11:20-1.4 Other laws of this State

All health benefits plans delivered or issued for delivery in New Jersey, as defined by this subchapter, shall be subject to the Individual Health Insurance Reform Act, as well as all relevant statutes and rules of New Jersey not inconsistent with, amended or repealed by this Act.

(d) Every member shall be liable for a portion of the total reimbursable net paid losses for the preceding two-year calculation period unless the member has been granted a full exemption from assessments for the preceding two-year calculation period by the Board in accordance with N.J.A.C. 11:20-9.

1. The IHC Program Board shall provide a preliminary notice to its members in writing, on or about May 1 of the year following every two-year calculation period, of the total reimbursable net paid losses for the preceding two-year calculation period and whether the member may or may not be liable for a portion of the total reimbursable net paid losses for the preceding two-year calculation period.

2. On or about September 1 of the year following every two-year calculation period, the IHC Program Board shall notify each member by invoice of the dollar amount being assessed against the member for its portion of the total reimbursable net paid losses for the preceding two-year calculation period.

3. The IHC Program Board may, as necessary, make reconciliations from the preliminary notice of the assessment for reimbursable net paid losses which may include adjustments in market share and adjustments for deferrals granted.

4. Upon the resolution of all outstanding matters including audits of reimbursable losses and appeals filed pursuant thereto, the IHC Program Board shall notify each member of the final reconciliation of the assessment for reimbursable net paid losses for the appropriate two-year calculation period by invoice stating the dollar amount then due or credit, if any, against future assessments. As a result of the final reconciliation, any monies determined to be owed to or by the Board shall be calculated without provision for interest.

(e) Assessments amounts are due and payable upon receipt by a member of the invoice for the assessment. Payment shall be by bank draft made payable to the Treasurer—State of New Jersey, IHC Program, at the address set forth in N.J.A.C. 11:20—2.1(h).

1. Members shall be subject to payment of an interest penalty on any assessment, or portion of an assessment, not paid within 30 days of the date of the invoice for the assessment, unless the member has been granted a deferral by the Commissioner of the amount not timely paid.

i. The interest rate shall be 1.5 percent of the assessment amount not timely paid per month, accruing from the date of the invoice for the assessment.

ii. Payment of an assessment, or portion of an assessment, for which an interest penalty has accrued, shall include the interest penalty amount accrued as of the date of payment; otherwise, payment shall not be considered to be in full.

iii. Good faith errors that are reported to the Board by a member within 60 days of their occurrence shall not be subject to the interest penalty set forth in (e)1i above. If a carrier makes an error relating to or involving an assessment or any other error resulting in non-payment or underpayment of funds, the member shall make immediate payment of additional amounts due.

2. Members that dispute whether they are subject to an assessment, or dispute the amount of assessment for which they have been determined liable by the IHC Program Board, shall be liable for and make payment of the full amount of the assessment invoice, including any interest penalty accruing thereon, until such time as the dispute has been resolved in favor of that member, or, if a contested case, the IHC Program Board has rendered a final determination in favor of that member in accordance with the Administrative Procedures Act, N.J.S.A. 52:14B-1 et seq.

(f) A member may request that the Commissioner grant a deferral of its obligation to pay an assessment in accordance with N.J.A.C. 11:20-11.

1. If a member files a proper request for deferral within 15 days of the date of the invoice, that member may make payment of the amount of the assessment invoice pursuant to (e) above, to be held in an interest bearing escrow account in accordance with the procedures set forth in (g) below, pending final disposition by the Commissioner of the deferral request.

2. If the member withholds payment, as permitted pursuant to (f)1 above and the Commissioner denies the request for deferral, the member shall be subject to payment of the interest penalty set forth in (e)1 above, accruing from the date of the invoice for the assessment.

(g) The Executive Director shall deposit all monies received from the Treasury pursuant to this section in an interest bearing account maintained by the IHC Program Board for that purpose. The Board shall approve the disbursement of all funds then in the account, and any payments to those members determined by the IHC Program Board as having reimbursable net paid losses for the two-year calculation period. Disbursement shall be in proportion to the member's share of the total reimbursable net paid losses for that two-year calculation period, until such available funds have been paid out, or a member's reimbursable net paid losses for that two-year calculation period have been reimbursed, whichever comes first.

1. Amounts of assessment in dispute or subject to a deferral request, including any interest penalty paid by a member pursuant thereto, shall not be disbursed to members having reimbursable net paid losses for the preceding two-year calculation period, until such time as the dispute has been settled against the disputing member, or the deferral denied, except that any portion of an assessment

not in dispute or subject to a deferral request, or portions no longer disputed or subject to a deferral request, may be disbursed to members having reimbursable net paid losses for the preceding two-year calculation period year in accordance with (g) above, along with any applicable interest penalty amounts paid or interest accrued while held in escrow by the Board.

2. Upon receipt of notice that amounts of assessment disputed or subject to deferral wherein the dispute is settled in favor of the disputing member, or a deferral is granted, the Executive Director shall calculate the proportionate amount of interest, if any, paid by the member for late payment of the amount, and the proportionate amount of the interest earned on that amount while the amount was held in escrow by the Board and provide notice to the carrier of the principal amount and interest amount. The calculated amount shall be returned to the member with interest within 30 days from the date the interest has been calculated.

CASE NOTES

Individual Health Insurance Reform Act did not authorize Individual Health Coverage Program (IHCP) regulation that completely excused carriers from second-tier assessment if they received pro rata first-tier exemptions from assessment for failing to meet Act's enrollment requirements; Act did not allow New Jersey Individual Health Coverage Program Board of Directors to further penalize carriers who were not entitled to any exemption. 1. The reporting member's name and address;
2. The member's net earned premium for the preceding calendar year;
3. A statement of the member's total losses incurred consisting of:

 - ii. Less residual reserve set on June 30 of the preceding calendar year for claims incurred prior to January 1 of the preceding calendar year;
 - iii. Less claims paid from January 1 through June 30 of the preceding calendar year for claims incurred prior to January 1 of the preceding calendar year as reported in the preceding calendar year's Loss Ratio Report;
 - iv. Plus claims paid from January 1 through June 30 of the reporting year for claims incurred prior to January 1 of the reporting year;

v. Plus residual reserve for claims incurred prior to January 1 of the reporting year, not paid as of June 30 of the reporting year;

vi. Plus a pro rata share of the reimbursable net paid loss assessment paid by the carrier pursuant to N.J.A.C. 11:20-2.17 during the preceding calendar year, if any, determined as the member's total net paid loss assessment multiplied by the ratio resulting from dividing the member's net earned premium for standard health benefits plans for the preceding calendar year by the net earned premiums for all of the member's health benefits plans for the preceding calendar year;

A calculated residual reserve may be subject to independent audit by an actuarial firm selected by the Board. If such firm finds that the calculated residual reserve is not reasonable, supportable, or otherwise in conformance with this subchapter, the Board shall not accept the carrier's loss ratio report or approve a refund plan.

11:20-7.5 Refund plan

(a) If the loss ratio determined in N.J.A.C. 11:20-7.4 is less than 75 percent, the member shall include with the Report a plan to be approved by the Board for a prompt refund to policy and contract holders of the difference between the amount of net earned premium it received that year on the standard health benefits plans and the amount that would have been necessary to achieve the 75 percent loss ratio.

