

Vaccine Recipients

Mildred Clements, Resident, Roosevelt Care Center

Mildred Clements is a resident of Roosevelt Care Center and recently celebrated her 103rd birthday. Mildred is excited to receive the vaccine and be part of the process in helping return Roosevelt Care Center to normal.

Esther Moodey, Staff Nurse, Roosevelt Care Center

Esther Moodey is the first staff member at Roosevelt Care Center to receive the vaccine. Esther has been a staff nurse at Roosevelt Care Center for over 14 years. She began her career as a cart nurse, eventually working her way to become the unit manager on the 3rd floor. Esther plays a huge role in keeping the facility COVID-19 free and has kept the staff focused during this trying period.
