employer as described above. And the qualified continuee must pay the first month's premium in a timely manner.

The subsequent premiums must be paid to the Employer, by the qualified continuee, in advance, at the times and in the manner specified by the Employer. No further notice of when premiums are due will be given.

The monthly premium will be the total rate which would have been charged for the group health benefits had the qualified continuee stayed covered under this Group Health Care Plan on a regular basis. It includes any amount that would have been paid by the Employer. Except as explained in the **Extra Continuation for Disabled Qualified Continuees** section, an additional charge of two percent of the total premium charge may also be required by the Employer.

If the qualified continuee fails to give the Employer notice of his or her intent to continue, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

Grace in Payment of Premiums

A qualified continuee's premium payment is timely if, with respect to the first payment after the qualified continuee elects to continue, such payment is made no later than 45 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the specified date.

When Continuation Ends

A qualified continuee's continued group health benefits end on the first of the following:

a. with respect to continuation upon Your termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;

b. with respect to a disabled qualified continuee who has elected an additional 11 months of continuation, the earlier of:

- the end of the 29 month period which starts on the date the group health benefits would otherwise end; or
- the first day of the month which coincides with or next follows the date which is 30 days after the date on which a final determination is made that a disabled qualified continuee is no longer disabled under Title II or Title XVI of the Social Security Act;

c. with respect to continuation upon Your death, Your legal divorce or legal separation, or the end of a covered Dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;

d. with respect to a Dependent whose continuation is extended due to the Employee's entitlement to Medicare, the end of the 36 month period which starts on the date the group health benefits would otherwise end;

e. the date the Contract ends;

f. the end of the period for which the last premium payment is made;

g. the date he or she becomes covered under any other Group Health Care Plan which contains no limitation or exclusion with respect to any Pre–Existing Condition of the qualified continuee;

h. the date he or she becomes entitled to Medicare.

A divorced spouse whose continued health benefits end as described above may elect to convert some of these benefits to an individual contract. Read this Evidence of Coverage's Conversion Rights for Divorced Spouses section for details.

NEW JERSEY GROUP CONTINUATION RIGHTS

Important Notice

If Your Group Benefits End

If Your health coverage ends due to termination of employment for a reason other than for cause, or reduction of work hours to below 25 hours per week, You may elect to continue such benefits for up to 12 months, subject to the **When Continuation Ends** section. At Your option, You may elect to continue health coverage for any of Your then covered Dependents whose coverage would otherwise end at this time. In order to continue health coverage for Your Dependents, You must elect to continue health coverage for Yourself.

What You Must Do

To continue Your health coverage, You must send a written request to the Employer within 30 days of the date of termination of employment or reduction of work hours. You must also pay the first month's premium. The first premium payment must be made within 30 days of the date You elect continuation.

The subsequent premiums must be paid to the Employer, by You, in advance, at the times and in the manner We specify.

The monthly premium will be the total rate which would have been charged for the small group benefits had You stayed covered under this Group Health Care Plan on a regular basis. It includes any amount that the Employer would have paid. And an additional charge of 2% of the total premium may be charged for the continued coverage.

If You fail to give the Employer notice that You elect to continue, or fail to make any premium payment in a timely manner, You waive Your continuation rights. All premium payments, except the first, will be considered timely if they are made within 31 days of the specified due dates.

The Continued Coverage

Your continued coverage will be identical to the coverage You had when covered under this Group Health Care Plan on a regular basis. Any modifications made under this Group Health Care Plan will apply to similarly situated continuees. We do not ask for evidence of good health in order for You to continue.

When Continuation Ends

A Member's continued health coverage ends on the first of the following:

a. the date which is 12 months from the date the small group benefits would otherwise end;
b. the date the Member becomes eligible for Medicare;
c. the end of the period for which the last premium payment is made;
d. the date the Member becomes covered under another group medical plan which contains no limitation or exclusion with respect to any Pre–Existing Condition of the Member;
e. with respect to a Member who becomes covered under another group medical plan which contains a limitation or exclusion with respect to a Pre–Existing Condition of the Member, the date such limitation or exclusion ends;
f. the date the Employer no longer provides any health benefit plans for any of the Employer's Employees or their eligible Dependents; or
g. with respect to a Dependent, the date he or she is no longer an eligible Dependent as defined in this Group Health Care Plan.

