Lori O'Mara-Van Driensen  
Director of Public Information  
Office of Legislative Services  
145 West State Street, Room B50  
Trenton, NJ 08625

Dear Ms. O'Mara-Van Driensen:

Pursuant to the provisions of Public Law 2011 Chapter 70, and its requirement for reporting by January 1 each year, enclosed please find a report listing positions by classification, which are currently in compliance with the Act or exempt pursuant to the Act. These positions are current University Hospital full or part-time positions requiring special expertise or extraordinary qualifications in academic, scientific, technical, professional or medical fields and/or in administration that, if not exempt from the residency requirements would seriously impede the ability of the hospital to compete successfully with similar institutions in other states.

Very truly yours,

Gerard Garcia  
Chief Human Resources Officer
