

(h) Where a field in a trifecta race is less than seven at wagering time, said race will be run as an exacta. A late scratch after wagering starts will not affect the trifecta.

(i) In trifecta races with a coupled entry or mutuel field, the numbers of the first three horses in order of finish as made official shall constitute the winning combination except that, where two or more of such horses are part of the same coupled entry or mutuel field, only the best finishing position attained by the coupled entry or mutuel field shall be considered for payoff purposes and the next best finishing horse or horses, not part of the coupled entry or mutuel field, shall be selected to determine the winning trifecta combination.

(j) This rule shall be prominently displayed throughout the betting area of each track conducting the trifecta and printed copies of this rule shall be distributed by the track to patrons upon request.

Recodified existing 3 and 4 as (a) and (b).

13:71-27.53 Super-Six

(a) The Super-Six (or other approved name) is a form of pari-mutuel wagering. Each bettor selects the first horse in each of six consecutive races designated as the Super-Six races by the permitholder. The principle of a Super-Six is in effect a contract by the purchaser of a Super-Six ticket to select the winners of each of the six races designated as the Super-Six.

(b) The Super-Six pool shall be held entirely separate from all other pools and is no part of a daily double, exacta, trifecta or other wagering pool. The Super-Six pool is a pool wherein the bettor is required to select six consecutive winning horses and is not a parlay.

(c) Super-Six tickets shall be sold in not less than \$1.00 denominations and only from machines capable of issuing six numbers.

(d) Races in which Super-Six pools shall be conducted shall be approved by the Commission and clearly designated in the program.

(e) The design of Super-Six tickets shall be clearly and immediately distinguishable from other pari-mutuel tickets.

(f) The Super-Six pari-mutuel pool shall be calculated as follows:

1. 100 percent of the net amount in the pari-mutuel pool subject to distribution among winning ticket holders shall be distributed among the holders of pari-mutuel tickets which correctly designate the official winner in each of the six races comprising the Super-Six.

2. In the event there is no pari-mutuel ticket held which correctly designates the winner of all races comprising the Super-Six, 25 percent of that racing date's net amount available for distribution shall be distributed among the holders of pari-mutuel tickets correctly designating the most winning selections of the six races comprising the Super-Six, and the remaining undistributed 75 percent of said pool shall be carried over and added to the pool on the next day on which wagering is conducted.

3. If, on the last day on which this system of wagering is conducted at a horse race meeting, no bettor selects the winning horses in those races, the total amount of the pool which exists on that day in connection with those races shall be paid to the bettor or bettors who selected the largest number of winning horses in those races. In no event shall any part of the pool be carried over to the next year's race meeting.

(g) Those horses constituting an entry or a field as defined within the rules and regulations of the Commission shall race in any Super-Six race as a single wagering interest for the purpose of the Super-Six pari-mutuel pool calculations and pay-outs to the public. A scratch after wagering has begun of any part of an entry or field selection in such a race shall be of no effect with respect to the status of such entry and/or field as a viable wagering interest.

(h) At any time after wagering begins on the Super-Six pool should a horse, entire betting entry or field be scratched or declared a non starter in any Super-Six race, no further tickets selecting such horse, betting entry or field shall be issued, and wagers upon such horse, betting entry or field, for purposes of the Super-Six pool shall be deemed wagers upon the horse, betting entry or field upon which the most money has been wagered in the win pool at the track at the close of win pool betting for such race. In the event of a money tie, the tied horse, betting entry or field with the most inside post position shall be designated.

(i) After off-time, there shall be no refund in either of the cases, provided for in (h) above.

(j) For the purpose of this section, when horses are prevented from starting by any malfunction of the starting gate itself they shall be considered as having been excused by the judges.

(k) If, for any reason, any race or races of a Super-Six program is cancelled and declared "No Race," the Super-Six pool shall be distributed to the holders of the most winning selections of the remaining races pursuant to (f)1 and 2 above. In the event the Judges cancel or declare as "No Race" three or more of the Super-Six races for any given date, all pari-mutuel tickets for that Super-Six pool shall be refunded and the Super-Six cancelled for that day.

(l) In the event of a dead heat for win between two or more horses in any Super-Six race, all such horses in the dead heat for win shall be considered as the winning horse in the race for the purpose of distributing the Super-Six pari-mutuel pool.

(m) No person shall disclose the number of tickets sold in the Super-Six pool or the number or amount of tickets selecting winners of Super-Six races prior to the time the Judges have declared the last Super-Six race on any given date official.

(n) No pari-mutuel ticket for the Super-Six pool shall be sold, exchanged or cancelled after the time of the closing of wagering in the first of the six races comprising the Super-Six, except for refunds as required by this section.

