(1) That the revised supervision is justified by a reduced volume of play at the specified times and gaming tables in the casino or casino simulcasting facility;

(2) That the particular dealers or supervisors assigned to the affected tables possess a degree of skill and experience indicative of sufficient ability to operate the affected tables with revised supervision, in which case a record of the personnel assigned to such tables during the period or revised supervision shall be maintained;

2. Any notice for a plan for revised supervision for keno operations shall include, without limitation, the following information:

i. The start date and time, and the duration, of the revised supervision; and

ii. The basis for the decision to consolidate the supervisory responsibilities in one employee, which shall include any relevant factors which demonstrate that effective supervision of keno operations will be maintained, including a showing that the revised supervision is justified by a reduced level of keno wagering or keno staffing.

(g) The Commission may, at any time upon 12 hours notice, direct that the plan for revised supervision shall be

terminated and that the licensee shall maintain standard staffing levels as defined in (c) above.

(h) The following personnel shall be used to maintain and operate the slot machines and bill changers in an establishment:
