IMPORTANT NOTE OF CAUTION
TO ALL RETAIL LICENSEES

Fair Trade Regulations in New Jersey have demonstrated their effectiveness for maintaining an orderly and equitable distribution of alcoholic beverages. I am determined to guard against future predatory and destructive price wars among retailers. In fairness to all manufacturers, equal sales opportunities for all brands must be maintained in this State.

Therefore, my ruling of September 11, 1944, supplemented by modifications issued on September 14th and October 31, 1944 relative to the prohibition of price-advertising of alcoholic beverages not listed on Fair Trade, continues in full force and effect.

Retailers are again placed on notice that,

Alcoholic beverages (except malt beverages) not listed in Minimum Resale Price Pamphlets or Supplements thereto issued by this Department, may not be price-advertised (including direct or indirect reference to price) in any periodical, publication, circular, hand bill or direct mailing piece in this State by a manufacturer, wholesaler or retailer, unless the prices to be advertised are the OPA ceiling prices as determined by the application of the proper maximum mark-up permitted by the OPA. Private brands owned or controlled by a retailer, or exclusive brands confined to and distributed by one retailer, are excepted in my ruling.

Any violation of the rule shall subject the license to suspension or revocation.

All prices set forth herein become effective Monday, January 1, 1945 at 10 A. M.

Alfred E. Dusicoll

Commissioner
