**SUBCHAPTER 1. AUTHORITY, SCOPE AND DEFINITIONS**

**8:41-1.1 Authority**

These rules are promulgated pursuant to N.J.S.A. 26:2K-7 through 20 and 26:2K-35 through 38, which authorize the Commissioner to adopt rules pertaining to the operation of

programs and services providing, or seeking to provide, advanced life support care.

**8:41-1.2 Scope and purpose**

(a) These rules shall apply to any person, public or private institution, agency, entity, corporation, acute care hospital and/or business concern that operates, or seeks to operate, a

mobile intensive care program, specialty care transport service and/or air medical service within the State of New Jersey. These rules serve to define the operational requirements of these services, to provide for a uniform application of standards, and to specify the personnel, equipment, organization and other resources required to successfully operate such services.
