June 17, 2010 Volume 12 Number 22

The 177th Fighter Wing, New Jersey Air National Guard held a Hometown Heroes Salute honoring more than 450 of New Jersey's Citizen-Airmen on June 13. The Airmen recognized in this ceremony included those who deployed for more than 30 consecutive days in support of Operations' Enduring Freedom, Iraqi Freedom, Noble Eagle and other peacekeeping operations across the globe since Sept. 11, 2001. The purpose of this program is to celebrate and honor the significant contributions of the Airmen, their families, communities and those special supporters to the mission of the United States Air Force and the Air National Guard. As a result, it is one of the ANG's largest recognition endeavors in history. U.S. Air Force Photo by Tech. Sgt. Mark Olsen, 177FW/PA.

Plan for longer trips to and from work when traveling I-295

From the office of James Hogan, NJDOT Executive Director, Statewide Traffic Operations

This weekend, the I-295 Exit 45 to Exit 57 Project will be moving to the next stage of construction. Starting Friday June 18, lane closures will be put in place that will result in only two lanes of traffic being available in each direction. Northbound I-295 traffic will be relocated to the southbound roadway during this stage. This traffic pattern should be in place by Sunday June 20. This traffic pattern is expected to be in effect until later this summer.

Along with this traffic shift, some ramps to/from I-295 will also be closed.

Please see www.NJCommuter.com for more information on the project along with the scheduled ramp detours.

In order to avoid the expected delays, it is suggested that motorists use either Route 130 or the New Jersey Turnpike as alternate routes during this time. It is also suggested that you call 511 or go to www.511NJ.org to find out the latest traffic information before you leave for home or work.

Thank you for your patience while this construction work is underway.

DMAVA Green

By Tech. Sgt. Barb Harbison, DMAVA Public Affairs Specialist

It doesn't matter where you shop, cleaning supplies can really hit the wallet. And some of them are full of some nasty ingredients that smell or take your breath away. The purchase a box of baking soda – you can find a 16 ounce box for less than a dollar in your local grocery store – can find you cleaning everything from your mouth to your sports equipment.

Neutralize bad breath odors – a teaspoon in a half glass of water: swish, spit and rinse.

Insect bites – make a paste of baking soda and water; apply as a salve to the area.

Itchy skin – shake some soda into your hands and rub it into your damp skin after a shower.

Cleaning bathroom tub, tile and sinks (works on fiberglass and glossy tiles too) – sprinkle lightly on a clean, damp sponge and scrub. Rinse and wipe dry. Need more power? Make a paste with the soda, coarse salt and liquid dish soap; let it sit for a short time and then scour it off.

Cleaner clothes – add a ½ cup of baking soda to your liquid laundry detergent.

Sports equipment – sprinkle baking soda in gym bags, golf bags, sneakers when not in use (shake out before wearing) to deodorize. Clean golf irons without scratching with a paste of 3 parts of soda to 1 part water and a brush; rinse thoroughly.

Freshen your child's teddy bear – sprinkle your favorite stuffed animals with baking soda and let them sit for 15 minutes; brush off.

Of course, you can always place an opened box in the back of your refrigerator to neutralize odors.

When you are done cleaning and sitting down to relax, dissolve three tablespoons of baking soda in a tub of warm water and soak your feet, then gently scrub. Ahhh.....

Keep Green!

Monmouth University looking for volunteers for veterans program

Monmouth University is looking for volunteers to help launch its Yellow Ribbon Mentorship Program to help student-veterans as they pursue their degrees at the West Long Branch university.

Paul Gaffney, the university president a retired U.S. Navy vice admiral, said he envisions the mentorship program as an extra benefit to students who are attending the school using the Post-9/11 Veterans Educational Assistance Act of 2008.

Although the tuition assistance provided under the act is substantial, Gaffney wants the university to also be able to respond to all of the needs of their student-veterans. The volunteers could assist university staff with needs such as job networking, fellowship, and family help.

Gaffney believes students who have served in the military would benefit from having mentors who are veterans. If you live in the general vicinity of Monmouth University, and are interested in volunteering or finding out more...please contact program coordinator Jose Siandre at Jose.Siandre@glacialenergy.com.
