SUBCHAPTER 1. DECLARATION OF POLICY

16:41C-1.1 Purpose

(a) The purpose of this chapter is to balance the need to control and regulate roadside signs and outdoor advertising, promote the scenic beauty of the State, provide for the safety and convenience of the public, and the need to stimulate economic and commercial activity within the State of New Jersey. This chapter requires and provides for the issuing of licenses and permits for roadside signs and outdoor advertising and the establishment, use, maintenance and removal of such signs.

(b) Consistent with Federal law, the State Act and the Agreement as presently existing and hereafter amended, the Commissioner is authorized to promulgate rules, in a manner consistent with the Administrative Procedure Act, governing outdoor advertising including spacing, size, lighting and other requirements pertaining to the issuance or denial of permits for the erection or maintenance of outdoor advertising signs along limited access and non-limited access highways, pre-

scribing the number, locations and types of and specifications for outdoor advertising signs, and designating the conditions under which outdoor advertising signs may be erected and maintained.

(c) Consistent with the State Act, the Commissioner is authorized to charge and collect fees for the issuance of permits and related costs. The moneys received from such fees shall be deposited with the State Treasurer, and be subject to disbursement on order of the Commissioner to defray the expense of administering the provisions of this chapter.

(d) The Commissioner is authorized to designate certain roadside areas as "safety rest areas" or "informational sites" and to provide by rules for the erection and maintenance of signs in such areas.

(e) The Commissioner is authorized to acquire by gift, purchase or condemnation, real and personal property or the right to maintain outdoor advertising signs in any protected area or protected zone of limited access and non-limited access highways for the purpose of implementing the rules in this chapter. All persons whose property is purchased or otherwise acquired, except by gift to the State of New Jersey, shall receive just compensation therefor.

Amended by R.1997 d.77, effective February 18, 1997 (operative March 3, 1997).

See: 28 N.J.R. 4742(a), 29 N.J.R. 614(a).
