Governor Whitman Signs Bills into Law

Gov. Christie Whitman today signed 12 bills into law, including legislation to increase parental involvement in a minor's decision to have an abortion, to allow towns to regulate or prohibit nudity on state-owned land within their borders, and to fund the state's contribution toward a memorial to recognize World War II veterans.

On the parental notification bill, Gov. Whitman said, "This legislation strikes a common-sense balance that recognizes the rights of parents to know when a medical procedure will be performed on their minor children, while preserving a young woman's legal right to choose whether or not to have an abortion."

A-44, sponsored by Assembly Members Paul DiGaetano (R-Bergen/Essex/Passaic) and Joseph Doria (D-Hudson) and Senators Ronald Rice (D-Essex) and Joseph Palaia (R-Monmouth), appropriates \$14.8 million to the Department of Community Affairs to demolish and dispose of unsafe buildings. The money would be used as loans to 17 municipalities to demolish buildings in urban and rural areas. The loans were awarded pursuant to the "Urban and Rural Centers Unsafe Buildings Demolition Bond Act." Loans will be granted to Camden, Passaic, Elizabeth, Bridgeton, Jersey City, Asbury Park, Bayonne, East Orange, Hampton, Long Branch, Orange, Paterson, Penns Grove, Perth Amboy, Pleasantville, Union City, and Vineland.

ACS for A-527/S-813, sponsored by Assembly Members John E. Rooney (R-Bergen) and Marion Crecco (R-Essex/Passaic), seeks to increase parental involvement in a minor's decision to have an abortion. Specifically, the bill requires a physician, prior to performing an abortion upon a female under the age of 18, to notify a parent at least 48 hours prior to the procedure, subject to certain exemptions. If the parent has no custodial rights or if there is no parent with care and control, the bill provides for notification of a foster parent, guardian or person standing in loco parentis.

The bill establishes an exception to the notification requirement if, in the attending physician's good faith clinical judgment, a medical emergency exists. The bill also allows a pregnant minor to petition a judge of the Superior Court for a judicial order waiving the notification requirement. A judge must waive the notification requirement if he finds, by clear and convincing evidence, that either the pregnant minor is mature enough to decide whether to have an abortion; the notification of the parent is not in the best interests of the minor; or there is evidence of physical, sexual or emotional abuse by the parent, guardian or legal custodian.

A-631, sponsored by Assembly Members Joseph Roberts (D-Camden/Gloucester) and Arline Friscia (D-Middlesex), designates a portion of the revenue collected from vending machine sales under contract with the Commission for the Blind and Visually Impaired to be used for vision screening and prevention services. Since 1994, the vending machine revenue has been redirected through the appropriations act, which resulted in a disincentive to increase sales. The revenue sharing program grants the Commissioner of the Department of Human Services the authority to share a portion of the sales with department institutions only when enough funds have been collected to support Project Prevention.

S-1698, sponsored by Senators William L. Gormley (R-Atlantic) and Wayne R. Bryant (D-Camden/Gloucester) and Assembly Member James W. Holzapfel (R-Monmouth/Ocean), enhances the flexibility of the State Parole Board. The legislation increases the membership of the board from nine members to eleven and adds a third adult panel on prison sentences which will enable the board to conduct an estimated 288 additional panel hearings each month.

The legislation also expands the ability of an alternate board member to assume the duties of an associate member. Currently, the board has an alternate member who can assume the duties of an associate member only when the associate is removed, incapacitated or assumes the duties of the chairman. The legislation will allow an alternate member to step in for an associate member when the member is absent or otherwise unable to perform his or her duties, or assumes the duties of the chairman. Finally, the bill expands the powers of the chairman to temporarily reassign an associate member appointed to a panel on juvenile commitments to a panel on adult sentences. Currently, the chairman can only reassign members appointed to a panel on adult sentences.

S-1709/A-3115, sponsored by Senator Robert Singer (R-Burlington/Monmouth/Ocean) and Assembly Members Carol J. Murphy (R-Essex/Morris/Passaic) and Nicholas Felice (R-Bergen/Passaic), clarifies that the corporation business tax benefit transfer program applies only to emerging technology and biotechnology companies in this state. As currently written, the bill could allow large "Fortune 500" companies to obtain CBT tax credits.

