Trenton, NJ – Brian Murray, Press Secretary for Governor Chris Christie, today released the following statement regarding an opinion by Bergen County’s presiding municipal court judge:

“This judge has once again violated the Governor’s constitutional rights and intentionally ignored the earlier ruling by Assignment Judge Mizdol. The judge is violating the law, pure and simple. This concocted claim was investigated for three months by the Bergen County Prosecutor’s Office, which summarily dismissed it, after concluding that the very same evidence relied upon again by this judge was utter nonsense. That is exactly what it is. The law requires this judge to have done the same. This is a complete non-event.”
