## LEGAL BASIS FOR PUBLIC LIBRARY SERVICE IN NEW JERSEY

### **AREA LIBRARY:**

A headquarters library under contract with the State for specialized services to libraries within a given geographic area. There are 17 Area Libraries.

### **ASSOCIATION LIBRARY:**

One established, governed and supported by an association of citizens. Such an association is incorporated, forms its own constitution, appoints or elects its own board and is responsible for operation of the library. It may receive tax support from the local governing body. There are 133 association libraries. Only those association libraries whose services are free to the use of the public are included in this publication.

### **COUNTY LIBRARY:**

One established by law following a county-wide referendum passed by a majority of voters. It is supported by taxes and governed by a board known as the county library commission composed of 5 members appointed by the Freeholders. There are 13 county libraries.

### **FEDERATION:**

Any number of independently established libraries voluntarily united to develop cooperative free public library services. Each member library retains complete institutional independence but enters into contracts or service agreements with other members to achieve the joint services agreed upon by the governing bodies of the respective libraries. There are two federation of libraries in New Jersey whose members retain identity as municipal libraries.

### **JOINT LIBRARY:**

One established by law following a referendum in two or more municipalities in which the majority of voters vote to establish such a library. It is governed by a board appointed by the mayors of the participating municipalities. There are three joint libraries.

### **MUNICIPAL LIBRARY:**

One established by law following a referendum in which the majority of voters vote to establish such a library. It is supported by taxes and is governed by a 7 member board appointed by the mayor which must include the mayor and the superintendent of schools. There are 198 municipal libraries.

### **REGIONAL LIBRARY:**

One established by law following resolution adopted by the boards of chosen freeholders of 2 or more counties. It is governed by a board of trustees appointed by the boards of freeholders of the participating counties. There are no regional libraries to date.

## NOTES ON STATISTICS

These statistics are compiled from reports submitted by individual libraries for calendar year 1969. Additional data and processing has been supplied as indicated below. Where a library is supported by more than one municipality, figures shown represent combined municipalities.
