EFFECTIVE DATE. The date on which coverage begins under this Policy for You or Your Dependents, as the context in which the term is used suggests.

EXPERIMENTAL or INVESTIGATIONAL.

Services or supplies, including treatments, procedures, hospitalizations, drugs, biological products or medical devices, which We Determine are:

- (a) not of proven benefit for the particular diagnosis or treatment of Your particular condition; or
- (b) not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of Your particular condition; or
- (c) provided or performed in special settings for research purposes or under a controlled environment or clinical protocol.

Unless otherwise required by law with respect to drugs which have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration (FDA), We will not cover any services or supplies, including treatment, procedures, drugs, biological products or medical devices or any hospitalizations in connection with Experimental or Investigational services or supplies.

We will also not cover any technology or any hospitalization in connection with such technology if such technology is obsolete or ineffective and is not used generally by the

medical community for the particular diagnosis or treatment of Your particular condition.

Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of Your particular condition as explained below.

We will apply the following five criteria in Determining whether services or supplies are Experimental or Investigational:

1. any medical device, drug, or biological product must have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug or biological product for another diagnosis or condition will require that one or more of the following established reference compendia:

—The American Medical Association Drug Evaluations;

—The American Hospital Formulary Service Drug Information; or

—The United States Pharmacopeia Drug Information.

recognize the usage as appropriate medical treatment. As an alternative to such recognition in one or more of the compendia, the usage of the drug will be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests will not be considered Experimental or Investigational.

In any event, any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered Experimental or Investigational.

2. conclusive evidence from the published peer-reviewed medical literature must exist that the technology has a definite positive effect on health outcomes; such evidence must include well-designed investigations that have been reproduced by non-affiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;

3. demonstrated evidence as reflected in the published peer-reviewed medical literature must exist that over time the technology leads to improvement in health outcomes, i.e., the beneficial effects outweigh any harmful effects;
4. proof as reflected in the published peer-reviewed medical literature must exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and
5. proof as reflected in the published peer-reviewed medical literature must exist that improvements in health outcomes, as defined in paragraph 3, is possible in standard conditions of medical practice, outside clinical investigatory settings.

- (c) in accordance with accepted medical standards in the community at the time;
- (d) not for Your convenience; and

IV. PREMIUM RATES AND PROVISIONS

[The [monthly] premium rates, in U.S. dollars, for the insurance provided under this Policy are [shown in the Policy's Schedule of Premium Rates]]:

For Single Coverage	[\$]
For Parent and Child(ren) Coverage	[\$]
For Family Coverage	[\$]
For Husband and Wife Coverage	[\$]

We have the right to change any Premium rate set forth [above] [in the Policy's Schedule of Premium Rates] at the times and in the manner established by the provision of this Policy entitled "Premium Rate Changes."

PREMIUM AMOUNTS

The Premium due on each Premium Due Date is the sum of the Premium charges for the coverage You have. Those charges are determined from the Premium rates then in effect.

The following will apply if one or more Premiums paid include Premium charges for a Covered Person whose coverage has ended before the due date of that Premium. We will not have to refund more than the amount of (a) minus (b):

- (a) the amounts of the Premium charges for the Covered Person that was included in the Premiums paid for the two-month period immediately after the date the Covered Person's coverage has ended.

- (b) the amount of any claims paid to You or Your Provider for Your claims or to a Member of Your family after that person's coverage has ended.

PAYMENT OF PREMIUMS—GRACE PERIOD

Premiums are to be paid by You to Us. They are due on each Premium Due Date [stated on the first page of the Policy]. You may pay each Premium other than the first within 31 days of the Premium Due Date. Those days are known as the grace period. You are liable to pay Premiums to Us from the first day the Policy is in force. If any Premium is not paid by the end of the grace period, the Policy will end when that period ends. [Premiums accepted by Us after the end of the grace period are subject to a late payment interest charge determined as a percentage of the amount unpaid. That percentage will be Determined by Us from time to time, but will not be more than the maximum allowed by law.]

PREMIUM RATE CHANGES

The Premium rates in effect on the Effective Date are shown in the Policy's Schedule of Premium Rates]. We have the right to change Premium rates as of any of these dates:

- (a) any Premium Due Date;
- (b) any date that the extent or nature of the risk under the Policy is changed:
 - (1) by amendment of the Policy; or
 - (2) by reason of any provision of law or any government program or regulation;
- (c) at the discovery of a clerical error or misstatement as described in the "General Provisions" section of this Policy.

We will give You 30 days written notice when a change in the Premium rates is made.

V. BENEFIT DEDUCTIBLES AND COINSURANCE

Cash Deductible: Each Benefit Period, You must have Covered Charges that exceed the Deductible before We pay any benefits to You for those charges. For Inpatient Hospital services and supplies and Rehabilitation Center services and supplies not immediately preceded by an Inpatient Hospital stay You must pay one Inpatient Deductible per Period of Confinement before We pay any benefits. For other Covered Charges, each Benefit Period, You must have Covered Charges that exceed the Deductible before We pay any benefits to You for those charges. The Deductibles are shown in the "Schedule of Benefits" section of this Policy. The Deductibles cannot be met with Non-Covered Expenses. Only Covered Charges incurred by You while insured can be used to meet the Deductible for those charges.

Once a Deductible is met, We pay benefits for other Covered Charges above the Deductible amount incurred by You, less any applicable Coinsurance and Copayments, for the rest of that Benefit Period. However, a Covered Person must satisfy two Inpatient Deductibles per Benefit Period. And all charges must be incurred while You are insured by this Policy. What We pay is based on all the terms of this Policy including benefit limitations and exclusion provisions.

Family Deductible Cap: This Policy has a family aggregate deductible cap on care equal to two Deductibles for each Benefit Period. This does not apply to the Inpatient Hospital Deductible. Once a family meets the equivalent of two individual Deductibles in a Benefit Period, We Pay benefits for other Covered Charges incurred by any member of the covered family for that type of care, less any applicable Copayment and Coinsurance, for the rest of that Benefit Period. The amount of Covered Charges applied toward the satisfaction of the family deductible cap by any one Covered Person may not exceed the amount of the Individual Cash Deductible. What We pay is based on all the terms of this Policy, including benefit limitation and exclusion provisions.

Coinsurance Cap: This Policy limits the Facility Coinsurance amounts You must pay each Benefit Period. The Coinsurance cap cannot be met with Non-Covered Expenses.

There is a Coinsurance cap for each Covered Person. The Coinsurance cap is shown in the "Schedule of Benefits."

Each Covered Person's Coinsurance amounts are used to meet the Covered Person's own Coinsurance cap. And all amounts used to meet the cap must actually be paid by You.

Once Your Coinsurance amounts in a Benefit Period exceed the individual cap, We waive Your Coinsurance for the rest of that Benefit Period for the Facility benefit. But We do not provide benefits for more than 30 Inpatient Hospital days per Benefit Period.

Deductible Credit: For the first Benefit Period of this Policy, a Covered Person will receive credit for any Deductible amounts satisfied under previous coverage within the same calendar year that Your first Benefit Period starts under this Policy, provided that there has been no lapse in coverage between the previous coverage and this Policy.

This credit will be applied whether Your previous coverage was under a plan with Us or with another carrier. You will be required to provide Us with adequate documentation of the amounts satisfied.

Deductible Carryover: There will be no carryover of Deductibles or Coinsurance into the next Benefit Period. However, a Covered Person will receive credit for any Inpatient Hospital Deductible satisfied during a Period of

Confinement immediately preceding or continuing into a new Benefit Period.

Payment Limits: We limit what We pay for certain types of charges.

VI. COVERED CHARGES

We will pay benefits if, due to an Accidental Injury or Illness, You incur Medically Necessary and Appropriate Covered Charges during a Benefit Period. Unless stated, all benefits are subject to Copayment, Deductible, Coinsurance, other limits and exclusions shown in the "Schedule of Benefits", along with other provisions in this Policy.

OUR PAYMENT WILL BE REDUCED IF YOU DO NOT COMPLY WITH THE "UTILIZATION REVIEW" SECTION OF THIS POLICY.

This section lists the types of charges We cover. But what We pay is subject to all the terms of this Policy. Read the entire Policy to find out what We limit or exclude.

Anesthesia Services: We cover the charges incurred for the administration of anesthesia by a Practitioner other than the surgeon or assistant at Surgery.

Benefits for a Covered Newborn Dependent: We cover the care and treatment of a covered newborn if the Child is Ill, Accidentally Injured, premature, or born with a congenital birth defect.

And We cover charges for the Child's Routine Nursery Care while the Child is in the Hospital. This includes: (a) nursery charges; (b) charges for routine Practitioner's examinations and tests; and (c) charges for routine procedures, like circumcision.

Birthing Center Charges: We cover Birthing Center charges made for prenatal care, delivery, and postpartum care in connection with Your pregnancy. We cover Reasonable and Customary charges and Routine Nursing Care shown in the "Schedule of Benefits" when Inpatient care is provided to You by a Birthing Center.

We cover all other services and supplies during the confinement. But, We do not cover routine nursery charges for the newborn Child unless the Child is a Dependent.

Blood: We cover Inpatient blood transfusions only.

Daily Room and Board Limits During a Period of Hospital Confinement:

For semi-private room and board accommodations, We cover charges up to the Hospital's actual daily room and board charge.

For private room and board accommodations, We cover charges up to the Hospital's average daily semi-private room

and board charge or, if the Hospital does not have semi-private accommodations, 80% of its lowest daily room and board charge.

For Special Care Units, We cover charges up to the Hospital's actual daily room and board charge for the Special Care Unit.

Home Health Care Charges: Subject to Our advance written approval, when home health care can take the place of Inpatient care, We cover such care furnished to You under a written home health care plan on the basis of two home health care days in exchange for each Inpatient Hospital day relinquished. We cover all services or supplies, such as:

- (a) Skilled Nursing Care furnished by or under the supervision of a registered Nurse;
- (b) Therapy Services;
- (c) medical social work;
- (d) nutrition services;
- (e) home health aide services;
- (f) medical appliances and equipment, drugs and medications, laboratory services and special meals.
- (g) any Diagnostic or therapeutic service, including surgical services performed in a Hospital Outpatient department, a Practitioner's office or any other licensed health care Facility, provided such service would have been covered under the Policy if performed as Inpatient Hospital services. But, payment is subject to all of the terms of the Policy and to the following conditions:
 1. Your Practitioner must certify that home health care is needed in place of Inpatient care in a recognized Facility.
 2. The services and supplies must be:
 - ordered by Your Practitioner;
 - included in the home health care plan; and
 - furnished by, or coordinated by, a Home Health Agency according to the written home health care plan.

But, payment is subject to all of the terms of this Policy and to the following conditions:

- (a) Your Practitioner must certify that home health care is needed in place of Inpatient care in a **recognized Facility**;
- (b) the services and supplies must be: (a) ordered by Your Practitioner; (b) included in the home health care plan; and (c) furnished by, or coordinated by, a Home Health Agency according to the written home health care plan. The services and supplies must be furnished by recognized health care professionals on a part-time or intermittent basis, except when full-time or 24-hour service is needed on a short-term basis;

- (c) the home health care plan must be set up in writing by your Practitioner within 14 days after home health care starts;
- (d) each visit by a home health aide, Nurse, or other recognized Provider whose services are authorized under the home health care plan can last up to four hours.

We do not pay for: (a) services furnished to family members, other than the patient; or (b) services and supplies not included in the home health care plan.

Hospice Care Charges: Subject to Our advance written approval, We cover charges made by a Hospice for palliative and supportive care furnished to You if You are terminally Ill under a Hospice care program. Additionally, We cover charges for counseling provided to any family members who are also Covered Persons when that counseling is for the sole purpose of adjusting to the terminally Ill Covered Person's death.

"Palliative and supportive care" means care and support aimed mainly at lessening or controlling pain or symptoms; it makes no attempt to cure Your terminal illness.

"Terminally Ill" means that your Practitioner has certified in writing that Your life expectancy is six months or less.

Hospice care must be furnished according to a written hospice care program. A "hospice care program" is a coordinated program for meeting Your special needs if You are terminally Ill. It must be set up in writing and reviewed periodically by Your Practitioner.

Under a Hospice care program, subject to all the terms of this Policy, We cover any services and supplies to the extent they are otherwise covered by this Policy on the basis of two Inpatient Hospice days in exchange for each Inpatient Hospital day relinquished. Services and supplies may be furnished on an Inpatient or Outpatient basis.

The services and supplies must be:

- (a) needed for palliative and supportive care;
- (b) ordered by Your Practitioner;
- (c) included in the Hospice care program; and
- (d) furnished or coordinated by a Hospice.

We do not pay for:

- (a) services and supplies provided by volunteers or others who do not regularly charge for their services;
- (b) funeral services and arrangements;
- (c) legal or financial counseling or services;
- (d) treatment not included in the Hospice care plan; or
- (e) services supplied to family members who are not Covered Persons.

Hospital Charges: We cover charges for Hospital semi-private room and board and Routine Nursing Care when it is provided to You by a Hospital on an Inpatient basis. But We limit what We pay as shown in the "Schedule of Benefits". And We cover other Hospital services and supplies provided to You during the Inpatient confinement, including Surgery. However, We do not cover specialist consultations in a Hospital.

If You incur charges as an Inpatient in a Special Care Unit, We cover the charges the same way We cover charges for any illness.

We also cover Outpatient Hospital services, including services provided by a Hospital Outpatient clinic.

We cover emergency room treatment only if such treatment subsequently results in Your admission to a Hospital.

Any charges in excess of the Hospital semi-private daily room and board limit are Non-Covered Expenses. This Policy contains penalties for noncompliance that will reduce what We pay for Hospital charges. See the section of this Policy called "Utilization Review" for details.

We also cover charges for a mother who is insured under this Policy and a newborn dependent for a minimum of 48 hours of in-patient care in a Hospital following a vaginal delivery or a minimum of 96 hours of in-patient Hospital care following a Cesarean Section delivery. These covered charges are not subject to the Medically Necessary and Appropriate requirements of this Policy. However, these charges are subject to either the attending Practitioner determining that in-patient care is medically necessary or the mother requesting the in-patient care.

Nutritional Counseling: Subject to Our advance written approval, We cover charges for nutritional counseling for management of disease entities which have a specific diagnostic criteria that can be verified. The nutritional counseling must be prescribed by a Practitioner, and provided by a Practitioner. Charges for Nutritional Counseling which are not Pre-approved by Us are Non-Covered Charges.

Outpatient Surgical Center Charges: We cover charges made by an Outpatient Surgical Center in connection with covered Surgery.

Pre-Admission Test Charges: We cover Pre-admission Testing needed for a planned Hospital admission or Surgery. We cover these tests if: (a) the tests are done within seven days of the planned admission or Surgery; and (b) the tests are accepted by the Hospital in place of the same post-admission tests.

We do not cover tests that are repeated after admission or before Surgery, unless the admission or Surgery is deferred solely due to a change in Your health.

Pregnancy: This Policy pays benefits for services in connection with pregnancies, including but not limited to: vaginal and cesarean delivery, and pre-natal and post-natal care. The charges We cover for a newborn Child are explained above.

Rehabilitation Center: Subject to our advance written approval, when rehabilitation care can take the place of Inpatient care in a Hospital, We cover such care furnished to You in a Rehabilitation Center on the basis of two Rehabilitation Center days in exchange for each Inpatient Hospital day relinquished. We will pay for two Rehabilitation Center days in exchange for each Inpatient Hospital day relinquished, per Benefit Period. And We cover other Rehabilitation Center services and supplies provided to You during the Inpatient confinement.

Second Opinion Charges: We cover Practitioner charges for a second opinion and charges for related x-rays and tests when You are advised to have Surgery or enter a Hospital. If the second opinion differs from the first, We cover charges for a third opinion. If You fail to obtain a second (or third) opinion when We require one, Your benefits will be reduced. See the section of this Policy called "Utilization Review" for details.

X-Rays and Laboratory Tests: We cover Inpatient and Outpatient x-rays and laboratory tests to treat an Illness or Accidental Injury. But, except as covered under the "Primary Care Services" section of this Policy, We do not pay for x-rays and tests done as part of routine physical checkups.

VII. CHARGES COVERED WITH SPECIAL LIMITATIONS

Pre-Existing Condition Limitations: We do not cover services for Pre-Existing Conditions until You have been covered by this Policy for twelve months. See the "Definitions" section of this Policy for the definition of a Pre-Existing Condition.

We waive this limitation for Your Pre-Existing Condition if, under a prior group or individual health benefits plan delivered or issued for delivery in the United States, with no more than 30 days lapse in coverage, You have been treated or diagnosed by a Practitioner for a condition under that plan or satisfied a 12 month Preexisting Condition limitation for a condition covered by that plan. Similarly, we will credit the time You were previously covered under a group or individual health benefits plan delivered or issued for delivery in the United States for a condition covered by that Plan, if the previous coverage was continuous to a date not more than 30 days prior to the effective date of this Policy.

This limitation does not affect benefits for other unrelated conditions, birth defects in a covered Dependent Child or complications of pregnancy as defined in N.J.A.C. 11:1-4.3. Additionally, this limitation does not apply to any new benefits mandated by statute or regulation once you have satisfied one Pre-Existing Condition Limitation through elapsed time, waiver and/or credit.

Primary Care Services: We will cover up to \$100 per Covered Person per Benefit Period, up to a maximum of \$300 per family per Benefit Period, for routine physical examinations, Diagnostic Services, vaccinations, inoculations, x-ray, mammography, pap smear, screening tests related to Primary Care Services and Nicotine Dependence Treatment. - (b) Peripheral blood stem cell transplants but only if performed by institutions approved by the National Cancer Institute or pursuant to protocols consistent with the guidelines of the American Society of Clinical Oncologists.]

****NOTE TO CARRIERS:** P.L. 1995 c.100 requires that Autologous Bone Marrow Transplants, associated dose-intensive chemotherapy and peripheral blood stem cell transplants coverage as set forth in the option which includes (a) and (b) be offered to New Jersey residents. You may offer the coverage by including this option in all of Your New Jersey Individual Health Coverage Plans (in which case you must use the above language) or you may offer the coverage as an optional rider utilizing Exhibit R to N.J.A.C. (in which case there will be no change).

Transplant services must be authorized by Us. Please see the section called "Utilization Review" for details on how to confirm that Your transplant will be a Covered Charge.]

VIII. UTILIZATION REVIEW

THE DECISIONS MADE BY OUR REPRESENTATIVE(S) IN THIS UTILIZATION REVIEW PROGRAM ARE INTENDED ONLY TO DETERMINE THE EXTENT OF REIMBURSEMENT FOR A SERVICE.

OUR PAYMENT WILL BE REDUCED FOR NONCOMPLIANCE WITH THE PROVISIONS SET FORTH IN THIS SECTION.

- A. IF YOU OR YOUR PRACTITIONER DO NOT REQUEST OUR AUTHORIZATION, OR IF WE ASK YOU TO OBTAIN A SECOND AND/OR THIRD OPINION FOR PERFORMANCE OF A SURGICAL PROCEDURE OR HOSPITAL ADMISSION, AND YOU EITHER DO NOT OBTAIN SUCH OPINION(S), OR YOU DO NOT OBTAIN ONE CONFIRMING OPINION FROM EITHER THE SECOND OR THIRD OPINION, WE WILL REDUCE ANY PAYMENT WE MAKE BY 50% PROVIDED WE DETERMINE THE HOSPITAL ADMISSION, PROCEDURE, SERVICE OR SUPPLIES WERE MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.**
- B. IF YOU OBTAIN A SECOND AND THIRD OPINION FOR PERFORMANCE OF A SURGICAL PROCEDURE OR HOSPITAL ADMISSION, AND NEITHER OF THE OPINIONS CONFIRM THE NEED FOR THE PROCEDURE OR HOSPITALIZATION AND YOU PROCEED WITH THE PROCEDURE OR HOSPITALIZATION, WE WILL NOT PAY FOR THE PROCEDURE OR HOSPITALIZATION NOR ANY ASSOCIATED PRACTITIONER (INCLUDING FACILITY) CHARGES.**

C. NO REDUCTION IN BENEFITS OR PAYMENT WILL BE APPLIED PURSUANT TO THIS SECTION IF, FOLLOWING AN INITIAL DETERMINATION BY US THAT WE WILL NOT AUTHORIZE A HOSPITAL ADMISSION OR PROCEDURE, SERVICES OR SUPPLIES, YOU REQUEST RECONSIDERATION OF OUR DECISION AND WE SUBSEQUENTLY DETERMINE THAT THE HOSPITAL ADMISSION OR PROCEDURE, SERVICES OR SUPPLIES WERE MEDICALLY NECESSARY AND APPROPRIATE IN SUCH AN EVENT, WE WILL MAKE PAYMENT AS OTHERWISE PROVIDED IN THIS POLICY.

YOU WILL BE RESPONSIBLE FOR PAYING TO THE PROVIDER THE AMOUNT OF ANY REDUCTION OF BENEFITS (IN ADDITION TO ANY OTHER PAYMENTS YOU ARE REQUIRED TO MAKE UNDER THIS POLICY.)

The maximum reduction of benefits under this provision for failure to comply with any of the requirements set forth will be 50% unless we determine that the hospital admission, procedure, service or supply were not Medically Necessary and Appropriate.

Any reduction of benefits under this provision is subject to Your rights under the "Claims Appeal" section of the "Claims Procedure" provision of this Policy.

STEP 1—Request For Care Preapproval

If Your Practitioner recommends that You (a) be admitted, for any reason, as an Inpatient; or (b) undergo any of the Surgical procedures or receive other services or supplies listed below, You must first obtain Our authorization to Determine whether We agree that the hospitalization, procedures or other services and supplies are Medically Necessary and Appropriate.

Failure to notify Us of the procedures, services or supplies as provided in Step 2 below, will not affect Our payment if We Determine that notice was given to Us as soon as was reasonably possible.