A TOTALLY DISABLED EMPLOYEE'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS

If You are Totally Disabled

If You are Totally Disabled and Your group health benefits end because Your active employment or membership in an eligible class ends due to that disability, You can elect to continue Your group health benefits. But You must have been covered by this Group Health Care Plan for at least three months immediately prior to the date Your group health benefits ends. The continuation can cover You, and at Your option, Your then covered Dependents.

How And When To Continue Coverage

To continue group health benefits, You must give the Employer written notice that You elect to continue such benefits. And You must pay the first month's premium. This must be done within 31 days of the date Your coverage under this Group Health Care Plan would otherwise end.

Subsequent premiums must be paid to the Employer monthly, in advance, at the times and in the manner specified by the Employer. The monthly premium You must pay will be the total rate charged for an active Full–Time Employee, covered under this Group Health Care Plan on a regular basis, on the date each payment is due. It includes any amount which would have been paid by the Employer.

We will consider Your failure to give notice or to pay any required premium as a waiver of Your continuation rights.

If the Employer fails, after the timely receipt of Your payment, to pay Us on Your behalf, thereby causing Your coverage to end; then such Employer will be liable for Your benefits, to the same extent as, and in place of, Us.

When This Continuation Ends

These continued group health benefits end on the first of the following:

a. the end of the period for which the last payment is made, if You stop paying.
b. the date the Member becomes employed and eligible or covered for similar benefits by another group plan, whether it be an insured or uninsured plan;
c. the date this Group Health Care Plan ends or is amended to end for the class of Employees to which You belonged; or
d. with respect to a Dependent, the date he or she stops being an eligible Dependent as defined in this Group Health Care Plan.

EMPLOYEE'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS DURING A FAMILY LEAVE OF ABSENCE

Important Notice

This section may not apply to an Employer's plan. The Employee must contact his or her Employer to find out if:

- the Employer must allow for a leave of absence under Federal law and, therefore

- the section applies to You.

If Your Group Health Coverage Ends

Group health coverage may end for You because You cease Full–Time work due to an approved leave of absence. Such leave of absence must have been granted to allow You to care for a sick family member or after the birth or adoption of a child. If so, Your medical care coverage will be continued. Dependents' coverage may also be continued. You will be required to pay the same share of premium as before the leave of absence.

When Continuation Ends

Coverage may continue until the earliest of:

a. the date You return to Full–Time work,
b. the end of a total period of 12 weeks in any 12 month period, or
c. the date on which Your coverage would have ended had You not been on leave.

[A DEPENDENT'S RIGHT TO CONTINUE GROUP HEALTH BENEFITS

If You die, any of Your Dependents who were covered under this Group Health Care Plan may elect to continue coverage. Subject to the payment of the payment of the required premium, coverage may be continued until the earlier of:

a. 180 days following the date of Your death; or
b. the date the Dependent is no longer eligible under the terms of this Group Health Care Plan.]

[CONVERSION RIGHTS FOR DIVORCED SPOUSES IF YOUR MARRIAGE ENDS

If Your marriage ends by legal divorce or annulment, the group health coverage for his or her former spouse ends. The former spouse may convert to an individual contract during the conversion period. The former spouse may cover under his or her individual contract any of his or her Dependent children who were covered under this Group Health Care Plan on the date the group health benefits ends. See exceptions below.

Exceptions

No former spouse may use this conversion right:

- unless he or she has been covered under this Group Health Care Plan for at least 3 months;
- if he or she is eligible for Medicare;
- if it would cause him or her to be excessively covered; or
- [• if he or she permanently relocates outside the Service Area.]

