Joint Committee's Report.

STATE OF NEW JERSEY,
OFFICE OF THE STATE TREASURER.
TRENTON, December 5th, 1907.

To the Senate and General Assembly of the State of New Jersey:

The Joint Committee of the Legislature on the Accounts of the State Treasurer respectfully report that they have, in the discharge of the duty imposed upon them by law, examined the various accounts of the State and the securities held by it, and that they find them correct in every particular.

We wish to compliment the State Treasurer, Daniel S. Voorhees, and his assistants upon the admirable and business-like manner in which they have conducted the office of the Treasury of the State of New Jersey since he has taken charge of that office. Your Committee particularly wish to commend the excellent method adopted for classifying and arranging the various securities, so as to lessen the labor of committees appointed to examine the Treasurer's accounts. We also desire to call attention to the safe methods adopted for preserving the securities against loss or destruction.

STATE SCHOOL TAX.

The State School Tax, amounting to two million and sixty-two thousand two hundred and eight dollars and twenty-nine cents ($2,062,208,29), has been received and disbursed to the several counties of the State in accordance with the apportionment of the State Comptroller.

Under the provisions of Chapter 96, Laws of 1900, there was taken from the State Fund, $1,079,519.42, and distributed among the several counties of this State, thereby reducing by twenty-five per cent. the amount to be raised for State School Tax.

LOAN TO SCHOOL FUND.

There was transferred from the State Fund to the School Fund the sum of one hundred and seventy thousand dollars ($170,000.00) to meet the deficiency in the appropriation of two hundred thousand dollars ($200,000.00) for the support of free public schools, pursuant to Chapter 1, Second Special Session Laws of 1903. There was returned during the year one hundred and seventy-five thousand dollars ($175,000.00), being balance of $20,000.00 due for the fiscal year ending October 31, 1905, and $155,000.00 on account of $170,000.00 transferred during the fiscal year ending October 31, 1906, leaving a balance of $15,000 due the State Fund for 1906, which, together with the amount loaned the School Fund during the current year, makes the balance due the State Fund from the income of the School Fund $185,000.00

SALE OF REAL ESTATE.

The Board of Trustees for the Support of Public Schools have sold during the year the Conover lots (vacant) for $2,500 cash; these lots stood on the books at $5,884.55, which shows a loss of $3,384.55. They formerly belonged to the Sinking Fund and were transferred to the School Fund when the affairs of the former were closed.

A further payment, amounting to $280, has been made on account of the purchase price of the Woodward farm, Monmouth county, which was sold under agreement by the Board.
