Maternal Health Hospital Report Card

Why Avoid Unnecessary Surgical Births?

Maternal Health Hospital Report Card

The Maternal Health Report card is a yearly report of maternal healthcare provided at NJ licensed acute general care hospitals (per statute [P.L. 2018, c.82](#))

This interactive website is designed to provide information about:

- NJ mothers giving birth in NJ hospitals (demographics)
- Outcomes associated with giving birth, including surgical/cesarean birth rates and complications rates

Please click on Report Year you are interested in viewing:

- [2018 - 2019](#)
