What's New?

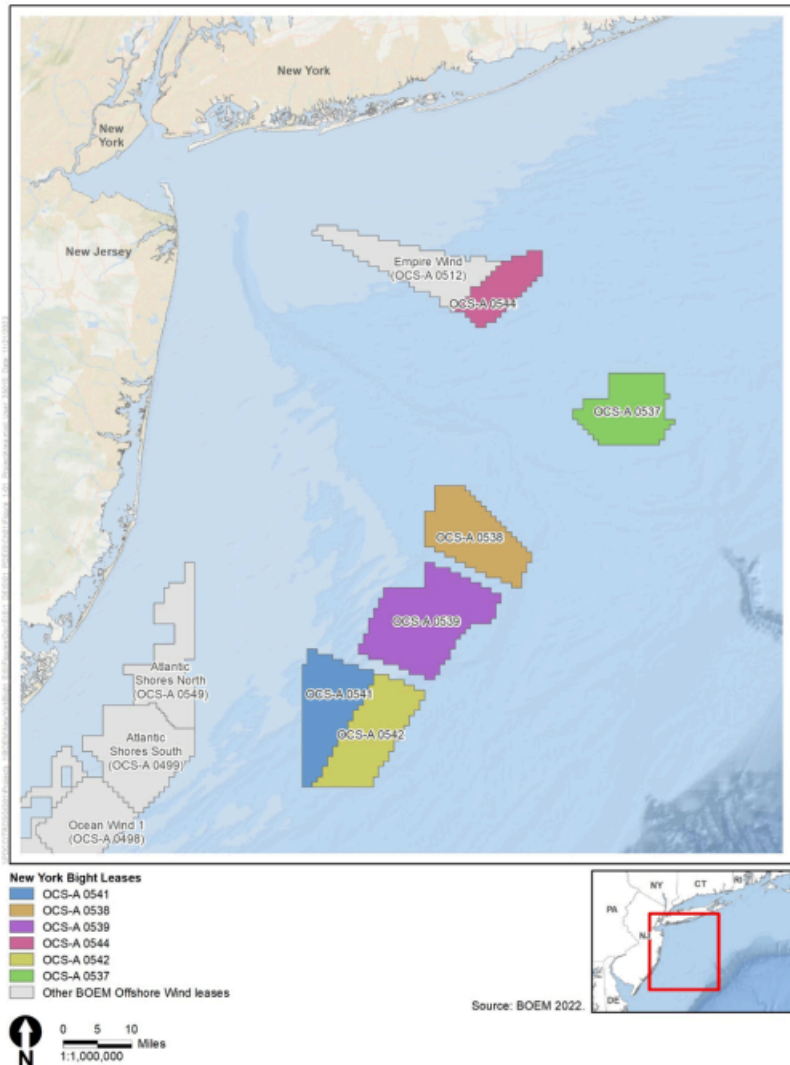

On Oct. 21, 2024, BOEM [announced](#) the availability of its Final Programmatic Environmental Impact Statement (Final PEIS) for potential development of six wind lease areas offshore New York and New Jersey in an area known as the New York Bight. On Oct. 25, 2024, BOEM will publish a notice of availability of the Final PEIS.

Detailed information about the Final PEIS, can be found on BOEM's website.

- Notice of Availability for New York Bight Final PEIS (Docket No. BOEM-2024-0054) (available Oct. 25, 2024)
- [New York Bight Final PEIS](#)

Environmental Justice Forums Completed

BOEM held Environmental Justice Forums for New York & New Jersey over the course of the PEIS development period, on a quarterly basis through July 2024. These forums were intended to be bidirectional information sharing sessions, co-designed with participants, including federal agencies whose work overlaps with the BOEM activities, state

agencies, and community-based organizations. More information can be found at [New York & New Jersey Offshore Wind Environmental Justice Forums](#).

Background
