19:45-1.21 Procedure for opening tables for gaming

(a) Whenever gaming tables are to be opened for gaming activity, the locked container with the table inventory and the Table Inventory Slip, if not already attached to the gaming tables, shall be transported directly from the cashiers' cage to the gaming table by a security department member.

(b) Immediately prior to opening the gaming table for gaming, the casino supervisor assigned to such table shall unlock the container after assuring that it is the proper container for that table.

(c) The dealer or boxman assigned to the gaming table shall count the contents of the container in the presence of the casino supervisor assigned to such table and shall agree the count to the Opener removed from the container.

(d) Signatures attesting to the accuracy of the information recorded on the Opener shall be placed on such Opener by the dealer or boxman assigned to the table and the casino supervisor that observed the dealer or boxman count the contents of the container.

(e) Any discrepancy between the amount of gaming chips, coins and plaques counted and the amount of the gaming chips, coins and plaques recorded on the Opener shall be immediately reported to the casino manager, assistant casino manager, or table games shift manager in charge at such time, the security department and Commission inspector verbally. Security will then complete the standard security report in writing, as approved by the Division, and immediately forward a copy to the Commission inspector and the Division.

(f) After the count of the contents of the container and the signing of the Opener, such slip shall be immediately

deposited in the drop box attached to the gaming table by the dealer or boxman after the opening of such table.

Amended by R.1998 d.18, effective January 5, 1998.
See: 29 N.J.R. 3432(b), 30 N.J.R. 112(b).

19:45-1.22 Procedure for distributing gaming chips, coins and plaques to gaming tables

(a) A Request for Fill ("Request") shall be prepared by a casino supervisor, or a casino clerk, to authorize the preparation of a Fill Slip ("Fill") for the distribution of gaming chips, coins and plaques to gaming tables. The Request shall be a two-part form, at a minimum, and access to the Request shall, prior to use, be restricted to casino supervisors and casino clerks.

(b) On the original and duplicate Request, the following information, at a minimum, shall be recorded:

1. The date and time, or shift, of preparation;
2. The denomination of gaming chips, coins and plaques to be distributed to the gaming tables;
3. The total amount of each denomination of gaming chips, coins and plaques to be distributed to the gaming tables;
4. The game and table number to which the gaming chips, coins and plaques are to be distributed; and
5. The signature of the casino supervisor.

(c) After preparation of the Request the original copy of such Request shall be transported directly to the cashiers' cage.

(d) The duplicate copy of the Request shall be placed by the dealer or boxman in public view on the gaming table to which the gaming chips, coins and plaques are to be received. Such duplicate Request shall not be removed until the chips, coins and plaques are received at which time the Request and Fill are deposited in the drop box.

(e) If Fills are computer prepared and the input data required for preparation of a Fill is entered by, and ability to input is restricted to a casino supervisor and a casino clerk, and the printing of the Fill, which shall be in the cashiers' cage, is a direct result of such input, (a), (b), (c), and (d) above, may be ignored.

(f) A Fill shall be prepared by a chip bank cashier or, if computer prepared, by a chip bank cashier, a casino supervisor, or a casino clerk whenever gaming chips, coins and plaques are distributed to the gaming tables from the cashiers' cage.

(g) Fills shall be serially prenumbered forms, each series of Fills shall be used in sequential order, and the series numbers of all Fills received by a casino shall be accounted for by employees with no incompatible functions. All origi-

nal and duplicate void Fills shall be marked "VOID" and shall require the signature of the preparer.

(h) For establishments in which fills are manually prepared, the following procedures and requirements shall be observed:

1. Each series of Fills shall be a three-part form, at a minimum, and shall be inserted in a locked dispenser that will permit an individual slip in the series and its copies to be written upon simultaneously while still locked in the dispensers, and that will discharge the original and duplicate while the triplicate remains in a continuous, unbroken form in the dispenser.

2. Access to the triplicates shall be maintained and controlled at all times by employees responsible for controlling and accounting for the unused supply of fills, placing fills in the dispenser, and removing from the dispensers, each day, the triplicates remaining therein. These employees have no incompatible functions.

(i) For establishments in which Fills are computer-prepared, each series of Fills shall be a two-part form, at a minimum, and shall be inserted in a printer that will: simultaneously print an original and a duplicate and store, in machine-readable form, all information printed on the original and duplicate. The stored data shall not be susceptible to change or removal by any personnel after preparation of a Fill.

