# ICYMI: NJDOT issues commercial vehicle travel restrictions on multiple Interstate highways beginning Sunday at 3 p.m.

Posted on 02/22/2026

*Restrictions do not apply to New Jersey Turnpike, Garden State Parkway, or Atlantic City Expressway*

**TRENTON** – New Jersey Department of Transportation (NJDOT) Acting Commissioner Priya Jain has **issued a commercial vehicle travel restriction on multiple Interstate highways in New Jersey starting at 3 p.m. Sunday, February 22** based on the forecast for a severe winter storm expected to cause hazardous weather conditions across the state, including blizzard conditions with wind gusts up to 55 miles per hour, heavy and widespread snow, and potential coastal flooding.

Gov. Mikie Sherrill has declared a [State of Emergency](#) with winter weather is expected to begin Sunday, February 22 and continue into Monday, February 23, which could make driving conditions treacherous throughout the state. The travel restrictions are being coordinated with neighboring states. In addition to the commercial restrictions, all motorists are encouraged to avoid unnecessary travel on Sunday and Monday.

The commercial vehicle travel restriction will begin at 3 p.m. Sunday, February 22 and will be in place until further notice for the following highways in both directions:

- I-76 (entire length)
- I-78 (entire length)
- I-80 (entire length)
- I-195 (entire length)
- I-280 (entire length)
- I-287 (entire length)
- I-295 (entire length)
- I-676 (entire length)

The commercial vehicle travel restriction applies to:

- **All** tractor trailers (exceptions as listed in the [Administrative Order](#))
- Empty straight CDL-weighted trucks
- Passenger vehicles pulling trailers
- Recreational vehicles
- Motorcycles

This restriction DOES NOT apply to:

- The New Jersey Turnpike
- The Garden State Parkway
- The Atlantic City Expressway
- Public safety vehicles, sworn and civilian public safety personnel; as well as other personnel directly supporting healthcare facilities or critical infrastructure such as providing fuel or food. For a complete list of operations or personnel that are exempt from the travel ban, see the [Administrative Order](#).

Trucks that are already in New Jersey when the travel restrictions go into place are encouraged to pull off in truck stops to wait out the storm – **DO NOT PARK ON SHOULDERS.**

NJDOT is coordinating with all state and regional transportation agencies to ensure the most effective response to the storm. In order for NJDOT and our regional and local transportation partners to safely and efficiently clear roadways of snow, motorists should avoid driving unless you are an essential employee needed for emergency response. If you must drive, motorists are advised to:

- **SLOW DOWN**
- Always STAY CLEAR of plowing and spreading trucks. If they are behind you, let them pass
- DO NOT pass between trucks that are in a plow formation
- Leave early and allow extra time

- Leave a safe following distance between vehicles
- Use caution on bridges and ramps
- If you are driving and road conditions deteriorate, PULL OFF somewhere safe and wait it out
- Be patient and use caution
- Keep an emergency kit in your car with a cell phone charger, water, snacks, blanket, and other items. See the NJ Office of Emergency Managements web site for more information: <http://ready.nj.gov/plan-prepare/winter.shtml>