(o) This rule shall be prominently displayed throughout the betting area of each association conducting a Super-Six program and in the official racing program.

(p) Should circumstances occur which are not foreseen in this section, questions arising thereby shall be resolved in accordance with general pari-mutuel practice. Decisions regarding distribution of Super-Six pools will be final.

13:71-27.54 Daily Triple

(a) The Daily Triple pari-mutuel pool is not a parlay and has no connection with or relation to any other pari-mutuel pool conducted by the association, nor to any win, place and show pool shown on the totalisator board, nor to the rules governing the distribution of such other pools.

(b) A valid Daily Triple ticket shall be evidence of a binding contract between the holder of the ticket and the racing association, and said ticket shall constitute an acceptance of Daily Triple provisions and N.J.A.C. 13:71-27.

(c) A Daily Triple may be given a distinctive name to be selected by the association conducting such races, such as Win 3, subject to the prior approval of the Commission.

(d) The Daily Triple pari-mutuel pool shall consist of amounts contributed for a selection for win only in each of the three consecutive races designated by the association with the prior approval of the Commission. Each person purchasing a Daily Triple ticket shall designate the winning horse in each of the three races comprising the Daily Triple.

(e) Those horses constituting an entry of coupled horses or those horses coupled to constitute the field in a race comprising the Daily Triple shall race as a single wagering interest for the purpose of the Daily Triple pari-mutuel pool calculations and payouts to the public. However, if any part of either an entry or the field racing as a single interest is a starter in a race, the entry or the field selection shall remain as the designated selected to win in that race for the Daily Triple calculation, and the selection shall not be deemed a scratch.

(f) The net amount in the pari-mutuel pool subject to distribution among winning ticket holders shall be distributed among the holders of tickets which correctly designate the winners in all three races comprising the Daily Triple.

(g) If no ticket is sold combining the three winners of the Daily Triple, the net amount in the pari-mutuel pool shall be distributed among the holders of tickets which include the winners of at least two of the three races comprising the Daily Triple.

(h) If no ticket is sold combining at least two winners of the Daily Triple, the net amount in the pari-mutuel pool shall be distributed among holders of tickets which include the winner of any one race comprising the Daily Triple.

(i) If no ticket is sold that would require distribution of the Daily Triple pool to a winner pursuant to (f) through (h) above the association shall make a complete and full refund of the Daily Triple pool.

(j) If for any reason one or two of the races comprising the Daily Triple are cancelled, the net amount of the pari-mutuel pool shall be distributed as provided in (g), (h), and (i) above.

(k) In the event a Daily Triple ticket designates a selection in any one or more of the races comprising the Daily Triple and that selection is scratched, excused or determined by the stewards to be a non-starter in the race, the actual favorite, as evidenced by the amounts wagered in the win pool at the time of the start of the race, will be substituted for the non-starting selection for all purposes, including pool calculations and payoffs.

(l) If any of the daily triple races result in a dead heat, the payoff will be figured the same as a place pool, that is: first the regulation commission is deducted, then the total amount wagered on the winning combination is deducted, leaving the profit which is divided equally between the holders of the winning combinations.

(m) No pari-mutuel ticket for the Daily Triple pool shall be sold, exchanged or cancelled after the time of the closing of wagering in the first of the three races comprising the Daily Triple, except for such refunds on Daily Triple tickets as required by this rule, and no persons shall disclose the number of tickets sold in the Daily Triple pool or the

number or amount of tickets selecting winners of Daily Triple races until such time as the Stewards have determined the last race comprising the Daily Triple to be official. At the conclusion of the second of the three races comprising the Daily Triple, an association may, with the prior approval of the Commission, display potential distributions to ticket holders depending upon the outcome of the third race of the Daily Triple.

13:71-27.55 Pick-Eight

(a) This section codifies procedures to allow New Jersey to participate in a nationwide common pool on a Pick-Eight wager on the Breeders' Crown.

(b) The payoff is calculated as follows:

1. Wagers select first-place finishers for eight Breeders' Crown races. The net pool is divided into major (75 percent) and minor (25 percent) shares. The major share is distributed to the ticket(s) correctly selecting the first-place finishers in all eight races and calculated using the net pool pricing method. The minor share is distributed to tickets correctly selecting the first-place finishers in the most (but not all) of the eight races and calculated using the net pool pricing method.

2. To determine the net pool, there shall be a deduction from gross wagers in each jurisdiction in an amount equal to the applicable takeout for that jurisdiction. The remaining amount of the wagers from all jurisdictions is combined to form the total net pool, on the basis of which a base payout price is determined. Each jurisdiction's winning payout price is determined by applying that jurisdiction's takeout rate to the base price. Each jurisdiction's individual rules relating to breakage and uncashed winning tickets shall also apply. Any other questions that arise not specifically covered in this section shall be covered by the rules of racing of the New Jersey Racing Commission.

