Governor Christie : Lets Open This School Up!

**Governor Christie:** So I'm glad we had a summer in 2013 and I know we're going to have a great school year for 2013 and '14. And what awaits these children and these families and these municipalities at the end of that school year in June of 2014 is a summer that comes back to Seaside Heights as well. That will be the last box to check. So we're going to work as hard as we can every day to make that happen and I know with partners like all of you that we will get it done. So thank you for letting me be here today. Let's go cut the ribbon and open this school up.