(j) On original, duplicate, and triplicate copies of the Fill, or in stored data, the preparer shall record, at a minimum, the following information:

1. The denomination of the gaming chips, coins and plaques being distributed;
2. The total amount of each denomination of gaming chips, coins and plaques being distributed;
3. The total amount of all denominations of gaming chips, coins and plaques being distributed;
4. The game and table number to which the gaming chips, coins and plaques are being distributed;
5. The date and shift during which the distribution of gaming chips, coins and plaques occurs; and
6. The signature of the preparer or, if computer prepared, the identification code of the preparer.

(k) The time of preparation of the Fill shall be recorded at a minimum, on the original and duplicate upon preparation.

(l) All gaming chips, coins and plaques distributed to the gaming tables from the cashiers cage shall be transported to the gaming tables from the cashiers' cage by a security department member who shall agree the Request to the Fill and sign the original copy of the Request, maintained at the cashiers' cage, before transporting the gaming chips, coins and plaques and the original and duplicate copies of the Fill for signatures.

(m) Signatures attesting to the accuracy of the information contained on the Fills shall be, at a minimum, of the following personnel at the following times:

1. The original and the duplicate:

- i. The chip bank cashier upon preparation;
- ii. The security department member transporting the gaming chips, coins and plaques to the gaming table upon receipt from the cashier of gaming chips, coins and plaques to be transported;
- iii. The dealer or boxman assigned to the gaming table upon receipt at such table from the security department member of gaming chips, coins and plaques at such table; and
- iv. The casino supervisor assigned to the gaming table upon receipt of the gaming chips, coins and plaques at such table.

(n) Upon meeting the signature requirements as described in (m) above, the security department member that transported the gaming chips, coins and plaques and the original and duplicate copies of the Fill to the table shall observe the immediate placement by the dealer or boxman of the duplicate Fill and the duplicate Request in the drop box attached to the gaming table to which the gaming chips, coins and plaques were transported and return or observe the return of the original Fill to the chip bank where the original Fill and Request shall be maintained together and controlled by employees independent of the casino department.

(o) The original and duplicate void Fills, the original Request, and the original Fill, maintained and controlled in conformity with (n) above, shall be forwarded using one of the following alternatives:

1. Alternative I: Forwarded to the count team for agreement with the duplicate Fill and duplicate Request removed from the drop box after which the original and duplicate Request and the original and duplicate Fill shall be forwarded to the accounting department for agreement, on a daily basis, with the triplicate or stored data.
2. Alternative II: Forwarded to the accounting department for agreement, on a daily basis, with the duplicate Fill and duplicate Request removed from the drop box and the triplicate or stored data.

19:45-1.23 Procedure for removing gaming chips, coins and plaques from gaming tables

(a) A Request for Credit ("Request") shall be prepared by a casino supervisor, or a casino clerk, to authorize the preparation of a Credit Slip ("Credit") for the removal of gaming chips, coins and plaques from gaming tables to the cashiers' cage. The Request shall be a two-part form, at a minimum, and access to such form shall, prior to use, be restricted to casino supervisors and casino clerks.

(b) On the original and the duplicate Request, the following information, at a minimum, shall be recorded:

1. The date and time, or shift, of preparation;

iv. A statement that the patron is under no obligation to accept the cash buyout option in lieu of continuing to receive the annual annuity payments;

v. A statement that the patron shall have until 5:00 P.M. of the 30th day following the date of the offer, expressed as a date certain (which in no event shall be later than December 1, 2000), within which to exercise the cash buyout option and to inform the trust administering the annuity jackpot by returning the original signed offer in a manner specified therein;

vi. A statement that once the cash buyout option has been exercised through the return of the signed offer, the method of payment cannot be changed; and

vii. A statement that if the patron fails to accept the offer within the time period set forth therein, the patron shall continue to receive his or her annuity jackpot payments as originally scheduled.

3. Upon receipt of a signed offer from a qualified winner electing to accept the cash buyout option and requesting that he or she be paid the remainder of his or her annuity jackpot in the form of a single cash payment, the trust administering the annuity jackpot shall, within 60 days of the date of the offer, issue a check to the winning patron in an amount equal to the present value of the remaining annuity jackpot payments as of the date of the offer. The single cash payment made to a qualified winner who exercises a cash buyout option shall not be included in the total of all sums paid out as winnings for purposes of determining gross revenue.

(m) Notwithstanding any other provision of this chapter to the contrary, a casino licensee or group of casino licensees may, at any time between July 1, 1999 and November 1, 2000, offer a cash buyout option to any patron who won, after October 21, 1998 but before the effective date of this subsection, an annuity jackpot that was payable over a period of at least 10 years. If a casino licensee or group of casino licensees offers a cash buyout option to any winner of a particular slot machine game or multi-casino progressive slot system pursuant to this subsection, then the casino licensee or group of casino licensees shall make the same offer to all winners of the same slot machine game or multi-casino progressive slot system who are subject to this subsection. Any cash buyout option offered pursuant to this subsection shall be made and administered in accordance with the provisions of (l) above.