(b) The refund plan shall conform with the following:

1. Refunds shall be made to all contract holders who were covered for any period during the preceding calendar year;

2. The refund amount per contract holder shall be determined by multiplying the earned premium from each contract holder's standard health benefits plan by the percentage resulting from dividing the total refund calculated in accordance with (a) above by the carrier's total net earned premium from standard health benefits plans, or on the basis of a practical and equitable alternative formula proposed by the carrier for approval by the Board; and

3. Refund payments shall be made within 45 days of written approval by the Board of the refund plan.

(c) The Board may request that a carrier provide additional information or that a carrier make amendments to the refund plan. Carriers shall respond to such requests within the timeframes specified by the Board.

(a) This subchapter sets forth reporting, certification and audit requirements of market share data and losses to determine the total amount of losses which are reimbursable, and the allocation of assessments for reimbursement of those losses, as well as a basis for determining criteria to be met by carriers requesting exemption from such assessments.

Net earned premium set forth in Part C1 of the report form shall include, but not be limited to, net earned premium resulting from group health benefits plans and individual health benefits plans issued, continued or renewed during the preceding two-year calculation period, including premiums from conversion health benefits plans.

2. Net earned premium reported in Part C1 of the report form shall be based upon, if not the same as, the data set forth in the member's appropriate NAIC statement blank.

11:20-8.4 Calculation of covered non-group persons

Members shall report in Part C2 of the report form the total number of persons covered under individual community rated health benefits plans, conversion health benefits plans, the number of Medicaid recipients covered by the member under a contract with the State of New Jersey, and Medicare lives covered by the member under Medicare cost and risk contracts with the Federal government, as of the last day of each calendar quarter of the preceding two-year calculation period and divide the total of the eight calendar quarters by eight to determine the average non-group enrollment in the preceding two-year calculation period. For contracts issued prior to August 1, 1993, where a member's administrative systems cannot provide the number of actual covered persons, the following factors shall be used to convert contracts or subscribers to the total number of covered persons: single = 1; husband and wife = 2; adult and child(ren) = 2.8; family = 3.9. If a husband and wife category is not used, a member shall use a compromise factor of 3.33 in order to reflect the husband and wife category in the family factor.

11:20-8.5 Calculating net paid losses or gains

(a) For purposes for completing Page C3 of the report form, members shall provide data for their individual health benefits plans issued or renewed pursuant to sections 2b(1) or 3 of the Act (N.J.S.A. 17B:27A-3b(1) or 4), for the preceding two-year calculation period.

1. All data shall be for direct business only; reinsurance accepted shall not be included, and reinsurance ceded shall not be deducted.

2. The method used by a member to allocate to sub-lines of the individual line shall be consistent with the method used by a member to allocate to the individual line.

(b) Premium earned shall be adjusted by any changes in non-admitted premium assets consistent with statutory report requirements, except that any change in non-admitted assets associated with premium accrued shall be reported

consistent with the bases, as appropriate to the member, from the member's NAIC annual statement, adjusted for the individual health benefits plan for which the report is being made, as necessary.

(c) In reporting claims paid, profits made by affiliated providers of service shall not be included in paid claims. Claims paid shall be reported on a basis consistent with statutory reporting, as is appropriate for the member based on the member's NAIC annual statement, adjusted as necessary for the individual health benefits plans for which the report is being made.

(d) Net investment income shall be calculated in accordance with statutory reporting requirements. For purposes of Exhibit K reporting, and notwithstanding how a carrier allocates net investment income to individual lines in other statutory reports or filings, carriers shall allocate net investment income consistent with the following basis, adjusted for the individual health benefits plans for which the report is being made as necessary.

1. The cost of granting and servicing premium notes and policy loans and liens shall be allocated to investment expense. The resulting net income on premium notes and policy loans and liens may be distributed to those lines of business which produced such income. In making such distribution, due consideration shall be given to the variation in the interest rate and incidence of expense on such notes, loans, and liens.

2. Net investment income, after adjustment, if any, as permitted by (d)1 above, shall be distributed to major and secondary lines of business in proportion to the mean funds of each line of business, after suitable adjustment, if any, on account of policy loans, except that any miscellaneous interest income arising from policy or annuity transactions may be allocated directly to the line of business producing such income. Mean funds refers to the average net cash flow balance over the period for which the calculation is being made. Cash flow is the inception to date paid premium, plus net investment income, plus loss reimbursement received, less paid claims, less refunds, less loss assessment paid, and less paid expenses.

(e) The net paid gain or loss for the two-year calculation period shall be determined by taking the claims paid on individual health benefits (as set forth on line C3b of Exhibit K), less 115 percent of the sum of the net earned premium and the net investment income earned on individual health benefits plans (as set forth in lines C3a and C3c, respectively, of Exhibit K). If 115 percent of the sum of the net earned premium and the net investment income earned on individual health benefits plans is greater than claims paid on individual health benefits plans, the amount shown of line C3d represents a net paid gain. If 115 percent of the sum of the net earned premium and the net investment income earned on individual health benefits plans is less than claims paid on individual health benefits plans, the amount shown on line C3d represents a net paid loss.

Amended by R.1998 d.443, effective August 7, 1998.

11:20-8.6 Certifications

(a) The Chief Financial Officer, or other duly authorized officer of the member, shall certify that all market share and net paid gain (loss) reports filed with the IHC Board are accurate, complete and conform with the requirements of this subchapter. The person certifying the combined market share and net paid gain (loss) report of an affiliated carrier shall be the same person certifying the separate market share and net paid gain (loss) report of the member submitting the combined market share and net paid gain (loss) report for the affiliated carrier. Every duly authorized officer who certifies a separate or combined market share and net paid gain (loss) report shall be responsible for errors contained therein.

(b) The Chief Financial Officer, or other duly authorized officer, of a member which has filed for reimbursement of losses shall certify, on or before March 1 of the year following every two-year calculation period that:

1. The net investment income reported on Exhibit K has been allocated on a basis consistent with N.J.A.C. 11:20-8.5(d) or, if not, the changes have been outlined in detail including the impact and reason for the change.

Amended by R.1994 d.177, effective March 10, 1994.
See: 26 N.J.R. 1294(a), 26 N.J.R. 1509(a).
Amended by R.1998 d.443, effective August 7, 1998.

11:20-8.7 Penalties for failure to file market share and net paid loss report

1. The denial of a member's application for exemption from assessments for reimbursable losses; and

2. The Board's using the premium set forth in the member's most recent Annual Statements filed with the Department as the premium base to calculate that member's market share allocation of assessments for reimbursement of losses.

(a) A member shall, upon written request of the IHC Program Board, provide additional information that the IHC Program Board may require to substantiate that the member has met the requirements in N.J.A.C. 11:20-8.6(b).

(b) The IHC Program Board shall review, and may audit, a member's reimbursable losses reported in the member's market share and net paid gain (loss) report. The IHC Program Board shall choose and direct the independent auditor. The IHC Program Board and the member being audited shall share equally the cost of an independent audit.

(c) The IHC Program Board shall adjust a member's reported net paid losses, for purposes of determining reimbursement for losses for the preceding two-year calculation period, for the member's failure to meet the certification requirements of this subchapter or as a result of the findings of an independent audit conducted pursuant to (b) above.

11:20-8.9 Hearings

Any member that is denied reimbursement of losses, in whole or in part, on the grounds that the member has failed to meet the certification and reporting requirements of this subchapter, or as a result of the IHC Program Board's review of an independent audit of the member's reported net paid losses, may file an appeal of the Board's determination and request a hearing within 20 days of the date that the IHC Program Board notifies the member of its final determination, pursuant to the procedures set forth in N.J.A.C. 11:20-20.2.