S-1744/A-2886, sponsored by Senators Norman M. Robertson (R-Essex/Passaic) and Louis Bassano (R-Essex/Union) and Assembly Members Kenneth LeFevre (R-Atlantic) and Joseph Azzolina (R-Middlesex and Monmouth), makes a supplemental appropriation of \$580,000 from the General Fund to the Department of Military and Veterans' Affairs for a grant to the World War II Memorial Fund. The fund is to be used to construct and maintain the first national memorial dedicated to all who served in the armed forces and the merchant marines during World War II.

Former Senator Bob Dole is leading efforts to raise \$100 million toward the memorial, which is to be built on the Mall in Washington, D.C. States have been asked to make donations to the fund, suggested at \$1 for each resident who served in WWII. The \$580,000 supplemental appropriation represents New Jersey's contribution for its approximately 580,000 veterans who served in the war. Of those 580,000 veterans, it is estimated that approximately 200,000 World War II veterans are still living in the state.

S-1912, sponsored by Senator James S. Cafiero and Assembly Members John C. Gibson and Nicholas Asselta (all R-Cape May/Atlantic/Cumberland), authorizes municipalities to regulate or prohibit nudity on any state-owned land.

S-1985, sponsored by Senators William E. Schluter (R-Warren/Hunterdon/Mercer) and Shirley K. Turner (D-Mercer) and Assembly Members Bonnie Watson Coleman (D-Mercer) and Reed Gusciora (D-Mercer), authorizes the Department of the Treasury to sell as surplus real property all of the state's interest in the Lafayette Yard property in Trenton to the City of Trenton. The terms and conditions of the sale must be approved by the State House Commission. The purpose of the bill is to allow the City of Trenton to build a hotel on the site. The sale of the Lafayette Yard and the City of Trenton Hotel and Conference Center will be financed by a \$5 million loan from the state.

S-1986, sponsored by Senators William E. Schluter (R-Warren/Hunterdon/Mercer) and Shirley K. Turner (D-Mercer) and Assembly Members Bonnie Watson Coleman (D-Mercer) and Reed Gusciora (D-Mercer), makes a supplemental appropriation of \$5 million from the Fiscal Year 1999 Appropriations Act to the Department of the Treasury to make a loan to the City of Trenton to construct a hotel/conference center and parking garage on the Lafayette Yard site next to the War Memorial in Trenton.

S-2009, sponsored by Senator Gerald Cardinale (R-Bergen) and Assembly Member Claire M. Farragher (R-Monmouth), revises the manner in which the Department of Banking and Insurance (DBI) may assess the insurance industry for the cost of operations of the Division of Insurance and the Office of Insurance Fraud Prosecutor (OIP). The present amount of assessment is approximately \$41 million per year. The assessment is calculated by adding the previous year's spending by the DBI and OIP to the percentage increases (if any) in net written premiums by the insurance industry. Thus, the division must calculate the premium increase for the insurance industry from the previous calendar year and then set its budget for the following year. The assessment growth is limited to the percentage growth in net written premiums from the prior calendar year. Annual statements containing net written premium information are not due from the companies until March following the close of the calendar year and this information is not compiled until May. Consequently, the maximum assessment for the preceding fiscal year is not known until May of the current year, which leaves inadequate time to adjust spending.

To rectify these problems, the bill revises the fiscal cap by removing the present limitation that the assessment may not increase, as a percentage, by more than the percentage increase in net written premiums received by all companies for the prior calendar year. Instead, it sets the cap at 0.20 percent of the combined net written premiums received during the prior calendar year. The bill applies the revised cap to the 1999 fiscal year and every succeeding fiscal year. The cap will now have a fixed ceiling, instead of a variable ceiling.

ACS for A-2738 and A-2343, sponsored by Assembly Members Alex DeCroce (R-Essex/Morris/Passaic), Anthony Impreveduto (D-Bergen/Hudson), Francis Bodine (R-Atlantic/Burlington/Camden) and Joseph Charles (D-Hudson) and Senators Andrew Ciesla (R-Monmouth/Ocean) and Walter Kavanaugh (R-Morris/Somerset), increases from \$700 million to \$900 million the amount of debt

that the State Transportation Trust Fund Authority may incur. The bill also increases the same amount that may be appropriated for transportation projects. Any savings realized by refinancing debt must be used for funding transportation projects.

ACS for A-3269, sponsored by Assembly Members Rose Marie Heck (R-Bergen), Joel M. Weingarten (D-Bergen) and Loretta Weinberg (D-Bergen), authorizes the Division of Motor Vehicles (DMV) to process motor vehicle transactions submitted through any electronic or digital means, including by the Internet or telephone. Individuals will continue to have the option of conducting business with DMV in person or through the mail.