In some instances, before We authorize a hospitalization or the performance of a surgical procedure listed, We may require a second and/or third opinion. See "Step 3" and "Step 4" below.

Our authorization is valid for 30 days. If the hospitalization, procedure, service or use of the supply does not occur as planned, You or Your Practitioner must contact Us to renew the authorization. If the authorization is not renewed, We will consider the hospitalization, procedure, service or supply as not authorized.

If You or Your Practitioner obtain Our authorization for one of the listed procedures, We, in consultation with Your Practitioner, will authorize the appropriate setting (Inpatient or Outpatient) for the proposed procedure. If We approve an Inpatient admission, You or Your Practitioner may proceed with the admission and Our Payment will not be affected. **IF WE DO NOT AUTHORIZE AN INPATIENT ADMISSION AND YOU PROCEED WITH THAT ADMISSION, ANY PAYMENT FOR FACILITY CHARGES WILL BE REDUCED BY 50%.** However, no reduction will apply if, following an initial Determination by Us that We will not authorize an in-patient admission, You request reconsideration of Our Determination and We subsequently Determine the in-patient admission to have been Medically Necessary and Appropriate, we will make payment as otherwise provided in this policy.

If We are notified within the required time and We Determine that the procedures, services or supplies are Medically Necessary and Appropriate, Our Payment will not be affected. **IF WE ARE NOT NOTIFIED WITHIN THE TIME SPECIFIED, WE WILL REDUCE ANY PAYMENT BY 50%.**

- (a) For **Non-Medical Emergency** hospitalizations, procedures, services or supplies listed above, You or Your Practitioner must **contact Us at least 3 days prior to admission, treatment or purchase** to obtain Our authorization. We will provide You or Your Practitioner with Our Determination within those 3 days. However, for **maternity care**, You or Your Practitioner must contact Us **within the first 12 weeks of medical confirmation** of a pregnancy. We will send You or Your Practitioner Our acknowledgement of the pregnancy within 7 days.
- (b) For **Medical Emergency** hospitalizations, procedures, services or supplies You or Your Practitioner must contact Us **within 48 hours or on the next business day (whichever is later)**, from the commencement of hospitalization, treatment, or use of supplies, whichever is later, to obtain Our authorization. - (c) For **Continued Confinement** as an Inpatient beyond the time authorized, You or Your Practitioner must contact us **at least 1 full day, i.e. 24 hours, prior to the preapproved discharge date**, for additional authorization. We will provide You or Your Practitioner with Our Determination within those 24 hours.

In the event We are not able to provide You or Your Practitioner with a Determination within the time frames stated, We will tell You and Your Practitioner before the mid-point of the time stated, **or the next business day, whichever is later**, as well as put in writing to You, what specific information is needed to make that Determination. **In the event We do not respond to You or Your Practitioner within these time frames, We will not apply the 50% reduction of benefits as allowed by this Utilization Review section to Covered Charges incurred between the time You or Your Practitioner notify Us and We respond to You.**

In the event We do not authorize the hospitalization, procedure, service or supplies, We will send You a written statement within 7 days, explaining the specific reasons for denial of the authorization. Any such denial of Our authorization is subject to Your rights under the "Claims Appeal" section of the "Claims Procedure" provision of this Policy.

Failure to notify Us of the procedures, services or supplies listed above will not affect Our payment if We Determine that notice was given to Us as soon as was reasonably possible.

No reduction in benefits or payment will be applied pursuant to this section if, following an initial Determination by Us that We will not authorize a hospital admission or procedure, services or supplies, You request reconsideration of Our Determination and We subsequently Determine that the hospital admission or procedure, services or supplies are Medically Necessary and Appropriate. In such an event, We will make payment as otherwise provided in this policy.

STEP 3—Obtaining a Second Opinion

You may always obtain a second opinion when You are advised to have Surgery or be hospitalized. We may require that You obtain a second opinion if We Determine that it is necessary in order for Us to authorize a surgical procedure or hospital admission. If We Determine that a second opinion is necessary, We may arrange for the second opinion consultation. Regardless of whether the second opinion is at Our request or Yours, We will pay for the consultation and for any Diagnostic Services and Pre-Admission Testing necessary for the second opinion, subject to all Policy limitations and exclusions.

If the second opinion confirms the need for a surgical procedure, We, in consultation with Your Practitioner, will authorize the appropriate setting (Inpatient or Outpatient) for the proposed procedure. If We approve an Inpatient admission, You or Your Practitioner may proceed with the admission and Our payment will not be affected.

IF YOU DO NOT OBTAIN A SECOND OPINION WHICH WE ASK YOU TO OBTAIN FOR AN INPATIENT ADMISSION OR PERFORMANCE OF THE PROCEDURE AND IF YOU PROCEED WITH THAT ADMISSION AND/OR PERFORMANCE OF THE PROCEDURE, ANY PAYMENT FOR FACILITY CHARGES AND/OR PERFORMANCE OF THE PROCEDURE WILL BE REDUCED BY 50% PROVIDED WE DETERMINE THE HOSPITALIZATION OR PERFORMANCE OF THE SURGICAL PROCEDURE WAS MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE SURGICAL PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.

A confirming second opinion is valid for 90 days. If You do not undergo the surgical procedure or become hospitalized within that time, You or Your Practitioner must notify Us and renew the confirming opinion prior to the hospital admission or the procedure being performed. If the confirming opinion is not renewed, We may consider the confirming opinion not authorized.

If the second opinion does not confirm the need for the surgical procedure or hospital admission, You may obtain or We may require You obtain a third opinion.

STEP 4—Obtaining a Third Opinion

If you obtained a second opinion and it did not confirm the need for the surgical procedure or hospital admission, You may obtain or We may require You to obtain a third opinion. Regardless of whether the third opinion is at Our request or Yours, We will pay for the consultation and for any Diagnostic Services and Pre-Admission Testing necessary for the third opinion, subject to all Policy limitations and exclusions.

IF NEITHER THE SECOND NOR THIRD OPINIONS CONFIRM THE NEED FOR THE SURGICAL PROCEDURE OR HOSPITAL ADMISSION AND YOU PROCEED WITH THE PROCEDURE OR HOSPITALIZATION, WE WILL NOT PAY FOR THE PROCEDURE OR HOSPITALIZATION NOR ANY ASSOCIATED PRACTITIONER (INCLUDING FACILITY) CHARGES.

IF YOU DO NOT OBTAIN A THIRD OPINION WHICH WE HAVE ASKED YOU TO OBTAIN, OUR PAYMENT FOR THE PROCEDURE OR HOSPITALIZATION WILL BE REDUCED BY 50% PROVIDED WE DETERMINE THE PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.

A confirming third opinion is valid for 90 days. If you do not undergo the procedure or become hospitalized within that time, You or Your Practitioner must notify Us and renew the confirming opinion prior to the procedure being performed or the hospitalization. If the confirming opinion is not renewed, We may consider the confirming opinion not authorized.

IX. ALTERNATE TREATMENT

You or Your Provider must send Us written notice of a claim. This notice should include Your name and Policy number. If the claim is being made for one of Your covered Dependents, the Dependent's name should also be noted. A separate claim form is needed for each claim submitted.

Proof of Loss: We will furnish you with forms for filing a proof of loss within 15 days of receipt of notice. But if We do not furnish the forms on time, We will accept a written description and adequate documentation of the Accidental Injury or Illness that is the basis of the claim as proof, including an itemized bill with patient identification, diagnosis, Provider name and license number, type of service and amount of charge for service. You or Your Provider must detail the nature and extent of the claim being made. You or Your Provider must send Us written proof of loss within 90 days of the Covered Charge being incurred.

Late Notice of Proof: We will not void or reduce a claim if You cannot send Us notice and proof of loss immediately. But You or Your Provider must send Us notice and proof as soon as reasonably possible, but in no event later than one year following the date the proof of loss was otherwise required.

Payment of Benefits: We will pay all benefits to which You and Your Dependents are entitled as soon as We receive due written proof of loss.

We pay all benefits to Your Provider or You, if You are living. If You are not living, We have the right to pay benefits to one or more of the following: (a) Your beneficiary; (b) Your estate; (c) Your spouse; (d) Your Parents; (e) Your Children; (f) Your brothers and sisters; and (g) any unpaid Provider of health care services.

Claims Appeal: If We decline Your claim in whole or in part, We will send You an explanation of benefits in writing. We will give You a written decision within 60 days after We receive Your request for review. That written decision will indicate the reasons for the decision and refer to the Policy provision(s) on which it was based.

In special circumstances, We may Determine that additional time is necessary to make a decision. We will let You know if this happens but it will never be more than 120 days from the date after We receive Your request for review.

Limitations of Actions: You cannot bring a legal action against this Policy until 60 days from the date You file proof of loss. And You cannot bring legal action against this Policy after three years from the date You file proof of loss.

XII. [XIII.] RIGHT TO RECOVERY— THIRD PARTY LIABILITY

“Reasonable pro-rata Expenses” are those costs such as lawyers fees and court costs, incurred to effect a third party payment, expressed as a percentage of such payment.

“Third Party” means anyone other than Us or a Covered Person.

If a Covered Person makes a claim to Us for benefits under this Policy prior to receiving payment from a Third Party or its insurer, the Covered Person must agree, in writing, to repay Us from any amount of money they receive from the Third Party, or its insurer for an Illness or Accidental Injury.

We will only require such payment when the amounts received through such settlement, judgment or otherwise, are specifically identified as amounts paid for health benefits for which We paid benefits and these amounts were not otherwise deducted from an award, judgement or settlement in a civil action, brought in a court of this State, pursuant to N.J.S.A. 2A:15-97.

The repayment will be equal to the amount of benefits paid by Us. However, the Covered Person may deduct the reasonable pro-rata expenses, incurred in effecting the third party payment from the repayment to Us.

We shall require the return of health benefits paid for an Illness or Accidental Injury, up to the amount a Covered Person receives for that Illness or Accidental Injury through:

- a. a Third Party settlement;
- b. a satisfied judgment; or
- c. other means.

The repayment agreement shall be binding upon the Covered Person whether:

- a. the payment received from the Third Party, or its insurer, is the result of a legal judgment, an arbitration award, a compromise settlement, or any other arrangement, or
- b. the Third Party, or its insurer, has admitted liability for the payment.

We will not pay any benefits under this Policy to or on behalf of a Covered Person, who has received payment from a Third Party, or its insurer for past or future charges for an Illness or Accidental Injury, resulting from the negligence, intentional act, or no-fault tort liability of a Third Party.

This provision shall not be construed or applied so as to require the return of any benefits properly paid by an insurer or entity other than Us where the payment of those benefits was made pursuant to some other applicable State or Federal law and that other law precludes repayment.

XIII. [XIV.] GENERAL PROVISIONS THE POLICY

The entire Policy consists of:

- (a) the forms shown in the Table of Contents as of the Effective Date;
- (b) the Policyholder's application, a copy of which is attached to the Policy;

- (c) any riders, endorsements or amendments to the Policy; and
- (d) the individual applications, if any, of all Covered Persons.

STATEMENTS

No statement will void the insurance, or be used in defense of a claim under this Policy, unless it is contained in a writing signed by You, and We furnish a copy to You or Your beneficiary.

All statements will be deemed representations and not warranties.

INCONTESTABILITY OF THE POLICY

There will be no contest of the validity of the Policy, except for not paying premiums, after it has been in force for two years.

No statement in any application, except a fraudulent statement, made by You shall be used in contesting the validity of Your insurance or in denying a claim for a loss incurred after such insurance has been in force for two years during Your lifetime.

AMENDMENT

The Policy may be amended, at any time, without Your consent or that of anyone else with a beneficial interest in it. The Policyholder may change the type of coverage under this Policy at any time by notifying Us in writing.

We may make amendments to the Policy upon 30 days' notice to the Policyholder, and as provided in (b) and (c) below. An amendment will not affect benefits for a service or supply furnished before the date of change; and no change to the benefits under this Policy will be made without the approval of the Board.

Only an officer of [Carrier] has authority: to waive any conditions or restrictions of the Policy, to extend the time in which a Premium may be paid, to make or change a Policy, or to bind Us by a promise or representation or by information given or received.

No change in the Policy is valid unless the change is shown in one of the following ways:

- (a) it is shown in an endorsement on it signed by an officer of [Carrier].
- (b) if a change has been automatically made to satisfy the requirements of any state or federal law that applies to the Policy, as provided in the section of this Policy called "Conformity With Law," it is shown in an amendment to it that is signed by an officer of [Carrier].

- (c) if a change is required by [Carrier], it is accepted by the Policyholder, as evidenced by payment of a Premium on or after the effective date of such change.
- (d) if a written request for a change is made by the Policyholder, it is shown in an amendment to it signed by the Policyholder and by an officer of [Carrier].

CLERICAL ERROR—MISSTATEMENTS

No clerical error by Us in keeping any records pertaining to coverage under this Policy will reduce Your coverage. Neither will delays in making those records reduce it. However, if We discover such an error or delay, a fair adjustment of Premiums will be made.

Premium adjustments that involve returning an unearned premium to You will be limited to the twelve-month period before We received satisfactory evidence that such adjustment should be made.

If You misstate Your age or any other relevant fact and the Premium is affected, a fair adjustment of Premiums will be made. If such misstatement affects the amount of coverage, the true facts will be used in Determining what coverage is in force under this Policy.

TERMINATION OF THE POLICY—RENEWAL PRIVILEGE

During or at End of Grace Period—Failure to Pay Premiums: If any Premium is not paid by the end of its grace period, the Policy will end when that period ends. **However,** You may write to Us, in advance, to ask that the Policy be terminated at the end of any period for which Premiums have been paid. Then the Policy will end on the date requested.

This Policy will be renewed automatically each year on the Anniversary Date, unless coverage is terminated on or before the Anniversary Date due to one of the following circumstances:

- (a) nonpayment of Premiums;
- (b) fraud or misrepresentation by You or Your Dependents;
- (c) termination of Your eligibility or, with respect to Your Dependent, Your Dependent's eligibility;
- (d) You become eligible either for Medicare, Medicaid or the date You first become eligible to participate in a Group Health Benefits Plan;
- (e) You become covered under another individual health benefits plan;
- (f) non-renewal as authorized by the Board.

Immediate cancellation will occur if You commit fraudulent acts or make misrepresentations with respect to coverage of You and Your Dependents.

TERMINATION OF DEPENDENT COVERAGE

If You fail to pay the cost of Dependent coverage, Your Dependent coverage will end. It will end on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

A Dependent's coverage ends when the Dependent is no longer eligible. This happens to a Dependent at 12:01 a.m. on the date the Dependent loses eligibility.

Also, Dependent coverage ends when the Policyholder's coverage ends.

Read this Policy carefully if Dependent coverage ends for any reason. Dependents may have the right to continue certain benefits for a limited time.

OFFSET

We reserve the right, before paying benefits to You, to use the amount of payment due to offset any unpaid Premiums or a claims payment previously made in error.

CONTINUING RIGHTS

Our failure to apply terms or conditions does not mean that We waive or give up any future rights under this Policy.

OTHER RIGHTS

This Policy is intended to pay benefits for Covered Charges in cash or in kind. It is not intended to provide services or supplies themselves, which may, or may not, be available.

We are only required to provide benefits to the extent stated in this Policy, its riders and attachments. We have no other liability.

Services and supplies are to be provided in the most cost-effective manner practicable as Determined by Us.

We reserve the right to use Our subsidiaries or appropriate employees or companies in administering this Policy.

We reserve the right to modify or replace an erroneously issued Policy.

We reserve the right to reasonably require that You be examined by a Practitioner of Our choice and at Our expense while Your claim is pending.

We reserve the right to obtain, at Our expense, an autopsy to determine the cause of Your death if that would affect Your claim for benefits.

Information in Your application may not be used by Us to void this Policy or in any legal action unless the application

or a duplicate of it is attached to this Policy or has been furnished to You for attachment to this Policy.

ASSIGNMENT

No assignment or transfer by You of any of Your interest under this Policy is valid unless We consent thereto. However, We may, in Our Discretion, pay a Provider directly for services rendered to You.

[IN-NETWORK AND OUT-OF-NETWORK PROVIDER REIMBURSEMENT

Payment amounts, as specified in the "Schedule of Benefits", apply to Covered Charges incurred for services rendered or supplies provided by an eligible Provider.

An In-Network Provider will generally accept Our Allowance plus any Deductible, Coinsurance and Copayment You are required to make as payment in full for services rendered or supplies provided.

Our Allowance for Covered Charges for treatment rendered by An Out-of-Network Provider may be different than our In-Network Provider Allowance; also, a Out-of-Network Provider may bill You for the difference between Our Allowance and the Provider's actual charge.

In no event will Our payment be more than the Provider's actual charge.]

LIMITATION OF ACTIONS

No action at law or in equity shall be brought to recover on the Policy until 60 days after You file written proof of loss. No such action shall be brought more than three years after the end of the time within which proof of loss is required.

NOTICES AND OTHER INFORMATION

Any notices, documents, or other information under the Policy may be sent by United States Mail, postage prepaid, addressed as follows:

If to Us: To Our last address on record.

If to You: To the last address provided by the Covered Person on an enrollment or change of address form actually delivered to Us.

RECORDS—INFORMATION TO BE FURNISHED

We will keep a record of Your benefits. It will contain key facts about Your coverage.

We will not have to perform any duty that depends on data before it is received from You in a form that satisfies Us. You may correct wrong data given to Us, if We have not been harmed by acting on it.

You must notify Us immediately of any event, including a change in eligibility, that may cause the termination of Your Coverage.

RELEASE OF RECORDS

By applying for benefits, You agree to allow all Providers to give Us needed information about the services and supplies they provide. We keep this information confidential. If a Provider requires special authorization for release of records, You agree to provide this authorization. Your failure to provide authorization or requested information will result in the declination of Your claim.

As Determined by Us, We may use appropriate non-employees, subsidiaries, or companies to conduct confidential medical record review for Our purposes.

[POLICYHOLDER/PROVIDER RELATIONSHIP

We are not Providers as defined in this Policy. We supply services in connection with conducting the business of insurance. This means We make Payment for Covered Charges incurred by persons eligible for benefits under this Policy.

We are not liable for any act or omission of any Provider nor any injury caused by a Provider's negligence, misfeasance, malfeasance, nonfeasance or malpractice.

We are not responsible for a Provider's failure or refusal to render services or provide supplies to persons eligible for benefits under this Policy.]

CONTINUATION OF COVERAGE

If You die while this Policy is in force for You, Your Spouse and Dependents, Your Spouse and Dependents may continue coverage under this Policy for 180 days from Your date of death, provided that Your Spouse and Dependents elect to so continue within 31 days of Your date of death and subject to: (a) payment of the Premium when due; and (b) the Policy provisions for termination of Spouse and Dependents' coverage for reasons other than Your death.

CONVERSION PRIVILEGE

If Your Spouse loses coverage due to a divorce, Your Spouse may apply for Your Spouse's own individual health benefits plan. An application must be made within 31 days of the occurrence of the divorce.

If Your Spouse applies for the new coverage within 31 days of the divorce and meets Our Underwriting Requirements, the effective date of the new coverage shall be the day following the date the Spouse's coverage under this Policy ended. Any Pre-existing Condition limitation or other limitation not satisfied by the Spouse under this Policy will apply under the new coverage to the extent it remains unsatisfied.

DETERMINATION OF SERVICES

If the nature or extent of a given service must be determined, this Determination is entirely up to Us.

PAYMENT AND CONDITIONS OF PAYMENT

For eligible services from an eligible Facility or Practitioner, We will Determine to pay either You or the Facility or Practitioner.

Payment for all other Covered Charges will be made directly to You unless, before submission of each claim, You request in writing that Payment be made directly to the Provider and We agree to do this.

Except as provided above, in the event of Your death or total incapacity, any Payment or refund due will be made to Your heirs, beneficiaries, or trustees.

If We make Payments to anyone who is not entitled to them under this Policy, We have the right to recover these Payments from that individual or entity or You.

PRIMARY RESIDENCE REQUIREMENT

In order to obtain and continue health care coverage with Us, Your Primary Residence must be in New Jersey. We reserve the right to require proof of Your Primary Residence.

We will cancel this Policy if You move Your Primary Residence outside of the State. We will give You at least 30 days' written notice of the cancellation.

SERVICES FOR AUTOMOBILE RELATED INJURIES

When You are the named insured under a motor vehicle insurance Policy, You have two options under the terms of Your motor vehicle insurance Policy. The option You select will also determine coverage of any family member covered under that Policy who is not a separate named insured under another motor vehicle policy.

- (a) You may choose to have primary coverage for such services covered under Your motor vehicle insurance Policy (the Personal Injury Protection or compulsory Medical Payment provisions of a New Jersey motor vehicle insurance Policy or under similar provisions of a motor vehicle Policy required by any other federal or state no-fault motor vehicle insurance law).

If You choose this option, We will provide secondary coverage in accordance with regulations issued by the Department of Insurance.

- (b) You may choose to have primary coverage for such services provided by this Policy.

If You choose this option, We will provide benefits for any Covered Charges incurred for the diagnosis or treatment of an Accidental Injury or Illness resulting from a motor vehicle accident. However, these benefits are subject to the terms, conditions, and limits set forth in this Policy.

In addition, the motor vehicle insurance policy may provide for secondary benefits in accordance with regulations issued by the Department of Insurance.

If there is a dispute as to primacy between the motor vehicle insurance policy and this Policy, this Policy will be primary.

This order of benefit determination does not apply if You are enrolled in a government health benefit program which provides that it is always secondary, or otherwise will not be a primary provider of benefits for motor vehicle injuries.

CONFORMITY WITH LAW

If the provisions of the Policy do not conform to the requirements of any state or federal law that applies to the Policy, the Policy is automatically changed to conform with [Carrier's] interpretation of the requirements of that law, as approved by the Board.

