### Case Notes

Regulation which classifies inmates who do not have any funds in their account and who cannot work, but are able to receive funds from outside sources as "nonindigent," thus requiring them to use funds from outside sources for payment of legal photocopying and medical care, did not violate equal protection clause. *Robinson v. Fauver*, D.N.J.1996, 932 F.Supp. 639.

In an inmate's appeal of disciplinary action arising from a fight he was involved in, the appellate court rejected the Department of Correction's blanket policy of keeping confidential all security camera videotapes in order to preclude inmates from learning camera angles,

locations, or blind spots, and directed the Department to develop a record on remand regarding the need for confidentiality of the particular videotape. *Robles v. New Jersey Dept. of Corrections*, 388 N.J. Super. 516, 909 A.2d 755, 2006 N.J. Super. LEXIS 295 (App.Div. 2006).

(a) The Commissioner, pursuant to N.J.S.A. 30:1B-1 et seq., is authorized to formulate, adopt, issue, promulgate, relax and exempt rules and regulations for the administration of correctional facilities, community programs and operational units within the Department of Corrections.

(b) The Commissioner is authorized to determine all matters of policy and procedure in order to regulate the operational issues associated with the administration of correctional facilities, community programs and operational units and to formulate, modify, relax, and exempt such policies, procedures and regulations when necessary, so that same can function safely and effectively within the Department of Corrections.

(c) The Commissioner may exempt a correctional facility, community program or operational unit from adherence to a rule or may relax certain requirements of a rule for good cause shown in a particular situation or in instances when strict compliance with a rule or all of its requirements would result in:

1. An undue hardship, unfairness or injustice;
2. An inability to meet a therapeutic, rehabilitative or medical need;
3. A security risk or imminent peril to the overall management, safe or orderly operation of a correctional facility, community program or operational unit;
4. An inability to utilize existing technology or apply technological innovations in order to meet penological objectives;
5. An inability to meet an operational need to ensure management effectiveness and efficiency; or
