

Sir

I have concluded to take
Cyrus at £90. I spoke to Mr. Furman about the
Money & at the same time mentioned that I
expected the £th to him would be clear before
I paid the Money - he tells me that you men-
tioned nothing to him on this Head - either a
Discharge from the Attachment; or an Engagement.

upon the Part of the Assignees that I shall keep
is to me will be expected when the Money
is paid. I should be glad he would return
as soon as convenient - my Lad being kind his
Year is just up. The Money is ready whenever
it is wanted. I am Sir

Philad. Nov
26th 1773.

Your very Obedt Servt