GOVERNING LAW

This entire Policy is governed by the laws of the State of New Jersey.

Also, any child over whom You have legal custody or legal guardianship is considered a Child under this Policy. EXPERIMENTAL or INVESTIGATIONAL.

Services or supplies, including treatments, procedures, hospitalizations, drugs, biological products or medical devices, which We Determine are:

- (a) not of proven benefit for the particular diagnosis or treatment of Your particular condition; or
- (b) not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of Your particular condition; or
- (c) provided or performed in special settings for research purposes or under a controlled environment or clinical protocol.

Unless otherwise required by law with respect to drugs which have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration (FDA), We will not cover any services or supplies, including treatment, procedures, drugs, biological products or medical devices or any hospitalizations in connection with Experimental or Investigational services or supplies.

We will also not cover any technology or any hospitalization in connection with such technology if such technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of Your particular condition.

Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of Your particular condition as explained below.

We will apply the following five criteria in Determining whether services or supplies are Experimental or Investigational:

1. any medical device, drug, or biological product must have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug or biological product for another diagnosis or condition will require that one or more of the following established reference compendia:
 - The American Medical Association Drug Evaluations;
 - The American Hospital Formulary Service Drug Information; or
 - The United States Pharmacopeia Drug Information.

recognize the usage as appropriate medical treatment. As an alternative to such recognition in one or more of the compendia, the usage of the drug will be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests will not be considered Experimental or Investigational.

In any event, any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered Experimental or Investigational.

2. conclusive evidence from the published peer-reviewed medical literature must exist that the technology has a definite positive effect on health outcomes; such evidence must include well-designed investigations that have been reproduced by nonaffiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;
3. demonstrated evidence as reflected in the published peer-reviewed medical literature must exist that over time the technology leads to improvement in health outcomes, i.e., the beneficial effects outweigh any harmful effects;
4. proof as reflected in the published peer-reviewed medical literature must exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and
5. proof as reflected in the published peer-reviewed medical literature must exist that improvements in health outcomes, as defined in paragraph 3, is possible in standard conditions of medical practice, outside clinical investigatory settings.

- (d) not for Your convenience; and

We have the right to change any Premium rate set forth [above] [in the Policy's Schedule of Premium Rates] at the times and in the manner established by the provision of this Policy entitled "Premium Rate Changes."

PREMIUM AMOUNTS

The Premium due on each Premium Due Date is the sum of the Premium charges for the coverage You have. Those charges are determined from the Premium rates then in effect.

The following will apply if one or more Premiums paid include Premium charges for a Covered Person whose coverage has ended before the due date of that Premium. We will not have to refund more than the amount of (a) minus (b):

- (a) the amounts of the Premium charges for the Covered Person that was included in the Premiums paid for the two-month period immediately after the date the Covered Person's coverage has ended.

Once a Deductible is met, We pay benefits for other Covered Charges above the Deductible amount incurred by You, less any applicable Coinsurance and Copayments, for the rest of that Benefit Period. But all charges must be incurred while You are insured by this Policy. And what We pay is based on all the terms of this Policy including benefit limitations and exclusion provisions.

Family Deductible Cap: This Policy has a family deductible cap on care equal to two Deductibles for each Benefit Period. This does not apply to the Inpatient Hospital Deductible. Once a family meets the equivalent of two individual Deductibles in a Benefit Period, We Pay benefits for other Covered Charges incurred by any member of the covered family for that type of care, less any applicable Copayment and Coinsurance, for the rest of that Benefit Period. The amount of Covered Charges applied toward the satisfaction of the family deductible cap by any one Covered Person may not exceed the amount of the Individual Cash Deductible. What We pay is based on all the terms of this Policy, including benefit limitation and exclusion provisions.

Coinsurance Cap: This Policy limits the Coinsurance amounts You must pay each Benefit Period. The Coinsurance cap cannot be met with Non-Covered Expenses and Coinsurance for the treatment of Mental or Nervous Conditions and Substance Abuse.

There is a Coinsurance cap for each Covered Person. The Coinsurance cap is shown in the "Schedule of Benefits."

Each Covered Person's Coinsurance amounts are used to meet the Covered Person's own Coinsurance cap. And all amounts used to meet the cap must actually be paid by You.

Once Your Coinsurance amounts in a Benefit Period exceed the individual cap, We waive Your Coinsurance for the rest of that Benefit Period.

Deductible Credit: For the first Benefit Period of this Policy, a Covered Person will receive credit for any Deductible amounts satisfied under previous coverage within the same calendar year that Your first Benefit Period starts under this Policy.

This credit will be applied whether Your previous coverage was under a plan with Us or with another carrier. You will be required to provide Us with adequate documentation of the amounts satisfied.

Deductible Carryover: There will be no carryover of Deductibles or Coinsurance into the next Benefit Period. However, a Covered Person will receive credit for any Inpatient Hospital Deductible satisfied during a Period of Confinement immediately preceding and continuing into a new Benefit Period provided that there has been no lapse in coverage between the previous coverage and this Policy.

Payment Limits: We limit what We pay for certain types of charges.

VI. COVERED CHARGES

We will pay benefits if, due to an Accidental Injury or Illness, You incur Medically Necessary and Appropriate Covered Charges during a Benefit Period. Unless stated, all benefits are subject to Copayment, Deductibles, Coinsurance, other limits and exclusions shown in the "Schedule of Benefits", along with other provisions in this Policy.

Covered Charges for services and supplies rendered Inpatient are subject to the Inpatient Hospital Deductible.

 1. Your Practitioner must certify that home health care is needed in place of Inpatient care in a recognized Facility.
 2. The services and supplies must be:

Additionally, We cover charges for counseling provided to any family members who are also Covered Persons when that counseling is for the sole purpose of adjusting to the terminally Ill Covered Person's death.

"Palliative and supportive care" means care and support aimed mainly at lessening or controlling pain or symptoms; it makes no attempt to cure Your terminal Illness.

"Terminally Ill" means that Your Practitioner has certified in writing that Your life expectancy is six months or less.

Hospice care must be furnished according to a written hospice care program. A "hospice care program" is a coordinated program for meeting Your special needs if You are terminally Ill. It must be set up in writing and reviewed periodically by Your Practitioner.

Under a Hospice care program, subject to all the terms of this Policy, We cover any services and supplies to the extent they are otherwise covered by this Policy. Services and supplies may be furnished on an Inpatient or Outpatient basis.

These covered charges are not subject to the Medically Necessary and Appropriate requirements of this Policy. However, these charges are subject to either the attending Practitioner determining that in-patient care is medically necessary or the mother requesting the in-patient care.

VIII. UTILIZATION REVIEW

THE DECISIONS MADE BY OUR REPRESENTATIVE(S) IN THIS UTILIZATION REVIEW PROGRAM ARE INTENDED ONLY TO DETERMINE THE EXTENT OF REIMBURSEMENT FOR A SERVICE.

OUR PAYMENT WILL BE REDUCED FOR NONCOMPLIANCE WITH THE PROVISIONS SET FORTH IN THIS SECTION.

- A. IF YOU OR YOUR PRACTITIONER DO NOT REQUEST OUR AUTHORIZATION, OR IF, A SECOND AND/OR THIRD OPINION FOR PERFORMANCE OF A SURGICAL PROCEDURE OR HOSPITAL ADMISSION, AND YOU EITHER DO NOT OBTAIN SUCH OPINION(S), OR YOU DO NOT OBTAIN ONE CONFIRMING OPINION FROM EITHER THE SECOND OR THIRD OPINION, WE WILL REDUCE ANY PAYMENT WE MAKE BY 50% PROVIDED WE DETERMINE THE HOSPITAL ADMISSION, PROCEDURE, SERVICE OR SUPPLIES WERE MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.
- B. IF YOU OBTAIN A SECOND AND THIRD OPINION FOR PERFORMANCE OF A SURGICAL PROCEDURE OR HOSPITAL ADMISSION, AND NEITHER OF THE OPINIONS CONFIRM THE NEED FOR THE PROCEDURE OR HOSPITALIZATION AND YOU PROCEED WITH THE PROCEDURE OR HOSPITALIZATION, WE WILL NOT PAY FOR THE PROCEDURE OR HOSPITALIZATION NOR ANY ASSOCIATED PRACTITIONER (INCLUDING FACILITY) CHARGES.
- C. NO REDUCTION IN BENEFITS OR PAYMENT WILL BE APPLIED PURSUANT TO THIS SECTION IF, FOLLOWING AN INITIAL DETERMINATION BY US THAT WE WILL NOT AUTHORIZE A HOSPITAL ADMISSION OR PROCEDURE, SERVICES OR SUPPLIES, YOU REQUEST RECONSIDERATION OF OUR DECISION AND WE SUBSEQUENTLY DETERMINE THAT THE HOSPITAL ADMISSION OR PROCEDURE, SERVICES OR SUPPLIES WERE MEDICALLY NECESSARY AND APPROPRIATE IN SUCH AN EVENT, WE WILL

MAKE PAYMENT AS OTHERWISE PROVIDED IN THIS POLICY.

YOU WILL BE RESPONSIBLE FOR PAYING TO THE PROVIDER THE AMOUNT OF ANY REDUCTION OF BENEFITS (IN ADDITION TO ANY OTHER PAYMENTS YOU ARE REQUIRED TO MAKE UNDER THIS POLICY.)

The maximum reduction of benefits under this provision for failure to comply with any of the requirements set forth will be 50% unless we determine that the hospital admission, procedure, service or supply were not Medically Necessary and Appropriate.

Any reduction of benefits under this provision is subject to Your rights under the "Claims Appeal" section of the "Claims Procedure" provision of this Policy.

STEP 1-Request For Care Preapproval

If Your Practitioner recommends that You (a) be admitted, for any reason, as an Inpatient; or (b) undergo any of the Surgical procedures or receive other services or supplies listed below, You must first obtain Our authorization to Determine whether We agree that the hospitalization, procedures or other services and supplies are Medically Necessary and Appropriate.

Failure to notify Us of the procedures, services or supplies as provided in Step 2 below, will not affect Our payment if We Determine that notice was given to Us as soon as was reasonably possible.

In some instances, before We authorize a hospitalization or the performance of a surgical procedure listed, We may require a second and/or third opinion. See "Step 3" and "Step 4" below.

Our authorization is valid for 30 days. If the hospitalization, procedure, service or use of the supply does not occur as planned, You or Your Practitioner must contact Us to renew the authorization. If the authorization is not renewed, We will consider the hospitalization, procedure, service or supply as not authorized.

If You or Your Practitioner obtain Our authorization for one of the listed procedures, We, in consultation with Your Practitioner, will authorize the appropriate setting (Inpatient or Outpatient) for the proposed procedure. If We approve an Inpatient admission, You or Your Practitioner may proceed with the admission and Our Payment will not be affected. **IF WE DO NOT AUTHORIZE AN INPATIENT ADMISSION AND YOU PROCEED WITH THAT ADMISSION, ANY PAYMENT FOR FACILITY CHARGES WILL BE REDUCED BY 50%.** However, no reduction will apply if, following an initial Determination by Us that We will not authorize an in-patient admission, You request reconsideration of Our Determination and We Subsequently Determine the in-patient admission to have been Medically Necessary and Appropriate, we will make payment as otherwise provided in this policy.

STEP 2—Notice Requirements

If We are notified within the required time and We Determine that the procedures, services or supplies are Medically Necessary and Appropriate, Our Payment will not be affected. **IF WE ARE NOT NOTIFIED WITHIN THE TIME SPECIFIED, WE WILL REDUCE ANY PAYMENT BY 50%.**

- (a) For **Non-Medical Emergency** hospitalizations, procedures, services or supplies listed above, You or Your Practitioner must contact Us at least 3 days prior to admission, treatment or purchase to obtain Our authorization. We will provide You or Your Practitioner with Our Determination within those 3 days. However, for **maternity care**, You or Your Practitioner must contact Us within the first 12 weeks of medical confirmation of a pregnancy. We will send You or Your Practitioner Our acknowledgement of the pregnancy within 7 days.
- (b) For **Medical Emergency** hospitalizations, procedures, services or supplies You or Your Practitioner must contact Us within 48 hours or on the next business day (whichever is later), from the commencement of hospitalization, treatment, or use of supplies, whichever is later, to obtain Our authorization. We will provide You or Your Practitioner with Our Determination within 48 hours.
- (c) For **Continued Confinement** as an Inpatient beyond the time authorized, You or Your Provider must contact us at least 1 full day, i.e. 24 hours, prior to the preapproved discharge date, for additional authorization. We will provide You or Your Practitioner with Our Determination within those 24 hours.

In the event We are not able to provide You or Your Practitioner with a Determination within the time frames stated, We will tell You and Your Practitioner before the mid-point of the time stated, or the next business day, whichever is later, as well as put in writing to You, what

specific information is needed to make that Determination. In the event We do not respond to You or Your Practitioner within these time frames, We will not apply the 50% reduction of benefits as allowed by this Utilization Review section to Covered Charges incurred between the time You or Your Practitioner notify Us and We respond to You.

In the event We do not authorize the hospitalization, procedure, service or supplies, We will send You a written statement within 7 days, explaining the specific reasons for denial of the authorization. Any such denial of Our authorization is subject to Your rights under the "Claims Appeal" section of the "Claims Procedure" provision of this Policy.

Failure to notify Us of the procedures, services or supplies listed above will not affect Our payment if We Determine that notice was given to Us as soon as was reasonably possible.

No reduction in benefits or payment will be applied pursuant to this section if, following an initial Determination by Us that We will not authorize a hospital admission or procedure, services or supplies, You request reconsideration of Our Determination and We subsequently Determine that the hospital admission or procedure, services or supplies are Medically Necessary and Appropriate. In such an event, We will make payment as otherwise provided in this policy.

STEP 3—Obtaining a Second Opinion

You may always obtain a second opinion when You are advised to have Surgery or be hospitalized. We may require that You obtain a second opinion if We Determine that it is necessary in order for Us to authorize a surgical procedure or hospital admission. If We Determine that a second opinion is necessary, We may arrange for the second opinion consultation. Regardless of whether the second opinion is at Our request or Yours, We will pay for the consultation and for any Diagnostic Services and Pre-Admission Testing necessary for the second opinion, subject to all Policy limitations and exclusions.

If the second opinion confirms the need for a surgical procedure, We, in consultation with Your Practitioner, will authorize the appropriate setting (Inpatient or Outpatient) for the proposed procedure. If We approve an Inpatient admission, You or Your Practitioner may proceed with the admission and Our payment will not be affected.

IF YOU DO NOT OBTAIN A SECOND OPINION WHICH WE ASK YOU TO OBTAIN FOR AN INPATIENT ADMISSION OR PERFORMANCE OF THE PROCEDURE AND IF YOU PROCEED WITH THAT ADMISSION AND/OR PERFORMANCE OF THE PROCEDURE, ANY PAYMENT FOR FACILITY CHARGES AND/OR PERFORMANCE OF THE PROCEDURE WILL BE REDUCED BY 50% PROVIDED WE DETERMINE THE HOSPITALIZATION OR PERFORMANCE OF THE SUR-

GICAL PROCEDURE WAS MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE SURGICAL PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.

A confirming second opinion is valid for 90 days. If You do not undergo the surgical procedure or become hospitalized within that time, You or Your Practitioner must notify Us and renew the confirming opinion prior to the hospital admission or the procedure being performed. If the confirming opinion is not renewed, We may consider the confirming opinion not authorized.

If the second opinion does not confirm the need for the surgical procedure or hospital admission, You may obtain or We may require You obtain a third opinion.

STEP 4—Obtaining a Third Opinion

If you obtained a second opinion and it did not confirm the need for the surgical procedure or hospital admission, You may obtain or We may require You to obtain a third opinion. Regardless of whether the third opinion is at Our request or Yours, We will pay for the consultation and for any Diagnostic Services and Pre-Admission Testing necessary for the third opinion, subject to all Policy limitations and exclusions.

IF NEITHER THE SECOND NOR THIRD OPINIONS CONFIRM THE NEED FOR THE SURGICAL PROCEDURE OR HOSPITAL ADMISSION AND YOU PROCEED WITH THE PROCEDURE OR HOSPITALIZATION, WE WILL NOT PAY FOR THE PROCEDURE OR HOSPITALIZATION NOR ANY ASSOCIATED PRACTITIONER (INCLUDING FACILITY) CHARGES.

IF YOU DO NOT OBTAIN A THIRD OPINION WHICH WE HAVE ASKED YOU TO OBTAIN, OUR PAYMENT FOR THE PROCEDURE OR HOSPITALIZATION WILL BE REDUCED BY 50% PROVIDED WE DETERMINE THE PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.

A confirming third opinion is valid for 90 days. If you do not undergo the procedure or become hospitalized within that time, You or Your Practitioner must notify Us and renew the confirming opinion prior to the procedure being performed or the hospitalization. If the confirming opinion is not renewed, We may consider the confirming opinion not authorized.

XI. [XII.] CLAIMS PROCEDURES

Your right to make a claim for any benefits provided by this Policy is governed as follows:

You or Your Provider must send Us written notice of a claim. This notice should include Your name and Policy number. If the claim is being made for one of Your covered Dependents, the Dependent's name should also be noted. A separate claim form is needed for each claim submitted.

Proof of Loss: We will furnish you with forms for filing a proof of loss within 15 days of receipt of notice of claim. But if We do not furnish the forms on time, We will accept a written description and adequate documentation of the Accidental Injury or Illness that is the basis of the claim as proof, including an itemized bill with patient identification, diagnosis, Provider name and license number, type of service and amount of charge for service. You or Your Provider must detail the nature and extent of the claim being made. You or Your Provider must send Us written proof of loss within 90 days of the Covered Charge being incurred.

Late Notice of Proof: We will not void or reduce a claim if You cannot send Us notice and proof of loss immediately. But You or Your Provider must send Us notice and proof as soon as reasonably possible, but in no event later than one year following the date the proof of loss was otherwise required.

Payment of Benefits: We will pay all benefits to which You and Your Dependents are entitled as soon as We receive due written proof of loss.

We pay all benefits to Your Provider or You, if You are living. If You are not living, We have the right to pay benefits to one or more of the following: (a) Your beneficiary; (b) Your estate; (c) Your spouse; (d) Your Parents; (e) Your Children; (f) Your brothers and sisters; and (g) any unpaid Provider of health care services.

When You file a proof of loss, We may [, subject to Your written instructions to the contrary,—optional for health service corporations] pay health care benefits to the Provider who provided the service for which benefits became payable. But We cannot tell You which Provider You must use.

Claims Appeal: If We decline Your claim in whole or in part, We will send You an explanation of benefits in writing. Within 60 days after receiving Our written notice of declination, You may request that We reconsider any portion of the claim for which You believe benefits were wrongly

declined. Your request for reconsideration must be in writing, and include:

- (a) name(s) and address(es) of patient and Policyholder;
- (b) Policyholder's [identification] number;
- (c) date of service;
- (d) claim number;
- (e) Provider's name; and

You may, within 45 days of Our receipt of Your request for reconsideration, review pertinent documents at Our office during regular business hours. We may require written releases if We Determine the information to be sensitive or confidential.

You may also, within 45 days of Our receipt of Your request for reconsideration, submit to Us issues and comments and any additional pertinent medical information.

We will give You a written decision within 60 days after We receive Your request for review. That written decision will indicate the reasons for the decision and refer to the Policy provision(s) on which it was based.

In special circumstances, We may Determine that additional time is necessary to make a decision. We will let You know if this happens but it will never be more than 120 days from the date after We receive Your request for review.

Limitations of Actions: You cannot bring a legal action against this Policy until 60 days from the date You file proof of loss. And You cannot bring legal action against this Policy after three years from the date You file proof of loss.

XII. [XIII.] RIGHT TO RECOVERY— THIRD PARTY LIABILITY

"Reasonable pro-rata Expenses" are those costs such as lawyers fees and court costs, incurred to effect a Third Party payment, expressed as a percentage of such payment.

"Third Party" means anyone other than Us or a Covered Person.

If a Covered Person makes a claim to Us for benefits under this Policy prior to receiving payment from a Third Party or its insurer, the Covered Person must agree, in writing, to repay Us from any amount of money they receive from the Third Party, or its insurer for an Illness or Accidental Injury.

We will only require such payment when the amounts received through such settlement, judgment or otherwise, are specifically identified as amounts paid for health benefits for which We paid benefits and these amounts were not otherwise deducted from an award, judgment or settlement

in a civil action, brought in a court of this State, pursuant to N.J.S.A. 2A:15-97.

The repayment will be equal to the amount of benefits paid by Us. However, the Covered Person may deduct the reasonable pro-rata expenses, incurred in effecting the Third Party payment from the repayment to Us.

We shall require the return of health benefits paid for an Illness or Accidental Injury, up to the amount a Covered Person receives for that Illness or Accidental Injury through:

- a. a Third Party settlement;
- b. a satisfied judgment; or
- c. other means.

The repayment agreement shall be binding upon the Covered Person whether:

- a. the payment received from the Third Party, or its insurer, is the result of a legal judgment, an arbitration award, a compromise settlement, or any other arrangement, or
- b. the Third Party, or its insurer, has admitted liability for the payment.

We will not pay any benefits under this Policy to or on behalf of a Covered Person, who has received payment from a Third Party, or its insurer for past or future charges for an Illness or Accidental Injury, resulting from the negligence, intentional act, or no-fault tort liability of a Third Party.

This provision shall not be construed or applied so as to require the return of any benefits properly paid by an insurer or entity other than Us where the payment of those benefits was made pursuant to some other applicable state or federal law and that other law precludes such repayment.]

XIII. [XIV.] GENERAL PROVISIONS

THE POLICY

The entire Policy consists of:

- (a) the forms shown in the Table of Contents as of the Effective Date;
- (b) the Policyholder's application, a copy of which is attached to the Policy;
- (c) any riders, endorsements or amendments to the Policy; and
- (d) the individual applications, if any, of all Covered Persons.