(a) A member seeking to be exempted from the obligation to pay assessments for reimbursement of losses shall submit a written request for such exemption to the Board. A written request for an exemption shall be submitted on or before June 1 of the first year of each two-year calculation period, except that in 1998, written request for exemptions shall be submitted to the Board within 30 days after the date of receipt of the Board's notice of the member's minimum enrollment share for the 1997 and 1998 two-year calculation period. 11:20-9.5 Procedures for granting or denying final (full or pro rata) exemptions

(a) A member granted a conditional exemption shall be granted a full exemption from assessments for reimbursements for losses for the two-year calculation period in which the conditional exemption was granted if the Board determines that the information filed by the member pursuant to (b) below evidences that the member has enrolled or insured 100 percent of the minimum number of non-group persons allocated to it by the Board for that two-year calculation period.

(b) So that the Board can determine whether the member has satisfied its minimum enrollment share, members seeking final (full or pro rata) exemptions shall report to the Board, on or before March 1 of the year following each two-year calculation period, the number of non-group persons covered by that member on the last day of each calendar quarter of the preceding two-year calculation period, taking into account the limitations on counting the number of Medicaid recipients and Medicare cost and risk lives as described in N.J.A.C. 11:20-9.4(a)3 and (b) except that members seeking final (full or pro rata) exemptions for the first two-year calculation period shall report to the Board the number of non-group persons covered by that member as of December 31 of the two preceding calendar years, taking into account the limitations on counting the number of Medicaid recipients and Medicare cost and risk lives as described in N.J.A.C. 11:20-9.4(a)3 and (b) above. The member shall report separately the number of non-group persons in each category of non-group person enumerated in N.J.A.C. 11:20-9.4. The Chief Financial Officer, or other duly authorized officer of the member, shall certify that the covered non-group persons reported therein:

1. Were counted in accordance with N.J.A.C. 11:20-9.4;
2. If covered by standard health benefits plans and conversion health benefits plans, were enrolled on an open enrolled and community rated basis;
3. Were actual covered lives and not estimations of covered lives based on conversion factors applied to contracts or other approximation methods;
4. Were counted consistent with N.J.S.A. 17B:27A-12d(1) and (2);
5. Do not include persons whose premium due is more than 30 days overdue; and
6. Were issued a policy that was issued, or issued for delivery, in New Jersey.

(c) A member shall, upon written request of the IHC Program Board, provide additional information that the IHC Program Board may require to substantiate that the member has met the requirements in (b) above.

(d) The IHC Program Board shall review, and may audit, a member's non-group persons reported pursuant to (b) above. The IHC Program Board shall choose and direct the independent auditor. The IHC Program Board and the member being audited shall share equally the cost of an independent audit.

(e) The IHC Program Board shall adjust a member's reported non-group persons, for purposes of determining whether the member should receive a final (full or pro rata) exemption from assessment for reimbursable losses, for the member's failure to meet the certification requirements of

(b) above or as a result of the findings of an independent audit conducted pursuant to (d) above.

(f) Members receiving full exemptions from the Board shall not be liable for any portion of any assessments for reimbursements for losses for the two-year calculation period for which the full exemption is granted. The Board shall determine, in writing, whether the member is granted a final (full or pro rata) exemption on or before the date that the Board issues bills for assessments for reimbursements for losses for that two-year calculation period.

1. A member granted a conditional exemption that enrolls or insures fewer than the minimum number of non-group persons allocated to it by the Board, but has enrolled or insured at least 50 percent of the minimum number of non-group persons allocated to it by the Board, shall be granted a pro rata exemption from assessments for reimbursements for losses based upon the percentage of the minimum number of non-group persons actually enrolled or insured by the member.

2. A member granted a conditional exemption that enrolls or insures fewer than 50 percent of the minimum number of non-group persons allocated to it by the Board must demonstrate in writing, pursuant to N.J.A.C. 11:20-9.6, that the member has made a good faith effort to enroll or insure the minimum number of non-group persons allocated to it by the Board. The member shall be granted a pro rata exemption from assessments for reimbursements for losses based upon the percentage of the minimum number of non-group persons actually enrolled or insured by the member only if the Board finds that the member has made a good faith effort to enroll or insure its minimum number of non-group persons. The Board shall not grant a pro rata exemption to the member if it finds that the member has not made a good faith effort to enroll its minimum share, and the Board shall notify the member in writing as to its reasons for not granting the member a pro rata exemption on or before the date that the Board issues bills for assessments for reimbursements for losses for that two-year calculation period.

(g) Members denied a pro rata exemption from assessments for reimbursements for losses may, within 20 days of the date of the Board's ruling, appeal the Board's determination and request a hearing pursuant to the procedures set forth at N.J.A.C. 11:20-20.2.

(h) A member requesting a hearing by the Board shall remain liable for the full amount of any assessments for reimbursements for losses issued to it by the Board, until and unless the Board makes a finding that the member is liable for a pro rata assessment only, including any interest that may accrue.

SUBCHAPTER 12. ELIGIBILITY FOR AND REPLACEMENT OF STANDARD HEALTH BENEFITS PLANS

11:20-12.1 Purpose and scope

(a) This subchapter establishes the standards for determining who may be covered by a standard health benefits plan, as defined at N.J.A.C. 11:20-1.2.

(b) This subchapter sets forth the standards for obtaining a standard health benefits plan by persons covered by, or eligible for, group health benefits plans and persons covered by individual health benefits plans.

(c) This subchapter shall apply to persons applying for coverage in standard health benefits plans in New Jersey, all carriers which are members of the program, insurance producers selling standard health benefits plans, and employers offering group health benefits plans to their employees.

Amended by R.1998 d.443, effective August 7, 1998.
See: 30 N.J.R. 2581(a), 30 N.J.R. 3289(a).

11:20-12.2 Definitions

For the purposes of this subchapter, words and terms used herein shall have the meanings set forth by the Act, or as may be more specifically defined at N.J.A.C. 11:20-1.2, unless otherwise defined below, or the context clearly indicates otherwise.

"Eligible to participate in a group health benefits plan" means, with respect to a group health benefits plan offered by an employer to an employee and the employee's depen-

dents, the employee works at least the minimum number of hours required for participation in the group health benefits plan, the employee has been employed for at least the minimum period required by the employer to be eligible for coverage (often called a waiting period), and the employee's qualified dependents have satisfied all other lawful standards for participation in the group health benefits plan. With respect to a group health benefits plan under an HMO contract only, a contractholder who resides outside of the HMO's service area shall not be considered to be "eligible to participate in a group health benefits plan."

"General services" means a range of services or treatments which result in:

1. Hospital charges; and
2. Medical-surgical charges.

"Group health benefits plan" means a health benefits plan, as that term is defined at N.J.A.C. 11:20-1.2, for groups of two or more persons, except that for the purpose of this subchapter, "group health benefits plan" shall also include any self-funded health benefits plan for groups of two or more persons.

"Hospital charges" means charges for care, including room and board received in or at a hospital or other facility licensed by the state in which it is located which provides mainly for the care and treatment of sick or injured persons, but does not include facilities which mainly provide convalescent or custodial care, or government hospitals which mainly provide care to military or ex-military personnel.

"Medical-surgical charges" means charges for diagnostic care and treatment rendered by a licensed health care provider acting within the scope of his or her licensure whether or not rendered in a hospital, but which, if rendered in a hospital, would not be reflected in the hospital charge.

"Open enrollment period" means the period from October 1 through October 31, beginning in 1994 and annually thereafter. The effective date for coverage elections made during the "open enrollment period" shall be January 1 of the following year.

Amended by R.1998 d.443, effective August 7, 1998.
Sec: 30 N.J.R. 2581(a), 30 N.J.R. 3289(a).

