Statement by Governor Murphy on the Biden Administration's Joint Final Environmental Impact Statement and Record of Decision for the Hudson Tunnel Project

05/28/2021

"The release of today's Final Environmental Impact Statement and Record of Decision on the Hudson Tunnel Project is a significant milestone for the Gateway Program. This long-awaited step brings us much closer to beginning the critical work of constructing the new Hudson Tunnel. We would not be here without President Biden, Secretary Buttigieg, Acting FTA Administrator Fernandez, and Acting FRA Administrator Bose and their commitment to transforming our nation's aging rail and commuting infrastructure. We are also grateful for the assistance and advocacy that Senator Menendez, Senator Booker, and New Jersey's Congressional delegation have provided throughout this process. Today's action is a key step forward to building rail infrastructure that will be dependable for decades to come. We look forward to working with our regional and federal partners to complete the Hudson Tunnel Project and continue to advance the Gateway Program in order to provide much needed relief to commuters and businesses in New Jersey and New York."