STATEMENTS

No statement will void the insurance, or be used in defense of a claim under this Policy, unless it is contained in a writing signed by You, and We furnish a copy to You or Your beneficiary.

All statements will be deemed representations and not warranties.

INCONTESTABILITY OF THE POLICY

There will be no contest of the validity of the Policy, except for not paying premiums, after it has been in force for two years.

No statement in any application, except a fraudulent statement, made by You shall be used in contesting the validity of Your insurance or in denying a claim for a loss incurred after such insurance has been in force for two years during Your lifetime.

AMENDMENT

The Policy may be amended, at any time, without Your consent or of anyone else with a beneficial interest in it. The Policyholder may change the type of coverage under this Policy at any time by notifying Us in writing.

We may make amendments to the Policy upon 30 days' notice to the Policyholder, and as provided in (b) and (c) below. An amendment will not affect benefits for a service or supply furnished before the date of change; and no change to the benefits under this Policy will be made without the approval of the Board.

Only an officer of [Carrier] has authority: to waive any conditions or restrictions of the Policy, to extend the time in which a Premium may be paid, to make or change a Policy, or to bind Us by a promise or representation or by information given or received.

No change in the Policy is valid unless the change is shown in one of the following ways:

- (a) it is shown in an endorsement on it signed by an officer of [Carrier].
- (b) if a change has been automatically made to satisfy the requirements of any state or federal law that applies to the Policy, as provided in the section of this Policy called "Conformity With Law," it is shown in an amendment to it that is signed by an officer of [Carrier].
- (c) if a change is required by [Carrier], it is accepted by the Policyholder, as evidenced by payment of a Premium on or after the effective date of such change.
- (d) if a written request for a change is made by the Policyholder, it is shown in an amendment to it signed by the Policyholder and by an officer of [Carrier].

CLERICAL ERROR—MISSTATEMENTS

No clerical error by Us in keeping any records pertaining to coverage under this Policy will reduce Your coverage. Neither will delays in making those records reduce it. However, if We discover such an error or delay, a fair adjustment of Premiums will be made.

Premium adjustments that involve returning an unearned premium to You will be limited to the twelve-month period before We received satisfactory evidence that such adjustment should be made.

If You misstate Your age or any other relevant fact and the Premium is affected, a fair adjustment of Premiums will be made. If such misstatement affects the amount of coverage, the true facts will be used in Determining what coverage is in force under this Policy.

TERMINATION OF THE POLICY—RENEWAL PRIVILEGE

During or at End of Grace Period—Failure to Pay Premiums: If any Premium is not paid by the end of its grace period, the Policy will end when that period ends. **However,** You may write to Us, in advance, to ask that the Policy be terminated at the end of any period for which Premiums have been paid. Then the Policy will end on the date requested.

This Policy will be renewed automatically each year on the Anniversary Date, unless coverage is terminated on or before the Anniversary Date due to one of the following circumstances:

- (a) nonpayment of Premiums;
- (b) fraud or misrepresentation by You or Your Dependents;
- (c) termination of Your eligibility or, with respect to Your Dependent, Your Dependent's eligibility;
- (d) You become eligible either for Medicare, Medicaid or the date You first become eligible to participate in a Group Health Benefits Plan;
- (e) You become covered under another individual health benefits plan;
- (f) non-renewal as authorized by the Board.

Immediate cancellation will occur if You commit fraudulent acts or make misrepresentations with respect to coverage of You and Your Dependents.

TERMINATION OF DEPENDENT COVERAGE

If You fail to pay the cost of Dependent coverage, Your Dependent coverage will end. It will end on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

A Dependent's coverage ends when the Dependent is no longer eligible. This happens to a Dependent at 12:01 a.m. on the date the Dependent loses eligibility.

Also, Dependent coverage ends when the Policyholder's coverage ends.

Read this Policy carefully if Dependent coverage ends for any reason. Dependents may have the right to continue certain benefits for a limited time.

OFFSET

We reserve the right, before paying benefits to You, to use the amount of payment due to offset any unpaid Premiums or a claims payment previously made in error.

CONTINUING RIGHTS

Our failure to apply terms or conditions does not mean that We waive or give up any future rights under this Policy.

OTHER RIGHTS

This Policy is intended to pay benefits for Covered Charges in cash or in kind. It is not intended to provide services or supplies themselves, which may, or may not, be available.

We are only required to provide benefits to the extent stated in this Policy, its riders and attachments. We have no other liability.

Services and supplies are to be provided in the most cost-effective manner practicable as Determined by Us.

We reserve the right to use Our subsidiaries or appropriate employees or companies in administering this Policy.

We reserve the right to modify or replace an erroneously issued Policy.

We reserve the right to reasonably require that You be examined by a Practitioner of Our choice and at Our expense while Your claim is pending.

We reserve the right to obtain, at Our expense, an autopsy to determine the cause of Your death if that would affect Your claim for benefits.

Information in Your application may not be used by Us to void this Policy or in any legal action unless the application or a duplicate of it is attached to this Policy or has been furnished to You for attachment to this Policy.

ASSIGNMENT

No assignment or transfer by You of any of Your interest under this Policy is valid unless We consent thereto. However, We may, in Our Discretion, pay a Provider directly for services rendered to You.

[IN-NETWORK AND OUT-OF-NETWORK PROVIDER REIMBURSEMENT

Payment amounts, as specified in the "Schedule of Benefits", apply to Covered Charges incurred for services rendered or supplies provided by an eligible Provider.

An In-Network Provider will generally accept Our Allowance plus any Deductible, Coinsurance and Copayment You are required to make as payment in full for services rendered or supplies provided.

Our Allowance for Covered Charges for treatment rendered by an Out-of-Network Provider may be different than our In-Network Provider Allowance; also, an Out-of-Network Provider may bill You for the difference between Our Allowance and the Provider's actual charge.

In no event will Our payment be more than the Provider's actual charge.]

LIMITATION OF ACTIONS

No action at law or in equity shall be brought to recover on the Policy until 60 days after You file written proof of loss. No such action shall be brought more than three years after the end of the time within which proof of loss is required.

NOTICES AND OTHER INFORMATION

Any notices, documents, or other information under the Policy may be sent by United States Mail, postage prepaid, addressed as follows:

If to Us: To Our last address on record.

If to You: To the last address provided by the Covered Person on an enrollment or change of address form actually delivered to Us.

RECORDS—INFORMATION TO BE FURNISHED

We will keep a record of Your benefits. It will contain key facts about Your coverage.

We will not have to perform any duty that depends on data before it is received from You in a form that satisfies Us. You may correct wrong data given to Us, if We have not been harmed by acting on it.

You must notify Us immediately of any event, including a change in eligibility, that may cause the termination of Your Coverage.

RELEASE OF RECORDS

By applying for benefits, You agree to allow all Providers to give Us needed information about the services and supplies they provide. We keep this information confidential. If a Provider requires special authorization for release of records, You agree to provide this authorization. Your failure to provide authorization or requested information will result in the declination of Your claim.

As determined by Us, We may use appropriate non-employees, subsidiaries, or companies to conduct confidential medical record review for Our purposes.

[POLICYHOLDER/PROVIDER RELATIONSHIP

We are not Providers as defined in this Policy. We supply services in connection with conducting the business of insurance. This means We make Payment for Covered Charges incurred by persons eligible for benefits under this Policy.

We are not liable for any act or omission of any Provider nor any injury caused by a Provider's negligence, misfeasance, malfeasance, nonfeasance or malpractice.

We are not responsible for a Provider's failure or refusal to render services or provide supplies to persons eligible for benefits under this Policy.]

CONTINUATION OF COVERAGE

If You die while this Policy is in force for You, Your Spouse and Dependents, Your Spouse and Dependents may continue coverage under this Policy for 180 days from Your date of death, provided that Your Spouse and Dependents elect to so continue within 31 days of Your date of death and subject to: (a) payment of the Premium when due; and (b) the Policy provisions for termination of Spouse and Dependents' coverage for reasons other than Your death.

CONVERSION PRIVILEGE

If Your Spouse loses coverage due to a divorce, Your Spouse may apply for Your Spouse's own individual health benefits plan. An application must be made within 31 days of the occurrence of the divorce.

If Your Spouse applies for the new coverage within 31 days of the divorce and meets Our Underwriting Requirements, the effective date of the new coverage shall be the day following the date the Spouse's coverage under this Policy ended. Any Pre-existing Condition limitation or other limitation not satisfied by the Spouse under this Policy will apply under the new coverage to the extent it remains unsatisfied.

DETERMINATION OF SERVICES

If the nature or extent of a given service must be determined, this Determination is entirely up to Us.

PAYMENT AND CONDITIONS OF PAYMENT

For eligible services from an eligible Facility or Practitioner, We will Determine to pay either You or the Facility or Practitioner.

Payment for all other Covered Charges will be made directly to You unless, before submission of each claim, You request in writing that Payment be made directly to the Provider and We agree to do this.

Except as provided above, in the event of Your death or total incapacity, any Payment or refund due will be made to Your heirs, beneficiaries, or trustees.

If We make Payments to anyone who is not entitled to them under this Policy, We have the right to recover these Payments from that individual or entity or You.

PRIMARY RESIDENCE REQUIREMENT

In order to obtain and continue health care coverage with Us, Your Primary Residence must be in New Jersey. We reserve the right to require proof of Your Primary Residence.

We will cancel this Policy if You move Your Primary Residence outside of the State. We will give You at least 30 days' written notice of the cancellation.

SERVICES FOR AUTOMOBILE RELATED INJURIES

When You are the named insured under a motor vehicle insurance Policy, You have two options under the terms of Your motor vehicle insurance Policy. The option You select will also determine coverage of any family member covered under that Policy who is not a separate named insured under another motor vehicle policy.

- (a) You may choose to have primary coverage for such services covered under Your motor vehicle insurance Policy (the Personal Injury Protection or compulsory Medical Payment provisions of a New Jersey motor vehicle insurance Policy or under similar provisions of a motor vehicle Policy required by any other federal or state no-fault motor vehicle insurance law).

If You choose this option, We will provide secondary coverage in accordance with regulations issued by the Department of Insurance.

- (b) You may choose to have primary coverage for such services provided by this Policy.

If You choose this option, We will provide benefits for any Covered Charges incurred for the diagnosis or treatment of an Accidental Injury or Illness resulting from a motor vehicle accident. However, these benefits are subject to the terms, conditions, and limits set forth in this Policy.

In addition, the motor vehicle insurance policy may provide for secondary benefits in accordance with regulations issued by the Department of Insurance.

If there is a dispute as to primacy between the motor vehicle insurance policy and this Policy, this Policy will be primary.

This order of benefit determination does not apply if You are enrolled in a government health benefit program which provides that it is always secondary, or otherwise will not be a primary provider of benefits for motor vehicle injuries.

CONFORMITY WITH LAW

If the provisions of the Policy do not conform to the requirements of any state or federal law that applies to the Policy, the Policy is automatically changed to conform with [Carrier's] interpretation of the requirements of that law, as approved by the Board.

This entire Policy is governed by the laws of the State of New Jersey.

After two years, We cannot ask for this proof more than once a year.

A Dependent is not a person who is on active duty in any armed forces.

EFFECTIVE DATE. The date on which coverage begins under this Policy for You or Your Dependents, as the context in which the term is used suggests.

EXPERIMENTAL or INVESTIGATIONAL.

Services or supplies, including treatments, procedures, hospitalizations, drugs, biological products or medical devices, which We Determine are:

- (a) not of proven benefit for the particular diagnosis or treatment of Your particular condition; or
- (b) not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of Your particular condition; or
- (c) provided or performed in special settings for research purposes or under a controlled environment or clinical protocol.

Unless otherwise required by law with respect to drugs which have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration (FDA), We will not cover any services or supplies, including treatment, procedures, drugs, biological products or medical devices or any hospitalization in connection with Experimental or Investigational services or supplies.

We will also not cover any technology or any hospitalization in connection with such technology if such technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of Your particular condition.

Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of Your particular condition as explained below.

We will apply the following five criteria in Determining whether services or supplies are Experimental or Investigational:

1. any medical device, drug, or biological product must have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug or biological product for another diagnosis or condition will require that one or more of the following established reference compendia:

—The American Medical Association Drug Evaluations;

—The American Hospital Formulary Service Drug Information; or

—The United States Pharmacopeia Drug Information.

recognize the usage as appropriate medical treatment. As an alternative to such recognition in one or more of the compendia, the usage of the drug will be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests will not be considered Experimental or Investigational.

In any event, any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered Experimental or Investigational.

2. conclusive evidence from the published peer-reviewed medical literature must exist that the technology has a definite positive effect on health outcomes; such evidence must include well-designed investigations that have been reproduced by nonaffiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;
3. demonstrated evidence as reflected in the published peer-reviewed medical literature must exist that over time the technology leads to improvement in health outcomes, i.e., the beneficial effects outweigh any harmful effects;

4. proof as reflected in the published peer-reviewed medical literature must exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and
5. proof as reflected in the published peer-reviewed medical literature must exist that improvements in health outcomes, as defined in paragraph 3, is possible in standard conditions of medical practice, outside clinical investigatory settings.

For Single Coverage	[\$]

For Family Coverage	[\$]
For Husband and Wife Coverage	[\$]

We have the right to change any Premium rate set forth [above] [in the Policy's Schedule of Premium Rates] at the times and in the manner established by the provision of this Policy entitled "Premium Rate Changes."

PREMIUM AMOUNTS

The Premium due on each Premium Due Date is the sum of the Premium charges for the coverage You have. Those charges are determined from the Premium rates then in effect.

The following will apply if one or more Premiums paid include Premium charges for a Covered Person whose coverage has ended before the due date of that Premium. We will not have to refund more than the amount of (a) minus (b):

- (a) the amounts of the Premium charges for the Covered Person that was included in the Premiums paid for the two-month period immediately after the date the Covered Person's coverage has ended.

That percentage will be Determined by Us from time to time, but will not be more than the maximum allowed by law.]

The Premium rates in effect on the Effective Date are shown in the Policy's [Schedule of Premium Rates]. We have the right to change Premium rates as of any of these dates:

We will give You 30 days written notice when a change in the Premium rates is made.

V. BENEFIT DEDUCTIBLES AND COINSURANCE

Cash Deductible: Each Benefit Period, You must have Covered Charges that exceed the Deductible before We pay any benefits to you for those charges (subject to the Family Deductible Cap as described below). The Deductibles are shown in the "Schedule of Benefits" section of this Policy. The Deductibles cannot be met with Non-Covered Expenses. Only Covered Charges incurred by You while insured can be used to meet the Deductible for those charges.

Once a Deductible is met, We pay benefits for other Covered Charges above the Deductible amount incurred by You, less any applicable Coinsurance and Copayments, for the rest of that Benefit Period. But all charges must be incurred while You are insured by this Policy. And what We pay is based on all the terms of this Policy including benefit limitations and exclusion provisions.

Family Deductible Cap: This Policy has a family deductible cap on care equal to two Deductibles for each Benefit Period. Once a family meets the equivalent of two individual Deductibles in a Benefit Period, We Pay benefits for other Covered Charges incurred by any member of the covered family for that type of care, less any applicable Copayment and Coinsurance, for the rest of that Benefit Period. The amount of Covered Charges applied toward the satisfaction of the family deductible cap by any one Covered Person may not exceed the amount of the Individual Cash Deductible. What We pay is based on all the terms of this Policy, including benefit limitation and exclusion provisions.

Coinsurance Cap: This Policy limits the Coinsurance amounts You must pay each Benefit Period. The Coinsurance cap cannot be met with Non-Covered Expenses and Coinsurance for the treatment of Mental or Nervous Conditions and Substance Abuse.

There is a Coinsurance cap for each Covered Person. The Coinsurance cap is shown in the "Schedule of Benefits."

Each Covered Person's Coinsurance amounts are used to meet his or her own Coinsurance cap. And all amounts used to meet the cap must actually be paid by You.

Once Your Coinsurance amounts in a Benefit Period exceed the individual cap, We waive Your Coinsurance for the rest of that Benefit Period.

THERE WILL BE NO CARRYOVER OF DEDUCTIBLES OR COINSURANCE INTO THE NEXT BENEFIT PERIOD.

Deductible Credit: For the first Benefit Period of this Policy, a Covered Person will receive credit for any Deductible amounts satisfied under previous coverage within the same calendar year that Your first Benefit Period starts under this Policy, provided that there has been no lapse in coverage between the previous coverage and this policy.

This credit will be applied whether Your previous coverage was under a plan with Us or with another carrier. You will be required to provide Us with adequate documentation of the amounts satisfied.

Payment Limits: We limit what We pay for certain types of charges.

VIII. UTILIZATION REVIEW

THE DECISIONS MADE BY OUR REPRESENTATIVE(S) IN THIS UTILIZATION REVIEW PROGRAM ARE INTENDED ONLY TO DETERMINE THE EXTENT OF REIMBURSEMENT FOR A SERVICE.

OUR PAYMENT WILL BE REDUCED FOR NONCOMPLIANCE WITH THE PROVISIONS SET FORTH IN THIS SECTION.

- A. **IF YOU OR YOUR PRACTITIONER DO NOT REQUEST OUR AUTHORIZATION, OR IF, WE ASK YOU TO OBTAIN A SECOND AND/OR THIRD OPINION FOR PERFORMANCE OF A SURGICAL PROCEDURE OR HOSPITAL ADMISSION, AND YOU EITHER DO NOT OBTAIN SUCH OPINION(S), OR YOU DO NOT OBTAIN ONE CONFIRMING OPINION FROM EITHER THE SECOND OR THIRD OPINION, WE WILL REDUCE ANY PAYMENT WE MAKE BY 50% PROVIDED WE DETERMINE THE HOSPITAL ADMISSION, PROCEDURE, SERVICE OR SUPPLIES WERE MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.**

- B. IF YOU OBTAIN A SECOND AND THIRD OPINION FOR PERFORMANCE OF A SURGICAL PROCEDURE OR HOSPITAL ADMISSION, AND NEITHER OF THE OPINIONS CONFIRM THE NEED FOR THE PROCEDURE OR HOSPITALIZATION AND YOU PROCEED WITH THE PROCEDURE OR HOSPITALIZATION, WE WILL NOT PAY FOR THE PROCEDURE OR HOSPITALIZATION NOR ANY ASSOCIATED PRACTITIONER (INCLUDING FACILITY) CHARGES.**
- C. NO REDUCTION IN BENEFITS OR PAYMENT WILL BE APPLIED PURSUANT TO THIS SECTION IF, FOLLOWING AN INITIAL DETERMINATION BY US THAT WE WILL NOT AUTHORIZE A HOSPITAL ADMISSION OR PROCEDURE, SERVICES OR SUPPLIES, YOU REQUEST RECONSIDERATION OF OUR DECISION AND WE SUBSEQUENTLY DETERMINE THAT THE HOSPITAL ADMISSION OR PROCEDURE, SERVICES OR SUPPLIES WERE MEDICALLY NECESSARY AND APPROPRIATE. IN SUCH AN EVENT, WE WILL MAKE PAYMENT AS OTHERWISE PROVIDED IN THIS POLICY.**

YOU WILL BE RESPONSIBLE FOR PAYING TO THE PROVIDER THE AMOUNT OF ANY REDUCTION OF BENEFITS (IN ADDITION TO ANY OTHER PAYMENTS YOU ARE REQUIRED TO MAKE UNDER THIS POLICY.)

The maximum reduction of benefits under this provision for failure to comply with any of the requirements set forth will be 50% unless We determine that the hospital admission, procedure, service or supply were not Medically Necessary and Appropriate.

Any reduction of benefits under this provision is subject to Your rights under the "Claims Appeal" section of the "Claims Procedure" provision of this Policy.

STEP 1—Request For Care Preapproval

If Your Practitioner recommends that You (a) be admitted, for any reason, as an Inpatient; or (b) undergo any of the Surgical procedures or receive other services or supplies listed below, You must first obtain Our authorization to Determine whether We agree that the hospitalization, procedures or other services and supplies are Medically Necessary and Appropriate.

Failure to notify Us of the procedures, services or supplies as provided in Step 2 below, will not affect Our payment if We Determine that notice was given to Us as soon as was reasonably possible.

In some instances, before We authorize a hospitalization or the performance of a surgical procedure listed, We may require a second and/or third opinion. See "Step 3" and "Step 4" below.

Our authorization is valid for 30 days. If the hospitalization, procedure, service or use of the supply does not occur as planned, You or Your Practitioner must contact Us to renew the authorization. If the authorization is not renewed, We will consider the hospitalization, procedure, service or supply as not authorized.

If You or Your Practitioner obtain Our authorization for one of the listed procedures, We, in consultation with Your Practitioner, will authorize the appropriate setting (Inpatient or Outpatient) for the proposed procedure. If We approve an Inpatient admission, You or Your Practitioner may proceed with the admission and Our Payment will not be affected. **IF WE DO NOT AUTHORIZE AN INPATIENT ADMISSION AND YOU PROCEED WITH THAT ADMISSION, ANY PAYMENT FOR FACILITY CHARGES WILL BE REDUCED BY 50%.** However, no reduction will apply if, following an initial Determination by Us that We will not authorize an in-patient admission, You request reconsideration of Our Determination and We Subsequently Determine the in-patient admission to have been Medically Necessary and Appropriate, we will make payment as otherwise provided in this policy.

- (a) For **Non-Medical Emergency** hospitalizations, procedures, services or supplies listed above, You or Your Practitioner must contact Us at least 3 days prior to admission, treatment or purchase to obtain Our authorization. We will provide You or Your Practitioner with Our Determination within those 3 days. However, for **maternity care**, You or Your Practitioner must contact Us **within the first 12 weeks of medical confirmation** of a pregnancy. We will send You or Your Practitioner Our acknowledgement of the pregnancy within 7 days.