This may happen if the spouse is covered or eligible for coverage providing similar benefits provided by any other plan, insured or not insured. We will determine if excessive coverage exists using Our standards for excessive coverage.

HOW AND WHEN TO CONVERT

The conversion period means the 31 days after the date group health coverage ends. The former spouse must apply for the individual contract in writing and pay the first premium for such contract during the conversion period. Evidence of good health will not be required.

THE CONVERTED CONTRACT

The individual contract will provide the medical benefits that We are required to offer. The individual contract will take effect on the day after group health coverage under this Group Health Care Plan ends.

After group health coverage under this Group Health Care Plan ends, the former spouse and any children covered under the individual contract may still receive benefits under this Group Health Care Plan. If so, benefits to be paid under the individual contract, if any, will be reduced by the amount paid or the reasonable cash value of services provided under this Group Health Care Plan.]

X. RIGHT TO RECOVERY—THIRD PARTY LIABILITY

As used in this section:

"Covered Person" means an Employee or Dependent, including the legal representative of a minor or incompetent, covered by this Contract.

"Reasonable pro-rata Expenses" are those costs such as lawyers fees and court costs, incurred to effect a third party payment, expressed as a percentage of such payment.

"Third Party" means anyone other than Us, the Employer or the Covered Person.

If a Covered Person receives services or supplies from Us or makes a claim to Us under this Group Health Care Plan prior to receiving payment from a third party or its insurer, the Covered Person must agree, in writing, to repay Us from any amount of money they receive from the third party, or its insurer for an Illness or Injury.

We shall require the return of health benefits paid or the reasonable cash value of all services and supplies arranged [or provided] for an Illness or Injury, up to the amount a Covered Person receives for that Illness or Injury through:

a. a third party settlement;
b. a satisfied judgment; or
c. other means.

We will only require such payment when the amounts received through such settlement, judgment or otherwise, are specifically identified as amounts paid for health benefits for which We have paid benefits or arranged [or provided] services or supplies.

The repayment will be equal to the amount of benefits paid by Us or the reasonable cash value of services and supplies arranged or provided by Us. However, the Covered Person may deduct the reasonable pro-rata expenses, incurred in effecting the third party payment from the repayment to Us.

The repayment agreement will be binding upon the Covered Person whether:

a. the payment received from the third party, or its insurer, is the result of a legal judgment, an arbitration award, a compromise settlement, or any other arrangement, or
b. the third party, or its insurer, has admitted liability for the payment.

We will not pay any benefits under this Group Health Care Plan or arrange [or provide] services and supplies to or on behalf of a Covered Person, who has received payment in whole or in part from a third party, or its insurer for past or future charges for an Illness or Injury, resulting from the negligence, intentional act, or no-fault tort liability of a third party.

XII. EFFECT OF MEDICARE ON THE COVERAGE

A. ELIGIBILITY PROVISIONS FOR MEMBERS AGE 65 OR MORE WHO ARE ELIGIBLE FOR MEDICARE

"Medicare" means Title XVIII (Health Insurance for the Aged and Disabled) of the United States Social Security Act, as amended from time to time.

"Part A of Medicare" means the program of Hospital Insurance for the Aged and Disabled under Part A of Medicare.

A Member age 65 or more who is eligible for Part A of Medicare may have this coverage as that person's primary benefit program, pursuant to the Federal Age Discrimination in Employment Act, as amended. The coverage for such Member will continue only while the Member is meeting the following conditions:

(1) In the case of an Employee, the Employee is not retired.
(2) In the case of a Dependent, the Member is the Dependent of an Employee who meets condition (1) above.
(3) The Member has not elected Medicare, in writing, as the primary benefit program.

B. SPECIAL PROVISIONS FOR OTHER MEMBERS WHO ARE ELIGIBLE FOR MEDICARE

For a Member who is eligible for Medicare and to whom section A above does not apply, this coverage will continue only subject to the following conditions:

(1) The Member, if eligible, has enrolled in Parts A and B of Medicare.
(2) The Member has completed such consents, releases, assignments and other documents reasonably requested by Us to obtain or assure Medicare reimbursements.