In "Eligible to participate in a group health benefits plan" definition, substituted "to be eligible for coverage (often called a waiting period)" for "and the employee", and "contractholder" for "person"; in "Group health benefits plan", inserted "for the purpose of this subchapter" following "except that"; and deleted "Standard health benefits plan" definition.

11:20-12.3 Eligibility for coverage under a standard health benefits plan

(a) The policyholder of a standard health benefits plan shall be a resident, as defined at N.J.A.C. 11:20-1.2. A carrier may require reasonable proof of residency. A dependent of the policyholder may be a nonresident, but may not reside outside of the United States.

(b) A person shall not be eligible to be covered by a standard health benefits plan, as the policyholder or a dependent, if the person is eligible for Medicare, a group health benefits plan, group health plan, governmental plan, or church plan, except as provided in N.J.A.C. 11:20-12.4, or if the person is covered by any other individual health benefits plan, except as provided in N.J.A.C. 11:20-12.5(a). After obtaining coverage under a standard health benefits plan, a covered person may elect to retain his or her coverage if he or she later become eligible for or covered under Medicare.

(c) A carrier shall not require a person or persons who are eligible for coverage under more than one rate tier to obtain coverage under any specific rate tier. For example, a carrier shall not require a married couple to apply for husband and wife coverage, if the husband and wife wish to obtain separate coverage.

Amended by R.1995 d.51, effective December 23, 1994 (operative January 1, 1995).

(b) A person who is a participant, or is eligible to participate, in a group health benefits plan that covers general services may choose, only during the open enrollment period, to be covered by a standard health benefits plan with a higher deductible and policyholder coinsurance requirement or lower deductible and policyholder coinsurance requirement than the group health benefits plan.

1. A standard health benefits plan shall be considered to have a higher deductible and policyholder coinsurance requirement than a group health benefits plan if the deductible is more than \$100.00 higher and the policyholder coinsurance requirement is at least 10 percent higher than the group health benefits plan.

2. A standard health benefits plan shall be considered to have a lower deductible and policyholder coinsurance requirement than a group health benefits plan if the deductible is more than \$100.00 lower and the policyholder coinsurance requirement is at least 10 percent lower than the group health benefits plan.

(c) With respect to coverage under an HMO contract, the following apply, notwithstanding (a) and (b) above:

2. If a person is seeking to be covered by a standard health benefits plan with a lower deductible and policyholder coinsurance requirement than the group health benefits plan, the carrier shall compare the group health benefits plan with the lower, or lowest, deductible and policyholder coinsurance requirement.

(e) A carrier comparing deductibles and policyholder coinsurance requirements according to (b) above shall not consider any separately applicable deductible and policyholder coinsurance requirements for specified covered services.

(f) A carrier comparing deductibles and policyholder coinsurance requirements according to (b) above, with respect to a health benefits plan delivered under a selective contracting arrangement, shall use the in-network benefit as a basis for comparison.

(g) A carrier determining whether a group health benefits plan covers general services, according to (a) and (b) above, shall not consider any limits, coinsurance, copayment or deductible requirements which may apply to a specific type of general service, (or a covered service within a type of general service) separately from the other general services (or covered services) under either the group health benefits plan or the standard health benefits plan.

(h) Notwithstanding (a), (b) and (c) above, a carrier shall not offer a person coverage by a standard health benefits plan unless:

1. The person is required to pay a portion of the premium for coverage by the group health benefits plan in which the person participates, or is eligible to participate; and

2. The person's coverage by a group health benefits plan has been terminated or will terminate no later than

the day before the effective date of the standard health benefits plan, except as extension of benefits provisions under the group health benefits plan or by law may be applicable.

11:20-12.5 Selection of a standard health benefits plan by a person covered by an individual health benefits plan

(a) A person who is covered by an individual health benefits plan other than one of the standard health benefits plans issued pursuant to this chapter may choose at any time, to replace that health benefits plan with any standard health benefits plan. A carrier shall not offer a person coverage by a standard health benefits plan unless the person's coverage by the individual health benefits plan being replaced has been terminated or will terminate no later than the effective date of the standard health benefits plan. As long as the covered person notifies the carrier that issued the prior individual health benefits plan of the replacement within 30 days after the effective date of the new standard health benefits plan, the prior plan will terminate as of 12:01 A.M. on the effective date of the new standard health benefits plan, and the carrier shall refund any unearned premium. A carrier may require evidence of such termination. If a person fails to terminate a prior individual health benefits plan as required above, the standard health benefits plan that was intended to replace it shall be of no force and effect.

(b) A person who is covered by a standard health benefits plan or whose coverage by a standard health benefits plan has not lapsed for more than 31 days may choose, at any time, to be covered by a standard health benefits plan with the same or higher deductible and the same or higher policyholder coinsurance requirement than the standard health benefits plan being replaced, except that a person who is covered by standard health benefits Plans A or A/50 may choose, only during the open enrollment period, to be covered by any other standard health benefits plan. A carrier shall not offer a person coverage by a standard

health benefits plan unless the coverage by the standard health benefits plan being replaced has been terminated or will terminate no later than the effective date of the standard health benefits plan. As long as the covered person notifies the carrier that issued the prior standard health benefits plan of the replacement within 30 days after the effective date of the new standard health benefits plan, the prior plan will terminate as of 12:01 A.M. on the effective date of the new standard health benefits plan, and the carrier shall refund any unearned premium. A carrier may require evidence of such termination. If a person fails to terminate the prior standard health benefits plan as required above, the prior standard health benefits plan shall nevertheless be of no force and effect as of the effective date of the standard health benefits plan. The person shall return any benefit payments to the prior carrier and the prior carrier shall refund premiums paid for the period beginning with the effective date of the new standard health benefits plan.

(c) A person who is covered by a standard health benefits plan or whose coverage by a standard health benefits plan has not lapsed for more than 31 days may choose, only during the open enrollment period, to be covered by a standard health benefits plan with a lower deductible or lower policyholder coinsurance requirement than the standard health benefits plans being replaced.

(d) The following rules apply to the HMO standard health benefits plan, notwithstanding (a), (b) and (c) above:

1. A person covered by standard health benefits plan E with a \$150.00 deductible may replace that coverage, at any time, with coverage under an HMO standard health benefits plan.

2. A person covered by the HMO standard health benefits plan may replace that coverage, at any time, with coverage by an HMO standard health benefits plan with the same or higher copayment options than the HMO standard health benefits plan being replaced.

3. A person covered by standard health benefits plans A, A/50, B, C, or D or plan E with an individual deductible of \$250.00, \$500.00, \$1,000, \$1,500, \$2,250, or such other amounts as are made available as a result of the inflation-adjustments made by the Federal Internal Revenue Service pursuant to § 220 of the Internal Revenue Code, \$2,500, \$5,000 or \$10,000 or in the case of the optional high deductible insurance plans, family unit deductible of \$3,000 or \$4,500, or such other amounts as are made available as a result of the inflation-adjustments made by the Federal Internal Revenue Service pursuant to § 220 may replace that coverage, only during the open enrollment period, with coverage by an HMO standard health benefits plan.

4. A person covered by an HMO standard health benefits plan may replace that coverage, only during the open enrollment period, with coverage by an HMO standard health benefits plan with a lower copayment option than the HMO standard health benefits plan being replaced.

(e) A carrier comparing deductibles or policyholder coinsurance requirements according to (b) and (c) above shall not consider any separately applicable deductible or policyholder coinsurance requirements for specific covered services.