19:45-1.40C Multi-casino slot system jackpot payouts of cash

(a) Any slot machine jackpot payout of cash or slot tokens which will be included in the calculation of gross revenue by two or more casino licensees as part of a multi-casino progressive slot system shall be subject, except as otherwise provided in this section, to any procedural or documentation requirement established in N.J.A.C. 19:45-1.40. All forms utilized in the preparation or payment of a multi-casino progressive slot system jackpot shall be clearly identified as forms used for such purpose.

(b) For establishments in which Jackpot Payout Slips ("Payouts") are manually prepared, a separate series of Multi-Casino Jackpot Payout Slips ("Multi-Casino Payouts") shall be used in lieu thereof and shall be subject to the following additional procedures and requirements:

1. Each series of Multi-Casino Payouts shall be a four-part form, at a minimum, and shall be inserted in a locked dispenser that will:

i. Permit an individual Multi-Casino Payout in the series and its copies to be written upon simultaneously while still locked in the dispenser; and

ii. Discharge the original, duplicate and triplicate while the quadruplicate remains in a continuous, unbroken form in the dispenser;

2. The duplicate and triplicate Multi-Casino Payouts shall be treated like a duplicate Payout under N.J.A.C. 19:45-1.40, except that:

i. The amount of the Multi-Casino Payout shall not be included in the daily calculation of the Slot Win Sheet but shall be reported as a periodic adjustment in a manner approved by the Commission; and

ii. At the end of each gaming day, at a minimum, the triplicate Multi-Casino Payout shall be forwarded by the accounting department to the casino licensee or group of casino licensees approved to operate the slot system ("slot system operator") for comparison and agreement with the combined system readings and reports, and for calculation of tax deductions and cash reimbursements, if applicable; and

3. The quadruplicate Multi-Casino Payout shall be treated like a triplicate Payout under N.J.A.C. 19:45-1.40.

(c) For establishments in which Payouts are computer prepared, a separate series of Multi-Casino Payouts shall be used in lieu thereof and shall be subject to the following additional procedures and requirements:

1. Each series of Multi-Casino Payouts shall be a three-part form, at a minimum, and shall be inserted in a printer which shall:

i. Simultaneously print an original, duplicate and triplicate Multi-Casino Payout while the computer stores, in machine-readable form, all information printed on the Multi-Casino Payout; and

ii. Discharge the original, duplicate and triplicate;

2. Stored data shall not be susceptible to change or removal by any personnel after preparation of a Multi-Casino Payout; and

3. The duplicate and triplicate Multi-Casino Payout shall be treated like a duplicate Payout under N.J.A.C. 19:45-1.40, except that:

i. The amount of the Multi-Casino Payout shall not be included in the daily calculation of the Slot Win

Sheet but shall be reported as a periodic adjustment in a manner approved by the Commission; and

ii. At the end of each gaming day, at a minimum, the triplicate Multi-Casino Payout shall be forwarded by the accounting department to the slot system operator for comparison and agreement with the combined system readings and reports, and for calculation of tax deductions and cash reimbursements, if applicable.

(d) If a multi-casino slot machine system will not permit slot department personnel employed by the casino licensee where the jackpot is won to determine from the slot machine or the progressive display the actual amount of the jackpot payout of cash or slot tokens won by the patron, the following additional requirements shall apply:

1. The slot cashier who is responsible for preparing the Multi-Casino Payout shall request the slot system operator to provide documentation of the actual amount of the jackpot payout of cash or slot tokens won by the patron;

2. The slot system operator shall provide, in a form and manner approved by the Commission, documentation of the actual amount of the jackpot payout to the slot cashier, who shall use the documentation in the preparation of the Multi-Casino Payout and attach the documentation to the original Multi-Casino Payout; and

3. The documentation required by (d)1 above shall include the winning jackpot amounts which should be displayed on the slot machine or the progressive meter on the floor of the casino.

(e) Prize tokens shall not be available as a Multi-Casino Payout.

19:45-1.40D Inspection of slot machine jackpots

(a) Prior to the payment of any slot machine jackpot of \$35,000 or more pursuant to N.J.A.C. 19:45-1.40, any jackpot of merchandise or a thing of value with a cash equivalent value of \$35,000 or more pursuant to N.J.A.C. 19:45-1.40A, or any jackpot where there is evidence of a malfunction, a casino licensee shall notify the Division that a winning combination has been registered and permit the Division to inspect any slot machine, progressive equipment or related equipment involved.