C. SERVICES AND SUPPLIES

The services and supplies of this coverage provided to Members are not designed to duplicate any benefit for which they are enrolled and entitled under Medicare. All sums payable under Medicare for services and supplies that are provided under this coverage will be payable to, and retained by, Us.

PRE–CERTIFICATION REQUIREMENTS

The Covered Person must notify [XYZ] whenever he or she requires Inpatient or Outpatient care or treatment of Mental and Nervous Conditions or Substance Abuse. [XYZ], a health care review organization, reviews and precertifies all mental health and Substance Abuse treatment on [Carrier's] behalf. The times and manner in which [XYZ] must be notified are described below. If the Covered Person does not comply with these requirements, [Carrier] will not pay for the care and treatment of Mental and Nervous conditions and Substance Abuse. See the **Penalty for Non–Compliance with Pre–Certification Requirements** section of this Rider.

NON–EMERGENCY SITUATIONS

All non-emergency care or treatment **must** be reviewed by [XYZ] **before** it occurs. The Covered Person or his or her Practitioner must notify [XYZ] and request a review. They may do this by calling the [XYZ] 24 hour toll-free number that is listed [in the Covered Person's materials].

EMERGENCY SITUATIONS

In an emergency situation, [XYZ] must be notified within [24 hours] of care or treatment. But, if the Covered Person or his or her Practitioner is unable to call [XYZ] in the allotted amount of time, the Covered Person or his or her Practitioner must call [XYZ] as soon as reasonably possible.

Emergency means an Illness or Injury that requires a Covered Person to seek immediate Medically Necessary and Appropriate care or treatment under circumstances or at locations which reasonably preclude the Covered Person from obtaining care from an [XYZ] referred Provider.

In both emergency and non-emergency situations, when [XYZ] receives the notice and request for utilization review, they evaluate:

a. the Medical Necessity and Appropriateness;
b. the type of service involved;
c. the appropriate level of care required; and
d. the length of treatment.

Upon evaluation, [XYZ] will develop a treatment plan and refer the Covered Person to a specific mental health provider. [XYZ] may substitute alternate forms of care in lieu of inpatient care.

BENEFITS FOR MENTAL AND NERVOUS CONDITIONS AND SUBSTANCE ABUSE

[Carrier] will pay benefits for the Covered Charges a Covered Person incurs for the treatment of Mental and Nervous Conditions and Substance Abuse, as described below.

For Outpatient services certified as medically or clinically necessary by [XYZ]	None
For Outpatient services not certified by [XYZ]	100%

Co–Payments

Benefit Limits

Under this rider, [Carrier] only covers:

a. 30 days of Inpatient care per Calendar Year; and
b. 20 Outpatient visits per Calendar Year.

Each one day of Inpatient care may be exchanged for 2 Outpatient visits.

PENALTY FOR NON–COMPLIANCE WITH PRE–CERTIFICATION REQUIREMENTS

As a penalty for non-compliance with pre-certification requirements, [Carrier] will not pay for the care and treatment of Mental and Nervous Conditions and Substance Abuse. Such penalty will be applied if:

a. the Covered Person does not request a review in the times and manner described above;
b. the Covered Person's treatment does not comply with the treatment plan;
c. the Covered Person goes to a Provider whose services were not referred by [XYZ]; or
d. [XYZ] does not confirm the need for such care or treatment.

APPEALS PROCEDURE

[If the Covered Person or his or her attending Practitioner does not agree with the outcome of the [XYZ] review, the case will be immediately referred to a [XYZ] Practitioner who will discuss the case directly with the attending Practitioner. If an agreement is not reached, the case will be internally reviewed by a staff psychiatrist who may request that a local case manager see the Covered Person, or may discuss the case again with the attending Practitioner. This may involve a visit to the Facility in question and a clinical interview with the Covered Person and/or the family. If there is not agreement at that time, the Covered Person may appeal directly to [Carrier].]