We will provide You or Your Practitioner with Our Determination within those 24 hours.

In the event We are not able to provide You or Your Practitioner with a Determination within the time frames stated, We will tell You and Your Practitioner before the mid-point of the time stated, **or the next business day, whichever is later**, as well as put in writing to You, what specific information is needed to make that Determination. **In the event We do not respond to You or Your Practitioner within these time frames, We will not apply the 50% reduction of benefits as allowed by this Utilization Review section to Covered Charges incurred between the time You or Your Practitioner notify Us and We respond to You.**

In the event We do not authorize the hospitalization, procedure, service or supplies, We will send You a written statement within 7 days, explaining the specific reasons for denial of the authorization. Any such denial of Our authorization is subject to Your rights under the "Claims Appeal" section of the "Claims Procedure" provision of this Policy.

Failure to notify Us of the procedures, services or supplies listed above will not affect Our payment if We Determine that notice was given to Us as soon as was reasonably possible.

No reduction in benefits or payment will be applied pursuant to this section if, following an initial Determination by Us that We will not authorize a hospital admission or procedure, services or supplies, You request reconsideration of Our Determination and We subsequently Determine that the hospital admission or procedure, services or supplies are Medically Necessary and Appropriate. In such an event, We will make payment as otherwise provided in this policy.

STEP 3—Obtaining a Second Opinion

You may always obtain a second opinion when You are advised to have Surgery or be hospitalized. We may require that You obtain a second opinion if We Determine that it is necessary in order for Us to authorize a surgical procedure or hospital admission. If We Determine that a second opinion is necessary, We may arrange for the second opinion consultation. Regardless of whether the second opinion is at Our request or Yours, We will pay for the consultation and for any Diagnostic Services and Pre-Admission Testing necessary for the second opinion, subject to all Policy limitations and exclusions.

If the second opinion confirms the need for a surgical procedure, We, in consultation with Your Practitioner, will authorize the appropriate setting (Inpatient or Outpatient) for the proposed procedure. If We approve an Inpatient admission, You or Your Practitioner may proceed with the admission and Our payment will not be affected.

IF YOU DO NOT OBTAIN A SECOND OPINION WHICH WE ASK YOU TO OBTAIN, FOR AN INPATIENT ADMISSION OR PERFORMANCE OF THE PROCEDURE AND IF YOU PROCEED WITH THAT ADMISSION AND/OR PERFORMANCE OF THE PROCEDURE, ANY PAYMENT FOR FACILITY CHARGES AND/OR PERFORMANCE OF THE PROCEDURE WILL BE REDUCED BY 50%. PROVIDED WE DETERMINE THE HOSPITALIZATION OR PERFORMANCE OF THE SURGICAL PROCEDURE WAS MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE SURGICAL PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.

A confirming second opinion is valid for 90 days. If You do not undergo the surgical procedure or become hospitalized within that time, You or Your Practitioner must notify Us and renew the confirming opinion prior to the hospital admission or the procedure being performed. If the confirming opinion is not renewed, We may consider the confirming opinion not authorized.

If the second opinion does not confirm the need for the surgical procedure or hospital admission, You may obtain or We may require You obtain a third opinion.

STEP 4—Obtaining a Third Opinion

If you obtained a second opinion and it did not confirm the need for the surgical procedure or hospital admission, You may obtain or We may require You to obtain a third opinion. Regardless of whether the third opinion is at Our request or Yours, We will pay for the consultation and for any Diagnostic Services and Pre-Admission Testing necessary for the third opinion, subject to all Policy limitations and exclusions.

IF NEITHER THE SECOND NOR THIRD OPINIONS DO NOT CONFIRM THE NEED FOR THE SURGICAL PROCEDURE OR HOSPITAL ADMISSION AND YOU PROCEED WITH THE PROCEDURE OR HOSPITALIZATION, WE WILL NOT PAY FOR THE PROCEDURE OR HOSPITALIZATION NOR ANY ASSOCIATED PRACTITIONER (INCLUDING FACILITY) CHARGES.

IF YOU DO NOT OBTAIN A THIRD OPINION WHICH WE HAVE ASKED YOU TO OBTAIN, OUR PAYMENT FOR THE PROCEDURE OR HOSPITALIZATION WILL BE REDUCED BY 50% PROVIDED WE DETERMINE THE PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.

A confirming third opinion is valid for 90 days. If you do not undergo the procedure or become hospitalized within that time, You or Your Practitioner must notify Us and renew the confirming opinion prior to the procedure being performed or the hospitalization. If the confirming opinion is not renewed, We may consider the confirming opinion not authorized.

XI. [XII.] CLAIMS PROCEDURES

Your right to make a claim for any benefits provided by this Policy is governed as follows:

You or Your Provider must send Us written notice of a claim. This notice should include Your name and Policy number. If the claim is being made for one of Your covered Dependents, the Dependent's name should also be noted. A separate claim form is needed for each claim submitted.

Proof of Loss: We will furnish You with forms for filing a proof of loss within 15 days of receipt of notice of claim. But if We do not furnish the forms on time, We will accept a written description and adequate documentation of the Accidental Injury or Illness that is the basis of the claim as proof, including an itemized bill with patient identification, diagnosis, Provider name and license number, type of service and amount of charge for service. You or Your Provider must detail the nature and extent the claim being made. You or Your Provider must send Us written proof of loss within 90 days of the Covered Charge being incurred.

Late Notice of Proof: We will not void or reduce a claim if You cannot send Us notice and proof of loss immediately. But You or Your Provider must send Us notice and proof as soon as reasonably possible, but in no event later than one year following the date the proof of loss was otherwise required.

Payment of Benefits: We will pay all benefits to which You and Your Dependents are entitled as soon as We receive written proof of loss.

We pay all benefits to Your Provider or You, if You are living. If You are not living, We have the right to pay benefits to one or more of the following: (a) Your beneficiary; (b) Your estate; (c) Your spouse; (d) Your Parents; (e) Your Children; (f) Your brothers and sisters; and (g) any unpaid Provider of health care services.

When You file a proof of loss, We may[, subject to Your written instructions to the contrary,—optional for health service corporations] pay health care benefits to the Provider who provided the service for which benefits became payable. But We cannot tell You which Provider You *must* use.

Claims Appeal: If We decline Your claim in whole or in part, We will send You an explanation of benefits in writing. Within 60 days after receiving Our written notice of declination, You may request that We reconsider any portion of the claim for which You believe benefits were wrongly declined. Your request for reconsideration must be in writing, and include:

- (a) name(s) and address(es) of patient and Policyholder;
- (b) Policyholder's [identification] number;
- (c) date of service;
- (d) claim number;
- (e) Provider's name; and
- (f) why the claim should be reconsidered.

You may, within 45 days of Our receipt of Your request for reconsideration, review pertinent documents at Our office during regular business hours. We may require written releases if We Determine the information to be sensitive or confidential.

You may also, within 45 days of Our receipt of Your request for reconsideration, submit to Us issues and comments and any additional pertinent medical information.

We will give You a written decision within 60 days after We receive Your request for review. That written decision will indicate the reasons for the decision and refer to the Policy provision(s) on which it was based.

In special circumstances, We may Determine that additional time is necessary to make a decision. We will let You know if this happens but it will never be more than 120 days from the date after We receive Your request for review.

Limitations of Actions: You cannot bring a legal action against this Policy until 60 days from the date You file proof of loss. And You cannot bring legal action against this Policy after three years from the date You file proof of loss.

XII. [XIII.] RIGHT TO RECOVERY— THIRD PARTY LIABILITY

"Reasonable pro-rata Expenses" are those costs such as lawyers fees and court costs, incurred to effect a third party payment, expressed as a percentage of such payment.

"Third Party" means anyone other than Us or a Covered Person.

If a Covered Person makes a claim to Us for benefits under this Policy prior to receiving payment from a third party or its insurer, the Covered Person must agree, in writing, to repay Us from any amount of money they receive from the third party, or its insurer for an Illness or Accidental Injury.

We will only require such payment when the amounts received through such settlement, judgment or otherwise, are specifically identified as amounts paid for health benefits for which We paid benefits and those amounts were not otherwise deducted from an award, judgement or settlement in a civil action, brought in a court of this State, pursuant to N.J.S.A. 2A:15-97.

The repayment will be equal to the amount of benefits paid by Us. However, the Covered Person may deduct the reasonable pro-rata expenses, incurred in effecting the third party payment from the repayment to Us.

We shall require the return of health benefits paid for an Illness or Accidental Injury, up to the amount a Covered Person receives for that Illness or Accidental Injury through:

- a. a third party settlement;
- b. a satisfied judgment; or
- c. other means.

The repayment agreement shall be binding upon the Covered Person whether:

- a. the payment received from the third party, or its insurer, is the result of a legal judgment, an arbitration award, a compromise settlement, or any other arrangement, or
- b. the third party, or its insurer, has admitted liability for the payment.

We will not pay any benefits under this Policy to or on behalf of a Covered Person, who has received payment from a third party, or its insurer for past or future charges for an Illness or Accidental Injury, resulting from the negligence, intentional act, or no-fault tort liability of a third party. This provision shall not be construed or applied so as to require the return of any benefits properly paid by an insurer or entity other than Us where the payment of those benefits was made pursuant to some other applicable state or federal law and that other law precludes such repayment.]

XIII. [XIV.] GENERAL PROVISIONS

THE POLICY

The entire Policy consists of:

- (a) the forms shown in the Table of Contents as of the Effective Date;
- (b) the Policyholder's application, a copy of which is attached to the Policy;
- (c) any riders, endorsements or amendments to the Policy; and
- (d) the individual applications, if any, of all Covered Persons.

STATEMENTS

No statement will void the insurance, or be used in defense of a claim under this Policy, unless it is contained in a writing signed by You, and We furnish a copy to You or Your beneficiary.

All statements will be deemed representations and not warranties.

INCONTESTABILITY OF THE POLICY

There will be no contest of the validity of the Policy, except for not paying premiums, after it has been in force for two years.

No statement in any application, except a fraudulent statement, made by You shall be used in contesting the validity of Your insurance or in denying a claim for a loss incurred after such insurance has been in force for two years during Your lifetime.

AMENDMENT

The Policy may be amended, at any time, without Your consent or of anyone else with a beneficial interest in it. The Policyholder may change the type of coverage under this Policy at any time by notifying Us in writing.

We may make amendments to the Policy upon 30 days' notice to the Policyholder, and as provided in (b) and (c) below. An amendment will not affect benefits for a service or supply furnished before the date of change; and no change to the benefits under this Policy will be made without the approval of the Board.

Only an officer of [Carrier] has authority: to waive any conditions or restrictions of the Policy, to extend the time in which a Premium may be paid, to make or change a Policy, or to bind Us by a promise or representation or by information given or received.

No change in the Policy is valid unless the change is shown in one of the following ways:

- (a) it is shown in an endorsement on it signed by an officer of [Carrier].
- (b) if a change has been automatically made to satisfy the requirements of any state or federal law that applies to the Policy, as provided in the section of this Policy called "Conformity With Law," it is **shown in an amendment** to it that is signed by an officer of [Carrier].
- (c) if a change is required by [Carrier], it is accepted by the Policyholder, as evidenced by payment of a Premium on or after the effective date of such change.
- (d) if a written request for a change is made by the Policyholder, it is shown in an amendment to it **signed by the Policyholder and by an officer of [Carrier]**.

CLERICAL ERROR—MISSTATEMENTS

No clerical error by Us in keeping any records pertaining to Coverage under this Policy will reduce Your Coverage. Neither will delays in making those records reduce it. However, if We discover such an error or delay, a fair adjustment of Premiums will be made.

Premium adjustments that involve returning an unearned premium to You will be limited to the twelve-month period before We received satisfactory evidence that such adjustment should be made.

If You misstate Your age or any other relevant fact and the Premium is affected, a fair adjustment of Premiums will be made. If such misstatement affects the amount of coverage, the true facts will be used in Determining what coverage is in force under this Policy.

TERMINATION OF THE POLICY—RENEWAL PRIVILEGE

During or at End of Grace Period—Failure to Pay Premiums: If any Premium is not paid by the end of its grace period, the Policy will end when that period ends. However, You may write to Us, in advance, to ask that the Policy be terminated at the end of any period for which Premiums have been paid. Then the Policy will end on the date requested.

This Policy will be renewed automatically each year on the Anniversary Date, unless coverage is terminated on or before the Anniversary Date due to one of the following circumstances:

- (a) nonpayment of Premiums;
- (b) fraud or misrepresentation by You or Your Dependents;
- (c) termination of Your eligibility or, with respect to Your Dependent, Your Dependent's eligibility;
- (d) You become eligible either for Medicare, Medicaid or the date You first become eligible to participate in a Group Health Benefits Plan;
- (e) You become covered under another individual health benefits plan;
- (f) non-renewal as authorized by the Board.

Immediate cancellation will occur if You commit fraudulent acts or make misrepresentations with respect to coverage of You and Your Dependents.

TERMINATION OF DEPENDENT COVERAGE

If You fail to pay the cost of Dependent coverage, Your Dependent coverage will end. It will end on the last day of the period for which You made the required *payments*, unless coverage ends earlier for other reasons.

A Dependent's coverage ends when the Dependent is no longer eligible. This happens to a Dependent at 12:01 a.m. on the date the Dependent loses eligibility.

Also, Dependent coverage ends when the Policyholder's coverage ends.

Read this Policy carefully if Dependent coverage ends for any reason. Dependents may have the right to continue certain benefits for a limited time.

OFFSET

We reserve the right, before paying benefits to You, to use the amount of payment due to offset any unpaid Premiums or a claims payment previously made in error.

CONTINUING RIGHTS

Our failure to apply terms or conditions does not mean that We waive or give up any future rights under this Policy.

OTHER RIGHTS

This Policy is intended to pay benefits for Covered Charges in cash or in kind. It is not intended to provide services or supplies themselves, which may, or may not, be available.

We are only required to provide benefits to the extent stated in this Policy, its riders and attachments. We have no other liability.

Services and supplies are to be provided in the most cost-effective manner practicable as Determined by Us.

We reserve the right to use Our subsidiaries or appropriate employees or companies in administering this Policy.

We reserve the right to modify or replace an erroneously issued Policy.

We reserve the right to reasonably require that You be examined by a Practitioner of Our choice and at Our expense while Your claim is pending.

We reserve the right to obtain, at Our expense, an autopsy to determine the cause of Your death if that would affect Your claim for benefits.

Information in Your application may not be used by Us to void this Policy or in any legal action unless the application or a duplicate of it is attached to this Policy or has been furnished to You for attachment to this Policy.

ASSIGNMENT

No assignment or transfer by You of any of Your interest under this Policy is valid unless We consent thereto. How-

ever, We may, in Our Discretion, pay a Provider directly for services rendered to You.

[IN-NETWORK AND OUT-OF-NETWORK PROVIDER REIMBURSEMENT

Payment amounts, as specified in the "Schedule of Benefits", apply to Covered Charges incurred for services rendered or supplies provided by an eligible Provider.

An In-Network Provider will generally accept Our Allowance plus any Deductible, Coinsurance and Copayment You are required to make as payment in full for services rendered or supplies provided.

Our Allowance for Covered Charges for treatment rendered by an Out-of-Network Provider may be different than our In-Network Provide Allowance; also, an Out-of-Network Provider may bill You for the difference between Our Allowance and the Provider's actual charge.

In no event will Our payment be more than the Provider's actual charge.]

LIMITATION OF ACTIONS

No action at law or in equity shall be brought to recover on the Policy until 60 days after You file written proof of loss. No such action shall be brought more than three years after the end of the time within which proof of loss is required.

NOTICES AND OTHER INFORMATION

Any notices, documents, or other information under the Policy may be sent by United States Mail, postage prepaid, addressed as follows:

If to Us: To Our last address on record.

If to You: To the last address provided by the Covered Person on an enrollment or change of address form actually delivered to Us.

RECORDS—INFORMATION TO BE FURNISHED

We will keep a record of Your benefits. It will contain key facts about Your coverage.

We will not have to perform any duty that depends on data before it is received from You in a form that satisfies Us. You may correct wrong data given to Us, if We have not been harmed by acting on it.

You must notify Us immediately of any event, including a change in eligibility, that may cause the termination of Your Coverage.

RELEASE OF RECORDS

By applying for benefits, You agree to allow all Providers to give Us needed information about the services and supplies they provide. We keep this information confidential. If a Provider requires special authorization for release of records, You agree to provide this authorization. Your failure to provide authorization or requested information will result in the declination of Your claim.

As Determined by Us, We may use appropriate non-employees, subsidiaries, or companies to conduct confidential medical record review for Our purposes.

[POLICYHOLDER/PROVIDER RELATIONSHIP]

We are not Providers as defined in this Policy. We supply services in connection with conducting the business of insurance. This means We make Payment for Covered Charges incurred by persons eligible for benefits under this Policy.

We are not liable for any act or omission of any Provider nor any injury caused by a Provider's negligence, misfeasance, malfeasance, nonfeasance or malpractice.

We are not responsible for a Provider's failure or refusal to render services or provide supplies to persons eligible for benefits under this Policy.]

CONTINUATION OF COVERAGE

If You die while this Policy is in force for You, Your Spouse and Dependents, Your Spouse and Dependents may continue coverage under this Policy for 180 days from Your date of death, provided that Your Spouse and Dependents elect to so continue within 31 days of Your date of death and subject to: (a) payment of the Premium when due; and (b) the Policy provisions for termination of Spouse and Dependents' coverage for reasons other than Your death.

CONVERSION PRIVILEGE

If Your Spouse loses coverage due to a divorce, Your Spouse may apply for Your Spouse's own individual health benefits plan. An application must be made within 31 days of the occurrence of the divorce.

If Your Spouse applies for the new coverage within 31 days of the divorce and meets Our Underwriting Requirements, the effective date of the new coverage shall be the day following the date the Spouse's coverage under this Policy ended. Any Pre-existing Condition limitation or other limitation not satisfied by the Spouse under this Policy will apply under the new coverage to the extent it remains unsatisfied.

DETERMINATION OF SERVICES

If the nature or extent of a given service must be determined, this Determination is entirely up to Us.

PAYMENT AND CONDITIONS OF PAYMENT

For eligible services from an eligible Facility or Practitioner, We will Determine to pay either You or the Facility or Practitioner.

Payment for all other Covered Charges will be made directly to You unless, before submission of each claim, You request in writing that Payment be made directly to the Provider and We agree to do this.

Except as provided above, in the event of Your death or total incapacity, any Payment or refund due will be made to Your heirs, beneficiaries, or trustees.

If We make Payments to anyone who is not entitled to them under this Policy, We have the right to recover these Payments from that individual or entity or You.

PRIMARY RESIDENCE REQUIREMENT

In order to obtain and continue health care coverage with Us, Your Primary Residence must be in New Jersey. We reserve the right to require proof of Your Primary Residence.

We will cancel this Policy if You move Your Primary Residence outside of the State. We will give You at least 30 days' written notice of the cancellation.

SERVICES FOR AUTOMOBILE RELATED INJURIES

When You are the named insured under a motor vehicle insurance Policy, You have two options under the terms of Your motor vehicle insurance Policy. The option You select will also determine coverage of any family member covered under that Policy who is not a separate named insured under another motor vehicle policy.

- (a) You may choose to have primary coverage for such services covered under Your motor vehicle insurance Policy (the Personal Injury Protection or compulsory Medical Payment provisions of a New Jersey motor vehicle insurance Policy or under similar provisions of a motor vehicle Policy required by any other federal or state no-fault motor vehicle insurance law).

If You choose this option, We will provide secondary coverage in accordance with regulations issued by the Department of Insurance.

- (b) You may choose to have primary coverage for such services provided by this Policy.

If You choose this option, We will provide benefits for any Covered Charges incurred for the diagnosis or treatment of an Accidental Injury or Illness resulting from a motor vehicle accident. However, these benefits are subject to the terms, conditions, and limits set forth in this Policy.

In addition, the motor vehicle insurance policy may provide for secondary benefits in accordance with regulations issued by the Department of Insurance.

If there is a dispute as to primacy between the motor vehicle insurance policy and this Policy, this Policy will be primary.

This order of benefit determination does not apply if You are enrolled in a government health benefit program which provides that it is always secondary, or otherwise will not be a primary provider of benefits for motor vehicle injuries.

CONFORMITY WITH LAW

If the provisions of the Policy do not conform to the requirements of any state or federal law that applies to the Policy, the Policy is automatically changed to conform with [Carrier’s] interpretation of the requirements of that law, as approved by the Board.

GOVERNING LAW

This entire Policy is governed by the laws of the State of New Jersey.

Also, any child over whom You have legal custody or legal guardianship is considered a Child under this Policy. EXPERIMENTAL or INVESTIGATIONAL.

Services or supplies, including treatments, procedures, hospitalizations, drugs, biological products or medical devices, which We Determine are:

- (a) not of proven benefit for the particular diagnosis or treatment of Your particular condition; or
- (b) not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of Your particular condition; or
- (c) provided or performed in special settings for research purposes or under a controlled environment or clinical protocol.

Unless otherwise required by law with respect to drugs which have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration (FDA), We will not cover any services or supplies, including treatment, procedures, drugs, biological products or medical devices or any hospitalization in connection with Experimental or Investigational services or supplies.

We will also not cover any technology or any hospitalization in connection with such technology if such technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of Your particular condition.

Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of Your particular condition as explained below.

We will apply the following five criteria in Determining whether services or supplies are Experimental or Investigational:

1. any medical device, drug, or biological product must have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug or biological product for another diagnosis or condition will require that one or more of the following established reference compendia:

- The American Medical Association Drug Evaluations;
- The American Hospital Formulary Service Drug Information; or
- The United States Pharmacopeia Drug Information.

recognize the usage as appropriate medical treatment. As an alternative to such recognition in one or more of the compendia, the usage of the drug will be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests will not be considered Experimental or Investigational.