1. Upon notification by the casino licensee, the Division shall advise the casino licensee whether the Division

will conduct an inspection. When an inspection is conducted, the casino licensee may award payment of the jackpot to the winning patron upon completion of the inspection, absent a contrary direction from the Division pursuant to its authority under the Act.

2. Failure of the Division to object to the payment of the jackpot upon completion of its inspection shall not constitute waiver or estoppel of any charge, issue or claim raised in any criminal or regulatory complaint subsequently filed against any person in connection with the winning or payment of that jackpot.

(b) Nothing in (a) above shall be deemed to limit the obligation of a casino licensee under the Act and the Commission's rules to cooperate with the Division or Commission in any inquiry or investigation concerning slot machine jackpots.

19:45-1.41 Procedure for filling payout reserve containers of slot machines and hopper storage areas

(a) Each hopper of a slot machine may be filled by requesting coin, slot tokens or prize tokens, which are compatible with the hopper to be filled, on a Hopper Fill Slip, or by utilizing coin, slot tokens or prize tokens that are compatible with the hopper to be filled and that are stored in its corresponding hopper storage area pursuant to N.J.A.C. 19:45-1.36A.

1. A slot hopper may be refilled at any time, provided however, that:

- i. An entire sealed bag of coin or tokens is used for the hopper fill and placed into the hopper;
- ii. The hopper cannot be filled beyond its operational capacity;
- iii. The hopper cannot be filled beyond its present inventory level; and
- iv. The procedures for ensuring (a)1i through iii above have been approved by the Commission.

(b) The filling of a hopper or a hopper storage area by means of a Hopper Fill Slip shall be accomplished as follows:

1. Whenever a slot supervisor, attendant or mechanic requests coins, slot tokens or prize tokens to fill a hopper or a hopper storage area of a slot machine, he or she shall obtain a properly completed and signed Hopper Fill Slip ("Hopper Fills") from a slot cashier, general cashier or master coin bank cashier.

2. Hopper Fills shall be serially prenumbered forms, each series of Hopper Fills shall be used in sequential order, and the series numbers of all Hopper Fills received by a casino licensee shall be accounted for by employees independent of the cashiers' cage and the slot department. All original and duplicate void Hopper Fills shall be marked "VOID" and shall require the signature of the preparer. Notwithstanding the above, a serially prenumbered combined Jackpot Payout/Hopper Fill form may be utilized in conjunction with N.J.A.C. 19:45-1.40(b), as approved by the Commission, provided that the combined form shall be used in a manner which otherwise complies with the procedures and requirements established by this section.

3. For establishments in which Hopper Fills are manually prepared, the following procedures and requirements shall be observed:

i. Each series of Hopper Fills shall be a three-part form, at a minimum, and shall be inserted in a locked dispenser that will permit an individual slip in the series and its copies to be written upon simultaneously while still locked in the dispenser, and that will discharge the original and duplicate while the triplicate remains in a continuous, unbroken form in the dispenser; and

ii. Access to the triplicates shall be maintained and controlled at all times by employees responsible for controlling and accounting for the unused supply of Hopper Fills, placing Hopper Fills in the dispensers, and removing from the dispensers the triplicates remaining therein.

4. For establishments in which Hopper Fills are computer prepared, each series of Hopper Fills shall be a two-part form, at a minimum, and shall be inserted in a printer that will: simultaneously print an original and a duplicate and store, in a machine-readable form, all information printed on the original and duplicate; and discharge the original and duplicate. The stored data shall not be susceptible to change or removal by any personnel after preparation of a Hopper Fill.

5. On originals, duplicates and triplicates, or in stored data, the Hopper Fill shall include, at a minimum, the following information:

- i. The asset number of the slot machine to which the coins, slot tokens or prize tokens are to be distributed;
- ii. The date and shift during which the coins, slot tokens or prize token are distributed;
- iii. The denomination of the coin, slot tokens or prize tokens that are to be distributed;

(e) A casino security department employee shall be required to escort the keno supervisor or supervisor thereof, main bank cashier, master coin bank cashier or cage supervisor and the envelope or container if the credit is with the main bank or master coin bank. Once at the main bank or master coin bank, the casino security department employee shall sign the original keno credit slip as evidence of his or her escort of the funds.

