### **Gov. Whitman to Visit Bergen County, Sign Law for Local Property Tax Relief**

2ND EDITION. Note corrected date.

Gov. Christie Whitman will sign Senate bill S-10 during a visit to the Bogota Municipal Building in Bergen County on Thurs., July 22. The bill requires annual inflation increases in state aid to municipalities and requires that the funds be used for property tax relief.

The bill signing will be one of a series of events the Governor has planned around Bergen County for the day. She will present a \$150,000 check to the City of Hackensack for the River St. bridge replacement project, visit a school-age child care center in North Arlington and tour a farm in Hillsdale.
