

Matt Doughty

Mattice on the track, listen, this corona virus has people going missing/if you don't wear a mask this could be bad/I was hustling and smoking when I heard the news I thought they was Joking/look they say they got the Flu New Jersey is acting like the zoo/If I hadn't smoke I'd be at home playing game of thrones/would of told my dog Molly lets play fetch with a bone/They closing down schools saying this is real next time it shoulda been a drill/Kicked out the crib for 3 months/No sleep on a bed came to the cov and I'm relaxed again/I found happiness once I knew I was safe, Mattice off of this track
