7:50-5.30 Development transfer programs in Forest Areas and Rural Development Areas

(a) Each municipality with land in either a Forest Area or a Rural Development Area shall establish within said area or areas a program which permits residential development on otherwise undersized lots if other land, equivalent to that needed to meet the assigned density, is protected through a permanent deed restriction.

(b) The density transfer programs shall adhere to the following minimum standards:

1. No lot less than one acre can be developed;

2. All parcels involved in the density transfer shall be located within the same Pinelands management area and within the same municipal zoning district;

3. The total acreage of the parcels involved in the density transfer shall at least equal the density required for that zoning district; and

4. Any parcel whose acreage is being utilized to meet the density requirement but which will not be developed

shall be permanently dedicated as open space through recordation of a restriction on the deed to the parcel with no further development permitted except agriculture, forestry and low intensity recreational use.

(c) A municipality may adapt the program to its particular circumstances and vary the standards in (b) above provided that the program is otherwise consistent with the land use and density provisions of this subchapter. This may include, but is not limited to, identifying specific areas to receive the development transfers or excluding certain areas from the program considering:

1. Land ownership and subdivision patterns;

2. Infrastructure availability;

3. Environmental constraints; and

4. Protection of important natural resources.

(d) The Pinelands Commission shall not approve any transfer program which:

1. Has extremely limited applicability because of ownership and subdivision patterns or environmental constraints; or

2. Negatively impacts important natural resources including critical subbasins or publicly managed conservation lands.

(a) A municipality may, as a part of its master plan and land use ordinance prepared and certified under the provisions of N.J.A.C. 7:50-3, exempt the owners of parcels of land within the Protection Area from the density limitations of this Part, provided that:

1. The dwelling unit will be the principal residence of the property owner or a member of the immediate family of the property owner;

2. The parcel has been in the continuous ownership since February 7, 1979 of the person whose principal residence the dwelling unit will be, a member of that person's immediate family, or a partnership or corporation in which members of that person's immediate family collectively own more than a majority interest in such partnership or corporation;

4. No lot that does not include all vacant contiguous lands in common ownership on or after February 8, 1979 is exempt from the density provisions of this Part; and

5. No lot of less than one acre will be exempt from the density provisions of this Part.

(b) A municipality may, as a part of its master plan and land use ordinances prepared and certified under the provisions of N.J.A.C. 7:50-3, modify or eliminate one or more of the standards set forth in (a)1 through 3 above, provided that any resulting increase in projected development is offset by a decrease in the densities otherwise permitted in the applicable management area.

7:50-5.33 through 7:50-5.40 (Reserved)

PART IV—PINELANDS DEVELOPMENT CREDIT PROGRAM

7:50-5.41 Purpose

If land use and development of the Pinelands is concentrated in Regional Growth Areas, the Pinelands as a region can tolerate additional development without damaging the Pinelands environment. It is the purpose of this Part to facilitate such patterns of growth and development by providing land-owners in the Preservation Area District, Special Agricultural Production Areas, and Agricultural Production Areas with an opportunity to secure an additional beneficial use of their land without the risk of damaging the essential ecological character of the Pinelands.

7:50-5.42 Pinelands Development Credit Program required

In order to be certified under the provisions of N.J.A.C. 7:50-3, Part IV, the master plan and land use ordinances of a municipality which has land in the Preservation Area District, an Agricultural Production Area, a Special Agricultural Production Area, or a Regional Growth Area shall include provisions implementing the Pinelands Development Credit Program.

7:50-5.43 Pinelands Development Credits established

(a) Except for land which is owned by a public agency on January 14, 1981, land which is thereafter purchased by the State for conservation purposes, land which is subject to an easement limiting the use of land to nonresidential uses or land otherwise excluded from entitlement pursuant to (b) below, every parcel of land in the Preservation Area District, an Agricultural Production Area or a Special Agricultural Production Area shall have a use right known as "Pinelands Development Credits" that can be used to secure a density bonus for lands located in Regional Growth Areas.

