i. To his or her replacement vessel, provided the replacement vessel is not greater than 10 percent larger in vessel length, gross registered tonnage and net tonnage and not more than 20 percent greater in horsepower than the originally permitted vessel. The vessel being replaced shall no longer be eligible for a black sea bass permit; or

ii. Along with the sale of his or her vessel to a new owner. The owner selling the vessel shall no longer be eligible for a Black Sea Bass Permit based on the harvesting history of the vessel being sold.

4. Transfer of a permit to a new vessel shall be limited to the same gear type(s) of the originally permitted vessel.

5. Applicants for permit transfer shall complete an application provided by the Department, and no permit may be transferred without the prior approval of the Department.

6. A vessel possessing a valid Black Sea Bass Permit to commercially harvest black sea bass by angling or hook and line and when operating under the permit shall be subject to the following:

i. Crew size shall be limited to no more than five persons, including the captain; and

ii. The vessel shall not carry any passengers for hire. When carrying passengers for hire the Black Sea Bass Permit is not valid and the recreational possession limits and seasonal restrictions as specified in N.J.A.C. 7:25-18.1 apply.

7. A vessel that does not possess a New Jersey Black Sea Bass Permit shall be permitted to land not more than 100 pounds of black sea bass during the period of January 1 through March 31, or not more than 50 pounds of black sea bass during the period of April 1 through December 31 on any trip provided the amount of black sea bass landed from any vessel shall not exceed 10 percent, by weight, of the total weight of all species landed and sold. Vessels taking black sea bass by angling or hook and line that do not possess a New Jersey Black Sea Bass Permit shall be subject to the possession limits established in N.J.A.C. 7:25-18.1 and the seasonal by-catch limits and 10 percent criteria specified above.

8. Annual and seasonal black sea bass quotas and daily trip limits shall be determined by the Mid-Atlantic Fishery Management Council and implemented by the National

Marine Fisheries Service or determined by the Atlantic States Marine Fisheries Commission.

i. The Commissioner, or his or her designee, shall implement annual and seasonal black sea bass quotas and daily trip limits determined by the Atlantic States Marine Fisheries Commission upon four days public notice. Public notice shall include letters by first class mail to all New Jersey Black Sea Bass Permit holders. The implemented quotas and limits shall also be reflected in this subsection through a notice of administrative change in the New Jersey Register, in accordance with N.J.A.C. 1:30-2.7.

ii. Ten percent of the New Jersey annual black sea bass quota shall be allocated each year for by-catch landings when any of the seasons for the directed commercial fishery defined in (h)8iii below are closed. The by-catch landings shall be divided between seasons as identified in (h)8iii below at the same percentage apportioned to each season specified at (h)8iii below.

(1) Any by-catch not landed during the season allocated shall be added to the directed fisheries quota of the following season except during the last season.

(2) If any of the by-catch allowance has not been landed by December 1 in any calendar year the remaining amount shall be added to the directed black sea bass fishery quota.

iii. The balance of the New Jersey annual quota for the black sea bass fishery remaining after deducting the by-catch allowance specified in (h)8ii above shall be divided into seasons, percentage of the annual quota apportioned to each season, daily trip limits and number of allowable landing days in each week (Sunday through Saturday) as follows:

(1) January 1–April 15: 38.8 percent, 500 pound trip limit and a maximum of four days per week or 1,000 pound trip limit with a maximum of two days per week that a vessel may land black sea bass.

(2) April 16–June 30: 20.6 percent, 1,000 pound trip limit and maximum of one day per week that a vessel may land black sea bass, or 500 pound trip limit and a maximum of two days per week that a vessel may land black sea bass;

(3) July 1–September 30: 13.5 percent, 1,000 pound trip limit and a maximum of one day per week that a vessel may land black sea bass, or 500 pound trip limit and a maximum of two days per week that a vessel may land black sea bass;

(4) October 1–December 31: 27.1 percent, 1,000 pound trip limit and a maximum of one day per week that a vessel may land black sea bass, or 500 pound trip limit and a maximum of two days per week that a vessel may land black sea bass.

(5) If a minimum of 50,000 pounds of the New Jersey black sea bass quota remains unlanded as of December 1 in any calendar year, the Commissioner, or his or her designee, may set a daily trip limit for the remainder of that calendar year.

(6) Any daily landing of black sea bass not exceeding 100 pounds during the period of January 1 through March 31 or 50 pounds during the period of April 1 through December 31 shall not be applied to maximum weekly landing days during any season as specified in (h)8iii(1) through (4) above, provided the amount of black sea bass landed from any vessel shall not exceed 10 percent, by weight, of the total weight of all species landed and sold.

iv. No vessel shall have in possession or land and no dealer shall accept from any one vessel or person more than the lesser of the daily trip limit of black sea bass set by the National Marine Fisheries Service or the Atlantic States Marine Fisheries Commission in any one calendar day.

v. The Commissioner, or his or her designee, shall close the season for the commercial black sea bass fishery upon two days public notice of the projected date the seasonal percentage of the annual quota shall be caught. Public notice shall include letters by first class mail to all New Jersey Black Sea Bass Permit holders.

vi. Once the season has been closed for the directed commercial black sea bass fishery, no vessel or person shall land or sell any black sea bass and no dealer or person shall accept or purchase any black sea bass landed in New Jersey in excess of the by-catch allowances specified in (h)1 and 7 above and provided the amount of black sea bass landed from any vessel shall not exceed 10 percent, by weight of all species landed and sold. If the entire season and/or annual quota including the by-catch allowance has been landed, then no vessel or person shall land or sell any black sea bass and no dealer or person shall accept or buy any black sea bass landed in New Jersey.

vii. If the Commissioner, or his or her designee, closes the season prematurely because of unanticipated events resulting in the quota not being landed by the projected date, then the Commissioner, or his or her designee, may reopen the season for a specified period of time upon two days public notice. Public notice shall be made as specified in (h)7v above.

