### Are you interested in saving money on your energy bill?

New Jersey's Community Solar Energy Program gives more New Jersey residents the option to benefit from solar energy and save money on their utility bills, even if they can't install solar panels directly on their roof

## OUR PARTNERS

Our Mission:

"To ensure that safe, adequate, and proper utility services are provided at reasonable, non-discriminatory rates to all members of the public who desire such services. To develop and regulate a competitive, economically cost effective energy policy that promotes responsible growth and clean renewable energy sources while maintaining a high quality of life in New Jersey."