(c) Dead heat procedures are as follows:

1. If there is a dead heat for first in any race, the winning combinations shall include all wagers selecting any dead heat finishers.

(d) No ticket sold procedures are as follows:

1. If no ticket is sold correctly selecting the eight first-place finishers, then the entire net pool will be distributed to the wagers selecting the most official winners of the eight Breeders' Crown races.

(e) Refund procedures are as follows:

1. If three or more races are cancelled, then the entire Pick-Eight pool shall be refunded.

(f) The effect of a cancelled race in the pool is as follows:

1. In the event that one or more of the races, comprising the Pick-Eight, is cancelled for any reason, the distribution of the net amount subject to distribution in the Pick-Eight pool shall be among the holders of the pari-mutuel tickets which currently designate the most official winners in all remaining races comprising the Pick-Eight.

(g) The number of entries (or starters) required is as follows:

1. As long as at least one horse remains within an entry or the field, that betting interest will not be deemed a scratch. If a betting interest is scratched or declared a non-starter, the actual favorite as evidenced by Breeders' Crown host track win pool at the start of the race will be substituted. If the win pool amounts are equal, the substitute will be the lowest program numbered betting interest.

New Rule, R.1992 d.201, effective May 4, 1992.
See: 23 N.J.R. 1770(a), 24 N.J.R. 1801A.

13:71-27.56 The Pick(N)

(a) The Pick(N) requires selection of the first place finishers in each of four or more consecutive races, with the letter (N) representing the number of such races. The association must obtain written approval from the Commission concerning the scheduling of Pick(N) events. Any changes to the approved Pick(N) format requires prior approval from the Commission.

(b) A carry-over, as is relevant to this section, is that percentage of the pool not paid out when no one successfully selects all winning horses in the Pick(N). The carry-over amount shall be added to the subsequent Pick(N) pool until distributed as a result of the successful selection of all winning horses.

(c) The Pick(N) pool shall be distributed under one of the following methods:

1. Method 1. Pick(N) with carry-over: The net Pick(N) pool and carry-over, if any, shall be distributed as a single price pool to those who selected the first place finisher in each of the Pick(N) contests, based on the official order of finish. If there are no such wagers, then 25 percent of the net pool shall be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick(N) races; and the remaining 75 percent of the net pool shall be added to the carry-over.

2. Method 2. Pick(N) with minor pool and carry over: The major share of the net Pick(N) pool (75 percent) and the carry-over, if any, shall be distributed to those who selected the first-place finisher in each of the Pick(N) contests, based on the official order of finish. The minor share of the net Pick(N) pool (25 percent) shall be distributed to those who selected the first-place finisher in the second greatest number of Pick(N) contests based on the official order of finish. If there are no such wagers selecting the first-place finisher of all Pick(N) contests, the minor share of the net Pick(N) pool (25 percent) shall be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick(N) contests based on the official order of finish and the major share (75 percent) shall be added to the carry-over.

(d) If there is a dead heat for first in any of the Pick(N) contests involving contestants representing the same betting interest, the Pick(N) pool shall be distributed as if no dead heat occurred. If there is a dead heat for first in any of the Pick(N) contests involving contestants representing two or more betting interests, the Pick(N) pool shall be distributed as a single price pool with each winning wager receiving an equal share of the net Pick(N) pool.

(e) The Pick(N) pool shall be held entirely separate from all other pools and is not a parlay and is not part of a daily double, exacta, trifecta or other wagering pool.

(f) Pick(N) tickets shall be sold in not less than \$1.00 denominations and only from machines capable of issuing four or more numbers.

(g) Those horses constituting an entry or a field as defined within the rules of the Commission shall race in any Pick(N) race as a single wagering interest for the purpose of Pick(N) pari-mutuel pool calculations and payments to the public. A scratch after wagering has begun on any part of an entry or mutuel field in such a race shall be of no effect with respect to the status of such entry or field as a viable wagering interest.

(h) At any time after wagering begins on a Pick(N) pool should a horse, entire betting entry or mutuel field be scratched or declared a non-starter in any Pick(N) race, no further tickets selecting such horse betting entry or mutuel field shall be issued, and wagers upon such horse betting entry or mutuel field, for purposes of the Pick(N) pool, shall be deemed wagers upon the horse, betting entry or mutuel field upon which the most money has been wagered in the win pool at the close of win pool betting for such race. In the event of a money tie, the tied horse, betting entry or mutuel field with the most inside post position shall be designated.
