## August 2025 meeting of the Public Library - Community Partner Coalition

### Details

Join us for the third meeting of the The Public Library – Community Partner Coalition (PLCPC). This expanding network exists to **support** - through collaboration among members - the development and sustainability of community partnerships involving or led by public libraries.

At this meeting we will have interactive discussion and resource sharing about this topic. The topic of that conversation will be set by you! [Vote for the topic](#) you'd like to discuss at the August meeting using this form.

[Vote here](#). The final decision on the topic will be set in mid-August.

We will also have an update on our efforts to create an online space to aggregate wisdom and resources on this topic.

We invite **all interested individuals** to join the coalition. If you received this invitation and are not yet a member, [sign up at this link](#).

Join us!

Membership meetings will be held every two months, online.
