

COVID-19 Safety Measure: Mask wearing is highly recommended when visiting any Quest location and may be required by state/local mandate in healthcare settings.

If you have severe symptoms such as a fever of 102 °F or higher for 48 hours or severe and constant shortness of breath, please see your doctor or healthcare provider before making an appointment.

Take control of your health

MyQuest is a free and secure tool that makes it easy to get your test results, schedule appointments, track your health history, and more, all in one place.

CREATE ACCOUNT

Visit Quest on your time

Visit one of Quest's 2,200 Patient Service Centers – when it's convenient for you. With thousands of locations in neighborhoods across the country, you're never too far from getting the testing that you need.

+ SCHEDULE AN APPOINTMENT

Find a Quest location near you

 Search by City, State, Zip, or Location Name

Your activity center

With a secure account you get quick access to your latest test results, upcoming lab appointments, and more.

J Get your test results, faster

View easy-to-understand test results as soon as they are available – because when it comes to your health, knowing sooner is always better.

J Manage your lab appointments 24/7

Schedule lab appointments online – it reduces wait time, so you can get back to living your life.

Discover meaningful trends in your health history

Track your test results over time to help you take informed action towards your health goals.

Monitor your family's health with My Circle

My Circle allows you to request access to a loved one's results. An important tool for caregivers and parents. My Circle keeps you updated on your family's health so you can support them in making healthy decisions.