In any event, any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered Experimental or Investigational.

2. conclusive evidence from the published peer-reviewed medical literature must exist that the technology has a definite positive effect on health outcomes; such evidence must include well-designed investigations that have been reproduced by non-affiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;

3. demonstrated evidence as reflected in the published peer-reviewed medical literature must exist that over time the technology leads to improvement in health outcomes, i.e., the beneficial effects outweigh any harmful effects;
4. proof as reflected in the published peer-reviewed medical literature must exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and
5. proof as reflected in the published peer-reviewed medical literature must exist that improvements in health outcomes, as defined in paragraph 3, is possible in standard conditions of medical practice, outside clinical investigatory settings.

But all charges must be incurred while You are insured by this Policy. And what We pay is based on all the terms of this Policy including benefit limitations and exclusion provisions.

Family Deductible Cap: This Policy has a family deductible cap on care equal to two Deductibles for each Benefit Period. Once a family meets the equivalent of two individual Deductibles in a Benefit Period, We Pay benefits for other Covered Charges incurred by any member of the covered family for that type of care, less any applicable Copayment and Coinsurance, for the rest of that Benefit Period. The amount of Covered Charges applied toward the satisfaction of the family deductible cap by any one Covered Person may not exceed the amount of the Individual Cash Deductible. What We pay is based on all the terms of this Policy, including benefit limitation and exclusion provisions.

Coinsurance Cap: This Policy limits the Coinsurance amounts You must pay each Benefit Period. The Coinsurance cap cannot be met with Non-Covered Expenses and Coinsurance for the treatment of Mental or Nervous Conditions and Substance Abuse.

There is a Coinsurance cap for each Covered Person. The Coinsurance cap is shown in the "Schedule of Benefits."

Each Covered Person's Coinsurance amounts are used to meet his or her own Coinsurance cap. And all amounts used to meet the cap must actually be paid by You.

Once Your Coinsurance amounts in a Benefit Period exceed the individual cap, We waive Your Coinsurance for the rest of that Benefit Period.

THERE WILL BE NO CARRYOVER OF DEDUCTIBLES OR COINSURANCE INTO THE NEXT BENEFIT PERIOD.

Deductible Credit: For the first Benefit Period of this Policy, a Covered Person will receive credit for any Deductible amounts satisfied under previous coverage within the same calendar year that Your first Benefit Period starts under this Policy, provided that there has been no lapse in coverage between the previous coverage and this Policy.

This credit will be applied whether Your previous coverage was under a plan with Us or with another carrier. You will be required to provide Us with adequate documentation of the amounts satisfied.

Payment Limits: We limit what We pay for certain types of charges.

VIII. UTILIZATION REVIEW

THE DECISIONS MADE BY OUR REPRESENTATIVE(S) IN THIS UTILIZATION REVIEW PROGRAM ARE INTENDED ONLY TO DETERMINE THE EXTENT OF REIMBURSEMENT FOR A SERVICE.

OUR PAYMENT WILL BE REDUCED FOR NONCOMPLIANCE WITH THE PROVISIONS SET FORTH IN THIS SECTION.

- A. **IF YOU OR YOUR PRACTITIONER DO NOT REQUEST OUR AUTHORIZATION, OR IF, WE ASK YOU TO OBTAIN A SECOND AND/OR THIRD OPINION FOR PERFORMANCE OF A SURGICAL PROCEDURE OR HOSPITAL ADMISSION, AND YOU EITHER DO NOT OBTAIN SUCH OPINION(S), OR YOU DO NOT OBTAIN ONE CONFIRMING OPINION FROM EITHER THE SECOND OR THIRD OPINION, WE WILL REDUCE ANY PAYMENT WE MAKE BY 50% PROVIDED WE DETERMINE THE HOSPITAL ADMISSION, PROCEDURE, SERVICE OR SUPPLIES WERE MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.**
- B. **IF YOU OBTAIN A SECOND AND THIRD OPINION FOR PERFORMANCE OF A SURGICAL PROCEDURE OR HOSPITAL ADMISSION, AND NEITHER OF THE OPINIONS CONFIRM THE NEED FOR THE PROCEDURE OR HOSPITALIZATION AND YOU PROCEED WITH THE PROCEDURE OR HOSPITALIZATION, WE WILL NOT PAY FOR THE PROCEDURE OR HOSPITALIZATION NOR ANY ASSOCIATED PRACTITIONER (INCLUDING FACILITY) CHARGES.**
- C. **NO REDUCTION IN BENEFITS OR PAYMENT WILL BE APPLIED PURSUANT TO THIS SECTION IF, FOLLOWING AN INITIAL DETERMINATION BY US THAT WE WILL NOT AUTHORIZE A HOSPITAL ADMISSION OR PROCEDURE, SERVICES OR SUPPLIES, YOU REQUEST RECONSIDERATION OF OUR DECISION AND WE SUBSEQUENTLY DETERMINE THAT THE HOSPITAL ADMISSION OR PROCEDURE, SERVICES OR SUPPLIES WERE MEDICALLY NECESSARY AND APPROPRIATE IN SUCH AN EVENT, WE WILL MAKE PAYMENT AS OTHERWISE PROVIDED IN THIS POLICY.**

YOU WILL BE RESPONSIBLE FOR PAYING TO THE PROVIDER THE AMOUNT OF ANY REDUCTION OF BENEFITS (IN ADDITION TO ANY OTHER PAYMENTS YOU ARE REQUIRED TO MAKE UNDER THIS POLICY.)

The maximum reduction of benefits under this provision for failure to comply with any of the requirements set forth will be 50% unless we determine that the hospital admission, procedure, service or supply were not Medically Necessary and Appropriate.

Any reduction of benefits under this provision is subject to Your rights under the "Claims Appeal" section of the "Claims Procedure" provision of this Policy.

STEP 1—Request For Care Preapproval

If Your Practitioner recommends that You (a) be admitted, for any reason, as an Inpatient; or (b) undergo any of the Surgical procedures or receive other services or supplies listed below, You must first obtain Our authorization to Determine whether We agree that the hospitalization, procedures or other services and supplies are Medically Necessary and Appropriate.

Failure to notify Us of the procedures, services or supplies as provided in Step 2 below, will not affect Our payment if We Determine that notice was given to Us as soon as was reasonably possible.

In some instances, before We authorize a hospitalization or the performance of a surgical procedure listed, We may require a second and/or third opinion. See "Step 3" and "Step 4" below.

Our authorization is valid for 30 days. If the hospitalization, procedure, service or use of the supply does not occur as planned, You or Your Practitioner must contact Us to renew the authorization. If the authorization is not renewed, We will consider the hospitalization, procedure, service or supply as not authorized.

If You or Your Practitioner obtain Our authorization for one of the listed procedures, We, in consultation with Your Practitioner, will authorize the appropriate setting (Inpatient or Outpatient) for the proposed procedure. If We approve an Inpatient admission, You or Your Practitioner may proceed with the admission and Our Payment will not be affected. **IF WE DO NOT AUTHORIZE AN INPATIENT ADMISSION AND YOU PROCEED WITH THAT ADMISSION, ANY PAYMENT FOR FACILITY CHARGES WILL BE REDUCED BY 50%.** However, no reduction will apply if, following an initial Determination by Us that We will not authorize an in-patient admission, You request reconsideration of Our Determination and We Subsequently Determine the in-patient admission to have been Medically Necessary and Appropriate, We will make payment as otherwise provided in this policy.

- (a) For **Non-Medical Emergency** hospitalizations, procedures, services or supplies listed above, You or Your Practitioner must **contact Us at least 3 days prior to admission, treatment or purchase** to obtain Our authorization. We will provide You or Your Practitioner with Our Determination within those 3 days. However, for **maternity care**, You or Your Practitioner must contact Us **within the first 12 weeks of medical confirmation** of a pregnancy. We will provide You or Your Practitioner with Our Determination within those 24 hours.

In the event We are not able to provide You or Your Practitioner with a Determination within the time frames stated, We will tell You and Your Practitioner before the mid-point of the time stated, **or the next business day, whichever is later**, as well as put in writing to You, what specific information is needed to make that Determination. **In the event We do not respond to You or Your Practitioner within these time frames, We will not apply the 50% reduction of benefits as allowed by this Utilization Review section to Covered Charges incurred between the time You or Your Practitioner notify Us and We respond to You.**

In the event We do not authorize the hospitalization, procedure, service or supplies, We will send You a written statement within 7 days, explaining the specific reasons for denial of the authorization. Any such denial of Our authorization is subject to Your rights under the "Claims Appeal" section of the "Claims Procedure" provision of this Policy.

Failure to notify Us of the procedures, services or supplies listed above will not affect Our payment if We Determine that notice was given to Us as soon as was reasonably possible.

No reduction in benefits or payment will be applied pursuant to this section if, following an initial Determination by Us that We will not authorize a hospital admission or procedure, services or supplies, You request reconsideration of Our Determination and We subsequently Determine that the hospital admission or procedure, services or supplies are Medically Necessary and Appropriate. In such an event, We will make payment as otherwise provided in this policy.

STEP 3—Obtaining a Second Opinion

You may always obtain a second opinion when You are advised to have Surgery or be hospitalized. We may require that You obtain a second opinion if We Determine that it is necessary in order for Us to authorize a surgical procedure or hospital admission. If We Determine that a second opinion is necessary, We may arrange for the second opinion consultation. Regardless of whether the second opinion is at Our request or Yours, We will pay for the consultation and for any Diagnostic Services and Pre-Admission Testing necessary for the second opinion, subject to all Policy limitations and exclusions.

If the second opinion confirms the need for a surgical procedure, We, in consultation with Your Practitioner, will authorize the appropriate setting (Inpatient or Outpatient) for the proposed procedure. If We approve an Inpatient admission, You or Your Practitioner may proceed with the admission and Our payment will not be affected.

IF YOU DO NOT OBTAIN A SECOND OPINION WHICH WE ASK YOU TO OBTAIN, FOR AN INPATIENT ADMISSION OR PERFORMANCE OF THE PROCEDURE AND IF YOU PROCEED WITH THAT ADMISSION AND/OR PERFORMANCE OF THE PROCEDURE, ANY PAYMENT FOR FACILITY CHARGES AND/OR PERFORMANCE OF THE PROCEDURE WILL BE REDUCED BY 50% PROVIDED WE DETERMINE THE HOSPITALIZATION OR PERFORMANCE OF THE SURGICAL PROCEDURE WAS MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE SURGICAL PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.

A confirming second opinion is valid for 90 days. If You do not undergo the surgical procedure or become hospitalized within that time, You or Your Practitioner must notify Us and renew the confirming opinion prior to the hospital admission or the procedure being performed. If the confirming opinion is not renewed, We may consider the confirming opinion not authorized.

If the second opinion does not confirm the need for the surgical procedure or hospital admission, You may obtain or We may require You obtain a third opinion.

STEP 4—Obtaining a Third Opinion

If you obtained a second opinion and it did not confirm the need for the surgical procedure or hospital admission, You may obtain or We may require You to obtain a third opinion. Regardless of whether the third opinion is at Our request or Yours, We will pay for the consultation and for any Diagnostic Services and Pre-Admission Testing necessary for the third opinion, subject to all Policy limitations and exclusions.

IF NEITHER THE SECOND NOR THIRD OPINIONS DO NOT CONFIRM THE NEED FOR THE SURGICAL PROCEDURE OR HOSPITAL ADMISSION AND YOU PROCEED WITH THE PROCEDURE OR HOSPITALIZATION, WE WILL NOT PAY FOR THE PROCEDURE OR HOSPITALIZATION NOR ANY ASSOCIATED PRACTITIONER (INCLUDING FACILITY) CHARGES.

IF YOU DO NOT OBTAIN A THIRD OPINION WHICH WE HAVE ASKED YOU TO OBTAIN, OUR PAYMENT FOR THE PROCEDURE OR HOSPITALIZATION WILL BE REDUCED BY 50% PROVIDED WE DETERMINE THE PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.

A confirming third opinion is valid for 90 days. If you do not undergo the procedure or become hospitalized within that time, You or Your Practitioner must notify Us and renew the confirming opinion prior to the procedure being performed or the hospitalization. If the confirming opinion is not renewed, We may consider the confirming opinion not authorized.

You or Your Provider must send Us written notice of a claim. This notice should include Your name and Policy number. If the claim is being made for one of Your covered Dependents, the Dependent's name should also be noted. A separate claim form is needed for each claim submitted.

Proof of Loss: We will furnish you with forms for filing a proof of loss within 15 days of receipt of notice of claim. But if We do not furnish the forms on time, We will accept a written description and adequate documentation of the Accidental Injury or Illness that is the basis of the claim as proof, including an itemized bill with patient identification, diagnosis, Provider name and license number, type of service and amount of charge for service. You or Your Provider must detail the nature and extent of the claim being made. You or Your Provider must send Us written proof of loss within 90 days of the Covered Charge being incurred.

Late Notice of Proof: We will not void or reduce a claim if You cannot send Us notice and proof of loss immediately. But You or Your Provider must send Us notice and proof as soon as reasonably possible, but in no event later than one year following the date the proof of loss was otherwise required.

Payment of Benefits: We will pay all benefits to which You and Your Dependents are entitled as soon as We receive written proof of loss.

We pay all benefits to Your Provider or You, if You are living. If You are not living, We have the right to pay benefits to one or more of the following: (a) Your beneficiary; (b) Your estate; (c) Your spouse; (d) Your Parents; (e) Your Children; (f) Your brothers and sisters; and (g) any unpaid Provider of health care services.

But We cannot tell You which Provider You must use.

Claims Appeal: If We decline Your claim in whole or in part, We will send You an explanation of benefits in writing. Within 60 days after receiving Our written notice of declination, You may request that We reconsider any portion of the claim for which You believe benefits were wrongly declined. Limitations of Actions: You cannot bring a legal action against this Policy until 60 days from the date You file proof of loss. And You cannot bring legal action against this Policy after three years from the date You file proof of loss.

XII. [XIII.] RIGHT TO RECOVERY- THIRD PARTY LIABILITY

“Reasonable pro-rata Expenses” are those costs such as lawyers fees and court costs, incurred to effect a third party payment, expressed as a percentage of such payment.

“Third Party” means anyone other than Us or a Covered Person.

If a Covered Person makes a claim to Us for benefits under this Policy prior to receiving payment from a third party or its insurer, the Covered Person must agree, in writing, to repay Us from any amount of money they receive from the third party, or its insurer for an Illness or Accidental Injury.

We will only require such payment when the amounts received through such settlement, judgment or otherwise, are specifically identified as amounts paid for health benefits for which We paid benefits and those amounts were not otherwise deducted from an award, judgment or settlement in a civil action, brought in a court in this State, pursuant to N.J.S.A. 2A:15-97.

The repayment will be equal to the amount of benefits paid by Us. However, the Covered Person may deduct the reasonable pro-rata expenses, incurred in effecting the third party payment from the repayment to Us.

We shall require the return of health benefits paid for an Illness or Accidental Injury, up to the amount a Covered Person receives for that Illness or Injury through:

- a. a third party settlement;
- b. a satisfied judgment; or
- c. other means.

The repayment agreement shall be binding upon the Covered Person whether:

- a. the payment received from the third party, or its insurer, is the result of a legal judgment, an arbitration award, a compromise settlement, or any other arrangement, or
- b. the third party, or its insurer, has admitted liability for the payment.

We will not pay any benefits under this Policy to or on behalf of a Covered Person, who has received payment from a third party, or its insurer for past or future charges for an Illness or Accidental Injury, resulting from the negligence, intentional act, or no-fault tort liability of a Third Party.

This provision shall not be construed or applied so as to require the return of any benefits properly paid by an insurer or entity other than Us where the payment of those benefits was made pursuant to some other applicable state or federal law and that other law precludes such repayment.]

XIII. [XIV.] GENERAL PROVISIONS

THE POLICY

The entire Policy consists of:

- (a) the forms shown in the Table of Contents as of the Effective Date;
- (b) the Policyholder’s application, a copy of which is attached to the Policy;
- (c) any riders, endorsements or amendments to the Policy; and
- (d) the individual applications, if any, of all Covered Persons.

STATEMENTS

No statement will void the insurance, or be used in defense of a claim under this Policy, unless it is contained in a writing signed by You, and We furnish a copy to You or Your beneficiary.

All statements will be deemed representations and not warranties.

INCONTESTABILITY OF THE POLICY

There will be no contest of the validity of the Policy, except for not paying premiums, after it has been in force for two years.

No statement in any application, except a fraudulent statement, made by You shall be used in contesting the validity of Your insurance or in denying a claim for a loss incurred after such insurance has been in force for two years during Your lifetime.

AMENDMENT

The Policy may be amended, at any time, without Your consent or of anyone else with a beneficial interest in it. The Policyholder may change the type of coverage under this Policy at any time by notifying Us in writing.

We may make amendments to the Policy upon 30 days’ notice to the Policyholder, and as provided in (b) and (c) below. An amendment will not affect benefits for a service or supply furnished before the date of change; and no change to the benefits under this Policy will be made without the approval of the Board.

Only an officer of [Carrier] has authority: to waive any conditions or restrictions of the Policy, to extend the time in which a Premium may be paid, to make or change a Policy, or to bind Us by a promise or representation or by information given or received.

No change in the Policy is valid unless the change is shown in one of the following ways:

- (a) it is shown in an endorsement on it signed by an officer of [Carrier].
- (b) if a change has been automatically made to satisfy the requirements of any state or federal law that applies to the Policy, as provided in the section of this Policy called "Conformity With Law," it is shown in an amendment to it that is signed by an officer of [Carrier].
- (c) if a change is required by [Carrier], it is accepted by the Policyholder, as evidenced by payment of a Premium on or after the effective date of such change.
- (d) if a written request for a change is made by the Policyholder, it is shown in an amendment to it signed by the Policyholder and by an officer of [Carrier].

CLERICAL ERROR—MISSTATEMENTS

No clerical error by Us in keeping any records pertaining to coverage under this Policy will reduce Your coverage. Neither will delays in making those records reduce it. However, if We discover such an error or delay, a fair adjustment of Premiums will be made.

Premium adjustments that involve returning an unearned premium to You will be limited to the twelve-month period before We received satisfactory evidence that such adjustment should be made.

If You misstate Your age or any other relevant fact and the Premium is affected, a fair adjustment of Premiums will be made. If such misstatement affects the amount of coverage, the true facts will be used in Determining what coverage is in force under this Policy.

TERMINATION OF THE POLICY—RENEWAL PRIVILEGE

During or at End of Grace Period—Failure to Pay Premiums: If any Premium is not paid by the end of its grace period, the Policy will end when that period ends. However, You may write to Us, in advance, to ask that the Policy be terminated at the end of any period for which Premiums have been paid. Then the Policy will end on the date requested.

This Policy will be renewed automatically each year on the Anniversary Date, unless coverage is terminated on or before the Anniversary Date due to one of the following circumstances:

- (a) nonpayment of Premiums;
- (b) fraud or misrepresentation by You or Your Dependents;
- (c) termination of Your eligibility or, with respect to Your Dependent, Your Dependent's eligibility;

- (d) You become eligible either for Medicare, Medicaid or the date You first become eligible to participate in a Group Health Benefits Plan;
- (e) You become covered under another individual health benefits plan;
- (f) non-renewal as authorized by the Board.

Immediate cancellation will occur if You commit fraudulent acts or make misrepresentations with respect to coverage of You and Your Dependents.

TERMINATION OF DEPENDENT COVERAGE

If You fail to pay the cost of Dependent coverage, Your Dependent coverage will end. It will end on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

A Dependent's coverage ends when the Dependent is no longer eligible. This happens to a Dependent at 12:01 a.m. on the date the Dependent loses eligibility.

Also, Dependent coverage ends when the Policyholder's coverage ends.

Read this Policy carefully if Dependent coverage ends for any reason. Dependents may have the right to continue certain benefits for a limited time.

OFFSET

We reserve the right, before paying benefits to You, to use the amount of payment due to offset any unpaid Premiums or a claims payment previously made in error.

CONTINUING RIGHTS

Our failure to apply terms or conditions does not mean that We waive or give up any future rights under this Policy.

OTHER RIGHTS

This Policy is intended to pay benefits for Covered Charges in cash or in kind. It is not intended to provide services or supplies themselves, which may, or may not, be available.

We are only required to provide benefits to the extent stated in this Policy, its riders and attachments. We have no other liability.

Services and supplies are to be provided in the most cost-effective manner practicable as Determined by Us.

We reserve the right to use Our subsidiaries or appropriate employees or companies in administering this Policy.

We reserve the right to modify or replace an erroneously issued Policy.

We reserve the right to reasonably require that You be examined by a Practitioner of Our choice and at Our expense while Your claim is pending.

We reserve the right to obtain, at Our expense, an autopsy to determine the cause of Your death if that would affect Your claim for benefits.

Information in Your application may not be used by Us to void this Policy or in any legal action unless the application or a duplicate of it is attached to this Policy or has been furnished to You for attachment to this Policy.

ASSIGNMENT

No assignment or transfer by You of any of Your interest under this Policy is valid unless We consent thereto. However, We may, in Our Discretion, pay a Provider directly for services rendered to You.

[IN-NETWORK AND OUT-OF-NETWORK PROVIDER REIMBURSEMENT

Payment amounts, as specified in the "Schedule of Benefits", apply to Covered Charges incurred for services rendered or supplies provided by an eligible Provider.

An In-Network Provider will generally accept Our Allowance plus any Deductible, Coinsurance and Copayment You are required to make as payment in full for services rendered or supplies provided.

Our Allowance for Covered Charges for treatment rendered by an Out-of-Network Provider may be different than our In-Network Provider Allowance; also, an Out-of-Network Provider may bill You for the difference between Our Allowance and the Provider's actual charge.

