NJDLC Information

The NJDLC is committed to addressing maternal and child health disparities, empowering maternal health advocates, and consciously including doulas in the conversation and work to create systemic change for babies, families, and communities throughout New Jersey, through:

- Community Outreach, Engagement & Collaboration
- Doula Credentialing & Billing Support
- Doula Support, Mentorship & Supervision
- NJDLC Advisory Board & Workgroups
- Workforce Development, Training & Technical Assistance
- NJ FamilyCare (Medicaid) fee-for-service enrollment

Have a Question?

Doulas are encouraged to contact Doula Guides for individual support or questions at doula.fhs@doh.nj.gov.

Doula Guides are dedicated staff who assist doula providers with enrolling in and participating in NJ FamilyCare.