(1) The Commissioner or his or her designee may set daily trip limits when reopening a prematurely closed season.

viii. If the quota for a particular season is not taken, the balance shall be reallocated for the following season, except that any balance existing as of December 31 of any year shall not be reallocated.

ix. If the quota for any season is exceeded, the amount overharvested shall be deducted from the following season. The amount overharvested shall also be deducted from the following years seasonal quota in pounds and reallocated to the season from which it was deducted the previous year.

x. Any vessel participating in the black sea bass fishery shall notify the Department of the time and place of unloading of the vessel at least two hours in advance of such unloading. Such unloading shall not occur except between the hours of 6:00 A.M. and 6:00 P.M. from November 1 through April 30 and 6:00 A.M. and 8:00 P.M. from May 1 through October 31. The vessel shall also report how many times that week (Sunday through Saturday) the vessel will have landed, including the trip being called in. For example, "This will be my third landing this week." Notification shall include a phone call to (609) 748-2050 unless changed by notice to permit holders via first class mail.

9. After December 31, 2002, no dealer shall accept or purchase any black sea bass from any vessel or harvester unless such dealer is in possession of a valid New Jersey Black Sea Bass Dealers Permit. A New Jersey Black Sea Bass Dealers Permit may be obtained by completing an application supplied by the Department and submitting it to:

New Jersey Black Sea Bass Dealers Permit  
Nacote Creek Research Station  
PO Box 418  
Port Republic, NJ 08241

10. After December 31, 2002, no dealer shall accept or purchase from any one vessel more than the amounts of black sea bass specified at (h)1 above unless said vessel is in possession of its valid New Jersey Black Sea Bass Permit.

11. After December 31, 2002, any harvester or vessel landing black sea bass in New Jersey for the purpose of sale shall sell all black sea bass to a permitted New Jersey Black Sea Bass Dealer.

12. All permitted New Jersey Black Sea Bass Dealers shall provide daily reports during the period January 1 through April 15 and weekly reports during the period April 16 through December 31 to the Division listing the amount of black sea bass landed on a daily basis and any other information that may be required by the Commissioner. If no black sea bass were landed, a report to that effect shall be required. Such report shall be faxed to the Division at the number listed on the reporting form no later than 10:00 A.M. on the following day for daily reports and 12:01 P.M. on Monday following the week's end for weekly reports or sent by any other method approved by the Department. (m) Dealer business records may be used as admissible evidence in any proceeding to document violations of trip limits, weekly landing limits or closed seasons specified in this section.

(n) For the purpose of this section, "land" shall mean to begin offloading fish, to offload fish or to enter port with fish.

(o) The Commissioner, with the approval of the New Jersey Marine Fisheries Council, may modify quotas, trip limits and/or seasons, as well as gear types and gear restrictions, specified in this section by notice in order to maintain and/or to come into compliance with any fishery management plan approved by the Atlantic States Marine Fisheries Commission pursuant to 16 U.S.C. §5104(b) or to maintain consistency with any Mid-Atlantic Fishery Management Council plan adopted by the National Marine Fisheries Service. The Commissioner, with the approval of the New Jersey Marine Fisheries Council, may modify trip limits and/or seasons, as well as gear types and gear restrictions, specified in this section by notice in order to provide for the optimal utilization of any quotas specified in this section. The Commissioner will review the catch rate for a particular species in relation to the season quota and, if harvest data indicate that upward adjustments in harvest control measures are warranted to maximize utilization of the available quota within a specific season for a specific fishery, the Commissioner may adjust the above specified control measures to achieve optimal utilization of the total allowable catch. The Department shall publish notice of any such modification in the New Jersey Register.

(p) An applicant who is otherwise eligible for a license or permit under (c)2 and 5; (e)2 and 5; or (h)1 above, but who fails to apply prior to the application deadline, may request an extension of time to apply in accordance with this subsection and (q) through (s) below.

1. The written request, along with any supporting documentation, shall be submitted to:

New Jersey Division of Fish and Wildlife  
PO Box 400  
Trenton, New Jersey 08625-0400

2. The request shall:

i. Identify the specific permit for which the extension of time to apply is requested;

ii. Explain in detail why the extension of time to apply is needed, including a statement of the type and degree of hardship that prevented the timely application of the permit, and the hardship that will result to the applicant if the permit is not granted; and

iii. Provide appropriate documentation as necessary to support the request for extension.

(q) The Department shall approve an extension request under (p) above only if it determines that the request and documentation demonstrate that:

1. By reason of extraordinary hardship or exceptional situation or condition, the applicant was precluded from applying for his or her Tautog, Non Directed Fishery Tautog, Shad Commercial Net, Shad Incidental Harvest, or New Jersey Black Sea Bass permit during the 12-month application period preceding the year for which the permit is requested;

2. By reason of extraordinary or exceptional situation or condition, strict compliance with the deadline in (c)2 and 5; (e)2 and 5; or (h)1 above would result in exceptional and undue hardship upon the applicant; and

3. The circumstances supporting (q)1 and 2 above were not created by the applicant or persons under his or her control, and the approval of the extension will not unreasonably interfere with the orderly administration of the permitting program.

(r) The Department shall provide written notice to the applicant of its decision to approve or deny the request for extension.

(s) The denial of an extension request may be appealed pursuant to the procedures outlined in N.J.A.C. 7:25-18.17, Request for adjudicatory hearing.

(t) All persons shall comply with all commercial provisions of the approved Atlantic States Marine Fisheries Commission fisheries management plan for Spanish mackerel, spot, and spotted seatrout implemented by the National Marine Fisheries Service.