(f) Upon receipt of the envelope or container, the receiving individual, if different from the individual who verified the credit in (d) above, shall count the contents and compare the amount counted to the total recorded on the keno credit slip. If the contents and the recorded totals agree, the receiving individual shall sign the original and maintain it for subsequent forwarding to the accounting department at the end of the gaming day or deposit it into a locked accounting box.

Inserted references to keno runners throughout.

19:45-1.51 Keno computer system

(a) Each casino licensee shall submit for approval the internal control procedures governing the security and control of its keno computer system. Such internal controls shall, without limitation, include:

1. System access restrictions which shall, at a minimum, preclude multiple log-ons by the same individual;
2. Hardware and software controls;
3. Floppy disc controls;
4. Override policies and restrictions;
5. Adequate documentation of keno tickets and payoff information; and
6. Backup and recovery procedures.

(b) The keno computer system shall have the capability of generating a hard (paper) copy of each keno transaction. Each keno transaction shall be identified with a unique identification number for the individual who performed said transaction. The identification number for each employee shall be different than that employee's computer password code.

(c) At any time, a representative of the Commission may count the contents of a selected keno drawer and compare that count to the computer-generated reports.

New Rule, R.1995 d.285, effective June 5, 1995.

19:45-1.52 Payment of table game progressive payout wagers

(a) Whenever a patron wins a table game progressive payout pursuant to N.J.A.C. 19:45-1.39B, the casino licensee may either:

1. Pay the wager from the gaming chips in the table inventory container;
2. Issue a receipt to the patron which may be exchanged for payment at the cashiers' cage; or
3. Bring the payment to the patron at the table from the cashiers' cage.

(b) If the casino licensee elects to pay the wager pursuant to either (a)2 or 3 above, the casino licensee shall submit for review and approval internal control procedures governing the payment to the patron. At a minimum, the procedures shall provide for the following:

1. Documentation prepared by a floorperson or supervisor thereof which records the configuration of the winning hand and the amount of the payment, with a copy deposited into the drop box attached to the table and a copy given to the patron;
2. A multi-part form which is prepared by the general cashier or cage supervisor which documents the issuance of the payment to the patron or a casino security department representative for transportation to the patron;
3. Procedures of the casino accounting department for verifying the payment of the table game progressive payment which shall include verifying the meter readings required by N.J.A.C. 19:45-1.39B; and
4. Procedures for the adjustment to the Master Game Report and the proper reporting of table game win/loss.

(c) All forms used for the payment of table game progressive payouts shall be serially prenumbered forms, each series of which shall be used in sequential order, with the series of numbers of all forms received by the casino being accounted for by employees independent of the cashiers' cage and the table games department. All voided forms shall be marked "VOID" and shall require the signature of the preparer.

(d) All forms used for the payment of table game progressive payouts shall be clearly identified as forms used for such purpose.

(e) All table game progressive payments shall be made in the presence of a casino supervisor.

(f) Prior to the payment of a table game progressive payout, a casino supervisor shall record the amount on the progressive meter in a manner as approved by the Commission.

19:45-1.53 Accounting controls for chippersons and chip carts

(a) A chipperson shall commence his or her shift with an imprest inventory of gaming chips and currency known as a "chipperson inventory." No casino licensee shall cause or permit coin, currency, coupons, gaming chips or slot tokens to be added to, or coin, currency or gaming chips to be removed from, the chip inventory during the gaming day except:

1. In an even exchange with a chipperson by a patron seated at a poker table while a game is in progress;
2. In order to make change for such a patron purchasing gaming chips; or
3. In receipt of a coupon from such a patron in exchange for gaming chips, in conformity with N.J.A.C. 19:45-1.46(j).

(b) The chipperson inventory shall be placed and kept in a lockable cart approved by the Commission, known as a "chip cart." For a given shift, each chipperson shall have his or her own chip cart, and no other person shall operate from the chip cart of that chipperson. When not in use, all chip carts shall be stored in a segregated and secure area approved by the Commission.

(c) The keys to the chip carts shall be maintained and controlled either by the accounting department or the security department, in a secure place approved by the Commission. Each key shall be signed-in and signed-out in accordance with procedures approved by the Commission.

(d) Each casino licensee shall develop internal control procedures for the accounting and reconciliation of all chipperson inventories used each gaming day. These procedures shall include the documentation used by the chip bank in issuing the inventories, the documentation used by the main bank in receiving the inventories, the verification of each inventory by a cage supervisor, and the reporting of any overage or shortage, provided that any shortages of \$250.00 or more must also be reported immediately to the casino licensee's casino controller, the Commission and the Division. Copies of all documentation and reports shall be forwarded to casino accounting on a daily basis.