(f) A carrier comparing deductibles or policyholder coinsurance requirements according to (b) and (c) above, with respect to individual health benefits plans delivered under selective contracting arrangements, shall use the in-network benefit as a basis for comparison.

(g) Notwithstanding (b), (c) and (d) above, a carrier shall not offer a person coverage by a standard health benefits plan unless the person's coverage by the standard health benefits plan being replaced has been terminated or will terminate no later than the effective date of replacement standard health benefits plan.

EXPERIMENTAL or INVESTIGATIONAL.

Services or supplies, including treatments, procedures, hospitalizations, drugs, biological products or medical devices, which We Determine are:

- a) not of proven benefit for the particular diagnosis or treatment of Your particular condition; or
- b) not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of Your particular condition; or
- c) provided or performed in special settings for research purposes or under a controlled environment or clinical protocol.

Unless otherwise required by law with respect to drugs which have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration (FDA), We will not cover any services or supplies, including treatment, procedures, drugs, biological products or medical devices or any hospitalizations in connection with Experimental or Investigational services or supplies.

We will also not cover any technology or any hospitalization in connection with such technology if such technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of Your particular condition.

Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of Your particular condition as explained below.

We will apply the following five criteria in Determining whether services or supplies are Experimental or Investigational:

- 1) any medical device, drug, or biological product must have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug or biological product for another diagnosis or condition will require that one or more of the following established reference compendia:

- The American Medical Association Drug Evaluations;
- The American Hospital Formulary Service Drug Information; or
- The United States Pharmacopeia Drug Information.

recognize the usage as appropriate medical treatment. As an alternative to such recognition in one or more of the compendia, the usage of the drug will be recognized as appropriate if it is recommended by a clinical study or recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests will not be considered Experimental or Investigational.

In any event, any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered Experimental or Investigational.

- 2) conclusive evidence from the published peer-reviewed medical literature must exist that the technology has a definite positive effect on health outcomes; such evidence must include well-designed investigations that have been reproduced by nonaffiliated authoritative

- sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;
- 3) demonstrated evidence as reflected in the published peer-reviewed medical literature must exist that over time the technology leads to improvement in health outcomes, i.e., the beneficial effects outweigh any harmful effects;
 - 4) proof as reflected in the published peer-reviewed medical literature must exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and
 - 5) proof as reflected in the published peer-reviewed medical literature must exist that improvements in health outcomes, as defined in paragraph 3, is possible in standard conditions of medical practice, outside clinical investigatory settings.

The Premium due on each Premium Due Date is the sum of the Premium charges for the coverage You have. Those charges are determined from the Premium rates then in effect.

The following will apply if one or more Premiums paid include Premium charges for a Covered Person whose coverage has ended before the due date of that Premium. We will not have to refund more than the amount of a) minus b) :

- a) the amounts of the Premium charges for the Covered Person that was included in the Premiums paid for the two-month period immediately after the date the Covered Person's coverage has ended.
- b) the amount of any claims paid to You or Your Provider for Your claims or to a Member of Your family after that person's coverage has ended.

PAYMENT OF PREMIUMS - GRACE PERIOD

Premiums are to be paid by You to Us. They are due on each Premium Due Date [stated on the first page of the Policy.] You may pay each Premium other than the first within 31 days of the Premium Due Date. Those days are known as the grace period. You are liable to pay Premiums to Us from the first day the Policy is in force in order for this Policy to be considered in force on a premium paying basis. If any premium is not paid by the end of the grace period this Policy will continue in force during the grace period and this Policy will end when the grace period ends. However, We may deduct the amount of premium due for the period this Policy stays in force during the grace period from the amount of any benefit to be paid for Covered Charges incurred during the grace period. [Premiums accepted by Us after the end of the grace period are subject to a late payment interest charge determined as a percentage of the amount unpaid. That percentage will be Determined by Us from time to time, but will not be more than the maximum allowed by law.]

REINSTATEMENT

If We, or one of Our duly authorized agents accept the payment of premium after the end of the grace period without requiring an application for reinstatement, such acceptance of premium shall reinstate the Policy. However, if We or one of Our duly authorized agents require an application for reinstatement and issue a conditional receipt for the premium paid, the Policy will be reinstated upon Our approval of the application, or lacking Our approval, it will be reinstated on the forty-fifth day following the date for the conditional receipt unless We have previously notified You of Our disapproval of the reinstatement application. The reinstated Policy shall cover only loss resulting from Injury or Illness that begins more than 10 days after the date of reinstatement. In all other respects, We and the Covered Person shall have the same rights under the Policy as before the end of the grace period.

PREMIUM RATE CHANGES

The Premium rates in effect on the Effective Date are shown in the Policy['s Schedule of Premium Rates]. We have the right to change Premium rates as of any of these dates:

- a) any Premium Due Date;
- b) any date that the extent or nature of the risk under the Policy is changed:
 - by amendment of the Policy; or
 - by reason of any provision of law or any government program or regulation;
- c) at the discovery of a clerical error or misstatement as described in the "General Provisions" section of this Policy.

We will give You 30 days written notice when a change in the Premium rates is made.

BENEFIT DEDUCTIBLES, COPAYMENTS AND COINSURANCE

Cash Deductible: Each Calendar Year, You must have Covered Charges that exceed the Deductible before We pay any benefits to You for those charges (subject to the Family Deductible Cap as described below). The Deductible is shown in the "Schedule of Benefits" section of this Policy. The Deductible cannot be met with Non-Covered Expenses. Only Covered Charges incurred by You while insured can be used to meet the Deductible for those charges.

Once a Deductible is met, We pay benefits for other Covered Charges above the Deductible amount incurred by You, less any applicable Coinsurance and Copayments, for the rest of that Calendar Year. But all charges must be incurred while You are insured by this Policy. And what We pay is based on all the terms of this Policy including benefit limitations and exclusion provisions.

Family Deductible Cap: This Policy has a family deductible cap on care equal to two Deductibles for each Calendar Year. Once a family meets the equivalent of two individual Deductibles in a Calendar Year, We pay benefits for other Covered Charges incurred by any member of the covered family for that type of care, less any applicable Copayment and Coinsurance, for the rest of that Calendar Year. The amount of Covered Charges applied toward the satisfaction of the family deductible cap by any one Covered Person may not exceed the amount of the individual Cash Deductible. What We pay is based on all the terms of this Policy, including benefit limitation and exclusion provisions.

Coinsurance Cap: This Policy limits the Coinsurance amounts You must pay each Calendar Year. The Coinsurance cap cannot be met with Non-Covered Expenses and Coinsurance for the treatment of Non-Biologically-based Mental Illnesses and Substance Abuse.

There is a Coinsurance cap for each Covered Person. The Coinsurance cap is shown in the "Schedule of Benefits."

Each Covered Person's Coinsurance amounts are used to meet his or her own Coinsurance cap. And all amounts used to meet the cap must actually be paid by You.

Once Your Coinsurance amounts in a Calendar Year exceed the individual cap, We waive Your Coinsurance for the rest of that Calendar Year.

Deductible Credit: For the first Calendar Year of this Policy, a Covered Person will receive credit for any Deductible amounts satisfied under previous coverage within the same Calendar Year that Your first Calendar Year starts under this Policy provided there has been no lapse in coverage between the previous coverage and this Policy.

This credit will be applied whether Your previous coverage was under a plan with Us or with another carrier. You will be required to provide Us with adequate documentation of the amounts satisfied.

NOTE: There is no Coinsurance credit from previous coverage. In addition, there is no Deductible or Coinsurance carryover into the next Calendar Year.

