(No quotation or line shall exceed a total of 129 percent.)

13:70-29.19 Elimination of wagering

(a) With the approval of the Racing Commission, or its designee, race tracks will be permitted to eliminate place and show wagering on any particular horse or entry in any race. Among the factors to be considered will be the quality of the horse or horses for which the elimination of wagering is sought compared to the quality of the other horses in the race. The request to eliminate place or show wagering shall be made prior to the printing of the program. Once the program is printed, elimination of wagering will not be permitted unless the following occurs:

1. If less than six wagering interests qualify horses to start in a race, the mutuel director shall be permitted to eliminate show wagering on that race.
2. If less than five wagering interests qualify horses to start in a race, the mutuel director shall be permitted to eliminate both place and show wagering on that race.
3. If two or less wagering interests qualify horses to start in a race, the mutuel director shall be permitted to eliminate wagering on that race.

(b) The decision to eliminate wagering in (a)1 through 3 above shall be made prior to the opening of mutuel windows for that day's business unless there is a change in the number of wagering interests qualified to start. If a change in the number of wagering interests qualified to start occurs after wagering has begun, the decision to eliminate wagering shall be made immediately at the time the number of wagering interests qualified to start changes.

(c) New Jersey race tracks may adjust the pari-mutuel pools to eliminate certain forms of wagering on all interstate simulcasts consistent with the pari-mutuel decisions made by the sending track associations in conformance with that state's rules and regulations. Notice of the decision to make adjustments shall be provided to the Racing Commission or its designee prior to accepting wagers on the event.

(d) In all cases where wagering is eliminated, race tracks shall inform the public through notification in the program, advertisements, public address system or any other means available.

Whenever the totalisator falls mechanically, or whenever there is a difference in any pool or pools between the sum total of the wagers on the individual horses as compared with the grand total shown by the totalisator, the association shall compute the pay-off to the public on the basis of the larger of the two amounts (i.e., the sum total of the wagers on the individual horses or the grand total as shown by the totalisator.)
