Governor to Urge Voters to Endorse Open Space Initiative

Gov. Christie Whitman tomorrow will arrive on horseback accompanied by a group of youth riders for a rally in support of Public Question No. 1, a ballot initiative that dedicated a stable source of funding for preserving open space and farmland and helps support the Governor's goal of preserving one million acres of open land over the next decade.

Earlier in the day the Governor will tour the Westfield downtown business district with mayoral candidate Gail Vernick.
