Bureau of Benefit Payment Control

E-Payment Service for Benefit Overpayment

Welcome!

This electronic payment site has been created to allow you to submit your restitution payments, enter into installment agreements or inquire about previously submitted e-payments, at almost any time of the day or night, from the comfort of your home or office.

To utilize the E-payment service you will need the following items:

- Claimant ID number (found under your name on the LWD payment coupon attached to your monthly mailers)
- Your Social Security Number
- A valid credit card or bank account. (VISA-MASTERCARD-DISCOVER-AMERICAN EXPRESS)

Should you decide to pay by Credit Card, please note that New Jersey Information Division of NICUSA, Inc. (NICUSA-NJ), an electronic government partner with the State, will process your credit card payment through an upgraded and secure payment gateway. NICUSA-NJ will remit to the State of New Jersey all payments and amounts owed to the State.

The online charge processed through NICUSA-NJ includes funds in excess of payments owed. NICUSA-NJ uses the excess funds solely to develop, run, maintain, enhance and expand the State's electronic service offerings. NICUSA-NJ does not share any excess funds with the State of New Jersey.

There are no additional charges to make a payment via electronic check.

The information collected through this website is intended for use by the Department of Labor and Workforce Development.

Enter your Claimant ID: *Required.

Enter your Social Security Number: *Required.