Payment Limits: We limit what We pay for certain types of charges.

UTILIZATION REVIEW

THE DECISIONS MADE BY OUR REPRESENTATIVE(S) IN THIS UTILIZATION REVIEW PROGRAM ARE INTENDED ONLY TO DETERMINE THE EXTENT OF REIMBURSEMENT FOR A SERVICE.

OUR PAYMENT WILL BE REDUCED FOR NONCOMPLIANCE WITH THE PROVISIONS SET FORTH IN THIS SECTION.

A. IF YOU OR YOUR PRACTITIONER DO NOT REQUEST OUR AUTHORIZATION OR IF WE ASK YOU TO OBTAIN A SECOND OR THIRD OPINION FOR PERFORMANCE OF A SURGICAL PROCEDURE OR HOSPITAL ADMISSION AND YOU EITHER DO NOT OBTAIN SUCH OPINION(S) OR YOU DO NOT OBTAIN ONE CONFIRMING OPINION FROM EITHER THE SECOND OR THIRD OPINION, WE WILL REDUCE ANY PAYMENT WE MAKE BY 50% PROVIDED WE DETERMINE THE HOSPITAL ADMISSION, PROCEDURE, SERVICE OR SUPPLIES WERE MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.

B. IF YOU OBTAIN A SECOND AND THIRD OPINION FOR PERFORMANCE OF A SURGICAL PROCEDURE OR HOSPITAL ADMISSION, AND NEITHER OF THE OPINIONS CONFIRM THE NEED FOR THE PROCEDURE OR HOSPITALIZATION AND YOU PROCEED WITH THE PROCEDURE OR HOSPITALIZATION, WE WILL NOT PAY FOR THE PROCEDURE OR HOSPITALIZATION NOR ANY ASSOCIATED PRACTITIONER (INCLUDING FACILITY) CHARGES.

C. NO REDUCTION IN BENEFITS OR PAYMENT WILL BE APPLIED PURSUANT TO THIS SECTION IF, FOLLOWING AN INITIAL DETERMINATION BY US THAT WE WILL NOT AUTHORIZE A HOSPITAL ADMISSION OR PROCEDURE, SERVICES OR SUPPLIES, YOU REQUEST RECONSIDERATION OF OUR DECISION AND WE SUBSEQUENTLY DETERMINE THAT THE HOSPITAL ADMISSION OR PROCEDURE, SERVICES OR SUPPLIES WERE MEDICALLY NECESSARY AND APPROPRIATE. IN SUCH AN EVENT, WE WILL MAKE PAYMENT AS OTHERWISE PROVIDED IN THIS POLICY.

The maximum reduction of benefits under this provision for failure to comply with any of the requirements set forth will be 50% unless We determine that the hospital admission, procedure, service or supply were not Medically Necessary and Appropriate.

Failure to notify Us of the procedures, services or supplies as provided in Step 2 below, will not affect Our payment if We Determine that notice was given to Us as soon as was reasonably possible.

In some instances, before We authorize a hospitalization or the performance of a surgical procedure listed, We may require a second and/or third opinion. See “Step 3” and “Step 4” below.

Our authorization is valid for 30 days. If the hospitalization, procedure, service or use of the supply does not occur as planned, You or Your Practitioner must contact Us to renew the authorization. If the authorization is not renewed, We will consider the hospitalization, procedure, service or supply as not authorized.

If You or Your Practitioner obtain Our authorization for one of the listed procedures, We, in consultation with Your Practitioner, will authorize the appropriate setting (Inpatient or Outpatient) for the proposed procedure. If We approve an Inpatient admission, You or Your Practitioner may proceed with the admission and Our Payment will not be affected. **IF WE DO NOT AUTHORIZE AN INPATIENT ADMISSION AND YOU PROCEED WITH THAT ADMISSION, ANY PAYMENT FOR FACILITY CHARGES WILL BE REDUCED BY 50%. However, no reduction will apply if, following an initial Determination by Us that We will not authorize an in-patient admission, You request reconsideration of Our Determination and We subsequently Determine the in-patient admission to have been Medically Necessary and appropriate, We will make payment as otherwise provided in this Policy.**

(c) For **Continued Confinement** as an Inpatient beyond the time authorized, You or Your Provider must contact us **at least 1 full day, i.e. 24 hours, prior to the preapproved discharge date**, for additional authorization. We will provide You or Your Practitioner with Our Determination within those 24 hours.

In the event We are not able to provide You or Your Practitioner with a Determination within the time frames stated, We will tell You and Your Practitioner before the mid-point of the time stated, or the next business day, whichever is later, as well as put in writing to You, what specific information is needed to make that Determination. In the event We do not respond to You or Your Practitioner within these time frames, We will not apply the 50% reduction of benefits as allowed by this Utilization Review section to Covered Charges incurred between the time You or Your Practitioner notify Us and We respond to You.

In the event We do not authorize the hospitalization, procedure, service or supplies, We will send You a written statement within 7 days, explaining the specific reasons for denial of the authorization. Any such denial of Our authorization is subject to Your rights under the "Claims Appeal" section of the "Claims Procedure" provision of this Policy.

Failure to notify Us of the procedures, services or supplies listed above will not affect Our payment if We Determine that notice was given to Us as soon as was reasonably possible.

No reduction in benefits or payment will be applied pursuant to this section if, following an initial Determination by Us that We will not authorize a hospital admission or procedure, services or supplies, You request reconsideration of Our Determination and We subsequently Determine that the hospital admission or procedure, services or supplies are medically necessary and appropriate. In such an event, We will make payment as otherwise provided in this Policy.

STEP 3- Obtaining a Second Opinion

You may always obtain a second opinion when You are advised to have Surgery or be hospitalized. We may **require** that You obtain a second opinion if We Determine that it is necessary in order for Us to authorize a surgical procedure or hospital admission. If We Determine that a second opinion is necessary, We may arrange for the second opinion consultation. Regardless of whether the second opinion is at Our request or Yours, We will pay for the consultation and for any Diagnostic Services and Pre-Admission Testing necessary for the second opinion, subject to all Policy limitations and exclusions.

If the second opinion confirms the need for a surgical procedure, We, in consultation with Your Practitioner, will authorize the appropriate setting (Inpatient or Outpatient) for the proposed procedure. If We approve an Inpatient admission, You or Your Practitioner may proceed with the admission and Our payment will not be affected.

IF YOU DO NOT OBTAIN A SECOND OPINION WHICH WE ASK YOU TO OBTAIN FOR AN INPATIENT ADMISSION OR PERFORMANCE OF THE PROCEDURE AND IF YOU PROCEED WITH THAT ADMISSION AND/OR PROCEDURE, ANY PAYMENT FOR FACILITY CHARGES AND/OR PERFORMANCE OF THE PROCEDURE WILL BE REDUCED BY 50% PROVIDED WE DETERMINE THE HOSPITALIZATION OR PERFORMANCE OF THE SURGICAL PROCEDURE WAS MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE SURGICAL PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.

A confirming second opinion is valid for 90 days. If You do not undergo the surgical procedure or become hospitalized within that time, You or Your Practitioner must notify Us and renew the confirming opinion prior to the hospital admission or the procedure being performed. If the confirming opinion is not renewed, We may consider the confirming opinion not authorized.

If the second opinion does not confirm the need for the surgical procedure or hospital admission, You may obtain or We may require You obtain a third opinion.