(b) Pinelands Development Credits are hereby established at the following ratios:

1. In the Preservation Area District, including those areas designated pursuant to N.J.A.C. 7:50-5.22(b)7:

- i. Uplands which are undisturbed but currently or previously approved for resource extraction pursuant to this Plan: two Pinelands Development Credits per 39 acres;
- ii. Uplands which are mined as a result of a resource extraction permit approved pursuant to this Plan: zero Pinelands Development Credits per 39 acres;
- iii. Other uplands: one Pinelands Development Credit per 39 acres; and
- iv. Wetlands: two-tenths Pinelands Development Credits per 39 acres.

2. In the Agricultural Production Area and Special Agricultural Production Area:

- i. Uplands which are undisturbed but approved for resource extraction pursuant to this Plan: two Pinelands Development Credits per 39 acres;
- ii. Uplands which are mined as a result of a resource extraction permit approved pursuant to this Plan: zero Pinelands Development Credits per 39 acres;
- iii. Other uplands and areas of active berry agricultural bogs and fields: two Pinelands Development Credits per 39 acres;
- iv. Wetlands in active field agricultural use currently and as of February 7, 1979: two Pinelands Development Credits per 39 acres; and
- v. Other wetlands: two-tenths Pinelands Development Credits per 39 acres.

3. The allocations established in (b)1 and 2 above shall be reduced as follows:

- i. Any parcel of 10 acres or less which is developed for a commercial, industrial, resource extraction, intensive recreation, institutional, campground or landfill use shall not receive Pinelands Development Credit entitlement. For such an improved parcel of more than 10 acres, the area actively used for such use or 10 acres, whichever is greater, shall not receive Pinelands Development Credit entitlement.
- ii. The Pinelands Development Credit entitlement for a parcel of land shall be reduced by .25 PDC for each existing dwelling unit on the parcel;
- iii. The Pinelands Development Credit entitlement for a parcel of land shall be reduced by .25 PDC for each reserved right to build a dwelling unit on the parcel retained by the owner of the parcel pursuant to N.J.A.C. 7:50-5.44(b).

4. If the allocations established in (b)1 and 2 above are less than one-quarter of a Pinelands Development Credit, the allocation shall be increased to one-quarter of a Pinelands Development Credit if the owner of record of one-tenth or greater acres of land in the Preservation

Area District, Agricultural Production Areas and Special Agricultural Production Areas, as of February 7, 1979 owns a vacant parcel of land that was not in common ownership with any contiguous land on or after February 7, 1979, and the parcel has not been sold or transferred except to a member of the owner's immediate family.

5. The provisions of (b)4 above shall also apply to owners of record of less than one-tenth acres of land in the Preservation Area District, Agricultural Production Areas and Special Agricultural Production Areas, as of February 7, 1979, provided that said owners acquire vacant, contiguous lands to which Pinelands Development Credits are allocated pursuant to (a) and (b) above which lands, when combined with the acreage of the parcel owned prior to February 7, 1979, total at least one-tenth of an acre.

(c) The owners of parcels of land which are smaller than 39 acres shall have fractional Pinelands Development Credits at the same ratio established in (b) above for the management area in which the parcel is located.

7:50-5.44 Limitations on use of Pinelands Development Credits

(a) No Pinelands Development Credit may be conveyed, sold, encumbered or transferred unless the owner of the land from which the credit has been obtained has received a Pinelands Development Credit Certificate from the New Jersey Pinelands Development Credit Bank pursuant to N.J.A.C. 3:42-3, and has deed restricted the use of the land in perpetuity to those uses set forth in N.J.A.C. 7:50-5.47(b) by recorded deed restriction which is in favor of a public agency or not for profit incorporated organization and specifically and expressly enforceable by the Commission.

(b) Notwithstanding the provisions of (a) above, an owner of a parcel from which Pinelands Development Credits are sold may retain a right for residential development on that parcel, provided that the recorded deed restriction expressly provides for same and that the total allocation of Pinelands Development Credits for that parcel is reduced by .25 Pinelands Development Credits for each reserved right to build a dwelling unit. Subdivision of the parcel shall not be required until such time as the residential development right is exercised.

(c) The bonus density of a parcel of land on which Pinelands Development Credits are used shall not exceed the upper limits of the density range of the municipal zone or district in which the parcel is located.

Amended by R.1990 d.170, effective March 19, 1990.

