Joint Committee's Report.

STATE OF NEW JERSEY,
OFFICE OF THE STATE TREASURER.
TRENTON, December 2d, 1908.

To the Senate and General Assembly of the State of New Jersey:

The Joint Committee of the Legislature on the Accounts of the State Treasurer respectfully reports that it has, in the discharge of the duty imposed upon it by law, examined the various accounts of the State and the securities held by the State, and that it finds them correct in every particular.

The Committee wishes to compliment the State Treasurer, Daniel S. Voorhees, and his assistants, upon the admirable and businesslike manner in which they have conducted the office of the Treasury of the State of New Jersey. The Committee particularly wishes to commend the excellent method adopted for classifying and arranging the various securities, so as to lessen the labor of committees appointed to examine the Treasurer's accounts, and also desires to call attention to the safe methods adopted for preserving the securities against loss or destruction.

STATE SCHOOL TAX.

The State School Tax, amounting to \$3,238,558.28, has been received and disbursed to the several counties of the State in accordance with the apportionment of the State Comptroller.

Under the provisions of Chapter 96, Laws of 1900, there was taken from the State Fund, \$1,012,840.08, and distributed among the several counties of this State, thereby reducing by twenty per cent. the amount to be raised for State School Tax.

Under the provisions of Chapter 146, P. L. 1906, there was collected, to May 1, 1908, \$2,226,594.42 of the 1907 tax on main stem of railroads and distributed to the several counties, pursuant to Chapter 267, P. L. 1908.

LOAN TO SCHOOL FUND.

There was transferred from the State Fund to the School Fund \$150,000 to meet the deficiency in the appropriation of two hundred thousand dollars (\$200,000) for the support of free public schools, pursuant to Chapter 1, Second Special Sessions Laws of 1903. There was returned during the year, \$160,000, being balance of \$15,000 due for the fiscal year ending October 31, 1906, and \$145,000 on account of \$170,000 transferred during the fiscal year ending October 31, 1907, leaving a balance of \$25,000 due the State Fund for 1907, which, together with the amount loaned the School Fund during the current year, makes the balance due the State Fund from the income of the School Fund, \$175,000.

SALE OF REAL ESTATE.

The Board of Trustees for the support of Public Schools have transferred the Woodward Farm, Monmouth county, to Robert M. Robson, final payment having been made near the close of last year.