In no event will Our payment be more than the Provider's actual charge.]

LIMITATION OF ACTIONS

No action at law or in equity shall be brought to recover on the policy until 60 days after You file written proof of loss. No such action shall be brought more than three years after the end of the time within which proof of loss is required.

NOTICES AND OTHER INFORMATION

Any notices, documents, or other information under the Policy may be sent by United States Mail, postage prepaid, addressed as follows:

If to Us: To Our last address on record.

If to You: To the last address provided by the Covered Person on an enrollment or change of address form actually delivered to Us.

RECORDS—INFORMATION TO BE FURNISHED

We will keep a record of Your benefits. It will contain key facts about Your coverage.

We will not have to perform any duty that depends on data before it is received from You in a form that satisfies Us. You may correct wrong data given to Us, if We have not been harmed by acting on it.

You must notify Us immediately of any event, including a change in eligibility, that may cause the termination of Your Coverage.

RELEASE OF RECORDS

By applying for benefits, You agree to allow all Providers to give Us needed information about the services and supplies they provide. We keep this information confidential. If a Provider requires special authorization for release of records, You agree to provide this authorization. Your failure to provide authorization or requested information will result in the declination of Your claim.

As Determined by Us, We may use appropriate non-employees, subsidiaries, or companies to conduct confidential medical record review for Our purposes.

[POLICYHOLDER/PROVIDER RELATIONSHIP

We are not Providers as defined in this Policy. We supply services in connection with conducting the business of insurance. This means We make Payment for Covered Charges incurred by persons eligible for benefits under this Policy.

We are not liable for any act or omission of any Provider nor any injury caused by a Provider's negligence, misfeasance, malfeasance, nonfeasance or malpractice.

We are not responsible for a Provider's failure or refusal to render services or provide supplies to persons eligible for benefits under this Policy.]

CONTINUATION OF COVERAGE

If You die while this Policy is in force for You, Your Spouse and Dependents, Your Spouse and Dependents may continue coverage under this Policy for 180 days from Your date of death, provided that Your Spouse and Dependents elect to so continue within 31 days of Your date of death and subject to: (a) payment of the Premium when due; and (b) the Policy provisions for termination of Spouse and Dependents' coverage for reasons other than Your death.

CONVERSION PRIVILEGE

If Your Spouse loses coverage due to a divorce, Your Spouse may apply for Your Spouse's own individual health

benefits plan. An application must be made within 31 days of the occurrence of the divorce.

If Your Spouse applies for the new coverage within 31 days of the divorce and meets Our Underwriting Requirements, the effective date of the new coverage shall be the day following the date the Spouse's coverage under this Policy ended. Any Pre-existing Condition limitation or other limitation not satisfied by the Spouse under this Policy will apply under the new coverage to the extent it remains unsatisfied.

DETERMINATION OF SERVICES

If the nature or extent of a given service must be determined, this Determination is entirely up to Us.

PAYMENT AND CONDITIONS OF PAYMENT

For eligible services from an eligible Facility or Practitioner, We will Determine to pay either You or the Facility or Practitioner.

Payment for all other Covered Charges will be made directly to You unless, before submission of each claim, You request in writing that Payment be made directly to the Provider and We agree to do this.

Except as provided above, in the event of Your death or total incapacity, any Payment or refund due will be made to Your heirs, beneficiaries, or trustees.

If We make Payments to anyone who is not entitled to them under this Policy, We have the right to recover these Payments from that individual or entity or You.

PRIMARY RESIDENCE REQUIREMENT

In order to obtain and continue health care coverage with Us, Your Primary Residence must be in New Jersey. We reserve the right to require proof of Your Primary Residence.

We will cancel this Policy if You move Your Primary Residence outside of the State. We will give You at least 30 days' written notice of the cancellation.

SERVICES FOR AUTOMOBILE RELATED INJURIES

When You are the named insured under a motor vehicle insurance Policy, You have two options under the terms of Your motor vehicle insurance Policy. The option You select will also determine coverage of any family member covered under that Policy who is not a separate named insured under another motor vehicle policy.

- (a) You may choose to have primary coverage for such services covered under Your motor vehicle insurance Policy (the Personal Injury Protection or compulsory Medical Payment provisions of a New Jersey motor vehicle insurance Policy or under similar provisions of a motor vehicle Policy required by any other federal or state no-fault motor vehicle insurance law).

If You choose this option, We will provide secondary coverage in accordance with regulations issued by the Department of Insurance.

- (b) You may choose to have primary coverage for such services provided by this Policy.

If You choose this option, We will provide benefits for any Covered Charges incurred for the diagnosis or treatment of an Accidental Injury or Illness resulting from a motor vehicle accident. However, these benefits are subject to the terms, conditions, and limits set forth in this Policy.

In addition, the motor vehicle insurance policy may provide for secondary benefits in accordance with regulations issued by the Department of Insurance.

If there is a dispute as to primacy between the motor vehicle insurance policy and this Policy, this Policy will be primary.

This order of benefit determination does not apply if You are enrolled in a government health benefit program which provides that it is always secondary, or otherwise will not be a primary provider of benefits for motor vehicle injuries.

CONFORMITY WITH LAW

If the provisions of the Policy do not conform to the requirements of any state or federal law that applies to the Policy, the Policy is automatically changed to conform with [Carrier's] interpretation of the requirements of that law, as approved by the Board.

This entire Policy is governed by the laws of the State of New Jersey.

EFFECTIVE DATE. The date on which coverage begins under this Policy for You or Your Dependents, as the context in which the term is used suggests.

EXPERIMENTAL or INVESTIGATIONAL.

Services or supplies, including treatments, procedures, hospitalizations, drugs, biological products or medical devices, which We Determine are:

- (a) not of proven benefit for the particular diagnosis or treatment of Your particular condition; or
- (b) not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of Your particular condition; or
- (c) provided or performed in special settings for research purposes or under a controlled environment or clinical protocol.

Unless otherwise required by law with respect to drugs which have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration (FDA), We will not cover any services or supplies, including treatment, procedures, drugs, biological products or medical devices or any hospitalizations in connection with Experimental or Investigational services or supplies.

We will also not cover any technology or any hospitalization in connection with such technology if such technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of Your particular condition.

Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of Your particular condition as explained below.

We will apply the following five criteria in Determining whether services or supplies are Experimental or Investigational:

1. any medical device, drug, or biological product must have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug or biological product for another diagnosis or condition will require that one or more of the following established reference compendia:

—The American Medical Association Drug Evaluations;

—The American Hospital Formulary Service Drug Information; or

—The United States Pharmacopeia Drug Information.

recognize the usage as appropriate medical treatment. As an alternative to such recognition in one or more of the compendia, the usage of the drug will be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests will not be considered Experimental or Investigational.

In any event, any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered Experimental or Investigational.

2. conclusive evidence from the published peer-reviewed medical literature must exist that the technology has a definite positive effect on health outcomes; such evidence must include well-designed investigations that have been reproduced by nonaffiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;
3. demonstrated evidence as reflected in the published peer-reviewed medical literature must exist that over time the technology leads to improvement in health outcomes, i.e., the beneficial effects outweigh any harmful effects;
4. proof as reflected in the published peer-reviewed medical literature must exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and
5. proof as reflected in the published peer-reviewed medical literature must exist that improvements in health outcomes, as defined in paragraph 3, is possible in standard conditions of medical practice, outside clinical investigatory settings.

PAYMENT OF PREMIUMS—GRACE PERIOD

Premiums are to be paid by You to Us. They are due on each Premium Due Date [stated on the first page of the Policy]. You may pay each Premium other than the first within 31 days of the Premium Due Date. Those days are known as the grace period. You are liable to pay Premiums to Us from the first day the Policy is in force. If any Premium is not paid by the end of the grace period, the Policy will end when that period ends. [Premiums accepted by Us after the end of the grace period are subject to a late payment interest charge determined as a percentage of the amount unpaid. That percentage will be Determined by Us from time to time, but will not be more than the maximum allowed by law.]

PREMIUM RATE CHANGES

The Premium rates in effect on the Effective Date are shown in the Policy's [Schedule of Premium Rates]. We have the right to change Premium rates as of any of these dates:

- (a) any Premium Due Date;
- (b) any date that the extent or nature of the risk under the Policy is changed:
 - (1) by amendment of the Policy; or
 - (2) by reason of any provision of law or any government program or regulation;
- (c) at the discovery of a clerical error or misstatement as described in the "General Provisions" section of this Policy.

We will give You 30 days written notice when a change in the Premium rates is made.

V. BENEFIT DEDUCTIBLES AND COINSURANCE

Cash Deductible: Each Benefit Period, You must have Covered Charges that exceed the Deductible before We pay any benefits to You for those charges (subject to the Family Deductible Cap as described below). The Deductibles are shown in the Schedule of Benefits section of this Policy. The Deductibles cannot be met with Non-Covered Expenses. Only Covered Charges incurred by You while insured can be used to meet the Deductible for those charges.

Once a Deductible is met, We pay benefits for other Covered Charges above the Deductible amount incurred by You, less any applicable Coinsurance and Copayments, for the rest of that Benefit Period. But all charges must be incurred while You are insured by this Policy. And what We pay is based on all the terms of this Policy including benefit limitations and exclusion provisions.

Family Deductible Cap: This Policy has a family deductible cap on care equal to two Deductibles for each Benefit Period. Once a family meets the equivalent of two individual Deductibles in a Benefit Period, We pay benefits for other Covered Charges incurred by any member of the covered family for that type of care, less any applicable Copayment and Coinsurance, for the rest of that Benefit Period. The amount of Covered Charges applied toward the satisfaction of the family deductible cap by any one Covered Person may not exceed the amount of the individual Cash Deductible. What We pay is based on all the terms of this Policy, including benefit limitation and exclusion provisions.

Coinsurance Cap: This Policy limits the Coinsurance amounts You must pay each Benefit Period. The Coinsurance cap cannot be met with Non-Covered Expenses and Coinsurance for the treatment of Mental or Nervous Conditions and Substance Abuse.

There is a Coinsurance cap for each Covered Person. The Coinsurance cap is shown in the "Schedule of Benefits."

Each Covered Person's Coinsurance amounts are used to meet his or her own Coinsurance cap. And all amounts used to meet the cap must actually be paid by You.

Once Your Coinsurance amounts in a Benefit Period exceed the individual cap, We waive Your Coinsurance for the rest of that Benefit Period.

THERE WILL BE NO CARRYOVER OF DEDUCTIBLES OR COINSURANCE INTO THE NEXT BENEFIT PERIOD.

Deductible Credit: For the first Benefit Period of this Policy, a Covered Person will receive credit for any Deductible amounts satisfied under previous coverage within the same calendar year that Your first Benefit Period starts under this Policy, provided that there has been no lapse in coverage between the previous coverage and this Policy.

This credit will be applied whether Your previous coverage was under a plan with Us or with another carrier. You will be required to provide Us with adequate documentation of the amounts satisfied.

Payment Limits: We limit what We pay for certain types of charges.

VI. COVERED CHARGES

We will pay benefits if, due to an Accidental Injury or Illness, You incur Medically Necessary and Appropriate Covered Charges during a Benefit Period. Unless stated, all benefits are subject to Copayment, Deductibles, Coinsurance, other limits and exclusions shown in the "Schedule of Benefits", along with other provisions in this Policy.

“Palliative and supportive care” means care and support aimed mainly at lessening or controlling pain or symptoms; it makes no attempt to cure Your terminal Illness.

“Terminally Ill” means that Your Practitioner has certified in writing that Your life expectancy is six months or less.

Hospice care must be furnished according to a written hospice care program. A “hospice care program” is a coordinated program for meeting Your special needs if You are terminally Ill. It must be set up in writing and reviewed periodically by Your Practitioner.

VIII. UTILIZATION REVIEW

THE DECISIONS MADE BY OUR REPRESENTATIVE(S) IN THIS UTILIZATION REVIEW PROGRAM ARE INTENDED ONLY TO DETERMINE THE EXTENT OF REIMBURSEMENT FOR A SERVICE.

OUR PAYMENT WILL BE REDUCED FOR NONCOMPLIANCE WITH THE PROVISIONS SET FORTH IN THIS SECTION.

- A. **IF YOU OR YOUR PRACTITIONER DO NOT REQUEST OUR AUTHORIZATION, OR IF WE ASK YOU TO OBTAIN A SECOND AND/OR THIRD OPINION FOR PERFORMANCE OF A SURGICAL PROCEDURE OR HOSPITAL ADMISSION, AND YOU EITHER DO NOT OBTAIN SUCH OPINION(S), OR YOU DO NOT OBTAIN ONE CONFIRMING OPINION FROM EITHER THE SECOND OR THIRD OPINION, WE WILL REDUCE ANY PAYMENT WE MAKE BY 50% PROVIDED WE DETERMINE THE HOSPITAL ADMISSION, PROCEDURE, SERVICE OR SUPPLIES WERE MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.**
- B. **IF YOU OBTAIN A SECOND AND THIRD OPINION FOR PERFORMANCE OF A SURGICAL PROCEDURE OR HOSPITAL ADMISSION, AND NEITHER OF THE OPINIONS CONFIRM THE NEED FOR THE PROCEDURE OR HOSPITALIZATION AND YOU PROCEED WITH THE PROCEDURE OR HOSPITALIZATION, WE WILL NOT PAY FOR THE PROCEDURE OR HOSPITALIZATION NOR ANY ASSOCIATED PRACTITIONER (INCLUDING FACILITY) CHARGES.**

C. NO REDUCTION IN BENEFITS OR PAYMENT WILL BE APPLIED PURSUANT TO THIS SECTION IF, FOLLOWING AN INITIAL DETERMINATION BY US THAT WE WILL NOT AUTHORIZE A HOSPITAL ADMISSION OR PROCEDURE, SERVICES OR SUPPLIES, YOU REQUEST RECONSIDERATION OF OUR DECISION AND WE SUBSEQUENTLY DETERMINE THAT THE HOSPITAL ADMISSION OR PROCEDURE, SERVICES OR SUPPLIES WERE MEDICALLY NECESSARY AND APPROPRIATE IN SUCH AN EVENT, WE WILL MAKE PAYMENT AS OTHERWISE PROVIDED IN THIS POLICY.

YOU WILL BE RESPONSIBLE FOR PAYING TO THE PROVIDER THE AMOUNT OF ANY REDUCTION OF BENEFITS (IN ADDITION TO ANY OTHER PAYMENTS YOU ARE REQUIRED TO MAKE UNDER THIS POLICY.)

The maximum reduction of benefits under this provision for failure to comply with any of the requirements set forth will be 50% unless We determine that the hospital admission, procedure, service or supply were not Medically Necessary and Appropriate.

Any reduction of benefits under this provision is subject to Your rights under the "Claims Appeal" section of the "Claims Procedure" provision of this Policy.

STEP 1—Request For Care Preapproval

If Your Practitioner recommends that You (a) be admitted, for any reason, as an Inpatient; or (b) undergo any of the Surgical procedures or receive other services or supplies listed below, You must first obtain Our authorization to Determine whether We agree that the hospitalization, procedures or other services and supplies are Medically Necessary and Appropriate.

Failure to notify Us of the procedures, services or supplies as provided in Step 2 below, will not affect Our payment if We Determine that notice was given to Us as soon as was reasonably possible.

In some instances, before We authorize a hospitalization or the performance of a surgical procedure listed, We may require a second and/or third opinion. See "Step 3" and "Step 4" below.

Our authorization is valid for 30 days. If the hospitalization, procedure, service or use of the supply does not occur as planned, You or Your Practitioner must contact Us to renew the authorization. If the authorization is not renewed, We will consider the hospitalization, procedure, service or supply as not authorized.

If You or Your Practitioner obtain Our authorization for one of the listed procedures, We, in consultation with Your Practitioner, will authorize the appropriate setting (Inpatient or Outpatient) for the proposed procedure. If We approve an Inpatient admission, You or Your Practitioner may proceed with the admission and Our Payment will not be affected. **IF WE DO NOT AUTHORIZE AN INPATIENT ADMISSION AND YOU PROCEED WITH THAT ADMISSION, ANY PAYMENT FOR FACILITY CHARGES WILL BE REDUCED BY 50%.** However, no reduction will apply if, following an initial Determination by Us that We will not authorize an in-patient admission, You request reconsideration of Our Determination and We Subsequently Determine the in-patient admission to have been Medically Necessary and Appropriate, We will make payment as otherwise provided in this Policy.

STEP 2—Notice Requirements

If We are notified within the required time and We Determine that the procedures, services or supplies are Medically Necessary and Appropriate, Our Payment will not be affected. **IF WE ARE NOT NOTIFIED WITHIN THE TIME SPECIFIED, WE WILL REDUCE ANY PAYMENT BY 50%.**

- (a) For **Non-Medical Emergency** hospitalizations, procedures, services or supplies listed above, You or Your Practitioner must **contact Us at least 3 days prior to admission, treatment or purchase** to obtain Our authorization. We will provide You or Your Practitioner with Our Determination within those 3 days. However, for **maternity care**, You or Your Practitioner must **contact Us within the first 12 weeks of medical confirmation** of a pregnancy. We will send You or Your Practitioner Our acknowledgement of the pregnancy within 7 days.
- (b) For **Medical Emergency** hospitalizations, procedures, services or supplies You or Your Practitioner must **contact Us within 48 hours or on the next business day (whichever is later)**, from the commencement of hospitalization, treatment, or use of supplies, whichever is later, to obtain Our authorization. We will

provide You or Your Practitioner with Our Determination within 48 hours.

- (c) For **Continued Confinement** as an Inpatient beyond the time authorized, You or Your Provider must **contact us at least 1 full day, i.e. 24 hours, prior to the preapproved discharge date**, for additional authorization. We will provide You or Your Practitioner with Our Determination within those 24 hours.

In the event We are not able to provide You or Your Practitioner with a Determination within the time frames stated, We will tell You and Your Practitioner before the mid-point of the time stated, **or the next business day, whichever is later**, as well as put in writing to You, what specific information is needed to make that Determination. **In the event We do not respond to You or Your Practitioner within these time frames, We will not apply the 50% reduction of benefits as allowed by this Utilization Review section to Covered Charges incurred between the time You or Your Practitioner notify Us and We respond to You.**

In the event We do not authorize the hospitalization, procedure, service or supplies, We will send You a written statement within 7 days, explaining the specific reasons for denial of the authorization. Any such denial of Our authorization is subject to Your rights under the "Claims Appeal" section of the "Claims Procedure" provision of this Policy.

Failure to notify Us of the procedures, services or supplies listed above will not affect Our payment if We Determine that notice was given to Us as soon as was reasonably possible.

No reduction in benefits or payment will be applied pursuant to this section if, following an initial Determination by Us that We will not authorize a hospital admission or procedure, services or supplies, You request reconsideration of Our Determination and We subsequently Determine that the hospital admission or procedure, services or supplies are Medically Necessary and Appropriate. In such an event, We will make payment as otherwise provided in this Policy.

STEP 3—Obtaining a Second Opinion

You may always obtain a second opinion when You are advised to have Surgery or be hospitalized. We may require that You obtain a second opinion if We Determine that it is necessary in order for Us to authorize a surgical procedure or hospital admission. If We Determine that a second opinion is necessary, We may arrange for the second opinion consultation. Regardless of whether the second opinion is at Our request or Yours, We will pay for the consultation and for any Diagnostic Services and Pre-Admission Testing necessary for the second opinion, subject to all Policy limitations and exclusions.

If the second opinion confirms the need for a surgical procedure, We, in consultation with Your Practitioner, will authorize the appropriate setting (Inpatient or Outpatient) for the proposed procedure. If We approve an Inpatient admission, You or Your Practitioner may proceed with the admission and Our payment will not be affected.

IF YOU DO NOT OBTAIN A SECOND OPINION WHICH WE ASK YOU TO OBTAIN FOR AN INPATIENT ADMISSION OR PERFORMANCE OF THE PROCEDURE AND IF YOU PROCEED WITH THAT ADMISSION AND/OR PERFORMANCE OF THE PROCEDURE, ANY PAYMENT FOR FACILITY CHARGES AND/OR PERFORMANCE OF THE PROCEDURE WILL BE REDUCED BY 50% PROVIDED WE DETERMINE THE HOSPITALIZATION OR PERFORMANCE OF THE SURGICAL PROCEDURE WAS MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE SURGICAL PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.

A confirming second opinion is valid for 90 days. If You do not undergo the surgical procedure or become hospitalized within that time, You or Your Practitioner must notify Us and renew the confirming opinion prior to the hospital admission or the procedure being performed. If the confirming opinion is not renewed, We may consider the confirming opinion not authorized.

If the second opinion does not confirm the need for the surgical procedure or hospital admission, You may obtain or We may require You obtain a third opinion.

STEP 4—Obtaining a Third Opinion

If you obtained a second opinion and it did not confirm the need for the surgical procedure or hospital admission, You may obtain or We may require You to obtain a third opinion. Regardless of whether the third opinion is at Our request or Yours, We will pay for the consultation and for any Diagnostic Services and Pre-Admission Testing necessary for the third opinion, subject to all Policy limitations and exclusions.

IF NEITHER THE SECOND NOR THIRD OPINIONS DO NOT CONFIRM THE NEED FOR THE SURGICAL PROCEDURE OR HOSPITAL ADMISSION AND YOU PROCEED WITH THE PROCEDURE OR HOSPITALIZATION, WE WILL NOT PAY FOR THE PROCEDURE OR HOSPITALIZATION NOR ANY ASSOCIATED PRACTITIONER (INCLUDING FACILITY) CHARGES.

