

NOTICE TO THE BAR

Revised Form -- Notice of Appeal to the Appellate Division (Appendix IV to the Rules of Court)

Please be advised that, pursuant to Rule 2:5-1(f)(1), I have approved the attached [revised version of the Notice of Appeal to the Appellate Division form](#), which appears as Appendix IV to the Rules Governing the Courts of the State of New Jersey. This revised version supersedes the previous version effective as of the date of this notice.

The revisions consist of two additions to the text of the form: (1) to add language on the first page to the effect that, in consolidated actions, all issues as to all parties in all actions must have been disposed of before the matter can be appealed as of right, and (2) to add language on the second page so as to request a list of the dates of the trial or hearing if the transcript is in the possession of the attorney or the pro se litigant.
