MEDICAID COMMUNICATION NO. 96-15

DATE: May 29, 1996

TO: County Welfare Agency Directors
Tax Security Liaisons
Institutional Services Section Area Supervisors

SUBJECT: Completion of IRS/IEVS Monthly
Matches for Tax Year 1994

Medicaid Communication No. 96-10, dated March 22, 1996, advised you of our intent to combine IRS/IEVS monthly matches in order to facilitate the implementation of the Annual Run for Tax Year 1994. As follow-up to that communication, this will advise you of our continuing effort to bring us up to schedule for the 1995-96 applicant matches against Tax Year 1994.

To obtain that end, we are planning to combine additional applicant months in order to complete matching Tax Year 1994 by August, 1996. The new schedule will include combining new applicant months of November/December 1995 and February 1996 for output in June 1996, and combining the applicant months of March, April, and May 1996 for output in July, 1996. As a result, new applicant month June 1996 will be matched against Tax Year 1994 for output in August 1996, bringing us back to schedule.

Again, we recognize that this is an ambitious effort, and apologize for the additional burden placed upon your staff at this time. However, we feel that this is a necessary remedy to the situation and hope that the positive benefit of implementing this schedule will outweigh any negative impact. Any questions concerning this information should be directed to Ginni Elmer of the Division's Office of Information Systems, at (609) 588-2762.

Sincerely,

Velvet G. Miller
Director