STEP 4 - Obtaining a Third Opinion

If You obtained a second opinion and it did not confirm the need for the surgical procedure or hospital admission, You may obtain or We may require You to obtain a third opinion. Regardless of whether the third opinion is at Our request or Yours, We will pay for the consultation and for any Diagnostic Services and Pre-Admission Testing necessary for the third opinion, subject to all Policy limitations and exclusions.

IF NEITHER THE SECOND NOR THIRD OPINIONS CONFIRMS THE NEED FOR THE SURGICAL PROCEDURE OR HOSPITAL ADMISSION AND YOU PROCEED WITH THE PROCEDURE OR HOSPITALIZATION, WE WILL NOT PAY FOR THE PROCEDURE OR HOSPITALIZATION NOR ANY ASSOCIATED PRACTITIONER (INCLUDING FACILITY) CHARGES .

IF YOU DO NOT OBTAIN A THIRD OPINION WHICH WE HAVE ASKED YOU TO OBTAIN, OUR PAYMENT FOR THE PROCEDURE OR HOSPITALIZATION WILL BE REDUCED BY 50% PROVIDED WE DETERMINE THE PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE

THAT PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.

A confirming third opinion is valid for 90 days. If You do not undergo the procedure or become hospitalized within that time, You or Your Practitioner must notify Us and renew the confirming opinion prior to the procedure being performed or the hospitalization. If the confirming opinion is not renewed, We may consider the confirming opinion not authorized.

Proof of Loss: We will furnish You with forms for filing a proof of loss within 15 days of receipt of notice of claim. But if We do not furnish the forms on time, We will accept a written description and adequate documentation of the Injury or Illness that is the basis of the claim as proof, including an itemized bill with patient identification, diagnosis, Provider name and license number, type of service and amount of charge for service. You or Your Provider must detail the nature and extent the claim being made. You or Your Provider must send Us written proof of loss within 90 days of the Covered Charge being incurred.

Late Notice of Proof: We will not void or reduce a claim if You cannot send Us notice and proof of loss immediately. But You or Your Provider must send Us notice and proof as soon as reasonably possible, but in no event later than one year following the date the proof of loss was otherwise required.

Payment of Benefits: We will pay all benefits to which You and Your Dependents are entitled as soon as We receive due written proof of loss.

RIGHT TO RECOVERY - THIRD PARTY LIABILITY

"Reasonable pro-rata Expenses" are those costs such as lawyers fees and court costs, incurred to effect a Third Party payment, expressed as a percentage of such payment.

"Third Party" means anyone other than Us or a Covered Person.

If a Covered Person makes a claim to Us for benefits under this Policy prior to receiving payment from a Third Party or its insurer, the Covered Person must agree, in writing, to repay Us from any amount of money they receive from the Third Party, or its insurer for an Illness or Injury.

We will only require such payment when the amounts received through such settlement, judgment or otherwise, are specifically identified as amounts paid for health benefits for which We paid benefits and those amounts were not otherwise deducted from an award, judgment or settlement in a civil action, brought in a court of this State, pursuant to N.J.S.A. 2A:15-97.

The repayment will be equal to the amount of benefits paid by Us. However, the Covered Person may deduct the reasonable pro-rata expenses, incurred in effecting the Third Party payment from the repayment to Us.

We shall require the return of health benefits paid for an Illness or Injury, up to the amount a Covered Person receives for that Illness or Injury through:

- a) a Third Party settlement;
- b) a satisfied judgment; or
- c) other means.

The repayment agreement shall be binding upon the Covered Person whether:

- a) the payment received from the Third Party, or its insurer, is the result of a legal judgment, an arbitration award, a compromise settlement, or any other arrangement, or
- b) the Third Party, or its insurer, has admitted liability for the payment.

We will not provide benefits under this Policy to or on behalf of a Covered Person to the extent such benefits services or supplies would duplicate whole or partial payments, services or supplies such Covered Person received from a third party, or its insurer for past or future charges for an Illness or Injury, resulting from the negligence, intentional act, or no-fault tort liability of a third party.

This provision shall not be construed or applied so as to require the return of any benefits properly paid by an insurer or entity other than Us where the payment of those benefits was made pursuant to some other applicable State or federal law and that other law precludes such repayment.

COORDINATION OF BENEFITS

Purpose Of This Provision

A Covered Person may be covered under this Policy and covered by or eligible for coverage under Medicare. This provision allows Us to coordinate what We pay with what Medicare pays or what Medicare would pay. We do this so the Covered Person does not collect more in benefits than he or she incurs in charges.

Definitions

"Medicare" means Part A or Part B of Title XVIII of the federal Social Security Act.

“Member” means the person who receives a policy or other proof of coverage from a plan that covers him or her for health expense benefits.

“Dependent” means a person who is covered by a plan for health expense benefits, but not as a Member.

“Allowable expense” means any necessary, reasonable, and usual item of expense for health care incurred by a Member or Dependent under either this Policy or Medicare. For a Member or a Dependent who is eligible for Medicare, items of expense that would have been covered by Medicare, whether or not the Member or Dependent enrolls in Medicare will be considered a paid Allowable Expense. When a plan provides service instead of cash payment, We view the reasonable cash value of each service as an allowable expense and as a benefit paid. We also view items of expense covered by Medicare as an allowable expense, whether or not a claim is filed under Medicare.

The amount of reduction in benefits resulting from a Member’s or Dependent’s failure to comply with provisions of Medicare is not considered an allowable expense to the extent such reduction in benefits is less than or equal to the reduction that would have been made under the terms of this Policy if this Policy had been primary. Examples of such provisions are those related to second surgical opinions, pre-certification of admissions or services, and preferred provider arrangements. This does not apply where a primary plan is a health maintenance organization (HMO) and the Member or Dependent elects to have health services provided outside the HMO. A primary plan is described below.

“Claim determination period” means a Calendar Year in which a Member or Dependent is covered by this Policy and is either covered by Medicare or is eligible to be covered by Medicare, and incurs one or more allowable expense under such plans.

How This Provision Works

We apply this provision when a Member or Dependent is covered by this Policy and is either covered by Medicare or is eligible to be covered by Medicare. We will consider each plan separately when coordinating payments.

Medicare is the primary plan. This Policy is the secondary plan. The primary plan (Medicare) pays first, without regard to this Policy. The secondary plan (this Policy) then pays up to the remaining unpaid allowable expenses, but neither plan pays more than it would have paid without this provision.

If, when We apply this provision, We pay less than We would otherwise pay, We apply only that reduced amount against payment limits of this Policy.

Our Right To Certain Information

In order to coordinate benefits, We need certain information. A Member or Dependent must supply Us with as much of that information as he or she can. But if he or she cannot give Us all the information We need, We have the right to request this information from any source.

When payment that should have been made by this Policy has been made by Medicare, We have the right to repay Medicare. If We do so, We are no longer liable for that amount. And if We pay out more than We should have, We have the right to recover the excess payment.

Small Claims Waiver

We do not coordinate payments on claims of less than \$50.00. But if, during any claim determination period, more allowable expenses are incurred that raise the claim above \$50.00, We will count the entire amount of the claim when We coordinate.

SERVICES FOR AUTOMOBILE RELATED INJURIES

When You are the named insured under a motor vehicle insurance Policy, You have two options under the terms of Your motor vehicle insurance Policy. The option You select will also determine coverage of any resident relative in the named insured’s household who is not a separate named insured under another motor vehicle policy.

- a) You may choose to have primary coverage for such services covered under Your motor vehicle insurance Policy (the Personal Injury Protection or compulsory Medical Payment provisions of a New Jersey motor vehicle insurance Policy or under similar provisions of a motor vehicle Policy required by any other federal or state no-fault motor vehicle insurance law).

