Energy Tip of the Week - Heating & Cooling

Heating and cooling systems are the biggest energy users in almost every home. The two main ways to combat energy waste here are:

1. Tighten up your house so it doesn't leak out all the air you paid to heat or cool.
2. Make sure your heating and cooling systems run as efficiently as possible.

Quote of the Week

Nepotism and Ethics

From retired Lt. Col. John C. Dillie, Department Ethics Officer

"nepotism." n. Favoritism shown or patronage granted to relatives.

The American Heritage® Dictionary of the English Language, Fourth Edition. Houghton Mifflin Company, 2004.

In the Executive Branch of state government (including NJDMAVA), New Jersey's laws and Ethics rules prohibit persons from being employed in the unclassified service of the civil service in any office or position of the State over which a relative exercises authority, supervision, or control. Unclassified employees may not work for relatives under any circumstances.

Further, employees, officers, and special state officers may not supervise or exercise any authority with regard to personnel actions with respect to any relative, cohabitant or person with whom the officer or employee has a dating relationship. When such a relationship exists with a classified employee, the "senior" person must formally remove her/himself from supervisory and personnel action authority.

The definitions of "relative" and "spouse" are very inclusive. Contact NJDMAVA's Ethics Officer, Jack Dillie, at (609) 530-7107 for further information regarding this or any other issue related to Ethics and conflicts of interest.

The used vests will constitute training gear for the 108th SFS which reduces the need to use the unit's real world assets for training purposes. As both a member of the 108th SFS and detective with the Bergen County Prosecutor's Office, Capt. Brian Grier, was a guiding force for the event.

State, Federal employees and accepting gifts

Employees are not allowed to accept any gift, favor, service, or other thing of value from any person or entity under circumstances from which it might be reasonably inferred that the thing was given or offered in order to influence the discharge of official duties. Some things of value are obvious, such as money, real estate, or automobiles. But less obvious things also have value, including offers of employment, loans, price discounts, entertainment, and meals.

State employees are required to disclose and turn in to the Department's Ethics Officer any offer or receipt of a thing of value from any person or entity. If keeping the gift is allowed it will be returned to you. If it is inappropriate under the ethics rules to accept the gift, the Ethics Officer will return it directly to the donor or, if it is perishable, give it to a nonprofit entity in the name of the donor.

Other Resources. For a more complete discussion of this subject, see Guidelines Governing Receipt of Gifts and Favors by State Officers and Employees, www.nj.gov/lpslethics/giftcode.htm or Paragraph 8 of the Department's Code of Ethics (DD 010.1), <http://www.state.nj.us/ethics/docs/ethics/dmvacode.pdf>

NJDMAVA employees are encouraged to contact their Ethics Officer, Jack Dillie, at (609) 530-7107 or john.dillie@njdmava.state.nj.us with questions or concerns related to Ethics or Conflicts of Interest. Federal Technicians and military personnel should direct similar inquiries to Lt. Col. Eugene Ingrao at (609) 562-0942.

Helping one of our own

One of our fellow employees, Ms. Sandra Langley, suffered a terrible loss last weekend. A tragic fire resulted in the loss, not only of her home, but most importantly, her daughter and two grandchildren.

Ms. Langley, who is a Nurses Aide at the Veterans Memorial Home at Vineland, can use our help as she begins to rebuild her life.

A collection box has been placed in our lobby for your donations of clothing and household items for Sandra. Monetary donations are being collected by Ms. Cindy Leese in our Human Resource Division. Checks should be made payable to: Sandra Langley Fire Relief Fund.

Because of the generosity of the DMAVA employees, along with the Veterans of Foreign Wars Post 3020 and Leonard Saxton Memorial VFW Post 6590, more than \$4,000 has been collected to this point.

Thank you for your generosity.

For the Families

Grants available for assistance and recreation

Happy Summer! Now is the time that many families and kids enjoy vacations and day trips, camps, picnics, and family visits. Unfortunately, because of increased deployments and the financial and emotional stress associated with them, many military families might find these activities difficult to arrange. This is why The Women's Opportunity Center at the YMCA of Burlington County in Mt. Laurel, N.J., is pleased to remind military members that grant funds are available not only for financial emergencies and crisis situations, but also to provide recreational and stress relieving activities such as camps and classes.

This grant, provided by the Department of Community Affairs is available to spouses of deployed military personnel in all branches of service in the state who are income eligible. Applicants can expect to fill out very minimal paperwork (one page) and receive their approval and funds within a week of completed application.

Director of the Center, Cathi Rendfrey, said the YMCA and the Women's Opportunity Center are proud and honored to be able to come to the aid of the military at such a critical time.

For more information and an application, contact Fawn Mutschler at 856-234-6200, ext. 235 or e-mail: fawnm@ymca-bc.org.

Vets' federal hiring preference changes for Guard, Reserve

Beginning June 9, National Guard and reserve members released from active duty will get the same veterans' hiring preference for federal jobs as those who are separated or retired from regular active-duty assignments.

Under the new rules, which Congress approved last year as part of the 2006 Defense Authorization Act, the definition of a veteran expands for the purposes of getting extra credit when seeking a federal job. Previously, veterans' preference applied only to people "separated" from active duty under honorable conditions.

Under the new policy, hiring preference would extend to any person discharged or released from active duty if they had more than 180 consecutive days of duty since Sept. 11, 2001, served in a war or in a campaign for which a campaign badge or expeditionary medal was authorized. Also, the person who is discharged or released must have received an honorable or general discharge.

Strange Names

I grew up in Lancaster County, Pa., where we are known for a few towns with unusual names: Intercourse, Blue Ball, Bird-in-Hand. Here are a few more to tickle your funny bone.

Hoop and Holler, Texas
Big Ugly, W.Va.
Peculiar, Mo
Boring, Oregon
Toad Suck, Ark.
Frog Jump, Tenn.
Cookietown, Okla.
Kickapoo, Ill.

Then there is always Eighty Eight, Ky., who was named by a gentleman who had 88 cents in his pocket on the day he named the town. (Has a much better ring than \$1.14!)
