Christie Administration Continues Department of Banking and Insurance Mobile Office Monday in Monmouth County

Friday, November 30, 2012 Tags: [Hurricane Sandy](#)

Trenton, NJ – To continue assisting New Jerseyans who have suffered property loss as a result of Hurricane Sandy, the Christie Administration will host an additional mobile office in Monmouth County Monday, December 3, between 9 am and 5 pm to handle consumers' questions, take complaints, and assist them in filing insurance claims related to damages caused by the storm. Earlier this month, Acting Commissioner Ken Kobylowski and his staff hosted similar mobile offices at Brick Township Civic Center (Brick Township, Ocean County), Little Ferry Borough Hall (Little Ferry, Bergen County), Sayreville Senior Center (Sayreville, Middlesex County), the West Park Recreation Center (Oakhurst, Monmouth County) and the Berkeley Township Recreation Center (Bayville, Ocean County).

The Department will send members of its senior staff along with consumer representatives to each location. Staff will provide consumers with literature on such topics as property insurance, flood insurance and general information about filing insurance claims, as well as answer general questions and assistance. There will also be a representative from the Governor's Office at each site. In order to expedite matters, residents should bring their insurance policy and any claim information to the mobile office.