If You choose this option, We will provide secondary coverage in accordance with regulations issued by the Department of Banking and Insurance.

- b) You may choose to have primary coverage for such services provided by this Policy.

If You choose this option, We will provide benefits for any Covered Charges incurred for the diagnosis or treatment of an Injury or Illness resulting from a motor vehicle accident. However, these benefits are subject to the terms, conditions, and limits set forth in this Policy.

In addition, the motor vehicle insurance policy may provide for secondary benefits in accordance with regulations issued by the Department of Banking and Insurance.

If there is a dispute as to primacy between the motor vehicle insurance policy and this Policy, this Policy will be primary.

This order of benefit determination does not apply if You are enrolled in a government health benefit program which provides that it is always secondary, or otherwise will not be a primary provider of benefits for motor vehicle injuries.

GENERAL PROVISIONS

THE POLICY

The entire Policy consists of:

- a) the forms shown in the Table of Contents as of the Effective Date;
- b) the Policyholder's application, a copy of which is attached to the Policy;
- c) any riders, endorsements or amendments to the Policy; and
- d) the individual applications, if any, of all Covered Persons.

STATEMENTS

No statement will void the insurance, or be used in defense of a claim under this Policy, unless it is contained in a writing signed by You, and We furnish a copy to You or Your beneficiary.

All statements will be deemed representations and not warranties.

INCONTESTABILITY OF THE POLICY

There will be no contest of the validity of the Policy, except for not paying premiums, after it has been in force for two years.

No statement in any application, except a fraudulent statement made by You, shall be used in contesting the validity of Your insurance or in denying a claim for a loss incurred after such insurance has been in force for two years during Your lifetime.

AMENDMENT

The Policy may be amended, at any time, without Your consent or of anyone else with a beneficial interest in it. The Policyholder may change the type of coverage under this Policy at any time by notifying Us in writing.

We may make amendments to the Policy upon 30 days' notice to the Policyholder, and as provided in (b) and (c) below. An amendment will not affect benefits for a service or supply furnished before the date of change; and no change to the benefits under this Policy will be made without the approval of the Board.

Only an officer of [Carrier] has authority: to waive any conditions or restrictions of the Policy, to extend the time in which a Premium may be paid, to make or change a Policy, or to bind Us by a promise or representation or by information given or received.

No change in the Policy is valid unless the change is shown in one of the following ways:

- a) it is shown in an endorsement on it signed by an officer of [Carrier].
- b) if a change has been automatically made to satisfy the requirements of any state or federal law that applies to the Policy, as provided in the section of this Policy called "Conformity With Law," it is shown in an amendment to it that is signed by an officer of [Carrier].
- c) if a change is required by [Carrier], it is accepted by the Policyholder, as evidenced by payment of a Premium on or after the effective date of such change.
- d) if a written request for a change is made by the Policyholder, it is shown in an amendment to it signed by the Policyholder and by an officer of [Carrier].

CLERICAL ERROR - MISSTATEMENTS

No clerical error by Us in keeping any records pertaining to coverage under this Policy will reduce Your coverage. Neither will delays in making those records reduce it. However, if We discover such an error or delay, a fair adjustment of Premiums will be made.

Premium adjustments that involve returning an unearned premium to You will be limited to the twelve-month period before We received satisfactory evidence that such adjustment should be made.

If You misstate Your age or any other relevant fact and the Premium is affected, a fair adjustment of Premiums will be made. If such misstatement affects the amount of coverage, the true facts will be used in Determining what coverage is in force under this Policy.

TERMINATION OF THE POLICY - RENEWAL PRIVILEGE

During or at End of Grace Period - Failure to Pay Premiums: If any Premium is not paid by the end of its grace period, the Policy will end when that period ends.

Termination by Request - If You want to replace this Policy with another Individual Health Benefits Plan, You must give Us notice of the replacement within 30 days after the effective date of the new Plan. This Policy will end as of 12:01 a.m. on the effective date for the new Plan, and any unearned premium will be refunded. If You want to end this Policy and do not want to replace it with another Plan, You may write to Us, in advance, to ask that the Policy be terminated at the end of any period for which Premiums have been paid. Then the Policy will end on the date requested.

This Policy will be renewed automatically each year on the Anniversary Date, unless coverage is terminated on or before the Anniversary Date due to one of the following circumstances:

- a) You have failed to pay premiums in accordance with the terms of the Policy, or We have not received timely premium payments; (Coverage will end as of the end of the grace period.)

- b) You have performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the Policy; (Coverage will end [as of the effective date][immediately].)
- c) termination of eligibility if You become eligible for coverage under a group Health Benefits Plan, Group Health Plan, Governmental Plan, or Church Plan; (Coverage will end immediately.)
- d) with respect to a Covered Person other than a Dependent, termination of eligibility if You are no longer a Resident; (We will give you at least 30 days written notice that coverage will end.)
- e) You become covered under another individual Health Benefits Plan; (Coverage will end at 12:01 a.m. on the date the new individual Health Benefits Plan takes effect, provided You notify Us of the replacement within 30 days after the effective date of the new Plan.)
- f) subject to the statutory notification requirements, We cease to do business in the individual health benefits market; or
- g) subject to the statutory notification requirements, We cease offering and non-renew a particular type of Health Benefits Plan in the individual health benefits market, provided We act uniformly without regard to any Health Status-Related Factor of Covered Persons or persons who may have become eligible for coverage.

TERMINATION OF DEPENDENT COVERAGE

If You fail to pay the cost of Dependent coverage, Your Dependent coverage will end. It will end on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

A Dependent's coverage ends when the Dependent becomes eligible for coverage under a group Health Benefits Plan, Group Health Plan, Governmental Plan, or Church Plan, or the Dependent is no longer a Dependent, as defined in the Policy. Coverage ends at 12:01 a.m. on the date the first of these events occurs.

Also, Dependent coverage ends when the Policyholder's coverage ends.

Read this Policy carefully if Dependent coverage ends for any reason. Dependents may have the right to continue certain benefits for a limited time.

OFFSET

We reserve the right, before paying benefits to You, to use the amount of payment due to offset any unpaid Premiums or a claims payment previously made in error.

We are only required to provide benefits to the extent stated in this Policy, its riders and attachments. We have no other liability.

ASSIGNMENT

No assignment or transfer by You of any of Your interest under this Policy is valid unless We consent thereto. However, We may, in Our Discretion, pay a Provider directly for services rendered to You.

LIMITATION OF ACTIONS

No action at law or in equity shall be brought to recover on the Policy until 60 days after You file written proof of loss. No such action shall be brought more than three years after the end of the time within which proof of loss is required.

Your failure to provide authorization or requested information will result in the declination of Your claim.

As Determined by Us, We may use appropriate non-employees, subsidiaries, or companies to conduct confidential medical record review for Our purposes.

We are not liable for any act or omission of any Provider nor any injury caused by a Provider's negligence, misfeasance, malfeasance, nonfeasance or malpractice.

We are not responsible for a Provider's failure or refusal to render services or provide supplies to persons eligible for benefits under this Policy.]

For eligible services from an eligible Facility or Practitioner, We will Determine to pay either You or the Facility or Practitioner.

Payment for all other Covered Charges will be made directly to You unless, before submission of each claim, You request in writing that Payment be made directly to the Provider and We agree to do this.

Except as provided above, in the event of Your death or total incapacity, any Payment or refund due will be made to Your heirs, beneficiaries, or trustees.

If We make Payments to anyone who is not entitled to them under this Policy, We have the right to recover these Payments from that individual or entity or You.
