AGENDA

Meeting in person and/or Microsoft Teams

In-Person Meeting Location:

NJ State Chamber of Commerce
 216 W. State Street
 Trenton, NJ 08608

Wednesday, October 16, 2024

- | | |
|----------|--|
| 9:30 am | Call to order, roll call |
| 9:35 am | Administrative Report – Francis Steitz |
| 10:00 am | Old Business/New Business
- Approve prior meeting summary |
| 10:15 am | Discussion of 2025 Hearing Topics
- Wood smoke from fire pits, chimneys, fireplaces, and similar local small source generators.
- Air toxics and HAPs and is NJ already the best it can be?
- We already know that there is substantially less interest in EVs throughout the general public in NJ than officials thought. So, now what? What can we really do about vehicular pollution?
- Strategies for communicating air pollution data and information to the public to make everyone understand the issues.
- How to properly design climate education curricula in primary, secondary, and high schools to make a true difference.
- Air Pollution: Effects on Public Health, Health Care Costs, and Health Insurance Costs
- Carbon sequestration/carbon capture as part of NJ’s climate reduction strategies |
| TBD | Adjourn |
