

## Raritan Valley Line: Modified Weekday Schedule – Monday, April 7 Through Friday, April 18, 2025 – To Accommodate Critical Amtrak State-of-Good-Repair Work On Overhead Wires East of Newark Penn Station

Effective Monday, April 7, through Friday, April 18, Raritan Valley Line trains will operate on a modified weekday schedule to accommodate critical Amtrak overhead wire work. The work being performed by Amtrak is part of a series of state-of-good-repair work on overhead wires on the Northeast Corridor in advance of the summer months that will help ensure reliability for Amtrak and NJ TRANSIT customers traveling to and from New York.