IF YOU DO NOT OBTAIN A THIRD OPINION WHICH WE HAVE ASKED YOU TO OBTAIN, OUR PAYMENT FOR THE PROCEDURE OR HOSPITALIZATION WILL BE REDUCED BY 50% PROVIDED WE DETERMINE THE PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS MEDICALLY NECESSARY AND APPROPRIATE. IF WE DETERMINE THAT PERFORMANCE OF THE PROCEDURE OR THE HOSPITALIZATION WAS NOT MEDICALLY NECESSARY AND APPROPRIATE, WE WILL NOT MAKE ANY PAYMENT.

A confirming third opinion is valid for 90 days. If you do not undergo the procedure or become hospitalized within that time, You or Your Practitioner must notify Us and renew the confirming opinion prior to the procedure being performed or the hospitalization. If the confirming opinion is not renewed, We may consider the confirming opinion not authorized.

noted. A separate claim form is needed for each claim submitted.

Proof of Loss: We will furnish you with forms for filing a proof of loss within 15 days of receipt of notice of claim. But if We do not furnish the forms on time, We will accept a written description and adequate documentation of the Accidental Injury or Illness that is the basis of the claim as proof, including an itemized bill with patient identification, diagnosis, Provider name and license number, type of service and amount of charge for service. You or Your Provider must detail the nature and extent the claim being made. You or Your Provider must send Us written proof of loss within 90 days of the Covered Charge being incurred.

Late Notice of Proof: We will not void or reduce a claim if You cannot send Us notice and proof of loss immediately. But You or Your Provider must send Us notice and proof as soon as reasonably possible, but in no event later than one year following the date the proof of loss was otherwise required.

Payment of Benefits: We will pay all benefits to which You and Your Dependents are entitled as soon as We receive written proof of loss.

We pay all benefits to Your Provider or You, if You are living. If You are not living, We have the right to pay benefits to one or more of the following: (a) Your beneficiary; (b) Your estate; (c) Your spouse; (d) Your Parents; (e) Your Children; (f) Your brothers and sisters; and (g) any unpaid Provider of health care services.

Limitations of Actions: You cannot bring a legal action against this Policy until 60 days from the date You file proof of loss. And You cannot bring legal action against this Policy after three years from the date You file proof of loss.

XII. [XIII.] RIGHT TO RECOVERY- THIRD PARTY LIABILITY

“Reasonable pro-rata Expenses” are those costs such as lawyers fees and court costs, incurred to effect a third party payment, expressed as a percentage of such payment.

“Third Party” means anyone other than Us or a Covered Person.

If a Covered Person makes a claim to Us for benefits under this Policy prior to receiving payment from a third party or its insurer, the Covered Person must agree, in writing, to repay Us from any amount of money they receive from the third party, or its insurer for an Illness or Accidental Injury.

We will only require such payment when the amounts received through such settlement, judgment or otherwise, are specifically identified as amounts paid for health benefits for which We paid benefits and those amounts were not otherwise deducted from an award, judgement or settlement in a civil action, brought in a court of this State, pursuant to N.J.S.A. 2A:15-97.

The repayment will be equal to the amount of benefits paid by Us. However, the Covered Person may deduct the reasonable pro-rata expenses, incurred in effecting the third party payment from the repayment to Us.

We shall require the return of health benefits paid for an Illness or Accidental Injury, up to the amount a Covered Person receives for that Illness or Accidental Injury through:

- a. a third party settlement;
- b. a satisfied judgment; or
- c. other means.

The repayment agreement shall be binding upon the Covered Person whether:

- a. the payment received from the third party, or its insurer, is the result of a legal judgment, an arbitration award, a compromise settlement, or any other arrangement, or
- b. the third party, or its insurer, has admitted liability for the payment.

We will not pay any benefits under this Policy to or on behalf of a Covered Person, who has received payment from a third party, or its insurer for past or future charges for an Illness or Accidental Injury, resulting from the negligence, intentional act, or no-fault tort liability of a third party.

This provision shall not be construed or applied so as to require the return of any benefits properly paid by an insurer or entity other than Us where the payment of those benefits was made pursuant to some other applicable state or federal law and that other law precludes such repayments.]

XIII. [XIV.] GENERAL PROVISIONS

THE POLICY

The entire Policy consists of:

- (a) the forms shown in the Table of Contents as of the Effective Date;
- (b) the Policyholder's application, a copy of which is attached to the Policy;
- (c) any riders, endorsements or amendments to the Policy; and
- (d) the individual applications, if any, of all Covered Persons.

STATEMENTS

No statement will void the insurance, or be used in defense of a claim under this Policy, unless it is contained in a writing signed by You, and We furnish a copy to You or Your beneficiary.

All statements will be deemed representations and not warranties.

INCONTESTABILITY OF THE POLICY

There will be no contest of the validity of the Policy, except for not paying premiums, after it has been in force for two years.

No statement in any application, except a fraudulent statement, made by You shall be used in contesting the validity of Your insurance or in denying a claim for a loss incurred after such insurance has been in force for two years during Your lifetime.

AMENDMENT

The Policy may be amended, at any time, without Your consent or that of anyone else with a beneficial interest in it. The Policyholder may change the type of coverage under this Policy at any time by notifying Us in writing.

We may make amendments to the Policy upon 30 days' notice to the Policyholder, and as provided in (b) and (c) below. An amendment will not affect benefits for a service or supply furnished before the date of change; and no change to the benefits under this Policy will be made without the approval of the Board.

Only an officer of [Carrier] has authority: to waive any conditions or restrictions of the Policy, to extend the time in which a Premium may be paid, to make or change a Policy, or to bind Us by a promise or representation or by information given or received.

No change in the Policy is valid unless the change is shown in one of the following ways:

- (a) it is shown in an endorsement on it signed by an officer of [Carrier].
- (b) if a change has been automatically made to satisfy the requirements of any state or federal law that applies to the Policy, as provided in the section of this Policy called "Conformity With Law," it is shown in an amendment to it that is signed by an officer of [Carrier].
- (c) if a change is required by [Carrier], it is accepted by the Policyholder, as evidenced by payment of a Premium on or after the effective date of such change.
- (d) if a written request for a change is made by the Policyholder, it is shown in an amendment to it signed by the Policyholder and by an officer of [Carrier].

CLERICAL ERROR—MISSTATEMENTS

No clerical error by Us in keeping any records pertaining to coverage under this Policy will reduce Your coverage. Neither will delays in making those records reduce it. However, if We discover such an error or delay, a fair adjustment of Premiums will be made.

Premium adjustments that involve returning an unearned premium to You will be limited to the twelve-month period before We received satisfactory evidence that such adjustment should be made.

If You misstate Your age or any other relevant fact and the Premium is affected, a fair adjustment of Premiums will be made. If such misstatement affects the amount of coverage, the true facts will be used in Determining what coverage is in force under this Policy.

TERMINATION OF THE POLICY—RENEWAL PRIVILEGE

During or at End of Grace Period—Failure to Pay Premiums: If any Premium is not paid by the end of its grace period, the Policy will end when that period ends. However, You may write to Us, in advance, to ask that the Policy be terminated at the end of any period for which Premiums have been paid. Then the Policy will end on the date requested.

This Policy will be renewed automatically each year on the Anniversary Date, unless coverage is terminated on or before the Anniversary Date due to one of the following circumstances:

- (a) nonpayment of Premiums;
- (b) fraud or misrepresentation by You or Your Dependents;
- (c) termination of Your eligibility or, with respect to Your Dependent, Your Dependent's eligibility;
- (d) You become eligible either for Medicare, Medicaid or the date You first become eligible to participate in a Group Health Benefits Plan;
- (e) You became covered under another individual health benefits plan;
- (f) non-renewal as authorized by the Board.

Immediate cancellation will occur if You commit fraudulent acts or make misrepresentations with respect to coverage of You and Your Dependents.

TERMINATION OF DEPENDENT COVERAGE

If You fail to pay the cost of Dependent coverage, Your Dependent coverage will end. It will end on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

A Dependent's coverage ends when the Dependent is no longer eligible. This happens to a Dependent at 12:01 a.m. on the date the Dependent loses eligibility.

Also, Dependent coverage ends when the Policyholder's coverage ends.

Read this Policy carefully if Dependent coverage ends for any reason. Dependents may have the right to continue certain benefits for a limited time.

OFFSET

We reserve the right, before paying benefits to You, to use the amount of payment due to offset any unpaid Premiums or a claims payment previously made in error.

CONTINUING RIGHTS

Our failure to apply terms or conditions does not mean that We waive or give up any future rights under this Policy.

OTHER RIGHTS

This Policy is intended to pay benefits for Covered Charges in cash or in kind. It is not intended to provide services or supplies themselves, which may, or may not, be available.

We are only required to provide benefits to the extent stated in this Policy, its riders and attachments. We have no other liability.

Services and supplies are to be provided in the most cost-effective manner practicable as Determined by Us.

We reserve the right to use Our subsidiaries or appropriate employees or companies in administering this Policy.

We reserve the right to modify or replace an erroneously issued Policy.

We reserve the right to reasonably require that You be examined by a Practitioner of Our choice and at Our expense while Your claim is pending.

We reserve the right to obtain, at Our expense, an autopsy to determine the cause of Your death if that would affect Your claim for benefits.

Information in Your application may not be used by Us to void this Policy or in any legal action unless the application or a duplicate of it is attached to this Policy or has been furnished to You for attachment to this Policy.

ASSIGNMENT

No assignment or transfer by You of any of Your interest under this Policy is valid unless We consent thereto. However, We may, in Our Discretion, pay a Provider directly for services rendered to You.

[IN-NETWORK AND OUT-OF-NETWORK PROVIDER REIMBURSEMENT

Payment amounts, as specified in the "Schedule of Benefits", apply to Covered Charges incurred for services rendered or supplies provided by an eligible Provider.

An In-Network Provider will generally accept Our Allowance plus any Deductible, Coinsurance and Copayment You are required to make as payment in full for services rendered or supplies provided.

Our Allowance for Covered Charges for treatment rendered by an Out-of-Network Provider may be different than our In-Network Provider Allowance; also, an Out-of-Network Provider may bill You for the difference between Our Allowance and the Provider's actual charge.

In no event will Our payment be more than the Provider's actual charge.]

LIMITATION OF ACTIONS

No action at law or in equity shall be brought to recover on the policy until 60 days after You file written proof of loss. No such action shall be brought more than three years after the end of the time within which proof of loss is required.

NOTICES AND OTHER INFORMATION

Any notices, documents, or other information under the Policy may be sent by United States Mail, postage prepaid, addressed as follows:

If to Us: To Our last address on record.

If to You: To the last address provided by the Covered Person on an enrollment or change of address form actually delivered to Us.

RECORDS—INFORMATION TO BE FURNISHED

We will keep a record of Your benefits. It will contain key facts about Your coverage.

We will not have to perform any duty that depends on data before it is received from You in a form that satisfies Us. You may correct wrong data given to Us, if We have not been harmed by acting on it.

You must notify Us immediately of any event, including a change in eligibility, that may cause the termination of Your Coverage.

RELEASE OF RECORDS

By applying for benefits, You agree to allow all Providers to give Us needed information about the services and supplies they provide. We keep this information confidential. If a Provider requires special authorization for release of records, You agree to provide this authorization. Your failure to provide authorization or requested information will result in the declination of Your claim.

As Determined by Us, We may use appropriate non-employees, subsidiaries, or companies to conduct confidential medical record review for Our purposes.

[POLICYHOLDER/PROVIDER RELATIONSHIP

We are not Providers as defined in this Policy. We supply services in connection with conducting the business of insurance. This means We make Payment for Covered Charges incurred by persons eligible for benefits under this Policy.

We are not liable for any act or omission of any Provider nor any injury caused by a Provider's negligence, misfeasance, malfeasance, nonfeasance or malpractice.

We are not responsible for a Provider's failure or refusal to render services or provide supplies to persons eligible for benefits under this Policy.]

CONTINUATION OF COVERAGE

If You die while this Policy is in force for You, Your Spouse and Dependents, Your Spouse and Dependents may continue coverage under this Policy for 180 days from Your date of death, provided that Your Spouse and Dependents elect to so continue within 31 days of Your date of death and subject to: (a) payment of the Premium when due; and (b) the Policy provisions for termination of Spouse and Dependents' coverage for reasons other than Your death.

CONVERSION PRIVILEGE

If Your Spouse loses coverage due to a divorce, Your Spouse may apply for Your Spouse's own individual health benefits plan. An application must be made within 31 days of the occurrence of the divorce.

If Your Spouse applies for the new coverage within 31 days of the divorce and meets Our Underwriting Requirements, the effective date of the new coverage shall be the day following the date the Spouse's coverage under this Policy ended. Any Pre-existing Condition limitation or other limitation not satisfied by the Spouse under this Policy will apply under the new coverage to the extent it remains unsatisfied.

DETERMINATION OF SERVICES

If the nature or extent of a given service must be determined, this Determination is entirely up to Us.

PAYMENT AND CONDITIONS OF PAYMENT

For eligible services from an eligible Facility or Practitioner, We will Determine to pay either You or the Facility or Practitioner.

Payment for all other Covered Charges will be made directly to You unless, before submission of each claim, You request in writing that Payment be made directly to the Provider and We agree to do this.

Except as provided above, in the event of Your death or total incapacity, any Payment or refund due will be made to Your heirs, beneficiaries, or trustees.

If We make Payments to anyone who is not entitled to them under this Policy, We have the right to recover these Payments from that individual or entity or You.

PRIMARY RESIDENCE REQUIREMENT

In order to obtain and continue health care coverage with Us, Your Primary Residence must be in New Jersey. We reserve the right to require proof of Your Primary Residence.

We will cancel this Policy if You move Your Primary Residence outside of the State. We will give You at least 30 days' written notice of the cancellation.

SERVICES FOR AUTOMOBILE RELATED INJURIES

When You are the named insured under a motor vehicle insurance Policy, You have two options under the terms of Your motor vehicle insurance Policy. The option You select will also determine coverage of any family member covered under that Policy who is not a separate named insured under another motor vehicle policy.

- (a) You may choose to have primary coverage for such services covered under Your motor vehicle insurance Policy (the Personal Injury Protection or compulsory Medical Payment provisions of a New Jersey motor vehicle insurance Policy or under similar provisions of a motor vehicle Policy required by any other federal or state no-fault motor vehicle insurance law).

If You choose this option, We will provide secondary coverage in accordance with regulations issued by the Department of Insurance.

- (b) You may choose to have primary coverage for such services provided by this Policy.

If You choose this option, We will provide benefits for any Covered Charges incurred for the diagnosis or treatment of an Accidental Injury or Illness resulting from a motor vehicle accident. However, these benefits are subject to the terms, conditions, and limits set forth in this Policy.

In addition, the motor vehicle insurance policy may provide for secondary benefits in accordance with regulations issued by the Department of Insurance.

If there is a dispute as to primacy between the motor vehicle insurance policy and this Policy, this Policy will be primary.

This order of benefit determination does not apply if You are enrolled in a government health benefit program which provides that it is always secondary, or otherwise will not be a primary provider of benefits for motor vehicle injuries.

CONFORMITY WITH LAW

If the provisions of the Policy do not conform to the requirements of any state or federal law that applies to the Policy, the Policy is automatically changed to conform with [Carrier's] interpretation of the requirements of that law, as approved by the Board.

GOVERNING LAW

This entire Policy is governed by the laws of the State of New Jersey.

EXPERIMENTAL or INVESTIGATIONAL.

Services or supplies, including treatments, procedures, hospitalizations, drugs, biological products or medical devices, which We Determine are:

- (a) not of proven benefit for the particular diagnosis or treatment of Your particular condition; or
- (b) not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of Your particular condition; or
- (c) provided or performed in special settings for research purposes or under a controlled environment or clinical protocol.

Unless otherwise required by law with respect to drugs which have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration (FDA), We will not cover any services or supplies, including treatment, procedures, drugs, biological products or medical devices or any hospitalizations in connection with Experimental or Investigational services or supplies.

We will also not cover any technology or any hospitalization in connection with such technology if such technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of Your particular condition.

Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of Your particular condition as explained below.

We will apply the following five criteria in Determining whether services or supplies are Experimental or Investigational:

1. any medical device, drug, or biological product must have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, e.g., an Investigational Device Exemption or an Investigational New Drug Exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug or biological product for another diagnosis or condition will require that one or more of the following established reference compendia:

—The American Medical Association Drug Evaluations;

—The American Hospital Formulary Service Drug Information; or

—The United States Pharmacopeia Drug Information.

recognize the usage as appropriate medical treatment. As an alternative to such recognition in one or more of the compendia, the usage of the drug will be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the above tests will not be considered Experimental or Investigational.

In any event, any drug which the Food and Drug Administration has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered Experimental or Investigational.

2. conclusive evidence from the published peer-reviewed medical literature must exist that the technology has a definite positive effect on health outcomes; such evidence must include well-designed investigations that have been reproduced by nonaffiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;

3. demonstrated evidence as reflected in the published peer-reviewed medical literature must exist that over time the technology leads to improvement in health outcomes, i.e., the beneficial effects outweigh any harmful effects;
4. proof as reflected in the published peer-reviewed medical literature must exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and
5. proof as reflected in the published peer-reviewed medical literature must exist that improvements in health outcomes, as defined in paragraph 3, is possible in standard conditions of medical practice, outside clinical investigatory settings.

**VIII. RIGHT TO RECOVERY—
THIRD PARTY LIABILITY**

“Reasonable Pro-Rata Expenses” are those costs such as lawyers fees and court costs, incurred to effect a third party payment, expressed as a percentage of such payment.

“Third Party” means anyone other than Us or a Covered Person.

If a Covered Person receives services or supplies from Us or makes a claim to Us for benefits under this Contract prior to receiving payment from a third party or its insurer, the Covered Person must agree, in writing, to repay Us from any amount of money they receive from the third party, or its insurer for an Illness or Accidental Injury.

We will only require such payment when the amounts received through such settlement, judgment or otherwise, are specifically identified as amounts paid for health benefits for which We paid benefits or arranged [or provided] services or supplies and those amounts were not otherwise deducted from an award, judgment or settlement in a civil action, brought in a court of this State, pursuant to N.J.S.A. 2A:15-97.

The repayment will be equal to the amount of benefits paid by Us or the reasonable cash value of services and supplies arranged or provided by Us. However, the Covered Person may deduct the reasonable pro-rata expenses, incurred in effecting the third party payment from the repayment to Us.

We shall require the return of health benefits paid or the reasonable cash value of all services and supplies arranged [or provided] for an Illness or Accidental Injury, up to the amount a Covered Person receives for that Illness or Accidental Injury through:

- a. a third party settlement;
- b. a satisfied judgment; or

The repayment agreement shall be binding upon the Covered Person whether:

- a. the payment received from the third party, or its insurer, is the result of a legal judgment, an arbitration award, a compromise settlement, or any other arrangement, or
- b. the third party, or its insurer, has admitted liability for the payment.

We will not pay any benefits under this Contract or arrange [or provide] services and supplies to or on behalf of a Covered Person, who has received payment in whole or in part from a third party, or its insurer for past or future charges for an Illness or Accidental Injury, resulting from the negligence, intentional act, or no-fault tort liability of a Third Party.

This provision shall not be construed or applied so as to require the return of any benefit properly paid by an insurer or entity other than Us where the payment of those benefits was made pursuant to some other applicable state or federal law and that other law precludes such repayment.

However, if We discover such an error or delay, a fair adjustment of Premiums will be made. Premium adjustments that involve returning an unearned premium to You will be limited to the twelve-month period before We received satisfactory evidence that such adjustment should be made.

If You misstate Your age or any other relevant fact and the Premium is affected, a fair adjustment of Premiums will be made. If such misstatement affects the amount of coverage, the true facts will be used in Determining what coverage is in force under this Contract.

If Your Spouse applies for the new coverage within 31 days of the divorce and meets Our Underwriting Requirements, the effective date of the new coverage shall be the day following the date the Spouse's coverage under this Contract ended. Any Pre-existing Condition limitation or other limitation not satisfied by the Spouse under this Contract will apply under the new coverage to the extent it remains unsatisfied.

The Identification Card issued by Us to Members pursuant to this Contract is for identification purposes only. To be eligible for services or benefits under this Contract, the holder of the card must be a Member on whose behalf all applicable premium charges under this Contract have been paid. PPO STANDARD PLAN PROVISIONS

[III. PREFERRED PROVIDER ORGANIZATION PROVISIONS]

This Policy encourages a Covered Person to use services provided by members of [XYZ Health Care Network a Preferred Provider Organization (PPO).] A PPO is a network of health care providers located in the Covered Person's geographical area. [In addition to an identification card,] the Covered Person will periodically be given up-to-date lists of [XYZ Health Care] Network Providers.

Use of the network is strictly voluntary, but We generally pay a higher level of benefits for most covered services and supplies furnished to a Covered Person by [XYZ Health Care Network]. Conversely, We generally pay a lower level of benefits when covered services and supplies are not furnished by [XYZ Health Care Network] (even if a[n] [XYZ Health Care] Network Provider orders the services and supplies). Of course, a Covered Person is always free to be treated by any Provider or Facility. And, he or she is free to change Providers or Facilities at any time.

A Covered Person may use any [XYZ Health Care] Network Provider. [He or she just presents his or her XYZ Health Care Network identification card to the XYZ Health Care Network Provider or Facility furnishing covered services or supplies. Most XYZ Health Care Network Providers and Facilities will prepare any necessary claim forms for him or her, and submit the forms to Carrier.] The Covered Person will receive an explanation of any insurance payments made by this Policy. [And if there is any balance due, the [XYZ Health Care] Network Provider or Facility will bill You.]

This Policy also has utilization review features. See the "Utilization Review" section for details.

What We pay is subject to all the terms of this Policy. You should read this policy carefully and keep it available when consulting a Provider.

See the Schedule of Benefits for specific benefit levels, payment rates and payment limits.

If You have any questions after reading this Policy, You should call Us [Claim Office at the number shown on your identification card.]
