TO: Honorable Members of the New Jersey State Legislature
FROM: Robert A. Briant, Jr., Chairperson, New Jersey Infrastructure Bank
SUBJECT: Third Amended State Fiscal Year (“SFY”) 2024 Interim Transportation Financing Program Project Priority List (“SFY2024 **3rd Amended** Transportation Bank PPL”)

The New Jersey Infrastructure Bank (the “I-Bank”) and the New Jersey Department of Transportation (the “NJDOT”) are pleased to present the **SFY2024 3rd Amended** Transportation Financing Program Project Priority List (the “PPL”) to the New Jersey State Legislature pursuant to the New Jersey Infrastructure Trust Act N.J.S.A. 58:11 B-1 et seq. (“the Act”). The New Jersey Transportation Infrastructure Financing Program (the “Transportation Bank”) is a joint financing program between the I-Bank and the NJDOT. The PPL is a compilation of all eligible projects for which an application has been submitted to the Transportation Bank for financing on or before January 10, 2024, and which have not already received long-term financing. The Act authorizes the I-Bank to amend the PPL four times during the State fiscal year. The PPL for SFY2024 was originally submitted to the Legislature in January 2023, in preparation for the upcoming program year. This submission serves as the third such amendment for SFY2024.

The Act established the Transportation Bank to make low interest loans for local transportation infrastructure projects with a mission of reducing the cost of financing critical transportation projects for New Jersey counties and municipalities.

The SFY2024 **3rd Amended** Transportation Bank PPL, set forth in **Appendix A**, consists of 24 projects with an estimated total value of **\$124.0 million** with a breakdown as follows:

- Twenty (20) of the twenty-three (23) projects, totaling an estimated \$79.3 million, have been allocated funds and are currently in the design or construction phase of the project.
 - One (1) of the above projects received an increase in allocation of \$625K for this 3rd quarter of SFY2024.
- Two (2) projects, with an estimated value of \$25.6 million, were allocated funds for this 3rd quarter of SFY2024.
- Two (2) projects, totaling an estimated \$19.1 million, have submitted an application and are awaiting allocation.

Thank you for your continued support of our programs.
