

NOTICE TO THE BAR

MULTICOUNTY LITIGATION – PROPOSED TERMINATION OF MULTICOUNTY LITIGATION (MCL) DESIGNATION OF THE POMPTON LAKES LITIGATION

By Order of September 13, 2010, the Supreme Court assigned all New Jersey state court litigation seeking damages or other relief against E.I. DuPont DeNemours and Company and/or Royle Systems Group, LLC alleging environmental contamination in the Borough of Pompton Lakes, Passaic County to Bergen County for centralized management (now multicounty litigation (MCL)) by then Superior Court Judge Brian R. Martinotti. By Order dated July 22, 2016, the litigation was reassigned to Superior Court Judge Rachelle L. Harz. Judge Harz has reported to the Administrative Director of the Courts that all active litigation has been concluded and that the MCL designation of the Pompton Lakes Litigation therefore should be terminated.

In accordance with the provisions of Court Rule 4:38A and the Multicounty Litigation Guidelines (Directive #8-12), this Notice is to advise of the proposed termination of the MCL designation of the New Jersey state-court Pompton Lakes litigation. Any comments on or objections to this proposed action must be submitted in writing, with relevant supporting documentation, to the Administrative Director of the Courts, Attn: MCL Comments, P.O. Box 037, Trenton, NJ 08625-0037, by July 9, 2018. Comments or objections may also be submitted by e-mail to the following address: Comments.Mailbox@njcourts.gov.

Once this comment period has closed, the proposed termination of the MCL designation will be submitted to the Supreme Court for its consideration and action.

TO: Honorable Glenn A. Grant, J.A.D., Acting Administrative Director,

On September 13, 2010, the New Jersey Supreme Court entered an order designating all pending and future litigation against E. I. DuPont DeNemours and Company and/or Royle Systems Group, LLC alleging environmental contamination in the Borough of Pompton Lakes, Passaic County for centralized management (now multi-county litigation) and assigned these cases to the Honorable Brian R. Martinotti in the Bergen Vicinage. On July 22, 2016, the New Jersey Supreme Court entered an amended order assigning those same matters to the Honorable Rachelle L. Harz in the Bergen Vicinage.

Prior to centralization, one hundred and sixty five (165) cases with three hundred and forty (340) Plaintiffs had been filed in Passaic County beginning March 4, 2010. Upon centralization, all cases were then transferred from Passaic County to Bergen County. There have been in excess of thirty eight (38) case management conferences, and approximately twenty eight (28) substantive and procedural motions since the transfer.

The following is a summary of significant events:

 - Mertis, BER-L-10657-10
 - Palombi, BER-L-10784-10
 - Roesch, BER-L-10709-10
- **February 16, 2012:** Stipulation and order of voluntary dismissal with prejudice of cases that had initially settled in the *Armona* action which was pending in federal court;
- **April 10, 2012:** Hon. Justice Zazzali (Ret.) was selected as a mediator by the parties;
- **August 8, 2012:** Summary Judgment granted in favor of Defendants in Bruno, BER-L-6510-10, and Gorman, BER-L-10797-10;
- **October 18, 2012:** First mediation session conducted with the mediator Hon. Justice Zazzali (Ret.);
- **Winter of 2014:** twenty six (26) plaintiffs voluntarily dismiss their complaints;
- **February 26, 2014:** Summary Judgment granted in favor of Defendants and against Plaintiffs in Moutenot, BER-L-10592-10;
- **February 19, 2015:** Order approving settlement of property claims for twenty one (21) minor plaintiffs;
- **Winter-Spring, 2015:** Stipulation of dismissal with prejudice of forty one (41) Complaints;
- **August 17, 2015:** Summary Judgment granted in favor of Defendants and against Plaintiffs in Dnistran, BER-L-12339-10, Magee, BER-L-10722-10, Monico, BER-L-10670-10, Recca, BER-L-10576-10, Felicetta, BER-L-6506-11, Stursberg, BER-L-10691-10;

- **Fall 2015:** Stipulation of dismissal with prejudice of seventeen (17) Complaints;
- **November 1, 2017:** Order relieving Weitz & Luxenberg, P.C., as counsel for Joseph Intintola, Sonia Anaya, BER-L-10766-10, and Harry Van Orden, BER-L-6509-11;
- **December 5, 2017:** Stipulation of dismissal with prejudice of thirty eight (38) Complaints;
- **January 18, 2018:** Dismissal of Joseph Intintola, Sonia Anaya, BER-L-10766-10, and Harry Van Orden, BER-L-6509-11, without prejudice.

In light of the absence of active files, and the unlikelihood that there will be future filings, I recommend that centralized management of *In Re Alleged Environmental Contamination of Pompton Lakes* litigation be terminated.

Respectfully submitted,

Rachelle L. Harz, J.S.C.
