

NEW: Major Projects in all 50 states

## Delivering Results from President Biden's Bipartisan Infrastructure Law

**P**resident Biden forged consensus and compromise between Democrats, Republicans, and Independents to demonstrate our democracy can deliver big wins for the American people. After decades of talk on rebuilding America's crumbling infrastructure, President Biden delivered the Bipartisan Infrastructure Law – a historic investment in America that will change people's lives for the better and get America moving again.

**Help build a better America.** Apply now for jobs to support the Bipartisan Infrastructure Law

To date, over 32,000 projects have been awarded funding from the Bipartisan Infrastructure Law. They range from repaving roads and water system upgrades funded through formula grants to states to competitive funding for massive bridge and transit projects. This map of signature projects is illustrative and is intended to show the far-reaching impact of the law from coast to coast. Additional projects will be added as funding announcements unfold. For a detailed look at all projects and awards to date, check out the [Maps of Progress](#).

*The Bipartisan Infrastructure Law is*  
**THE LARGEST INVESTMENT IN:**

 Clean water infrastructure	 Public transit	 Passenger rail in 50 years
 Upgrading the power grid	 Tackling legacy pollution	 Clean, electric buses

**Roads and bridges since the Interstate Highway System**

**Increasing our infrastructure's resilience**

**Affordable, high-speed internet**