7:50-5.45 Pinelands Development Credit bonus multipliers

Pinelands Development Credits which are used for securing a density bonus for parcels of land located in a Regional Growth Area shall yield a bonus of four dwelling units per credit.

7:50-5.46 Aggregation of Pinelands Development Credits

Pinelands Development Credits may be aggregated from different parcels for use in securing a bonus for a single parcel of land in a Regional Growth Area, provided that the density does not exceed the limits of the density range specified in the municipal district in which the parcel is located.

Amended by R.1995 d.449, effective August 21, 1995.

See: 27 N.J.R. 1557(a), 27 N.J.R. 1927(a), 27 N.J.R. 3158(a).

7:50-5.47 Recordation of deed restriction

(a) No conveyance, sale or transfer of Pinelands Development Credits shall occur until the municipality with jurisdiction over the parcel of land from which the Pinelands Development Credits were obtained, the agency or organization to which the restriction is in favor, and the Commission have been provided with evidence of recordation of a restriction on the deed to the land from which the development credits were obtained.

(b) Such deed restriction shall specify the number of Pinelands Development Credits sold and that the parcel may only be used in perpetuity for the following uses:

1. In the Preservation Area District:

i. Berry agriculture; horticulture of native Pinelands plants; forestry; beekeeping; fish and wildlife management; and low intensity recreational uses in which the use of motorized vehicles is not permitted except for necessary transportation, access to water bodies is limited to no more than 15 feet of frontage per 1,000 feet of frontage on the water body, clearing of vegetation does not exceed five percent of the parcel, and no more than one percent of the parcel will be covered with impermeable surfaces.

ii. Where permitted by a certified municipal land use ordinance or when the property is located in an uncertified municipality, agricultural employee housing as an accessory use may also be specifically permitted in such deed restriction.

2. In Special Agricultural Production Areas:

i. Berry agriculture; horticulture of native Pinelands plants; forestry; beekeeping; and fish and wildlife management.

ii. Where permitted by a certified municipal land use ordinance or when the property is located in an uncertified municipality, agricultural employee housing as an accessory use may also be specifically permitted in such deed restriction.

3. In Agricultural Production Areas:

i. Agriculture; forestry; low intensity recreational uses in which the use of motorized vehicles is not permitted except for necessary transportation, access to water bodies is limited to no more than 15 feet of frontage per 1,000 feet of frontage on the water body, clearing of vegetation does not exceed five percent of the parcel, and no more than one percent of the parcel will be covered with impermeable surfaces; agricultural commercial establishments, excluding supermarkets and restaurants and convenience stores, where the principal goods or products available for sale were produced in the Pinelands and the sales area does not exceed 5,000 square feet; and agricultural products processing facilities.

ii. Where permitted by a certified municipal land use ordinance or when the property is located in an uncertified municipality, the following additional uses may be specifically permitted in such deed restriction: airports and heliports accessory to agricultural uses and which are used exclusively for the storage, fueling, loading, and operation of aircraft as part of an ongoing agricultural operation; fish and wildlife management; and agricultural employee housing as an accessory use.

4. In all other Pinelands management areas where Pinelands Development Credits have been allocated pursuant to N.J.A.C. 7:50-4.62(d)2:

i. Agriculture; forestry; and low intensity recreational uses.

(c) No development involving the use of Pinelands Development Credits shall be approved by a local permitting agency until the developer has provided the Commission and the municipality in which the parcel of land to be developed is located with evidence of his ownership of the requisite Pinelands Development Credits; provided, however, that a municipality may grant preliminary subdivision or site plan approval conditioned upon such evidence being presented as a prerequisite to final subdivision or site plan approval. For such a final subdivision or site plan, the developer shall provide evidence of Pinelands Development Credit ownership to secure the same proportion of lots or residential units as was approved for Pinelands Development Credit use in the preliminary approval. Notification of a local permitting agency development approval shall be made to the Pinelands Commission pursuant to N.J.A.C. 7:50-4, and to the New Jersey Pinelands Development Credit Bank in accordance with N.J.A.C. 3:42-3. Redemption of Pinelands Development Credits shall thereafter be accomplished in accordance with N.J.A.C. 3:42-3.6.
